Item 1.01. Entry into a Material Definitive Agreement.

On January 27, 2009, subsidiaries of Natural Resource Partners L.P. (the Partnership) entered into a Purchase and Sale Agreement (the Agreement) by and among WPP LLC (WPP), Hod LLC (Hod) and Macoupin Energy, LLC (Macoupin) pursuant to which the Partnership, through WPP and Hod, acquired from Macoupin coal reserves and infrastructure assets related to the Shay No. 1 mine in Macoupin County, Illinois for \$143.7 million. The Partnership, through WPP and Hod, is expected to receive royalty income on the reserves and throughput fees for coal loaded through the rail loadout and transported on the rail loop that service the mine pursuant to the terms and conditions of lease arrangements entered into by Macoupin, on the one hand, and WPP and Hod, on the other hand.

At the closing, WPP and Hod collectively paid \$83.7 million in cash and are collectively required to make three subsequent cash payments of \$20 million each (for a total of \$60 million) in 2009 based upon specified performance measures associated with the development of a new mine. The portion of the purchase price paid at Closing was substantially funded under the Partnership s credit facility and the remainder of the purchase price is expected to be borrowed under its credit facility.

Macoupin is a private limited liability company controlled by Chris Cline, whose affiliate, Adena Minerals LLC, owns limited partnership interests in the Partnership, an interest in the general partner of the Partnership (which includes an interest in the incentive distribution rights held by the general partner of the Partnership) and has the right to designate two members to the Board of Directors of GP Natural Resource Partners LLC, the ultimate general partner of the Partnership (the Ultimate GP). This transaction was negotiated at an arm s length basis and completed pursuant to the Restricted Business Contribution Agreement between, among other parties, the Partnership and Mr. Cline, under which Mr. Cline is obligated to offer certain coal reserves and infrastructure assets to the Partnership when those reserves and assets are acquired or developed. The Conflicts Committee of the Board of Directors of the Ultimate GP approved the transaction with Macoupin on behalf of the limited partners of the Partnership.

A copy of the Agreement is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference. A copy of the press release announcing the transaction is filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 2.01. Completion of Acquisition or Disposition of Assets.

Please refer to the disclosure above under Item 1.01, which disclosure is incorporated by reference into this Item 2.01.

Item 9.01. Financial Statements and Exhibits.
