HEARx SIGNS CREDIT AGREEMENT WITH HELIX

West Palm Beach, FL, May 2, 2002 HEARx Ltd. (AMEX: EAR) Paul A. Brown, M.D., Chairman of the Board and Chief Executive Officer, announced today that HEARx has entered into a credit agreement with Helix Hearing Care of America Corporation (TSE: HCA) and its subsidiaries. Subject to Helix meeting the conditions to closing as provided in the credit agreement, HEARx will extend to Helix up to \$9.42 million in the form of a senior secured loan. The loans will be secured by all of the assets of Helix and its subsidiaries. Loans made under the credit agreement will bear interest at a rate equal to prime plus 1%.

Funds drawn by Helix under the credit agreement must be used for the specific purposes identified in the credit agreement. The use of these loan proceeds includes repayment by Helix of all of its outstanding convertible debt and a portion of its non-convertible debt, with the interest rates as high as 13 3/4% and payment by Helix of up to \$1 million of expenses related to the pending combination transaction with HEARx.

Outstanding principal and interest of the loans will be due and payable on August 9, 2003, but may be repaid in whole or in part prior to that date without penalty. Prior to August 9, 2003, outstanding loans and interest thereon must be repaid from proceeds of (1) the sale of Helix assets or the issuance by Helix of any equity or debt securities, and (2) annually from excess cash flow.

The credit agreement contains loan covenants customary for a credit facility of this size and nature, including limitations on the amount of annual capital expenditures by Helix, the incurrence by Helix of additional debt or the issuance by Helix of additional equity. The credit agreement provides for the suspension of access to further funds and the repayment of all then outstanding loans under the agreement in the event of a material adverse change in Helix or its subsidiaries, a change in control of Helix or a termination of Helix's previously announced merger agreement with HEARx. HEARx anticipates that it will fund the loans under the credit agreement through its previously announced credit facility with Siemens Hearing Instruments, Inc.
