ITEM 4. CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT

Effective July 1, 2003, the Board of Directors of Income Opportunity Realty Investors, Inc. ("IOT") engaged the Plano, Texas firm of Farmer, Fuqua and Huff, P.C. as the independent accountant to audit IOT's financial statements. During the Registrant's two most recent fiscal years, and any subsequent interim period, IOT did not consult with Farmer, Fuqua and Huff, P.C. or any of its members about the application of accounting principles to any specified transaction or any other matter.

The engagement effective July 1, 2003, of Farmer, Fuqua and Huff, P.C. as a new independent accountant for IOT necessarily results in the termination or dismissal of the principal accountant which audited IOT's financial statements in the past two fiscal years ended December 31, 2001 and 2002, BDO Seidman. BDO Seidman made a fee proposal estimate to IOT for 2003 which was greater than the fee proposal of Farmer, Fuqua & Huff, P.C. for the same work. During the Registrant's two most recent fiscal years and any subsequent interim period, BDO Seidman's report on IOT's financial statements for those two years did not contain an adverse opinion or disclaimer of opinion, nor was such opinion qualified or modified as to uncertainty, audit scope or accounting principles, and no disagreement existed between the Registrant and BDO Seidman concerning any matter of accounting principles or practices, financial statement
