Item 3. Source and Amount of Funds or Other Consideration

Pursuant to the terms of that certain Securities Purchase Agreement by and between the Issuer, certain of the MPM Entities, and various other investors, dated September 30, 2005 (the Securities Purchase Agreement), the MPM Entities purchased an aggregate of 699,659 shares of the Common Stock of the Issuer (the Shares), at a price of \$5.86 per share, together with associated warrants (the Warrants) to purchase an aggregate of 244,881 shares of the Common Stock of the Issuer. The Warrants will be exercisable until September 30, 2010 (the Expiration Date) at an exercise price of \$6.74 per share. In addition, the Warrants will be exercisable on a cashless basis (by surrender of the number of shares underlying the Warrants having a fair market value equal to the aggregate exercise price of the shares being acquired) until and including the Expiration Date. Certain rights relating to the Warrants were set forth in a Warrant Agreement, dated as of September 30, 2005. The applicable per share purchase price and the number of shares issuable upon exercise of the Warrants are subject to adjustment for the occurrence of certain events, including stock dividends and split-ups, combinations, reorganizations and reclassifications. The consideration for the Warrants is included in the aggregate purchase price of the Shares.

The sale of the Shares and Warrants to the MPM Entities described above was part of a private placement by the Issuer to a number of affiliated and unaffiliated investors (including the MPM Entities). The closing of the transaction occurred on September 30, 2005.

Prior to entering into the Securities Purchase Agreements, the MPM Entities beneficially owned a total of 3,798,319 shares of the Common Stock of the Issuer. These shares were acquired through venture capital investments prior to the Issuer's initial public offering, for an aggregate purchase price of approximately \$24,708,249.

The funds used by the MPM Entities to acquire the securities described herein were obtained from capital contributions by their partners and from direct capital commitments by the MPM Entities.

References to and descriptions of the transaction as set forth in this Item 3 are qualified in their entirety by reference to the form of Securities Purchase Agreement (including the form of Warrant attached thereto as Exhibit A), which is incorporated by reference in its entirety in this Item 3.

Item 4. Purpose of Transaction

The MPM Entities agreed to purchase the Shares and the Warrants for investment purposes with the aim of increasing the value of their investments and the Issuer.

Subject to applicable legal requirements, one or more of the MPM Entities may purchase additional securities of the Issuer from time to time in open market or private transactions, depending on their evaluation of the Issuer's business, prospects and financial condition, the market for the Issuer's securities, other developments concerning the Issuer, the reaction of the Issuer to the MPM Entities' ownership of the Issuer's securities, other opportunities available to the MPM Entities, and general economic, money market and stock market conditions. In addition, depending upon the factors referred to above, the MPM Entities may dispose of all or a portion of their securities of the Issuer at any time. Each of the MPM Entities reserves the right to increase or decrease its holdings on such terms and at such times as each may decide.

Other than as described above in this Item 4, none of the MPM Entities have any plan or proposal relating to or that would result in: (a) the acquisition by any person of additional securities of the Issuer or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) any change in the Board of Directors or management of the Issuer, including any plans or proposals to change the number or terms of directors or to fill any existing vacancies on the Board of Directors of the Issuer; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) any changes in the Issuer's charter, by-laws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person; (h) a class of securities of the Issuer being delisted from a national securities exchange or ceasing to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act; or (j) any action similar to those enumerated above.
