Annual Equity Awards

The Compensation Committee also approved annual equity awards for certain employees, including executive officers. Awards granted to the Named Executive Officers consisted of fair market value stock options and target grants of performance based stock units (PBU's). The options vest ratably over five years (20% per year), have an exercise price equal to the fair market value of Dell common stock on the date of grant (\$28.95) and terminate ten years from the date of grant. The actual number of PBU's awarded will depend on Dell's revenue during the performance period relative to pre-established targets. Each vested PBU entitles the holder to receive one share of common stock. The PBU's vest over varying periods ranging from one to five years. The following table sets forth, for each of the Named Executive Officers, the number of options and the target number of PBU's awarded.

Name	Number of Options Awarded	Target Number of PBUs
		Awarded ^a
Mr. Rollins	600,000	150,000
Mr. Schneider	280,000	75,000

Edgar Filing: DELL INC - Form 8-K

Mr. Bell	220,000	90,000
Mr. Parra	280,000	75,000

a PBUs awarded to the Named Executive Officers vest ratably over five years (20% per year) beginning March 2007. The actual number of PBUs awarded will depend on Dell's fiscal 2007 revenue relative to pre-established targets, and will range between 0% and 120% of the target number.

All options and PBUs are awarded under the 2002 Long-Term Incentive Plan, which was approved by stockholders at the 2002 annual meeting.

Unvested options and PBUs will expire upon the termination of employment for any reason other than death or permanent disability. If the termination of employment is due to death or permanent disability, unvested options and PBUs will vest immediately upon such termination of

employment. Vested options will expire one year after termination due to death or three years after termination due to permanent disability. If the termination of employment is for any reason other than conduct detrimental to the company, normal retirement, death or permanent disability, any vested options will expire 90 days after such termination. If the termination is due to normal retirement, any vested options will expire three years thereafter. If the termination is due to conduct detrimental to the company, all vested options will expire immediately upon such termination.

The form of Nonstatutory Stock Option Agreement and of PBU Award Agreement are filed as exhibits to this Form 8-K and are incorporated herein by reference.

The 2007 Program is intended to better balance Dell's long-term compensation programs among cash, stock options, PBUs and restricted stock units. Awards, aggregating up to \$49.5 million, will be paid out in cash over varying periods ranging from one to four years from the date of grant. Future payouts are contingent upon continued employment during the payout period. The following table summarizes the awards under the 2007 Program made to the Named Executive Officers:
