Item 1.01 Entry into a Material Definitive Agreement.

On July 17, 2006 (the **Closing Date**), Valor Communications Group Inc. (**Valor**), Alltel Corporation (**Alltel**) and Alltel Holding Corp., then a wholly-owned subsidiary of Alltel (**Spinco**), consummated the previously disclosed spin-off of Spinco, which held Alltel's wireline telecommunications business, and the merger of Spinco with and into Valor.

On the Closing Date, pursuant to the Distribution Agreement, dated as of December 8, 2005 (the **Distribution Agreement**), by and between Alltel and Spinco, Alltel consummated a series of preliminary restructuring transactions to effect the transfer to Spinco's subsidiaries of all of the assets relating to Alltel's wireline telecommunications business, and the transfer to Alltel's subsidiaries of all of the assets not relating to the wireline business. Following these preliminary restructuring transactions, and immediately prior to the effective time of the Merger (as defined below), Alltel contributed (the **Contribution**) all of the stock of the Spinco subsidiaries to Spinco in exchange for (i) all of Spinco's common stock, to be distributed to Alltel's stockholders pro rata in the spin-off as a tax free stock dividend (the **Distribution**), (ii) the payment to Alltel of a special dividend in the amount of \$2,275,082,848 and (iii) the distribution by Spinco to Alltel of \$1,746,000,000 aggregate principal amount of 8.625% senior notes due 2016 of Spinco. In addition, Spinco assumed approximately \$262,000,000 principle amount of long-term debt that had been issued by Alltel's wireline subsidiaries of which approximately \$81,000,000 was immediately repaid.

Immediately following the Distribution, and pursuant to the Merger Agreement dated December 8, 2005, by and among Alltel, Spinco and Valor (the **Merger Agreement**), Spinco was merged with and into Valor (the **Merger**), with Valor continuing as the surviving corporation. As a result of the Merger, each share of Spinco common stock distributed to a third party exchange agent for the benefit of Alltel stockholders in the Distribution was converted into the right to receive 1.0339267 shares of Valor common stock. As a result, Valor issued approximately 403 million shares of its common stock. In the aggregate, immediately following the Merger, Alltel's stockholders owned approximately 85% of the outstanding equity interests of the surviving corporation in the Merger, and the stockholders of Valor owned the remaining 15% of such equity interests. No fractional shares of Valor common stock were issued in the Merger. Stockholders of Alltel that would otherwise be entitled to receive a fractional share of Valor common stock in the Merger will instead be entitled to receive the cash value of such fractional share. Immediately following the Merger, Valor was renamed Windstream Corporation (**Windstream**), which began trading on the New York Stock Exchange on July 18, 2006 under the ticker symbol **WIN**.

On the Closing Date, Windstream issued a press release announcing the completion of the Merger. A copy of the Press Release issued by Windstream on the Closing Date is included as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Transition Services Agreements

In connection with the consummation of the transactions contemplated by the Distribution Agreement and the Merger Agreement, Windstream, as successor to Spinco, and Alltel entered into as of the Closing Date, a Transition Services Agreement (the **Transition Services Agreement**) and a Reverse Transition Services Agreement (the **Reverse Transition Services Agreement** and, together with the Transition Services Agreement, the **Transition Services Agreements**), pursuant to which Windstream and Alltel will provide each other with various services, including those relating to (a) information technology systems, (b) billing, (c) human resources, (d) customer service, (e) accounting and finance, (f) engineering and networking, (g) sales and marketing, (h) operations, (i) real estate, (j) branding, and (k) capital asset management, for a period of not more than one year, unless otherwise extended or terminated in accordance with the terms of such agreements.

Pursuant to the Transition Services Agreements, Windstream and Alltel have agreed to indemnify each other for losses arising out of a default by the other party in the performance of its obligations under the Transition Services Agreements. Indemnification is limited to actual damages, which cannot exceed the amount of compensation payable to the provider of the services. The Transition Services Agreements may be terminated in whole or in part if among other things, (i) Alltel desires to terminate such agreements, upon 30 days' prior written notice to Windstream, (ii) Alltel fails to pay for transition services within 30 days of receipt of an invoice relating to such services, (iii) either party defaults in any material respect in the performance of the agreement, or (iv) either party becomes insolvent, bankrupt or a receiver or trustee is appointed for either party. In addition, the recipient of services has the right to

terminate any transition service, in whole or in part, upon 30 days prior written notice to the

Table of Contents

provider of such service. If the Transition Services Agreements are terminated, both parties must return any and all property of a proprietary nature involving the other party within 30 days.

The foregoing descriptions of the Transition Services Agreement and the Reverse Transition Services Agreement are qualified in their entirety by reference to the full text of Transition Services Agreement and the Reverse Transition Services Agreement copies of which are attached hereto as Exhibits 10.1 and 10.2, respectively, and incorporated herein by reference.

Tax Sharing Agreement

In connection with the consummation of the transactions contemplated by the Distribution Agreement and the Merger Agreement, Windstream, as successor to Spinco, and Alltel also entered into a Tax Sharing Agreement (the Tax Sharing Agreement) that allocates the responsibility for (a) filing tax returns and preparing other tax-related information and (b) the liability for payment and the benefit of refund or other recovery of taxes, each effective as of the Closing Date.

Pursuant to the Tax Sharing Agreement, Alltel has agreed to file or cause to be filed any consolidated, combined or unitary income tax return that (i) includes both Alltel and its affiliates and Spinco and its affiliates and (ii) relates to or includes any taxable period on or prior to the Closing Date. Windstream agreed to submit to Alltel any such income tax return that relates to or includes any taxable period on or prior to the Closing Date, and to make or cause to be made any and all changes requested by Alltel to those returns in respect of items for which Alltel has responsibility under the Tax Sharing Agreement. Windstream also agreed not to file or allow to be filed any such income tax return prior to receiving Alltel's written approval of such return, not to be unreasonably withheld, delayed or conditioned.

Windstream agreed to indemnify Alltel against: (i) any net liability for income taxes of Spinco or its affiliates attributable to the treatment of payments received from a federal or state universal services fund in respect of the wireline business for the period from January 1, 1997 to the Closing Date, (ii) any non-income taxes arising prior to the Closing Date of the Merger and relating to Spinco and its affiliates or to the employees, assets or transactions relating to Spinco's business, except for non-income taxes arising in respect of the preliminary restructuring of Spinco and its subsidiaries and the distribution of the stock of Spinco to a third party distribution agent for the benefit of the stockholders of Alltel, and (iii) any liability for taxes arising after the spin-off attributable to Spinco and its affiliates or to the employees, assets or transactions relating to Spinco's business.

Alltel agreed to indemnify Windstream against any taxes of Alltel and its affiliates or Spinco and its affiliates, other than (i) taxes specifically allocated to Windstream under the Tax Sharing Agreement or (ii) taxes for which Windstream has indemnified Alltel pursuant to the Merger Agreement. Windstream and Alltel agreed that each is entitled to any refund of or credit for taxes for which it is responsible under the Tax Sharing Agreement, including equitably apportioned refunds for any taxable period consisting of days both before and after the Distribution. Pursuant to the Tax Sharing Agreement, all prior tax sharing or tax allocation agreements or practices between Alltel and its affiliates, on the one hand, and Spinco or any of its subsidiaries, on the other hand, was terminated as of the Closing Date of the Merger.

Carrybacks and Amended Returns. Pursuant to the Tax Sharing Agreement, the parties agreed that tax attributes from a period after the Closing Date of the Merger will not be carried back by Windstream or any of its subsidiaries to a pre-closing date tax return unless required by law or Alltel so consents. If a carryback is required by law or if Alltel so consents, then any tax benefit realized with respect to the carryback will be remitted to Windstream. Windstream agreed not to file any amended income tax return of Spinco or its affiliates, or any non-income tax return that is filed on a combined basis with Alltel and its affiliates, in each case with respect to returns for periods prior to the distribution, without first obtaining the consent of Alltel.

Timing Adjustments. Windstream and Alltel agreed to pay to the other the amount of any tax benefit that result from any timing adjustment that (i) decreases deductions, losses or tax credits or increases income, gains or recapture of tax credits of the other and (ii) permits the paying party to increase deductions, losses or tax credits or to decrease income, gains or recapture of tax credits.

Deductions for Restricted Stock. Windstream and Alltel agreed that Alltel and its affiliates will be entitled to claim all deductions resulting from the vesting of shares of restricted stock of Alltel issued prior to the Closing Date unless otherwise required by law, in which case Windstream will pay to Alltel the amount of any tax benefit realized by

Windstream or its affiliates from any such deduction.

Table of Contents

Deductions for Transaction Expenses. Windstream and Alltel agreed in principle to an allocation between Alltel and its affiliates and Spinco and its affiliates of deductions for certain costs and expenses related to the spin-off and the Merger and agreed that, if a cost or expense so allocated to Spinco is borne economically by Alltel, Windstream will pay to Alltel the amount of any resulting tax benefit.

Tax Contests. Windstream and Alltel agreed to promptly notify the other party in writing upon receipt of a written communication from any taxing authority with respect to any pending or threatened audit, dispute, suit, action, proposed assessment or other proceeding concerning any tax return for which the other may be liable under the Tax Sharing Agreement. Windstream will have sole control of any income tax contest in respect of any return related exclusively to periods following the closing date of the Merger, while Alltel will maintain sole control of any other income tax contest of Spinco or its affiliates, provided that, in the case of a contest relating to income taxes for which Alltel is responsible under the Tax Sharing Agreement, Alltel will provide Windstream with an opportunity to review and comment and to participate in such tax contest at its own expense.

Cooperation. Windstream and Alltel will cooperate in the filing of tax returns and the conduct of any audit or other proceeding related to taxes, as well as in the retention of tax-related records and access thereto. Each party also agreed to treat the Distribution, the Merger and the related transactions in a manner such that no gain or loss is recognized by any of Alltel, Spinco or Valor and their respective stockholders.

The foregoing description of the Tax Sharing Agreement is qualified in its entirety by reference to the full text of the Tax Sharing Agreement which is attached hereto as Exhibit 10.3 and incorporated herein by reference.

Amended Securityholders Agreement

On the Closing Date, Windstream entered into the First Amendment to Securityholders Agreement (the Amended Securityholders Agreement), by and among Valor and Welsh, Carson, Anderson & Stowe and certain individuals affiliated therewith (which are collectively referred to herein as WCAS), Vestar Capital Partners and certain individuals affiliated therewith (which are collectively referred to herein as Vestar), and certain other stockholders of Valor. The Amended Securityholders Agreement provides that, among other things, (i) WCAS will agree not to sell, transfer or otherwise dispose of Valor shares for a period of 90 days after consummation of the Merger and (ii) Windstream will file and use its reasonable best efforts to have declared effective an evergreen shelf registration statement permitting sales of securities of Windstream by WCAS and Vestar as soon as practicable after consummation of the Merger. WCAS and Vestar will have customary piggyback registration rights in connection with any registration by Valor of sales of its equity securities (other than on Forms S-4 or S-8).

The foregoing description of the Amended Securityholders Agreement is summary in nature and is qualified in its entirety by reference to the Amended Securityholders Agreement, a copy of which is attached hereto as Exhibit 10.4 and incorporated herein by reference.

New Credit Facilities

On the Closing Date, Spinco entered into new credit facilities providing for an aggregate amount of \$3.3 billion in financing, consisting of a senior secured five-year revolving credit facility in a principal amount of \$500 million (the

Revolver) and a senior secured term loan facility in an aggregate amount of \$2.8 billion which consists of sub-facilities in the following amounts: (i) Tranche A Term Loan Facility \$500 million, (ii) Tranche B Term Loan Facility \$1.9 billion, and (iii) Tranche C Term Loan Facility \$400 million. The term loan facilities and the Revolver are referred to herein as the New Credit Facilities. Indenture

On the Closing Date, Windstream completed its private offering of \$2,546,000,000 aggregate principal amount of its senior notes, which included \$1,746,000,000 in aggregate principal amount of its 8 ⁵/₈% senior notes due 2016 (the 2016 Notes) issued at 97.547% of par and \$800 million aggregate principal amount of its 8 ¹/₈% senior notes due 2013 (the 2013 Notes) and, together with the 2016 Notes, the Notes) at par.

Windstream issued the 2016 Notes and the 2013 Notes pursuant to an Indenture dated July 17, 2006 (the Indenture), among Alltel Holding Corp. (now known as Windstream Corporation), the guarantors (as defined therein) and SunTrust Bank, as trustee (the Trustee) as supplemented by the First Supplemental Indenture, dated July 17, 2006 among Windstream, the additional guarantors named therein and the Trustee (the First Supplemental Indenture). Pursuant to the terms of the Indenture, the Notes are senior unsecured obligations of Windstream and will rank equally with Windstream's unsecured unsubordinated debt, senior to any of Windstream's subordinated debt and effectively subordinated to Windstream's secured debt to the extent of the assets securing such debt including all borrowings under the New Credit Facilities. Windstream's obligations under the Notes are jointly and severally guaranteed by all of Windstream's domestic subsidiaries that guarantee the borrowings under the New Credit Facilities.

Interest on the 2016 Notes accrues at a rate of 8 ⁵/₈% per annum. Interest on the 2013 Notes accrues at the rate of 8 ¹/₈% per annum. Interest on the Notes is payable semiannually in arrears on February 1 and August 1 of each year, commencing on February 1, 2007. Windstream will make each interest payment to the holders of record of the Notes on the immediately preceding January 15 and July 15.

2016 Notes. The 2016 Notes will not be redeemable at Windstream's option prior to August 1, 2011. On or after August 1, 2011, Windstream may redeem all or a portion of the 2016 Notes upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed in percentages of principal amount), plus accrued and unpaid interest and additional interest, if any, thereon to the applicable redemption date, if redeemed during the 12-month period commencing on August 1 of the years set forth below:

Period	Redemption Price
2011	104.313%
2012	102.875%
2013	101.438%
2014 and thereafter	100.00%

2013 Notes. At any time prior to August 1, 2009, Windstream may redeem up to 35% of the aggregate principal amount of the 2013 Notes at a redemption price of 108.125% of the principal amount thereof, plus accrued

Table of Contents

and unpaid interest and additional interest, if any, thereon to the redemption date, with the net cash proceeds from one or more equity offerings (as defined in the Indenture), provided that at least 65% of the aggregate principal amount of 2013 Notes remains outstanding immediately after the occurrence of each such redemption and each such redemption occurs within 90 days after the date of the related equity offering.

At any time, Windstream may redeem all or part of the 2013 Notes upon not less than 30 nor more than 60 days prior notice as a redemption price equal to the sum of (i) 100% of the principal amount thereof, plus (ii) a make-whole premium as of the date of redemption, plus (iii) accrued and unpaid interest and additional interest, if any, thereon, to the date of redemption.

Repurchase upon Change of Control. Upon the occurrence of a change in control (as defined in the Indenture), each holder of the Notes may require Windstream to repurchase all or a portion of the Notes in cash at a price equal to 101% of the aggregate principal amount of the Notes to be repurchased, plus accrued and unpaid interest, if any, thereon to the date of repurchase.

However, subject to certain exceptions, the New Credit Facilities limit Windstream's ability to repurchase the Notes prior to their maturity and also provides that certain changes of control with respect to Windstream would constitute a default under the New Credit Facilities.

Other Covenants. The Indenture contains covenants that limit, among other things, Windstream's and certain of its subsidiaries' ability to (1) incur additional debt and issue preferred stock, (2) make certain restricted payments, (3) consummate specified asset sales, (4) enter into transactions with affiliates, (5) create liens, (6) impose restrictions on the payment of dividends or make other distributions, (7) make certain investments, (8) merge or consolidate with another person, (9) make certain capital expenditures and (10) enter new lines of business. In addition, the financial covenants under Indenture will require Windstream to maintain a consolidated leverage ratio at 4.50 to 1.0 at the time of incurrence of additional indebtedness.

Events of Default. The Indenture provides for customary events of default (subject in certain cases to customary grace and cure periods), which include nonpayment, breach of covenants in the Indenture, payment defaults or acceleration of other indebtedness, a failure to pay certain judgments and certain events of bankruptcy and insolvency. Generally, if an event of default occurs, the Trustee or holders of at least 25% in principal amount of the then outstanding Notes of a series may declare the principal of and accrued but unpaid interest, including additional interest, on all the Notes of such series to be due and payable.

The foregoing description of the Indenture, First Supplemental Indenture, 2016 Notes and 2013 Notes is summary in nature and is qualified in its entirety by reference to the Indenture, First Supplemental Indenture, 2016 Notes and 2013 Notes, copies of which are attached hereto as Exhibit 4.1, 4.2, 4.3 and 4.4, respectively, and are incorporated herein by reference.

Registration Rights Agreement

In connection with the offering of the Notes, with respect to each series of Notes, Windstream has agreed pursuant to a Registration Rights Agreement, dated July 17, 2006 (the "Registration Rights Agreement"), among Windstream, the guarantors named therein, and Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities Inc., Banc of America Securities LLC, Citigroup Global Markets, Inc., Wachovia Capital Markets, LLC and Barclays Capital Inc. (the "Initial Purchasers") to file a registration statement (the "Exchange Offer Registration Statement") with the Securities and Exchange Commission (the "SEC") with respect to a registered offer (the "Registered Exchange Offer") to exchange each series of Notes for new notes of Windstream (the "Exchange Notes") having terms substantially identical in all material respects to such series of Notes within 120 days of the date the Notes were issued (the "Issue Date"), and to use its commercially reasonable efforts to cause the Exchange Offer Registration Statement to be declared effective under the Securities Act of 1933, as amended (the "Securities Act"), within 180 days after the Issue Date. The Exchange Notes will generally be freely transferable under the Securities Act.

In addition, Windstream has agreed under certain circumstances to file one or more shelf registration statements to cover resales of the Notes. In the event that (i) applicable interpretations of the staff of the SEC do not permit Windstream to effect a Registered Exchange Offer, (ii) for any other reason the Registered Exchange Offer is not consummated within 210 days of the Issue Date, (iii) an Initial Purchaser notifies Windstream following consummation of the Registered Exchange Offer that Notes held by such Initial Purchaser are not eligible to be

Table of Contents

exchanged for the Exchange Notes in the Registered Exchange Offer, or (iv) certain holders of the Notes are not permitted to participate in the Registered Exchange Offer or do not receive fully tradable Exchange Notes pursuant to the Registered Exchange Offer, Windstream will, at its cost, (a) promptly file and use its commercially reasonable efforts to cause to become effective no later than 210 days after the Issue Date a shelf registration statement with the SEC covering resales of the applicable series of Notes and (b) use its commercially reasonable efforts to keep the shelf registration statement continuously effective for a period of two years after its effective date (subject to certain exceptions).

If Windstream fails to satisfy these obligations and its other obligations as set forth in the Registration Rights Agreement, Windstream will be required to pay additional interest to the holders of the Notes. Windstream agreed that if: (i) it does not file an Exchange Offer Registration Statement with respect to a series of Notes with the SEC on or prior to the 120th day following the Issue Date, (ii) the Exchange Offer Registration Statement is not declared effective on or prior to the 180th calendar day following the Issue Date, or (iii) the Exchange Offer is not consummated or a shelf registration statement is not declared effective, in each case on or prior to the 210th day following the Issue Date, (any event described in (i) through (iii) being referred to individually as a Registration Default), then Windstream will pay additional cash interest on the applicable series of Notes. The rate of the additional interest will be 0.25% per annum for the first 90-day period immediately following the occurrence of a Registration Default, and such rate will increase by an additional 0.25% per annum with respect to each subsequent 90-day period until all Registration Defaults have been cured, up to a maximum additional interest rate of 1.0% per annum. Windstream will pay such additional interest on regular interest payment dates. Such additional interest will be in addition to any other interest payable from time to time with respect to applicable series of Notes and Exchange Notes.

The foregoing description of the Registration Rights Agreement is summary in nature and is qualified in its entirety by reference to the Registration Rights Agreement, a copy of which is attached hereto as Exhibit 4.5 and incorporated herein by reference.

First Supplemental Indenture to Valor Indenture

On the Closing Date, certain subsidiaries of Windstream entered into a First Supplemental Indenture (the Supplemental Indenture) to that certain Indenture dated February 14, 2005 executed between Valor and the Bank of New York, as trustee, pursuant to which such subsidiaries unconditionally guaranteed the 7³/₄% Senior Notes due 2015, previously issued by Valor, on the terms and conditions set forth therein.

The foregoing description of the Supplemental Indenture is summary in nature and is qualified in its entirety by reference to the Supplemental Indenture, a copy of which is attached hereto as Exhibit 4.6 and is incorporated herein by reference.

Amendment to Employee Benefits Agreement

Alltel and Spinco entered into an Employee Benefits Agreement on December 8, 2005 to allocate assets, liabilities and responsibilities with respect to certain employee benefit plans, policies and programs between them as part of the spin-off of Spinco from Alltel and Merger to form Windstream. The Employee Benefits Agreement was amended on July 17, 2006 to provide that (i) the allocation to Spinco with respect to Alltel's incentive plans applies to both active and former wireline employees, (ii) Alltel restricted shares held by active and former wireline employees will vest on August 3, 2006 rather than on the Closing Date, and (iii) the obligations of certain designated former wireline employees under the Alltel Corporation Benefit Restoration Plan, Alltel Corporation Executive Deferred Compensation Plan and Alltel Corporation 1998 Management Deferred Compensation Plan will be transferred to Spinco, along with an amount of cash corresponding to the liabilities.

Executive Compensation Plans

Pursuant to the Employee Benefits Agreement, as amended, Spinco was required to establish plans that are substantially identical to certain executive compensation plans maintained by Alltel prior to the spin-off and Merger. As a result, Spinco adopted on the Closing Date the following executive compensation plans:
