Board Composition

Our board of directors currently consists of five directors and is divided into three classes. The members of each class serve for a three-year term. At each annual meeting of shareholders, a class of directors will be elected for a three-year term.

Corporate Governance

Compensation Committee

The members of our Compensation Committee are Messrs. Pitlor, Maxwell and Jamison. The function of the Compensation Committee is to set the compensation for officers, to set the terms of and grants of awards under our stock option plans and to act on other matters relating to compensation as the committee deems appropriate.

Audit Committee

The members of our Audit Committee are Messrs. Maxwell and Jamison. The Audit Committee assists the board by reviewing the integrity of our financial reporting processes and systems of internal controls, the qualifications, independence and performance of our independent registered public accounting firm and our compliance with certain legal and regulatory requirements. Our Audit Committee has the sole authority to retain, compensate, oversee and terminate our independent registered public accounting firm. The Audit Committee reviews our annual audited consolidated financial statements, quarterly consolidated financial statements and filings with the SEC. The Audit Committee reviews reports on various matters, including our critical accounting policies, significant changes in our selection or application of accounting principles and our internal control processes. The Audit Committee also pre-approves all audit and non-audit services performed by our independent registered public accounting firm. Our board of directors has determined that both members of the Audit Committee are independent directors under SEC rules and has determined that Mr. Maxwell qualifies as an audit committee financial expert under the rules of the SEC.

Board Nominations

We have no standing nominating committee or specific policies or procedures for nomination of board candidates. If the board determines to seek additional candidates in the future, it may create a nominating committee. The board expects that it, or any nominating committee, would identify and qualify new candidates for directors based primarily on the following criteria:

judgment, character, expertise, skills and knowledge useful to the oversight of our business;

diversity of viewpoints, backgrounds, experiences and other demographics;

business or other relevant experience; and

the extent to which the interplay of the candidate's expertise, skills, knowledge and experience with that of other directors will build a board of directors that is effective, collegial and responsive to our needs.

If the board considers additional director candidates in the future, the board intends to consider the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met in order for a candidate to be recommended as a nominee. However, the board does believe that all its members should have (i) the highest character and integrity, (ii) sound business judgment and an inquiring mind

as well as expertise that adds to the composition of the board of directors, (iii) professional experience, education and interest in, and capacity for understanding the complexities of, our operations, (iv) a reputation for working constructively with others, (v) sufficient time to devote to board of directors matters and (vi) no conflict of interest that would interfere with performance as a director.

Code of Ethics

We have adopted a Code of Ethics that applies to all of our directors, officers and employees, including our Chief Executive Officer, Chief Financial Officer, Controller and other finance organization employees. The Code of Ethics is publicly available as an exhibit to our Annual Report on Form 10-KSB for the year ended March 31, 2004.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers, and persons who own more than 10% of our common stock, to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Executive officers, directors and greater than 10% shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us during the fiscal year ended March 31, 2006 and on any written representation by any of such persons, we believe all Section 16(a) filing requirements applicable to our executive officers, directors and greater than 10% shareholders were complied with for such fiscal year.

Employment Agreements

Mr. Kaysen. We have entered into an employment agreement dated May 17, 2006 with David B. Kaysen, our President and Chief Executive Officer. The agreement provides him with an annual base salary of \$255,000, subject to annual review. He is entitled to receive an annual

cash bonus, not to exceed 50% of his base salary, based on achievement of certain financial and business milestones. For fiscal 2007, he is entitled to a minimum cash bonus of 25% of his base salary. We will reimburse him up to \$11,500 annually for his personal life and disability insurance policies. We also granted him options, with a 10-year term, to acquire 300,000 shares of our common stock at an exercise price of \$2.50 per share. The options vest in one-third installments on the start date of his employment and first and second anniversaries of the signing date of his agreement. However, Mr. Kaysen must be employed with us through the applicable anniversary date in order to vest in the options for such anniversary date.

The employment agreement has a one-year term, unless terminated earlier, and will continue to automatically renew on a year-to-year basis. If we terminate the agreement without good cause (as defined in the agreement), we will pay Mr. Kaysen an amount equal to 100% of his then annual base salary as severance pay. However, if we terminate his employment without good cause in connection with a change in control of Uroplasty, Inc., we will pay him an amount equal to 160% of his then annual base salary as severance pay.

Mr. Jiwani. Effective November 14, 2005, we entered into an employment agreement with Mr. Jiwani that provides for an initial base salary of \$175,000. He is also entitled to receive annual bonuses based on achievement of financial and business milestones to be agreed upon. We have granted him ten-year options to purchase 100,000 shares of our common stock at an exercise price equal to the closing price of our stock on the American Stock Exchange on the start date of his employment. These options are not under any of our option plans and will not be treated as incentive options under the Internal Revenue Code of 1986. His stock options were scheduled to vest 25% on his start date and on each of the first, second and third anniversaries of his employment. Nevertheless, he must be employed with us for at least one year in order to exercise any of his options. His options would also vest if we terminate his employment without good cause (including upon non-renewal of his employment annually) and upon particular changes in control of us. Notwithstanding the terms of his employment agreement, on February 2, 2006, the Board approved a plan, accelerating the vesting of these options, effective February 2, 2006. He may exercise vested options by paying cash or on a net cashless basis. We have agreed to include the shares underlying Mr. Jiwani's options on an S-8 registration statement with the SEC.

We have agreed to pay severance compensation at varying levels to Mr. Jiwani in the event of termination of his employment, including if we do not annually renew his employment agreement. He has agreed to a one-year non-competition agreement with us after any termination of employment.

Mr. Holman. Effective January 1, 2005, we entered into an employment and consulting agreement with Daniel G. Holman. Under this agreement, Mr. Holman agreed to serve as Chairman of our Board during the first year of the agreement and as a part-time consultant with the continuing title of Chairman during the second year of the agreement. He also served as our Chief Financial Officer. This agreement provided him with a base salary of \$239,000 per year during the first year of the agreement, and a consulting fee of \$100,000 per year during the second year of the agreement. We also granted him options to purchase 100,000 shares of our common stock at an exercise price equal to \$5.19 per share. On February 2, 2006, the Board approved a plan, accelerating the vesting of these options, effective February 2, 2006. On March 27, 2006, we amended Mr. Holman's employment agreement to allow him to pay the minimum statutory withholding taxes upon the exercise of his options by canceling then-exercisable options in an amount equal to such withholding taxes.

The employment and consulting agreement provided that upon termination of the agreement by us for good cause (as defined in the agreement), we would pay him only his base salary or consulting fees accrued but unpaid through the date of termination. If the agreement was terminated (i) without good cause by us, (ii) voluntarily by Mr. Holman as a result of us imposing material and adverse changes to his principal duties without his consent or (iii) voluntarily by Mr. Holman after we move our principal executive office more than 100 miles from its current location without his consent, then we must pay Mr. Holman any base salary or consulting fees accrued but unpaid through the date of termination, plus an amount equal to the sum of his annual base salary and consulting fees payable during the balance of the term of this agreement as if the agreement had not been terminated.

On April 26, 2006, we amended Mr. Holman's employment and consulting agreement, pursuant to which he agreed to act as our interim President and Chief Executive Officer. He was entitled to receive a special consulting fee in the amount of \$8,333 monthly for his services as interim President and Chief Executive Officer. In addition, he was also

entitled to receive a cash bonus in the amount of \$50,000 on the date

-9-

that our stockholders' equity reached at least \$4,000,000 in excess of our stockholders' equity on March 31, 2006; provided, however, that Mr. Holman was serving as Interim President and Chief Executive Officer on that date. In addition, the agreement modified the noncompetition arrangement in his employment and consulting agreement.

On May 8, 2006, we provided Mr. Holman with written notice to terminate our special consulting arrangements with him pursuant to which he served as our interim President and Chief Executive Officer. We agreed to pay his special consulting fees through the end of May 2006.

Mr. Holman passed away on June 1, 2006.

We also have employment agreements with each of Susan Hartjes Holman and Larry Heinemann. The employment agreement of each executive specifies a base salary subject to annual adjustment by mutual agreement of the employee and us, and a severance payment to the employee upon employment termination without cause as defined. Any severance amounts payable under the agreement are limited to the employee's base salary for not less than four months and not longer than twelve months after employment termination, depending on the employee's years of service. Contemporaneously with the execution of their employment agreements, each of these executives executed an Employee Confidentiality, Inventions, Non-Solicitation and Non-Compete Agreement, under which the executive agreed not to disclose confidential information, to assign to us without charge all intellectual property relating to our business which is created or conceived during the term of employment, to not encourage employees to leave our employment for any reason and to not compete with us during the term of employment and for a period of eighteen months thereafter. Also, in connection with the execution of these agreements, we granted these executives varying amounts of stock options to purchase our common stock at the fair market value at date of grant of \$7.50 per share. All of these options have lapsed without exercise.

Separation Agreement

On April 26, 2006, we entered into an agreement with Sam B. Humphries relating to his resignation as President and Chief Executive Officer. Under the terms of the agreement, Mr. Humphries received his base salary and company-provided benefits through April 26, 2006. He is not entitled to any severance payments. Mr. Humphries has agreed to remain on our board of directors, subject to the right of the remaining directors to remove him by a majority vote, and to recuse himself from any deliberations or votes relating to any future relationship between us and his new employer, HealthTronics, Inc. The agreement further outlines the scope of Mr. Humphries' noncompetition agreement with us, which includes prohibiting Mr. Humphries (and consequently HealthTronics, Inc.) from engaging in any business activities relating to the diagnosis or treatment of urinary and fecal voiding dysfunctions or initiating or entering into any agreement or other arrangement with a third party relating to the diagnosis or treatment of urinary or fecal voiding dysfunctions.

Stock Option Plans

2006 Stock and Incentive Plan

On February 2, 2006, our board adopted the Uroplasty, Inc. 2006 Stock and Incentive Plan (the "2006 Plan"). Our shareholders approved the 2006 Plan at a special meeting of the shareholders on May 3, 2006. Our Compensation Committee administers the 2006 Plan.

The 2006 Plan permits the granting of:

stock options (including both incentive and non-qualified stock options);

stock appreciation rights ("SARs");

restricted stock and restricted stock units;

performance awards of cash, stock or property or a combination thereof;

phantom stock; and

other stock grants or share-based awards.

All awards will be evidenced by an award agreement. Awards may be granted alone, in addition to, in combination with or in substitution for, any other award granted under the 2006 Plan or any other compensation plan of us or our subsidiaries and affiliates. Awards can be granted for

-10-

no cash consideration or for cash or other consideration as determined by the committee or as required by applicable law. The term of awards will be determined by the committee but may not be longer than 10 years from the date of grant. Any employee, officer, director, consultant, advisor or other natural person providing services to us or our subsidiaries, who is selected by the committee, is eligible to receive an award under the 2006 Plan.

The aggregate number of shares of our common stock that may be issued under the 2006 Plan is 1,200,000. Shares issuable under the 2006 Plan are authorized but unissued shares. The committee may adjust the number of shares available for issuance to prevent dilution or enlargement of the benefits or potential benefits intended to be provided under the 2006 Plan in the event of stock splits, stock dividends, or other changes in our capitalization or for a merger or a similar corporate transaction or event. If any shares of our common stock subject to any award or to which an award relates are forfeited or are reacquired by us, or if any award terminates without the delivery of any shares, the shares previously set aside for such awards will be available for future awards under the 2006 Plan. In addition, prior to February 2, 2016, (i) any previously issued shares, or (ii) shares under an award that are withheld, (in each case of (i) or (ii)) in full or partial payment to us to satisfy part or all of the minimum statutory withholding taxes relating to an award (other than an incentive stock option) will again be available for granting awards under the 2006 Plan. As of July 14, 2006, 1,162,000 shares remain available for grant.

2002, 1997 and 1995 Stock Option Plans

Our 2002, 1997 and 1995 Stock Option Plans are terminated except for the outstanding options grants. These plans provided for the grant of incentive stock options (options that qualify for special tax treatment under Section 422 of the Internal Revenue Code) and non-qualified stock options. As of July 14, 2006, 542,200, 54,194 and 340,000 option grants were outstanding under the 2002, 1997 and 1995 plans, respectively.

ITEM 12. CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

In January 2002, we entered into a consulting agreement with Joel R. Pitlor, one of our directors, for management consulting services. Compensation under the agreement was \$2,000 per month. The agreement was terminated as of

June 30, 2005.

In April 2003, we entered into a consulting agreement with Executive Advisory Group (EAG) for general management advice and guidance as well as strategic and tactical planning services. Sam B. Humphries, our former President and Chief Executive Officer, is President of EAG. We initially paid EAG \$4,000 per month for Mr. Humphries' services, but increased the monthly fee to \$6,000 in connection with the increased use of Mr. Humphries' time. We have also granted EAG a five-year option to purchase up to 50,000 shares of our common stock, exercisable at \$2.80 per share. The agreement was terminated on January 1, 2005.

On April 18, 2005, we entered into an exclusive manufacturing and distribution agreement with CystoMedix. Sam B. Humphries, our former President and Chief Executive Officer, is a former director and consultant of CystoMedix. In connection with his former service to CystoMedix (which terminated prior to negotiations of this agreement), he received 200,000 options to purchase CystoMedix common stock.

In April 2005, we issued a total of 706,218 of new common stock purchase warrants to holders of our warrants that expired in July 2004. The new warrants are exercisable at \$2.00 per share. Daniel G. Holman, our former Chairman, received warrants to purchase 66,665 shares of common stock; Susan Hartjes Holman, our COO, received warrants to purchase 1,783 shares of common stock; R. Patrick Maxwell, one of our

directors, received warrants to purchase 10,050 shares of common stock; and Larry Heinemann, our VP Sales and Marketing, received warrants to purchase 1,250 shares of common stock.

In March 2006, we entered an agreement with Daniel G. Holman to extend the term by which he could exercise 70,000 vested options granted to Mr. Holman under the 1995 Stock Option Plan, the 1997 Stock Option Plan and the 2002 Stock Option Plan from March 31, 2006 to December 31, 2006. The Company further agreed that Mr. Holman would be fully vested in 10,000 options granted under the 2002 Stock Option Plan, which had not vested upon the termination of his employment as our Chief Financial Officer, and that such options can be exercised through December 31, 2006. We recorded a compensation charge of \$105,000 related to this agreement in March 2006.

On April 26, 2006, we entered into an agreement with Sam B. Humphries relating to his resignation as President and Chief Executive Officer. Under the terms of the agreement, Mr. Humphries received his base salary and company-provided benefits through April 26, 2006. He did not receive any severance payments in connection with his resignation. Mr. Humphries has agreed to remain on our board of directors, subject to the right of the remaining directors to remove him by a majority vote, and to recuse himself from any deliberations or votes relating to any future relationship between us and his new employer, HealthTronics, Inc. The agreement further outlines the scope of Mr. Humphries' noncompetition agreement with us, which includes prohibiting Mr. Humphries (and consequently HealthTronics, Inc.) from engaging in any business activities relating to the diagnosis or treatment of urinary and fecal voiding dysfunctions or initiating or entering into any agreement or other arrangement with a third party relating to the diagnosis or treatment of urinary or fecal voiding dysfunctions.
