**Item 3.03. Material Modification to Rights of Security Holders**

Pursuant to an Offer to Purchase and Consent Solicitation Statement dated October 12, 2006 (the Offer to Purchase ), Earle M. Jorgensen Company (the Company ) commenced a tender offer to purchase for cash any and all of its outstanding 9<sup>3</sup>/<sub>4</sub>% Senior Secured Notes due 2012 (CUSIP No. 480829AE0) ( Notes ) and a related consent solicitation to amend the Indenture dated May 22, 2002 with respect to the Notes and certain other agreements relating to the Notes. Notes in the aggregate principal amount of \$249,995,000 are outstanding.

On October 26, 2006, the Company s parent corporation, Reliance Steel & Aluminum Co. ( Reliance ), announced that, as of 5:00 p.m., New York City time, on October 25, 2006 (the Consent Date ), holders of approximately \$249.7 million in aggregate principal amount of Notes had tendered their Notes pursuant to the tender offer. This participation represents approximately 99.9% of the total principal amount of Notes outstanding and, since any Notes tendered prior to the Consent Date may not be withdrawn, the Company has received the requisite consents to adopt the proposed amendments pursuant to the consent solicitation, if all such tendered Notes are accepted by the Company.

On October 26, 2006, the Company and The Bank of New York Trust Company, as Trustee, entered into a supplemental indenture (the Second Supplemental Indenture ) to the Indenture, Amendment No. 1 to the Security Agreement dated May 22, 2002 with respect to the Notes ( Amendment No. 1 to Security Agreement ) and Amendment No. 1 to the Intercreditor Agreement dated May 22, 2002 with respect to the Notes ( Amendment No. 1 to Intercreditor Agreement ). The provisions of the Second Supplemental Indenture, Amendment No. 1 to Security Agreement and Amendment No. 1 to Intercreditor Agreement will become effective upon the Company s acceptance of the Notes tendered in the tender offer and will eliminate substantially all of the restrictive covenants contained in the Indenture and the Notes (other than the covenants related to asset sales and change of control offers), certain events of default and the security interest that holders of the Notes have in the Company s assets, all as described in the Offer to Purchase.

The foregoing description is qualified in its entirety by reference to the full text of Reliance s press release issued on October 26, 2006, the Offer to Purchase, the Second Supplemental Indenture, Amendment No. 1 to Security Agreement and Amendment No. 1 to the Intercreditor Agreement, which are attached to this Current Report on Form 8-K as Exhibits 99.1, 99.2, 4.1, 4.2, and 4.3, respectively.
