PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

I. General

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Peoples Financial Corporation (the Company) of Proxies for the Annual Meeting of Shareholders (the Annual Meeting) to be held at The Peoples Bank, 152 Lameuse Street, Biloxi, Mississippi, on April 18, 2007, at 7:00 P.M., local time, and any adjournment thereof, for the purposes stated in the foregoing Notice of Annual Meeting of Shareholders. The foregoing address is also the address of the principal executive offices of the Company.

Shareholders of record of the Company's Common Stock (the Common Stock), at the close of business on February 16, 2007, (the Record Date) are entitled to receive notice of and to vote at the Annual Meeting or any adjournments thereof. On the Record Date, the Company had outstanding 5,548,199 shares entitled to vote at the Annual Meeting. A majority of the outstanding shares constitutes a quorum. Except in the election of directors, each share of Common Stock entitles the holder thereof to one vote on each matter presented at the Annual Meeting for Shareholder approval. Action on a matter is approved if the votes cast in favor of the action exceed the votes cast opposing the action. Abstentions are counted for purposes of determining a quorum, but are otherwise not counted. Any person giving a Proxy has the right to revoke it at any time before it is exercised. A shareholder may revoke his Proxy (1) by revoking it in person at the Annual Meeting, (2) by written notification to the Secretary of the Company which is received prior to the exercise of the Proxy, or (3) by a subsequent Proxy presented to the Company prior to the exercise of the Proxy. All properly executed Proxies, if not revoked, will be voted as directed. If the shareholder does not direct to the contrary, the shares will be voted FOR the nominees listed thereon and FOR each of the proposals described. Solicitation of Proxies will be primarily by mail. Officers, directors, and employees of The Peoples Bank (hereinafter referred to as the Bank) also may solicit Proxies personally. The Company will reimburse brokers and other persons holding shares in their names, or in the names of nominees, for the expense of transmitting Proxy materials. The cost of soliciting Proxies will be borne by the Company.

The Board of Directors is not aware of any matters other than as set forth herein which are likely to be brought before the meeting. If other matters do come before the meeting, the persons named in the accompanying Proxy or their substitutes will vote the shares represented by such Proxies in accordance with the recommendations of the Board of Directors of the Company.

II. Election of Directors

The following nominees have been designated by the Nominating Committee and are proposed by the Board of Directors for election at the Annual Meeting. The shares represented by properly executed Proxies will, unless authority to vote is withheld, be voted in favor of these persons. In the election of directors, each shareholder may vote his shares cumulatively by multiplying the number of shares he is entitled to vote by the number of directors to be elected. This product shall be the number of votes the shareholder may cast for one nominee or by distributing this number of votes among any number of nominees. If a shareholder withholds authority for one or more nominees and does not direct otherwise, the total number of votes that the shareholder is entitled to cast will be distributed equally among the remaining nominees. Should any of these nominees be unable to accept the nomination, the shares voted in favor of the nominee will be voted for such other persons as the Board of Directors shall nominate. Each director is elected to hold office until the next annual meeting of shareholders and until his successor is elected and qualified. The persons who will be elected to the Board of Directors will be the five nominees receiving the largest number of votes.

V. Compensation of Executive Officers and Directors

Compensation Discussion and Analysis

The Compensation Committee determines the salaries, bonuses and all other compensation of all executive officers, including the Chief Executive Officer.

The primary responsibility of the Compensation Committee is to aid the Board in discharging its duties by recommending to the full Board the compensation of the Company's Chief Executive Officer and other officers of the Company, including the executive officers identified in the Summary Compensation Table and other tables on the following pages of this Proxy Statement. The Compensation Committee's goal is to maintain executive compensation that is fair, reasonable, and consistent with the Company's size and the compensation practices of the financial services industry. The objective is to attract, develop, and retain high caliber executives who are capable of optimizing the Company's performance for the benefit of its shareholders while maintaining the ideals of a community bank offering the highest quality products and services to its customers. The Chief Executive Officer, Executive Vice President, and Chief Financial Officer each provide information and analysis to the Compensation Committee that is used in determining the executive officers' compensation.

The Committee's considerations consist of, but are not limited to, analysis of the following factors: financial performance of the Company, including return on assets, return on equity, and management of assets, liabilities, capital, and risk. Additionally, the Compensation Committee uses annual compensation surveys to compare the compensation of positions in similar financial institutions of comparable asset size. Specifically, the BAI Bank Cash Compensation Survey and the Mississippi Bankers Association Salary Survey are used as reference material in evaluating the compensation of the executive officers. In 2006 the Compensation Committee engaged the services of Austin & Associates, a consulting firm specializing in financial institutions, to evaluate the historical and current level of the Company's senior management and the Board's compensation structure in relation to the market. In determining total compensation, the Committee also considers performance of the individual executives in areas such as: the scope of responsibility of the executive; leadership within the Company, the community, and the financial services industry; achievement of work goals; and whether the Company, under the executive's leadership, has been a good corporate citizen while enhancing shareholder value. All of these factors are considered in the context of complexity and difficulty of managing business risks in the prevailing economic conditions and regulatory environment. The analysis is conducted with respect to each of the executive officers, including the Chief Executive Officer.

The executive officers' compensation for current performance is primarily through cash-based salaries and bonuses. Other deferred compensation elements, including the Executive Supplemental Income Plan and Deferred Compensation Plan, are also provided to retain the services of the executive officers until retirement.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Company has reviewed and discussed with management the Compensation Discussion and Analysis contained in this Proxy Statement. Based on the Committee's review of and the discussions with management with respect to the Compensation Discussion and Analysis, the Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and in the Company's Annual Report on Form 10-K for the year ended December 31, 2006, for filing with the SEC.

This report is presented by the Compensation Committee, consisting of the following persons:

Rex E. Kelly, Chairman Drew Allen Dan Magruder Chevis C. Swetman (non-voting)

Compensation Committee Interlocks and Insider Participation in Compensation

During 2006, no executive officer of the Company or any of its subsidiaries served as a member of a compensation committee (or other board or committee performing similar functions) or a board of directors of another entity, one of whose executive officers served on the Compensation Committee or board of directors of the Company.

Chevis C. Swetman, President and Chief Executive Officer of the Company, serves as a non-voting member of the Compensation Committee. The independent members of the Committee meet in executive session, outside of the presence of management, to consider and decide on the compensation for all executive officers of the Company. There are no employment contracts with the executive officers.

Salaries and Bonus

In establishing the salary of the Chief Executive Officer for 2006, the Committee primarily considered Mr. Swetman's performance and the performance of the Company during 2005 and the compensation levels of chief executive officers of comparable financial institutions. In considering the performance of the Company, the Committee considered the Company's return on average assets and asset growth, but utilized no objective criteria. The Committee utilized asset size peer group compensation data as provided by the Mississippi Bankers Association (MBA) and the Bank Administration Institute (BAI).

For other executive officers, the Committee's recommendation concerning salaries was based upon the compensation levels of executive officers of comparable financial institutions, the performance of the Company during 2005 and the individual performance of these officers. The performance of the Company for purposes of establishing salaries was evaluated based on return on average assets. Individual performance was measured using criteria such as level of job responsibility, achievement of work goals and management skills. The Committee also considered asset size peer group compensation data as provided by the MBA and BAI for executive officers with similar duties and responsibilities.

The Chief Executive Officer and all other executive officers are eligible to receive a bonus which is based on the financial performance of the Company. The formula was established by the Compensation Committee using the Company's return on average assets. This bonus is an objective calculation that is approved by the Compensation Committee.

Employee Stock Ownership Plan

The Company maintains an Employee Stock Ownership Plan covering all eligible employees of the Company. The Board determines the total contribution to the Plan, which is allocated to all participants based on their compensation.

401(k) Plan

The Company maintains a 401(k) Plan in which eligible employees of the Company may choose to participate. The Board determines the formula for the matching contribution to the Plan, which is currently 75% of the employee's contribution (up to 6% of compensation).

Executive Supplemental Income Plan

The Company maintains an Executive Supplemental Income Plan (or ESI) which provides executive officers salary continuation benefits upon their retirement or death benefits to their named beneficiary in the event of their death. Officers of the Company and Bank are selected to participate in the plan at the discretion of the Board of Directors. All executive officers of the Company have been selected to participate in the plan. ESI benefits are based upon position and salary of the officer at retirement or death. Normal retirement benefits under the plan are equal to 67% of salary for the President and Chief Executive Officer, 58% of salary for the Executive Vice President and 50% of salary for all other executive officers at the time of normal retirement, and are payable monthly over a period of 15 years. The present value of accumulated benefits in the ESI have been accrued and is calculated using an interest rate of 7.00% and the interest ramp-up method. ESI is administered by Clark Consulting, who also provide guidance to the Company relating to the valuation method and assumptions.

The ESI was established in 1988, at which time Messrs. Swetman, Sliman and Tucei became participants. Miss Wood and Mr. Fulmer became participants after their date of hire at the discretion of the Board.

Reduced benefits are available in the event of death, disability, or early retirement. If termination of employment occurs on or after the early retirement date and prior to the normal retirement date, the Company will pay the executive a reduced benefit. The annual benefit set forth for normal retirement will be reduced by one-half percent (0.5%) for each month or partial month between termination of employment and the normal retirement date. The benefit will be paid monthly over a period of 15 years. Benefits will commence on the last day of the month following the executive's termination of employment. The early retirement date means the date the executive attains at least age 55, has at least 15 years of employment at the Company, and has participated in this plan for a minimum of 5 years. The normal retirement date means the date the executive attains age 65. The only executives eligible for this benefit as of December 31, 2006, are Messrs. Swetman, Sliman and Tucei.

If termination of employment occurs prior to the early retirement date or prior to the normal retirement date, the Company will pay the executive his or her executive benefit accrual balance as of his or her termination of employment. The benefit will be paid in a single lump-sum within 60 days of termination of employment. The executives eligible for this benefit as of December 31, 2006, are Miss Wood and Mr. Fulmer.

If termination of employment occurs due to a disability prior to the normal retirement date, the Company will pay the executive his or her annual benefit as defined under normal retirement. The benefit will begin the last day of the month commencing with the month following the executive's normal retirement date. The benefits will be paid monthly over a period of 15 years.

Upon a change of control prior to termination of employment, the Company will pay the executive the present value of his or her normal retirement benefits. The Company will pay to the executive in a single lump-sum within 60 days of termination of employment.

The benefits will be paid out of the general assets of the Company. The Company has elected to purchase life insurance contracts, more specifically Bank Owned Life Insurance, which it may use as a source to fund these future benefits. The Company is the owner and beneficiary of these life insurance policies, which is a general asset of the Company.

Deferred Compensation Plan

The Company maintains a Deferred Compensation Plan for all officers of the Bank holding the title of vice president, senior vice president or executive vice president, which provides the officer a fixed benefit upon his or her early retirement, normal retirement, disability or a death benefit to a named beneficiary in the event of the officer's death. The benefits under the plan are \$10,000 per year for 10 years, payable monthly, upon the officer's early retirement, normal retirement, disability or death. The present value of the accumulated benefits under the plan have been accrued at an interest rate of 7.50% and the projected unit cost method. Should the officer leave employment prior to early retirement, normal retirement, disability or death, he or she forfeits all benefits under this plan. The Company has purchased life insurance contracts which it may use as a source to fund these future benefits. The Company is the owner and beneficiary of these life insurance policies, which is a general asset of the Company.

The Deferred Compensation Plan was established in 1992, at which time Miss Wood and Messrs. Sliman and Tucei became participants. Mr. Fulmer became a participant in 1996 when he was promoted to Vice President of the Bank. If termination of employment occurs prior to an executive's normal retirement date, the executive will be entitled to full benefits provided he or she has met the early retirement eligibility. The early retirement date means the date the executive attains at least age 55 and has at least 10 years of employment at the Company. The normal retirement date means the date the executive attains age 65. The only executives eligible for this benefit as of December 31, 2006, are Messrs. Sliman and Tucei.

If termination of employment due to a disability occurs, the executive is entitled to full benefits.

If a change of control occurs, this plan will be continued after such change in control only if and to the extent that the transferee, purchaser, or successor entity agrees to continue this plan. If change in control and termination of employment occur simultaneously, the only executives eligible for this benefit as of December 31, 2006 under this scenario are Messrs. Sliman and Tucei. If this plan is not to be continued, then this plan will terminate immediately prior to such change in control. Each executive will become immediately vested

in his or her benefits under this plan. Such benefits shall be calculated by taking the present value of the benefits provided and paying such benefits in a lump sum on or before the termination date of the plan.

Split Dollar Agreement

The Company owns endorsement split dollar policies, of which the Bank is the owner and beneficiary, which provides a guaranteed death benefit of \$150,000 to Mr. Swetman's beneficiaries. At December 31, 2006, the Company had not accrued a liability for this benefit.

Directors Compensation

During 2006, directors who are employees of the Bank did not receive any compensation for serving on the Board of the Bank or the Company or on any Board committee. All non-employee directors received an annual retainer of \$2,500. Non-employee directors additionally received \$300 per board meeting attended and \$200 per committee meeting attended. The Company offers a Directors' Deferred Income Plan whereby directors of the Bank are given an opportunity to defer receipt of their annual director's fees until age sixty-five. For those who choose to participate, benefits are payable monthly for 10 years beginning the month after the director turns 65. The amount of the benefit will vary depending on the fees the director has deferred and the length of time the fees have been deferred. Interest on deferred fees accrues at an annual rate of 10%,

compounded annually. After payments have commenced, interest accrues at an annual rate of 7.50%, compounded monthly. In the event of the director's death, benefits are payable to the director's named beneficiary. The Company has purchased life insurance contracts which it may use as a source to fund these future benefits. The Company is the owner and beneficiary of these life insurance policies, which is a general asset of the Company.

The Audit Committee acts pursuant to its Audit Committee Charter. The Audit Committee submits its report to the shareholders at Section XI below. The Audit Committee's Charter is available for review on the Company's website at www.thepeoples.com.

The Compensation Committee determines the salary and benefits for the executive officers of the Company. The Committee, composed of independent Company directors Drew Allen, Rex E. Kelly and Dan Magruder and non-voting member Chevis C. Swetman, met four times during 2006 to review the executive officers' performance and approve bonuses for the preceding year and salaries for the upcoming year. Mr. Kelly serves as chairman of the Compensation Committee. The Compensation Committee submits its report to the shareholders at Section V above. The Compensation Committee's Charter is available for review on the Company's website at www.thepeoples.com. The Company has a Nominating Committee composed of independent directors Drew Allen, Rex E. Kelly and Dan Magruder. Mr. Magruder serves as chairman of the Nominating Committee. The Nominating Committee acts pursuant to a charter which is available on the Company's website at www.thepeoples.com. The Nominating Committee met one time during 2006.

Since the Company was founded in 1984, there has never been a conflict or dispute regarding director nominations. Accordingly, the Company does not feel that it is necessary at this time to provide a process whereby nominations may be made directly to the Nominating Committee, and the Committee does not have a policy for considering candidates recommended by shareholders. However, in accordance with the Company's by-laws, shareholders may make nominations for election to the Board by delivering written nominations to the Company's President not less than 14 days or more than 50 days prior to the meeting when the election is to be held. If the Company does not give at least 21 days notice of the meeting, shareholders are allowed to make nominations by mailing or delivering same to the President not later than the close of business on the seventh day following the day on which the notice of meeting is mailed. The Company welcomes nominations from its shareholders; however, nominations not made in accordance with the by-laws may be disregarded by the Chairman of the meeting. The Company has never received nominations from shareholders.

Shareholder nominations must include 1) the name, age, business address and residence address of the nominee, 2) the principal occupation or employment of the nominee, 3) the number of shares of the Company's common stock which are beneficially owned by the nominee, 4) written consent from the potential nominee, and 5) other information relating to the nominee that may be required under federal law and regulations governing such interests. The written notice must also include the 1) name and address of the shareholder making the nomination, and 2) the number of shares of the Company's common stock which are beneficially owned by the shareholder making the nomination. In its Nominating Committee Charter, the Company sets forth the criteria for selecting individuals to be nominated for election to the Board of Directors. It is the Company's intention that all nominees, including those recommended by shareholders, be considered using this same criteria. Further, it is the Company's intention that the minimum qualifications for nominees be those individuals who have an understanding of the Company's role in the local economy and who have demonstrated integrity and good business judgment. The Committee is encouraged to consider geographic and demographic diversity among candidates with financial, regulatory and/or business experience, but not so as to compromise the goal of attracting the most qualified individual candidates.

There were seven meetings of the Board of Directors of the Company held during 2006. All directors attended 75% or more of the total number of meetings of the Board of Directors and the total number of meetings held by the committees on which they served.

The Company has implemented a shareholder communication process to facilitate communications between shareholders and the Board of Directors. Any shareholder of the Company who wishes to communicate with the Board of Directors, a committee of the Board, the independent directors as a group, or any individual member of the Board, may send correspondence to Greg M. Batia, Vice President and Auditor, P. O. Box 1172, Biloxi, MS 39533-1172, or at his e-mail address: gbatia@thepeoples.com. Mr. Batia will compile and submit on a periodic basis all shareholder correspondence to the entire Board of Directors, or, if and as designated in the communication, to a committee of the Board, the independent directors as a group or an individual Board member.

The Company does not have a written policy that members of the Board of Directors attend the annual meeting of shareholders, but they are encouraged to do so. All of the directors of the Company were in attendance at the 2006 annual meeting.

X. Independent Public Accountants

Piltz, Williams, LaRosa & Company (Piltz) had served as the independent accounting firm for the Company from 1984 and had been appointed for 2006. In April of 2006, Piltz notified the Company of their intention to resign from our engagement as a result of internal staffing issues. Piltz officially resigned as the independent registered public accounting firm of the Company on August 9, 2006. The audit reports of Piltz, Williams, LaRosa & Company on the consolidated financial statements of Peoples Financial Corporation and subsidiaries as of and for the years ended December 31, 2005 and 2004 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. In connection with the audits of each of the two fiscal years ended December 31, 2005, and the subsequent interim period through August 9, 2006, there were no disagreements with Piltz on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement. Piltz provided a letter of concurrence, pursuant to Item 304(a)(3) of Regulation S-K, stating their agreement with the above statements as an exhibit to Form

8-K filed by us on August 9, 2006.

After a thorough proposal process, the Company selected the firm of Porter Keadle Moore, LLP (PKM) of Atlanta, Georgia, as the new independent accountants, effective August 9, 2006. PKM was selected by the Board of Directors from among a group of highly qualified firms largely based on their technical expertise with public community bank holding companies.

The Board of Directors has appointed Porter Keadle Moore, LLP, an independent registered public accounting firm, as auditors for the fiscal year ending December 31, 2007.

The Company has been advised that neither the firm nor any of its partners has any direct or any material indirect financial interest in the securities of the Company or any of its subsidiaries, except as auditors and consultants on accounting procedures and tax matters. The Board does not anticipate that representatives of Porter Keadle Moore, LLP will attend the Annual Meeting.

Although not required to do so, the Board of Directors has chosen to submit its appointment of Porter Keadle Moore, LLP for ratification by the Company's shareholders. It is the intention of the persons named in the PROXY to vote such Proxy FOR the ratification of this appointment. If this proposal does not pass, the Board of Directors will reconsider the matter.

XI. Audit Committee Report

The Board of Directors has established an Audit Committee, whose responsibilities are set forth in the Audit Committee Charter. All members of the Audit Committee are deemed to be independent, as such term is defined by NASDAQ. The Audit Committee oversees the operation of the Company's Internal Audit Department. The Audit Committee also periodically meets with the independent public accountants for the Company and its subsidiaries, and makes recommendations to the Board of Directors concerning any matters related to the independent public accountants.

The Audit Committee has reviewed and discussed the audited financial statements with management. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by SAS 61, as amended by SAS 90. The Audit Committee has discussed with the independent auditors the auditors' independence, and has received the written disclosures and the letter from the independent auditors required by Independence Standards Board, Standard No. 1. The Audit Committee has considered whether the independent auditors' provision of non-audit services is compatible with maintaining the auditors' independence.

The Audit Committee has discussed with management and the independent auditors the process used for certifications by the Company's chief executive officer and chief financial officer which are required for certain periodic filings by the Company with the SEC. The Board of Directors maintains an Audit Committee Charter, which meets the requirements of the Sarbanes-Oxley Act of 2002, and rules promulgated by the SEC.

Based upon the reviews and discussions with management and the independent auditors as referenced above, the Audit Committee has recommended to the Board of Directors that the financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2006 for filing with the SEC.
