(a) Executive Retirement and Severance Benefits Agreements

On January 27, 2005, GSI Lumonics Inc. entered into an Executive Retirement and Severance Benefits Agreement with the following executive officers: Thomas Swain, Vice President, Finance and CFO, Linda Palmer, Vice President, Corporate Resources, and Felix Stukalin, Vice President, Business Development (each, an "Executive"). Each Executive entered into the same form of Executive Retirement and Severance Benefits Agreement with GSI Lumonics Inc. A copy of the form of Executive Retirement and Severance Benefits Agreement is attached hereto as Exhibit 10.1 (the "Agreement") and is incorporated herein in its entirety. Each Agreement contains the following material terms and conditions:

- Each Agreement became effective as of January 17, 2005 and continues in effect for a period of 5 years with an automatic renewal for an additional period of three years unless, no later than 1 year prior to the end of the initial 5 year term, GSI Lumonics delivers written notice of termination to the Executive.

- If the Executive reaches the age of sixty (60) and has a minimum of fifteen (15) years service with GSI Lumonics, then such Executive can elect to retire, provided a notice to such effect is provided to the CEO not less than one (1) year prior to the date of retirement specified in the notice. In such an event, the Executive will receive the following retirement benefits, provided that the Executive continues to comply with any post-retirement obligations such Executive has to GSI Lumonics: the Executive may elect for GSI Lumonics to retain the Executive for part-time employment for up to three (3) years from the Executive's retirement date, and such part-time employment shall not be more than fifty percent (50%) of full-time; continued health and dental group benefits to the Executive and the Executive's family at the same level as was provided to the Executive as of the Executive's retirement date; and all stock options granted to the Executive prior to such retirement shall continue to vest during the period of such part-time employment. If the Executive retires and chooses any of these retirement benefits, such Executive will not be eligible for termination benefits (as described below).

- If the Executive is terminated by GSI Lumonics for any reason other than death, disability, or cause (all as defined in the Agreement) or the Executive terminates his or her employment with GSI Lumonics for good reason (as defined in the Agreement), then the Executive shall receive the following termination benefits: eighteen (18) months of base salary, and continued health and dental group benefits to the Executive and the Executive's family at the same level as was provided to the Executive as of the Executive's termination date for the earlier of two (2) years or employment by another company which provides health and dental insurance benefits to the Executive. These termination benefits are conditioned upon the Executive signing a release of claims and compliance with all post-termination obligations the Executive has to GSI Lumonics. No such benefits are available upon the resignation (other than for good cause) or retirement of the Executive.

- Upon the death of the Executive, the Executive's heirs will be entitled to receive the Executive's termination benefits provided such heirs sign a release of claims as described in the Agreement.

- During the Executive's part-time employment and for a period of one year thereafter, or during the period that the Executive is eligible to receive termination benefits and for a period of one year thereafter, the Executive is
