NORTHFIELD LABORATORIES INC.

September 5, 2002

Dear Fellow Shareholder:

TIME IS SHORT!

The Annual Meeting of shareholders of Northfield Laboratories Inc. is fast approaching. Northfield's Board of Directors urges you to act today to protect your investment by voting FOR your Board's nominees.

INDEPENDENT ADVISORY SERVICE
RECOMMENDS VOTING "FOR" NORTHFIELD'S NOMINEES

Institutional Shareholder Services, the nation's leading independent voting advisory service, recommends that its clients vote FOR the Northfield nominees on the BLUE proxy card, and discard the proxy distributed by C. Robert Coates. ISS, whose voting recommendations are relied upon by hundreds of major institutional investment firms, mutual funds and fiduciaries throughout the United States, stated, "The company is at a critical stage in its development. Management's primary goal is to resolve the FDA status for PolyHeme(tm). As such, it is vital for the board to be equipped with highly qualified directors who have the appropriate expertise. In comparison to Mr. Coates's slate, it

appears that management's new nominees provide more relevant expertise to the board. Furthermore, there is no compelling evidence to suggest that the board needs to be overseen by a dissident slate of independent directors."

VOTE "FOR" SUPERIOR QUALIFICATIONS

Your Board is convinced that Northfield's nominees have far more relevant experience in publicly traded companies, raising capital, medical research and the FDA approval process than Mr. Coates or his other board nominee. We believe Mr. Coates's misleading rhetoric has served only as a distraction from your Board's singular focus: to maximize Northfield's value by successfully guiding PolyHeme through the FDA approval process.
