PROXY STATEMENT

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of First Busey Corporation for use at the Annual Meeting of Stockholders. The Board has fixed the close of business on February 21, 2003, as the record date for determining the stockholders entitled to notice of, and to vote at, the Annual Meeting. On the record date, the Company had outstanding and entitled to vote 13,635,620 shares of Common Stock, without par value.

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

The Company's Form 10-K Annual Report, which includes audited financial statements for the year ended December 31, 2002, accompanies this Proxy Statement. The approximate date on which the Proxy Statement and the accompanying proxy are first being sent to stockholders is March 19, 2003.

VOTING

General. Shares of Common Stock represented by properly executed proxies received by the Company will be voted at the Annual Meeting in accordance with the instructions on the proxies. If there are no such instructions, the shares will be voted "FOR" the election of the nominees for directors named in this Proxy Statement. Properly executed proxies received by the Company will also be voted at the Annual Meeting in accordance with the Board's recommendations on any other matters which may come before the Annual Meeting.

In order to be elected a director, a nominee must receive a plurality of the votes cast at the meeting for the election of directors. Because the 14 nominees receiving the largest number of affirmative votes will be elected, shares represented by proxies which are marked "withhold authority" or "abstain" will have no effect on the outcome of the election.

Directors and Executive Officers. All of the directors and executive officers of the Company have advised the Company that they will vote their shares of Common Stock "FOR" the election of the nominees for directors named in this Proxy Statement. As of February 21, 2003, these individuals beneficially owned an aggregate of 4,696,284 shares, or approximately 34.44% of the Common Stock outstanding.

REVOCABILITY OF PROXIES

Stockholders may revoke their proxy by a later proxy or by giving notice of such revocation to the Company in writing or at the Annual Meeting before such proxy is voted. Attendance at the Annual Meeting will not in and of itself constitute the revocation of a proxy.

SOLICITATION

The Company will pay the cost of solicitation of proxies. In addition to solicitation by mail, officers, directors and regular employees of the Company may solicit proxies by telephone, telefax or in person without additional compensation. Brokerage houses, bank nominees, fiduciaries and other custodians will be requested to forward soliciting material to the beneficial owners of shares held of record by them and will be reimbursed for their reasonable expenses.

3

ELECTION OF DIRECTORS

The 14 nominees named below have been recommended for election as directors for a term of one year or until their successors have been duly elected and qualified. All nominees are current members of the Company's Board of Directors.

The Board of Directors of the Company has established the following committees, among others, to assist in the discharge of its responsibilities.

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

The Executive Management Compensation and Succession Committee met three times in 2002. Members of the Compensation Committee are Messrs. Wyatt (Chairman), Feldman and Knox.

In February 2003, the Nominating & Corporate Governance Committee of the Board of Directors was formed and its governing charter was adopted (attached to this Proxy Statement as Annex A). The Nominating & Corporate Governance Committee members are Messrs. Wyatt (Chairman) and Ambrose. The responsibilities of the Nominating & Corporate Governance Committee include the nomination of individuals as members of the Board of Directors and the implementation and maintenance of corporate governance procedures. Since this committee was not established until after the slate of directors for the 2003 Annual Meeting was established, the Board of Directors, as a whole, performed the function of nominating members for the Board.

The Audit Committee met six times in 2002. Members of the Audit Committee are Messrs. Ambrose (Chairman), Hendren, Leister, and Wyatt. Mr. Thies was replaced by Mr. Leister on the Audit Committee in August 2002. The Audit Committee has at least one audit committee financial expert, Mr. Wyatt. Mr. Wyatt is independent from management of the Company. The function of the Audit Committee and its activities during 2002 are described in detail under the heading Report of the Audit Committee.

The Audit Committee has adopted procedures for the treatment of complaints or concerns regarding accounting, internal accounting controls or auditing matters. The Audit Committee has also implemented pre-approval policies and procedures for all audit and non-audit services. Generally, the Audit Committee requires pre-approval of any services to be provided by the Company's accountants, McGladrey & Pullen, LLP and RSM McGladrey, Inc., to the Company or any of its affiliates. The pre-approval procedures include the designation of such pre-approval responsibility to one individual on the Audit Committee, currently Mr. Ambrose. In 2002, the Audit Committee pre-approved services to be rendered by McGladrey & Pullen, LLP in connection with the Company's audit and the audits of the Company's Employees' Stock Ownership Plan and Profit Sharing Plan & Trust.

Fees paid to McGladrey & Pullen, LLP and RSM McGladrey, Inc. for services rendered in 2002 are as follows:

FEES	2002	% OF TOTAL FEES
Audit	\$ 109,220	67.2%
Audit-related	29,100	17.9%
Tax	23,343	14.4%
All other	844	*
Total	\$ 162,507	

* less than 1%

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

Services rendered in 2002 in connection with "audit-related" fees were the audits of the Company's employee benefit plans, flexible benefits plan and compliance with Uniform Single Attestation Program for Mortgage Bankers. Services rendered in 2002 in connection with "tax" fees were preparation of consolidated corporate tax return and corporate income tax planning. Services rendered in 2002 in connection with "all other" fees were general consulting. The Company did not retain McGladrey for the rendering of any financial information design-related services in 2002.

The Company has not selected an independent auditor for the fiscal year ending December 31, 2003 because the Audit Committee is currently engaged in the process of evaluating qualified independent auditor candidates. For the fiscal year ending December 31, 2002, the Board of Directors appointed McGladrey & Pullen, LLP as independent auditors for the Company. A representative of McGladrey & Pullen, LLP will be present at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

In addition to the committees of the Board of Directors described above, our non-employee directors met two times in executive session in 2002 and expect to meet periodically in executive session in 2003. Mr. Wyatt, Chairman of the Nominating & Corporate Governance Committee, will preside at these executive sessions.

During 2002, non-employee directors of the Company received a cash retainer of \$7,500. Directors who are also employees of the Company or any of its subsidiaries received no additional compensation for attending Board of Directors' meetings.

REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter adopted by the Board of Directors, the Audit Committee of the Board assists the Board in fulfilling its responsibility for the oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. During the year, the Committee met six times and also reviewed and discussed the interim financial information contained in each quarterly earnings announcement with management and the independent auditors prior to public release. The Committee also recommended a revised charter, which the Board of Directors adopted. The Amended and Restated Audit Committee Charter is attached to this Proxy Statement as Annex B.

In discharging its oversight responsibility as to the audit process, the Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Committee also discussed with management, the internal auditors and the independent auditors the quality and adequacy of the Company's internal controls and internal audit function's organization, responsibilities, budget and staffing. The Committee reviewed with both the independent and internal auditors their audit plans, scope, and identification of audit risk areas.

The Committee discussed and reviewed with the independent auditors all communications required by auditing standards, generally accepted in the United States of America including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees," and discussed and reviewed the results of the independent auditors' examination of the consolidated financial statements. The Committee also discussed the results of

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

the internal audit examinations.

The Committee reviewed the consolidated audited financial statements of the Company as of and for the year ended December 31, 2002, with management and the independent auditors. Management has the responsibility for the preparation of the Company's consolidated financial statements and the independent auditors have the responsibility for the audit of those statements.

7

Based upon the above-mentioned review and discussions with management and the independent auditors, the Committee recommended to the Board that the Company's audited consolidated financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2002, for filing with the Securities and Exchange Commission.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors administers the Company's executive compensation program. After consideration of the Committee's recommendations, the full Board of Directors reviews and approves all compensation, both monetary and stock-based to all executive officers.

In the past, there have been three main components to the executive officers' compensation package: salary, cash bonus and stock awards. It is the intention of the Committee that compensation be set in such a manner as to be competitive to attract, retain and motivate its management team. The Committee also believes that stock ownership by its executive officers assists in aligning the executive officers' interests with those of the Company's stockholders. In April 2002, the Compensation Committee recommended and the Board of Directors approved the Management and Associate Dividend Program, or the "MAD program." Under the MAD program, the Board of Directors set four targeted

11

levels for "diluted earnings per share" for the Company for 2002. These levels were \$1.27, \$1.28, \$1.29, and \$1.30. Based on the level of achievement of earnings per share, the officer or associate would receive a dividend of a predetermined percentage of their salary. If the minimum level was not reached, there would be no dividend paid under the MAD program. If the top level was exceeded, the dividend would not be increased. The goal of the MAD program is to heighten awareness of the Company's earnings per share goal while emphasizing the impact of the team concept throughout the organization. The term "dividend" was used to indicate that this award was granted at the discretion of the Board of Directors and would be based annually on the achievement of earnings per share, similar to the dividend paid to the Company's stockholders. Under this program, the Board hopes to further enhance the alignment of the staff's efforts with those of the Company's stockholders. Stock Options were also granted in April 2002 as part of the compensation package to Senior Vice Presidents and above. A total of 229,000 shares were awarded with Mr. Mills receiving 30,000, Mr. Scharlau, Mr. Kuhl and Mrs. Kuhl each received 20,000.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

Base Salary/MAD Program. Mr. Mills' 2002 base salary was set at \$100,000, representing a 5% decrease from his base salary of \$105,000 for 2001. The Committee determined that under the MAD program, if the level of earnings per share set by the Board was achieved, \$1.27, \$1.28, \$1.29, or \$1.30, Mr. Mills' dividend would be \$110,000, \$120,000, \$130,000, or \$140,000, respectively. Though Mr. Mills base salary was decreased, his potential MAD compensation was increased. Based on the Company's achievement of earnings per share of \$1.31, Mr. Mills received the maximum cash dividend of \$140,000.

Stock Options. The granting of stock options by the Committee is designed to retain and motivate the management team as well as align executive officers' financial interest with stockholder value. The number of stock options granted to an executive officer and other officers is determined by the Committee and approved by the Board. Grants of stock options are intended to recognize different levels of contribution to the achievement of the Company's

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

annual corporate goals as well as different levels of responsibility and experience. All stock options are granted with an exercise price equal to the fair market value of Common Stock on the date of grant. On April 16, 2002, stock options representing 229,000 shares were granted to officers and directors of the Company. Mr. Mills received a stock option for 30,000 shares.

STOCKHOLDER PROPOSALS

As to any proposal that a stockholder intends to present to stockholders without inclusion in the Company's Proxy Statement for the Company's 2004 Annual Meeting of Stockholders, the proxies named in management's proxy for that meeting will be entitled to exercise their discretionary authority on that proposal unless the Company receives notice of the matter to be proposed not later than January 29, 2004.
