PROXY STATEMENT

GENERAL INFORMATION

This proxy statement is furnished to the stockholders of Chromcraft Revington, Inc. (the "Company") in connection with the solicitation by the Board of Directors of the Company of proxies to be voted at the annual meeting of stockholders of the Company to be held on Tuesday, May 4, 2004 at 9:00 a.m., local time, at the Canterbury Hotel, 123 South Illinois Street, Indianapolis, Indiana, and at any and all adjournments or postponements of the meeting. This proxy statement and accompanying form of proxy were first mailed to stockholders of the Company on or about March 30, 2004.

The cost of soliciting proxies will be borne by the Company. In addition to use of the mail, proxies may be solicited personally or by telephone by directors, officers and certain employees of the Company who will not be specially compensated for such solicitation. The Company also will request brokerage firms, nominees, custodians and fiduciaries to forward the proxy solicitation materials relating to the annual meeting to the beneficial owners of common stock and will reimburse such institutions for the cost of forwarding the materials.

Any stockholder giving a proxy has the right to revoke it at any time before the proxy is exercised. Revocation may be made by written notice delivered to the Secretary of the Company, by executing and delivering to the Company a proxy bearing a later date or by attending and voting in person at the annual meeting.

The shares represented by proxies received by the Company will be voted as instructed by the stockholders giving the proxies. In the absence of specific

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

instructions, proxies will be voted as follows:

- FOR the election as directors of the six persons named as nominees in this proxy statement, each of whom will hold office for a term expiring at the 2005 annual meeting of stockholders and until his successor is duly elected and qualified; and
- FOR the approval of the ratification of KPMG LLP as the independent auditors for the Company for the fiscal year ending December 31, 2004.

If for any reason any director nominee named herein becomes unable or unwilling to serve, the persons named as proxies in the accompanying form of proxy will have authority to vote for a substitute nominee should the Board of Directors determine to nominate another person. The accompanying form of proxy gives discretionary authority to the persons named as proxies to vote in accordance with the directions of the Board of Directors on any other matters that may properly come before the annual meeting.

The principal executive office of the Company is located at 1100 North Washington Street, Delphi, Indiana 46923.

VOTING SECURITIES

The Company has one class of capital stock outstanding consisting of common stock. The close of business on March 8, 2004 has been fixed as the record date (the "Record Date") for determining stockholders of the Company entitled to notice of and to vote at the annual meeting and any adjournments or postponements thereof. On the Record Date, the Company had 5,972,890 shares of common stock outstanding and entitled to vote. There are no other outstanding securities of the Company entitled to vote.

Each share of common stock of the Company is entitled to one vote, exercisable in person or by proxy. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of common stock is necessary to constitute a quorum at the annual meeting. Shares voting, abstaining or withholding authority to vote on any matter at the annual meeting will be counted as present for purposes of determining a quorum. Assuming a quorum is present at the annual meeting, the election of directors will be determined by a plurality of the votes cast. The ratification of the appointment of KPMG LLP and any other matters that may properly come before the meeting will be approved by the affirmative vote of the holders of at least a majority of the shares present, in person or by proxy, at the annual meeting.

Instructions on the accompanying proxy to withhold authority to vote for one or more of the director nominees will result in those nominees receiving fewer votes. In counting the votes with respect to the ratification of the appointment of KPMG LLP as the independent auditors for the Company and any other matters that may properly come before the meeting, abstentions will have the same effect as votes against the matter. Shares that are the subject of a broker non-vote will be deemed to be not voted.

The Company expects each nominee for election as a director named in this proxy statement to be able to serve if elected. The persons named on the enclosed proxy intend to vote each proxy, if properly signed and returned, FOR the election of each of the six director nominees identified in this proxy statement, unless indicated on the proxy that the stockholder's vote should be withheld from any or all of the nominees.

With respect to the 5,695,418 shares of the Company's common stock sold by Court Square, 3,695,418 shares were repurchased by the Company (the "Company Stock Transaction") and 2,000,000 shares were purchased by the ESOP Trust (the "ESOP Stock Transaction" and together with the Company Stock Transaction, the "Transaction").

6

The funds required to pay the total consideration and certain related expenses of the Transaction were obtained using available cash and bank borrowings of approximately \$45,000,000. Under a term loan and security agreement (the "ESOP Loan Agreement"), the Company loaned \$20,000,000 to the ESOP Trust to finance the ESOP Stock Transaction. Under the ESOP Loan Agreement, the ESOP Trust will repay such loan to the Company over a 30-year term at a fixed rate of interest of 5.48% per annum.

Under the ESOP Loan Agreement, the ESOP Trust pledged the 2,000,000 shares of the Company's common stock owned by it (the "Pledged Shares") to the Company as security for repayment of its obligations thereunder. Under a Pledge and Security Agreement between the Company and National City Bank, as agent for a syndicate of banks, the Company pledged the Pledged Shares to the banks.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under the federal securities laws, the Company's directors and executive officers, and any persons beneficially owning more than 10% of the Company's common stock, are required to report their initial ownership of the Company's common stock and any subsequent changes in that ownership to the Securities and Exchange Commission. Specific due dates for these reports have been established by the Securities and Exchange Commission, and the Company is required to disclose in this proxy statement any failure to file timely the required reports by directors, executive officers and 10% stockholders of the Company. During 2003, no director or executive officer was late in filing the

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

required reports with the Securities and Exchange Commission. In making this disclosure, the Company has relied solely upon written representations of directors and executive officers of the Company and copies of reports that those persons have filed with the Securities and Exchange Commission and provided to the Company.

CERTAIN STOCK REPURCHASES BY THE COMPANY

During 2003, the Company repurchased 168,700 shares of its common stock for a total amount of \$2,225,860. The number of shares repurchased in 2003 includes 98,200 shares repurchased from Mr. Thomas, the Company's Chairman, President and Chief Executive Officer, for \$1,303,605 or \$13.275 per share. This per share price was determined based on an average of selling prices of the Company's common stock prior to the date of the Company's repurchase of Mr. Thomas' shares.

CORPORATE GOVERNANCE AND BOARD MATTERS

INDEPENDENCE AND GOVERNANCE

The Board of Directors has determined that each of the directors standing for re-election at the 2004 annual meeting, with the exception of Messrs. Mr. Thomas is not independent because he serves as the Company's Chairman, President and Chief Executive Officer, and Mr. Healy is not independent because he serves as the President of Cochrane Furniture Company, Inc., a subsidiary of the Company. The Company's director independence standards are the same as the director independence criteria adopted by the New York Stock Exchange as set forth in Section 303A.02 of the Exchange's Listed Company Manual.

The Board of Directors has adopted a Code of Ethics applicable to its chief executive officer and senior financial managers, a Code of Business Conduct and Ethics applicable to its directors, officers and employees and a set of Corporate Governance Guidelines. EXECUTIVE SESSIONS OF THE BOARD OF DIRECTORS AND PRESIDING DIRECTOR

Executive sessions of the Board of Directors are those at which only directors who are not also employees of the Company are present. Because only independent directors are members of the Board's committees and because these committees meet periodically during the year, executive sessions of the Board of Directors will be held on an as-needed basis but, in any event, at least once a year. In addition, any non-management directors can request that an executive

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

session of the Board be scheduled.

The presiding director is the director who presides over executive sessions of the Board of Directors. The Board of Directors has not designated a specific director to serve as the presiding director at all executive sessions of the Board. Instead, the independent directors have determined to rotate the presiding director position among themselves in the following order: Mr. Kolb, Mr. Kunz, Mr. Mullett and Mr. Wintrub. The rotation will occur once a director has presided over an executive session.

CONSIDERATION OF DIRECTOR CANDIDATES

Role of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will consider candidates for Board membership suggested by the Committee's members, by other members of the Board of Directors and by stockholders. For existing directors to be nominated for re-election at an annual meeting, the Nominating and Corporate Governance Committee will consider the director's performance on the Board, his attendance record at Board and committee meetings, the needs of the Company and the ability of the director to continue to satisfy the established director qualifications set forth in the Company's Corporate Governance Guidelines.

With respect to new members of the Board, the Nominating and Corporate Governance Committee will consider the needs of the Company and whether the director satisfies the Committee's established director qualifications. When the Committee determines a need exists, the Committee will recommend new directors to replace directors who do not seek re-election, to fill vacancies or to add members to the Board of Directors in the event the size of the Board is increased. Once the Committee has identified a prospective director nominee and has conducted an initial evaluation of the candidate, the Committee will interview the candidate. If the Committee believes the candidate would be an appropriate addition to the Board of Directors, it will recommend to the full Board of Directors that the individual be nominated for election at an annual meeting of stockholders or be elected to fill a vacancy on the Board. The Board of Directors determines the director nominees after considering the recommendation of the Nominating and Corporate Governance Committee.

Suggestions by Stockholders. The Nominating and Corporate Governance Committee will consider suggestions by stockholders of individuals to serve on the Board of Directors when it makes its recommendations to the full Board of Directors of persons to be nominated as directors. Director candidates suggested by a stockholder will be considered by the Nominating and Corporate Governance Committee in a manner similar to the way that candidates suggested by a Committee member or by a member of the Board of Directors are considered. Any stockholder desiring to make a suggestion to the Nominating and Corporate Governance Committee of a director nominee should submit to the Committee the candidate's name and address; a statement of the candidate's business experience; an identification of other boards of directors and board committees on which the candidate serves; a statement indicating any relationship between the candidate and the Company itself, any customer, supplier or competitor of the Company or the stockholder making the suggestion; a statement that the candidate would be willing to serve if nominated and elected; an evaluation of the candidate in light of the Committee's established director qualifications; and any other information requested by the Committee. These suggestions should be made in writing and received no later than October 31, 2004 by:

Stockholders also can nominate individuals for election as directors at any annual meeting of stockholders in addition to mailing suggestions to the Nominating and Corporate Governance Committee as provided above. To make such a nomination, a stockholder must comply with the procedures set forth in the Company's By-Laws. Those procedures are contained in Article IX of the By-Laws and are summarized under the heading "STOCKHOLDER PROPOSALS AND DIRECTOR NOMINATIONS" on page 21 of this proxy statement.

Qualifications of Directors. When evaluating a prospective director nominee, the Nominating and Corporate Governance Committee will consider, among other qualifications, the prospective nominee's:

- level of integrity;
- ability to make sound decisions and to exercise appropriate business judgment;
- business experience and knowledge of the Company's industry;
- ability to devote sufficient time and attention to the performance of his duties as a director;
- independence from the Company and its customers, suppliers and competitors;
- potential contribution to the range of talent, skill and expertise needed or appropriate for the Board of Directors;
- ability to represent the interests of the Company's stockholders; and
- background or experience in financial, accounting or compensation matters.

COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Stockholders or other interested parties who desire to communicate with the full Board of Directors, the non-management directors or an individual director may write to:

Chairman of the Board
Chromcraft Revington, Inc.
1100 North Washington Street
Delphi, Indiana 46923

A letter from a stockholder should state the stockholder's name and, if the stockholder's shares are held in street name, evidence of the stockholder's share ownership. Depending on the subject matter of the letter, the Chairman will:

- forward the letter to the appropriate director;
- attempt to handle the inquiry directly such as, for example, where the letter contains a request for information about the Company or stock transfer matters or is primarily commercial in nature; or
- not forward the letter to any director if it relates to an improper or irrelevant topic.

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

At each Board meeting, the Chairman will present a summary of all letters received since the last Board meeting that were not forwarded to all directors and will make those letters available to any director.

ATTENDANCE AT ANNUAL MEETINGS

EMPLOYMENT AGREEMENTS

Michael E. Thomas. The Company and Mr. Thomas are parties to an employment agreement, as amended, which provides, among other items, for the employment by the Company of Mr. Thomas as the Company's Chairman of the Board, President and Chief Executive Officer through April 23, 2005. The employment agreement provides for automatic extensions for successive one-year periods upon expiration of the initial term, or any renewal term, unless the Company or Mr. Thomas gives notice of termination at least 180 days before the termination date. The Company may terminate the employment of Mr. Thomas with or without cause (as defined in the employment agreement) or in the event of the disability of Mr. Thomas. If the Company terminates the employment of Mr. Thomas with cause, then he is entitled to receive his monthly base salary for a three-month period following his termination. If the Company terminates the employment of Mr. Thomas without cause, then he is entitled to receive an amount equal to twice the sum of his then-current annual base salary plus the higher bonus

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

earned by him under the Short Term Incentive Plan in the two fiscal years prior to termination. In the event of termination due to disability, Mr. Thomas will continue to receive his then-current annual base salary, less any payments equivalent to those provided by the Company's benefit plans and by any government sponsored program, for a 24-month period following the termination.

If Mr. Thomas terminates his employment following a change in control of the Company (as defined in his employment agreement) and, in addition, a reduction in his duties, a diminution in his salary or benefits or a relocation of his principal place of employment occurs, then the Company will be required to pay him, as severance pay, a lump sum amount equal to twice the sum of his then-current

14

annual base salary plus the higher bonus earned by him under the Short Term Incentive Plan in the two fiscal years prior to the change in control.

Under his employment agreement, Mr. Thomas receives a base salary of not less than \$400,000 during each year that the employment agreement is in effect and will be entitled to participate in the incentive compensation plans and programs generally available to executives of the Company. The Company also pays the premiums on insurance covering Mr. Thomas' life having a total face amount of \$1.5 million.

In addition, Mr. Thomas may not compete against the Company during his employment by the Company and during the two-year period following termination of his employment.

Frank T. Kane. The Company also has entered into an employment agreement with Frank T. Kane which provides, among other items, for the employment by the Company of Mr. Kane as the Company's Vice President-Finance, Chief Financial Officer, Secretary and Treasurer through March 15, 2005. The employment agreement provides for automatic extensions for successive one-year periods upon expiration of the initial term, or any renewal term, unless the Company or Mr. Kane gives notice of termination at least 180 days before the termination date. The Company may terminate the employment of Mr. Kane with or without cause (as defined in the employment agreement) or in the event of the disability of Mr. Kane. Mr. Kane may terminate his employment with or without good reason (as defined in the employment agreement). If the Company terminates Mr. Kane's employment with cause or if Mr. Kane terminates his employment without good reason, then the Company is required to pay him, in a lump sum, his monthly base salary for a three-month period following his termination. If the Company terminates Mr. Kane's employment without cause or if Mr. Kane terminates his employment with good reason, then the Company is required to pay him in 24 equal monthly installments an amount equal to twice the sum of his then-current annual base salary and the higher cash bonus under the Short Term Incentive Plan (up to the target award rate) paid to him in the two fiscal years preceding termination. In the event of termination due to disability, Mr. Kane will receive his then-current annual base salary earned through the date of termination.

If Mr. Kane terminates his employment following a change in control of the Company (as defined in the employment agreement) and, in addition, a reduction in his duties, a diminution in his salary or benefits or a relocation of his principal place of employment occurs, then the Company will be required to pay him, as severance pay, a lump sum amount equal to twice the sum of his then-current annual base salary and the higher cash bonus under the Short Term Incentive Plan (up to the target award rate) paid to him in the two fiscal years preceding termination.

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

Under his employment agreement, Mr. Kane receives a base salary of not less than \$205,000 during each year that the employment agreement is in effect and will be entitled to participate in the incentive compensation plans and programs generally available to executives of the Company.

Under his employment agreement, Mr. Kane may not compete against the Company during his employment by the Company and during the two-year period following termination of his employment. However, if the Company elects not to extend the term of Mr. Kane's employment agreement, then Mr. Kane may not compete against the Company for a one-year period following termination of his employment.

SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN

Effective as of March 31, 1992, the Company established pursuant to Mr. Thomas' employment agreement a supplemental executive retirement plan for the purpose of providing supplemental retirement

15

benefits to Mr. Thomas upon his retirement from the Company (the "Thomas SERP"). The manner by which payments of the Thomas SERP were to be made was specified in a supplemental retirement benefits agreement dated August 21, 1992, as amended, between the Company and Mr. Thomas. The supplemental retirement benefits agreement provides that the Thomas SERP is implemented through a whole life insurance policy as to which the Company will pay up to 15 annual premium payments through 2007; provided, however, that the Company is not obligated to pay the premiums on the insurance policy upon the termination of Mr. Thomas' employment.

On March 3, 2004, the Company and Mr. Thomas entered into a supplement to the employment agreement and the supplemental retirement benefits agreement. Among other items, the supplement (i) clarifies the calculation, timing and funding of the Thomas SERP, and (ii) amends certain provisions of Mr. Thomas' employment agreement and supplemental retirement benefits agreement.

The Thomas SERP currently provides that Mr. Thomas will receive lifetime retirement income from the Company equal to 60% of the average of his salary plus any bonus earned under the Short Term Incentive Plan during Mr. Thomas' final three calendar years of employment with the Company, but reduced by offsets of the annuitized amount of the account balances attributable to Company contributions (and investment earnings thereon) under certain employee benefit plans and insurance policies as well as the annualized benefit payable under a defined benefit plan of a predecessor company. The Thomas SERP is payable upon any termination of Mr. Thomas' employment (except a termination with cause) or upon his retirement before or after he attains age 65.

The supplement also provides that Mr. Thomas will receive a minimum annual retirement benefit from the Company equal to \$400,000 per year, reduced by the offsets described above, regardless of the amount of his salary plus any bonuses paid under the Short Term Incentive Plan during his final three calendar years of employment and regardless of whether Mr. Thomas retires before or after age 65. Based upon the formula contained in the supplement, which governs the amount of the Thomas SERP, the annual benefit payable under the Thomas SERP (but excluding the applicable offsets) if Mr. Thomas were to retire from the Company in 2004 would equal the minimum annual retirement benefit of \$400,000.

COMPENSATION COMMITTEE REPORT
ON EXECUTIVE COMPENSATION

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

The Compensation Committee has furnished the report set forth below on executive compensation for the year ended December 31, 2003. The functions of the Compensation Committee are described above under the heading "CORPORATE GOVERNANCE AND BOARD MATTERS."

An objective of the Compensation Committee is to help assure that executive compensation bears a reasonable relationship to corporate performance, business strategy and increases in stockholder value. The following principles currently serve as guidelines for compensation recommendations and decisions of the Compensation Committee:

- Reward executives through appropriate incentive compensation and ownership in the Company for achievement of short term and long term business goals and strategies.
 - Align executive officer compensation with the success of the Company such that compensation is based, in part, upon performance in order to create an environment that rewards performance.
- 16
- Provide a total executive compensation package that enables the Company to attract and retain appropriate executives.

The Compensation Committee periodically reviews information relating to comparable companies in order to establish general guidelines for executive officer compensation. In addition, the Compensation Committee has retained an independent compensation consultant to review the competitiveness of the executive compensation program in relation to other comparable companies, including those in the peer group set forth under the heading "Stock Performance Graph."

The principal elements of the compensation program for executive officers, including Mr. Thomas, the Chief Executive Officer of the Company, are summarized below.

BASE SALARY

Base salary levels are set based upon the requirements of the executive's employment agreement with the Company, competitive market conditions and the executive's job performance. In determining the 2003 base salary increases for Mr. Thomas and the other executive officers of the Company, the Compensation Committee considered several factors, including the executive's responsibilities, duties, performance and experience, as well as base salaries for executives holding similar positions at comparable companies, but no specific weights were placed on any of these factors.

For 2003, Mr. Thomas received a base salary of \$406,667, representing a 4.9% increase in his base salary from 2002. Under his employment agreement with the Company, Mr. Thomas is to receive a base salary of not less than \$400,000 per year.

SHORT TERM INCENTIVE PLAN

The Company maintains the Short Term Incentive Plan to focus the efforts of its executive officers on the short term performance of the Company. Each year, the Compensation Committee sets performance standards that must be satisfied for an award to be made under the Short Term Incentive Plan and

Edgar Filing: CHROMCRAFT REVINGTON INC - Form DEF 14A

corresponding award rates. Awards under the Short Term Incentive Plan are payable in cash. For 2003, the performance factors for Mr. Thomas were based on the Company's (i) cash flow, (ii) sales, and (iii) reduction of bank debt.

In 2003, Mr. Thomas earned an award of \$99,555 under the Short Term Incentive Plan.

LONG TERM INCENTIVE PLAN

The Company maintains the Long Term Incentive Plan to focus the efforts of its executive officers on the long term performance of the Company. Each year, the Compensation Committee sets performance standards that must be satisfied for an award to be made under the Long Term Incentive Plan and corresponding award rates. For the two-year performance period ended December 31, 2003, performance factors for Mr. Thomas were based on the Company's (i) cash flow, (ii) sales, (iii) reduction of bank debt, and (iv) return on equity compared to the average return on equity for the Company's peer group. Awards under the Long Term Incentive Plan are paid 50% in a single lump sum cash amount and 50% in options to acquire shares of the Company's common stock. Stock options awarded under the Long Term Incentive Plan are subject to the provisions of the 1992 Stock Option Plan.

17

Mr. Thomas earned a Long Term Incentive Plan award of \$244,000 attributable to the 2002-2003 performance period, with 50% of the award paid in a cash sum of \$122,000 and 50% paid in the form of a stock option grant of 26,464 shares of the Company's common stock valued under the Black-Scholes option pricing model.
