ITEM 2.05. Costs Associated with Exit or Disposal Activities

On January 31, 2008, the Registrant's Board of Directors (the Board), through a Special Committee formed by the Board, approved a restructuring plan to terminate approximately 80 employees, representing approximately 5% of the Registrant's total number of employees. All terminations occurred by February 1, 2008. Total severance benefits are estimated to be approximately \$0.4 million, all of which is expected to be paid in the Registrant's third fiscal quarter ending March 27, 2008. The Registrant expects to reduce its annual payroll and related benefit costs by approximately \$4.0 million as a result of the terminations. The restructuring was made possible, in part, due to the consolidation of the Registrant's Chicago area facilities into its new Elgin facility and the Registrant's efforts to discontinue selling approximately 1,200 items, representing approximately \$20 million in annual sales.
