**PROPOSAL
ELECTION OF BOARD MEMBERS**

Shareholders of each Fund are being asked to elect Board Members to the Board of their Fund as described below.

For KMM and KST only. Board Members are elected pursuant to each Fund's Amended and Restated Agreement and Declaration of Trust and Amended and Restated By-Laws. In March 2009, the By-Laws of each Fund were amended, in part, to provide for the division of the Board into classes. Pursuant to the amended By-Laws, the Board Members of each Fund classified themselves by resolution dated March 11, 2009 into three classes as follows: Ms. Dawn-Marie Driscoll and Messrs. Keith R. Fox, Richard J. Herring, William N. Searcy and Robert H. Wadsworth were designated as Class I Board Members, each to serve until the annual meeting of shareholders in 2009 and until the election and qualification of a successor or until such Board Member sooner dies, resigns, retires or is removed; Ms. Jean Gleason Stromberg and Messrs. Henry P. Becton Jr., Paul K. Freeman and William McClayton were designated as Class II Board Members, each to serve until the annual meeting of shareholders in 2010 and until the election and qualification of a successor or until such Board Member sooner dies, resigns, retires or is removed; and Ms. Rebecca W. Rimel and Messrs. John W. Ballantine, Kenneth C. Froewiss and Axel Schwarzer were designated as Class III Board Members, each to serve until the annual meeting of shareholders in 2011 and until the election and qualification of a successor or until such Board Member sooner dies, resigns, retires or is removed.

At each annual meeting beginning with this Meeting, the Class of Board Members elected at such meeting will be elected to hold office until the annual meeting held in the third succeeding year and until the election and qualification of such Board Member's successor, if any, or until such Board Member sooner dies, resigns, retires or is removed.

At the Meeting, five (5) Class I Board Members are to be elected by shareholders of a Fund, each to hold office until the annual meeting of shareholders in 2012 and until such Board Member's successor has been duly elected and qualified or until such Board Member sooner dies, resigns, retires or is removed. The Class I Board Member nominees for election at the Meeting are: Ms. Driscoll and Messrs. Fox, Herring, Searcy and Wadsworth.

For KTF and KSM only. Board Members are elected pursuant to each Fund's Amended and Restated Agreement and Declaration of Trust and Amended and Restated By-Laws. Pursuant to the Amended and Restated Agreement and Declaration of Trust of each Fund, each Board may authorize separate classes of shares of beneficial interest. The Board of each Fund has authorized, and each Fund has issued, common shares of

beneficial interest (the Common Shares) and preferred shares of beneficial interest (the Preferred Shares). The Common Shares and the Preferred Shares have different powers, rights, preferences and privileges, qualifications, limitations and restrictions with respect to, among other things, dividends, liquidation, redemption and voting as more fully set forth in the Certificate of Designation for Preferred Shares that established the Preferred Shares. For KTF, the Common Shares were first issued on October 20, 1988 and the Preferred Shares were first issued on July 24, 1989 (Series A, B, C and D) and November 24, 1999 (Series E). For KSM, the Common Shares were first issued on March 22, 1989 and the Preferred Shares were first issued on September 21, 1999. At the Meeting, the holders of the Preferred Shares, voting as a separate class, are entitled to elect two Board Members, and the holders of the Common Shares and the Preferred Shares, voting together as a single class, are entitled to elect four Board Members (as described below).

In March 2009, the By-Laws of each Fund were amended, in part, to provide for the division of the Board into classes. Pursuant to the amended By-Laws, the Board Members of each Fund classified themselves by resolution dated March 11, 2009 into three classes as follows: Ms. Dawn-Marie Driscoll and Messrs. Keith R. Fox, Richard J. Herring and William N. Searcy were designated as Class I Board Members, each to serve until the annual meeting of shareholders in 2009 and until the election and qualification of a successor or until such Board Member sooner dies, resigns, retires or is removed; Ms. Jean Gleason Stromberg and Messrs. Henry P. Becton Jr., Paul K. Freeman and William McClayton were designated as Class II Board Members, each to serve until the annual meeting of shareholders in 2010 and until the election and qualification of a successor or until such Board Member sooner dies, resigns, retires or is removed; and Ms. Rebecca W. Rimel and Messrs. John W. Ballantine and Kenneth C. Froewiss were designated as Class III Board Members, each to serve until the annual meeting of shareholders in 2011 and until the election and qualification of a successor or until such Board Member sooner dies, resigns, retires or is removed.

At each annual meeting beginning with this Meeting, the Class of Board Members elected at such meeting by holders of the Common Shares and Preferred Shares voting together will be elected to hold office until the annual meeting held in the third succeeding year and until the election and qualification of such Board Member's successor, if any, or until such Board Member sooner dies, resigns, retires or is removed. The Board Members elected by the holders of the Preferred Shares, voting as a separate class, will continue to be elected to hold office until the next annual meeting and until the election and qualification of such Board Member's successor, if any, or until such Board Member sooner dies, resigns, retires or is removed.

At the Meeting, four (4) Class I Board Members are to be elected by a Fund's Common Shares and Preferred Shares voting together, each to hold office until the annual meeting of shareholders in 2012 and until such Board Member's successor has been duly elected and qualified or until such Board Member sooner dies, resigns, retires or is removed; and two (2) Board Members are to be elected, by a Fund's Preferred Shares voting as a separate class, each to hold office until the annual meeting of shareholders in 2010 and until such Board Member's successor has been duly elected and qualified or until such Board Member sooner dies, resigns, retires or is removed. The Class I Board Member nominees for election at the Meeting are: Ms. Driscoll and Messrs. Fox, Herring and Searcy. The Preferred Board Member Nominees for election at the Meeting are: Messrs. Schwarzer and Wadsworth.

For DHG only. Pursuant to DHG's Articles of Amendment and Restatement and By-Laws, the Board Members of DHG have been divided into three classes with each Class Board Members being elected to serve until the third succeeding annual meeting subsequent to their election. At the Meeting, five (5) Class II Board Members are to be elected by shareholders of the Fund for a term expiring at the annual meeting of shareholders in 2012 or until their successors have been duly elected and qualified. The Class II Board Member nominees for election at the Meeting are: Ms. Driscoll and Messrs. Fox, Herring, Searcy and Wadsworth.

The individuals nominated for election as Board Members of each Fund at the Meeting (the Board Member Nominees), were nominated by the Fund's present Board. The Board Member Nominees are currently Board Members of each Fund, and are currently Board Members of other DWS funds advised by Deutsche Investment Management Americas Inc. (DIMA or the Advisor). All the Board Member Nominees were last selected to each Fund's Board, except DHG, at the previous annual meeting of shareholders in 2008. For DHG, all the Board Member Nominees, except Mr. Wadsworth, were last selected to DHG's Board at the previous annual meeting of shareholders in 2008. Mr. Wadsworth was appointed to the Board of DHG as a Class II Board Member in October 2006 by the Fund's initial Board Member.

It is the intention of the persons named in the enclosed proxy to vote the shares represented thereby for the election of the Board Member Nominees unless the proxy is marked otherwise. Each of the Board Member Nominees has agreed to serve as a Board Member of a Fund if elected. However, should any Board Member Nominee become unable or unwilling to accept nomination for election, the proxies will be voted for substitute nominees, if any, designated by a Fund's present Board.

Information is provided below as of April 1, 2009 for each Board Member Nominee for election at the Meeting and other Board Members. All of the Board Member Nominees, except Mr. Schwarzer, would be non-

interested Board Members, as that term is used in the Investment Company Act of 1940 (Independent Board Members). Mr. Schwarzer, CEO of DWS Investments, would be an interested Board Member by virtue of his positions with Deutsche Asset Management (DeAM). Each Board Member Nominee has indicated a willingness to serve if elected.

Unless otherwise noted, each Board Member has engaged in the principal occupation(s) noted in the table for at least the most recent five years, although not necessarily in the same capacity.

- (3) The length of time served represents the year in which the Board Member joined the Board of one or more DWS funds currently overseen by the Board.

As reported to the Funds, Exhibit A to this Proxy Statement sets forth the dollar range of securities beneficially owned and the amount of shares beneficially owned by each Board Member in each Fund as of March 31, 2009.

Under its Board Governance Policies, each Board has established the expectation that within three years of becoming a Board Member, a Board Member will have invested in the aggregate at least \$200,000 in the DWS funds.

Officers

The officers of each Fund are set forth in Exhibit B hereto.

Compensation of Board Members and Officers

Each Independent Board Member receives compensation from the Funds for his or her services, which includes retainer fees and specified amounts for various committee services and for the Board Chairperson. No additional compensation is paid to any Independent Board Member for travel time to meetings, attendance at directors educational seminars or conferences, service on industry or association committees, participation as speakers at directors conferences or service on special fund industry director task forces or subcommittees. Independent Board Members do not receive any employee benefits such as pension or retirement benefits or health insurance from the Funds or any fund in the DWS fund complex.

Board Members and Fund officers who are officers, directors, employees or stockholders of Deutsche Asset Management or its affiliates receive no direct compensation from the Funds, although they are compensated as employees of Deutsche Asset Management, or its affiliates, and as a result may be deemed to participate in fees paid by the Funds. Deutsche Asset Management is the marketing name in the US for the asset management activities of Deutsche Bank AG, DIMA, Deutsche Bank Trust Company Americas and DWS Trust Company.

Exhibit C to this Proxy Statement sets forth compensation paid to each Board Member by each Fund for its most recently completed fiscal year and to each Board Member by the DWS funds complex for the calendar year ended December 31, 2008.

Certain Indemnification Arrangements

In addition to indemnification rights provided by the governing instruments of each Fund, Board Members may be eligible to seek indemnification from DIMA in connection with certain matters as follows. In connection with litigation or regulatory action related to possible improper market timing or other improper trading activity or possible

improper marketing and sales activity in certain DWS funds (the **Affected Funds**), DIMA has agreed to indemnify and hold harmless the Affected Funds (**Fund Indemnification Agreement**) against any and all loss, damage, liability and expense, arising from market timing or marketing and sales matters alleged in any enforcement actions brought by governmental authorities involving or potentially affecting the Affected Funds or DIMA (**Enforcement Actions**) or that are the basis for private actions brought by shareholders of the Affected Funds against the Affected Funds, their directors and officers, DIMA and/or certain other parties (**Private Litigation**), or any proceedings or actions that may be threatened or commenced in the future by any person (including governmental authorities), arising from or similar to the matters alleged in the Enforcement Actions or Private Litigation. In recognition of its undertaking to indemnify the Affected Funds and in light of the rebuttable presumption generally afforded to independent directors/trustees of investment companies that they have not engaged in disabling conduct, DIMA has also agreed, subject to applicable law and regulation, to indemnify certain (or, with respect to certain Affected Funds, all) of the Independent Board Members of the Affected Funds, against certain liabilities the Independent Board Members may incur from the matters alleged in any Enforcement Actions or Private Litigation or arising from or similar to the matters alleged in the Enforcement Actions or Private Litigation, and advance expenses that may be incurred by the Independent Board Members in connection with any Enforcement Actions or Private Litigation. DIMA is not, however, required to provide indemnification and advancement of expenses: (1) with respect to any proceeding or action which the Affected Funds Board determines that the Independent Board Members ultimately would not be entitled to indemnification or (2) for any liability of the Independent Board Members to the Funds or their shareholders to which the Independent Board Member would otherwise be subject by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the Independent Board Member's duties as a director or trustee of the Affected Funds as determined in a final adjudication in such action or proceeding. The estimated amount of any expenses that may be advanced to the Independent Board Members or indemnity that may be payable under the indemnity agreements is currently unknown. These agreements by DIMA will survive the termination of the investment management agreements between DIMA and the Affected Funds.

Board Structure

The primary responsibility of each Fund's Board is to represent the interests of the Fund and to provide oversight of the management of the Fund. If the Board Member Nominees are elected by shareholders, each Board will be comprised of one individual who would be an interested Board Member, and twelve individuals who would be Independent Board Members. SEC

rules currently require a majority of the board members of a fund to be independent if the fund takes advantage of certain exemptive rules under the 1940 Act. If the proposed Board Member Nominees are elected by shareholders, 92% will be Independent Board Members. Each of the Board Member Nominees that will be considered an Independent Board Member, if elected, has been selected and nominated solely by the current Independent Board Members of each Fund.

Each Fund's Board meets multiple times during the year to review investment performance and other operational matters, including regulatory and compliance related policies and procedures. Furthermore, the Independent Board Members review the fees paid to the Advisor and its affiliates for investment advisory services and other services. Each Board has adopted specific policies and guidelines that, among other things, seek to further enhance the effectiveness of the Independent Board Members in performing their duties. For example, the Independent Board Members select independent legal counsel to work with them in reviewing fees, advisory and other contracts and overseeing fund matters, and regularly meet privately with their counsel.

During calendar year 2008, the Boards of KSM and KST each met seven times and the Boards of DHG, KMM and KTF each met eight times. Each Board Member attended at least 75% of the respective meetings of the Boards and the Committees (if a member thereof) held during calendar year 2008.

The Board of each Fund provides a process for shareholders to send communications to the Board. Correspondence should be sent by U.S. mail or courier service to Dawn-Marie Driscoll, P.O. Box 100176, Cape Coral, FL 33904, who will forward it to a specific Board Member if addressed to that Board Member.

Dr. Freeman has served as Chairperson of the Board of each Fund since January 1, 2009. He was elected for an initial three year term ending December 31, 2011.

The Board of each Fund has established the following standing committees: Audit Committee, Nominating and Governance Committee, Contract Committee, Equity Oversight Committee (for DHG only), Fixed-Income and Quant Oversight Committee, Operations Committee and Marketing and Shareholder Services Committee (each a Committee). For each Committee, a written charter setting forth the Committee's responsibilities was adopted by each Board. The function, membership and number of meetings held in calendar year 2008 for each Committee is discussed below. All Committee members are Independent Board Members.

Audit Committee. The Audit Committee, which consists entirely of Independent Board Members, assists the Board in fulfilling its responsibility

for oversight of (1) the integrity of the financial statements, (2) a Fund's accounting and financial reporting policies and procedures, (3) a Fund's compliance with legal and regulatory requirements related to accounting and financial reporting and (4) the qualifications, independence and performance of the independent registered public accounting firm for a Fund. It also approves and recommends to the Board the appointment, retention or termination of the independent registered public accounting firm for a Fund, reviews the scope of audit and internal controls, considers and reports to the Board on matters relating to a Fund's accounting and financial reporting practices, and performs such other tasks as the full Board deems necessary or appropriate. The Audit Committee receives annual representations from the independent registered public accounting firm as to its independence. Each Fund's Audit Committee is governed by the Audit Committee Charter, a copy of which is attached as Exhibit D. Each Fund's Audit Committee is comprised of only Independent Board Members who are independent as defined in the New York Stock Exchange (NYSE) and the Chicago Stock Exchange (CHX) listing standards applicable to closed-end funds. During the calendar year 2008, the Audit Committee of each Fund's Board held six (6) meetings.

For the 2008 fiscal year, each Fund's Audit Committee reviewed and discussed the audited financial statements with management. Each Fund's Audit Committee also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees). Each Fund's independent registered public accounting firm provided the Fund's Audit Committee the written disclosure required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Fund's Audit Committee discussed with representatives of the independent registered public accounting firm their firm's independence, including the matters described beginning on page 16. Based on its review of each Fund's financial statements and discussions with management and the independent registered public accounting firm and other written disclosure provided by the independent registered public accounting firm, the Fund's Audit Committee recommended to the Fund's Board that the audited financial statements be included in the annual report provided to shareholders for the Fund's 2008 fiscal year. The current members of each Fund's Audit Committee are:

William McClayton (Chair)
Kenneth C. Froewiss (Vice Chair)
John W. Ballantine
Henry P. Becton, Jr.
Keith R. Fox
William N. Searcy, Jr.

Nominating and Governance Committee. The Nominating and Governance Committee, which consists entirely of Independent Board Members, recommends individuals for membership on the Board, nominates officers, Board and committee chairs, vice chairs and committee members, and oversees the operations of the Board. The Nominating and Governance Committee also reviews recommendations by shareholders for candidates for Board positions. Shareholders may recommend candidates for Board positions by forwarding their correspondence by US mail or courier service to Dawn-Marie Driscoll, P.O. Box 100176, Cape Coral, FL 33904. Each Fund's Nominating and Governance Committee is governed by the Nominating and Governance Committee Charter, a copy of which is attached as Exhibit E. Each Fund's Nominating and Governance Committee is comprised of only Independent Board Members who are independent as defined in the NYSE and the CHX listing standards applicable to closed-end funds. The members of the Nominating and Governance Committee are Henry P. Becton, Jr. (Chair), Rebecca W. Rimel (Vice Chair), Paul K. Freeman and William McClayton. During the calendar year 2008, the Nominating and Governance Committee of each Fund's Board held five (5) meetings.

Contract Committee. The Contract Committee, which consists entirely of Independent Board Members, reviews at least annually, (a) a Fund's financial arrangements with DIMA and its affiliates, and (b) a Fund's expense ratios. The members of the Contract Committee are Robert H. Wadsworth (Chair), Keith R. Fox (Vice Chair), Henry P. Becton, Jr., Richard J. Herring, William McClayton and Jean Gleason Stromberg. During the calendar year 2008, the Contract Committee of each Fund's Board held seven (7) meetings.

Fixed-Income and Quant Oversight Committee. The Fixed-Income and Quant Oversight Committee reviews the investment operations of those funds that primarily invest in fixed-income securities or are managed by a quantitative investment team. The members of the Fixed-Income and Quant Oversight Committee are William N. Searcy, Jr. (Chair), Jean Gleason Stromberg (Vice Chair), Dawn-Marie Driscoll, Kenneth C. Froewiss and Robert H. Wadsworth. During the calendar year 2008, the Fixed-Income Oversight Committee of each Fund's Board held five (5) meetings.

Equity Oversight Committee (for DHG only). The Equity Oversight Committee reviews the investment operations of those funds that primarily invest in equity securities. The members of the Equity Oversight Committee are John W. Ballantine (Chair), William McClayton (Vice Chair), Henry P. Becton, Jr., Keith R. Fox, Richard J. Herring and Rebecca W. Rimel. During the calendar year 2008, the Equity Oversight Committee of DHG's Board held five (5) meetings.

Operations Committee. The Operations Committee reviews the administrative operations, legal affairs and general compliance matters of a Fund. The Operations Committee reviews administrative matters related to the operations of a Fund, policies and procedures relating to portfolio transactions, custody arrangements, fidelity bond and insurance arrangements, valuation of Fund assets and securities and such other tasks as the full Board deems necessary or appropriate. The Operations Committee also oversees the valuation of a Fund's securities and other assets and determines, as needed, the fair value of Fund securities or other assets under certain circumstances as described in a Fund's Valuation Procedures. The Operations Committee has appointed a Valuation Sub-Committee, which may make determinations of fair value required when the Operations Committee is not in session. The members of the Operations Committee are Dawn-Marie Driscoll (Chair), John W. Ballantine (Vice Chair), Kenneth C. Froewiss, Rebecca W. Rimel and William N. Searcy, Jr. The members of the Valuation Sub-Committee are Kenneth C. Froewiss (Chair), John W. Ballantine, Dawn-Marie Driscoll (Alternate), Rebecca W. Rimel (Alternate) and William N. Searcy, Jr. (Alternate). During the calendar year 2008, the Operations Committee held five (5) meetings and the Valuation Sub-Committee held no meetings.

Marketing and Shareholder Services Committee. The Marketing and Shareholder Services Committee reviews a Fund's marketing program, sales practices and literature and shareholder services. The members of the Marketing and Shareholder Services Committee are Richard J. Herring (Chair), Dawn-Marie Driscoll (Vice Chair), Rebecca W. Rimel, Jean Gleason Stromberg and Robert H. Wadsworth. During the calendar year 2008, the Marketing/Distribution/Shareholder Service Committee of each Fund's Board held four (4) meetings.

Ad Hoc Committees. In addition to the standing committees described above, from time to time the Board may also form ad hoc committees to consider specific issues.

Required Vote

Each Fund will vote separately on the election of Board Member Nominees. For DHG, KMM and KST only, the election of a Board Member Nominee requires the affirmative vote of a majority of the shares outstanding and entitled to vote. For KTF and KSM only, the election of a Board Member Nominee requires the affirmative vote of a plurality of the shares represented in person or by proxy at the Meeting.

Recommendation of the Board

The Board of your Fund believes that the election of each Board Member Nominee is in the best interests of your Fund. **Accordingly, the Board unanimously recommends that shareholders vote FOR the election of each Board Member Nominee as set forth in the Proposal.**

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Each Board, including the Independent Board Members, has selected Ernst & Young LLP (E&Y) to act as independent registered public accounting firm to audit the books and records of each Fund for the current fiscal year. E&Y has served each Fund in this capacity since each Fund was organized and has no direct or indirect financial interest in any Fund except as the independent registered public accounting firm. E&Y will not be represented at the Meeting.

In connection with the audit of the 2007 and 2008 financial statements, the Funds entered into an engagement letter with E&Y. The terms of the engagement letter required by E&Y, and agreed to by each Fund's Audit Committee, include provisions in which the parties consent to the sole jurisdiction of federal courts in New York, Boston or the Northern District of Illinois, as well as a waiver of right to a trial by jury and an exclusion of punitive damages.

The following table shows fees billed by E&Y to each Fund during the two most recent fiscal years: (i) for audit and non-audit services provided to the Fund, and (ii) for engagements for non-audit services preapproved by each Fund's Audit Committee for DIMA and certain entities controlling, controlled by, or under common control with DIMA that provide ongoing services to the Fund (collectively, the DIMA Entities), which engagements relate directly to the operations and financial reporting of the Fund. Each Fund's Audit Committee has reviewed whether E&Y's receipt of non-audit fees from the Fund, DIMA and all DIMA Entities is compatible with maintaining E&Y's independence.

- (1) Audit Fees are the aggregate fees billed for professional services for the audit of each Fund's annual financial statements and services provided in connection with statutory and regulatory filings or engagements.
- (2) Audit Related Fees are the aggregate fees billed for assurance and related services reasonably related to the performance of the audit or review of financial statements and are not reported under Audit Fees. They were for services in connection with an assessment of internal controls and additional related procedures.
- (3) Tax Fees are the aggregate fees billed for professional services for tax advice, tax compliance and tax planning. Fees billed were for tax compliance and tax return preparation.
- (4) All Other Fees are the aggregate fees billed for products and services other than Audit Fees, Audit Related Fees and Tax Fees.

Audit Committee Pre-Approval Policies and Procedures. Generally, each Fund's Audit Committee must pre-approve (i) all services to be performed for a Fund by a Fund's independent registered public accounting firm and (ii) all non-audit services to be performed by a Fund's independent registered public accounting firm for the DIMA Entities with respect to operations and financial reporting of the Fund, except that the Chairperson or Vice Chairperson of each Fund's Audit Committee may grant the pre-approval for non-audit services described in items (i) and (ii) above for non-prohibited services for engagements of less than \$100,000. All such delegated pre-approvals shall be presented to each Fund's Audit Committee no later than the next Audit Committee meeting.

All Non-Audit Fees. The table below shows the aggregate non-audit fees billed by E&Y for services rendered to the Funds and to DIMA Entities for the two most recent fiscal years for each Fund.

In assessing E&Y's independence, each Fund's Audit Committee considers the opinions of Fund management.

E&Y advised the Fund's Audit Committee that E&Y had identified four matters that it determined to be inconsistent with the SEC's auditor independence rules.

First, E&Y advised the Fund's Audit Committee that, in 2006 and 2007, Deutsche Bank AG (DB) provided standard overdraft protection on a depository account and a guarantee of certain lease deposits to the E&Y member firm in Germany (E&Y Germany). DB is within the Investment Company Complex (as defined by SEC rules) and therefore covered by the SEC auditor independence rules applicable to the Fund. E&Y advised the Audit Committee that while neither of these arrangements was ever utilized by E&Y Germany, they could constitute lending type arrangements in violation of Rule 2-01 of Regulation S-X. (Rule 2-01(c)(1)(ii)(A) provides that an accountant is not independent when an accounting firm has a loan to or from an audit client.) E&Y advised the Audit Committee that E&Y believes its independence has not been impacted as it relates to the audit of the Fund. In reaching this conclusion, E&Y noted a number of factors, including that neither of the arrangements was ever utilized and, accordingly, E&Y Germany never had amounts outstanding to DB, these arrangements were immaterial to E&Y Germany and DB and the E&Y professionals responsible for the Fund's audits were not aware of these arrangements. E&Y informed the Audit Committee that E&Y Germany has cancelled the overdraft arrangement and has terminated the guarantee on the lease deposits.

Second, E&Y advised the Fund's Audit Committee that, in 2007 and 2008, DB provided standard overdraft protection on a depository account to the E&Y member firm in India (E&Y India). E&Y advised the Audit Committee that E&Y India utilized this arrangement twice in 2007; therefore, the arrangement constituted a lending type arrangement in violation of Rule 2-01(c)(1)(ii)(A) of Regulation S-X as described above. E&Y advised the Audit Committee that E&Y believes its independence has not been impacted as it relates to the audit of the Fund. In reaching this conclusion, E&Y noted a number of factors, including that the arrangement did not create a mutual or conflicting interest between E&Y and the Fund and that the arrangement did not involve the Fund, but rather affiliates of the Fund in the Investment Company Complex. E&Y

informed the Audit Committee that E&Y India has cancelled the overdraft arrangement.

Third, E&Y advised the Fund's Audit Committee that, in 2008, an E&Y professional purchased interests in a fund sponsored by a subsidiary of Deutsche Bank AG that is not audited by E&Y. Subsequent to the purchase, the E&Y professional became a Covered Person (as defined by SEC rules) of the Fund as a result of providing non-audit services to a DB entity within the Investment Company Complex. E&Y informed the Audit Committee that this investment constituted an investment in an affiliate of an audit client in violation of the Rule 2-01(c)(1) of Regulation S-X. E&Y advised the Audit Committee that E&Y believes its independence has not been impacted as it relates to the audit of the Fund. In reaching this conclusion, E&Y noted a number of factors, including that the E&Y professional did not have any financial interest in the Fund and was not involved with the provision of audit services to the Fund. E&Y informed the Audit Committee that the E&Y professional no longer provides any services to any entity within the Investment Company Complex and is no longer deemed to be a Covered Person with respect to the Fund.

Finally, E&Y advised the Fund's Audit Committee that, in 2008, an E&Y professional whose spouse owned interests in two DWS Funds that are not audited by E&Y, became a Covered Person of the Fund as a result of providing attest services to a DB entity within the Investment Company Complex. E&Y informed the Audit Committee that this investment constituted an investment in an affiliate of an audit client in violation of the Rule 2-01(c)(1) of Regulation S-X. E&Y advised the Audit Committee that E&Y believes its independence has not been impacted as it relates to the audit of the Fund. In reaching this conclusion, E&Y noted a number of factors, including that the E&Y professional did not have any financial interest in the Fund and was not involved with the provision of audit services to the Fund. E&Y informed the Audit Committee that the E&Y professional no longer provides any services to any entity within the Investment Company Complex and is no longer deemed to be a Covered Person with respect to the Fund.

ADDITIONAL INFORMATION

Proxy Costs. The Funds will pay the costs of preparing, printing and mailing the enclosed Proxy Card and Proxy Statement and all other costs incurred in connection with the solicitation of proxies, including any additional solicitation made by letter, telephone or telegraph for each Fund. In addition to solicitation by mail, certain officers and representatives of the Funds, officers and employees of DIMA and certain financial services firms and their representatives, who will receive no extra compensation for their services, may solicit proxies electronically, by telephone, by telegram or personally. Proxies that are obtained telephonically

or electronically will be recorded in accordance with the procedures believed by the Funds to be reasonably designed to ensure that both the identity of the shareholder casting the vote and the voting instructions of the shareholder are accurately determined.

If a shareholder wishes to participate in the Meeting, but does not wish to give a proxy by telephone or electronically, the shareholder may still submit the proxy card(s) originally sent with this Proxy Statement or attend in person. Should shareholders require additional information regarding the proxy or replacement proxy card(s), they may call 1-800-849-4134. Any proxy given by a shareholder is revocable until voted at the Meeting.

Quorum and Required Vote. Proxies are being solicited from each Fund's shareholders by the respective Fund's Board for the Meeting. Unless revoked, all valid proxies will be voted in accordance with the specification thereon or, in the absence of specification, FOR election of all Board Member Nominees and as the persons named in the proxy determine on such other business as may come before the Meeting. In case any Board Member Nominee shall be unable or shall fail to act as a Board Member by virtue of an unexpected occurrence, persons named as proxies will vote in their discretion for such other nominee or nominees as the current Board Members may recommend. Except for Board Members elected solely by the holders of Preferred Shares of KTF and KSM, if an annual meeting is called for the purpose of considering the election of Board Members, and a then current Board Member up for election is not elected and such Board Member's successor is not elected and qualified, then the current Board Member shall remain a member of the relevant class, holding office until the annual meeting held in the third succeeding year after such annual meeting is initially called and until the election and qualification of such Board Member's successor, if any, or until such current Board Member sooner dies, resigns, retires or is removed. Shareholders who execute proxies may revoke them at any time before they are voted, either by writing to a Fund or in person at the time of the Meeting. For each Fund, except DHG, the presence at the Meeting of 30% of the shares of such Fund, respectively, outstanding and entitled to vote at the Meeting constitutes a quorum for the Meeting. Thus, the meeting for a particular Fund could not take place on its scheduled date if less than 30% of the shares of that Fund were represented. For DHG, the presence at the Meeting of a majority of the shares outstanding and entitled to vote at the Meeting constitutes a quorum for the Meeting. In the event that the necessary quorum to transact business is not present at the Meeting with respect to one or more Funds, the persons named as proxies may vote those proxies that have been received to adjourn the Meeting to a later date with respect to those Funds. In addition, the By-Laws of DHG, KMM and KST state that the chairman of the Meeting may adjourn the Meeting with respect to one or more matter(s) to be considered at the Meeting

whether or not a quorum is present with respect to such matter(s). Adjournment will subject a Fund to additional expenses. For DHG, an adjournment may not extend beyond a date 120 days after the Record Date. For purposes of determining the presence of a quorum for transacting business at the Meeting, broker non-votes will be treated as shares that are present but which have not been voted. Broker non-votes are proxies received by a Fund from brokers or nominees when the broker or nominee has not received instructions from the beneficial owner or other persons entitled to vote. Accordingly, shareholders are urged to forward their voting instructions promptly.

For each Fund, each whole share is entitled to one vote and each fractional share is entitled to a proportionate fractional vote. For DHG, KMM and KST only, the election of a Board Member Nominee requires the affirmative vote of a majority of the shares outstanding and entitled to vote. For KTF and KSM only, the election of a Board Member Nominee requires the affirmative vote of a plurality of the shares represented in person or by proxy at the Meeting. As noted previously, the holders of the Preferred Shares of KTF and KSM, voting as a separate class for each respective Fund, are entitled to elect two Board Members and the holders of the Common Shares and Preferred Shares of KTF and KSM, voting together as a single class for each Fund, are entitled to elect the four Board Members. For the Proposal, abstentions and broker non-votes will have the effect of a vote against the Proposal.

Record Date and Method of Tabulation. Shareholders of record at the close of business on March 31, 2009 (the Record Date) are entitled to notice of, and to vote at, the Meeting. As of the Record Date, shares of the Funds were issued and outstanding as follows:

Fund Name	Shares Outstanding
DHG	52,140,425.98
KMM	24,256,668.41
KTF	
Common	38,973,231.06
Preferred	53,000.00
KSM	
Common	10,948,342.55
Preferred	2,800.00
KST	4,694,525.17

Votes cast by proxy or in person at the Meeting will be counted by persons appointed by the Funds as tellers for the Meeting. For the Proposal, shareholders will vote by individual Fund.

The tellers will count shares represented by proxies that reflect broker non-votes (i.e., shares held by brokers or nominees as to which

(i) instructions have not been received from the beneficial owners or the persons entitled to vote, and (ii) the broker or nominee does not have the discretionary voting power on a particular matter) as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum. For the Proposal, broker non-votes will have the effect of a vote against the Proposal. Accordingly, shareholders are urged to forward their voting instructions promptly.

Deutsche Bank Voting. Deutsche Bank Trust Company Americas (Deutsche Bank Trust) will vote any shares in accounts as to which Deutsche Bank Trust has voting authority, and shares in any other accounts as to which Deutsche Bank Trust is the agent of record, which are not otherwise represented in person or by proxy at the Meeting. Deutsche Bank Trust will vote shares of the Funds over which it has investment discretion in accord with its fiduciary and other legal obligations, and in its discretion may consult with the beneficial owners or other fiduciaries. Deutsche Bank Trust will vote shares of the Funds for which it is the owner of record but does not have investment discretion, which are not otherwise represented in person or by proxy at the Meeting, in the same proportion as the votes cast by holders of all shares in the Funds otherwise represented at the Meeting. This practice is commonly referred to as mirror or echo voting. Deutsche Bank Trust and its affiliates will vote any shares held in proprietary accounts in accordance with their voting procedures.

Share Ownership. As of March 31, 2009, each Fund knows of no person who owns more than 5% of any of the outstanding shares of a class of the Fund, except as follows:

Fund Name and Class	Shareholder Name and Address	Amount of Shares Owned	Percentage Owned
KTF Preferred	Citigroup Global Markets, Inc. 358 Greenwich Street New York, NY 10013	38,413	72.5%
KSM Preferred	Citigroup Global Markets, Inc. 358 Greenwich Street New York, NY 10013	1,653	59.0%

Collectively, for each Fund, the Board Members and executive officers of the Fund own less than 1% of such Fund's outstanding shares. As of December 31, 2008, the Independent Board Members, Interested Board Member and executive officers did not own any Preferred Shares of KTF or KSM. The number of shares beneficially owned is determined under rules of the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose.

Revocation of Proxies. Proxies, including proxies given by telephone or via the Internet, may be revoked at any time before they are voted either (i) by a written revocation received by the Secretary of the applicable Fund at One Beacon Street, Boston, MA 02108, (ii) by properly submitting a later-dated Proxy Card that is received by the Fund at or prior to the Meeting or (iii) by attending the Meeting and voting in person. Merely attending the Meeting without voting, however, will not revoke a proxy previously given.

Section 16 Beneficial Ownership Reporting Compliance. Section 30(h) of the 1940 Act and Section 16(a) of the Securities Exchange Act of 1934 require each Fund's officers and Board Members, DIMA, affiliated persons of DIMA and persons who own more than ten percent of a registered class of the Fund's equity securities to file forms reporting their affiliation with that Fund and reports of ownership and changes in ownership of that Fund's shares with the SEC. These persons and entities are required by SEC regulation to furnish the Funds with copies of all Section 16(a) forms they file. Based solely upon its review of the copies of such forms received by it, and written representations from certain reporting persons that no year-end reports were required for those persons, each Fund believes that during the fiscal year ended November 30, 2008 (September 30, 2008 for DHG), all filings were timely, except that Philip G. Condon, the portfolio manager, filed a late Form 4 for KTF. In addition, Philip G. Condon, the portfolio manager, and Robert H. Wadsworth, a Board Member, each filed a late Form 4 for KSM.

To the knowledge of the Funds, no shareholder of a Fund owns more than 10% of a Fund's equity securities, except for the following filings on Schedule 13G:

On February 13, 2009 on behalf of Citigroup Inc. and its subsidiaries indicating shared beneficial ownership of 72.5% of the Preferred Shares of DWS Municipal Income Trust.

On December 9, 2008 on behalf of Citigroup Inc. and its subsidiaries indicating shared beneficial ownership of 38.6% of the Preferred Shares of DWS Municipal Income Trust.

On February 13, 2009 on behalf of Citigroup Inc. and its subsidiaries indicating shared beneficial ownership of 59.0% of the Preferred Shares of DWS Strategic Municipal Income Trust.

On December 9, 2008 on behalf of Citigroup Inc. and its subsidiaries indicating shared beneficial ownership of 56.9% of the Preferred Shares of DWS Strategic Municipal Income Trust.

Investment Manager. Deutsche Investment Management Americas Inc., 345 Park Avenue, New York, New York 10154, serves as each Fund's Advisor and manager pursuant to an investment management agreement.

Deutsche Asset Management (DeAM) is the marketing name in the US for the asset management activities of Deutsche Bank AG, DIMA, Deutsche Bank Trust Company Americas and DWS Trust Company. SUBMISSION OF SHAREHOLDER PROPOSALS

Shareholders wishing to submit proposals for inclusion in a proxy statement for a shareholders' meeting to be held in 2010 should send their written proposals to the Secretary of the applicable Fund at the following address: One Beacon Street, Boston, MA 02108.

It is currently anticipated that the next annual meeting of shareholders will be held in May 2010. A shareholder wishing to submit a proposal for inclusion in a Fund's proxy statement for the 2010 annual meeting of shareholders pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 should send such written proposal to the Secretary of the Fund within a reasonable time before the solicitation of proxies for such meeting. A Fund will treat any such proposal received no later than December 18, 2009 as timely. The timely submission of a proposal, however, does not guarantee its inclusion.

Each Fund has established advance notice requirements pursuant to its Amended and Restated By-Laws for the submission of shareholder proposals to be considered by shareholders at an annual meeting, which do not apply to holders of Preferred Shares of KTF and KSM to the extent set forth in the applicable By-Laws. Pursuant to the advance notice provisions of each Fund's Amended and Restated By-Laws for nominations of individuals for election to the Board or other business to be properly brought before an annual meeting by a shareholder pursuant to the advance notice provisions, the shareholder must have given timely notice thereof in writing to the Secretary of the Fund and such other business must otherwise be a proper matter for action by the shareholders. To be timely, a shareholder's notice shall set forth all information required pursuant to

the advance notice requirements and shall be delivered to the Secretary at the principal executive office of the Fund not earlier than November 18, 2009 nor later than 5:00 p.m., Eastern Time, on December 18, 2009. Each Fund's advance notice requirements are set forth as follows: DHG in Exhibit F; KMM and KST in Exhibit G; and KTF and KSM in Exhibit H. The timely submission of a proposal, however, does not guarantee that it will be considered at the applicable annual meeting.

OTHER MATTERS TO COME BEFORE THE MEETING

No Board Member is aware of any matters that will be presented for action at the Meeting other than the matters set forth therein. Should any other matters requiring a vote of shareholders arise, the proxy in the accompanying form will confer upon the person or persons entitled to vote the shares represented by such proxy the discretionary authority to vote the shares as to any such other matters in accordance with their best judgment in the interest of each Fund.

**AUDIT COMMITTEE CHARTER
(EFFECTIVE APRIL 1, 2008)
As revised January 22, 2009**

I. PURPOSE

The Audit Committee is a committee of the Board of Trustees/Directors (the Board) of the DWS Funds. Its primary function is to assist the Board¹ in fulfilling certain of its responsibilities. This Charter sets forth the responsibilities and powers of the Audit Committee. Except to the extent that certain powers of the Board are specifically delegated to the Audit Committee herein, it shall make such recommendations to the Board as it deems appropriate with respect to the matters set forth herein.

The Audit Committee serves as an independent and objective party to monitor the Funds' accounting policies, financial reporting and internal control system, as well as the work of the independent auditors. The Audit Committee assists Board oversight of (1) the integrity of the Funds' financial statements; (2) the Funds' accounting and financial reporting policies and procedures, (3) the Funds' compliance with legal and regulatory requirements related to accounting and financial reporting;² (4) the independent auditors' qualifications and independence; and (5) the performance of the Funds' independent auditors. The Audit Committee also serves to provide an open avenue of communication among the independent auditors, the Adviser's internal audit department, Fund management, and the Board.

Although the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to establish accounting systems, to plan or conduct audits or to determine that the

¹ To the extent the Fund is organized as a Massachusetts business trust, any references to directors or board members shall be deemed to mean trustees.

² The Board has delegated to other committees oversight of various legal and regulatory requirements. The Audit Committee's function is limited to the activities set out in Section IV.

³ If the Fund is listed on the New York Stock Exchange, the Corporate Governance Standards require the Audit Committee's charter to address, as one of the Committee's purposes, that it assist Board oversight of the performance of the company's internal audit function. Since the Fund has no internal audit function, this has not been included as one of the purposes of the Committee, although the Committee does serve to provide an open avenue of communication with the Adviser's internal audit department, and reviews the scope, resources and findings and recommendations of the Adviser's internal audit department as set forth in Section IV.B.2.

Funds' financial statements are complete and accurate and have been prepared in accordance with generally accepted accounting principles. Accordingly, the responsibilities and powers of the Audit Committee shall be limited by recognition of the following general principles:

Fund management has the primary responsibility to establish and maintain systems for accounting, reporting and internal control.

The independent auditors have the primary responsibility to plan and implement a proper audit, including consideration of the Funds' accounting, reporting and internal control practices.

II. COMPOSITION

The Audit Committee shall be composed of three or more board members as determined by the Board, each of whom shall be an independent board member. For purposes of the Audit Committee, a board member is independent if:

he or she is not an interested person of the Fund as that term is defined in the Investment Company Act of 1940; and

he or she does not accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the Fund (except in the capacity as a Board or committee member).

Each member of the Audit Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment (or must become financially literate within a reasonable time after his or her appointment to the Audit Committee). The Audit Committee will review the qualifications of its members and consider whether any of its members qualify as an audit committee financial expert as defined in

⁴ An audit committee financial expert of a company is defined as a person who has all of the following attributes: (1) an understanding of generally accepted accounting principles (GAAP) and financial statements; (2) the ability to assess the general application of GAAP in connection with the accounting for estimates, accruals and reserves; (3) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the company's financial statements, or experience actively supervising one or more persons engaged in such activities; (4) an understanding of internal controls and procedures for financial reporting; and (5) an understanding of audit committee functions. An audit committee financial expert must have acquired such attributes through any one or more of the following: (1) education and experience as a principal financial officer, principal accounting officer, controller, public accountant or auditor or experience in one or more positions that involve the performance of similar functions (or active supervision of such persons); or (2) experience overseeing or assessing the performance of companies or public accountants with respect to the preparation, auditing or evaluation of financial statements; or (3) other relevant experience.

Form N-CSR.⁵ The Audit Committee will submit its recommendations in this regard to the Board for its final determination.

No member of the Audit Committee shall serve on the audit committee of three or more public companies (excluding the Funds), unless the Board determines that such simultaneous service would not impair the ability of the Audit Committee member to serve effectively on the Audit Committee.

III. MEETINGS

The Audit Committee shall meet on a regular basis as it deems necessary or appropriate, and may hold special meetings as circumstances warrant.

As part of its job to foster open communication, the Audit Committee shall meet annually with senior Fund management responsible for accounting and financial reporting, the independent auditors, and representatives of the Adviser's internal audit department in separate executive sessions to discuss any matters that the Audit Committee, or any of such other persons, believes should be discussed privately.

4. Pre-approval by the Audit Committee with respect to engagements of the independent auditors is not required in the following circumstances:
 - (a) The Chair of the Audit Committee (or, in his absence, the Vice Chair of the Audit Committee) may grant the pre-approval referenced in Sections IV.C. 2 and 3 above for non-prohibited services for engagements of less than \$100,000. All such delegated pre-

- (b) Pre-approval of non-audit services for a Fund pursuant to Section IV.C. 2 above is not required, if:
 - (i) the aggregate amount of all non-audit services provided to the Fund is less than 5% of the total fees paid by the Fund to the independent auditors during the fiscal year in which the non-audit services are provided; and
 - (ii) the services were not recognized by Fund management at the time of the engagement as non-audit services; and
 - (iii) such services are promptly brought to the attention of the Audit Committee by Fund management and the Audit Committee approves them (which may be by delegation) prior to the completion of the audit.
 - (c) Pre-approval of non-audit services for the Adviser (or any affiliate of the Adviser providing ongoing services to a Fund) pursuant to Section IV.C.3 above is not required, if:

- (a) the independent auditors internal quality-control procedures;

- (b) any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditors, or by any inquiry or investigations by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditors, and any steps taken to deal with any such issues; and
- (c) all relationships between the independent auditors and the Fund, so as to assess the auditors' independence, including identification of all relationships the independent auditors have with the Fund and all significant relationships the independent auditors have with the Adviser (and any control affiliate of the Adviser) and any material service provider to the Fund (including, but not limited to, disclosures regarding the independent auditors' independence required by Public Company Accounting Oversight Board Rule 3526 and compliance with the applicable independence provisions of Rule 2-01 of Regulation S-X).

In assessing the auditors' independence, the Audit Committee shall take into account the opinions of Fund management and the Adviser's internal audit department. The Committee will present its conclusions with respect to the independent auditors to the Board, and recommend that the Board take appropriate action, if any, in response to the independent auditors' report to satisfy itself of the independent auditors' independence.

6. On an annual basis, review and evaluate the lead audit partner (such review to include consideration of whether, in addition to the regular rotation of the lead audit partner as required by law, in order to assure continuing auditor independence, there should be regular consideration of rotation of the firm serving as independent auditors).

To be timely, a Shareholder Notice shall be delivered to the Secretary at the principal executive office of the Trust not earlier than the 150th day and not later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date on which notice of the prior year's annual meeting was first given to shareholders. However, in the event that the date of the annual meeting set forth in a notice of meeting given by the Secretary or Trustees pursuant to Section 2.3 of these By-laws is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, the Shareholder Notice, to be timely, must be so delivered not earlier than the 120th day prior to the date of such annual meeting and not later than 5:00 p.m., Eastern Time, on the 90th day prior to the date of such annual meeting or, if the first public announcement of the date of such annual meeting is less than 100 days prior to the date of such annual meeting, the tenth day following the day on which public announcement of the date of such meeting is first made by the Trust. With respect to the nomination of an individual for election or reelection as a Trustee pursuant to Section 2.6(b)(1)(iii), the Trust may require the proposed nominee to furnish such

other information as may reasonably be required by the Trust to determine the eligibility of such proposed nominee to serve as an independent Trustee of the Trust or that could be material to a reasonable shareholder's understanding of the independence, or lack thereof, of such nominee. If a nominee fails to provide such written information within five Business Days, the information requested may be deemed by the Board of Trustees not to have been provided in accordance with this Section 2.6.

- (3) Notwithstanding anything in the second sentence of subsection (b)(2) of this Section 2.6 to the contrary, in the event the Board of Trustees increases the number of Trustees and there is no public announcement by the Trust naming all of the nominees for Trustee or specifying the size of the increased Board of Trustees at least 100 days prior to the first anniversary of the preceding year's annual meeting, a Shareholder Notice required by this Section 2.6(b) shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive office of the Trust not later than 5:00 p.m., Eastern Time, on the tenth day following the day on which such public announcement is first made by the Trust.

of meeting given pursuant to Section 2.3 of these By-laws, (ii) by or at the direction of the Board of Trustees or (iii) provided that the Board of Trustees has determined that Trustees shall be elected at such special meeting, by any Shareholder if such Shareholder (A) can demonstrate to the Trust record ownership of shares of beneficial interest in the Trust both as of the time the Shareholder Notice was delivered to the Secretary as provided in Section 2.6(b)(2) of these By-laws and at the time of the special meeting, (B) is entitled to vote the applicable shares at the special meeting and (C) has complied with the procedures set forth in this Section 2.6 as to such nomination. (d) General.

- (1) Upon written request by the Secretary or the Board of Trustees or any committee thereof, any Shareholder proposing a nominee for election as a Trustee or any proposal for other business at a meeting of shareholders shall provide, within five Business Days of delivery of such request (or such other period as may be specified in such request), written verification, satisfactory, in the discretion of the Board of Trustees or any committee thereof or any authorized officer of the Trust, to demonstrate the accuracy of any information submitted by the Shareholder pursuant to this Section 2.6. If a Shareholder fails to provide such written verification within such period, the information as to which written verification was requested may be deemed by the Board of Trustees not to have been provided in accordance with this Section 2.6.  - (4) Notwithstanding the foregoing provisions of this Section 2.6, a Shareholder shall also comply with all applicable law, including, without limitation, requirements of state law and of the 1934 Act and the rules and regulations promulgated thereunder, with respect to the matters set forth in this Section 2.6. Nothing in this Section 2.6 shall be deemed to affect any right of the holders of any series of the Trust's preferred shares of beneficial interest (if any) if and to the extent provided under law, the Declaration of Trust or these By-laws.
- (e) Submission of Questionnaire, Representation and Agreement. To be eligible to be a Shareholder nominee for election as a Trustee of

the Trust, the proposed nominee must deliver (in accordance with the time periods prescribed for delivery of a Shareholder Notice) to the Secretary of the Trust at the principal executive office of the Trust a written questionnaire with respect to the background and qualification of such person (which questionnaire shall be provided by the Secretary of the Trust upon written request) and a written representation and agreement that such person (a) is not and will not become a party to (1) any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any Person as to how such person, if elected as a Trustee of the Trust, will act or vote on any issue or question (a Voting Commitment) that has not been disclosed to the Trust or (2) any Voting Commitment that could limit or interfere with such person's ability to comply, if elected as a Trustee of the Trust, with such person's fiduciary duties under applicable law, (b) is not and will not become a party to any agreement, arrangement or understanding with any Person other than the Trust with respect to any direct or indirect compensation, reimbursement or indemnification in connection with service or action as a Trustee that has not been disclosed therein and (c) in such person's individual capacity, would be in compliance, if elected as a Trustee of the Trust, and will comply with all applicable publicly disclosed trust governance, conflict of interest, confidentiality and share ownership and trading policies and guidelines of the Trust.
