### CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

Certain information contained in this press release constitutes forward-looking statements for purposes of the safe harbor provisions of The Private Securities Litigation Reform Act of 1995. Actual results or events may differ materially from those indicated by such forward-looking statements as a result of risks and uncertainties due to the Company's pending litigation and ongoing internal evaluation and regulatory and law enforcement investigations, each as described in the Company's recent press releases, including the Company's December 12, 2002 and subsequent press releases. Additional risks and uncertainties in connection with a sale transaction include, without limitation, material contingencies provided for in a sale transaction, amendment of the terms of, delay in implementation of or termination of any transaction agreement and the Company's ability to retain key employees during the sale transaction process. In addition, any forward-looking statements represent our estimates only as of today and should not be relied upon as representing our estimates as of any subsequent date.
