**ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.**

On November 13, 2009, Ivanhoe Energy Inc. ("Ivanhoe Energy" or the "Company") announced that Mr. W. Gordon Lancaster, Chief Financial Officer ("CFO"), would retire effective as of November 15, 2009.

Ivanhoe Energy also announced that Mr. Gerald Schiefelbein, age 51, has been appointed to become CFO of Ivanhoe Energy effective as of November 15, 2009. Mr. Schiefelbein brings to Ivanhoe Energy 23 years of finance experience in the international oil and gas industry, having worked in North America, Europe and the Middle East with the BP Group and Amoco. His extensive international experience is an excellent match with the Company's own profile as the Company proceeds with the execution of its international development plans for HTL heavy oil and other oil and gas projects.

From September 2003 until June 2006, Mr. Schiefelbein was the Controller for the Corporate Centre of BP plc. From October 2007 until recently, Mr. Schiefelbein was Chief Financial Officer with Chicago-based BP Integrated Supply & Trading ("BP"), where he led the finance department for BP's crude and oil-products supply and trading operations in the Americas.

The determination was made by the Board of Directors of Ivanhoe Energy (the "Board"), effective November 10, 2009, for Mr. Schiefelbein to serve as CFO, pursuant to an Employment Agreement (the "Employment Agreement"), such employment to begin on November 15, 2009. Mr. Schiefelbein is to receive a base salary of Cdn.\$260,000 per year (the "Base Salary"), and is eligible for annual bonus awards calculated as a percentage of his Base Salary. Such bonus awards are determined by the Board of Directors of the Company (the "Board") in its discretion, on the advice of the President and Chief Executive Officer and the Compensation Committee (the "Compensation Committee"). Mr. Schiefelbein will also receive an initial grant of incentive stock options exercisable to purchase up to 200,000 common shares of Ivanhoe Energy pursuant to the Company's Executives' and Directors' Equity Incentive Plan (the "Plan") at a price per common share determined in accordance with the terms of the Plan. Such options will vest and become exercisable in an amount of 50,000 common shares as of the first anniversary of the Commencement Date (as defined in the Employment Agreement), with a further 50,000 to become exercisable at each of the second, third and fourth anniversaries of the Commencement Date. Subject to earlier termination pursuant to the terms of the Plan, any such options that remain unexercised as of the seventh anniversary of the Commencement Date will expire. In addition, the Board may, in its discretion and on the advice of the Compensation Committee, grant additional incentive stock options to Mr. Schiefelbein.

In the event a Change of Control (as such term is defined in the Employment Agreement) occurs and the Employment Agreement is terminated by Ivanhoe Energy within twelve months of such Change of Control, Mr. Schiefelbein will be entitled to receive a lump sum payment in an amount equal to twelve payments of his monthly Base Salary.

The Company is not aware of any relationships or related transactions between Mr. Schiefelbein and the Company and its respective affiliates required to be disclosed pursuant to the Securities and Exchange Act of 1934, as amended.

The above description of the Employment Agreement is a summary and does not purport to be complete, and is qualified in its entirety by the Employment Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference into this item.

The press release announcing both the appointment of Mr. Schiefelbein and the retirement of Mr. Lancaster is attached hereto as Exhibit 99.1 and is incorporated herein by reference into this item.
