Director Compensation

We pay each nonemployee Director a \$10,000 annual retainer, and reimburse their expenses in connection with their activities as directors. In addition, nonemployee directors are eligible to receive stock options under the Directors Stock Option Plan.

The Directors Stock Option Plan currently provides for an automatic grant of an option to purchase 500 shares of our common stock upon a person's election as Director and an automatic grant of options to purchase 1,000 shares of our common stock upon re-election to the Board, in both instances at an exercise price equal to the fair market value of the common stock on the date of the option grant.

Employment and Severance Agreements

Effective February 1, 1999, we entered into a 3-year employment agreement with Ilia Lekach pursuant to which he received an annual salary of \$400,000, subject to cost-of-living increases, or 5% if higher. The employment agreement provided that Mr. Lekach would continue to receive his annual salary until the expiration of the term of the agreement if his employment was terminated by us for any reason other than death, disability or cause (as defined in the employment agreement). The agreement contained a performance bonus plan which provided for additional compensation and grant of stock options, if we met certain net income levels. The employment agreement prohibited the employee from directly or indirectly competing with us during the term of his employment and for one year after termination of employment except in the case of our termination of employment without cause. Effective February 1, 2002, we entered into a new 3-year employment agreement with Ilia Lekach on substantially the same terms as the February 1, 1999 agreement. Pursuant to the terms of this agreement, Mr. Lekach received a signing bonus of \$250,000 and was granted 125,000 options to purchase the Company's stock at an exercise price of \$4.00 per share (the closing market price of our common stock on January 31, 2002). The options will vest one-third after each twelve month period from February 1, 2002.

Effective December 1999, we entered into 3-year employment agreements with Marc Finer and Donovan Chin pursuant to which they receive an annual salary of \$215,000 and \$160,000, respectively, subject to specified increases. The employment agreements provide that Mr. Finer and Mr. Chin will continue to receive their salary until the expiration of the term of the employment agreements if their employment is terminated by us for any reason other than death, disability or cause (as defined in the employment agreements), as well as provisions for change in control. Mr. Finer's employment with the Company was terminated in June 2000 and in accordance with his employment agreement, he will continue to receive his salary until November 2002.

Effective January 2000 and March 2000, we entered into 3-year employment agreements with A. Mark Young and Jeffrey Geller pursuant to which they receive annual salaries of \$120,000 and \$155,000, respectively, subject to specified increases. Mr. Young's contract was amended during fiscal year 2001 to increase his salary to \$165,000. The employment agreements provide that Mr. Young and Mr. Geller will continue to receive their salary until the expiration of the term of the employment agreements if their employment is terminated by us for any reason other than death, disability or cause (as defined in the employment agreements), as well as provisions for change in control.
