PROXY STATEMENT

General

Our Board of Directors is soliciting the enclosed proxy in connection with our 2006 Annual Meeting of Stockholders to be held on February 23, 2006, as well as in connection with any adjournments of that meeting. Our post office address is Sanderson Farms, Inc., P. O. Box 988, Laurel, Mississippi 39441.

Even if you submit a proxy, you may still attend the annual meeting in person, and you may revoke your proxy by voting in person at the meeting. You may also revoke your proxy before it is voted at the meeting in any of the following ways:

by filing with our Corporate Secretary a written notice of revocation;

by submitting to our Corporate Secretary a properly completed and signed proxy dated a later date;
or

by re-voting by Internet or by telephone before 11:59 PM on February 22, 2006 using the instructions contained in the enclosed materials, if telephone or Internet voting is available to you.

Unless you revoke your proxy, it will be voted at the meeting according to your instructions, as long as you have properly completed and submitted it to us. If you properly complete and submit a proxy but you do not specify how your proxy should be voted, then the proxy will be voted FOR each of the proposals listed in the Notice of Annual Meeting of Stockholders that appears on the preceding page.

Our Chief Financial Officer will vote all proxies in his discretion on all other matters which may properly come before the meeting. As of the date of this Proxy Statement, we have not received notice and we are not aware of any business to be transacted at the meeting other than the matters that are listed in the notice and are described in this Proxy Statement.

If you hold shares of our common stock in your broker's name (sometimes called street name or nominee name), then you must provide voting instructions to your broker. If you do not provide instructions to your broker, your shares will not be voted on any matter on which your broker does not have discretionary authority to vote for you. A vote that is not cast for this reason is called a broker non-vote. We will treat broker non-votes as shares present for the purpose of determining whether a quorum is present at the meeting, but we will not consider them present for purposes of calculating the vote on a particular matter, nor will we count them as a vote FOR or AGAINST a matter or as an ABSTENTION on the matter.

We are paying the cost of soliciting the proxies.

Our 2005 Annual Report accompanies this Proxy Statement, but is not to be considered a part of the proxy solicitation materials. The record date for the Annual Meeting is January 9, 2006. These materials are being mailed to stockholders on or about January 20, 2006.

ELECTION OF DIRECTORS

Our amended Articles of Incorporation provide that our Board of Directors shall be divided into three classes (Class A, Class B and Class C), with each class containing one-third, or as close to one-third as possible, of the total number of directors, and that the total number of directors shall be fixed by the Board of Directors in the By-laws. The Board of Directors has fixed the number of directors at fifteen, resulting in there being five director positions in each class. Four board positions are currently vacant. The board has elected to keep these positions open in case it identifies suitable director candidates and desires to appoint them to the board prior to the next scheduled annual meeting of shareholders. At each annual meeting of stockholders, directors constituting one class are elected for a three-year term. At the 2006 Annual Meeting, stockholders will elect four Class B Directors, whose terms will expire at the 2009 Annual Meeting.

The address of each director is Post Office Box 988, Laurel, Mississippi 39441.

Table of Contents**Nominees for Class B Directors**

The Board of Directors proposes for election as Class B Directors the four nominees listed below, each to serve as a Class B Director until the 2009 annual meeting or until his successor is elected and has qualified. Any vacancy on the Board of Directors may be filled either by the Board of Directors or by the stockholders, and the term of any director elected to fill a vacancy will expire at the next stockholders meeting at which directors are elected.

Proxies in the enclosed form may be voted for the election as Class B Directors only of the nominees named below or of substitute nominees who may be named by the Board of Directors to replace any of the nominees who become unavailable to serve for any reason. No such unavailability is presently known to the Board of Directors. There are no arrangements or understandings relating to any person's service or prospective service as a Class B Director of the Company. No person listed below will be elected as a Class B Director unless such person receives the affirmative vote of the holders of a majority of the shares entitled to vote and represented (whether in person or by proxy) at the Annual Meeting at which a quorum is present. If more persons than the number of directors to be elected receive a majority vote, then those persons receiving the highest number of votes will be elected. The Proxyholder named in the accompanying proxy card will vote FOR the nominees listed below (or substitutes as stated above) unless otherwise directed in the proxy. Abstentions by holders of shares entitled to vote and represented at the meeting will be counted as shares present but not voting for the purposes of calculating the vote with respect to the election of Class B Directors. Broker non-votes will be treated as not present for purposes of calculating the vote with respect to the election of the Class B Directors, and will not be counted either as a vote FOR or AGAINST or as an ABSTENTION with respect thereto.

prominence and a highly respected reputation in his or her profession;

a global business and social perspective;

a proven record of honest and ethical conduct, personal integrity and good judgment;

Nothing in the committee's policy is intended to preclude a stockholder from nominating persons for election as directors from the floor at any annual or special meeting of stockholders called for that purpose by following the advance notification procedures set forth in Article III, Section 9 of the Company's bylaws. These procedures are described under STOCKHOLDER PROPOSALS, Procedure in this Proxy Statement.

The Board of Directors has proposed John Bierbusse for election as a Class B director. Mr. Bierbusse was recommended to the Nominating and Governance Committee by management, including the CEO, CFO and COO. Following management's recommendation to the Nominating and Governance Committee, Mr. Livingston, as chairperson of the committee, interviewed Mr. Bierbusse on the telephone and in person. Following these interviews, Mr. Livingston called a Nominating and Governance Committee meeting to discuss Mr. Bierbusse's potential nomination as a director. The committee unanimously voted to recommend Mr. Bierbusse as a candidate for Class B director, which recommendation was accepted by the full Board of Directors.

Audit Committee Report

To the extent provided by Item 7(d)(3)(v) of Regulation 14a-101 of the Securities and Exchange Commission (SEC), this section shall not be deemed to be proxy soliciting material or to be filed with the SEC or subject to its proxy regulations or to the liabilities of Section 18 of the Exchange Act.

The function of the Audit Committee is, among other things, to appoint or replace the independent auditors, to review the scope of the independent auditors' audit, to review the Company's major accounting and financial reporting policies and practices and systems for compliance with applicable statutes and regulations, and to review the Company's internal auditing functions. The members of the Audit Committee are Directors Ritter (Chairperson), Baker, Livingston, Pittman and Zacharias. The Audit Committee met eight times during fiscal 2005 with all members present at each meeting.

The Audit Committee has reviewed and discussed the audited financial statements with management, and the Audit Committee has discussed with the independent auditors the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards). SAS 61 requires the independent auditor to provide the Audit Committee with information regarding the scope and results of an audit that may assist the Audit Committee in overseeing management's financial reporting and disclosure process. The Audit Committee has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with the independent accountants the independent accountants' independence. Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended October 31, 2005 be included in the Company's Annual Report on Form 10-K for such fiscal year for filing with the SEC.

Table of Contents**Directors Fees**

During fiscal 2005, directors who were not also officers or employees of the Company received a fee of \$6,000 per Board of Directors meeting attended, \$1,000 per telephone board or board committee meeting attended, plus an annual stipend of \$20,000. Committee members also received a fee of \$6,000 per committee meeting attended in person, if those committee meetings were not held in connection with a meeting of the full Board of Directors. Board members who are also a chairperson of a Board committee receive an additional fee of \$1,000 for each Board of Directors meeting attended.

Following approval by the shareholders of the Sanderson Farms, Inc. and Affiliates of the Stock Incentive Plan on February 17, 2005, the Nominating and Governance Committee recommended, and the Board of Directors approved a program to award share purchase rights under the Stock Incentive Plan, and that directors participate in that program. Share purchase rights allow non-employee directors to forego a portion of their meeting fees and annual stipend (and allow directors who are also officers and employees of the Company to forego a portion of their annual compensation and bonus award payments), and to have such amounts applied to acquire common stock of the Company for their individual accounts. The board also authorized a 25% Company matching contribution under the share purchase plan. The Board of Directors approved a three-year vesting schedule for all shares acquired under the share purchase plan, with exceptions in the case of the holder's death or disability or a change of control of the Company, and for retirement of holders who are employees. All restricted stock issued by the Company, whether under the stock purchase plan or otherwise, carries with it the right to receive dividends.

As of the date of this proxy statement, seven of eight non-employee directors have elected to participate in the share purchase plan. The following table sets forth for the fiscal year ended October 31, 2005 the number of shares purchased with each director's deferral, the number of shares matched by the Company, the aggregate market value of the shares issued as of the dates of issuance and the value of the shares as of October 31, 2005.

Following the shareholders' approval of the Stock Incentive Plan, the Board of Directors accepted the recommendation of the Nominating and Governance Committee to award restricted stock under the Stock Incentive Plan to non-employee directors on March 3, 2005. The Board of Directors awarded 3,000 shares of restricted stock to each of the non-employee directors, which grant of restricted stock does not vest until the third anniversary of the grant date, so long as the recipient has continued to serve as a director on the Company's board continuously from the grant date to such date. As of the date of grant, the value of the 3,000 restricted shares issued to each director was \$134,190 and the value at October 31, 2005 was \$103,530. The Nominating and Governance Committee has also recommended that, upon reelection to the board of any incumbent director or election of a new director, such new director will receive an additional grant of 3,000 shares of restricted stock, which grant will vest when the three-year term of such newly elected board member terminates. In order to vest in such grant of restricted stock, the newly

elected board member will be required to serve out his or her term. The Board of Directors expects to grant such awards.

Table of Contents**Report on Executive Compensation; Compensation Committee Interlocks; and Insider Participation**

The Board established a standing Compensation Committee in January 2004. The Compensation Committee's charter was adopted in February 2004 and is posted on the Company's website at www.sandersonfarms.com. Under it, the committee sets the compensation for the chief executive officer (CEO) and recommends to the full board the compensation for the Company's other executive officers, who are its President and Chief Operating Officer (COO), its Treasurer and Chief Financial Officer (CFO), and its Corporate Secretary. The Compensation Committee set the CEO's fiscal 2005 compensation at its meetings held in October 2004. In determining the total compensation package for the executive officers, the committee considered the recommendations of an outside consultant specializing in the study of such matters.

Generally, because of the cyclical nature of the Company's business, executive officer compensation, including the compensation of the CEO, is not directly related to factors such as profitability, sales growth, return on equity or market share. In especially profitable years and/or years during which the company performs extremely well when compared to its competition, the Company may award bonuses, as described below.

The components of the annual compensation paid in 2005 to the CEO, CFO, COO and Secretary are as follows: (i) base salary; (ii) a bonus calculated pursuant to the provisions of the Company's Bonus Award Program; (iii) restricted share awards made under the Company's Stock Incentive Plan; (iv) matching contributions made under the Company's 401(k) plan and its share purchase plan and (v) allocation of contributions made by the Company to the respective accounts of the CEO, CFO, COO and Secretary under the ESOP.

Base salaries for executive officers of the Company are originally fixed using a comparison of similarly situated officers of other poultry companies. However, the Company does not target the base salaries of its executive officers at any particular point in the range established by that comparison. Also taken into account are benefits, years of service, responsibilities, Company growth, future plans and the Company's current ability to pay. Periodic increases in base salary are based on evaluations of the executive officers' past and current performance, as well as current market conditions and the Company's ability to pay. In addition, in accordance with the Company's Wage and Salary Administration manual in effect since 1979, the base salary of each salaried employee of the Company, including the executive officers, is increased on January 1 of each year to reflect cost of living increases, provided that the Company is in a financial position to make an increase. In January 2003, the base salary of all salaried employees of the Company, including the executive officers, was increased for the cost of living adjustment by 1.0%. The cost of living increase for 2004, which took effect January 1, 2004, was 1.5%. The cost of living increase for 2005, which took effect on January 1, 2005, was 2.0%. The cost of living increase for 2006, which took effect on January 1, 2006, was 2.5%. The CEO's salary was not adjusted for the 2006 cost of living increase.

The following table shows the base salaries of the executive officers for fiscal 2006:

Executive Officer	Base Salary
Joe F. Sanderson, Jr., CEO	\$899,187
Lampkin Butts, COO	\$458,400
D. Michael Cockrell, CFO	\$392,904
James A. Grimes, Secretary	\$187,512

The executive officers of the Company are participants in the Company's Stock Option Plan and have received awards of stock options from time to time since the plan was adopted by the full Board of Directors and approved by the shareholders in 1993. The Board of Directors also approved the award of phantom stock to certain of the Company's executive officers and key employees on April 21, 2000, pursuant to Phantom Stock Agreements of the same date which comprise the Company's Phantom Stock Plan. The Phantom Stock Plan was approved by the stockholders on February 28, 2002. The timing and amount of awards under the Stock Option Plan and pursuant to the Phantom Stock Plan were determined by the full Board of Directors of the Company, and were based on factors such as years of service, responsibilities, individual performance and long-term incentives awarded to similarly situated officers and executives of other poultry companies. At their meeting held February 17, 2005, the shareholders of the Company approved the Sanderson Farms, Inc. and Affiliates Stock Incentive Plan, which provides that no additional awards may be made under the Stock Option Plan, although outstanding awards under the Stock Option Plan remain

in effect.

Table of Contents

The CEO, CFO, COO and Secretary are participants in the Company's Bonus Award Program, which covers all salaried employees of the Company. The amounts payable to all salaried employees, including the executive officers, are based on the Company's financial performance and its operating performance relative to other companies in the industry. The bonus for the CEO, CFO, COO and Secretary is calculated by multiplying such person's average monthly salary by 12 and multiplying that product by a percentage ranging from 25% to 100% for the CEO, CFO and COO, and from 17.5% to 50% for the Secretary, depending on the performance of the Company. Bonuses were paid in January 2003 for fiscal 2002, and were paid in January 2004 for fiscal 2003. Bonuses for fiscal 2004 were paid in fiscal 2005, and were paid in fiscal 2006 for fiscal 2005.

For income tax purposes, the Company may not deduct the portion of compensation that is in excess of \$1 million paid in a taxable year to any one of certain employees, generally its CEO, CFO, COO and Secretary, unless that compensation qualifies as performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended. Certain compensation that may be used by the Company, such as the Bonus Award Program and certain awards that the Company would have discretion to issue under the Stock Incentive Plan does not qualify as performance-based compensation. While the Compensation Committee generally strives to structure employee compensation in order to preserve maximum deductibility, the Compensation Committee may from time to time make non-performance based awards that would vest and result in the recognition of income to an employee in a taxable year such that the \$1 million limit would be exceeded, resulting in a loss of deductibility. The Company does not anticipate, however, that compensation for any employee under the Company's current plans or compensation program, or under the Stock Incentive Plan, would result in a material loss of tax deductions.

In addition, all executive officers participate in the Company's Employee Stock Ownership Plan, which covers all employees of the Company. Allocations to the executive officers under this plan are made on the same basis as allocations to all other participants. On October 31, 2005, the Company made a contribution to the ESOP in the amount of \$5.5 million for fiscal 2005, which contribution was allocated to the accounts of participants during fiscal 2006. On October 31, 2004, the Company made a contribution to the ESOP in the amount of \$7.0 million, which contribution was allocated to the participants' accounts during fiscal 2005. On October 31, 2003, the Board of Directors authorized a contribution to the ESOP in the amount of \$4.0 million, which contribution was allocated to the participant's accounts during fiscal 2004.

The stockholders approved a Stock Incentive Plan at the 2005 Annual Shareholders' Meeting and the Board of Directors thereafter adopted the Plan. The Board of Directors subsequently awarded restricted stock under the Stock Incentive Plan to executive officers and adopted under the Stock Incentive Plan a program to award share purchase rights (as described under Directors' Fees above) in which executive officers and other key employees are permitted to participate. The share purchase plan allows executive officers and other key employees to forego a portion of their annual cash compensation and/or bonuses earned under the Company's Bonus Award Program, and to have those amounts applied to purchase common stock of the Company for their individual accounts. The Compensation Committee also recommended to the Board that the Company match 25% of the portion of each such employee's compensation used to purchase common stock under the share purchase plan, to purchase additional Company common stock for his or her account. A three-year vesting period applies to all shares of common stock acquired under the share purchase plan, with exceptions in the case of the holder's death, disability, or retirement or a change of control of the Company. During fiscal 2005, the COO was the only executive officer who elected to participate in the share purchase plan. Mr. Butts contributed \$42,840 into the plan during fiscal 2005, with which 909 shares of common stock were purchased. The Company contributed 226 shares as the match of such purchases.

The Board of Directors also, pursuant to recommendations made by the Compensation Committee, approved a grant of restricted stock during fiscal 2005. On March 3, 2005, the Board of Directors awarded restricted stock in the amount of 100,000 shares for the CEO, 20,000 shares each for both the CFO and COO, and 10,000 shares for the Secretary. This grant of restricted stock does not vest unless the recipient remains in the employ of the Company for ten years after the award, with exceptions that apply to death, permanent disability and retirement of the recipient, and a change of control in the Company. In addition, on November 28, 2005, the Board of Directors awarded 3,250 shares of restricted stock each to both the CFO and COO, and 1,400 shares to the Secretary. This grant of restricted stock does not vest unless the recipient remains in the employ of the Company for four years after the award, with

exceptions that apply to death, permanent disability and retirement of the recipient, and a change of control in the Company. The CEO received no additional grant of restricted stock in November, and has indicated to the Compensation Committee and to the Board of Directors that he does not intend to accept any additional grants of stock under the Stock Incentive Plan at this time.

Table of Contents

In November 2005, the Company also awarded 9,750 performance shares to both the CFO and COO, and 2,600 performance shares to the Secretary. Under the Performance Share Agreements associated with this grant, the shares will vest only if the Company meets certain performance targets over the three years following the grant as set forth in the Performance Share Agreements.

The members of the Compensation Committee are listed at the end of this section. Each of them is independent within the meaning of applicable Nasdaq rules and they constitute all of the independent directors. During fiscal 2005, and at the present time, none of the Company's executive officers served on the board of directors of any entity whose directors or officers serve on the Company's Compensation Committee. No current or past executive officers of the Company or its subsidiaries serve on the Compensation Committee.
