April 14, 2006

**PROXY STATEMENT**  
**2006 ANNUAL MEETING OF SHAREHOLDERS OF MASTEC, INC.**  
**QUESTIONS AND ANSWERS ABOUT OUR ANNUAL MEETING**

**Why did I receive this proxy?**

The Board of Directors of MasTec, Inc. is furnishing this Proxy Statement to solicit proxies on its behalf to be voted at the 2006 Annual Meeting of Shareholders of MasTec to be held at Douglas Entrance Annex Building, 3rd Floor Archroom, 800 S. Douglas Road, Coral Gables, Florida 33134, on Thursday, May 18, 2006, at 9:30 a.m. local time. This Proxy Statement summarizes the information you need to know to vote by proxy or in person at the Annual Meeting. You do not need to attend the Annual Meeting in person in order to vote.

**When was this proxy statement mailed?**

This Proxy Statement, the enclosed proxy card and the Form 10-K containing the financial statements for the year ended December 31, 2005 are first being mailed or transmitted electronically on or about April 14, 2006 to shareholders of record at the close of business on April 5, 2006.

**Who is entitled to vote?**

Only holders of record of shares of our common stock at the close of business on April 5, 2006, the record date, are entitled to notice of and to vote at the Annual Meeting or any adjournment or postponement of the meeting. On the record date, 64,563,868 shares of common stock were outstanding and eligible to be voted at the Annual Meeting and there 2,045 record shareholders.

**What is the quorum for the meeting?**

The presence, in person or by proxy, of a majority of the shares of common stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. No business may be conducted at the Annual Meeting if a quorum is not present. If less than a majority of outstanding shares entitled to vote are represented at the Annual Meeting, a majority of the shares so represented may adjourn the Annual Meeting to another date, time or place. Notice need not be given of the new date, time or place if announced at the meeting before an adjournment is taken.

**How many votes do I have?**

The securities that can be voted at the Annual Meeting are our common stock, with each share entitling its owner to one vote on all matters brought before the Annual Meeting.

**How do I vote?**

If you are not present in person at the Annual Meeting, your shares can be voted only if represented by proxy or if you vote telephonically or online. The shares represented by your proxy will be voted in accordance with your instructions only if you properly complete, sign and return the accompanying proxy card to our Secretary prior to the Annual Meeting or vote your ballot telephonically or online.

Shareholders are eligible to vote electronically through the Internet or by telephone. Please go to [www.mastec.com](http://www.mastec.com) under Investor Relations or follow the instructions accompanying your proxy card for more information on voting by telephone or online and registering to receive future proxy and other materials online.

Shareholders not wishing to vote telephonically or electronically through the Internet or whose proxy card does not reference telephone or online voting information should complete and return the enclosed paper proxy card. Signing and returning the proxy card or submitting the proxy via telephone or online does not affect the right to vote in person at the Annual Meeting. For voting your shares held by a broker and/or held in a 401(K) Retirement Plan, see below.

**How do I vote my shares that are held by my broker?**

If you hold shares of our common stock in street name and wish to vote in person at the meeting, you must present a recent proxy validating your ownership of the shares of common stock you intend to vote from your bank, broker or other nominee that holds as of the record date your shares of common stock. You will also need proof of identity for entrance to the meeting.

**How do I vote my shares that are held in my 401(K) Retirement Plan?**

Separate proxy cards are being transmitted to all persons who have shares of our common stock allocated to their accounts as participants or beneficiaries under the MasTec, Inc. 401(k) Retirement Plan (the "401(k) Plan"). These proxy cards appoint Investors Bank & Trust, which acts as Trustee for the 401(k) Plan, to vote the shares held for the accounts of the participants or their beneficiaries in the 401(k) Plan in accordance with the instructions noted thereon. In the event no proxy card is received from a participant or beneficiary or a proxy card is received without instructions, or in the event shares are not yet allocated to any participant's account, the Trustee will vote the shares of stock of the participant and any unallocated shares FOR the four nominees for director. The Trustee does not know of any other business to be brought before the Annual Meeting but it is intended that, if any other matters properly come before the Annual Meeting, the Trustee as proxy will vote upon such matters according to its judgment.

Any 401(k) Plan participant or beneficiary who executes and delivers a proxy card may revoke it at any time prior to its use by executing and delivering a duly executed proxy card bearing a later date or by giving written notice to ADP Investor Communication Services, Plan Tabular, at the following address: ADP Investor Communication Services, Attention: Tabulation Department, 51 Mercedes Way, Edgewood, NY 11717. Under the terms of the 401(k) Plan, the Trustee is required to vote the shares held for the accounts of the participants or their beneficiaries in the 401(k) Plan in accordance with the instructions noted thereon, and only the Trustee of the 401(k) Plan can vote the shares allocated to the accounts of participants, even if such participants or their beneficiaries attend the Annual Meeting in person.

**What am I voting on?**

At the Annual Meeting, our shareholders will be asked to vote on the following proposals:

The election of one director to serve as a Class I Director until the 2008 Annual Meeting of Shareholders and the election of three directors to serve as Class II Directors until the 2009 Annual Meeting of Shareholders; and

Such other business as may properly be brought before the Annual Meeting, and at any adjournments or postponements of the Annual Meeting.

**What vote is required to elect directors at the Annual Meeting?**

If a quorum is present, directors will be elected pursuant to the affirmative vote of a plurality of the shares of common stock voting in person or represented by proxy at the Annual Meeting, which means that the four nominees who receive the most affirmative votes will be elected to the Board of Directors. In voting to elect nominees to the Board of Directors, shareholders may vote in favor of all the nominees or any individual nominee or withhold their votes as to all the nominees or any individual nominee.

As of April 5, 2006 (the record date for the Annual Meeting), our directors and executive officers beneficially owned or controlled approximately 24,341,387 shares of our common stock (3,353,433 of which are shares beneficially owned through options exercisable within 60 days), constituting approximately 35.84% of the outstanding common stock. We believe that these holders will vote their shares of common stock in favor of the nominees for directors. Therefore, the presence of a quorum and the election of the director nominees are reasonably assured.

**How are abstentions and broker non-votes treated?**

Pursuant to Florida law, abstentions and broker non-votes are counted as present for purposes of determining the presence of a quorum. For purposes of the election of directors, abstentions will not be counted as votes cast and will have no effect on the result of the vote. Under the rules of the New York Stock Exchange, brokerage firms may have the authority to vote their customers' shares on certain routine matters for which they do not receive voting instructions, including the uncontested election of directors. Therefore, brokerage firms may vote such shares to approve the election of the director nominees.

**Will there be any other items of business on the agenda?**

The Board of Directors does not know of any other matters that may be brought before the Annual Meeting nor does it foresee or have reason to believe that proxy holders will have to vote for substitute or alternate nominees for election to the Board of Directors. In the event that any other matter should come before the Annual Meeting or any nominee is not available for election, the persons named in the enclosed proxy will have discretionary authority to vote all proxies not marked to the contrary with respect to such matters in accordance with recommendation of the Board of Directors.

**What happens if I return my proxy card without voting?**

When the proxy is properly executed and returned, the shares it represents will be voted at the Annual Meeting in accordance with your directions. If the signed card is returned with no direction, **the proxy will be voted to elect the director nominees listed in Proposal No. 1 - Election of Directors** and in accordance with the recommendation of the Board of Directors on all other matters that may properly come before the Annual Meeting.

**Can I change my vote after I have voted?**

A proxy given pursuant to this solicitation may be revoked at any time prior to its exercise by:  
written notice delivered to our Corporate Secretary at MasTec, Inc., 800 S. Douglas Road, 12<sup>th</sup> Floor, Coral Gables, Florida 33134,

executing and delivering to our Corporate Secretary a proxy with a later date,

attending the Annual Meeting and voting in person, or

submitting a telephonic or electronic vote with a later date.

With respect to telephonic or electronic votes, the last vote transmitted will be the vote counted. Attendance at the Annual Meeting will not, in itself, constitute revocation of a proxy.

**Will anyone contact me regarding this vote?**

No arrangements or contracts have been made with any solicitors as of the date of this Proxy Statement, although we reserve the right to engage solicitors if we deem them necessary. Such solicitations may be made by mail, telephone, facsimile, e-mail or personal interviews. In addition, we reserve the right to solicit proxies through our directors, officers and employees in person and by telephone or facsimile.

Brokerage firms, nominees, custodians and fiduciaries also may be requested to forward proxy materials to the beneficial owners of shares held as of the record date by them.

**Who has paid for this proxy solicitation?**

All expenses incurred in connection with the solicitation of proxies, including the printing and mailing of this Proxy Statement, will be borne by MasTec.

**How do I obtain a list of MasTec's shareholders?**

A list of MasTec's shareholders as of April 5, 2006, the record date for the Annual Meeting, will be available for inspection at our corporate headquarters located at 800 S. Douglas Road, 12<sup>th</sup> Floor, Coral Gables, Florida, 33134 during normal business hours during the 10-day period prior to the Annual Meeting.

**How do I submit a proposal for the 2007 Annual Meeting?**

Under our bylaws, MasTec must receive any proposal of an eligible shareholder intended to be presented at the 2007 Annual Meeting of Shareholders of MasTec, including any nomination proposal, on or before January 18, 2007, for the proposal to be eligible for inclusion in our Proxy Statement and Proxy related to that meeting. Any notice regarding a shareholder proposal must include the information specified in Article I, Section 9 of our bylaws. If a shareholder fails to comply with Article I, Section 9 of our bylaws or notifies MasTec after January 18, 2007 of an intent to present a proposal at MasTec's 2007 Annual Meeting of Shareholders, the proposal will not be considered. A copy of our bylaw requirements will be provided upon written request to: MasTec Legal Department, 800 S. Douglas Road, 12<sup>th</sup> Floor, Coral Gables, Florida, 33134.

**Since more than one shareholder lives at this address, why did we only receive one set of proxy materials?**

Unless contrary instructions are received, MasTec may send a single copy of the Annual Report, Proxy Statement and Notice of Annual Meeting to any household at which two or more shareholders reside if MasTec believes the shareholders are members of the same family. Each shareholder in the household will continue to receive a separate proxy card. This process is known as "householding" and helps reduce the volume of duplicate information received at a single household, which reduces costs and expenses borne by MasTec.

If you would like to receive a separate set of MasTec's annual disclosure documents this year or in future years, follow the instructions described below. Similarly, if you share an address with another shareholder and the two of you would like to receive only a single set of our annual disclosure documents, follow the instructions below:

1. If your shares are registered in your own name, please contact our transfer agent, American Stock Transfer & Trust Company, and inform them of your request by calling them at 1(800) 937-5449 or by writing to them at American Stock Transfer & Trust Company, 59 Maiden Lane, Plaza Level, New York, New York, 10038.
2. If a bank, broker or other nominee holds your shares, please contact your bank, broker or other nominee directly.

**PROPOSAL NO. 1**

**ELECTION OF DIRECTORS**

The Board of Directors has nominated Ernst N. Csiszar to stand for election as a Class I director at the Annual Meeting, to hold office until the 2008 Annual Meeting and until his successor is elected and qualified and each of Carlos M. de Cespedes, Austin J. Shanfelter and John Van Heuvelen to stand for election as Class II directors at the Annual Meeting, to hold office until the 2009 Annual Meeting and until

their respective successors are elected and qualified. All of the director nominees are incumbent directors except for Mr. Csiszar who was selected by the Board of Directors on October 10, 2005 to fill a newly created board seat on MasTec's Board of Directors for a term ending on the date of the Annual Meeting. The Board of Directors currently is composed of ten directors elected in three classes, with four Class I, three Class II, and three Class III directors. Directors in each class hold office for three-year terms, except for Mr. Csiszar, who if elected at the Annual Meeting, will only hold office for a two-year term. The terms of the classes are staggered so that the term of only one class terminates each year. The terms of the current Class II directors expire at the Annual Meeting. If elected, the nominees for Class II directors will serve until the 2009 Annual Meeting of Shareholders. The terms of the Class III directors expire at the 2007 Annual Meeting of Shareholders and the terms of the Class I directors expire at the 2008 Annual Meeting of Shareholders.

Additional background information regarding the nominees for election is provided below. MasTec has no reason to believe that any of these nominees will refuse or be unable to serve as a director if elected; however, if any of the nominees is unable to serve, each proxy that does not direct otherwise will be voted for a substitute nominee designated by the Board of Directors.

**The Board of Directors recommends that you vote FOR each of the nominees named above. Unless otherwise indicated, the accompanying form of proxy will be voted FOR the election of each of the nominees for election as a Class I or Class II director named above.**

## **OTHER INFORMATION REGARDING THE BOARD OF DIRECTORS**

### ***Board and Committee Meetings***

The Board of Directors conducts its business through meetings of the full Board and through committees of the Board, including the Executive Committee, the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and the Independent Committee. The Board and its committees also act by written consent. During 2005, the Board of Directors met on five occasions. During 2005, each of the current directors attended at least 90% of the Board meetings and the meetings of each committee on which such director serves. The Executive Committee is composed of Jorge Mas, who serves as Chairman, Julia L. Johnson, Austin J. Shanfelter and John Van Heuvelen. The principal function of the Executive Committee is to act for the Board of Directors when action is required between full Board meetings. During 2005, the Executive Committee met on two occasions. The Audit Committee is composed of John Van Heuvelen, who is currently serving as its Chairman, Ernst N. Csiszar and Frank E. Jaumot. Julia L. Johnson served on the Audit Committee until November 21, 2005. The Board of Directors, in the exercise of its reasonable business judgment, has determined that (i) John Van Heuvelen and Frank E. Jaumot qualify as audit committee financial expert(s), (ii) each member of the Audit Committee is financially literate, and (iii) each member of the Audit Committee is independent, under applicable New York Stock Exchange and SEC rules and regulations. The Audit Committee assists the Board of Directors in overseeing MasTec's financial reporting and legal and regulatory compliance program. The Audit Committee also is required to approve all audit and non-audit services provided by our independent registered public accounting firm, including the scope of and fees paid to our independent registered public accounting firm. MasTec's Board of Directors has adopted a charter that sets forth the responsibilities of the Audit Committee. A copy of the Audit Committee Charter, which was amended as of March 2006, is attached hereto as Appendix A to this proxy statement. During 2005, the Audit Committee met on eighteen occasions. Please refer to the section entitled "Audit Committee and Audit Related Information" for further information regarding the Audit Committee.

The Compensation Committee is composed of Jose S. Sorzano, who currently serves as Chairman, Carlos M. de Cespedes, Robert J. Dwyer and John Van Heuvelen, all of whom the Board of Directors, in the exercise of its reasonable business judgment, has determined to be independent, under applicable New York Stock Exchange and SEC rules and regulations. The Compensation Committee is charged with discharging the Board of Directors' responsibilities relating to compensation and evaluation of MasTec's executive officers, including establishing compensation policies and philosophies for MasTec and its executive officers and reviewing and approving corporate goals and objectives relevant to MasTec's Chief Executive Officer's compensation, as well as overseeing MasTec's incentive compensation plans and equity-based plans that are subject to Board approval. MasTec's Board of Directors has adopted a charter that sets forth the responsibilities of the Compensation Committee. During 2005, the Compensation Committee met on six occasions. Please refer to the section entitled "Compensation Committee Report on Executive Compensation" for further information regarding the Compensation Committee.

The Nominating and Corporate Governance Committee is composed of Julia L. Johnson, who serves as Chairman, Ernst N. Csiszar, Carlos M. de Cespedes, and Jose S. Sorzano, all of whom the Board of Directors, in the exercise of its reasonable business judgment, has determined to be independent, under applicable New York Stock Exchange and SEC rules and regulations. The Nominating and Corporate Governance Committee is responsible for developing qualifications for members of the Board of Directors, recommending to the Board of Directors candidates for election to the Board of Directors and evaluating the effectiveness and performance of the Board of Directors. The Nominating and Corporate Governance Committee also develops, implements and monitors MasTec's corporate governance principles and its code of business conduct and ethics; monitors and safeguards the Board's independence; and annually undertakes performance evaluations of the Board committees and the full Board of Directors. MasTec's Board of Directors has adopted a charter that sets forth the responsibilities of the Nominating and Corporate Governance Committee. During 2005, the Nominating and Corporate Governance Committee met on three occasions.

The Nominating and Corporate Governance Committee has no specific minimum qualifications for director candidates. In general, however, persons considered for membership on the Board must have demonstrated leadership capabilities, be of sound mind and high moral character and be willing and able to commit the necessary time for Board and committee service. In evaluating potential candidates for service on the Board of Directors, the Nominating and Corporate Governance Committee will consider, consistent with its charter, the candidate's ability to satisfy the New York Stock Exchange's and SEC's independence requirements and the candidate's ability to contribute to the effective oversight and management of MasTec, taking into account the needs of MasTec and such factors as the individual's experience, perspective, skills and knowledge of the industry in which MasTec operates; and such other factors as the Nominating and Corporate Governance Committee may, in its discretion, deem important to successful service as a director. In 2005, the Nominating and Corporate Governance Committee retained a third-party search firm to assist it in identifying and evaluating director candidates.

The Nominating and Corporate Governance Committee will consider candidates recommended by the shareholders pursuant to written applications submitted to us at 800 S. Douglas Road, 12<sup>th</sup> Floor, Coral Gables, Florida 33134; Attention: Corporate Secretary, not less than 120 calendar days prior to the first anniversary of the date that our proxy statement is released to shareholders in connection with the preceding year's annual meeting of shareholders, except that if no annual meeting of shareholders was held in the preceding year or if the date of the annual meeting of shareholders has been changed by more than 30 calendar days from the date contemplated at the time of the preceding year's proxy statement, the notice must be received by our Corporate Secretary not less than 150 calendar days prior to the date of the contemplated annual meeting or the date that is 10 calendar days after the date of the first public announcement or other notification to shareholders of the date of the contemplated annual meeting, whichever first occurs. Shareholder proposals for nominees should include biographical and other related information regarding the proposed nominee sufficient to comply with applicable disclosure rules and a statement from the shareholder as to the qualifications and willingness of the candidate to serve on our Board of Directors. No recommended nominees were received by the Nominating and Corporate Governance Committee from any shareholder or group of shareholders who beneficially own five percent or more of our common stock for the previous year's annual meeting.

The Independent Committee is composed of Frank E. Jaumot and Robert J. Dwyer each of whom the Board of Directors, in the exercise of its reasonable business judgment, has determined to be independent, under applicable New York Stock Exchange and SEC rules and regulations. This committee was established by the Board of Directors in 2004 and the Executive Committee appointed Mr. Jaumot and Mr. Dwyer to the committee in 2005. The committee was established to investigate allegations made in a derivative action brought against MasTec; several of its former and current directors including, directors Jorge Mas, Jose R. Mas, Julia L. Johnson, Jose S. Sorzano, John Van Heuvelen and Arthur B. Laffer; and several of its former and current executive officers, including, Austin J. Shanfelter, MasTec's President and Chief Executive Officer and Donald Weinstein, MasTec's former Chief Financial Officer. The derivative action claims that the Board of Directors is obligated to bring an action against corporate officers based on allegations contained in a related shareholder action. The committee is charged with the responsibility of determining whether it is in MasTec's best interests to pursue an action or actions based on the allegations. During 2005, the Independent Committee met on one occasion.

In addition to the copy of our Audit Committee charter contained in Appendix A to this proxy statement, the full text of our current Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee charters, as well as, our Corporate Governance Guidelines are available on MasTec's website located at [www.mastec.com](http://www.mastec.com) and are available in print to any shareholder who requests it at MasTec, Inc., Legal Department, 800 S. Douglas Road, 12<sup>th</sup> Floor, Coral Gables, Florida 33134.

#### ***Independent Directors***

The Board of Directors, in the exercise of its reasonable business judgment, has determined that a majority of our directors qualify as independent directors pursuant to the New York Stock Exchange and SEC rules and regulations. In making the determination of independence, the Board considered that no independent director has a material relationship with MasTec, either directly or as a partner or shareholder of an organization that has a relationship with MasTec or (ii) any other relationships that, in

the Board's judgment, would interfere with the director's independence. Our independent directors are Ernst N. Csiszar, Carlos M. de Cespedes, Robert J. Dwyer, Frank E. Jaumot, Julia L. Johnson, Jose S. Sorzano, and John Van Heuvelen. In 2005, the independent directors met on three occasions in executive sessions without management. The independent directors have selected John Van Heuvelen as the presiding director to preside over all executive sessions of the independent directors.

***Other Corporate Governance Matters***

Interested parties who want to communicate with the presiding or with the independent directors as a group, or a shareholder who wants to communicate with the Board, individual Board members or a board committee should address their communications to the Board, the Board members or the Board committee, as the case may be, and send them to c/o Corporate Secretary, MasTec, Inc., 800 S. Douglas Road, 12<sup>th</sup> Floor, Coral Gables, Florida 33134. The Corporate Secretary will forward all such communications directly to such Board members.

MasTec does not have a policy requiring our directors to attend the Annual Meeting. Five of our then-current directors attended our 2005 Annual Meeting of Shareholders.

MasTec has adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers and employees which include additional criteria that are applicable to our Chief Executive Officer and senior financial officers. The full text of the Code of Business Conduct and Ethics is available on MasTec's website at [www.mastec.com](http://www.mastec.com). We intend to provide amendments or waivers to our Code of Business Conduct and Ethics, on our website, within four business days of such amendment or waiver.

***Compensation of Directors***

Each of the independent directors is paid an annual retainer of \$30,000. In addition, the Audit Committee Chairperson is paid \$15,000 per year and each other audit committee member is paid \$10,000 per year for service. The Compensation Committee Chairperson and the Nominating and Governance Committee Chairperson are paid \$5,000 per year and each of the other members of these committees is paid \$4,000 per year for service. All other committee members and chairpersons who are independent directors receive \$1,000 per year. In addition, directors are reimbursed for their reasonable expenses incurred in order to attend Board and committee meetings. All cash compensation is paid on a quarterly basis.

Option and restricted stock awards granted to our independent directors are governed by our Amended and Restated 2003 Stock Incentive Plan for Non-Employees. Each independent director receives a formula grant of options to purchase 20,000 shares of our common stock and a formula grant of restricted stock with a value equal to \$50,000 upon initial appointment or election and upon each re-election to the Board and options to purchase 7,500 shares of our common stock following each Annual Meeting of Shareholders for continued service during the elected term. All formula options expire ten years from the date of grant and vest annually over three years commencing on the first anniversary of the grant date. The formula restricted stock grants vest 33% immediately, 33% on the first anniversary of the grant date and 34% on the second anniversary of the grant date and upon issuance, the recipient has immediate rights of ownership in all of the shares of restricted stock, including the right to vote the shares and the right to receive dividends. All formula options are granted at an exercise price equal to, and formula restricted stock grants are based on, the fair market value of MasTec's common stock based on the closing price of our common stock on the New York Stock Exchange on the date of grant. In addition to the formula grants, the Compensation Committee, which administers the Amended and Restated 2003 Stock Incentive Plan for Non-Employees, may also make discretionary grants of stock options and restricted stock awards to non-employee directors (as discussed below, discretionary grants with different vesting schedules from the formula grants were granted to certain directors in February 2005). Pursuant to the Amended and Restated 2003 Stock Incentive Plan for Non-Employees, Messrs. de Cespedes, Dwyer, Jaumot, Sorzano, and Van Heuvelen each received a formula grant of options to purchase 7,500 shares of our common stock in June 2005 for continued service on our Board, Ms. Johnson received a formula grant of options to purchase 20,000 shares of our common stock in June 2005 for her re-election to our Board and Mr. Csiszar received a formula grant of 4,841 shares of our

restricted stock and options to purchase 20,000 shares of our common stock for his initial appointment to our Board in 2005. Due to an administrative oversight, Ms. Johnson did not receive the restricted stock grant she was entitled to receive upon re-election to the Board in 2005. Accordingly, in April 2006, our Compensation Committee awarded Ms. Johnson a make-up grant of 6,151 shares of restricted stock (the equivalent of a \$50,000 restricted stock grant on the date of the 2005 annual meeting), 33% of which vested immediately, 33% of which will vest on May 26, 2006 and 34% of which will vest on May 26, 2007.

In addition, in February 2005, our Compensation Committee approved a one time discretionary grant of restricted stock with a value of \$50,000 to each independent director in order to compensate the independent directors for the increased time demands and responsibilities of Board membership. Pursuant to the terms of the discretionary grant, Ms. Johnson and Messrs. Sorzano and Van Heuvelen each received 9,941 shares of restricted stock with an effective date of July 2004 and Messrs. de Cespedes, Dwyer and Jaumot received 9,901, 8474, and 9,728 shares of restricted stock, respectively, each with an effective date based on the dates such director was initially appointed to the Board (September 2004 in the case of Messrs. de Cespedes and Jaumot and October 2004 in the case of Mr. Dwyer). The discretionary restricted stock grants vest in their entirety on the third anniversary of their respective effective date. Effective January 1, 2006, we adopted a Deferred Fee Plan. Under the terms of the Deferred Fee Plan, directors may elect to defer the receipt of cash and stock fees for their services as directors. Each director may elect the type and percentage of fees to be deferred. Deferred cash fees may be directed to a deferred cash account or a deferred stock account (or both). Deferred stock fees may only be directed to a deferred stock account. Elections to defer fees remain in force, unless amended or revoked within the required time periods. The deferred cash account will be credited with interest on the cash balance at the end of each calendar quarter. The interest rate is equal to the rate of interest payable by us on our revolving credit facility, as determined as of the first day of each calendar quarter. The deferred stock account will be credited with stock dividends (or with cash dividends that are converted to deferred stock credits pursuant to the plan.) Distribution of a director's cash and stock accounts will begin on January 15 of the year following the director's termination of all services with us or, in the case of a change of control (as defined in the Deferred Fee Plan), in a lump sum as soon as practicable following such change of control. Distributions from the deferred cash account will be made in cash and distributions from the deferred stock account will be made in shares of MasTec's common stock. Distributions will either be made in a lump-sum payment or in up to five consecutive installments as elected by the director.

The potential realizable value computation does not take into account federal or state income tax

consequences of option exercises or sales of appreciated stock. The actual gains, if any, on the stock option exercises will depend on the future performance of our common stock, the optionee's continued employment through applicable vesting periods and the date on which the options are exercised and the underlying shares are sold.

If there is a change of control of MasTec during the employment term, Mr. Campbell will be entitled to one and a half times the unpaid portion of his salary for the greater of twelve months or the remaining term of the agreement and to immediate vesting of any previously unvested options. The agreement also contains confidentiality, non-competition and non-solicitation provisions.

#### **COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION**

The Compensation Committee of the Board of Directors is responsible for establishing and administering the policies for MasTec's compensation programs and approving the compensation level of the Chief Executive Officer and the other executive officers of MasTec. The Compensation Committee also reviews with the Chief Executive Officer guidelines for salaries and bonus awards applicable to MasTec's employees other than its executives. The Compensation Committee is composed of Jose S. Sorzano, who serves as Chairman, Robert J. Dwyer, Carlos M. de Cespedes, and John Van Heuvelen, all of whom the Board of Directors in the exercise of its reasonable business judgment, has determined are independent pursuant to New York Stock Exchange and SEC rules and regulations.

##### ***Statement of Philosophy of Executive Compensation***

The executive compensation program of MasTec is designed to (i) provide base compensation reasonably comparable to that offered by other leading companies to their executives so as to attract and retain talented personnel, (ii) motivate executives to achieve the strategic goals set by MasTec by linking an executive's incentive compensation to the performance of MasTec and applicable business units, as well as to individual performance, and (iii) align the interests of MasTec's executives with the long-term interests of its shareholders through the award of stock options and other stock-related programs. To implement this philosophy, MasTec offers its executives compensation packages that include a mix of salary, incentive bonus awards, and stock options.

In determining the level and form of executive compensation to be paid or awarded, the Committee relies primarily on MasTec's results of operations and, in the case of senior executives, an assessment of MasTec's overall performance in light of its strategic objectives. The primary factors considered by the Compensation Committee in establishing 2005 compensation for senior executives were the projected results for 2005 and the provisions of the employment agreements which contain certain commitments related to compensation.

##### ***Salary***

The base salary of executives is determined initially by analyzing and evaluating the responsibilities of the position and comparing the proposed base salary with that of executives in comparable positions in other companies. Adjustments are determined by objective factors such as MasTec's performance and the individual's contribution to that performance and subjective considerations such as additional responsibilities taken on by the executive. The Compensation Committee awarded no increases in the 2005 base salaries of any of the Named Executive Officers, except as required by their employment agreements.

##### ***Incentive Awards***

In addition to paying a base salary, MasTec awards incentive bonuses as a component of overall compensation. MasTec has established incentive compensation plans for its executives at both the corporate and operational levels that award incentive bonuses based primarily on MasTec's or an individual unit's performance as measured by earnings before interest and taxes. Because of the time it takes to gather and evaluate the necessary financial data to gauge performance over the prior year, bonuses for performance are not paid until the beginning of the following year. A portion of the bonus may be awarded in stock or stock options. MasTec or the individual unit must meet certain minimum thresholds before any bonus is earned. The Compensation Committee awarded a \$50,000 cash bonus for 2005 to each of Messrs. Campbell and Floerke as required by the terms of their respective employment agreement.

***Long-Term Incentives***

Stock options are granted as long-term incentive compensation to encourage and enhance positive performance and to align the interest of our executives with our shareholders. Options are granted at a price equal to the fair market value of our common stock on the New York Stock Exchange on the date of grant, and will have value only if MasTec's stock price increases. Grants to executives are based on their scope of responsibility, performance, size of prior grants and strategic practices. During 2005, of the Named Executive Officers, Messrs. Shanfelter, Campbell, and Mas each received stock option grants for performance in 2005. Messrs. Floerke and Nearing received option grants to purchase shares in accordance with their employment agreements.

Awards generally are not exercisable immediately upon grant, but instead vest over a specified period. Accordingly, an employee must generally remain employed by us for a specified period to enjoy the full economic benefit of an award.

***Chief Executive Officer Compensation***

The Compensation Committee based the Chief Executive Officer's 2005 salary on the terms provided for in Austin J. Shanfelter's employment agreement. The agreement provides that Mr. Shanfelter will be paid an annual salary of \$600,000. In 2005, the Compensation Committee awarded Mr. Shanfelter a discretionary grant of options to purchase 150,000 MasTec common shares for performance. The discretionary stock option award vests ratably over a three-year period. Although the agreement also allows for cash performance bonuses, the Compensation Committee determined that no cash performance bonus would be awarded to Mr. Shanfelter for 2005 performance. In 2005, Mr. Shanfelter received the fourth installment payment of \$101,971 of deferred compensation awarded in 2001 for performance in 2000, when Mr. Shanfelter served as President of one of MasTec's service offerings, and before he became an executive officer of MasTec.

MasTec purchases, rents and leases equipment used in its business from a number of different vendors, on a non-exclusive basis, including Neff Corp., in which Jorge Mas and Jose R. Mas were directors and owners of a controlling interest through June 2005 when Neff Corp. was sold. Juan Carlos Mas, the brother of Jorge and Jose Mas, is Chief Executive Officer and a director of Neff Corp. During 2005, MasTec paid Neff approximately \$320,000 for equipment purchases, rentals and leases. Under the terms of this agreement, MasTec is the sole owner and beneficiary of the policy and is entitled to recover the greater of (i) all premiums it pays on the portion of the policy subject to the agreement, plus interest equal to four percent, compounded annually, or (ii) the cash surrender value of the life insurance policy upon the death of the insured. On November 1, 2002, MasTec and Jorge Mas entered into a deferred bonus agreement in which MasTec agreed to pay Mr. Mas a bonus in the event the split dollar agreements Mr. Mas had entered into with the MasTec were terminated due to a change of control. The amount of the bonus is equal to the total premium payments made by MasTec under the terms of the split dollar agreements, plus interest of four percent, compounded annually. The bonus is to be paid within 60 days after termination of the split dollar agreement. The deferred bonus agreement was subsequently amended to comply with Section 409A of the Internal Revenue Code.

The remainder of the policy's proceeds will be paid in accordance with Mr. Shanfelter's designations. MasTec will make the premium payments for the term of the agreement or until the agreement is terminated, which occurs upon any of the following events: (i) bankruptcy or dissolution of MasTec, or (ii) the six year anniversary of the agreement. In 2005, MasTec paid approximately \$500,000 in premiums in connection with the split dollar agreement for Mr. Shanfelter and his family.

On November 1, 2002, MasTec and Austin Shanfelter entered into a deferred bonus agreement in which MasTec agreed to pay Mr. Shanfelter a bonus in the event the split dollar agreement described above is terminated for any reason, other than his death. The amount of the bonus is equal to the total premium payments made by MasTec under the terms of the split dollar agreement, plus interest of four percent, compounded annually. **STOCK PERFORMANCE GRAPH**

The following graph compares the cumulative total shareholder return on MasTec's common stock from December 31, 2000 through December 31, 2005 with the cumulative total return of the Standard & Poor's 500 Stock Index and a company-constructed index of six peer companies consisting of Black Box Corp., Dycom Industries, Inc., International Fibercom, Inc., Quanta Services, Inc., Wireless Facilities Inc and LCC International. The graph assumes that the value of the investment in the common stock was \$100 on December 31, 2000, with the number of shares purchased for the \$100 investment determined based on the fair market value on that date and that all dividends were reinvested. ## **AUDIT COMMITTEE AND AUDIT RELATED INFORMATION**

### ***Audit Committee Report***

The Audit Committee of MasTec is composed of three directors, whom the Board of Directors, in the exercise of its reasonable business judgment, has determined meet the independence and experience requirements of the New York Stock Exchange and SEC rules and regulations. In 2005, the Audit Committee met eighteen times. The Audit Committee has adopted, and annually reviews, a charter, which provides the duties and obligations of the Audit Committee. In March 2006, the Board of Directors approved an amended charter for the Audit Committee, a copy of which is attached to this Proxy Statement as Appendix A.

The agenda of the Audit Committee is established by the Chairman of the Audit Committee. During 2005, at each of its meetings, the Audit Committee met with senior members of the financial management team. Members of the Audit Committee had private executive sessions, as appropriate, at its meetings, with MasTec's independent registered public accounting firm for the purpose of discussing financial management, accounting and internal control issues.

The Audit Committee also discussed with the independent auditors the matters required to be reviewed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications), and reviewed the written disclosures and related correspondence from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee reviewed and discussed with the independent auditors their independence from MasTec. In connection with discussions regarding independence, the Audit Committee also considered with the independent auditors whether the provision of nonaudit services by independent auditors to MasTec is compatible with the auditors' independence.

The Audit Committee has reviewed the audited financial statements contained in the Annual Report on Form 10-K with our management, including a discussion of the accounting principles, the reasonableness of judgments and estimates, the clarity of disclosure in the financial statements and the conformity of the consolidated financial statements of MasTec with generally accepted accounting principles.

In performing its functions, the Audit Committee acts in an oversight capacity. The Audit Committee relies on the work and assurances of MasTec's management, which has the primary responsibility for the financial statements and reports, and of the independent registered public accounting firm, who, in their report, express an opinion on the conformity of our annual financial statements to generally accepted accounting principles.

In reliance on these reviews and discussions, and the report of the independent auditors, the Audit Committee has recommended to the Board of Directors and the Board of Directors has approved, the audited financial statements included in MasTec's Annual Report on Form 10-K for the year ended December 31, 2005.

### ***Changes in Accountants***

On September 2, 2004, we filed a Current Report on Form 8-K, as amended on September 24, 2004, reporting that on August 30, 2004, Ernst & Young LLP our independent registered public accountants at the time would resign as our auditors following the completion of services related to the audit of MasTec North America, Inc. The Form 8-K reported that there were no disagreements between us and Ernst and Young involving any matters of accounting principles or practices, financial statement disclosure or

auditing scope or procedure. On September 24, 2004 our Audit Committee engaged BDO Seidman, LLP to serve as our independent registered public accountants for the 2004 fiscal year.

***Independent Public Accountants***

Our Audit Committee engaged BDO Seidman, LLP to serve as our independent registered public accountants for the 2005 fiscal year. ***Pre-approval Policies***

The Audit Committee pre-approves all auditing services and the terms of such services (which may include providing comfort letters in connection with securities underwritings) and non-audit services provided by our independent auditors, but only to the extent that the non-audit services are not prohibited under applicable law and the Audit Committee reasonably determines that the non-audit services do not impair the independence of the independent auditors. The authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision.

The pre-approval requirement is waived with respect to the provision of non-audit services for MasTec if (i) the aggregate amount of all such non-audit services provided to MasTec constitutes not more than 5% of the total amount of revenues paid by MasTec to its independent auditors during the fiscal year in which such non-audit services were provided, (ii) such services were not recognized at the time of the engagement to be non-audit services, and (iii) such services are promptly brought to the attention of the Audit Committee or by one or more of its members to whom authority to grant such approvals has been delegated by the Audit Committee.

The Audit Committee has considered and determined that the provision of the non-audit services described above is compatible with maintaining the auditor's independence.

During 2005 and 2004, audit related services, tax services, and all other services to be provided by BDO Seidman, LLP were pre-approved by the Audit Committee.
