References in this Proxy Statement to Graphic Packaging, GPHC we, us, and our or similar terms are to Graphic Packaging Holding Company.

Outstanding Shares

As of the close of business on the Record Date, there were 341,548,764 shares of the Company s common stock outstanding and entitled to vote. Stockholders are entitled to one vote for each share held on all matters to come before the Annual Meeting.

Who May Vote

Only stockholders who held shares of the Company s common stock at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting or any adjournment thereof.

How to Vote in Person

If your shares are registered directly in your name, you are considered the stockholder of record and you may vote in person at the Annual Meeting. If your shares are registered through a bank or brokerage firm, your shares are considered to be held beneficially in street name. If your shares are held beneficially in street name and you wish to vote in person at the Annual Meeting, you will need to obtain a proxy from the bank or brokerage firm that holds your shares. Please note that even if you plan to attend the Annual Meeting in person, the Company recommends that you vote before the Annual Meeting.

How to Vote by Proxy

Whether you hold shares directly as a stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the Annual Meeting. If you are a stockholder of record, you may vote by any of the methods described below. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or nominee. For directions on how to vote, please refer to the instructions below and those included on your proxy card or, for shares held beneficially in street name, the voting instruction card provided by your bank or brokerage firm.

Voting over the Internet. Stockholders of record of the Company's common stock with Internet access may submit proxies from any location in the world by following the "Vote by Internet" instructions on their

Table of Contents

proxy cards. In addition, most of the Company's stockholders who hold shares beneficially in street name may vote by accessing the website specified on the voting instruction card provided by their bank or brokerage firm. Please check the voting instruction card to determine Internet voting availability.

Voting by Telephone. Stockholders of record of the Company's common stock who live in the United States or Canada may submit proxies by following the "Vote by Phone" instructions on their proxy cards. Most of the Company's stockholders who hold shares beneficially in street name may vote by phone by calling the number specified on the voting instruction card provided by their bank or brokerage firm. Please check the voting instruction card to determine telephone voting availability.

Voting by Mail. Stockholders of record of the Company's common stock may submit proxies by completing, signing and dating the enclosed proxy card and mailing it in the accompanying pre-addressed envelope. The Company's stockholders who hold shares beneficially in street name may vote by mail by completing, signing and dating the voting instruction card provided by their bank or brokerage firm and mailing them in the accompanying pre-addressed envelope.

How Proxies Work

The Board of Directors is asking for your proxy. By giving the Board your proxy, your shares will be voted at the Annual Meeting in the manner you direct. If you do not specify how you wish to vote your shares, your shares will be voted FOR the election of each of the Director nominees. Proxyholders will vote shares according to their discretion on any other matter properly brought before the Annual Meeting.

If for any reason any of the nominees for election as Director is unable or declines to serve as Director, discretionary authority may be exercised by the proxyholders to vote for substitutes proposed by the Board.

If the shares you own are held beneficially in street name by a bank or brokerage firm, such firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your bank or brokerage firm provides to you. Under the rules of the New York Stock Exchange (the "NYSE"), if you do not give instructions to your bank or brokerage firm, it will still be able to vote your shares with respect to certain "discretionary" items, but will not be allowed to vote your shares with respect to certain "non-discretionary" items. In the case of non-discretionary items, the shares will be treated as "broker non-votes."

How to Vote Your 401(k) Plan Shares

If you participate in the Company's 401(k) Savings Plan or in the Company's Hourly 401(k) Savings Plan (the "401(k) Plans"), you may give voting instructions as to the number of shares of the Company's common stock held in your account as of the Record Date to the trustee of the savings plan. You provide voting instructions to the trustee, Fidelity Management Trust Company, by completing and returning the proxy card accompanying this Proxy Statement. The trustee will vote your shares in accordance with your duly executed instructions received by 12:00 midnight on May 15, 2008. If you do not send instructions, the trustee will vote the number of shares equal to the share equivalents credited to your account in the same proportion that it votes shares for which it did receive timely instructions.

You may also revoke voting instructions previously given to the trustee by 12:00 midnight on May 15, 2008, by filing either a written notice of revocation or a properly completed and signed proxy card bearing a later date with the trustee. Your voting instructions will be kept confidential by the trustee.

Quorum

In order to carry out the business of the Annual Meeting, there must be a quorum. This means that at least a majority of the outstanding shares eligible to vote must be represented at the Annual Meeting, either by proxy or in person. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of votes present at the Annual Meeting for purposes of calculating whether a quorum is present.

Table of Contents

Votes Needed

The Director nominees receiving the largest number of votes cast are elected, up to the maximum number of Directors fixed by the Board to be elected at the Annual Meeting. As a result, any shares not voted, whether by abstention, broker non-vote or otherwise, have no effect on the election of Directors, except to the extent that the failure to vote for a particular nominee may result in another nominee receiving a larger number of votes. Approval of any other matter properly brought before the Annual Meeting requires the affirmative vote of holders of a majority of the shares present in person or by proxy and entitled to vote at the Annual Meeting. An abstention with respect to any other matter will have the effect of a vote against such proposal and broker non-votes will have no effect, as broker non-votes are not treated as shares entitled to vote.

Changing Your Vote

Shares of the Company's common stock represented by proxy will be voted as directed unless the proxy is revoked. Any proxy may be revoked before it is exercised by sending to the Company's Corporate Secretary an instrument revoking the proxy or a proxy bearing a later date. Any notice of revocation should be sent to: Graphic Packaging Holding Company, 814 Livingston Court, Marietta, Georgia 30067, Attention: Corporate Secretary. Any proxy submitted over the Internet or by telephone may also be revoked by submitting a new proxy over the Internet or by telephone. A proxy is also revoked if the person who executed the proxy is present at the Annual Meeting and elects to vote in person.

Attending in Person

Only stockholders, their designated proxies and guests of the Company may attend the Annual Meeting. If your shares are held beneficially in street name, you must bring an account statement or letter from your brokerage firm or bank showing that you are the beneficial owner of shares of the Company's common stock as of the Record Date in order to be admitted to the Annual Meeting.

SUMMARY OF COMBINATION WITH ALTIVITY PACKAGING, LLC

On March 10, 2008, the businesses of Graphic Packaging Corporation (GPC) and Altivity Packaging, LLC (Altivity) were combined through a series of transactions. A new publicly-traded parent company, Graphic Packaging Holding Company (GPHC) was formed, and all of the equity interests in Altivity's parent company were contributed to GPHC in exchange for 139,445,038 shares of its common stock. Stockholders of GPC received one share of GPHC common stock for each share of GPC common stock held immediately prior to the transactions. Subsequently, all of the equity interests in Altivity's parent company were contributed to GPHC's primary operating company, Graphic Packaging International, Inc. Together, these transactions are referred to herein as the Altivity Transaction.

As a result of the timing of the Altivity Transaction, corporate governance and executive compensation information is not available for the combined company for the fiscal year ended December 31, 2007. Accordingly, unless otherwise specified, the corporate governance, executive compensation and certain other information provided herein for 2007 relates only to GPC, the predecessor to GPHC.

CORPORATE GOVERNANCE MATTERS

Below, in question and answer format, is a summary of certain of the Company's corporate governance policies and practices.

Table of Contents

Who are Graphic Packaging's Directors?

The Board currently consists of George V. Bayly, John D. Beckett, G. Andrea Botta, Kevin J. Conway, Jeffrey H. Coors, Kelvin L. Davis, Jack A. Fusco, Jeffrey Liaw, Harold R. Logan, Jr., Michael G. MacDougall, John R. Miller (who serves as the Chairman of the Board), David W. Scheible (who serves as President and Chief Executive Officer of the Company) and Robert W. Tieken. The members of the GPC Board throughout 2007 and until the closing of the Altivity Transaction were Messrs. Beckett, Botta, Conway, Coors, Logan, Miller, Scheible and Tieken, as well as William R. Fields.

How does Graphic Packaging determine which Directors are independent?

For purposes of this proxy statement, independent and independence have the meanings set forth under the Securities Exchange Act of 1934 (the Exchange Act), as amended, the rules and regulations adopted thereunder by the Securities and Exchange Commission (the SEC), the corporate governance listing standards of the New York Stock Exchange (the NYSE), and the Company's Corporate Governance Guidelines, all as in effect from time to time. A Director will not qualify as independent unless the Board affirmatively determines that the Director has no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company). In addition, in accordance with the Company's Corporate Governance Guidelines, the Company will also apply the following standards in determining whether a Director is independent:

A Director who is an employee of the Company, or whose immediate family member serves as one of the Company's executive officers, may not be deemed independent until three years after the end of such employment relationship.

A Director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from the Company, other than Board and committee fees and pension or other forms of deferred compensation for prior service, may not be deemed independent until three years after he or she ceases to receive more than \$100,000 per year in such compensation. Compensation received by an immediate family member for service as one of the Company's non-executive employees will not be considered in determining independence under this test.

A Director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by, the Company's present or former internal or external auditor may not be deemed independent until three years after the end of the affiliation or the employment or auditing relationship.

A Director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of the Company's current executive officers serve on that company's compensation committee may not be deemed independent until three years after the end of such service or the employment relationship.

A Director who is an executive officer, general partner or employee, or whose immediate family member is an executive officer or general partner, of an entity that makes payments to, or receives payments from the Company for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million or 2% of such other entity's consolidated gross revenues, may not be deemed independent until three years after falling below that threshold.

Applying these standards, the following seven of the Company's thirteen Directors are independent: Messrs. Bayly, Beckett, Botta, Fusco, Logan, Miller and Tieken. Mr. Scheible is not considered independent because he serves as an

executive officer of the Company. Mr. Coors is not considered independent because he is a former executive officer of Graphic Packaging Corporation and is the Coors family representative under the Stockholders Agreement dated July 9, 2007 (the "Stockholders Agreement") by and among the Company, the Coors family trusts and foundation, Clayton, Dubilier & Rice Fund V Limited Partnership (the "CD&R Fund"), EXOR Group, S.A. ("EXOR"), Field Holdings, Inc. and certain affiliates of TPG Capital, L.P. (the "TPG Entities"). The Coors family trusts and foundation own over 18% of the Company's common stock. Mr. Conway is not considered independent because of his status as a principal of Clayton, Dubilier & Rice,

Table of Contents

Inc. (CD&R), a private investment firm that manages the CD&R Fund, the holder of approximately 10% of the Company's common stock and a party to the Stockholders Agreement. Messrs. Davis, Liaw and MacDougall are not considered independent because of their status as partners and employees of TPG Capital, L.P. The TPG Entities own approximately 38.7% of the Company's common stock and are parties to the Stockholders Agreement.

The Company is a controlled company, as that term is defined in the NYSE's corporate governance listing standards, because more than 50% of the Company's voting power is held by a group of stockholders consisting of the Coors family trusts and foundation, the CD&R Fund, EXOR and the TPG Entities. Please see Certain Relationships and Related Transactions below. As a controlled company, the Company is exempt from the requirements of Rule 303A of the NYSE Listed Company Manual with respect to having the Board be comprised of a majority of independent Directors and having the Compensation and Benefits Committee and Nominating and Corporate Governance Committee being composed solely of independent Directors.

Table of Contents**Criteria for Potential Directors**

The Company's Board is responsible for selecting nominees for election as Directors by stockholders and for filling vacancies on the Board. The Nominating and Corporate Governance Committee is responsible for identifying and recommending to the Board individuals for nomination as members of the Board and its committees and, in this regard, reviewing with the Board on an annual basis the current skills, background and expertise of the members of the Board, as well as the Company's future and ongoing needs. This assessment is used to establish criteria for identifying and evaluating potential candidates for the Board. However, as a general matter, the Nominating and Corporate Governance Committee seeks individuals who demonstrate:

the highest personal and professional integrity,

commitment to driving the Company's success;

an ability to provide informed and thoughtful counsel on a range of issues; and

exceptional ability and judgment.

The Nominating and Corporate Governance Committee considers candidates recommended by its members and other Directors. The Nominating and Corporate Governance Committee will also consider whether to nominate any person recommended by a stockholder pursuant to the provisions of the Company's By-Laws relating to stockholder nominations as described in Stockholder Proposals and Nominations, below. The Nominating and Corporate Governance Committee uses the same criteria to evaluate proposed nominees that are recommended by its members and other Directors as it does for stockholder-recommended nominees.

- (2) Mr. Botta has elected to defer receipt of all cash and stock compensation payable to him in the form of phantom shares. Cash compensation is converted to phantom shares based on the closing price of the Company's common stock on the first trading day following the end of the quarter. Awards of common stock are converted to phantom shares on a one-for-one basis. At December 31, 2007, Mr. Botta held or had earned a total of 79,340 shares of phantom stock.

Each Director who is not an officer or employee of the Company receives an annual cash retainer fee of \$20,000, payable in quarterly installments. In addition, each non-employee Director receives \$1,500 per Board meeting attended and \$1,000 per committee meeting attended. The Chairman of the Board, the Audit Committee Chairman and each of the other Committee Chairmen receive a further retainer fee of \$100,000,

\$10,000 and \$5,000, respectively, payable in equal quarterly installments. In addition to the retainers and meeting fees, each non-employee Director receives an annual grant of shares of stock with a value of \$40,000 on the date of grant. Non-employee Directors have the option to defer all or part of the cash and equity compensation payable to them in the form of phantom stock.

Directors who are officers or employees do not receive any additional compensation for serving as a Director. Pursuant to the terms of Mr. Conway's employment with CD&R, he has assigned his right to receive compensation for his service as a Director to CD&R. The Company reimburses all Directors for reasonable and necessary expenses they incur in performing their duties as Directors.

COMPENSATION DISCUSSION AND ANALYSIS

References to the Committee in this Compensation Discussion and Analysis section are to the Compensation and Benefits Committee. References to Executives are to the Named Executive Officers reported in the Summary Compensation Table and other tables in this proxy statement.

Guiding Principles and Policies

The goal of our compensation program is to align the interests of our employees with those of our stockholders. We do this by implementing compensation practices designed to attract, retain and motivate key members of management. A significant portion of the compensation packages of our Executives is intended to be at-risk pay for performance. In our program, we analyze each component of executive compensation and decisions with respect to one element of pay may or may not impact other elements of the overall pay packages. Market data, individual performance, retention needs and internal equity among our Executives' compensation packages have been the primary factors considered in decisions to increase or decrease compensation materially.

Peer Group and Market Data

We obtain an analysis of market data at least every other year in which compensation of the Executives is compared to the compensation paid to executives holding comparable positions at similar companies. The

Table of Contents

companies used for this comparison are chosen by the Company and the Committee’s consultant, Hewitt Associates, and consist of a group of about 30 manufacturing companies with revenues approximately one-half to double the revenues of the Company that participate in Hewitt Associates’ database of executive pay. This peer group was originally chosen in 2003 and has changed somewhat from study to study because of merger and acquisition activity and participation in Hewitt Associates’ database, but our goal is to have it be as constant as possible. Hewitt Associates tests the peer group results against data from broader general industry, manufacturing and forest products groups to ensure that the peer group provides an appropriate benchmark of executive compensation.

The peer group used to develop 2007 compensation is listed below.

Air Products and Chemicals, Inc.	Flowserve Corporation	PACCAR Inc.
Armstrong World Industries, Inc.	FMC Corporation	Ryerson, Inc.
Avery Dennison Corporation	Harris Corporation	Sonoco Products Company
Ball Corporation	Henkel of America, Inc.	Steelcase Inc.
BorgWarner Inc.	Herman Miller, Inc.	Teleflex Incorporated
Briggs & Stratton Corporation	Johns Manville	The Scotts Miracle-Gro Company
Church & Dwight Company, Inc.	Kennametal Inc.	Thomas & Betts Corporation
C.R. Bard, Inc.	Lexmark International	Tupperware Corporation
Cooper Cameron Corporation	Maytag Corporation	UST Inc.
Donaldson Company, Inc.	Milacron Inc.	Wm. Wrigley Jr. Company
Ecolab Inc.	Molson Coors Brewing Company	Worthington Industries, Inc.

Role of Compensation Consultants

The Committee independently retains Hewitt Associates to assist the Committee in its deliberations regarding executive compensation. Hewitt Associates is also retained by the Company to assist with various compensation and benefit matters. The mandate of Hewitt Associates is to serve the Company and work for the Committee in its review of executive compensation practices, including the competitiveness of pay levels, design issues, market trends and technical considerations. Hewitt Associates consultants attended one of five Committee meetings in 2007, and assisted the Committee with market data and a related assessment of the Company’s executive compensation levels, long-term incentive grant sizes, employment contract revisions and disclosures under the new proxy disclosure rules.

Role of Executive Officers

The Chief Executive Officer and Senior Vice President, Human Resources recommend to the Committee the compensation program design and award amounts for most executives. They are not involved in determining their own pay.

Overview of Executive Compensation Components

Our executive compensation program currently consists of the following compensation elements:

Base salary

Short-term cash incentives

Long-term incentives, consisting of Service Restricted Stock Units (Service RSUs) and Performance Restricted Stock Units (Performance RSUs)

Welfare benefits

Perquisites

Retirement benefits

Termination pay

Table of Contents

Each of these elements is discussed below, as well as the methodology used for setting the amount of each type of compensation.

Base Salary

Philosophy. Our philosophy is to set salaries for our Executives at the 75th percentile of the peer group's salaries for executives with similar positions and responsibilities (with adjustments made to reflect the various sizes of the companies in such group). Recent promotions, however, have resulted in actual base salaries for several of our Executives that are below the size-adjusted 50th percentile of the peer group.

The 75th percentile represents about 15% more base salary than the size-adjusted median. The desire to set salaries at this somewhat higher level reflects the fact that annual target goals under the Management Incentive Plan (MIP) are set at levels of Company performance that we believe are more difficult to achieve than performance goals used to determine short-term incentive amounts at most other peer group companies. We periodically assess our performance against that of peer companies to confirm that our short-term incentive target goals represent approximately 75th percentile performance.

Changes to base salaries occur on a periodic basis that is generally at least twelve months after the most recent adjustment for the Executive. Base salary changes take into account market data for similar positions, the Executive's experience and time in position, any changes in responsibilities and individual performance. Individual performance is determined by considering achievement against each Executive's specific performance goals established at the beginning of each year. Generally, such individual performance goals are established to support the financial and operational goals established by the Board for the Company, and may include EBITDA, debt reduction and new product innovation targets, business unit revenue, profitability and cost-saving goals and certain more subjective goals such as improvement in culture, implementation of compliance initiatives and management effectiveness.

Management Incentive Plan

The purpose of the MIP is to provide a meaningful short-term cash incentive that rewards the achievement of specified annual financial goals. The financial measure used to set such financial goals or targets is earnings before income taxes, depreciation and amortization (EBITDA).

Target Opportunities. The MIP payout at the target level for each Executive is set at a level that pays at the 75th percentile of peer group companies for Company performance at the 75th percentile of the peer group.

Performance Goals. Because we set target performance goals that we believe represent performance at or above the 75th percentile of our peer group (confirmed through historical analysis), achievement of such goals is designed to pay base salary plus short-term incentive at approximately the 75th percentile of the peer group. Should the Company fail to reach target goals, the MIP will pay out to a lesser degree. Payouts are discretionary on the part of the Committee if the threshold goals are not met. Our EBITDA goal for 2007 was \$321 million, achievement of which would present an opportunity for a MIP award at target. The payout for performance at 90% of our EBITDA goal was set at 50% of target, and no payout would be earned for performance at or below 85% of our EBITDA goal. The payout for performance 10% or more above our EBITDA goal (after appropriate accrual for the greater compensation expense) was set at a maximum of 200% of target.

Actual Short-Term Incentive Payouts for 2007. Actual short-term incentive payouts for 2007 are shown in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table. Payouts were made at 185% of target levels for 2007 reflecting achievement of EBITDA at 185.0% of target.

Long-Term Incentives

The 2007 long-term incentive program has two elements: Service RSUs and Performance RSUs. Each represents about 50% of the competitive, total long-term incentive value that the Company pays to its Executives. Both types of grants are intended to retain Executives during a multi-year vesting period, align the

Table of Contents

long-term interests of Executives with our stockholders and provide cash and stock compensation. A mandatory two-year holding period after vesting further aligns our Executives' interests with those of our stockholders.

Service RSUs vest in three equal increments on the first, second and third anniversaries of the date of grant. Performance RSUs vest in full on the second anniversary of the date of grant. Both Service RSUs and Performance RSUs are payable one-half in shares of our common stock and one-half in cash two years after vesting upon the expiration of the mandatory holding period. The Board decided to split the payment of the RSUs into cash and shares due to the limited public float of the Company's common stock (which could negatively affect an Executive's ability to sell his or her shares without negatively affecting the price of the Company's stock) and to facilitate the payment of taxes due upon the payout of the RSUs.

How Award Sizes are Determined. Together, the Service RSUs and the target number of Performance RSUs are calculated to provide a long-term incentive award at approximately the size-adjusted 50th percentile of the peer group. The specific target opportunity for each Executive is determined through a combination of market data and consideration of internal equity issues among our Executives' compensation packages.

The value of the Service RSU grants is based on market levels of long-term compensation in February of each year times 50%. The number of shares delivered is calculated using the average closing stock price of the Company's common stock for the month of January preceding the grant of the Service RSUs. For Service RSUs granted in 2007, the stock price used was \$4.43.

The target number of Performance RSUs to be granted in May of the following year is equal to the number of Service RSUs previously granted, and is subject to adjustment down to 0% of market and up to 70% of market (140% of target) based on the Committee's assessment of management's performance in the prior year.

2007 Grants. In March 2007, we granted Service RSUs to all of the Executives except Mr. Humphrey. Grant sizes were equal to 50% of market long-term incentive opportunities.

In May 2007, we granted Performance RSUs that represented the performance portion of the 2006 grants for Messrs. Scheible, Blount, Humphrey, Schmal and Juby.

The May 2007 Performance RSU grants were made at 60% of market. When combined with the Service RSU grants made in 2006, they represent a grant equal to 110% of target for long-term incentives. The size of the Performance RSU grants in May 2007 was based on the Committee's determination of 2006 performance against plan. In arriving at this figure, the Committee considered achievements in debt reduction, cost reduction, innovation and resulting new product sales, process improvements and asset utilization. Achievement was above plan in cost reduction, innovation, process improvements and asset utilization. Achievement was below plan in debt reduction.

All of the grants discussed above are reflected in the Summary Compensation Table.

Welfare Benefit Plans

Executives participate in employee benefit plans available to all employees, including medical, dental, accidental death and dismemberment, business travel accident, prescription drug, life and disability insurance. Continuation of welfare benefits for a limited time may occur as part of severance upon certain terminations of employment.

Perquisites

Employment contracts for the Executives provide to each a \$20,000 payment in lieu of perquisites that can be used as the Executive determines. The fixed payment was designed to take the place of other specific perquisites that existed in previous employment contracts and to simplify administration. The payment is reported in the Summary Compensation Table in the Bonus column. Payment of Mr. Scheible's country club initiation fee was agreed to by the Company in 2006 (prior to the change to a payment in lieu of specific perquisites), but paid in 2007.

Table of Contents

Retirement Benefits

Executives and all other employees who meet certain service requirements are eligible to participate in one of the Company's 401(k) Savings Plans, which are qualified defined contribution plans under the rules of the Internal Revenue Service. The Company does not offer a 401(k) restoration plan that would permit Executives to contribute to and receive matching contributions from the Company on a basis that would be commensurate with other employees as a percent of pay. Executives and all other employees hired on or before January 1, 2008, are also eligible to participate in either the Riverwood International Employees Retirement Plan or the Graphic Packaging Retirement Plan (together, the Pension Plans). In addition, senior executives participate in either the Riverwood International Supplemental Retirement Plan or the Graphic Packaging Supplemental Retirement Plan (together, the Supplemental Plans). Mr. Scheible participated in the Graphic Packaging Retirement Plan and the Graphic Packaging Supplemental Plan until January 1, 2005, the date he transferred into the Riverwood International Employees Retirement Plan and the Riverwood International Supplemental Retirement Plan. The Supplemental Plans provide a benefit based upon compensation that exceeds the limits set by the Internal Revenue Service for the Pension Plans and makes total retirement benefits under the Company's defined benefit plans for the Executives commensurate with those available to other employees as a percent of pay. Additional information about the Pension Plans and the Supplemental Plans is provided under the Pension Benefits in 2007 table.

Mr. Humphrey. Mr. Humphrey's employment contract provided him with a guaranteed 10 years of service for purposes of the Riverwood International Employees Retirement Plan and the Riverwood International Supplemental Retirement Plan. This provision was designed to attract him to the Company, but the guarantee was not utilized, as Mr. Humphrey achieved 10 years of service in March 2007. In addition, a Supplemental Executive Pension Plan (SEPP) was implemented in April 2006 to provide an additional benefit to him equal to an additional 22 years of service (up to a maximum of \$5,000,000) should he remain employed through March 31, 2007. The Company paid Mr. Humphrey a benefit of \$5,000,000 under the SEPP on March 31, 2007.

Employment Agreements and Potential Payments on Termination

GPC's Executives have employment agreements with generally uniform provisions. The agreements contain enforceable non-competition and non-solicitation covenants as well as claims releases and severance provisions.

Agreements other than Mr. Humphrey's provide guaranteed severance in the event of certain terminations of employment. For Mr. Scheible the guaranteed severance is two times base salary, and for Messrs. Blount, Schmal and Juby it is one times base salary. Executives also receive welfare benefits for one year after termination and a pro-rata MIP payout (which is doubled for Mr. Scheible). Mr. Humphrey did not have severance benefits in his agreement because he was expected to retire, and did in fact retire from the Company at the end of 2007.

Executives may receive severance if they are terminated involuntarily, or terminate voluntarily for Good Reason (as defined below) within 30 days of the Good Reason event. The Executive must deliver written notice of intention to terminate for Good Reason, specifying the applicable provision, and provide the Company a reasonable opportunity to cure. The Good Reason provision in the 2006 contracts was designed to equalize the treatment of voluntary terminations for Good Reason with involuntary terminations without Cause. Doing so enables the contracts to fulfill their purpose of promoting retention during times of uncertainty and transition. Good Reason as defined in the agreements includes contract termination, material reduction in position, responsibilities or duties, failure of a successor company to assume the agreement, reduction in salary, breach of agreement or mandatory relocation, other than in connection with promotion, of more than 50 miles.

The agreements are discussed in more detail under Employment Agreements and Termination of Employment Arrangements.

Table of Contents

We have no change-in-control severance protections in the employment agreements and, because the Company vested all outstanding options in December 2005, certain other change-in-control provisions in the Company's equity compensation plans are moot. However, the award agreements for the Service RSUs and Performance RSUs granted under the 2004 Stock and Incentive Compensation Plan (the "2004 Plan") provide that all vesting restrictions shall lapse and the mandatory holding period shall expire upon the occurrence of a change-in-control. A "change-in-control" means any of the following events:

The acquisition by any person of beneficial ownership of thirty percent (30%) or more of the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors, except if such acquisition is by a person who, prior to such acquisition, is the beneficial owner of thirty percent (30%) or more of such securities, or if such acquisition is by any employee benefit plan or related trust, or if such acquisition is by a stockholder who is party to the Riverwood Holding, Inc. Stockholders Agreement dated March 25, 2003.

Individuals of the incumbent board (other than those whose initial assumption of office is in connection with an actual or threatened election contest relating to the election or removal of the directors of the Company) do not constitute at least a majority of the Board.

Consummation of a reorganization, merger or consolidation to which the Company is a party unless (i) all or substantially all of the individuals and entities who were the Beneficial Owners of the Company's outstanding securities prior to such transaction beneficially own more than fifty percent (50%) of the combined voting power of the outstanding voting securities entitled to vote generally in the election of directors of the corporation resulting from the transaction, and (ii) no person (excluding successors to current stockholders or any employee benefit plan or related trust) beneficially owns thirty percent (30%) or more of the combined voting power of the then outstanding voting securities, except to the extent that such ownership existed prior to the transaction, and (iii) at least a majority of the members of the board of directors of the resulting entity were members of the incumbent Board at the time of the execution of the initial agreement or of the action of the Board providing for such reorganization, merger or consolidation.

The sale, transfer or disposition of all or substantially all of the assets of the Company; or

The approval by the stockholders of the Company of a complete liquidation or dissolution of the Company.

The forgoing events were chosen to trigger the vesting and payout of RSUs under the 2004 Plan because they constitute a fundamental change in the ownership or control of the Company, which materially alters the prospects and future of the Company and, therefore, the employment conditions and opportunities for the members of management who receive RSUs.

In addition, the following provisions would affect options granted under the Company's equity compensation plans in the event of a change-in-control:

The 2004 Plan provides that if a participant's employment is terminated for any reason except Cause within six months prior to a change-in-control or within twelve months subsequent to such change-in-control, the participant will have until the earlier of (i) twelve months following such termination, or (ii) expiration of the option, to exercise such option.

The 2003 Riverwood Holding, Inc. Long-Term Incentive Plan provides that outstanding options will be either cancelled in exchange for a payment in cash of an amount equal to (i) the excess of the value assigned to shares in the transaction constituting the change-in-control over (ii) the exercise price, or exchanged for an alternative

award with substantially equivalent economic value.

The Riverwood Holding, Inc. 2002 Stock Incentive Plan provides that outstanding options will be cancelled in exchange for a payment equal to (i) the excess of the value assigned to shares in the transaction constituting the change-in-control over (ii) the exercise price, and that such payment be made in cash or in shares of the stock of the new company, if such shares are publicly-traded.

Table of Contents

The Riverwood Holding, Inc. Supplemental Long-Term Incentive Plan and the Riverwood Holding, Inc. Stock Incentive Plan provide that outstanding options may be either cancelled in exchange for a payment equal to (i) the excess of the value assigned to shares in the transaction constituting a change-in-control over (ii) the exercise price, or if the transaction constituting a change-in-control is accounted for under the pooling of interests method, exercised by the holder or exchanged for fully-exercisable options to purchase the common stock of the new company, provided such opportunity is made available by the new company and that such substitute options have substantially equivalent economic value. The Board of Directors amended these plans in July 2007 to require the exchange of options to purchase shares of GPC for options to purchase shares of GPHC on substantially the same terms.

The Graphic Packaging Equity Incentive Plan provides only for full vesting of stock options and other awards upon a change-in-control.

Pursuant to an agreement with the Company made in 2003, certain stock options granted to Messrs. Blount and Schmal are subject to a guaranteed cash payout of \$7.88 per share less the exercise price of \$6.57 per share upon a change in control. On March 31, 2008, a total of 114,425 stock options and 129,879 stock options were cancelled and paid in cash to Mr. Blount and Mr. Schmal, respectively.

In addition to certain benefits under the Company's equity incentive plans in the event of a change-in-control, Messrs. Blount, Schmal and Juby participate in a retirement arrangement that supplements the benefit under the Company's Pension Plans and Supplemental Plans in the event of a change-in-control by providing ten years minimum service and subsidized early retirement reduction factors. The present value of the annual net benefit under this arrangement as of December 31, 2007 is \$183,041, \$592,253 and \$216,076 for Messrs. Blount, Schmal and Juby, respectively. As of April 15, 2008, Mr. Schmal is no longer eligible for benefits under this retirement arrangement.

Timing of Compensation

Base salary adjustments are generally approved at the first Committee and Board meeting of the year and may take effect at various times over the course of the year. Service RSU grants are generally made at the first regularly scheduled Board meeting and Performance RSU grants are generally made at the second regularly scheduled Board meeting of the year. Our policy is that awards of equity compensation are made only at regularly scheduled meetings of the Board of Directors (except for new-hire grants) and that the date of grant is the date upon which the Board of Directors approves the grant.

Tax Issues

For tax purposes, amounts paid under the MIP and the value of Service RSUs and Performance RSUs is capped for each Executive at a percent of EBITDA. The percents for 2007 were 2% for Mr. Scheible, 1% for Mr. Blount and .5% for Messrs. Schmal and Juby. Favorable accounting and tax treatment of the various elements of our compensation program is a consideration in its design, but, because the Committee's policy is to maximize long-term stockholder value, it is not the sole consideration. Section 162(m) of the Internal Revenue Code (the Code) limits the deductibility of certain items of compensation to each of the Executives (or, the covered employees, for Code Section 162(m) purposes) to \$1,000,000 annually, unless the compensation qualifies as performance-based compensation exempt from the \$1,000,000 limitation. Long-term incentives are intended to qualify for the performance-based exception described above. We will continue to monitor the levels of compensation of our Executives and to consider whether other action should be taken in order to ensure deductibility of compensation payable to them, although we reserve the right to award compensation that is not deductible under Code Section 162(m) if we determine it to be in the best interests of the Company and our stockholders to do so.

Salary. The amounts shown as salaries in the Summary Compensation Table for 2007 represent amounts actually paid and may not be the same as current base salary levels.

Bonus. Amounts earned under the MIP, which in years prior to 2006 were reported in the Bonus column, are now reported in the Non-Equity Incentive Plan Compensation column.

Non-Equity Incentive Plan Compensation. The Company's annual Management Incentive Plan is designed to provide short-term incentive awards based upon the accomplishment by the Company of performance goals established at the beginning of each year. Awards are paid in cash during the first quarter of the following year.

Option/Stock Appreciation Rights Grants in 2007. During 2007, none of the Named Executive Officers received grants of stock options or stock appreciation rights.

Stock Awards. In 2007, the Compensation and Benefits Committee and the Board approved grants of RSUs under the 2004 Plan to our Named Executive Officers. These grants included Service RSUs that vest over a period of service and Performance RSUs that were based upon accomplishment of certain performance metrics.

The Service RSUs granted vest in three equal increments on the first, second and third anniversary of the date of grant and are payable 50% in shares of the Company's common stock and 50% in cash two years thereafter upon the termination of a mandatory holding period. The Performance RSUs vest in full on the second anniversary of the date of grant and are payable 50% in shares of the Company's common stock and 50% in cash two years thereafter upon the termination of a mandatory holding period.

Change in Pension Value and Deferred Compensation Earnings. Amounts shown in the Change in Pension Value and Non-Qualified Deferred Compensation column of the Summary Compensation Table represent only the aggregate increase in the present value of accumulated benefits under our Pension Plans and Supplemental Plans, as the Company does not have an active deferred compensation plan.

Additional Information regarding the Pension Benefits at 2007 Fiscal Year-End

The Riverwood International Employees Retirement Plan and Riverwood International Supplemental Retirement Plan. All U.S. salaried employees who satisfy the service eligibility criteria and who are not participants in the Graphic Packaging Retirement Plan (the GPIC Retirement Plan) are participants in the Riverwood International Employees Retirement Plan (the Employees Retirement Plan). Pension benefits under this plan are limited in accordance with the provisions of the Internal Revenue Code (the Code) governing tax-qualified pension plans. The Company also maintains the Riverwood International Supplemental Retirement Plan for participants in the Employees Retirement Plan that provides for payment to participants of retirement benefits equal to the excess of the benefits that would have been earned by each participant had the limitations of the Code not applied to the Employees Retirement Plan and the amount actually earned by such participant under such plan. Messrs. Humphrey, Coors, Scheible, Blount and Schmal are each eligible to participate in these pension plans. Benefits under the Riverwood International Supplemental Retirement Plan are not pre-funded; such benefits are paid by the Company.

Annual remuneration, defined as Salary in the Employees Retirement Plan, includes annual salary paid, amounts paid as bonuses under the annual incentive compensation plan and certain other bonus awards, but excludes payments under any equity incentive plan or long-term incentive plan.

As of December 31, 2007, Messrs. Scheible, Blount, Humphrey, Juby and Schmal had the completed years of credited service set forth above in the Pension Benefit Table. Estimated benefits have been calculated on the basis of a straight-life annuity form of payment and are not subject to a reduction to reflect the payment of Social Security benefits or other offset amounts. The years of service calculated for Mr. Scheible include years of service credited under the GPIC Retirement Plan described below. Mr. Scheible participated in the GPIC Retirement Plan until January 1, 2005 when he was transferred into the Employees Retirement Plan.

GPIC Retirement Plan. The Company's U.S. salaried employees who (i) were previously employed by GPIC, (ii) satisfy the service eligibility criteria and (iii) do not participate in the Employees Retirement Plan participate in the GPIC Retirement Plan. Pension benefits under the GPIC Retirement Plan are limited in accordance with the provisions of the Code governing tax qualified pension plans. GPIC also maintains the Graphic Packaging Supplemental Retirement Plan that provided the benefits that were not payable from the qualified retirement plan because of limitations under the Code. None of the Company's Named Executive Officers participated in the GPIC Retirement Plan during 2007.

Supplemental Executive Pension Plan. In April 2006, the Company established the Graphic Packaging International, Inc. Supplemental Executive Pension Plan for Mr. Humphrey. Pursuant to this plan, Mr. Humphrey received a benefit equal to the amount that he would be paid for an additional 22 years of service under the Employees Retirement Plan described above, \$5,000,000 in a lump sum payment on March 31, 2007. The benefit paid under the plan was not pre-funded, and the plan was intended to be a nonqualified, deferred compensation plan.

Deferred Compensation. None of the named Executive Officers participated in a deferred compensation plan in 2007.

EMPLOYMENT AGREEMENTS AND TERMINATION OF EMPLOYMENT ARRANGEMENTS**Employment Agreements**

Each of the Named Executive Officers has an employment agreement with GPC that is being continued by the Company, except for Mr. Humphrey who retired on December 31, 2007. Each of the agreements with Messrs. Blount, Juby and Schmal has an initial term of one year beginning on July 20, 2006. Mr. Scheible's agreement has an initial one year term beginning on August 8, 2007 and Mr. Humphrey's agreement has a one year term beginning January 1, 2007. Each agreement other than Mr. Humphrey's automatically extends upon the same terms and conditions for additional one-year periods until terminated by the Company or the Named Executive Officer.

Each of the agreements provides the minimum base salary set forth in the table below and the right to participate in the Company's incentive compensation programs for senior executives at a level commensurate with the Named Executive Officer's position and duties with the Company and based on such performance targets as may be established from time to time by the Company's Board of Directors or a committee thereof. Each of the agreements provide for an annual target bonus opportunity for 2007 equal to the percentage of base salary set forth in the table below.

Each of the agreements specifies that during the executive's employment, the Company shall provide certain employee benefits, including life, medical, dental, accidental death and dismemberment, business travel accident, prescription drug and disability insurance in accordance with the programs of the Company then available to its senior executives. The executives are also entitled to participate in all of the Company's profit sharing, pension, retirement, deferred compensation and savings plans applicable to senior executives, as such plans may be amended and in effect from time to time.

During each year of employment, each of the Named Executive Officers are entitled to a perquisite allowance of \$20,000. This allowance may be used by the Named Executive Officer for, among other things,

Table of Contents

tax preparation services, financial planning services, home security services, executive physicals, dues of airline, luncheon, country or athletic clubs or automobile expenses.

In the event that a Named Executive Officer's employment is terminated due to a disability that prevents the performance of his duties for a period of six months or longer, the Company shall pay his full base salary through the date of termination. In the case of termination due to death, the Company will pay his full base salary for the payroll period in which death occurs, plus an additional one month's salary. In addition to base salary payments, a Named Executive Officer terminated due to disability or death will receive a pro-rated bonus for the portion of the calendar year in which his termination of employment occurs.

With respect to each of Messrs. Scheible, Blount, Juby and Schmal, in the event that the Company terminates his employment without cause, or any of them terminates his employment for good reason, the agreements provide for severance of:

base salary for a period ending on the first anniversary of the date of termination (on the second anniversary with respect to Mr. Scheible);

welfare benefits for a period ending on the first anniversary of the date of termination;

a pro-rata incentive bonus for the year in which termination occurs, assuming that all performance targets had been achieved as of the date of termination (multiplied by two with respect to Mr. Scheible); and

outplacement and career counseling services with a value not in excess of \$25,000.

See Potential Payments Upon Termination Without Cause or for Good Reason.

Each of the agreements provides that the Named Executive Officer may not work for a competitor of the Company for a period of one year after his employment terminates (two years with respect to Mr. Scheible). Each of the executives is also prohibited from (i) employing or soliciting employees of the Company for employment, (ii) interfering with the Company's relationship with its employees or (iii) soliciting or attempting to establish any competitive business relationship with a customer, client or distributor of the Company for a period of one year after termination of employment (two years with respect to Mr. Scheible).

benefits available prior to the occurrence of any termination of employment and benefits available to all salaried employees, such as distributions under the Company's 401(k) Savings Plans and accrued vacation pay. These benefits are also in addition to the benefits described above in the Pension Benefits at Fiscal Year-End 2007 Table.

The actual amounts that would be paid upon a Named Executive Officer's termination of employment can be determined only at the time of an executive's actual separation from the Company. Due to the number of factors that affect the nature and amount of any benefits provided upon the events discussed below, any actual amounts paid or distributed may be higher or lower than reported below. Factors that could affect these amounts include the timing during the year of any such event, the maximum payouts under any incentive plans, and the executive's age.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Board recognizes that Related Party Transactions (as defined below) can present potential or actual conflicts of interest and create the appearance that Company decisions are based on considerations other than the best interests of the Company and its stockholders. In March 2007, the Board of GPC delegated authority to the Audit Committee to review and approve Related Party Transactions, and the Audit Committee has adopted a Policy Regarding Related Party Transactions.

The Policy Regarding Related Party Transactions defines a Related Party Transaction as any transaction, arrangement or relationship (including any indebtedness or guarantee of indebtedness) in which (a) the aggregate amount involved will or may be expected to exceed \$120,000 in any fiscal year, (b) the Company is a participant, and (c) any Related Party (as defined below) has or will have a direct or indirect interest, other than an interest that arises solely as a result of being a director or beneficial owner of less than 10% of another entity. The policy defines a Related Party as any (a) person who is or was since the beginning of the last fiscal year an executive officer, director or nominee for election as a director of the Company, (b) any beneficial owner of more than 5% of the Company's common stock, (c) an immediate family member of any of the foregoing, or (d) any firm, corporation or other entity in which any of the foregoing is employed, is a principal or serves in a similar position, or has a beneficial ownership of more than 5%.

Table of Contents

The Policy Regarding Related Party Transactions provides that the Audit Committee shall review all of the material facts and circumstances of all Related Party Transactions and either approve, ratify or disapprove of the entry into the Related Party Transaction. In determining whether to approve a Related Party Transaction, the Audit Committee will take into account, among other factors it deems appropriate, whether the Related Party Transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances, the benefits to the Company, the extent of the Related Person's interest in the transaction, and if the Related Party is a director or a nominee for director, the impact on such director's independence. The policy provides that certain Related Party Transactions, including certain charitable contributions, transactions involving competitive bids and transactions in which all stockholders receive proportional benefits, are pre-approved and do not require an individual review by the Audit Committee.

You may find a copy of the Policy Regarding Related Party Transactions on the Company's website at www.graphicpkg.com in the Investor Relations section under Corporate Governance.

Stockholders Agreement

On July 9, 2007 certain entities that would become significant stockholders of GPHC after the completion of the Altivity Transaction (the Covered Stockholders) entered into a Stockholders Agreement, that became effective upon completion of the Altivity Transaction (the Stockholders Agreement). The Covered Stockholders are certain Coors family trusts (the Coors Family Stockholders), the CD&R Fund, EXOR, Field Holdings, Inc. and certain affiliates of TPG Capital, LP (the TPG Entities). The parties made agreements regarding matters further described below, that, among other things: (i) provide the Covered Stockholders certain rights to designate members of GPHC's Board of Directors; (ii) restricts the ability of the Covered Stockholders to transfer their shares of GPHC common stock; and (iii) limits the Covered Stockholders from acquiring additional shares of GPHC common stock and from taking certain other actions with respect to GPHC.

Composition of GPHC's Board of Directors. Under the terms of the Stockholders Agreement, the Board of Directors of GPHC will initially consist of thirteen members, which will include eight of the nine members of GPC's Board of Directors prior to the closing of the Altivity Transaction, classified into three classes. Class I will initially consist of five members, and classes II and III will each initially consist of four members. The initial term of each class, starting with Class I, will expire at the first, second and third annual meetings of stockholders following the completion of the Altivity Transaction.

Upon consummation of the Altivity Transaction, GPHC's Board of Directors will consist of John R. Miller (who will be the Chairman), G. Andrea Botta, Jeffrey H. Coors, Kevin J. Conway, Harold R. Logan, Jr., David W. Scheible, John D. Beckett, Robert W. Ticken, George V. Bayly, Kelvin L. Davis, Michael G. MacDougall, Jeffrey Liaw and Jack A. Fusco. Jeffrey H. Coors is the Coors Family Stockholders' designee; Kevin J. Conway is the CD&R Fund's designee; and G. Andrew Botta is EXOR's designee. Kelvin L. Davis, Michael G. MacDougall and Jeffrey Liaw are the TPG Entities' designees.

Designation Rights. The Stockholders Agreement provides that each of the Coors Family Stockholders, the CD&R Fund, EXOR and the TPG Entities will have the right, subject to requirements related to stock ownership, to designate a certain number of individuals for nomination for election to the Board of Directors of GPHC as described below. Each of the Coors Family Stockholders, the CD&R Fund and EXOR is entitled to designate one individual for nomination for election to the Board for so long as each such stockholder owns at least 3% of the fully diluted shares of GPHC common stock.

The TPG Entities, as a group, are entitled to designate the following number of individuals for nomination for election to the GPHC Board of Directors for so long as they meet the requirements related to stock ownership specified below:

three individuals for so long as the TPG Entities own at least 20% of the fully diluted shares of GPHC common stock in the aggregate;

Table of Contents

two individuals for so long as the TPG Entities own at least the lesser of (i) 16% of the fully diluted shares of GPHC common stock in the aggregate or (ii) the percentage of GPHC common stock then held by the Coors Family Stockholders, but not less than 10%; and

one individual for so long as the TPG Entities own at least 3% of the fully diluted outstanding shares of GPHC common stock.

The Stockholders Agreement further provides that each of the other directors, not designated in the manner described above, will be independent directors, as described below, designated for nomination by the Nominating and Corporate Governance Committee of the Board.

Pursuant to the Stockholders Agreement, at each meeting of the stockholders of GPHC at which directors of GPHC are to be elected, GPHC will recommend that the stockholders elect to the Board of Directors of GPHC the designees designated by the Coors Family Stockholders, the CD&R Fund, EXOR and the TPG Entities. In addition, the then-serving Chief Executive Officer of GPHC shall be nominated for election to the Board.

In the event that the Coors Family Stockholders, the CD&R Fund, EXOR or the TPG Entities lose the right to designate a person to the Board, such designee will resign immediately upon receiving notice from the Nominating and Corporate Governance Committee that it has identified a replacement director, and will resign in any event no later than 120 days after the designating person or entity loses the right to designate such designee to the Board. The Board seat formerly occupied by such designee shall become a seat for an additional GPHC independent director to be selected solely by the Nominating and Corporate Governance Committee, or the Board may determine to reduce its size by the number of vacated Board seats.

An independent director is a director who: (i) is not an officer or employee of GPHC or any of its affiliates, (ii) is not an officer or employee of any Covered Stockholder or, if such Covered Stockholder is a trust, a direct or indirect beneficiary of such trust and (iii) meets the standards of independence under applicable law and the requirements applicable to companies listed on the NYSE.

Agreement to Vote for Directors; Vacancies. Each Covered Stockholder agrees to vote all of the shares owned by such Covered Stockholder in favor of the CEO director and each of the parties' designees to the Board, and to take all other steps within such Covered Stockholder's power to ensure that the composition of the Board is as contemplated by the Stockholders Agreement.

As long as the Coors Family Stockholders, the CD&R Fund, EXOR or the TPG Entities, as the case may be, has the right to designate a person for nomination for election to the Board, at any time at which the seat occupied by such party's designee becomes vacant as a result of death, disability, retirement, resignation, removal or otherwise, such party will be entitled to designate for appointment by the remaining directors an individual to fill such vacancy and to serve as a director. GPHC and each of the Covered Stockholders has agreed to take such actions as will result in the appointment to the Board as soon as practicable of any individual so designated by the Coors Family Representative, the CD&R Fund, EXOR or the TPG Entities.

In addition, each Covered Stockholder has agreed that: (i) it will not vote or give any proxy or written consent in favor of the removal as a director of GPHC of any of the designees of the Covered Stockholders (other than such Covered Stockholders own designee) without the prior written consent of the applicable Covered Stockholder unless such designee has taken any action contrary to the Stockholders Agreement; (ii) it will not give any proxy with respect to shares of GPHC common stock entitling the holder of such proxy to vote on the election of directors unless the holder of such proxy has agreed to comply with the obligations of the Stockholders Agreement; and (iii) if, in connection

with the election of any director, any Covered Stockholder indicates that it will not vote as required by the Stockholders Agreement or votes or gives any proxy in contravention of the Stockholders Agreement, such breaching Covered Stockholder constitutes the Covered Stockholder whose interests are detrimentally affected by such failure to vote as the breaching Covered Stockholder's irrevocable proxy and attorney-in-fact to vote the breaching Covered Stockholder's shares in accordance with the Stockholders Agreement.

Table of Contents

At any time at which a vacancy is created on the Board as a result of the death, disability, retirement, resignation, removal or otherwise of one of the independent directors before the expiration of his or her term as director, the Nominating and Corporate Governance Committee will notify the Board of a replacement who is a GPHC independent director. Each of GPHC and the Covered Stockholders has agreed to take such actions as will result in the appointment of such replacement to the Board as soon as practicable.

Actions of the Board of Directors; Affiliate Agreements. The Stockholders Agreement provides that actions of the Board will require the affirmative vote of at least a majority of the directors present in person or by telephone at a duly convened meeting at which a quorum is present, or the unanimous written consent of the Board, except that a Board decision regarding the merger, consolidation or sale of substantially all the assets of GPHC will require the affirmative vote of a majority of the directors then in office. In addition, a decision by GPHC to enter into, modify or terminate any agreement with an affiliate of the Coors Family Stockholders, the CD&R Fund, EXOR or the TPG Entities will require the affirmative vote of a majority of the directors not nominated by a Covered Stockholder which, directly or indirectly through an affiliate, has an interest in that agreement.

Committees of the Board of Directors. The Stockholders Agreement provides for the Board to have an Audit Committee, a Compensation and Benefits Committee and a Nominating and Corporate Governance Committee as follows:

the Audit Committee will have at least three members, each of whom will be an independent director;

the Compensation and Benefits Committee will have three members, each of whom will be an independent director;

the Nominating and Corporate Governance Committee will have five members, consisting of the directors designated by the Coors Family Stockholders, the CD&R Fund, EXOR and two of the directors designated by the TPG Entities. The chairman of the Nominating and Corporate Governance Committee shall be any member of the committee chosen by an affirmative vote of a majority of the members of the committee; provided, however, that initially the chairman shall be John R. Miller, who shall be a non-voting chairman, and in which case the committee shall have six members.

Each of GPHC and the Covered Stockholders has agreed to take all steps within their power to ensure that the composition of the Board's committees are as provided in the Stockholders Agreement. The rights described above of each of the Covered Stockholders to have its director designee sit as a member of Board committees will cease at such time as such stockholder holds less than 3% of the fully diluted shares of GPHC common stock, and in the case of the two TPG Entities' designees on the Nominating and Corporate Governance Committee, one such designee shall resign from the committee at such time as the TPG Entities have the right to designate only one director for nomination for election to the Board. The GPHC Board of Directors will fill any committee seats that become vacant in the manner provided in the preceding sentence with independent directors. The Board is prohibited from forming an executive committee.

Transfer Restrictions. The Covered Stockholders are generally restricted from transferring their shares until the expiration of a lock-up period of 180 days after closing of the transactions. After the expiration of the lock-up period, the Covered Stockholders may transfer their shares:

to GPHC or in a transaction approved by the GPHC Board of Directors;

to certain affiliated permitted transferees that agree to be bound by the Stockholders Agreement;

pursuant to a public offering; or

pursuant to a transfer made in accordance with Rule 144 of the Securities Act or that is exempt from the registration requirements of the Securities Act, to any person so long as such transferee would not own in excess of 5% of the fully diluted shares of GPHC common stock.

The share certificates owned by each Covered Stockholder or the statements reflecting the book-entry ownership of shares by each Covered Stockholder will bear customary legends with respect to transfer restrictions.

Table of Contents

Standstill Agreement. The Covered Stockholders are also subject to standstill provisions that generally restrict the Covered Stockholders from acquiring additional equity securities of GPHC (or any rights to purchase equity securities) that would increase such Covered Stockholder's beneficial ownership of GPHC common stock on a percentage basis greater than the percentage held as of the closing date of the Altivity Transaction, or otherwise take action to increase such Covered Stockholder's control over GPHC. These restrictions prohibit the Covered Stockholders from taking the following actions, among other items:

acquiring the beneficial ownership of additional equity securities (or the rights to purchase equity securities) of GPHC, subject to certain exceptions;

making or participating in any solicitation of proxies to vote any securities of GPHC in an election contest;

participating in the formation of a group with respect to shares of GPHC common stock (except to the extent such group is formed with respect to the Stockholders Agreement or the Registration Rights Agreement);

granting any proxy to any person other than GPHC or its designees to vote at any meeting of the GPHC stockholders;

initiating or soliciting stockholders for the approval of one or more stockholder proposals with respect to GPHC;

seeking to place a representative on the GPHC Board of Directors, except as contemplated by the Stockholders Agreement;

seeking to publicly call a meeting of the GPHC stockholders;

making any public announcement or proposal with respect to any form of business combination involving GPHC; and

disclosing any plan to do any of the foregoing or assist or encouraging any third party to do any of the foregoing.

Once the TPG Entities transfer GPHC common stock such that their aggregate percentage holdings of the outstanding GPHC common stock drops below 25%, and then below 15%, respectively, the TPG Entities may not acquire beneficial ownership on a percentage basis of shares greater than 25% or 15%, as the case may be.

Effectiveness; Term of Stockholders Agreement.

The Stockholders Agreement became effective upon the closing of the Altivity Transaction. The Stockholders Agreement will terminate under the following circumstances:

by the unanimous consent of GPHC and the Covered Stockholders;

with respect to any Covered Stockholder, at such time as such Covered Stockholder holds less than 3% of the fully diluted shares of GPHC common stock;

except with respect to the standstill provisions, at such time as no more than one of the Covered Stockholders holds more than 3% of the fully diluted shares of GPHC common stock;

except with respect to the standstill provisions, at such time as approved by each of the Covered Stockholders who holds in excess of 3% of the fully diluted shares of GPHC common stock; or

upon the fifth anniversary of the effective date of the Stockholders Agreement; *provided, however*, that the confidentiality provisions of the Stockholders Agreement shall survive for one year following the termination of the Stockholders Agreement.

Notwithstanding the foregoing, the standstill provisions of the Stockholders Agreement will terminate on the earlier of the date on which the TPG Entities or the Covered Stockholders other than the TPG Entities collectively, beneficially own less than 10% of the fully diluted shares of GPHC common stock and the third anniversary of the closing of the Altivity Transaction; *provided, however*, that in no event will the standstill

provisions of the Stockholders Agreement terminate prior to the second anniversary of the closing of the Altivity Transaction.

Registration Rights Agreement

On July 7, 2007, GPHC, and the Coors Family Stockholders, the CD&R Fund, EXOR, the TPG Entities and certain other anticipated stockholders of GPHC entered into a Registration Rights Agreement.

Such Registration Rights Agreement became effective immediately upon the completion of the Altivity Transaction. The Registration Rights Agreement provides that 180 days following the closing, the stockholder parties to the agreement representing 10% of the number of outstanding shares of GPHC (for the first two requests) and 5% at all times thereafter (which percentage drops to 3% to the extent the stockholder has held less than 5% for more than 180 days prior to the request), may request on one or more occasions that GPHC prepare and file a registration statement (including, except as to the initial registration, a shelf registration statement pursuant to Rule 415 under the Securities Act, providing for an offering to be made on a continuous basis, if so requested and if GPHC is eligible to use Form S-3) relating to the sale of their GPHC common stock. Notwithstanding the previous sentence, the first request must be made by at least two of four of the Coors Family Stockholders, the CD&R Fund, EXOR and the TPG Entities, although only one of such four stockholders actually need offer its shares, and the first registration and offering must be a marketed underwritten offering.

Upon receipt of such a request, GPHC is required to promptly give written notice of such requested registration to all holders of registrable securities under the Registration Rights Agreement and, thereafter, to use its reasonable best efforts to effect the registration under the Securities Act of all registrable securities which it has been requested to register pursuant to the terms of the Registration Rights Agreement. GPHC is not required to effect a registration requested by the stockholder parties for 180 days after the effectiveness of the registration statement for the first registration effected pursuant to such a request. In all cases, GPHC's obligations to register the registrable securities are subject to the minimum and maximum offering size limitations set forth below.

The stockholder parties have the right to request that any offering requested by them under the Registration Rights Agreement be an underwritten offering. In such case, the requesting stockholder parties by majority of shares requested to be included in the registration will have the right to select one or more underwriters to administer the requested offering, subject to approval by the finance committee (described below), which shall not be unreasonably withheld.

With respect to the first two requests to effect a registration, GPHC will not be required to effect such registration if such requests relate to less than 10% of the outstanding shares of common stock. Any request for registration after the first two requests will be subject to a minimum offering size of 5% of the outstanding shares of GPHC common stock.

If the stockholder parties request registration of any of their shares of GPHC common stock, GPHC is required to prepare and file a registration statement with the SEC as soon as possible, and no later than 60 days after receipt of the request (45 days in the case of a Form S-3 registration statement), subject to the right of GPHC and the finance committee described below to delay such filing.

GPHC is permitted to postpone an offering for a reasonable time period that does not exceed 60 days if the GPHC Board of Directors determines that the offering would reasonably be expected to materially adversely affect or materially interfere with a material financing of GPHC or a material transaction under consideration by GPHC or would require disclosure of information that has not been, and is not otherwise required to be, disclosed to the public, the premature disclosure of which could materially adversely affect GPHC, subject to certain limitations.

If GPHC is participating in a sale with other stockholders who have requested registration and GPHC and holders of a majority of the shares requesting registration determine that the offering should be limited due to market conditions, GPHC is permitted to include no more than 25% of its shares in the total number of shares of GPHC common stock being offered in such offering.

Table of Contents

Incidental Registration Rights. In the event that GPHC proposes to register equity securities, subject to certain limitations, GPHC is required to promptly give written notice of such proposed registration to all holders of registrable securities (as defined below). Under certain circumstances, GPHC will be obligated to include in such registration the securities of such stockholders desiring to sell their GPHC common stock. If GPHC is advised by the managing underwriters (or, in connection with an offering that is not underwritten, by an investment banking firm of nationally recognized standing involved in such offering) that the offering should be limited due to market conditions, securities being sold by GPHC will have priority in being included in such registration.

Fees and Expenses. GPHC is generally obligated to pay the expenses related to such registrations, except in the cases where stockholders requesting registration have refused to proceed with the transaction.

Finance Committee. Under the terms of the Registration Rights Agreement, GPHC and the GPHC stockholders party thereto will create a finance committee which will initially consist of two representatives designated by the TPG Entities, the Chief Executive Officer of GPHC, and one representative of each of the Coors Family Stockholders, the CD&R Fund and EXOR. Each party's right to membership on the Finance Committee ends at the same time as its right to nominate members of the GPHC Board of Directors ends under the Stockholders Agreement. The finance committee will have the authority to specify reasonable limitations on a registration or offering requested pursuant to the Registration Rights Agreement, including setting the maximum size of the registration or offering, the timing of registration or offering, the underwriters and the plan of distribution. Notwithstanding the foregoing, the finance committee does not have the authority to delay a proposed registration or offering for more than three months, subject to certain further limitations.

Termination. The Registration Rights Agreement will terminate on the earliest to occur of its termination by unanimous consent of the parties thereto, the date on which no shares of GPHC common stock subject to the agreement are outstanding, or the dissolution, liquidation or winding up of GPHC.

The CD&R Fund

The CD&R Fund is a private investment fund managed by CD&R. The general partner of the CD&R Fund is Associates V, and the general partners of Associates V are Associates II, CD&R Investment Associates, Inc., and CD&R Cayman Investment Associates, Inc. Mr. Ames, who served as Director Emeritus on the Board of Directors of GPC, is a principal of CD&R, a Director of Associates II and a limited partner of Associates V, was the Chairman of the Board of Riverwood Holding, Inc., the predecessor to GPC (Riverwood), until the merger of such company with GPIC to form GPC. Mr. Conway, who is a principal of CD&R, a Director of Associates II and a limited partner of Associates V, is one of the Company's Directors.

Riverwood entered into an indemnification agreement dated March 27, 1996, with CD&R and the CD&R Fund pursuant to which Riverwood agreed to indemnify CD&R, the CD&R Fund, Associates V, Associates II, together with any other general partner of Associates V, and their respective directors, officers, partners, employees, agents, advisors, representatives and controlling persons against certain liabilities arising under the federal securities laws, liabilities arising out of the performance of a certain consulting agreement between Riverwood and CD&R that is no longer effective, and certain other claims and liabilities.

Management Indebtedness

In November 1999, Riverwood loaned Stephen M. Humphrey, who at that time was Riverwood's President and Chief Executive Officer, \$5.0 million pursuant to a full-recourse, non-interest bearing promissory note, which was amended in December 2001. The promissory note became due and payable on March 26, 2007 and was repaid in full.

The Sarbanes-Oxley Act of 2002 prohibits the granting of any personal loans to or for the benefit of any executive officers or directors and the modification or renewal of any such existing personal loans. Neither GPC nor the Company has granted any new personal loans to or for the benefit of the executive officers or directors or modified or renewed the loan to Mr. Humphrey since the effective date of such provision.

Coors and Christian Coors Ficeli are directors of Adolph Coors Co., LLC, a Wyoming limited liability company that serves as the sole trustee of seven of the Coors family trusts. Collectively, William K. Coors, Jeffrey H. Coors, the Coors family trusts and the Adolph Coors Foundation own 18.35% of the Company's outstanding common stock. In addition, one of those trusts owns approximately 30% of the voting common stock of Molson Coors Brewing Company (formerly, the Adolph Coors Company) and a related entity owns 100% of CoorsTek, Inc. (CoorsTek).

Jeffrey H. Coors, John K. Coors, Joseph Coors, Jr., Peter H. Coors and William Grover Coors are brothers. Jeffrey H. Coors served as GPC's Vice Chairman until December 31, 2007 and continues to serve as a member of the Board of Directors. Timothy I. Coors is the son of Jeffrey H. Coors and was an employee of the Company until December 20, 2007. J. Bradford Coors and Douglas M. Coors are the sons of Joseph Coors, Jr., and employees of CoorsTek. Melissa E. Coors and Christian Coors Ficeli are Peter H. Coors' daughters and employees of Molson Coors Brewing Company. Peter J. Coors is the son of Peter H. Coors is an executive officer and director of Molson Coors Brewing Company. John K. Coors is an executive officer and director of CoorsTek. The Company and GPC, Molson Coors Brewing Company and CoorsTek, or their subsidiaries, have certain business relationships and have engaged in certain transactions with one another, as described below.

Transactions with Adolph Coors Company. On December 28, 1992, GPIC was spun off from Adolph Coors Company and since that time Adolph Coors Company has had no ownership interest in GPIC. However, certain Coors family trusts had significant interests in both GPIC and Adolph Coors Company. GPIC also entered into various business arrangements with the Coors family trusts and related entities from time-to-time since its spin-off. GPIC's policy was to negotiate market prices and competitive terms with all third parties, including related parties.

GPIC originated as the packaging division of Adolph Coors Company. At the time of the spin-off from Adolph Coors Company, GPIC entered into an agreement with Coors Brewing Company to continue to supply its packaging needs. GPC executed a supply agreement, effective April 1, 2004, with Coors Brewing Company (now a subsidiary of Molson Coors Brewing Company) that expires on December 31, 2009. GPC and the Company continue to sell packaging products to Molson Coors Brewing Company; such sales accounted for approximately \$85 million of GPC's consolidated net sales for the year ended December 31, 2007.

One of the Company's subsidiaries, Golden Equities, Inc., is the general partner of Golden Properties, Ltd., a limited partnership in which Coors Brewing Company is the limited partner. Prior to August 2003, Golden Equities, Inc. was a subsidiary of GPIC. The partnership owns, develops, operates and sells certain real estate previously owned directly by Coors Brewing Company or Adolph Coors Company. As of December 31, 2007, GPC owed Golden Properties, Ltd. approximately \$2.9 million of debt and accrued interest. GPC received a distribution of capital of \$.8 million in 2007, as well as approximately \$.6 million as a distribution of earnings.

Transactions with CoorsTek. The spin-off of CoorsTek from GPIC was made pursuant to a distribution agreement between GPIC and CoorsTek in December 1999. It established the procedures to affect the spin-off and contractually provided for the distribution of the CoorsTek common stock to GPIC's stockholders, the allocation to CoorsTek of certain assets and liabilities and the transfer to and assumption by CoorsTek of those assets and liabilities. In the distribution agreement, CoorsTek agreed to repay all outstanding intercompany debt owed by CoorsTek to GPIC together with a special dividend. The total amount of the repayment and the special dividend was \$200 million. Under the distribution agreement, GPIC and CoorsTek each agreed to retain, and to make available to the other, books and records and related assistance for audit, accounting, claims defense, legal, insurance, tax, disclosure, benefit

administration and other business purposes. CoorsTek also agreed to indemnify GPIC if the CoorsTek spin-off is taxable under certain circumstances or if GPIC incurred certain liabilities. The tax sharing agreement defines the parties' rights and obligations with respect to

deficiencies and refunds of federal, state and other taxes relating to the CoorsTek business for tax years preceding the CoorsTek spin-off and with respect to certain tax attributes of CoorsTek after the CoorsTek spin-off.

Sale of Swedish Operations. On October 16, 2007, Graphic Packaging International Holding Sweden AB, an indirect wholly-owned subsidiary of GPC (the Seller), entered into a Sale and Purchase Agreement with Lagrummet December nr 1031 Aktiebolag, a company organized under the laws of Sweden that will be renamed Fiskeby International Holding AB (the Purchaser) and simultaneously completed the transactions contemplated by such agreement. The Purchaser is affiliated with Jeffrey H. Coors, a member of GPHC's Board of Directors. Pursuant to such Purchase and Sale Agreement, the Purchaser acquired all of the outstanding shares of Graphic Packaging International Sweden AB (the Swedish Company). The Swedish Company and its subsidiaries are in the business of developing, manufacturing and selling paper and packaging boards made from recycled fiber.

The Sale and Purchase Agreement specifies that the purchase price is \$8.6 million and contains customary representations, warranties and indemnifications by the Seller. In addition, the Sale and Purchase Agreement requires GPC to provide certain transition services with respect to information technology to the Swedish Company for a period of 60 days and to provide certain technical assistance services to the mill pursuant to a Technical Assistance Agreement for a period of three years after the sale. The Purchaser entered into a Supply Agreement with GPC pursuant to which GPC will purchase its requirements for coated recycled board in the European Union from the Purchaser at competitive prices. In 2007, GPC purchased approximately \$2,297,919 of paperboard from the Purchaser.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. Beckett, Botta, Fields and Logan were the members of the Compensation and Benefits Committee during 2007. None of the members was an officer or employee of the Company. Mr. Coors, the Company's Vice Chairman, serves on the Board of Directors of R.W. Beckett Corporation. Mr. Beckett is the Chairman of the R.W. Beckett Corporation. In addition to the use of the mail, proxies may be solicited personally by telephone by certain employees. The Company will reimburse brokers or other persons holding stock in their names or in the names of nominees for their expense in sending proxy materials to principals and obtaining their proxies.

Where a choice is not so specified, the shares represented by the proxy will be voted **FOR** the election of each of the nominees for Director.

Management is not aware of any matter other than the election of Directors that will be presented for action at the Annual Meeting, but if any other matters do properly come before the Annual Meeting, the persons named as proxies will vote upon such matters in accordance with their best judgment.

In the election of Directors, a specification to withhold authority to vote for any of the nominees will not constitute an authorization to vote for any other nominee.

Some banks, brokers or other nominee record holders of the Company's common stock may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of the Company's Proxy Statement or Annual Report may have been sent to multiple stockholders in the same household.
