PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Conseco, Inc. (Conseco or the Company) for the Annual Meeting of Shareholders (the Annual Meeting) to be held at the Conseco Conference Center, 11825 North Pennsylvania Street, Carmel, Indiana on May 12, 2009, at 8:00 a.m., Eastern Daylight Time. It is expected that this Proxy Statement and proxy will be mailed to the shareholders on or about April 23, 2009.

Solicitation of Proxies

The enclosed proxy is solicited by our Board of Directors. Proxies may be solicited by mail, telephone, internet or in person. Proxies may be solicited by the Conseco Directors (including James Prieur, Conseco's Chief Executive Officer) and by Edward Bonach, Conseco's Chief Financial Officer. No additional compensation will be paid to such individuals for the solicitation of proxies. In addition, the Company has retained Georgeson Inc. to assist in soliciting proxies (and providing advisory and related services) for a fee of up to \$50,000, plus distribution costs and other out-of-pocket expenses. In its engagement agreement with Georgeson Inc., the Company has agreed not to engage any other proxy solicitation firm in connection with the Annual Meeting and has agreed to engage Georgeson Inc. as its sole proxy solicitor should the Company during the next year become the subject of a threatened or actual hostile contest for control.

All expenses relating to the preparation and mailing to the shareholders of the Notice, this Proxy Statement and the form of proxy are to be paid by Conseco, including the proxy solicitation costs described above. To date Conseco has paid approximately \$25,000 relating to the solicitation of proxies for the Annual Meeting, and the Company estimates that its total expenditures in connection with the solicitation of proxies, including the costs of printing and distributing proxy materials to its shareholders, will be approximately \$245,000.

If the enclosed form of proxy is properly executed and returned in time for the meeting, the named proxy holders will vote the shares represented by the proxy in accordance with the instructions marked on the proxy. Proxies returned unmarked will be voted for each of the board's nominees for director (Proposal 1), for the approval of the Section 382 Stockholders Rights Plan (Proposal 2), for the approval of the Amended and Restated Long-term Incentive Plan (Proposal 3) and for the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for 2009 (Proposal 4). A shareholder may revoke a proxy at any time before it is exercised by mailing or delivering to Conseco a written notice of revocation or a later-dated proxy, or by attending the meeting and voting in person.

Only holders of record of shares of Conseco's common stock as of the close of business on March 16, 2009, will be entitled to vote at the meeting. On such record date, Conseco had 184,823,258 shares of common stock outstanding and entitled to vote. Each share of common stock will be entitled to one vote with respect to each matter submitted to a vote at the meeting. The presence in person or by proxy of the holders of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting is necessary to constitute a quorum.

Table of Contents

If you hold your shares in street name (that is, if you hold your shares through a broker, bank or other holder of record), you may be able to vote by telephone or via the Internet. Please refer to the information on the voting instruction form forwarded to you by your bank, broker or other holder of record to see which voting options are available to you.

You may receive proxy solicitation materials from Otter Creek Partners I, LP, Otter Creek Management, Inc., Otter Creek International Ltd. and Roger Keith Long (collectively, the Otter Creek Entities) in connection with the nomination of R. Keith Long to be a director of Consecoco. The Board of Directors recommends that you **not** sign or return the gold proxy card that may be sent to you by the Otter Creek Entities.

If you want to vote in person at the Annual Meeting and you hold your shares in street name, you must obtain a legal proxy from your bank, broker or other holder of record authorizing you to vote. You must then bring the legal proxy to the Annual Meeting.

The election of directors (Proposal 1), because it is a contested election, will be determined by the plurality of the votes cast by the holders of shares represented (in person or by proxy) and entitled to vote at the Annual Meeting provided a quorum is present. Consequently, the nine nominees who receive the greatest number of votes cast will be elected as directors of the Company. The vote required to approve the Section 382 Stockholders Rights Plan and the Amended and Restated Long-term Incentive Plan (Proposals 2 and 3) is the affirmative vote of the holders of a majority of the shares represented and entitled to vote at the Annual Meeting. The vote required to approve the ratification of the appointment of our independent registered public accounting firm (Proposal 4) is the affirmative vote of the holders of a majority of the shares represented and entitled to vote at the Annual Meeting. Shares present which are properly withheld as to voting, and shares present with respect to which a broker indicates that it does not have authority to vote (broker non-votes), will not be counted for any purpose other than determining the presence of a quorum at the Annual Meeting. Abstentions from voting will have the same legal effect as voting against Proposal 2, Proposal 3 and Proposal 4.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE SHAREHOLDER MEETING TO BE HELD ON MAY 12, 2009

Under new Securities and Exchange Commission (SEC) rules, you are receiving this notice that the proxy materials for the Annual Meeting are available on the Internet. The proxy statement and the annual report to shareholders are available at *www.proxyvote.com*.

Board Meetings and Attendance

During 2008, the board of directors met on 14 occasions. Of the nine directors nominated for re-election, eight had perfect attendance at the meetings of the board and the meetings of the committees on which they served. The other director attended 21 of 25 meetings during the year. The independent directors regularly meet in executive session without the CEO or any other member of management. Mr. Hilliard presides at such executive sessions.

Director Independence

The Board annually determines the independence of directors based on a review by the directors. Although the board of directors has not adopted categorical standards of materiality for independence purposes, no director is considered independent unless the board has determined that he or she has no material relationship with Consecoco, either directly or as an officer, shareholder or partner of an organization that has a material relationship with Consecoco. Material relationships can include commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships, among others. The board considers the New York Stock Exchange guidelines in making its determination regarding independence and the materiality of any relationships with Consecoco. Under the NYSE corporate governance standards, a director is not independent if he or she has been an employee or executive officer of the Company within the last three years. Because Mr. Hilliard was employed by Consecoco and served as Executive Chairman from August 2004 until September 2005, the board had previously determined that Mr. Hilliard was not independent, consistent with rules of the New York Stock Exchange. In October 2008 the board reconsidered Mr. Hilliard's status and relationship with the Company and determined that due to the passage of more than three years since his brief employment by the Company and the absence of any material relationship with the Company that he should be considered an independent director. The board has determined that all current directors other than Mr. Prieur are independent.

Approval of Related Party Transactions

Transactions and agreements with related persons (directors and executive officers or members of their immediate families or shareholders owning five percent or more of the Company's outstanding stock) that meet the minimum threshold for disclosure in the proxy statement under applicable SEC rules (generally transactions involving amounts exceeding \$120,000 in which a related person has a direct or indirect material interest) must be approved by the board of directors or a committee comprised solely of independent directors. In considering the transaction or agreement, the board or committee will consider all relevant factors including the business reason for the transaction, available alternatives on comparable terms, actual or apparent conflicts of interest and the overall fairness of the transaction to the Company. Any proposed transactions that might be considered a related person transaction are to be raised with the Chairman of the Board or the Chairman of the Governance and Strategy Committee. They will jointly determine whether the proposed transaction should be considered by the full board (recusing any directors with conflicts) or by a board committee of independent directors. Related person transactions are to be approved in advance whenever practicable, but if not approved in advance are to be ratified (if the board or committee considers it appropriate to do so) as soon as practicable after the transaction.

Various Company policies and procedures, including the Code of Business Conduct and Ethics and annual questionnaires completed by all company directors, officers and employees, require disclosure of transactions or relationships that may constitute conflicts of interest or otherwise require disclosure under applicable SEC rules. Any related person transactions that are identified under these additional policies and procedures are to be considered under

the policy and procedures described above.
