Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Effective December 19, 2007, our Board of Directors amended and restated Article Five of our bylaws to, among other things, provide us with the ability to issue uncertificated shares as required by the Nasdaq Capital Market. The ability to issue uncertificated shares enables our company to participate in the direct registration system administered by the Depository Trust Company. The direct registration system will allow our stockholders to have shares of common stock registered in their names without the issuance of physical certificates and will give these stockholders the ability to electronically transfer shares to brokers in order to effect transactions without the need to transfer physical certificates. Stockholders will still be entitled to stock certificates if they so request in writing.

The full text of our amended and restated bylaws is filed herewith as Exhibit 3.2 and incorporated herein by reference.
