(d) Exhibits

99.1 Press release dated December 20, 2007, issued by the Company.

Statements contained in this Form 8-K that are not historical facts may be forward-looking statements within the meaning of federal law. Such forward-looking statements reflect management’s beliefs and assumptions and are based on information currently available to management. The forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual events to differ materially from those expressed or implied in such statements. Such factors are identified in the public filings made by the Company with the Securities and Exchange Commission and include changes in the health care industry because of political and economic influences, changes in regulations governing the industry, changes in reimbursement levels including those under the Medicare and Medicaid programs, changes in the competitive marketplace, and changes in current trends in the cost and volume of general and professional liability claims. There can be no assurance that such factors or other factors will not affect the accuracy of such forward-looking statements.
