Cautionary Statement. This Form 10-QSB contains certain statements relating to future results of the Company that are considered "forward-looking statements" within the meaning of the Private Litigation Reform Act of 1995. Actual results may differ materially from those expressed or implied as a result of certain risks and uncertainties, including, but not limited to, changes in political and economic conditions; interest rate fluctuation; competitive pricing pressures within the Company's market; equity and fixed income market fluctuation; technological change; changes in law; changes in fiscal, monetary, regulatory and tax policies; monetary fluctuations as well as other risks and uncertainties detailed elsewhere in this Form 10-QSB or from time-to-time in the filings of the Company with the Securities and Exchange Commission. Such forward-looking statements speak only as of the date on which such statements are made, and the Company undertakes no obligation to update any forward-looking statement to reflect events or circumstances after the date on which such statement is made or to reflect the occurrence of unanticipated events.

HMG/COURTLAND PROPERTIES, INC.
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)

1. CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

Edgar Filing: HMG COURTLAND PROPERTIES INC - Form 10QSB

In the opinion of the Company, the accompanying unaudited condensed consolidated financial statements prepared in accordance with instructions for Form 10QSB, include all adjustments (consisting only of normal recurring accruals) which are necessary for a fair presentation of the results for the periods presented. Certain information and footnote disclosures normally included in the financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted. It is suggested that these condensed consolidated financial statements be read in conjunction with the Company's Annual Report for the year ended December 31, 2001. The balance sheet as of December 31, 2001 was derived from audited financial statements as of that date. The results of operations for the six months ended June 30, 2002 are not necessarily indicative of the results to be expected for the full year. Certain balances have been reclassified to conform with the current period presentation.

2. RECENT ACCOUNTING PRONOUNCEMENTS.

In July, 2001, the Financial Accounting Standard Board issued Statements on Financial Accounting Standards (SFAS) No. 141 (Business Combinations) and 142 (Goodwill and Other Intangible Assets). SFAS No. 141 among other things eliminates the use of the pooling of interest method of accounting for business combination. Under the provision of SFAS No. 142, goodwill will no longer be amortized, but will be subject to a periodic test for impairment based upon fair value. SFAS No. 141 is effective for all business combinations initiated after June 30, 2001. SFAS No. 142 must be adopted in the first quarter of fiscal years beginning after December 15, 2001. The adoption of these statements did not have a material impact on the Company's financial statements.

In August 2001, the FASB issued SFAS No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets. This Statement addresses financial accounting and reporting for the impairment or disposal of long-lived assets. This Statement supersedes FASB Statement No. 121, Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to Be Disposed Of, and the accounting and reporting provisions of APB Opinion No. 30, Reporting the Effects of Disposal of a Segment of a Business, and Extraordinary, Unusual and Infrequently Occurring Events and Transactions, for the disposal of a segment of a business (as previously defined in that Opinion). This Statement also amends ARB No. 51, Consolidated Financial Statements, to eliminate the exception to consolidation for a subsidiary for which control is likely to be temporary. The provisions of this Statement were effective for financial statements issued for fiscal years beginning after December 15, 2001, and interim periods within those fiscal years, with early application encouraged. The provisions of this Statement generally are to be applied prospectively. The adoption of SFAS No. 144 did not have a material impact on the Company's financial statements.

(4)

Edgar Filing: HMG COURTLAND PROPERTIES INC - Form 10QSB

(Unaudited)

3. GAIN ON SALES OF PROPERTIES

For the three months ended June 30, 2002 Grove Isle Yacht Club Associates (GIYCA) sold 3 yacht slips located in Miami, Florida resulting in a net gain to the Company of approximately \$77,000. For the six months ended June 30, 2002 GIYCA has sold 4 yacht slips resulting in a net gain to the Company of approximately \$85,000.

In May 2002, HMG Fieber Associates sold its property located in Watertown, New York, resulting in a net gain to the Company of approximately \$57,000.

In April 2002, Courtland Investments sold approximately 50 acres of vacant land located in Middleborough, Massachusetts, resulting in a net gain to the Company of approximately \$229,000.

4. INVESTMENTS IN MARKETABLE SECURITIES

Investments in marketable securities consist primarily of large capital corporate equity and debt securities in varying industries with readily determinable fair values. These securities are stated at market value, as determined by the most recent traded price of each security at the balance sheet date. Effective in December 2001, management determined that the classification of its entire marketable securities portfolio as trading (versus available for sale, as defined by accounting principles generally accepted in the United States of America) would be more consistent with the Company's overall current investment objectives and activities. As a result, beginning December 31, 2001, all unrealized gains and losses on the Company's marketable securities portfolio were recorded in the statement of operations. As of June 30, 2001, gross unrealized gains and losses on available for sale securities were approximately \$677,000 and \$1,165,000, respectively, and a net unrealized loss of approximately \$488,000 was recorded in accumulated comprehensive income in stockholders' equity.

Net (loss) gain from investments in marketable securities for the three and six months ended June 30, 2002 and 2001 is summarized below:

Description	Three Months Ended June 30,		Six Months E
	2002	2001	2002
Net realized gain from sales of securities	\$159,479	\$51,353	\$100,387
Unrealized net loss in trading securities	(515,860)	--	(652,338)
Net change in sales of securities pending delivery	(202,233)	(104,892)	(203,224)
Total net (loss) gain	(\$558,614)	(\$53,539)	(\$755,175)

For the three months ended June 30, 2002 net realized gain from sales of marketable securities of approximately \$159,000 consisted of approximately \$338,000 of gross gains net of \$179,000 of gross losses. For the six months ended June 30, 2002 net realized gain from sales of marketable securities of approximately \$100,000 consisted of approximately \$501,000 of gross gains net of \$401,000 of gross losses.

(5)

HMG/COURTLAND PROPERTIES, INC.
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Continued)
(Unaudited)

The net change in unrealized loss of marketable securities for the three and six months ended June 30, 2002 was an additional net loss of approximately \$515,000 and \$652,000, respectively.

Net change in sales of securities pending delivery represents the changes in the market value of those securities and the delivery of securities to realize gain or loss from these transactions.

5. OTHER INVESTMENTS

As of June 30, 2002, the Company has committed to invest approximately \$11 million in other investments primarily in private capital funds, of which approximately \$9.1 million has been funded. The carrying value of other investments is approximately \$6.6 million.

During the three months ended June 30, 2002 the Company took an additional write down on one of its venture capital funds of approximately \$63,000. The fund written down was focused on internet related businesses and had been substantially written down as of December 31, 2001. This further write down brings the carrying value of this fund to \$25,000, its estimated net realizable value. No further valuation adjustments were considered necessary for the six months ended June 30, 2002.

As a further diversification of the Company's investments in private capital funds, during the three months ended March 31, 2002, \$800,000 was committed to purchase limited partnership interests in two private capital funds. Both funds seek to maximize total return on capital through investments in the debt securities of undervalued or financially troubled companies. Both commitments (one for \$500,000 and the other for \$300,000) are in funds managed by experienced general partners each with over \$6 billion under management in funds and accounts focused on investments in distressed companies and related investment opportunities. The commitment of \$300,000 will seek to deploy 50% of its assets in Asian investments (primarily Japan and Korea).

6. ADVISORY AGREEMENT

On March 22, 2002, the Board of Directors approved, subject to shareholder approval, the amendment and renewal of the Advisory Agreement between the Company and the Advisor for a term commencing January 1, 2003, and expiring December 31, 2003.

The sole amendment to the Advisory Agreement that is being proposed at the Annual Meeting (to be held on September 20, 2002) is the increase in the remuneration of the Advisor to increase the Advisor's current regular compensation monthly fee from \$55,000 to \$75,000, or \$660,000 to \$900,000 annually. All other terms of the existing Advisory Agreement will remain the same. The increase in remuneration of the Advisor is being proposed by the Board after taking into account the increased costs of the Advisor in managing the affairs of the Company, the economic factors impacting the real estate industry and competitive conditions in today's market place. The amendment and renewal

Edgar Filing: HMG COURTLAND PROPERTIES INC - Form 10QSB

was approved unanimously by the Directors unaffiliated with the Advisor.

(6)

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

RESULTS OF OPERATIONS

The Company reported a net loss of approximately \$300,000 (or \$.28 per share) and \$479,000 (or \$.44 per share) for the three and six months ended June 30, 2002, respectively. This is as compared with net income of approximately \$78,000 (or \$.07 per share) and \$914,000 (or \$.84 per share) for the three and six months ended June 30, 2001, respectively. Total revenues for the three and six months ended June 30, 2002, as compared with the same periods in 2001, decreased by approximately \$593,000 (or 106%) and \$1.2 million (or 74%), respectively. Total expenses for the three and six months ended June 30, 2002, as compared with the same periods in 2001, decreased by approximately \$111,000 (or 13%) and \$179,000 (or 10%), respectively. Gain on sales of properties for the three and six months ended June 30, 2002 was approximately \$363,000 and \$371,000, respectively. This is as compared with gains of \$529,000 and \$1.8 million for the three and six months ended June 30, 2001, respectively.

REVENUES

Rentals and related revenues for the three and six months ended June 30, 2002 were approximately \$410,000 and \$815,000, respectively. This is as compared with approximately \$371,000 and \$709,000 for the same comparable periods in 2001, respectively. These increases of approximately \$39,000 (or 11%) and \$106,000 (or 15%) for the three and six-month comparable periods was due to increased rent from the Company's Grove Isle hotel property in accordance with changes in the Consumer Price Index and increased rent from the Company's Fashion Square shopping center due to an additional tenant added in the fourth quarter of 2001.

Net loss from investments in marketable securities for the three and six months ended June 30, 2002 was approximately \$559,000 and \$755,000, respectively. This is as compared with a net loss of approximately \$54,000 for the same comparable three month period in 2002 and a net gain of approximately \$235,000 for the same comparable six month period in 2002. See discussion in Note 4 to Condensed Consolidated Financial Statements.

Net loss from other investments for the three and six months ended June 30, 2002 was approximately \$70,000 and \$38,000, respectively. This is as compared with a net loss of approximately \$5,000 for the same three-month comparable period in 2001 and a net gain of approximately \$144,000 for the same six-month comparable period in 2001. The decrease of approximately \$65,000 for the three-month comparable periods was primarily attributable to a valuation write-down of a venture capital fund as discussed in Note 5 to Condensed Consolidated Financial Statements. The decrease of approximately \$182,000 for the six-month comparable periods was the result of non-recurring gains due to distributions from investments in the second quarter of 2001.

Interest and dividend income for the three and six months ended June 30, 2002 was approximately \$72,000 and \$151,000, respectively. This is as compared with approximately \$131,000 and \$231,000 for the same comparable periods in 2001, respectively. These decreases of approximately \$59,000 (or 45%) and \$80,000 (or 35%) for the three and six month comparable periods,

Edgar Filing: HMG COURTLAND PROPERTIES INC - Form 10QSB

respectively, were primarily attributable to decreased dividend income from investments in marketable securities.

(7)

Management's Discussion and Analysis of Financial
Condition and Results of Operations
(continued)

EXPENSES

Rental and other properties expenses for the three and six months ended June 30, 2002 were approximately \$144,000 and \$292,000, respectively. This is as compared with approximately \$130,000 and \$261,000 for the same comparable periods in 2001. These increases of approximately \$14,000 (or 11%) and \$31,000 (or 12%) for the three and six-month comparable periods, respectively, were primarily the result of increased insurance expense at the Grove Isle hotel property of approximately \$30,000 partially offset by lower operating costs at HMG Fieber properties. The property insurance at the Grove Isle hotel property is paid by the tenant and accordingly a corresponding insurance revenue amount is included in rental and related revenues. Changes in insurance costs for this property do not impact the Company's net income.

Marina expenses for the three and six months ended June 30, 2002 were approximately \$83,000 and \$173,000, respectively. This is as compared with approximately \$109,000 and \$220,000 for the same periods in 2001. These decreases of approximately \$26,000 (or 24%) and \$47,000 (or 21%) for the three and six-month comparable periods in 2001, respectively, were primarily attributable to lower insurance costs as a result of the elimination of windstorm coverage for the marina slips in 2002. The Company believes that in light of the increased cost of this insurance (approximately 100% from 2001) and the large deductibles now required, it is more effective to self insure the marina slips for this particular peril, other coverage is still maintained on this property.

Professional fees and expenses for the three and six months ended June 30, 2002 were approximately \$38,000 and \$79,000, respectively. This is as compared with approximately \$81,000 and \$116,000 for the same periods in 2001. These decreases of approximately \$43,000 (or 53%) and \$37,000 (or 32%) for the three and six-month comparable periods in 2001, respectively, were primarily attributable to lower legal fees relating to the Company's proxy filing.

Interest expense for the three and six months ended June 30, 2002 was approximately \$135,000 and \$272,000, respectively. This is as compared with approximately \$188,000 and \$388,000, respectively, for the same comparable periods in 2001. These decreases of approximately \$53,000 (or 28%) and \$116,000 (or 30%) for the three and six-month comparable periods, respectively, were primarily attributable to decreased interest rates on bank loans and on amounts due to affiliate (T.G.I.F. Texas, Inc.).

Benefit from income taxes for the three and six months ended June 30, 2002 was approximately \$131,000 and \$306,000, respectively, consisting of \$145,000 of deferred benefit net of \$14,000 of current provision for the three months ended June 30, 2002 and \$233,000 of deferred benefit and \$73,000 of current benefit for the six months ended June 30, 2002. The increase in benefits from the prior year provisions is due primarily to non recurring gain on sales of properties in 2001.

(8)

Management's Discussion and Analysis of Financial
Condition and Results of Operations
(continued)

EFFECT OF INFLATION:

Inflation affects the costs of operating and maintaining the Company's investments and the availability and terms of financing. In addition, rentals under certain leases are based in part on the lessee's sales and tend to increase with inflation, and certain leases provide for periodic adjustments according to changes in predetermined price indices.

LIQUIDITY, CAPITAL EXPENDITURE REQUIREMENTS AND CAPITAL RESOURCES

The Company's material commitments in 2002 primarily consist of maturities of debt obligations of approximately \$3.7 million and commitments to fund private capital investments of approximately \$1.9 million due upon demand. The funds necessary to meet these obligations are expected to be available from the proceeds of sales of properties or investments, refinancing, distributions from investments and available cash. The majority of maturing debt obligations for 2002 is a note payable to the Company's 49% owned affiliate, T.G.I.F. Texas, Inc. ("TGIF") of approximately \$3.6 million. This amount is due on demand. The obligation due to TGIF will be paid with funds available from distributions from its investment in TGIF and from available cash.

MATERIAL COMPONENTS OF CASH FLOWS

For the six months ended June 30, 2002, net cash provided by operating activities was approximately \$536,000. Included in this amount are net proceeds from sales of marketable securities of approximately \$1.8 million less purchases of marketable securities of approximately \$1.1 million.

For the six months ended June 30, 2002, net cash used in investing activities was approximately \$225,000. This was comprised primarily of contributions to other investments of approximately \$599,000 and increased notes and advances to related parties of approximately \$254,000 less proceeds from sales of properties of \$532,000 and distributions from other investments of approximately \$81,000.

For the six months ended June 30, 2001, net cash used in financing activities was approximately \$253,000 consisting of repayments of mortgages and notes payable of \$223,000 and distributions to minority partners of \$30,000.

RECENT ACCOUNTING PRONOUNCEMENTS.

In July, 2001, the Financial Accounting Standard Board issued Statements on Financial Accounting Standards (SFAS) No. 141 (Business Combination) and 142 (Goodwill and Other Intangible Assets). SFAS No. 141 among other things eliminates the use of the pooling of interest method of accounting for business combination. Under the provision of SFAS No. 142, goodwill will no longer be amortized, but will be subject to a periodic test for impairment based upon fair value. SFAS No. 141 is effective for all business combinations initiated after June 30, 2001. SFAS No. 142 must be adopted in the first quarter of fiscal years beginning after December 15, 2001. The adoption of these statements did not have a material impact on the Company's financial statements.

Management's Discussion and Analysis of Financial
Condition and Results of Operations
(continued)

In August 2001, the FASB issued SFAS No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets. This Statement addresses financial accounting and reporting for the impairment or disposal of long-lived assets. This Statement supersedes FASB Statement No. 121, Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to Be Disposed Of, and the accounting and reporting provisions of APB Opinion No. 30, Reporting the Effects of Disposal of a Segment of a Business, and Extraordinary, Unusual and Infrequently Occurring Events and Transactions, for the disposal of a segment of a business (as previously defined in that Opinion). This Statement also amends ARB No. 51, Consolidated Financial Statements, to eliminate the exception to consolidation for a subsidiary for which control is likely to be temporary. The provisions of this Statement were effective for financial statements issued for fiscal years beginning after December 15, 2001, and interim periods within those fiscal years, with early application encouraged. The provisions of this Statement generally are to be applied prospectively. The adoption of SFAS No. 144 did not have a material impact on the Company's financial statements.
