PROXY STATEMENT

Mailed on or about April 9, 2003

Annual Meeting of Shareholders to be held on May 8, 2003

This proxy statement is furnished in connection with the solicitation of proxies by our Board of Directors to be used at our Annual Meeting of Shareholders to be held on May 8, 2003, and any adjournment or postponement thereof. The time, place and purposes of the annual meeting are stated in the notice of annual meeting of shareholders, which accompanies this proxy statement.

The accompanying proxy is solicited by our Board of Directors. All validly executed proxies received by our Board of Directors pursuant to this solicitation will be voted at the annual meeting, and the directions contained in the proxies will be followed in each instance. If no directions are given, the proxy will be voted FOR the election of the three nominees for director in Class III listed on the proxy.

Any person giving a proxy pursuant to this solicitation may revoke it. You may, without affecting any vote previously taken, revoke a proxy by giving notice to us in writing, in open meeting or by a duly executed proxy bearing a later date.

The expense of soliciting proxies, including the cost of preparing, assembling and mailing the notice, proxy statement and proxy, will be borne by us. We may pay persons holding shares for others their expenses for sending proxy materials to their principals. In addition to solicitation of proxies by mail, our directors, officers and employees, without additional compensation, may solicit proxies by telephone, telegraph and personal interview. We also may retain a third party to aid in the solicitation of proxies.

VOTING RIGHTS

The record date for determination of shareholders entitled to vote at the annual meeting was the close of business on March 10, 2003. On that date, we had 21,141,639 common shares, without par value, outstanding and entitled to vote at the annual meeting. Each common share is entitled to one vote.

Edgar Filing: PECO II INC - Form DEF 14A

At the annual meeting, in accordance with the General Corporation Law of Ohio and our amended and restated code of regulations, the inspectors of election appointed by our Board of Directors for the annual meeting will determine the presence of a quorum and will tabulate the results of shareholder voting. As provided by the General Corporation Law of Ohio and our amended and restated code of regulations, holders of shares entitling them to exercise a majority of the voting power of the company, present in person or by proxy at the annual meeting, will constitute a quorum for such meeting. The inspectors of election intend to treat properly executed proxies marked abstain as present for these purposes.

Nominees for election as directors receiving the greatest number of votes will be elected directors. Votes that are withheld or broker non-votes in respect of the election of directors will not be counted in determining the outcome of the election. Pursuant to our amended and restated articles of incorporation, shareholders do not have cumulative voting rights.

Pursuant to our amended and restated code of regulations, all other questions and matters brought before the annual meeting will be decided, unless otherwise provided by law, our amended and restated articles of incorporation or our amended and restated code of regulations, by the vote of the holders of a majority of the shares entitled to vote thereon present in person or by proxy at the annual meeting. In voting for such other proposals, votes may be cast in favor, against or abstained. Abstentions will count as present for purposes of the item on which the abstention is noted and will have the effect of a vote against. Broker non-votes, however, are not counted as present for purposes of determining whether a proposal has been approved and will have no effect on the outcome of any such proposal.

ELECTION OF DIRECTORS

The authorized number of our directors is presently fixed at nine. As required by our amended and restated articles of incorporation, the Board of Directors is divided into three classes of three directors each. The term of office of one class of directors expires each year, and at each annual meeting of shareholders the successors to the directors of the class whose term is expiring at that time are elected to hold office for a term of three years.

The term of office of Class III of the Board of Directors expires at this year's annual meeting of shareholders. The term of office of the persons elected directors in Class III at this year's annual meeting will expire at the 2006 annual meeting. Each director in Class III will serve until the expiration of that term or until his successor shall have been duly elected. The Board of Directors' nominees for election as directors in Class III are James L. Green, Albert F. Klavora and Matthew P. Smith. Messrs. Green, Klavora and Smith currently serve as directors in Class III.

Each of the nominees has indicated his willingness to serve as a director, if elected. If any nominee should become unavailable for election (which contingency is not now contemplated or foreseen), it is intended that the shares represented by the proxy will be voted for such substitute nominee as may be named by the Board of Directors. BOARD OF DIRECTORS MEETINGS AND COMMITTEES

The Board of Directors has a Nominating/Compensation Committee and an Audit Committee. A Nominating Committee was established in January 2002 and was later combined with the Compensation Committee. The Nominating/Compensation Committee administers our stock option plans and employee stock purchase plan and reviews and determines the salary and bonus compensation of our executive officers and certain key executives. The Nominating/Compensation Committee also considers and recommends to the Board of Directors nominees for election as directors and candidates to fill vacancies on the Board of Directors. The Nominating/Compensation Committee will consider director nominees recommended by shareholders if a written nomination is received not less than 60 days nor more than 90 days before the first anniversary of the date on which we first mailed our proxy materials for the prior year's annual meeting of shareholders. Certain informational content requirements also must be met with respect to director nominations. See Shareholder Proposals.

The Audit Committee reviews the activities of our independent auditors and various company policies and practices. The specific functions and responsibilities of the Audit Committee are set forth in the Audit Committee Charter adopted by the Board of Directors, a copy of which was attached to our 2001 proxy statement as Appendix A. Each of the members of the Audit Committee satisfies the current independence and financial literacy requirements of Nasdaq. We are reviewing the adequacy of the Audit Committee Charter and evaluating

our Board committee composition against the requirements of the Sarbanes-Oxley Act of 2002 (as it is being implemented from time to time by the Securities and Exchange Commission) and Nasdaq corporate governance rule changes. We intend to comply with these new requirements as they become effective.

The Board of Directors also maintains an informal Oversight Committee, which was established in August 2002 to review management's restructuring plan for PECO II. The members of this informal committee are Messrs. Adams (Chairman), Green, Hottenroth and Matthew P. Smith. The Oversight Committee plans and meets as required. The Oversight Committee met four times during 2002.

Set forth below is the current membership of each of the above-described formal committees, with the number of meetings held during the year ended December 31, 2002 in parentheses:

| Audit Committee(6) | Nominating/Compensation Committee(7)* |
|---------------------------|--|
| Ronald L. Adams | E. Richard Hottenroth |
| (Chairman) | (Chairman) |
| Lucille Garber Ford | Lucille Garber Ford |
| E. Richard Hottenroth | Charles D. Taylor |
| Albert F. Klavora | |
| Charles D. Taylor | |

* Includes two meetings of the members of the Nominating Committee prior to its being combined with the Compensation Committee.

The Board of Directors held 11 meetings during the fiscal year ended December 31, 2002. During that fiscal year, no director attended fewer than 90% of the aggregate of the total number of meetings of the Board of Directors, held during the period for which he or she has been a director, and the total number of meetings held by all committees of the Board on which he or she served, during the periods that he or she served.

Directors who are not our employees are paid an annual fee of \$10,000 and a fee of \$1,000 for each Board or committee meeting attended and are entitled to reimbursement for all reasonable out-of-pocket expenses incurred in connection with their attendance at those meetings. In addition, directors are eligible for awards under the PECO II, Inc. 2000 Performance Plan. A discussion of other compensation arrangements with certain members of the Board of Directors is included in this proxy statement under the heading Certain Relationships and Related Transactions.

Compensation Committee Interlocks and Insider Participation

No interlocking relationships exist between the Compensation Committee and the Board of Directors or the compensation committee of any other company. The Chairman of the Compensation Committee, E. Richard Hottenroth, is a partner in the law firm Hottenroth, Garverick, Tilson & Garverick, Co., L.P.A. Mr. Hottenroth's law firm provided legal services to us in 2002, and we expect that the firm will continue to provide such services in 2003.

AUDIT COMMITTEE AND RELATED MATTERS

Report of the Audit Committee

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. The Audit Committee's activities are governed by a written charter adopted by the Board of Directors, a copy of which was attached to our 2001 proxy statement as Appendix A.

Management has the primary responsibility for our financial statements and the reporting process, including the system of internal controls. The independent auditors audit the annual financial statements prepared by management and express an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States. The Audit Committee monitors these processes.

In this context, the Audit Committee met and held discussions with management and the independent auditors. Management represented to the Audit Committee that our financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee reviewed and discussed the audited financial statements with management and the independent auditors, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of specific judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with the independent auditors such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards.

In addition, the independent auditors provided to the Audit Committee the written disclosures and letter required by Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees), related to the auditors' independence. The Audit Committee discussed with the independent auditors the auditors' independence from us and management and considered the compatibility of nonaudit services with the auditors' independence.

The Audit Committee discussed with our financial management and independent auditors the overall scope and plans for the audit. The Audit Committee also met with the independent auditors, with and without management present, to discuss the results of the examinations, their evaluation of our internal controls and the overall quality of our financial reporting. In addition, the Audit Committee considered other areas of its oversight relating to the financial reporting process that it determined appropriate.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

Independent Auditors

On June 24, 2002, our Board of Directors adopted the recommendation of the Audit Committee that Arthur Andersen LLP be dismissed as our auditors and to appoint Grant Thornton LLP to serve as our independent public accountants.

Edgar Filing: PECO II INC - Form DEF 14A

Arthur Andersen's reports on our consolidated financial statements for each of the years ended December 31, 2001 and 2000 contained no adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the years ended December 31, 2001 and 2000 and through the effective date of Arthur Andersen's dismissal, there were no disagreements with Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen's

satisfaction, would have caused it to make reference to the subject matter of the disagreements in connection with its report on our consolidated financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

On June 24, 2002, we filed a Form 8-K with the Securities and Exchange Commission reporting these events. Attached as an exhibit to that Form 8-K was a letter from Arthur Andersen indicating that we had provided Arthur Andersen with a copy of the foregoing disclosures, and stating that it found no basis for disagreement with such statements.

During our two most recent fiscal years and through the effective date of Arthur Andersen's dismissal, we did not consult with Grant Thornton with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our consolidated financial statements, or the type of audit opinion that might be rendered on our consolidated financial statements, or any other matters or reportable events listed in Item 304(a)(2)(i) and (ii) of Regulation S-K.

The Board of Directors, upon recommendation of the Audit Committee, appointed Grant Thornton as independent auditors to audit our financial statements for the fiscal year ending December 31, 2003.

Audit Fees

The aggregate fees billed or accrued by Grant Thornton for professional services rendered for the audit of our annual consolidated financial statements for fiscal 2002 and the review of our consolidated financial statements included in our quarterly reports on Form 10-Q for fiscal 2002 were \$128,000. The aggregate fees for such services rendered by Arthur Andersen during fiscal 2002 were \$6,500.

Financial Information Systems Design and Implementation Fees

There were no fees billed by either Grant Thornton or Arthur Andersen for services rendered in connection with financial information systems design and implementation in fiscal 2002.

All Other Fees

The aggregate fees billed by Grant Thornton for all other services rendered for fiscal 2002 were \$18,450. The aggregate fees for all other services rendered by Arthur Andersen during fiscal 2002 were \$92,000.

Representatives of Grant Thornton are expected to be present at the annual meeting. They will have the opportunity to make a statement if they so desire and are expected to be available to respond to appropriate questions.

EXECUTIVE COMPENSATION

The following table shows the compensation during our fiscal years ended December 31, 2002, 2001 and 2000 of our Chief Executive Officer and our other current and former most highly compensated executive officers whose total salary and bonus (as determined in accordance with Securities and Exchange Commission rules) exceeded \$100,000. We refer to these current and former executive officers as our named executive officers in other parts of this proxy statement.

Assuming 5% and 10% annual appreciation, these values are calculated based on rules promulgated by the Securities and Exchange Commission and do not reflect our estimate of future stock price growth. The actual value realized may be greater or less than the potential realizable value set forth in the table.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

One of our directors, James L. Green, is currently employed as a consultant to the Chief Executive Officer at an annual rate of \$50,000, which was reduced voluntarily in July 2002 from the previous annual rate of \$100,000. Mr. Green was paid \$79,620 under this arrangement during 2002.

Another director, Trygve A. Ivesdal, has been employed by us as Director of International Development since August 2000 at a rate of \$90 per hour. Mr. Ivesdal was paid \$140,400 in 2002.

Another director, E. Richard Hottenroth, is a partner in a law firm that provides services to us. See Compensation Committee Interlocks and Insider Participation.

We have a policy that all transactions between us and our officers, directors and affiliates must be on terms no less favorable to us than those that could be obtained from unrelated third parties and must be approved by a majority of disinterested members of our Board of Directors.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

General

The following report of the Compensation Committee describes the philosophy, objectives and components of our executive compensation program for 2002 and discusses the determinations concerning the compensation for our Chief Executive Officer for 2002.

With the exception of E. Richard Hottenroth, the Compensation Committee is comprised solely of independent non-employee directors. Mr. Hottenroth is not considered a non-employee director under Section 16(a) of the Securities Exchange Act of 1934 because he is an attorney whose firm provides services to us. Accordingly, Mr. Hottenroth has abstained from voting when the Compensation Committee has considered approving stock option grants in order that such grants be exempt from the short-swing profit recapture provisions of Section 16(b) of the Securities Exchange Act of 1934.

The Compensation Committee reviews and makes decisions regarding our compensation policies, and the amounts and forms of compensation to be provided to our executive officers and other employees, which generally include annual salaries and bonuses, equity awards and other incentive compensation arrangements. As part of the foregoing, the Compensation Committee approves management recommendation for stock option grants under our 2000 Performance Plan. The Compensation Committee periodically reviews the job performance of our Chief Executive Officer.

Compensation Philosophy

Edgar Filing: PECO II INC - Form DEF 14A

Our executive compensation program has been designed to attract and retain exceptional executives who seek a long-term association with us and who enjoy the challenge of pay for performance. The basic program consists of two cash compensation components: base salary and a performance-based annual bonus. A third component, ownership-linked stock options, is used for executive retention, to attract new key people, to recognize accomplishments under individually tailored business growth programs and to align the long-term interests of eligible executives with those of the shareholders.

Base Salary

Base salary for our Chief Executive Officer is set annually taking into consideration our sales and profit growth, overall job performance and pay levels for chief executive officers of corporations of similar size. The Compensation Committee utilizes, as a reference, up-to-date information on compensation practices of other

companies from several independent sources. Base salary is then set so as to represent no more than 60% of total attainable compensation, the balance of which is fully contingent upon the achievement of both qualitative and quantitative levels of performance and shareholder return. Allen Jay Cizner was promoted to President and Chief Executive Officer effective June 1, 2002. Mr. Cizner's base salary was not increased in connection with this promotion and remains at \$225,000. Mr. Cizner's base salary was last increased in July 2001 upon his promotion to President and Chief Operating Officer. Prior to that, Mr. Cizner's base salary since joining PECO II as Chief Operating Officer in January 2000 was \$200,000. Mr. Cizner's base salary is considered to be at approximately the median base compensation level paid to chief executive officers of corporations of similar size and complexity to us.

Stock Bonus Program/Annual Cash Incentives

From time to time the Board of Directors has issued bonuses to employees in the form of cash and/or common shares. There were no bonuses paid in 2002 because the performance of PECO II did not attain the goals set for the payment of bonuses.

Stock Options

The third compensation component is an ownership-linked stock option program, which provides long-term incentives to our executives that are aligned with the interests of our shareholders. Stock options, granted at market price, typically vest annually in 25% increments over four years or 50% after the second year and 25% for third and fourth years. A longer-term perspective is established by the sequential vesting of options. The program is designed to encourage senior executives to be long-term shareholders and to have owner concern and care of the company as a whole. The intent of the option program is to provide an executive with the opportunity for financial gain which is larger than the cumulative annual bonuses, but which takes much longer to achieve and requires meaningful long-term growth in the market price of our common shares for the gain to be realized.

The size and frequency of option grants are based on level of responsibility, performance of the company as a whole and the executive's personal performance. Annually, both financial and non-financial specific goals are set aimed at building future marketplace strengths and achieving corporate success factors. Other option grants may be made based upon management's specific recommendations, and review and approval by the Compensation Committee. Grants are made from a Compensation Committee defined pool of shares.

Section 162(m)

Section 162(m) of the Internal Revenue Code generally limits our ability to deduct compensation expense in excess of \$1 million paid to our Chief Executive Officer or other executive officers named in the Summary Compensation Table contained in this proxy statement. The Compensation Committee's policy with respect to Section 162(m) is to make every reasonable effort to ensure that compensation is deductible to the extent permitted, while simultaneously providing our executives with appropriate rewards for their performance. Towards this end, our 2000 Performance Plan has been drafted in a manner that will qualify stock options and performance-related compensation not subject to the cap on deductibility imposed by Section 162(m).

Subsequent to the year ended December 31, 2002, the Compensation Committee was combined with the Nominating Committee of the Board of Directors.

PERFORMANCE GRAPH

The line graph below compares the twenty-nine-month cumulative total shareholders' return on our common shares between August 18, 2000 (the date of our initial public offering) and December 31, 2002 with the twenty-nine-month cumulative total return of the Nasdaq Total Return Index (U.S. Companies) and the Russell 2000 Index. The graph assumes that the value of the investment in our common shares and each index was \$100 on August 18, 2000, and that all dividends, if any, were reinvested. At this time, we do not believe we can reasonably identify an industry peer group. Therefore, we selected the Russell 2000 Index, which includes companies with market capitalization similar to our own market capitalization, as a comparative index for purposes of complying with certain requirements of the Securities and Exchange Commission.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors and persons who own 10% or more of a registered class of our equity securities to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission. Executive officers, directors and 10% or greater shareholders are required by Securities and Exchange Commission regulations to furnish us with copies of all Forms 3, 4 and 5 they file.

Based solely on our review of the copies of such forms we have received, we believe that all of our executive officers and directors complied with all filing requirements applicable to them during 2002.
