Press Release

STOCK TRADED: NYSE FOR IMMEDIATE RELEASE  
TICKER SYMBOL: TR Wednesday, February 14, 2007

CHICAGO, ILLINOIS - February 14, 2007 - Melvin J. Gordon, Chairman, Tootsie Roll Industries, Inc. reported fourth quarter and twelve months 2006 sales and earnings, including the comparative effect of the prior year 2005 nonrecurring gain. Fourth quarter 2006 sales were \$110,821,000 compared to \$112,495,000 in the fourth quarter 2005, a decrease of \$1,674,000 or 1%. Twelve months 2006 sales were \$495,990,000 compared to \$487,739,000 in the prior year, an increase of \$8,251,000 or 2%.

Fourth quarter 2006 net earnings were \$11,730,000 compared to fourth quarter 2005 net earnings of \$23,325,000; and fourth quarter net earnings per share were \$.22 in 2006 compared to \$.42

## Edgar Filing: TOOTSIE ROLL INDUSTRIES INC - Form 8-K

per share in 2005. Twelve months 2006 net earnings were \$65,919,000 compared to twelve months 2005 net earnings of \$77,227,000; and twelve months net earnings per share were \$1.22 in 2006 compared to \$1.40 per share in twelve months 2005.

Both fourth quarter and twelve months 2005 periods benefited from a nonrecurring net after-tax gain of \$10,053,000 relating to the sale of surplus real estate, net of the write-off of a minor trademark and goodwill and additional income taxes relating to repatriated foreign dividends. Excluding this non-recurring net gain in 2005, adjusted net earnings were \$11,730,000 and \$13,272,000, and adjusted net earnings per share were \$.22 and \$.24 in fourth quarter 2006 and 2005, respectively, a decrease of \$.02 per share or 8%. Excluding this non-recurring net gain in 2005, twelve months 2006 and 2005 adjusted net earnings were \$65,919,000 and \$67,174,000, respectively, and adjusted net earnings per share were \$1.22 for both 2006 and 2005.

Mr. Gordon said, "Although fourth quarter sales did not move ahead of the prior year period, a strong third quarter, including successful back-to-school and Halloween marketing programs, allowed us to achieve a new sales record for the year. Results for fourth quarter and twelve months 2006 were adversely affected by significantly higher input costs relating to major ingredients, freight and delivery, higher costs for products manufactured in Canada due to foreign exchange, and generally higher plant overhead costs. During 2006, the Company took actions and implemented programs, including price increases, with the objective to recover these higher input costs, however, the Company was not able to recover all of these cost increases. Additional marketing expenses associated with the transition to new pack sizes and government mandated labeling changes also adversely impacted 2006 fourth quarter and twelve months results. However, fourth quarter and twelve months 2006 results were aided by decreased interest expense and a lower effective tax rate, and the Company's per share earnings benefited from common stock purchases in the open market in 2005 and 2006 and resulting fewer shares outstanding."

### TOOTSIE ROLL INDUSTRIES, INC. SUMMARY OF SALES AND EARNINGS FOR THE PERIODS ENDED DECEMBER 31, 2006 & 2005
