SECTION 1. REGISTRANT'S BUSINESS AND OPERATIONS

Item 1.01 Entry into a Material Definitive Agreement.

On September 11, 2006, Buckeye Technologies, Inc. ("Buckeye") adopted a Retirement Replacement Plan to recognize the years of professional service of certain officers and key employees who joined Buckeye mid-career by providing these individuals with benefits based on prior service. This Retirement Replacement Plan replaces a similar deferred compensation plan which Buckeye terminated in December 2004.

Under the Retirement Replacement Plan, Buckeye's Chief Executive Officer, President and other key employees designated by the Chief Executive Officer are eligible to receive a cash payment each fiscal year equal to the difference between (A) the employer contribution that would have been made to his or her account under Buckeye's qualified retirement plan (the "Retirement Plan") for the fiscal year had he or she been credited with an additional number of years of service as determined by (1) the Compensation Committee in the case of the Chief Executive Officer and the President, and (2) by the Chief Executive Officer in the case of any other employee, and (B) the employer contribution that was actually credited to his or her account under the Retirement Plan for such fiscal year. (An employee is entitled to an employer contribution equal to 1% of pay plus 1/2% of pay for each year of service with Buckeye, up to a maximum of 11% of pay.)

Cash payments under the Retirement Replacement Plan may not exceed 4% of pay in any fiscal year and will be made after the end of the applicable fiscal year. The amount of the cash payment made under the Retirement Replacement Plan plus the employer contribution actually credited to the employee's account under the Retirement Plan cannot exceed 11% of pay in any fiscal year. The Retirement Replacement Plan is effective beginning with the 2006 fiscal year.
