PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

This Proxy Statement and the accompanying proxy are being furnished with respect to the solicitation of proxies by the Board of Directors of China Pharma Holdings, Inc., a Delaware corporation (the "Company", "we" or "us"), for our 2010 Annual Meeting of Stockholders (the "Annual Meeting"). The Annual Meeting will be held on Wednesday, December 22, 2010, at 1:00 p.m., local time, and at any adjournment(s) or postponement(s) thereof, at No. 101 Conference Room, 3F, Mingguang Hotel, No. 9 Nanhai Ave. Haikou, Hainan, China 570216.

The date on which the Proxy Statement and form of proxy card are intended to be sent or made available to stockholders is November 12, 2010.

The purpose of the Annual Meeting is to seek stockholder approval of the China Pharma Holdings, Inc. 2010 Long-Term Incentive Plan. We will also transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

Who May Vote

Only stockholders of record of our common stock, par value \$.001 per share ("common stock"), as of the close of business on November 5, 2010 (the "Record Date") are entitled to notice and to vote at the Annual Meeting and any adjournment or adjournments thereof.

A list of stockholders entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Annual Meeting, during office hours, at our executive offices located at No. 17 Jinpan Road, 2nd Floor, Haikou, Hainan Province, The People's Republic of China 570215, by contacting the Secretary of the Board.

The presence at the Annual Meeting of a majority of the outstanding shares of common stock as of the Record Date, in person or by proxy, is required for a quorum. Should you submit a proxy or voter instructions, even though you abstain as to one or more proposals, or you are not present in person at the Annual Meeting, your shares shall be counted for the purpose of determining if a quorum is present.

Broker "non-votes" are included for the purposes of determining whether a quorum of shares is present at the Annual Meeting. A broker "non-vote" occurs when a nominee holder, such as a brokerage firm, bank or trust company, holding shares of record for a beneficial owner does not vote on a particular proposal because the nominee holder does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

As of the Record Date, we had issued and outstanding 43,393,642 shares of common stock. Each holder of our common stock on the Record Date is entitled to one vote for each share then held on all matters to be voted at the

Annual Meeting. No other class of voting securities was then outstanding.

Voting Your Proxy

You may vote by proxy over the Internet by following the instructions provided in the Notice of Internet Availability of Proxy Materials mailed to you or your household. If you have received printed copies of the proxy materials by mail, or if you request printed copies of the proxy materials by mail by following the instructions on the Notice of Internet Availability of Proxy Materials, you can also vote by mail by completing, dating and signing the proxy or voter instructions card and mailing it in the pre-addressed envelope provided, which requires no additional postage if mailed in the United States. You may submit your vote over the Internet until 11:59 a.m. (New York City time) on December 21, 2010. If you vote by mail, please be aware that we can recognize your vote only if we receive it by the close of business of the day before the Annual Meeting.

You may also vote in person at the Annual Meeting. If your shares are held through a broker, trust, bank, or other nominee, please refer to the Notice of Internet Availability of Proxy Materials and any other information forwarded to you by such holder of record to obtain a valid proxy from it. You will need to bring this legal proxy with you to the Annual Meeting in order to vote in person.

The shares represented by any proxy duly given will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, the shares will be voted FOR the approval of our 2010 Long-Term Incentive Plan. In addition, if other matters come before the Annual Meeting, the persons named in the accompanying form of proxy will vote in accordance with their best judgment with respect to such matters.

Each share of our common stock outstanding on the Record Date will be entitled to one vote on all matters. The approval of our 2010 Long-Term Incentive Plan requires the vote of a majority of the votes cast at the Annual Meeting. In counting the votes cast, only those cast “for” and “against” a matter are included.

Shares which abstain or which are withheld from voting as to a particular matter, and shares held in “street name” by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter, and will also not be counted as shares voting on such matter. Accordingly, abstentions, withheld votes, and “broker non-votes” will have no effect on the voting on matters that require the affirmative vote of a plurality or a majority of the votes cast or the shares voting on the matter.

Stockholders have no cumulative voting rights or dissenter’s or appraisal rights relating to the matters to be acted upon at the Annual Meeting.

Revoking Your Proxy

Even if you submit a proxy or voter instructions, you may revoke your proxy and change your vote. You may revoke your proxy or voter instructions by submitting a new proxy or voter instructions over the Internet by using the procedure to vote your shares online described in the Notice of Internet Availability of Proxy Materials. You may also revoke your proxy by mail by requesting a copy be mailed to you, executing a subsequently-dated proxy or voter instructions card, and mailing it in the pre-addressed envelope, which requires no additional postage if mailed in the United States. You may also revoke your proxy by your attendance and voting in person at the Annual Meeting. Mere attendance at the meeting will not revoke a proxy or voter instructions. We will vote the shares in accordance with the directions given in the last proxy or voter instructions submitted in a timely manner before the Annual Meeting. You may revoke your vote over the Internet until 11:59 a.m. (EST) on December 21, 2010. If you revoke your vote by mail, please be aware that we can recognize the revoked vote only if we receive it by close of business of the day before the Annual Meeting.

If the Annual Meeting is postponed or adjourned for any reason, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Annual Meeting (except for any proxies that have at that time effectively been revoked or withdrawn), even if the proxies had been effectively voted on the same or any other matter at a previous meeting.

You are requested, regardless of the number of shares you own or your intention to attend the Annual Meeting, to vote your shares as described above.

Solicitation of Proxies

We will pay the expenses of solicitation of proxies for the Annual Meeting. We may solicit proxies by mail, and our officers and employees may solicit proxies personally or by telephone and will receive no extra compensation from such activities. We will reimburse brokerage houses and other nominees for their expenses incurred in sending proxies and proxy materials to the beneficial owners of shares held by them.

(1) Represents the dollar amounts recognized in our year-end 2009 financial statements for reporting purposes in accordance with SFAS 123(R). Amounts shown cover awards granted in 2009. The amounts represent the compensation costs of awards that are paid in options to purchase shares of the Company’s common stock, the amounts do not reflect the actual amounts that may be realized by the named executive officer. The value of the option of \$134,600 was determined using the Black Scholes option pricing model using the simplified method based on the closing market price of \$3.23 per share and assumptions for the risk free interest rate of 1.42% and volatility of 79.1%. The Company applies the simplified method due to the lack of historical share option exercise data to provide a reasonable basis upon which to estimate expected term. A more detailed discussion of the assumptions used in calculating these value may be found in Note 8 to the consolidated audited financial statements of the Company’s annual report on Form 10-K filed with the Commission on March 4, 2010.

(2) Effective April 28, 2009, Mr. Xinhua Wu resigned as our Chief Financial Officer and Mr. Frank Waung was appointed as our Chief Financial Officer. Mr. Waung's annual salary in 2009 was at the rate of \$100,000 per annum.

The Board recommends that the Company's shareholders vote FOR adoption of the China Pharma Holdings, Inc. 2010 Long-Term Incentive Plan.

Purpose

The purpose of the Plan is to further and promote the interests of the Company, its subsidiaries and its shareholders by enabling the Company and its subsidiaries to attract, retain and motivate employees, directors and consultants or those who will become employees, directors and of the Company and/or its subsidiaries, and to align the interests of those individuals and the Company's shareholders. To do this, the Plan offers performance-based incentive awards and equity-based opportunities providing employees, directors and consultants with a proprietary interest in maximizing the growth, profitability and overall success of the Company and/or its subsidiaries.

Number of Shares

The maximum number of shares of Company common stock, par value \$.001 per share ("Common Stock"), as to which awards may be granted under the Plan may not exceed 4,000,000 shares. In the case of any individual participant, the maximum amount payable in respect of awards subject to performance criteria in any calendar year may not exceed 500,000 shares of Common Stock. The limits on the numbers of shares described in this paragraph and the number of shares subject to any award under the Plan are subject to proportional adjustment as determined by the Board, to reflect certain stock changes, such as stock dividends and stock splits (see "Recapitalization Adjustments" below).

If any awards under the Plan expire or terminate unexercised, the shares of Common Stock allocable to the unexercised or terminated portion of such award shall again be available for award under the Plan.

Administration

The administration, interpretation and operation of the Plan will be vested in the Compensation Committee of the Board (the "Committee"). The Committee may designate persons other than members of the Committee to carry out the day-to-day administration of the Plan. In addition, the Committee may, in its sole discretion, delegate day-to-day ministerial administration to persons other than members of the Committee, except that the Committee shall not delegate its authority with regard to selection for participation in the Plan and/or the granting of any Awards to Participants.

Eligibility

Employees, directors and consultants, or those who will become employees, directors and consultants of the Company and/or its subsidiaries are eligible to receive awards under the Plan. At November 5, 2010, approximately 260 individuals were eligible to receive Awards under the Plan. Awards under the Plan will be made by the Committee. No determination has been made as to future awards which may be granted under the Plan, although it is anticipated that recipients of awards will include the current executive officers of the Company.

Awards Under the Plan

Introduction. Awards under the Plan may consist of stock options, stock appreciation rights (“SARs”), restricted shares or performance unit awards, each of which is described below. All awards will be evidenced by an award agreement between the Company and the individual participant and approved by the Committee. In the discretion of the Committee, an eligible employee, director or consultant may receive awards from one or more of the categories described below, and more than one award may be granted to an eligible employee, director or consultant.

Stock Options and Stock Appreciation Rights. A stock option is an award that entitles a participant to purchase shares of Common Stock at a price fixed at the time the option is granted. Stock options granted under the Plan may be in the form of incentive stock options (which qualify for special tax treatment) or non-qualified stock options, and may be granted alone or in addition to other awards under the Plan. Non-qualified stock options may be granted alone or in tandem with SARs.

An SAR entitles a participant to receive, upon exercise, an amount equal to (a) the excess of (i) the fair market value on the exercise date of a share of Common Stock, over (ii) the fair market value of a share of Common Stock on the date the SAR was granted, multiplied by (b) the number of shares of Common Stock for which the SAR has been exercised.

The exercise price and other terms and conditions of stock options and the terms and conditions of SARs will be determined by the Committee at the time of grant, provided, however, that the exercise price per share may not be less than 100 percent of the fair market value of a share of Common Stock on the date of the grant. In addition, the term of any incentive stock options granted under the Plan may not exceed ten years. An option or SAR grant under the Plan does not provide an optionee any rights as a shareholder and such rights will accrue only as to shares actually purchased through the exercise of an option or the settlement of an SAR.

If stock options and SARs are granted together in tandem, the exercise of such stock option or the related SAR will result in the cancellation of the related stock option or SAR to the extent of the number of shares in respect of which such option or SAR has been exercised.

Stock options and SARs granted under the Plan shall become exercisable at such time as designated by the Committee at the time of grant.

Payment for shares issuable pursuant to the exercise of a stock option may be made either in cash, by certified check, bank draft, or money order, or, by delivery of shares satisfying such requirements as the Committee shall establish, or through such other mechanism as the Committee shall permit in its sole discretion.

In addition, the Committee, in its sole discretion, may provide in any stock option or SAR award agreement that the recipient of the stock option or SAR will be entitled to dividend equivalents with respect to such award. In such instance, in respect of any such award which is outstanding on a dividend record date for Common Stock, the participant would be entitled to an amount equal to the amount of cash or stock dividends that would have paid on the shares of Common Stock covered by such stock option or SAR award had such shares of Common Stock been outstanding on the dividend record date.

Restricted Share Awards. Restricted share awards are grants of Common Stock made to a participant subject to conditions established by the Committee in the relevant award agreement on the date of grant. The restricted shares only become unrestricted in accordance with the conditions and vesting schedule, if any, provided in the relevant award agreement. A participant may not sell or otherwise dispose of restricted shares until the conditions imposed by the Committee with respect to such shares have been satisfied. Restricted share awards under the Plan may be granted

alone or in addition to any other awards under the Plan. Restricted shares which vest will be reissued as unrestricted shares of Common Stock.

Each participant who receives a grant of restricted shares will have the right to receive all dividends and vote or execute proxies for such shares. Any stock dividends granted with respect to such restricted shares will be treated as additional restricted shares.

Performance Units. Performance units (with each unit representing a monetary amount designated in advance by the Committee) are awards which may be granted to participants alone or in addition to any other awards under the Plan. Participants receiving performance unit grants will only earn such units if the Company and/or the participant achieve certain performance goals during a designated performance period. The Committee will establish such performance goals and may use measures such as total shareholder return, return on equity, net earnings growth, sales or revenue growth, comparison to peer companies, individual or aggregate participant performance or such other measures the Committee deems appropriate. The participant may forfeit such units in the event the performance goals are not met. If all or a portion of a performance unit is earned, payment of the designated value thereof will be made in cash, in unrestricted Common Stock or in restricted shares or in any combination thereof, as provided in the relevant award agreement.

Recapitalization Adjustments. In the event that the Board determines that any dividend or other distribution (whether in the form of cash, Common Stock, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Common Stock or other securities of the Company, or other corporate transaction or event affects the Common Stock such that an adjustment is determined by the Board, in its sole discretion, to be necessary or appropriate in order to prevent dilution or enlargement of benefits or potential benefits intended to be made available under the Plan, the Board may, in any manner that it in good faith deems equitable, adjust any or all of (i) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or property) with respect to which awards may be granted, (ii) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or property) subject to outstanding awards, and (iii) the exercise price with respect to any stock option, or make provision for an immediate cash payment to the holder of an outstanding award in consideration for the cancellation of such award.

Mergers. If the Company enters into or is involved in any merger, reorganization, recapitalization, sale of all or substantially all of the Company's assets, liquidation, or business combination with any person or entity (a "Merger Event"), the Board may, prior to such Merger Event and effective upon such Merger Event, take any action that it deems appropriate, including, replacing such stock options with substitute stock options and/or SARs in respect of the shares, other securities or other property of the surviving corporation or any affiliate of the surviving corporation on such terms and conditions, as to the number of shares, pricing and otherwise, which shall substantially preserve the value, rights and benefits of any affected stock options or SARs granted hereunder as of the date of the consummation of the Merger Event. If any Merger Event occurs, the Company has the right, but not the obligation, to cancel each participant's stock options and/or SARs and to pay to each affected participant in connection with the cancellation of such stock options and/or SARs, an amount equal to the excess of the fair market value, as determined by the Board, of the Common Stock underlying any unexercised stock options or SARs (whether then exercisable or not) over the aggregate exercise price of such unexercised stock options and/or SARs. Upon receipt by any affected participant of any such substitute stock options, SARs (or payment) as a result of any such Merger Event, such participant's affected stock options and/or SARs for which such substitute options and/or SARs (or payment) were received shall be thereupon cancelled without the need for obtaining the consent of any such affected participant.

Amendment, Suspension or Termination of the Plan

Unless earlier terminated by the Board, the Plan shall terminate on December 31, 2019. The Board may amend, suspend or terminate the Plan (or any portion thereof) at any time. However, no amendment shall (a) materially adversely affect the rights of any participant under any outstanding award, without the consent of such participant, or (b) make any change that would disqualify the Plan from the benefits provided under Sections 422 and 162(m) of the Internal Revenue Code of 1986 (the "Code"), or (c) increase the number of shares available for awards under the Plan without shareholder approval; provided, however, that the Board and/or Committee may amend the Plan, without the consent of any participants, in any way it deems appropriate to satisfy Code Section 409A and any regulations or

other authority promulgated thereunder, including any amendment to the Plan to cause certain Awards not to be subject to Code Section 409A.

Certain Federal Income Tax Consequences of the Plan

The following is a brief and general summary of some United States federal income tax consequences applicable to the Plan. The summary does not reflect any provisions of the income tax laws of any state, local or foreign taxing jurisdiction. Because the tax consequences of events and transactions under the Plan depend upon various factors, including an individual's own tax status, each participant who receives an award under the Plan should consult a tax advisor.

Incentive Stock Options. Stock options granted under the Plan may be incentive stock options (within the meaning of Section 422 of the Code) or non-qualified stock options. Upon the grant of an incentive stock option, the optionee will not recognize any income. Generally, no income is recognized by the optionee upon the exercise of an incentive stock option. The optionee must increase his or her alternative minimum taxable income for the taxable year in which he or she exercised the incentive stock option by the amount that would have been ordinary income had the option not been an incentive stock option.

Upon the subsequent disposition of shares acquired upon the exercise of an incentive stock option, the federal income tax consequences will depend upon when the disposition occurs and the type of disposition. If the shares are disposed of by the optionee after the later to occur of (i) the end of the two-year period beginning the day after the day the incentive stock option is awarded to the optionee, or (ii) the end of the one-year period beginning on the day after the day the shares are issued to the optionee (the later of (i) or (ii) being the "ISO Holding Period"), any gain or loss realized upon such disposition will be long-term capital gain or loss, and the Company (or a subsidiary) will not be entitled to any income tax deduction in respect of the option or its exercise. For purposes of determining the amount of such gain or loss, the optionee's tax basis in the shares will be the option price.

Generally, if the shares are disposed of by the optionee in a taxable disposition within (i) the two-year period beginning on the day after the day the option was awarded to the optionee, or (ii) the one-year period beginning on the day after the day the shares are issued to the optionee, the excess, if any, of the amount realized (up to the fair market value of the shares on the exercise date) over the option price will be compensation taxable to the optionee as ordinary income, and the Company generally will be entitled to a deduction (subject to the provisions of Section 162(m) of the Code discussed below under the caption "Limits on Deductions") equal to the amount of ordinary income realized by the optionee. Any amount realized upon such a disposition by the optionee in excess of the fair market value of the shares on the exercise date will be capital gain.

If an optionee has not remained an employee of the Company during the period beginning with the grant of an incentive stock option and ending on the day three months (one year if the optionee becomes disabled) before the date the option is exercised (other than in the case of the optionee's death), the exercise of such option will be treated as the exercise of a non-qualified stock option with the tax consequences described below.

Non-Qualified Stock Options. In general, upon the grant of a non-qualified stock option, an optionee will not recognize any income. At the time a nonqualified option is exercised, the optionee will recognize compensation taxable as ordinary income, and the Company generally will be entitled to a deduction (subject to the provisions of Section 162(m) of the Code discussed below under the caption "Limits on Deductions"), in an amount equal to the difference between the fair market value on the exercise date of the shares acquired pursuant to such exercise and the option price. Upon a subsequent disposition of the shares, the optionee will recognize long- or short-term capital gain or loss, depending upon the holding period of the shares. For purposes of determining the amount of such gain or loss, the optionee's tax basis in the shares will be the fair market value of such shares on the exercise date.

Effect of Share-for-Share Exercise. If an optionee elects to tender shares of Common Stock in partial or full payment of the option price for shares to be acquired through the exercise of an option, generally the optionee will not

recognize any gain or loss on such tendered shares. However, if the shares tendered in connection with any share-for-share exercise were previously acquired upon the exercise of an incentive stock option, and such share-for-share exercise occurs during the ISO Holding Period for such shares, then there will be a taxable disposition of the tendered shares with the tax consequences described above for the taxable dispositions during the ISO Holding Period of the shares acquired upon the exercise of an incentive stock option.

If the optionee tenders shares upon the exercise of a nonqualified option, the optionee will recognize compensation taxable as ordinary income and the Company generally will be entitled to a deduction (subject to the provisions of Section 162(m) of the Code discussed below under the caption "Limits on Deductions") in an amount equal only to the fair market value of the number of shares received by the optionee upon exercise which is in excess of the number of tendered shares, less any cash paid by the optionee.

Restricted Shares. A participant will not recognize any income upon the award of restricted shares unless the participant makes an election under Section 83(b) of the Code in respect of such grant, as described below. Unless a participant has made an election under Section 83(b) of the Code in respect of any restricted shares, any dividends received by the participant with respect to restricted shares prior to the date the participant recognizes income with respect to such award (as described below) must be treated by the participant as compensation taxable as ordinary income, and the Company will be entitled to a deduction, in an amount equal to the amount of ordinary income recognized by the participant. After the terms and conditions applicable to the restricted shares are satisfied, or if the participant has made an election under Section 83(b) of the Code in respect of the restricted shares, any dividends received by the participant in respect of such award will be treated as a dividend taxable as ordinary income, and the Company will not be entitled to a deduction in respect of any such dividend payment.

Unless the participant has made an election under Section 83(b) of the Code (as described below), at the time the terms and conditions applicable to the restricted shares are satisfied, a participant will recognize compensation taxable as ordinary income, and the Company generally will be entitled to a deduction, in an amount equal to the then fair market value of the shares of Common Stock for which the terms and conditions applicable to the restricted share award have been satisfied. The participant's tax basis for any such shares of Common Stock would be the fair market value on the date such terms and conditions are satisfied.

A participant may irrevocably elect under Section 83(b) of the Code to recognize compensation taxable as ordinary income, and the Company will be entitled to a corresponding deduction, in an amount equal to the fair market value of such restricted shares (determined without regard to any restrictions thereon) on the date of grant. Such an election must be made by the participant not later than 30 days after the date of grant. If such an election is made, no income would be recognized by the participant (and the Company will not be entitled to a corresponding deduction) at the time the applicable terms and conditions are satisfied. The participant's tax basis for the restricted shares received and for any shares of Common Stock subsequently held in respect thereof would be the fair market value of the restricted shares (determined without regard to any restrictions thereon) on the date of grant. If a participant makes such an election and subsequently all or part of the award is forfeited, the participant will not be entitled to a deduction as a result of such forfeiture.

The holding period for capital gain or loss purposes in respect of the Common Stock underlying an award of restricted shares shall commence when the terms and conditions applicable to the restricted shares are satisfied, unless the participant makes a timely election under Section 83(b) of the Code. In such case, the holding period will commence immediately after the grant of such restricted shares.

Performance Units. A participant will not recognize any income upon the award of a performance unit. If the performance goals applicable to the performance unit are achieved during the applicable performance period and such performance units are earned, a participant will recognize compensation taxable as ordinary income when he or she receives payment with respect to such performance unit, and at such time the Company will be entitled to a deduction equal to the amount of cash or the then fair market value of unrestricted Common Stock received by the participant in payment of the performance units. The participant's tax basis for any such shares of Common Stock would be the fair market value on the date such unrestricted shares are transferred to the participant. If all or a portion of the performance units are paid in restricted shares, see "Restricted Shares" above for a discussion of the applicable tax treatment.

Limits on Deductions. Under Section 162(m) of the Code, the amount of compensation paid to the chief executive officer and the four other most highly paid executive officers of the Company in the year for which a deduction is claimed by the Company (including its subsidiaries) is limited to \$1,000,000 per person in any year, except that qualified performance-based compensation will be excluded for purposes of calculating the amount of compensation subject to this \$1,000,000 limitation. The ability of the Company to claim a deduction for compensation paid to any

other executive officer or employee of the Company (including its subsidiaries) is not affected by this provision.

The Company has structured the Plan so that the Company may claim a deduction in connection with (i) the exercise of non-qualified stock options and/or SARs, (ii) the disposition during the ISO Holding Period by an optionee of shares acquired upon the exercise of incentive stock options, and (iii) the payment of any performance units, provided that, in each case, the requirements imposed on qualified performance-based compensation under Section 162(m) of the Code and the regulations thereunder are satisfied with respect to such awards. Restricted share awards under the Plan that vest solely upon the passage of time will not be qualified performance-based compensation under Section 162(m) of the Code. Any deduction the Company may claim upon the lapse of any restrictions on such restricted share awards will be subject to the limitations on deductibility under Section 162(m).

Additional Information. The recognition by an employee of compensation income with respect to a grant or an award under the Plan will be subject to withholding for federal income and employment tax purposes. If an employee, to the extent permitted by the terms of a grant or award under the Plan, uses shares of Common Stock to satisfy the federal income and employment tax withholding obligation, or any similar withholding obligation for state and local tax obligations, the employee will recognize a capital gain or loss, short-term or long-term, depending on the tax basis and holding period for such shares of Common Stock.

In the event of a change of control, certain compensation payments or other benefits received by "disqualified individuals" (as defined in Section 280G(c) of the Code) under the Plan or otherwise may cause or result in "excess parachute payments" (as defined in Section 280G(b)(1) of the Code). Pursuant to Section 280G of the Code, any amount that constitutes an excess parachute payment is not deductible by the Company. In addition, Section 4999 of the Code generally imposes a 20% excise tax on the amount of any such excess parachute payment received by such a disqualified individual, and any such excess parachute payments will not be deductible by the Company (or a subsidiary).

Effective Date

The Plan is effective on November 12, 2010, the date of its adoption by the Board of Directors subject to shareholder approval. The Plan will terminate on December 31, 2019, except with respect to awards then outstanding. After such date no further awards will be granted under the Plan unless the Plan is extended by the Board.

4.1 **Term.** The Plan shall terminate on December 31, 2019, except with respect to Awards then outstanding. After such date no further Awards shall be granted under the Plan.

4.2 **Common Stock.** The maximum number of shares of Common Stock in respect of which Awards may be granted or paid out under the Plan, subject to adjustment as provided in Section 13.2 of the Plan, shall not exceed 4,000,000 shares. In the event of a change in the Common Stock of the Company that is limited to a change in the designation thereof to "Capital Stock" or other similar designation, or to a change in the par value thereof, or from par value to no par value, without increase or decrease in the number of issued shares, the shares resulting from any such change shall be deemed to be the Common Stock for purposes of the Plan. Common Stock which may be issued under the Plan may be either authorized and unissued shares or issued shares which have been reacquired by the Company (in the open-market or in private transactions) and which are being held as treasury shares. No fractional shares of Common Stock shall be issued under the Plan.

4.3 **Computation of Available Shares.** For the purpose of computing the total number of shares of Common Stock available for Awards under the Plan, there shall be counted against the limitations set forth in Section 4.2 of the Plan the maximum number of shares of Common Stock potentially subject to issuance upon exercise or settlement of Awards granted under Sections 6 and 7 of the Plan, the number of shares of Common Stock issued under grants of Restricted Shares pursuant to Section 8 of the Plan and the maximum number of shares of Common Stock potentially issuable under grants or payments of Performance Units pursuant to Section 9 of the Plan, in each case determined as of the date on which such Awards are granted. If any Awards expire unexercised or are forfeited, surrendered, cancelled, terminated or settled in cash in lieu of Common Stock, the shares of Common Stock which were theretofore subject (or potentially subject) to such Awards shall again be available for Awards under the Plan to the extent of such expiration, forfeiture, surrender, cancellation, termination or settlement of such Awards.

5. Eligibility. Individuals eligible for Awards under the Plan shall consist of employees (including officers), directors and consultants, or those who will become employees (including officers), directors and consultants, of the Company and/or its Subsidiaries whose performance or contribution, in the sole discretion of the Committee, benefits or will benefit the Company or any Subsidiary.

6. Stock Options.

6.1 Terms and Conditions. Stock options granted under the Plan shall be in respect of Common Stock and may be in the form of Incentive Stock Options or Non-Qualified Stock Options (sometimes referred to collectively herein as the “Stock Option(s)”). Such Stock Options shall be subject to the terms and conditions set forth in this Section 6 and any additional terms and conditions, not inconsistent with the express terms and provisions of the Plan, as the Committee shall set forth in the relevant Award Agreement.

6.2 Grant. Stock Options may be granted under the Plan in such form as the Committee may from time to time approve. Stock Options may be granted alone or in addition to other Awards under the Plan or in tandem with Stock Appreciation Rights. Special provisions shall apply to Incentive Stock Options granted to any employee who owns (within the meaning of Section 422(b)(6) of the Code) more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or its parent corporation or any subsidiary of the Company, within the meaning of Sections 424(e) and (f) of the Code (a “10% Shareholder”).

6.3 Exercise Price. The exercise price per share of Common Stock subject to a Stock Option shall be determined by the Committee; provided, however, that the exercise price of a Stock Option shall not be less than one hundred percent (100%) of the Fair Market Value of the Common Stock on the date of the grant of such Stock Option; provided, further, however, that, in the case of a 10% Shareholder, the exercise price of an Incentive Stock Option shall not be less than one hundred ten percent (110%) of the Fair Market Value of the Common Stock on the date of grant.

6.4 Term. The term of each Stock Option shall be such period of time as is fixed by the Committee; provided, however, that the term of any Incentive Stock Option shall not exceed ten (10) years (five (5) years, in the case of a 10% Shareholder) after the date immediately preceding the date on which the Incentive Stock Option is granted.

6.5 Method of Exercise. A Stock Option may be exercised, in whole or in part, by giving written notice of exercise to the Secretary of the Company, or the Secretary's designee, specifying the number of shares to be purchased. Such notice shall be accompanied by payment in full of the exercise price in cash, by certified check, bank draft, or money order payable to the order of the Company, if permitted by the Committee in its sole discretion, by delivery of shares of Common Stock satisfying such requirements as the Committee shall establish, or through such other mechanism as the Committee shall permit, in its sole discretion. Payment instruments shall be received by the Company subject to collection. The proceeds received by the Company upon exercise of any Stock Option may be used by the Company for general corporate purposes. Any portion of a Stock Option that is exercised may not be exercised again.

6.6 Tandem Grants. If Non-Qualified Stock Options and Stock Appreciation Rights are granted in tandem, as designated in the relevant Award Agreements, the right of a Participant to exercise any such tandem Stock Option shall terminate to the extent that the shares of Common Stock subject to such Stock Option are used to calculate amounts or shares receivable upon the exercise of the related tandem Stock Appreciation Right.

7. Stock Appreciation Rights.

7.1 Terms and Conditions. The grant of Stock Appreciation Rights under the Plan shall be subject to the terms and conditions set forth in this Section 7 and any additional terms and conditions, not inconsistent with the express terms and provisions of the Plan, as the Committee shall set forth in the relevant Award Agreement.

7.2 Stock Appreciation Rights. A Stock Appreciation Right is an Award granted with respect to a specified number of shares of Common Stock entitling a Participant to receive an amount equal to the excess of the Fair Market Value of a share of Common Stock on the date of exercise over the Fair Market Value of a share of Common Stock on the date of grant of the Stock Appreciation Right, multiplied by the number of shares of Common Stock with respect to which the Stock Appreciation Right shall have been exercised.

7.3 Grant. A Stock Appreciation Right may be granted in addition to any other Award under the Plan or in tandem with or independent of a Non-Qualified Stock Option.

7.4 Date of Exercisability. In respect of any Stock Appreciation Right granted under the Plan, unless otherwise (a) determined by the Committee (in its sole discretion) at any time and from time to time in respect of any such Stock Appreciation Right, or (b) provided in the Award Agreement, a Stock Appreciation Right may be exercised by a Participant, in accordance with and subject to all of the procedures established by the Committee, in whole or in part at any time and from time to time during its specified term. The Committee may also provide, as set forth in the relevant Award Agreement and without limitation, that some Stock Appreciation Rights shall be automatically exercised and settled on one or more fixed dates specified therein by the Committee.

7.5 Form of Payment. Upon exercise of a Stock Appreciation Right, payment may be made in cash, in Restricted Shares or in shares of unrestricted Common Stock, or in any combination thereof, as the Committee, in its sole discretion, shall determine and provide in the relevant Award Agreement.

7.6 Tandem Grant. The right of a Participant to exercise a tandem Stock Appreciation Right shall terminate to the extent such Participant exercises the Non-Qualified Stock Option to which such Stock Appreciation Right is related.

8. Restricted Shares.

8.1 Terms and Conditions. Grants of Restricted Shares shall be subject to the terms and conditions set forth in this Section 8 and any additional terms and conditions, not inconsistent with the express terms and provisions of the Plan, as the Committee shall set forth in the relevant Award Agreement. Restricted Shares may be granted alone or in addition to any other Awards under the Plan. Subject to the terms of the Plan, the Committee shall determine the number of Restricted Shares to be granted to a Participant and the Committee may provide or impose different terms and conditions on any particular Restricted Share grant made to any Participant. With respect to each Participant receiving an Award of Restricted Shares, there shall be issued a stock certificate (or certificates) in respect of such Restricted Shares. Such stock certificate(s) shall be registered in the name of such Participant, shall be accompanied by a stock power duly executed by such Participant, and shall bear, among other required legends, the following legend:

“THE TRANSFERABILITY OF THIS CERTIFICATE AND THE SHARES OF STOCK REPRESENTED HEREBY ARE SUBJECT TO THE TERMS AND CONDITIONS (INCLUDING, WITHOUT LIMITATION, FORFEITURE EVENTS) CONTAINED IN THE CHINA PHARMA HOLDINGS, INC. 2010 LONG-TERM INCENTIVE PLAN AND AN AWARD AGREEMENT ENTERED INTO BETWEEN THE REGISTERED OWNER HEREOF AND CHINA PHARMA HOLDINGS, INC. (THE “COMPANY”). COPIES OF SUCH PLAN AND AWARD AGREEMENT ARE ON FILE AT THE PRINCIPAL EXECUTIVE OFFICES OF THE COMPANY. THE COMPANY WILL FURNISH TO THE RECORDHOLDER OF THIS CERTIFICATE, WITHOUT CHARGE AND UPON WRITTEN REQUEST AT ITS PRINCIPAL EXECUTIVE OFFICES, A COPY OF SUCH PLAN AND AWARD AGREEMENT. THE COMPANY RESERVES THE RIGHT TO REFUSE TO RECORD THE TRANSFER OF THIS CERTIFICATE UNTIL ALL SUCH RESTRICTIONS ARE SATISFIED, ALL SUCH TERMS ARE COMPLIED WITH AND ALL SUCH CONDITIONS ARE SATISFIED.”

Such stock certificate evidencing such shares shall, in the sole discretion of the Committee, be deposited with and held in custody by the Company until the restrictions thereon shall have lapsed and all of the terms and conditions applicable to such grant shall have been satisfied.

8.2 Restricted Share Grants. A grant of Restricted Shares is an Award of shares of Common Stock granted to a Participant, subject to such restrictions, terms and conditions as the Committee deems appropriate, including, without limitation, (a) restrictions on the sale, assignment, transfer, hypothecation or other disposition of such shares, (b) the requirement that the Participant deposit such shares with the Company while such shares are subject to such restrictions, and (c) the requirement that such shares be forfeited upon termination of employment for specified reasons within a specified period of time or for other reasons (including, without limitation, the failure to achieve designated performance goals).

8.3 Restriction Period. In accordance with Sections 8.1 and 8.2 of the Plan and unless otherwise determined by the Committee (in its sole discretion) at any time and from time to time, Restricted Shares shall only become unrestricted and vested in the Participant in accordance with such vesting schedule relating to such Restricted Shares, if any, as the Committee may establish in the relevant Award Agreement (the "Restriction Period"). During the Restriction Period, such stock shall be and remain unvested and a Participant may not sell, assign, transfer, pledge, encumber or otherwise dispose of or hypothecate such Award. Upon satisfaction of the vesting schedule and any other applicable restrictions, terms and conditions, the Participant shall be entitled to receive payment of the Restricted Shares or a portion thereof, as the case may be, as provided in Section 8.4 of the Plan.

8.4 Payment of Restricted Share Grants. After the satisfaction and/or lapse of the restrictions, terms and conditions established by the Committee in respect of a grant of Restricted Shares, a new certificate, without the legend set forth in Section 8.1 of the Plan, for the number of shares of Common Stock which are no longer subject to such restrictions, terms and conditions shall, as soon as practicable thereafter, be delivered to the Participant. In the event the shares are not registered with the U.S. Securities and Exchange Commission, the new certificate shall bear a standard legend pursuant to Securities Act of 1933 as in effect and as amended from time to time.

8.5 Shareholder Rights. A Participant shall have, with respect to the shares of Common Stock underlying a grant of Restricted Shares, all of the rights of a shareholder of such stock, including the right to receive all dividends or other distributions made or paid in respect of such Restricted Shares and the right to vote Restricted Shares at regular or special meetings of the stockholders of the Corporation (except as such rights are limited or restricted under the Plan or in the relevant Award Agreement). Any stock dividends paid in respect of unvested Restricted Shares shall be treated as additional Restricted Shares and shall be subject to the same restrictions and other terms and conditions that apply to the unvested Restricted Shares in respect of which such stock dividends are issued.

9. Performance Units.

9.1 Terms and Conditions. Performance Units shall be subject to the terms and conditions set forth in this Section 9 and any additional terms and conditions, not inconsistent with the express provisions of the Plan, as the Committee shall set forth in the relevant Award Agreement.

9.2 Performance Unit Grants. A Performance Unit is an Award of units (with each unit representing such monetary amount as is designated by the Committee in the Award Agreement) granted to a Participant, subject to such terms and conditions as the Committee deems appropriate, including, without limitation, the requirement that the Participant forfeit such units (or a portion thereof) in the event certain performance criteria or other conditions are not met within a designated period of time.

9.3 Grants. Performance Units may be granted alone or in addition to any other Awards under the Plan. Subject to the terms of the Plan, the Committee shall determine the number of Performance Units to be granted to a Participant and the Committee may impose different terms and conditions on any particular Performance Units granted to any Participant.

9.4 Performance Goals and Performance Periods. Participants receiving a grant of Performance Units shall only earn into and be entitled to payment in respect of such Awards if the Company and/or the Participant achieves certain performance goals (the "Performance Goals") during and in respect of a designated performance period (the "Performance Period"). The Performance Goals and the Performance Period shall be established by the Committee, in its sole discretion. The Committee shall establish Performance Goals for each Performance Period prior to, or as soon as practicable after, the commencement of such Performance Period. The Committee shall also establish a schedule or schedules for Performance Units setting forth the portion of the Award which will be earned or forfeited based on the degree of achievement, or lack thereof, of the Performance Goals at the end of the relevant Performance Period. In setting Performance Goals, the Committee may use, but shall not be limited to, such measures as total shareholder return, return on equity, net earnings growth, sales or revenue growth, cash flow, comparisons to peer companies, individual or aggregate Participant performance or such other measure or measures of performance as the Committee, in its sole discretion, may deem appropriate. Such performance measures shall be defined as to their respective components and meaning by the Committee (in its sole discretion). During any Performance Period, the Committee shall have the authority to adjust the Performance Goals and/or the Performance Period in such manner as the Committee, in its sole discretion, deems appropriate at any time and from time to time.

9.5 Payment of Units. With respect to each Performance Unit, the Participant shall, if the applicable Performance Goals have been achieved, or partially achieved, as determined by the Committee in its sole discretion, by the Company and/or the Participant during the relevant Performance Period, be entitled to receive payment in an amount equal to the designated value of each Performance Unit times the number of such units so earned. Payment in settlement of earned Performance Units shall be made as soon as practicable following the conclusion of the respective Performance Period in cash, in unrestricted Common Stock, or in Restricted Shares, or in any combination thereof, as the Committee in its sole discretion, shall determine and provide in the relevant Award Agreement.

10. Other Provisions.

10.1 Performance-Based Awards. Performance Units, Restricted Shares, and other Awards subject to performance criteria that are intended to be “qualified performance-based compensation” within the meaning of section 162(m) of the Code shall be paid solely on account of the attainment of one or more preestablished, objective performance goals within the meaning of section 162(m) and the regulations thereunder. Until otherwise determined by the Committee, the performance goals shall be the attainment of preestablished levels of any of net income, market price per share, earnings per share, return on equity, return on capital employed and/or cash flow, or EBITDA. The payout of any such Award to a Covered Employee may be reduced, but not increased, based on the degree of attainment of other performance criteria or otherwise at the discretion of the Committee. For purposes of the Plan, “Covered Employee” has the same meaning as set forth in Section 162(m) of the Code.

10.2 Maximum Yearly Awards. The maximum annual Common Stock amounts in this Section 10.3 are subject to adjustment under Section 13.2 and are subject to the Plan maximum under Section 4.2.

10.2.1 Performance-Based Awards. The maximum amount payable in respect of Performance Units, performance-based Restricted Shares and other Awards in any calendar year may not exceed 500,000 shares of Common Stock (or the then equivalent Fair Market Value thereof) in the case of any individual Participant.

10.2.2 Stock Options and SARs. Each individual Participant may not receive in any calendar year Awards of Options or Stock Appreciation Rights exceeding 500,000 underlying shares of Common Stock.

11. Dividend Equivalents. In addition to the provisions of Section 8.5 of the Plan, Awards of Stock Options, and/or Stock Appreciation Rights, may, in the sole discretion of the Committee and if provided for in the relevant Award Agreement, earn dividend equivalents. In respect of any such Award which is outstanding on a dividend record date for Common Stock, the Participant shall be credited with an amount equal to the amount of cash or stock dividends that would have been paid on the shares of Common Stock covered by such Award had such covered shares been issued and outstanding on such dividend record date. The Committee shall establish such rules and procedures governing the crediting of such dividend equivalents, including, without limitation, the amount, the timing, form of payment and payment contingencies and/or restrictions of such dividend equivalents, as it deems appropriate or necessary.

12. Non-transferability of Awards. Unless otherwise provided in the Award Agreement, no Award under the Plan or any Award Agreement, and no rights or interests herein or therein, shall or may be assigned, transferred, sold, exchanged, encumbered, pledged, or otherwise hypothecated or disposed of by a Participant or any beneficiary(ies) of any Participant, except by testamentary disposition by the Participant or the laws of intestate succession. No such interest shall be subject to execution, attachment or similar legal process, including, without limitation, seizure for the payment of the Participant’s debts, judgments, alimony, or separate maintenance. Unless otherwise provided in the Award Agreement, during the lifetime of a Participant, Stock Options and Stock Appreciation Rights are exercisable only by the Participant.

13. Changes in Capitalization and Other Matters.

13.1 No Corporate Action Restriction. The existence of the Plan, any Award Agreement and/or the Awards granted hereunder shall not limit, affect or restrict in any way the right or power of the Board or the shareholders of the Company to make or authorize (a) any adjustment, recapitalization, reorganization or other change in the Company's or any Subsidiary's capital structure or its business, (b) any merger, consolidation or change in the ownership of the Company or any Subsidiary, (c) any issue of bonds, debentures, capital, preferred or prior preference stocks ahead of or affecting the Company's or any Subsidiary's capital stock or the rights thereof, (d) any dissolution or liquidation of the Company or any Subsidiary, (e) any sale or transfer of all or any part of the Company's or any Subsidiary's assets or business, or (f) any other corporate act or proceeding by the Company or any Subsidiary. No Participant, beneficiary or any other person shall have any claim against any member of the Board or the Committee, the Company or any Subsidiary, or any employees, officers, shareholders or agents of the Company or any subsidiary, as a result of any such action.

13.2 Recapitalization Adjustments. In the event that the Board determines that any dividend or other distribution (whether in the form of cash, Common Stock, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Common Stock or other securities of the Company, or other corporate transaction or event affects the Common Stock such that an adjustment is determined by the Board, in its sole discretion, to be necessary or appropriate in order to prevent dilution or enlargement of benefits or potential benefits intended to be made available under the Plan, the Board may, in such manner as it in good faith deems equitable, adjust any or all of (i) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or property) with respect to which Awards may be granted, (ii) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or property) subject to outstanding Awards, and (iii) the exercise price with respect to any Stock Option, or make provision for an immediate cash payment to the holder of an outstanding Award in consideration for the cancellation of such Award.

13.3 Mergers. If the Company enters into or is involved in any merger, reorganization, recapitalization, sale of all or substantially all of the Company's assets, liquidation, or business combination with any person or entity (such merger, reorganization, recapitalization, sale of all or substantially all of the Company's assets, liquidation, or business combination to be referred to herein as a "Merger Event"), the Board may take such action as it deems appropriate, including, but not limited to, replacing such Stock Options and/or Stock Appreciation Rights with substitute stock options and/or stock appreciation rights in respect of the shares, other securities or other property of the surviving corporation or any affiliate of the surviving corporation on such terms and conditions, as to the number of shares, pricing and otherwise, which shall substantially preserve the value, rights and benefits of any affected Stock Options or Stock Appreciation Rights granted hereunder as of the date of the consummation of the Merger Event. Notwithstanding anything to the contrary in the Plan, if any Merger Event occurs, the Company shall have the right, but not the obligation, to cancel each Participant's Stock Options and/or Stock Appreciation Rights and to pay to each affected Participant in connection with the cancellation of such Participant's Stock Options and/or Stock Appreciation Rights, an amount equal to the excess of the Fair Market Value, as determined by the Board, of the Common Stock underlying any unexercised Stock Options or Stock Appreciation Rights (whether then exercisable or not) over the aggregate exercise price of such unexercised Stock Options and/or Stock Appreciation Rights.

Upon receipt by any affected Participant of any such substitute stock options, stock appreciation rights (or payment) as a result of any such Merger Event, such Participant's affected Stock Options and/or Stock Appreciation Rights for which such substitute options and/or stock appreciation rights (or payment) were received shall be thereupon cancelled without the need for obtaining the consent of any such affected Participant.

14. Amendment, Suspension and Termination.

14.1 In General. The Board may suspend or terminate the Plan (or any portion thereof) at any time and may amend the Plan at any time and from time to time in such respects as the Board may deem advisable to insure that any and all Awards conform to or otherwise reflect any change in applicable laws or regulations, or to permit the Company or the Participants to benefit from any change in applicable laws or regulations, or in any other respect the Board may deem to be in the best interests of the Company or any Subsidiary. No such amendment, suspension or termination shall (x) materially adversely effect the rights of any Participant under any outstanding Stock Options, Stock Appreciation Rights, Performance Units, or Restricted Share grants, without the consent of such Participant, or (y) increase the number of shares available for Awards pursuant to Section 4.2 or increase the Maximum Yearly Awards under Section 10.2 or change the performance criteria listed in Section 10.1, without shareholder approval; provided, however, that the Board may amend the Plan, without the consent of any Participants, in any way it deems appropriate to satisfy Code Section 409A and any regulations or other authority promulgated thereunder, including any amendment to the Plan to cause certain Awards not to be subject to Code Section 409A.

14.2 Award Agreement Modifications. The Committee may (in its sole discretion) amend or modify at any time and from time to time the terms and provisions of any outstanding Stock Options, Stock Appreciation Rights, Performance Units, or Restricted Share grants, in any manner to the extent that the Committee under the Plan or any Award Agreement could have initially determined the restrictions, terms and provisions of such Stock Options, Stock Appreciation Rights, Performance Units, and/or Restricted Share grants, including, without limitation, changing or accelerating (a) the date or dates as of which such Stock Options or Stock Appreciation Rights shall become exercisable, (b) the date or dates as of which such Restricted Share grants shall become vested, or (c) the performance period or goals in respect of any Performance Units. No such amendment or modification shall, however, materially adversely affect the rights of any Participant under any such Award without the consent of such Participant; provided, however, that the Committee may amend an Award without the consent of the Participant, in any way it deems appropriate to satisfy Code Section 409A and any regulations or other authority promulgated thereunder, including any amendment to or modification of such Award to cause such Award not to be subject to Code Section 409A.

15. Miscellaneous.

15.1 Tax Withholding. The Company shall have the right to deduct from any payment or settlement under the Plan, including, without limitation, the exercise of any Stock Option or Stock Appreciation Right, or the delivery, transfer or vesting of any Common Stock or Restricted Shares, any federal, state, local or other taxes of any kind, including without limitation, taxes required to be withheld under the tax laws, rules, regulations and governmental orders of the PRC, which the Committee, in its sole discretion, deems necessary to be withheld to comply with the Code and/or any other applicable law, rule or regulation. Shares of Common Stock may be used to satisfy any such tax withholding. Such Common Stock shall be valued based on the Fair Market Value of such stock as of the date the tax withholding is required to be made, such date to be determined by the Committee. In addition, the Company shall have the right to require payment from a Participant to cover any applicable withholding or other employment taxes due upon any payment or settlement under the Plan.

15.2 No Right to Employment. Neither the adoption of the Plan, the granting of any Award, nor the execution of any Award Agreement, shall confer upon any employee of the Company or any Subsidiary any right to continued employment with the Company or any Subsidiary, as the case may be, nor shall it interfere in any way with the right, if any, of the Company or any Subsidiary to terminate the employment of any employee at any time for any reason.

15.3 Unfunded Plan. The Plan shall be unfunded and the Company shall not be required to segregate any assets in connection with any Awards under the Plan. Any liability of the Company to any person with respect to any Award under the Plan or any Award Agreement shall be based solely upon the contractual obligations that may be created as a result of the Plan or any such award or agreement. No such obligation of the Company shall be deemed to be secured by any pledge of, encumbrance on, or other interest in, any property or asset of the Company or any Subsidiary. Nothing contained in the Plan or any Award Agreement shall be construed as creating in respect of any Participant (or beneficiary thereof or any other person) any equity or other interest of any kind in any assets of the Company or any Subsidiary or creating a trust of any kind or a fiduciary relationship of any kind between the Company, any Subsidiary and/or any such Participant, any beneficiary thereof or any other person.

15.4 Payments to a Trust. The Committee is authorized to cause to be established a trust agreement or several trust agreements or similar arrangements from which the Committee may make payments of amounts due or to become due to any Participants under the Plan.

15.5 Other Company Benefit and Compensation Programs. Payments and other benefits received by a Participant under an Award made pursuant to the Plan shall not be deemed a part of a Participant's compensation for purposes of the determination of benefits under any other employee welfare or benefit plans or arrangements, if any, provided by the Company or any Subsidiary unless expressly provided in such other plans or arrangements, or except where the Board expressly determines in writing that inclusion of an Award or portion of an Award should be included to accurately reflect competitive compensation practices or to recognize that an Award has been made in lieu of a portion of competitive annual base salary or other cash compensation. Awards under the Plan may be made in addition to, in combination with, or as alternatives to, grants, awards or payments under any other plans or arrangements of the Company or its Subsidiaries. The existence of the Plan notwithstanding, the Company or any Subsidiary may adopt such other compensation plans or programs and additional compensation arrangements as it deems necessary to attract, retain and motivate employees.

15.6 Listing, Registration and Other Legal Compliance. No Awards or shares of the Common Stock shall be required to be issued or granted under the Plan unless legal counsel for the Company shall be satisfied that such issuance or grant will be in compliance with all applicable federal, state or other securities laws and regulations and any other applicable laws or regulations. The Committee may require, as a condition of any payment or share issuance, that certain agreements, undertakings, representations, certificates, and/or information, as the Committee may deem necessary or advisable, be executed or provided to the Company to assure compliance with all such applicable laws or regulations. Certificates for shares of the Restricted Shares and/or Common Stock delivered under the Plan may be subject to such stock-transfer orders and such other restrictions as the Committee may deem advisable under the rules, regulations, or other requirements of the Securities and Exchange Commission, any stock exchange upon which the Common Stock, or any depositary receipt evidencing an interest in Common Stock, is then listed, and any applicable federal, state or other securities law. In addition, if, at any time specified herein (or in any Award Agreement or otherwise) for (a) the making of any Award, or the making of any determination, (b) the issuance or other distribution of Restricted Shares and/or Common Stock, or (c) the payment of amounts to or through a Participant with respect to any Award, any law, rule, regulation or other requirement of any governmental authority or agency shall require either the Company, any Subsidiary or any Participant (or any estate, designated beneficiary or other legal representative thereof) to take any action in connection with any such determination, any such shares to be issued or distributed, any such payment, or the making of any such determination, as the case may be, shall be deferred until such required action is taken. With respect to persons subject to Section 16 of the Exchange Act, transactions under the Plan are intended to comply with all applicable conditions of SEC Rule 16b-3.

15.7 Award Agreements. Each Participant receiving an Award under the Plan shall enter into an Award Agreement with the Company in a form specified by the Committee. Each such Participant shall agree to the restrictions, terms and conditions of the Award set forth therein and in the Plan.

15.8 Designation of Beneficiary. Each Participant to whom an Award has been made under the Plan may designate a beneficiary or beneficiaries to exercise any option or to receive any payment which under the terms of the Plan and the relevant Award Agreement may become exercisable or payable on or after the Participant's death. At any time, and from time to time, any such designation may be changed or cancelled by the Participant without the consent of any such beneficiary. Any such designation, change or cancellation must be on a form provided for that purpose by the Committee and shall not be effective until received by the Committee. If no beneficiary has been designated by a deceased Participant, or if the designated beneficiaries have predeceased the Participant, the beneficiary shall be the Participant's estate. If the Participant designates more than one beneficiary, any payments under the Plan to such beneficiaries shall be made in equal shares unless the Participant has expressly designated otherwise, in which case the payments shall be made in the shares designated by the Participant.

15.9 Leaves of Absence/Transfers. The Committee shall have the power to promulgate rules and regulations and to make determinations, as it deems appropriate, under the Plan in respect of any leave of absence from the Company or any Subsidiary granted to a Participant. Without limiting the generality of the foregoing, the Committee may determine whether any such leave of absence shall be treated as if the Participant has terminated employment with the Company or any such Subsidiary. If a Participant transfers within the Company, or to or from any Subsidiary, such Participant shall not be deemed to have terminated employment as a result of such transfers.

15.10 Designated Participants.

15.10.1 Designation of Participant, Appointment of Trustee. If the Committee determines in its sole discretion that an appointment is necessary or desirable to comply with the regulatory requirements in the PRC, it may appoint the Company, a Subsidiary, or any other institution or organization registered outside of the PRC (a "Trustee") to hold the interest and exercise the rights granted under the Plan of any Participant (a "Designated Participant") who either is a national of and ordinarily resident in the PRC or is otherwise designated by the Committee as a Designated Participant. In relation to any such appointment, the Trustee will undertake to do the following for and on behalf of the Designated Participant, subject at all times to the Committee's supervision:

- (i) execute the relevant Award Agreement with the Company;
- (ii) hold the Award (a "Designated Award") for the benefit of the Designated Participant;
- (iii) take such actions as the Designated Participant may instruct from time to time in connection with the Designated Award or otherwise in relation to the Designated Participant's beneficial interest under the Plan or under the Award Agreement, including taking such actions as may be necessary to exercise the Designated Award under the terms of the Plan; and

(iv) after deducting its costs, fees and expenses as contemplated under subsection 15.10.4, hold, or at the Designated Participant's direction remit to the Designated Participant, the net proceeds of sales or other transactions involving the Designated Award or, as applicable, shares of Common Stock underlying such Award.

15.10.2 Restrictions on Method of Exercise. Without limiting the scope of its authorities under the Plan, the Committee may at any time impose restrictions on the method of exercise of Designated Award, such that upon exercise of the Designated Award, the Designated Participant (or the Trustee action on the Designated Participant's behalf) does not receive shares of Common Stock and receives only cash, in the amount and denomination determined by the Committee.

15.10.3 Termination of Appointment of Trustee. An appointment of a Trustee pursuant to the terms of the Plan to hold the interest and exercise the rights for the benefit of the Designated Participant shall terminate at such time as the Committee determines in its sole discretion that such appointment is no longer necessary or desirable in order to comply with regulatory requirements in the PRC.

15.10.4 Trustee Expenses. The Trustee may deduct from the proceeds of sales or other transactions involving the Designated Award or, as applicable, shares of Common Stock underlying such Award, any costs, fees and expenses of the Trustee in relation to its appointment under this Section. The Trustee will, under no circumstances, otherwise require the Designated Participant to compensate it for any of its costs, fees, expenses or losses.

15.11 Code Section 409A. This Plan and all Awards hereunder are intended to comply with the requirements of Code Section 409A and any regulations or other authority promulgated thereunder. Notwithstanding any provision of the Plan or any Award Agreement to the contrary, the Board and the Committee reserve the right (without the consent of any Participant and without any obligation to do so or to indemnify any Participant or the beneficiaries of any Participant for any failure to do so) to amend this Plan and/or any Award Agreement as and when necessary or desirable to conform to or otherwise properly reflect any guidance issued under Code Section 409A after the date hereof without violating Code Section 409A.
