Item 1. Security and Issuer.

The title of the class of equity security to which this statement on Schedule 13D relates is the Common Stock, par value \$0.00001 per share (the "Shares") of LRAD Corporation, a Delaware corporation (the "Issuer"). The address of the Issuer's principal executive offices is 16990 Goldentop Road, San Diego, California, 92127.

Item 2. Identity and Background.

This statement on Schedule 13D is filed on behalf of Iroquois Capital Management LLC, a Delaware limited liability company ("Iroquois"), Joshua Silverman, an individual who is a citizen of the United States of America ("Mr. Silverman"), and Richard Abbe, an individual who is a citizen of the United States of America ("Mr. Abbe," together with Iroquois and Mr. Silverman, the "Reporting Persons"). Iroquois is a registered investment adviser that provides investment advisory services to Iroquois Master Fund Ltd., a Cayman Islands exempted limited company (the "Fund"). Each of Mr. Silverman and Mr. Abbe is a founding member of Iroquois. The principal business address of each of the Reporting Persons is 641 Lexington Avenue, 26th Floor, New York, New York 10022. A joint filing agreement of Iroquois, Mr. Silverman, and Mr. Abbe is attached hereto as Exhibit 1.

During the last five years, none of the Reporting Persons has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

The responses to Items 4, 5 and 6 of this Schedule 13D are incorporated herein by reference.

Iroquois used working capital of the Fund to purchase the 1,338,638 Shares and the warrants ("Warrants") to acquire 388,766 Shares reported herein. The total purchase price for such Shares and Warrants was approximately \$2,371,284.

Mr. Silverman used his personal assets to purchase the 16,644 Shares and the Warrants to acquire 4,503 Shares reported herein. The total purchase price for such Shares and Warrants was approximately \$23,675.

The Accounts referred to in Item 5 used working capital of such Accounts to acquire the 148,264 Shares and the Warrants to acquire 54,043 Shares reported herein. The total purchase price for such Shares and Warrants was approximately \$191,498.

Item 4. Purpose of Transaction.

The responses to Items 3, 5 and 6 of this Schedule 13D are incorporated herein by reference.

Each of the Reporting Persons acquired the Shares and Warrants because they believed them to be an attractive investment.

However, the Reporting Persons believe that the Board of Directors of the Issuer has failed to exercise proper oversight over the management and operations of the Issuer and has granted compensation to itself that is excessive.

The Fund filed a Verified Amended Derivative Complaint in November, 2012 against then-directors Raymond Smith, Laura Clague, Helen Adams, and Thomas Brown and the Company's chief financial officer Katherine McDermott ("Defendants") and the Company as nominal defendant, asserting breach of fiduciary duty and other violations of law in connection with Defendants' issuance of stock options for their own benefit representing 3% of the Company's then issued and outstanding shares with incredibly low exercise prices. The Complaint asserts that the issuance of the options was exquisitely timed to follow the announcement of disappointing earnings results and precede material non-public positive earning events and to serve as a replacement for options held by Defendants that had expired, were about to expire, and/or were "out of the money".

The Reporting Persons have determined that they intend to seek to replace the existing Board of Directors at the 2013 Annual Meeting of Shareholders and in connection therewith have delivered to the Issuer the Notice attached hereto as Exhibit 2. The Reporting Persons expect that they will solicit proxies in support of the nominees for director specified in the Notice in accordance with the proxy regulations applicable to such solicitation.

Shareholders are advised to read the proxy statement and other documents related to any solicitation of proxies by Iroquois or its affiliates from the shareholders of the Issuer when they become available, because they will contain important information, including information relating to the participants in such proxy solicitation. When completed, a definitive proxy statement and a form of proxy will be mailed to shareholders of the Issuer whose votes are solicited and will also be available at no charge at the Securities and Exchange Commission's website at <http://www.sec.gov>.

The Reporting Persons may have meetings or conversations with the Issuer and its management, members of the Issuer's Board, other shareholders and other persons to discuss matters related to the Shares and the Issuer. The Reporting Persons intend to review their respective investment in the Issuer on a continuing basis and may from time to time and at any time in the future depending on various factors, including, without limitation, the outcome of the Reporting Persons' plan to replace the existing Board of Directors of the Issuer, the Issuer's financial position and strategic direction, actions taken by the board, price levels of the Shares, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, take such actions with respect to the investment in the Issuer as they deem appropriate, including: (i) acquiring additional Shares and/or other equity, debt, notes, other securities, or derivative or other instruments that are based upon or relate to the value of the Shares or the Issuer (collectively, "Securities") of the Issuer in the open market or otherwise; (ii) disposing of any or all of their Securities in the open market or otherwise; (iii) engaging in any hedging or similar transactions with respect to the Securities; or (iv) proposing or considering one or more of the actions described in subsections (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer.

(a) – (b) By virtue of Iroquois' position as investment advisor to the Fund, Iroquois may be deemed to be the beneficial owner of 1,727,404 Shares (representing approximately 5.27% of the Shares based upon 32,399,199 Shares outstanding as of November 26, 2012 as reported by the Issuer in its Annual Report on Form 10-K filed with the Securities and Exchange Commission on December 4, 2012) consisting of 1,338,638 Shares and Warrants to acquire 388,766 Shares held for the account of the Fund. Iroquois may be deemed to have shared power to vote and shared power to dispose of 1,338,638 Shares and Warrants to acquire 388,766 Shares.

Mr. Abbe and Mr. Silverman are the members of Iroquois who have the authority and responsibility for the investments made on behalf of the Fund. As such, each of Mr. Abbe and Mr. Silverman may be deemed to be the beneficial owner of the Shares and Warrants held for the account of the Fund. In addition, by virtue of his position as a custodian or trustee of certain trusts or accounts established for the benefit of his children or other relatives ("Accounts"), Mr. Abbe may be deemed to be the beneficial owner of an additional 148,264 Shares and Warrants to acquire 54,043 Shares held for such Accounts. Mr. Silverman may be deemed to be the beneficial owner of an additional 16,644 Shares and Warrants to acquire 4,503 Shares owned for his own account. Mr. Abbe may be deemed to have sole power to vote and sole power to dispose of 139,257 Shares and Warrants to acquire 45,036 Shares and shared power to vote and shared power to dispose of 1,347,645 Shares and Warrants to acquire 397,773 Shares. (c) Except as set forth on Exhibit 3 attached hereto, there have been no transactions with respect to the Shares during the sixty days prior to the date hereof by any of the Reporting Persons.

(d) Other than the investors of the Fund and the beneficiaries of the Accounts, as the case may be, who are entitled to receive dividends from or the proceeds of sales of the Shares held for their respective accounts, in accordance with their interests therein, no person is known to have the right to receive, or the power to direct the receipt of dividends from, or proceeds from the sale of, the Shares beneficially owned by any of the Reporting Person, other than the Reporting Person itself.

NOW, THEREFORE, in consideration of the foregoing and with the understanding on the part of the Indemnitor that the Indemnitee is relying on this Agreement in agreeing to be a nominee as aforesaid and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby hereto agree as follows:

1. Expenses. The Indemnitor agrees that for the period starting from the date of this Agreement and ending on the earlier of (a) the Indemnitee’s election to the Board of Directors of the Company (or if the election or qualification of members to the Board of Directors is contested on any grounds, such later date that such contest is resolved) and (y) the date the Indemnitee has been notified by the Indemnitor that it will not commence the Solicitation or has abandoned the Solicitation or will not nominate the Indemnitee to the Board of Directors of the Company or that the requisite number of votes for the Indemnitee’s election to the Board of Directors has not been obtained, the Indemnitor will (i) promptly reimburse the Indemnitee for all reasonable out-of-pocket expenses incurred in the performance of his responsibilities as a Nominee, and (ii) directly pay for the reasonable legal fees and expenses incurred by one independent legal counsel reasonably satisfactory to the Indemnitor selected collectively by (by plurality vote) and acting on behalf of all Nominees proposed by the Indemnitor for election to the Board of Directors of the Company (the “Independent Counsel”) to the extent one is to be chosen in accordance with Section 2(b).
2. Indemnification. (a) The Indemnitor hereby agrees to indemnify, defend and hold harmless the Indemnitee from and against any and all losses, claims, damages, liabilities, judgments, costs, and expenses (including reasonable fees and disbursements of counsel (but only as contemplated by Section 1(ii)) and costs of investigation) (collectively, “Losses”) to which the Indemnitee may become subject or which the Indemnitee may incur in connection with being made, or threatened with being made, a party or witness (or in any other capacity) to any proceeding at law or in equity or before any governmental agency or board or any other body whatsoever (whether arbitral, civil, criminal, trial, appeal, administrative, formal, informal, investigative or other), arising out of or based upon the Indemnitee

being a Nominee, except to the extent such Loss arises or results from the Indemnitee's fraud or willful misconduct or any untrue statement or omission made by the Indemnitee or made by the

Indemnitor in reliance upon and in conformity with information furnished by the Indemnitee in writing expressly for use in the nomination or Solicitation process.

(b) In the event of the commencement or threatened commencement of any action in respect of which the Indemnitee may seek indemnification from the Indemnitor hereunder, the Indemnitee agrees to give prompt written notice thereof to the Indemnitor; provided that the failure to so provide prompt notice shall not relieve the Indemnitor of its indemnification obligations hereunder except to the extent that the Indemnitor is materially prejudiced as a result thereof. In the case of the commencement or threatened commencement of any action against the Indemnitee in respect of which he may seek indemnification from the Indemnitor hereunder, the Indemnitor may, by written notice to the Indemnitee, elect to assume the defense thereof (with counsel reasonably satisfactory to the Indemnitee, it being agreed that Akin Gump is acceptable legal counsel), including, without limitation, the negotiation and approval of any settlement of such action. After notice from the Indemnitor to the Indemnitee of the Indemnitor's election so to assume the defense thereof, the Indemnitor will not be liable to the Indemnitee under this Agreement for any expenses of legal counsel subsequently incurred by him in connection with the defense thereof. If, in any action for which indemnity may be sought hereunder, the Indemnitor shall not have timely assumed the defense thereof with counsel reasonably satisfactory to the Indemnitee, or the Indemnitee shall have been advised by counsel that it would constitute a conflict of interest for the same counsel to represent both him and the Indemnitor or both him and any other indemnitee in such action, the Indemnitee shall have the right to employ the Independent Counsel in such action, in which event the Indemnitor shall reimburse the Indemnitee for all reasonable legal fees of such Independent Counsel. The Indemnitor shall in no event be liable for any settlement of any action effected without its prior written consent (which consent shall not be unreasonably withheld). The Indemnitor shall not settle any claim in any manner that would impose any expense, penalty, obligation or liability on the Indemnitee not paid by the Indemnitor, or would contain language (other than a recitation of any amounts to be paid in settlement) that could reasonably be viewed as an acknowledgment of wrongdoing on the part of the Indemnitee or as materially detrimental to the reputation of the Indemnitee, without the Indemnitee's prior written consent (which consent shall not be unreasonably withheld).

(c) The Indemnitee's right to indemnification pursuant to Section 2 of this Agreement shall include the right of the Indemnitee to be advanced by the Indemnitor any fees and expenses incurred in connection with any event or occurrence relating to or directly or indirectly arising out of the Solicitation or related matters as soon as practicable after such expenses are incurred by the Indemnitee and in any event within 30 days after the receipt by the Indemnitor of a statement or statements from the Indemnitee documenting such expenses in reasonable detail and requesting such advances from time to time; provided, however, that all amounts advanced in respect of such fees and expenses shall be promptly repaid to the Indemnitor by the Indemnitee if it shall ultimately be determined in a final judgment that the Indemnitee is not entitled to be indemnified for such expenses.

3. No Presumptions. For purposes of this Agreement, the termination of any claim, action, suit or proceeding, by judgment, order, settlement (whether with or without court approval), or upon a plea of nolo contendere, or its equivalent, shall not create a presumption that Indemnitee did not meet any particular standard of conduct or have any particular belief or that a court has determined that indemnification is not permitted by applicable law.

4. Amendments, Etc. No supplement, modification or amendment of this Agreement shall be binding with respect to any party unless executed in writing by such party. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions hereof (whether or not similar) nor shall such waiver constitute a continuing waiver.

5. Subrogation. In the event of payment under this Agreement, the Indemnitor shall be subrogated to the extent of such payment to all of the rights of recovery of the applicable Indemnitee, and that Indemnitee shall, at the Indemnitor's expense, execute all papers reasonably required and shall do everything that may be reasonably necessary to secure such rights, including the execution of such documents reasonably necessary to enable the Indemnitor effectively to bring suit to enforce such rights.

6. No Duplication of Payments. The Indemnitor shall not be liable under this Agreement to make any payment in connection with a claim made against Indemnitee to the extent the Indemnitee otherwise is entitled to receive payment (under any insurance policy, certificate of incorporation, by-law or otherwise) of the amounts otherwise indemnifiable hereunder.

7. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to principles of conflicts of laws.

8. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original, but which together shall constitute one agreement.

9. Notices. All notices, demands, and other communications required or permitted hereunder shall be made in writing and shall be deemed to have been duly given if delivered by hand, against receipt, or mailed, postage prepaid, certified or registered mail, return receipt requested, and addressed to the Indemnitor at:

and to the Indemnitee at such address as the Indemnitee may have provided to the Indemnitor.

Notice of change of address shall be effective only when done in accordance with this Section. All notices complying with this Section shall be deemed to have been received on the earlier of the date of delivery or on the third business day after mailing.

10. Entire Agreement. This Agreement constitutes the entire agreement among the parties with respect to the subject hereof.
