INFORMATION STATEMENT

This information statement is being furnished by View Systems, Inc., a Nevada corporation, to the holders of our common stock. On April 24, 2006, our Board of Directors proposed that our articles of incorporation be amended to increase the authorized common stock to 250,000,000 shares. On April 24, 2006 stockholders holding a majority of our outstanding shares executed and delivered a written consent approving and adopting the amendment to our articles of incorporation that will increase our authorized common stock. As a result, the amendment to our articles of incorporation was approved by a majority of the voting power in lieu of a special meeting of stockholders and no further votes will be needed.

In addition, a majority of our outstanding shares authorized our executive officers to seek out and enter into agreements for acquisition of assets or business opportunities and ratified prior corporate actions related to our domicile merger and the amendment to our articles of incorporation filed on July 31, 2003.

This Information Statement is being mailed on or about May ____, 2006 to all stockholders of record at the close of business on April 24, 2006 (the "Record Date"). As of the Record Date, there were 90,702,422 shares of common stock outstanding, each entitled to one vote on each matter of business put to a stockholder vote and 7,171,725 shares of Series A Preferred Stock each entitled to 15 votes on each matter of business put to a stockholder vote.

This Information Statement is being provided pursuant to the requirements of Rule 14c-2 promulgated under Section 13 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), to inform holders of common stock entitled to vote or give an authorization or consent in regard to the actions authorized by the written consent.

We currently have 100,000,000 authorized shares of common stock, par value \$0.001, and 10,000,000 authorized shares of preferred stock, par value \$0.01. On April 24, 2006 our board of directors (the "Board") proposed an increase in

our authorized common stock from 100,000,000 to 250,000,000. The increase is necessary to facilitate future equity financings which we will require to satisfy our financial requirements. On the Record Date stockholders holding 114,534,934 voting shares, or 57.8% of our voting power, authorized by written consent the amendment to our articles of incorporation that would increase the authorized common stock to 250,000,000 shares. We will file the necessary certificate of amendment with the Secretary of State of Nevada to effect the increase 20 calendar days from the mailing date of this 14C Information Statement. The increase in authorized common stock results in each stockholder retaining the same proportionate interest in View Systems as he/she/it held prior to the increase in authorized.

COMMON STOCK

All 90,702,422 shares of outstanding common stock have equal rights and privileges with respect to voting, liquidation and dividend rights. After preferential rights of are satisfied, if any, the holders of common stock are entitled to receive dividends out of funds legally available if, and when, declared by our board of directors and to participate pro rata in any distribution of assets available for distribution upon liquidation of View Systems. Any dividends declared with respect to shares of common stock will be paid pro rata in accordance with the number of shares of common stock held by each stockholder.

Each holder of common stock is entitled to one vote for each share owned of record on all matters voted upon by stockholders. A majority of the outstanding common and preferred stock is required to establish a quorum for a stockholder vote and a majority vote of the outstanding shares present at a stockholders' meeting is required for actions to be taken by stockholders. Our bylaws provide that stockholder action may be taken by written consent of a majority of the outstanding common and preferred stock. Directors are elected by a majority vote at a stockholders' meeting and the holders of the common stock do not have cumulative voting rights. Accordingly, the holders of a majority of the voting power of the shares voting for the election of directors can elect all of the directors if they choose to do so.

PREFERRED STOCK

We have designated 10,000,000 shares of preferred stock as Series A Preferred stock. We currently have 7,171,725 shares of Series A Preferred outstanding. Each share of Series A Preferred has a liquidation preference of \$0.01 per share before any payment or distribution is made to the holders of common stock in the event of liquidation of View Systems. The Series A Preferred has no conversion rights into common stock. Each share of Series A Preferred is entitled to 15 votes and is entitled to vote on any matter brought to a vote of the common stock stockholders. We may elect to redeem the Series A Preferred with proper notice to the holders of the Series A Preferred and, upon redemption, the Series A Preferred will be cancelled and not be reissued as Series A Preferred.

OTHER MATTERS

Our Board recognizes that we may consider future acquisitions of assets or business opportunities in order to remain competitive in our markets. To that end the Board proposed that our executive officers be authorized to seek out and enter into agreements for such opportunities. On the Record Date 114,534,934 voting shares authorized our executive officers to seek out and enter into these types of agreements.

It has come to the Board's attention that the domicile merger effected on July 31, 2003 and the certificate of amendment to our articles of incorporation filed with the Secretary of State of Nevada on July 31, 2003 require

shareholder ratification to confirm and accept the prior corporate actions approved by the Board.
