**The Board of Directors unanimously recommends a vote FOR the election of all of the nominees named herein (Item No. 1 on the enclosed proxy card).**

### **Board of Directors and Committees and Selection Process**

Our Board held six meetings in 2006 and also took action by unanimous written consent on six occasions during the year. Except for Mr. Dugan and Mrs. Ergen, each of our directors attended at least 75% of the aggregate of: (i) the total number of meetings of the Board held during the period in which he or she was a director, and (ii) the total number of meetings held by all committees of the Board on which he served.

Directors are elected annually and serve until their successors are duly elected and qualified. Officers serve at the discretion of the Board.

We are a controlled company within the meaning of the NASDAQ Marketplace Rules because more than 50% of our voting power is held by Charles W. Ergen, our Chairman and Chief Executive Officer. Please see Equity Security Ownership below. Therefore, we are not subject to the NASDAQ listing requirements that would otherwise require us to have: (i) a Board of Directors comprised of a majority of independent directors; (ii) compensation of our executive officers determined by a majority of the independent directors or a compensation committee composed solely of independent directors; and (iii) director nominees selected, or recommended for the Board's selection, either by a majority of the independent directors or a nominating committee composed solely of independent directors.

Nevertheless, the Corporation has created an Executive Compensation Committee (the Compensation Committee) and a Nominating Committee, in addition to an Audit Committee, all of which are composed entirely of independent directors. We established our Compensation and Audit Committees in October 1995 and our Nominating Committee in August 2005.

**Table of Contents**

The charters for our Compensation, Audit, and Nominating Committees are available free of charge on our website at <http://www.echostar.com>. The function and authority of these committees are described below:

**Compensation Committee.** The Compensation Committee operates under a Compensation Committee Charter adopted by the Board. The principal functions of the Compensation Committee are to the extent the Board deems necessary or appropriate: (i) make and approve all option grants and other issuances of EchoStar's equity securities to EchoStar's executive officers and Board members other than nonemployee directors; (ii) approve all other option grants and issuances of EchoStar's equity securities, and recommend that the full Board make and approve such grants and issuances; (iii) establish in writing all performance goals for performance-based compensation that together with other compensation to senior executive officers could exceed \$1 million annually, other than standard Stock Incentive Plan options that may be paid to EchoStar's executive officers, and certify achievement of such goals prior to payment; and (iv) set the compensation of the Chairman and Chief Executive Officer. The Compensation Committee held four meetings and took action by unanimous written consent on five occasions during 2006. The current members of the Compensation Committee are Mr. Goodbarn, Mr. Howard, Mr. Ortolf and Mr. Schroeder, with Mr. Goodbarn serving as Chairman of the Committee. The Board has determined that each of these individuals meets the independence requirements of NASDAQ and applicable SEC rules and regulations. The composition of the Compensation Committee is expected to remain the same following our Annual Meeting.

**Audit Committee.** Our Board has established a standing Audit Committee in accordance with NASDAQ rules and Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The Audit Committee operates under an Audit Committee Charter adopted by the Board. The principal functions of the Audit Committee are to: (i) select the independent registered public accounting firm and set their compensation; (ii) select the internal auditor; (iii) review and approve management's plan for engaging our independent registered public accounting firm during the year to perform non-audit services and consider what effect these services will have on the independence of our independent registered public accounting firm; (iv) review our annual financial statements and other financial reports that require approval by the Board; (v) oversee the integrity of our financial statements, our systems of disclosure and internal controls, and our compliance with legal and regulatory requirements; (vi) review the scope of our independent registered public accounting firm's audit plans and the results of their audits; and (vii) evaluate the performance of our internal audit function and independent registered public accounting firm.

The Audit Committee held seven meetings and took action by unanimous written consent on two occasions during 2006. The current members of the Audit Committee are Mr. Goodbarn, Mr. Howard, Mr. Ortolf and Mr. Schroeder, with Mr. Ortolf serving as Chairman of the Committee. Each of these individuals meets the independence requirements of NASDAQ and applicable SEC rules and regulations. The Board has determined that each member of our Audit Committee is financially literate and that Mr. Goodbarn qualifies as an audit committee financial expert as defined by applicable SEC rules and regulations. The composition of the Audit Committee is expected to remain the same following our Annual Meeting, with Mr. Goodbarn continuing as the audit committee financial expert.

**Nominating Committee.** The Nominating Committee operates under a Nominating Committee Charter adopted by the Board. The principal function of the Nominating Committee is to recommend independent director nominees for selection by the Board. The Nominating Committee held two meetings during 2006. The current members of the Nominating Committee are Mr. Goodbarn, Mr. Howard, Mr. Ortolf, and Mr. Schroeder, with Mr. Schroeder serving as Chairman of the Committee. The Board has determined that each of these individuals meets the independence requirements of NASDAQ and applicable SEC rules and regulations. The composition of the Nominating Committee is expected to remain the same following our Annual Meeting.

The Nominating Committee will consider candidates suggested by its members, other directors, senior management and shareholders as appropriate. No search firms or other advisors were retained to identify nominees during the past fiscal year. The Nominating Committee has not adopted a written policy with respect to the consideration of candidates proposed by security holders or with respect to nominating anyone to our Board other than nonemployee directors. Director candidates, whether recommended by the Nominating Committee, other directors, senior management or shareholders are currently considered by the Nominating Committee and the Board, as applicable, in light of the entirety of their credentials, including but not limited to the following factors: (i) their reputation and character; (ii) their ability and willingness to devote sufficient time to Board duties; (iii) their educational background;

(iv) their business and professional achievements, experience and industry background; (v) their independence from management under listing standards and the Corporation's governance guidelines; and (vi) the needs of the Board and the Corporation.

**Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934 (the Exchange Act ) requires our directors, officers and holders of more than 10% of our common stock to file reports with the SEC regarding their ownership and changes in ownership of our equity securities. We believe that during the 2006 fiscal year, our directors, officers and 10% shareholders complied with all Section 16(a) filing requirements, with the exception of the following inadvertent late reports: Mr. and Mrs. Ergen filed one late Form 4 filing; Mr. Daines filed one late Form 4 filing; Mr. DeFranco filed one late Form 4 filing; Mr. Dugan filed one late Form 4 filing; Mr. Mark Jackson, President of one of our subsidiaries, EchoStar Technologies Corporation, filed one late Form 4 filing; Mr. Michael Kelly, one of our Executive Vice Presidents, filed one late Form 4 filing; Mr. Jason Kiser, our Treasurer, filed one late Form 4 filing; Ms. Jody F. Martin, a former Senior Vice President, filed one late Form 4 Filing; Mr. Moskowitz filed one late Form 4 filing; Mr. Rayner filed one late Form 4 filing; Mr. Steven Schaver, President of one of our subsidiaries, EchoStar International Corporation, filed one late Form 4 filing; Mr. Robert A. Strickland, our former Chief Information Officer, filed one late Form 4 filing; Mr. Paul Orban, our Senior Vice President and Corporate Controller, filed one late form 4 filing; and Mr. Vogel filed two late Form 4 filings. Each late Form 4 reported above related to a single late transaction or a single series of related transactions. Except for one late Form 4 for Mr. Vogel, each late Form 4 listed above was the result of the timing of a stock award of 125 shares or less issued following achievement of a corporate goal pursuant to a broad-based incentive plan. In making these statements, we have relied upon examination of copies of Forms 3, 4 and 5 provided to us and the written representations of our directors and officers.

**COMPENSATION DISCUSSION AND ANALYSIS**

**General Philosophy**

The objective of EchoStar's compensation policy with respect to our executive officers is to offer compensation packages to attract, retain and motivate EchoStar's executive officers over the long-term. Since 1996, certain aspects of executive compensation have been reviewed by the Compensation Committee of our Board of Directors. The Compensation Committee acts pursuant to a charter that has been adopted by our Board of Directors and which is reviewed annually by the members of the Compensation Committee.

**Executive Compensation Process**

The Compensation Committee sets the total compensation of Mr. Ergen, our Chairman and Chief Executive Officer, and the Board sets the base compensation of the other executive officers. The Compensation Committee makes and approves grants of options and other equity-based compensation to EchoStar's executive officers, and establishes in writing performance goals for any performance-based compensation that together with other compensation to any executive officer could exceed \$1 million annually. The Compensation Committee also certifies achievement of those performance goals prior to payment of performance-based compensation. In setting total compensation for Mr. Ergen and the other executive officers of the Company, the Compensation Committee and the Board review an internally-prepared benchmarking survey comparing the executive compensation of EchoStar's top five highest paid executives with the executive compensation for ten other comparable companies. Those comparable companies include companies within the telecommunications industry with market capitalizations comparable to EchoStar and that generally recruit individuals to fill executive positions who are similar in skills and background to those individuals that EchoStar recruits. Other factors considered by the Compensation Committee and the Board include their perception of the individual's performance, the individual's success in achieving EchoStar and individual goals, equity awards previously granted to the individual and planned changes in responsibilities. The Compensation Committee and the Board also consider an individual's extraordinary efforts resulting in tangible increases in corporate, division or department success when setting base salaries and annual bonuses.

**Executive Compensation Components**

The primary components of EchoStar's executive compensation program are base cash salary, conditional and/or performance-based cash bonuses and long-term equity incentive compensation in the form of stock options and restricted stock units offered under our Stock Incentive Plans. EchoStar does not require that a certain percentage of an executive salary be provided in one form versus another. Each element of our executive compensation and the rationale for including each element in our executive compensation is set forth below.

**Table of Contents****Base Salaries**

Salary is included in our executive compensation package because we believe that it is appropriate that some portion of the compensation paid to our executives be provided in a form that is fixed and liquid occurring over regular intervals. Generally, for the reasons discussed in the Incentive Compensation section below, we weight overall compensation towards equity components as opposed to base salaries. The Compensation Committee and the Board are free to set salary at any level deemed appropriate. Increases or decreases in base salary on a year-over-year basis are dependent on either the Compensation Committee's or the Board's respective assessment of EchoStar, the applicable business unit and individual performance, as stated above.

Annual base salaries paid to EchoStar's executive officers have historically been at levels below those generally paid to executive officers with comparable experience and responsibilities in the telecommunications industry or other similarly-sized companies. Because of these relatively low levels of compensation, EchoStar may experience difficulty in attracting and retaining executives at the highest performance levels.

The Compensation Committee believes that the compensation paid to Mr. Ergen has generally been at a level that is below amounts paid to chief executive officers at other companies of similar size and in comparable industries.

Mr. Ergen's base salary for each of fiscal 2006, 2005 and 2004 was \$550,000, \$411,538 and \$308,846, respectively. Since 1996, changes in Mr. Ergen's base salary have been set by the Compensation Committee.

**Incentive Compensation**

EchoStar believes that executive officers will be better able to contribute to EchoStar's long-term success and help build incremental shareholder value if they have a stake in that future success and value. This stake focuses the executive officers' attention on managing EchoStar as owners with equity positions in EchoStar and aligns their interests with the long-term interests of EchoStar's shareholders. Equity awards therefore represent an important and significant component of EchoStar's compensation program for executive officers. EchoStar attempts to create general incentives with its standard stock option grants and conditional incentives through special performance-based conditional awards that may include payouts in cash or equity.

**General Equity Incentives.** Standard awards under EchoStar's Stock Incentive Plans generally include stock options and are based on a review of the individual employee's performance, years of service, position and level of responsibility with EchoStar, long-term potential contribution to EchoStar and the number of options and terms of any other awards previously granted to the employee. However, the number of options to be granted at any one time is not based on any objective criteria. EchoStar does not assign specific weights to these factors, although the employee's position and a subjective evaluation of his performance are considered most important. To encourage executive officers to remain in EchoStar's employ, options granted under EchoStar's Stock Incentive Plans generally vest at the rate of 20% per year and have exercise prices not less than the fair market value of EchoStar's Class A Common Stock on the date of grant. EchoStar's standard form of option agreement given to executive officers includes acceleration of vesting upon a change of control of EchoStar for those executive officers that do not continue with EchoStar or the surviving entity, as applicable.

**Performance-Based Conditional Equity Incentives.** In February 1999, EchoStar adopted a long-term incentive plan (the 1999 LTIP) within the terms of EchoStar's 1995 Stock Incentive Plan. The 1999 LTIP provided key employees with stock options that may not be exercised until EchoStar achieves certain long-term goals. These performance goals are the same for all key employees granted options pursuant to the 1999 LTIP. In order for these stock options to be exercised, EchoStar must achieve a certain performance goal within the ten-year term covered by the 1999 LTIP. The performance goals have not been achieved as of the date of this Proxy Statement, and we cannot currently predict if those goals will be achieved or if the long-term incentive plan options will become exercisable. Given the competitive nature of our business, among other reasons, it may be difficult for us to achieve the specified long-term performance goal of the 1999 LTIP. We do not anticipate achieving the performance goal of the 1999 LTIP during 2007.

**Table of Contents**

During January 2005, EchoStar adopted another long-term, performance-based stock incentive plan (the 2005 LTIP) within the terms of EchoStar's 1999 Stock Incentive Plan. The purpose of the 2005 LTIP is to promote EchoStar's interests and the interests of its shareholders by providing key employees with financial rewards through equity participation upon achievement of specified long-term business objectives. The employees eligible to participate in the 2005 LTIP include EchoStar's executive officers, vice presidents, directors and certain other key employees designated by the Compensation Committee. Awards under the 2005 LTIP consist of a one-time grant of: (i) an option to acquire a specified number of shares priced at the market value as of the last day of the calendar quarter in which the option was granted; (ii) rights to acquire for no additional consideration a specified smaller number of shares of EchoStar's Class A Shares; or (iii) a corresponding combination of a lesser number of option shares and such rights to acquire EchoStar's Class A Shares. The options and rights vest at a varying rate over a seven-year period; provided, however, that none of the options or rights vest if EchoStar fails to achieve the specified long-term performance goal. In order for stock options and restricted stock awards to be earned, EchoStar must achieve a certain performance goal within the ten-year term covered by the 2005 LTIP. The performance goal has not been achieved as of the date of this Proxy Statement. Similar to the 1999 LTIP, EchoStar cannot currently predict if this goal will be achieved or if the 2005 LTIP options or restricted stock units will become exercisable. Given the competitive nature of our business, among other reasons, it may be difficult for us to achieve the specified long-term performance goal of the 2005 LTIP. We do not anticipate achieving the performance goal of the 2005 LTIP during 2007.

***Practices Regarding the Grant of Equity Incentives.*** Stock options and restricted stock are generally awarded as of the last day of each calendar quarter and have exercise prices, as applicable, of not less than the fair market value of EchoStar's Class A Common Stock on the date of grant.

***Performance-Based Conditional Cash Incentives.*** During January 2006, we established a 2006 Cash Incentive Plan for key employees to provide cash awards tied to achievement of specified 2006 business goals. During March 2006, the Compensation Committee expanded participation in the 2006 Cash Incentive Plan to include Mr. Ergen and other senior executives. The maximum amount payable to any participant under the 2006 Cash Incentive Plan upon satisfaction of all applicable business goals and other criteria is equal to or less than each participant's annual base salary. Since the performance goals of the 2006 Cash Incentive Plan were partially achieved during 2006, payouts were made for those goals that were obtained. EchoStar has established a similar plan for 2007.

**401(k) Plan**

We have adopted a defined-contribution tax-qualified 401(k) Plan. Our executives participate in our 401(k) Plan on the same terms as our other employees. We maintain our 401(k) Plan for our employees, including our executives, because we wish to encourage our employees to save some percentage of their cash compensation for their eventual retirement. Our employees become eligible for participation in the 401(k) Plan upon completing six months of service with us and reaching age 19. 401(k) Plan participants may contribute up to 50% of their compensation in each contribution period, subject to the maximum deductible limit provided by the Internal Revenue Code. We may make a 50% matching employer contribution up to a maximum of \$1,000 per participant per calendar year. We may also make an annual discretionary profit sharing or employer stock contribution to the 401(k) Plan with the approval of the Compensation Committee and the Board.

401(k) Plan participants are immediately vested in their voluntary contributions and earnings on voluntary contributions. Our employer contributions to 401(k) Plan participants' accounts vest 20% per year commencing one year from the employee's date of employment.

**Benefits, Perquisites, Post-Termination Compensation and Other Compensation**

Our executive officers participate in EchoStar's benefit plans on the same terms as other employees. These plans include medical, vision, and dental insurance, life insurance, and our employee stock purchase plan. We also offer our executives, as well as our other employees, discounts on EchoStar services. EchoStar believes that it is important that our employees use the services that we offer. Relocation benefits may also be reimbursed, but are individually negotiated when they occur. We also permit members of our executive team to use our corporate aircraft for personal use. As reflected in the Summary Compensation Table, the cost to EchoStar of those corporate aircraft benefits aggregated \$890,197 in 2006 for the named executive officers. EchoStar also pays for annual tax preparation costs for certain executive officers.

**Table of Contents**

We do not have any plans in place to provide severance benefits to employees. However, certain stock options and restricted stock units granted to our executive officers are subject to accelerated vesting on change of control, as described above.

**Deductibility of Compensation**

Section 162(m) of the U.S. Internal Revenue Code places a limit on the tax deduction for compensation in excess of \$1 million paid to certain covered employees of a publicly held corporation (generally, the corporation's chief executive officer and its next four most highly compensated executive officers in the year that the compensation is paid). This limitation applies only to compensation which is not considered performance-based under the Section 162(m) rules. The Compensation Committee conducts an ongoing review of EchoStar's compensation practices for purposes of obtaining the maximum continued deductibility of compensation paid consistent with EchoStar's existing commitments and ongoing competitive needs. However, nondeductible compensation in excess of this limitation may be paid.

**EXECUTIVE COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION**

The Compensation Committee is appointed by the Board of Directors of EchoStar Communications Corporation to discharge certain of the Board's responsibilities relating to compensation of EchoStar's executive officers.

The Compensation Committee, to the extent the Board deems necessary or appropriate, will:

Make and approve all option grants and other issuances of EchoStar's equity securities to EchoStar's executive officers and Board members other than nonemployee directors;

Approve all other option grants and issuances of EchoStar's equity securities, and recommend that the full Board make and approve such grants and issuances;

Establish in writing all performance goals for performance-based compensation that together with other compensation to senior executive officers could exceed \$1 million annually, other than standard Stock Incentive Plan options that may be paid to EchoStar's executive officers, and certify achievement of such goals prior to payment; and

Set the compensation of the Chairman and Chief Executive Officer.

Based on the review of the Compensation Discussion and Analysis and discussions with management, and subject to the limitations on the role and responsibilities of the Compensation Committee referred to above, we recommended to EchoStar's management that the Compensation Discussion and Analysis be included in the Company's proxy statement.

Respectfully submitted,

The EchoStar Executive Compensation Committee

Gary S. Howard

Our employee directors are not compensated for their services as directors. Each nonemployee director receives an annual retainer of \$40,000 which is paid in equal quarterly installments on the last day of each calendar quarter, provided such person is a member of the Board on the last day of the applicable calendar quarter. Our nonemployee directors also receive \$1,000 for each meeting attended in person and \$500 for each meeting attended by telephone. Additionally, the chairperson of each committee of the Board receives a \$5,000 annual retainer, which is paid in equal quarterly installments on the last day of each calendar quarter, provided such person is the chairperson of the committee on the last day of the applicable calendar quarter. Furthermore, our nonemployee directors receive: (i) reimbursement, in full, of reasonable travel expenses related to attendance at all meetings of the Board of Directors and its committees and (ii) reimbursement of reasonable expenses related to educational activities undertaken in connection with service on the Board of Directors and its committees.

Upon election to our Board, our nonemployee directors are granted an option to acquire a certain number of our Class A Shares under our 2001 Nonemployee Director Stock Option Plan (our 2001 Director Plan, and together with the 1995 Nonemployee Director Stock Option Plan, the Nonemployee Director Plans ). Options granted under our Nonemployee Director Plans are 100% vested upon issuance and have a term of five years. We also currently grant each continuing nonemployee director an option to acquire 5,000 Class A Shares every year in exchange for their continuing services.

We have granted the following options to our nonemployee directors under these plans:

**Employee Stock Incentive Plans**

We have two employee stock incentive plans, our 1995 Stock Incentive Plan and 1999 Stock Incentive Plan (the Stock Incentive Plans ). We adopted the Stock Incentive Plans to provide incentives to attract and retain executive officers

and other key employees. The Stock Incentive Plans are administered by our Compensation Committee.

**Table of Contents**

Awards available under the Stock Incentive Plans include: (i) common stock purchase options; (ii) stock appreciation rights; (iii) restricted stock and restricted stock units; (iv) performance awards; (v) dividend equivalents; and (vi) other stock-based awards. As of December 31, 2006, 65,558,450 of our Class A Shares were available for issuance under the 1999 Stock Incentive Plan. Our authorization to grant new awards under the 1995 Stock Incentive Plan has expired. The Compensation Committee retains discretion, subject to plan limits, to modify the terms of outstanding awards and to re-price awards.

Options to purchase 22,761,833 Class A Shares were outstanding as of December 31, 2006 under the Stock Incentive Plans. These options generally vest at the rate of 20% per year commencing one year from the date of grant. The exercise prices of these options, which have generally been equal to or greater than the fair market value of our Class A Shares at the date of grant, range from \$2.125 to \$79.00 per Class A Share.

As previously discussed in Compensation Discussion & Analysis, we have adopted the 1999 LTIP and the 2005 LTIP under EchoStar's Stock Incentive Plans.

**Equity Compensation Plan Information**

In addition to the Nonemployee Director Plans and the Stock Incentive Plans, during 2002 we adopted our Class B CEO Stock Option Plan, under which we have reserved 20 million shares of our Class B Shares for issuance. No options have been granted to date under our Class B CEO Stock Option Plan.

The following table sets forth a description of our equity compensation plans as of December 31, 2006:

<b>Plan Category</b>	<b>Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights (a)</b>	<b>Weighted-Average Exercise Price of Outstanding Options, Warrants and Rights (b)</b>	<b>Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (excluding securities reflected in column (a)) (c)</b>

<b>Total</b>	<b>22,761,833</b>	<b>\$ 25.67</b>	<b>66,573,450</b>

We no longer grant equity awards pursuant to our 1995 Stock Incentive Plan or our 1995 Nonemployee Director Stock Option Plan.

**Compensation Committee Interlocks and Insider Participation**

The Compensation Committee is comprised solely of outside directors. The Compensation Committee members are Mr. Goodbarn, Mr. Howard, Mr. Ortolfo and Mr. Schroeder. None of these individuals was an officer or employee of EchoStar at any time during the 2006 fiscal year. No executive officer of EchoStar served on the board of directors or compensation committee of any other entity that had one or more executive officers who served as a member of EchoStar's Board of Directors or its Compensation Committee during the 2006 fiscal year.

**Table of Contents****Performance Graph**

The graph below sets forth the cumulative total return to our shareholders during the period from December 31, 2001 to December 31, 2006. The graph assumes the investment on December 31, 2001 of \$100 in (i) our Class A Shares, (ii) an industry peer group and (iii) the NASDAQ Composite Index and reflects reinvestment of dividends and market capitalization weighting. The industry peer group consists of: Cablevision Systems Corporation, Comcast Corporation, The DirecTV Group, Inc., EchoStar and Time Warner, Inc. Although the companies included in the industry peer group were selected because of similar industry characteristics, they are not entirely representative of our business.

**Certain Relationships and Related Transactions**

Our Board has adopted a written policy for the review and approval of transactions involving EchoStar and related parties, such as directors, executive officers and their immediate family members. In order to survey these transactions, we distribute questionnaires to our officers and directors on a quarterly basis. Our General Counsel then directs the appropriate review of all potential related-party transactions and schedules their presentation at the next regularly-scheduled meetings of the Audit Committee and the Board of Directors. Both the Audit Committee and the Board of Directors must approve these transactions, with all interested parties abstaining from the vote. Once each calendar year, the Audit Committee and the Board of Directors undertake a review of all recurring potential related-party transactions. Both the Audit Committee and the Board of Directors must approve the continuation of each such transaction, with all interested parties abstaining.

In March of 2000, we purchased Kelly Broadcasting Systems, Inc. ( KBS ). At that time, Mr. Kelly was a shareholder of KBS and served as its President. Title to certain assets purchased in the acquisition has not yet been transferred, and payments of as much as approximately \$2 million may be due to Mr. Kelly in accordance with the terms of the purchase agreement. No changes to the purchase agreement occurred during 2006 and no assets or payments were exchanged during 2006. During 2006, we entered into a routine mutual release with Mr. Kelly in connection with certain KBS transactions. During 2006, we also employed two members of Mr. Kelly's family. We paid these individuals a combined total of approximately \$160,000 during 2006 and expect to pay them approximately \$170,000 in cash compensation along with an option to purchase 2,000 shares of our Class A Common Stock during 2007. During 2006, we employed three members of Mr. Daines' family. We paid these individuals a combined total of approximately \$100,000 during 2006 and expect to pay members of Mr. Daines' family a similar amount during 2007. During 2006, we employed Mrs. Ergen and two other members of the Ergen family. We paid these individuals a combined total of approximately \$80,000 during 2006. Depending on the time and services that will be provided, they may earn more than that amount during 2007.

Mr. Jackson's brother earned approximately \$80,000 during 2006 as an employee of a non-public company that provides programming content to us. Affiliates of that company also supply us with parts used in the manufacture of our satellite receivers and related equipment. Neither EchoStar, nor any of its directors or executive officers has any ownership or other personal financial interest in that company. We and our contract manufacturers paid that company and its affiliates a total of approximately \$180 million during 2006, representing approximately 48% of their total revenues.

**Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm**

The Audit Committee is responsible for appointing, setting compensation, and overseeing the work of our independent registered public accounting firm. The Audit Committee has established a policy regarding pre-approval of all audit and permissible non-audit services provided by the independent registered public accounting firm.

Requests are submitted to the Audit Committee in one of the following ways:

Request for approval of services at a meeting of the Audit Committee; or

Request for approval of services by members of the Audit Committee acting by written consent.

The request may be made with respect to either specific services or a type of service for predictable or recurring services.

**Table of Contents**

**REPORT OF THE AUDIT COMMITTEE**

The role of the Audit Committee is to assist EchoStar's Board of Directors in its oversight of EchoStar's financial reporting process, as is more fully described in its charter. EchoStar's management is responsible for its financial reporting process, including its system of internal controls, and for the preparation and presentation of its consolidated financial statements in accordance with generally accepted accounting principles. EchoStar's independent registered public accounting firm is responsible for auditing those financial statements and expressing an opinion as to their conformity with generally accepted accounting principles. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We are not and may not be employees of EchoStar, and we may not represent ourselves to be or to serve as accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on representations by EchoStar's management that its financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America. We have also relied on representations of EchoStar's independent registered public accounting firm included in their report on its financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with EchoStar's management and independent registered public accounting firm do not assure that EchoStar's financial statements are presented in accordance with generally accepted accounting principles, that the audit of EchoStar's financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States), or that EchoStar's independent registered public accounting firm is in fact independent.

In the performance of our oversight function, we reviewed and discussed with EchoStar's management its audited financial statements for the fiscal year ending December 31, 2006. We also discussed these audited financial statements with EchoStar's independent registered public accounting firm. Our discussions with the independent registered public accounting firm included the matters required to be discussed by Statement of Auditing Standards No. 61, "Communication with Audit Committees," as currently in effect. We also discussed with them their independence and any relationship that might affect their objectivity or independence. In connection with these discussions, we received and reviewed the written disclosures from KPMG LLP required by Independence Standards Board Standards No. 1, "Independence Discussions with Audit Committees." Finally, we have considered whether the non-audit services provided by the independent registered public accounting firm are compatible with maintaining their independence.

Based on the reviews and discussions referred to above, we are not aware of any relationship between the independent registered public accounting firm and EchoStar that affects the objectivity or independence of the independent registered public accounting firm. Based on these discussions and our review discussed above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter, we recommended to EchoStar's Board of Directors that its audited financial statements for fiscal 2006 be included in EchoStar's Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the Securities and Exchange Commission.

Respectfully submitted,

The EchoStar Audit Committee

**PROPOSAL NO. 2 RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

We customarily ask our shareholders to ratify the appointment of our independent registered public accounting firm at each annual meeting. The Audit Committee and the Board has appointed KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2007 and we are asking our shareholders to ratify this appointment at the Annual Meeting. Representatives of KPMG are expected to be present at the Annual Meeting and will have the opportunity to make any statements they may desire. They also will be available to respond to appropriate questions of shareholders.

Charles W. Ergen, our Chairman and Chief Executive Officer, possesses approximately 77% of our total voting power. Mr. Ergen has indicated his intention to vote in favor of Proposal No. 2.
