Forward Looking Statement

This presentation contains certain forward-looking statements (within the meaning of the United States Private Securities Litigation Reform Act of 1995) that involve a number of risks and uncertainties. There can be no assurance that such statements will prove to be accurate; actual results and future events could differ materially from those anticipated in such statements. Risks and uncertainties are disclosed under the heading Risk Factors in the Company's Annual Report on Form 20-F filed with Canadian securities regulators and with the United States Securities and Exchange Commission. Certain financial measures discussed in this presentation, such as total cash costs per ounce and minesite costs per ton, are not recognized measures under U.S. GAAP. Reconciliation of these financial measures to their closest U.S. GAAP measure and technical information regarding mineral reserve and resource estimates are provided in the Company's press release announcing earnings for the second quarter of 2005, which has been filed with the Securities and Exchange Commission and is posted on the Company's website located at www.agnico-eagle.com.

U.S. Shareholders

Agnico-Eagle has filed with the SEC a registration statement on Form F-4 containing an offer document regarding the offer. This presentation does not constitute an offer to purchase or sell or a solicitation of an offer to sell or purchase shares of Riddarhyttan or Agnico-Eagle to any person in the United States of America, its possessions and other areas subject to its jurisdiction or to, or for the account or benefit of a U.S. person (as defined in Regulation S under the United States Securities Act of 1933, as amended). The offer will be made to those persons solely under the offer document that is part of the registration statement. Investors and stockholders are advised to read the offer document and other documents relating to the offer carefully because they include important information regarding the offer. Investors and stockholders may obtain a free copy of the offer document and certain other documents relating to the offer from the SEC s website at www.sec.gov. Free copies of these documents can also be obtained by directing a request to Agnico-Eagle. YOU SHOULD READ THE OFFER DOCUMENT AND OTHER DOCUMENTS RELATING TO THE OFFER CAREFULLY BEFORE MAKING A DECISION CONCERNING THE OFFER.
