STATEMENTS REGARDING FORWARD-LOOKING INFORMATION

This proxy statement contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements relate to the financial condition, results of operations, cash flows, financing plans, business strategies, capital and other expenditures, competitive positions, growth opportunities for existing products, plans and objectives of management and other matters. Statements in this document that are not historical facts are identified as forward-looking statements for the purpose of the safe harbor provided by Section 21E of the Securities Exchange Act of 1934 and Section 27A of the Securities Act of 1933.

When we use the words "anticipate," "estimate," "project," "intend," "expect," "plan," "believe," "should," "likely" and similar expressions, we are making forward-looking statements. These forward-looking statements are found at various places throughout this proxy statement and the other documents we incorporate by reference in this proxy statement. We caution you not to place undue reliance on these forward-looking statements, which speak only as of the date they were made. We do not undertake any obligation to publicly release any revisions to these forward-looking statements to reflect events or circumstances after the date of this proxy statement or to reflect the occurrence of unanticipated events.

These forward-looking statements, including statements relating to future business prospects, revenues, working capital, liquidity, capital needs and income, wherever they occur in this proxy statement, are estimates reflecting our best judgment. These forward-looking statements involve a number of risks and uncertainties that could cause actual results to differ materially from those suggested by the forward-looking statements. Forward-looking statements should, therefore, be considered in light of various important factors, including those set forth in this proxy statement and those discussed from time to time in our Securities and Exchange Commission, or SEC, reports, including our annual report on Form 10-K for the year ended November 30, 2008 filed with the SEC on April 30, 2009. You should read and consider carefully the information about these and other risks set forth under the caption "Risk Factors" in such filings.

**QUESTIONS AND ANSWERS
ABOUT THE PROXY MATERIALS
AND THE ANNUAL MEETING**

Although we encourage you to read the proxy statement in its entirety, we include these "Questions and Answers" to provide background information and brief answers to several questions that you may have about the proxy materials in general.

Q: Why am I receiving these materials?

A:

The Board of Directors of Joe's, or our Board of Directors, is providing these proxy materials to you in connection with our annual meeting of stockholders, which will take place on Thursday, October 8, 2009. Our common stockholders are invited to attend the annual meeting and are entitled to and requested to vote on the proposals described in this proxy statement.

Q: What information is contained in this proxy statement?

A:

The information included in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, information including compensation concerning directors and our most highly paid executive officers, and certain other required information.

Q: What proposals will be voted on at the annual meeting?

A:

The proposals scheduled to be voted on at the annual meeting are:

- (1) To elect seven directors to serve on the Board of Directors until the 2010 annual meeting of stockholders or until their respective successors are elected and qualified;
- (2) To consider and approve an amendment to the 2004 Stock Incentive Plan to increase the number of authorized shares available for issuance under the 2004 Stock Incentive Plan by 4 million shares from 8,265,172 shares to 12,265,172 shares;
- (3) To ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending November 30, 2009.
- (4) Such other business as may properly come before the annual meeting of stockholders or any adjournment or postponement thereof.

We will also consider any other business that properly comes before the annual meeting.

Q: How does the Board of Directors recommend that I vote?

A:

Our Board of Directors unanimously recommends that you vote your shares:

"FOR" each of the nominees to the Board of Directors;

"FOR" the approval of the amendment to our Stock Incentive Plan to increase the number of shares authorized for issuance by 4 million shares; and

"FOR" the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending November 30, 2009.

Q: What shares can I vote?

A:

Each share of our common stock issued and outstanding as of the close of business on September 10, 2009, or the Record Date, is entitled to vote for all proposals being voted upon at the annual meeting. You may cast one vote per share of common stock held by you as of the Record Date. These shares include shares that are (1) held directly in your name as the common

Table of Contents

stockholder of record, and (2) shares held for you as the beneficial owner through a broker, bank or other nominee. As of September 10, 2009, we had 60,455,256 shares of common stock issued and outstanding and 879 common stockholders of record.

Q: What is the difference between holding shares as a common stockholder of record and as a beneficial owner?

A:

Most of our common stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Common Stockholder of Record

If your shares are registered directly in your name with our transfer agent, Continental Stock Transfer and Trust Company, you are considered with respect to those shares the common stockholder of record and these proxy materials are being sent directly to you by us. As the common stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the annual meeting. We have enclosed a proxy card for you to use.

Beneficial Owner

If your shares are held in a brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares of our common stock held in street name, and these proxy materials are being forwarded to you by your broker, bank or nominee who is considered with respect to those shares the common stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote and are also invited to attend the annual meeting. However, since you are not the common stockholder of record, you may not vote these shares in person at the annual meeting unless you obtain a legal proxy from the broker, bank, or nominee that holds your shares giving you the right to vote the shares at the annual meeting. Your broker, bank or nominee has enclosed a voting instruction card for you to use in directing the broker or nominee regarding how to vote your shares. You may also be able to vote your shares by Internet or telephone as described below under "How can I vote my shares without attending the annual meeting?"

Q: How can I attend the annual meeting?

A:

You are entitled to attend the annual meeting only if you are a Joe's common stockholder of record as of the close of business on the Record Date or you hold a valid proxy for the annual meeting. You should be prepared to present photo identification for admittance. If you are not a common stockholder of record, but hold the shares through a broker, bank or nominee (i.e., in street name), you should provide proof of beneficial ownership on the Record Date, such as your most recent account statement prior to September 10, 2009, a copy of the voting instruction card provided by your broker, bank or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the other procedures outlined above upon request, you will not be admitted to the annual meeting.

Q: How can I vote my shares in person at the annual meeting?

A:

Shares held in your name as the common stockholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from your broker, bank or other nominee that holds your shares giving you the right to vote the shares. *Even if you plan to attend the annual meeting, we recommend that you also submit*

Table of Contents

your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.

Q: How can I vote my shares without attending the annual meeting?

A:

Whether you hold your shares directly as the common stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. If you are a common stockholder of record, you may vote by submitting a proxy card, which is accompanying this proxy statement. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, bank or nominee. For directions on how to vote, please refer to the instructions below and those included on your proxy card, or for shares held beneficially in street name, you may vote by submitting voting instructions to your broker, bank or nominee.

By Mail Our common stockholders of record may submit proxies by completing, signing and dating their proxy cards and mailing them in the accompanying pre-paid, pre-addressed envelope. Our common stockholders who hold shares beneficially in street name may vote by mail by completing, signing and dating the voting instruction card provided by their broker, bank or nominee and mailing them in the accompanying pre-addressed envelope.

By Internet Our common stockholders who hold shares beneficially in street name or of record may vote by accessing the website specified on the voting instruction cards provided by their brokers, banks or nominees. Please check the voting instruction card for Internet voting availability.

By Telephone Our common stockholders who hold shares beneficially in street name or of record may vote by phone by calling the number specified on the voting instruction cards provided by their brokers, banks or nominees. Please check the voting instruction card for telephone voting availability.

Q: May I change my vote?

A:

You may change your vote at any time prior to the vote at the annual meeting. If you are a common stockholder of record, you may change your vote by granting a new proxy card bearing a later date (which automatically revokes the earlier proxy), by providing written notice of revocation to our Corporate Secretary prior to your shares being voted, or by attending the annual meeting and voting in person. Attendance at the annual meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, bank or nominee, or, if you have obtained a legal proxy from your broker, bank or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Q: Is my vote confidential?

A:

Proxy instructions, ballots and voting tabulations that identify individual common stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within our company or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. If a common stockholder submits a proxy card with a written comment, then that proxy card will be forwarded to our management.

Q: How many shares must be present or represented to conduct business at the annual meeting?

A:

The quorum requirement for holding the annual meeting and for transacting business is that the holders of a majority of shares of our common stock entitled to vote must be present in person or

Table of Contents

represented by proxy. Your shares will be counted for purposes of determining if there is a quorum, whether representing votes for, against, withheld or abstained, if you:

are present and vote at the annual meeting; or

properly submit a proxy card or vote over the Internet or by telephone.

Broker non-votes are counted as present for the purpose of determining the existence of a quorum at the annual meeting.

Q: How are votes counted?

A:

For the election of directors, you may vote "**FOR**" all of the nominees or your vote may be "**WITHHELD**" for one or more of the nominees. For the other items of business, you may vote "**FOR**," "**AGAINST**" or "**ABSTAIN**." If you "**ABSTAIN**," the abstention has the same effect as a vote "**AGAINST**" the proposal. If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board of Directors, as discussed below.

Q: What happens if I do not give specific voting instructions?

A:

If you hold shares in your name, and you sign and return a proxy card without giving specific voting instructions, the proxyholder will vote your shares in the manner recommended by our Board of Directors on all matters presented in this proxy statement, and, with respect to any other matters that properly come before the annual meeting, as the proxyholder may determine in his discretion.

If you hold your shares through a broker, bank or other nominee and you do not provide your broker with specific voting instructions, your broker may vote your shares on routine matters, but not on non-routine matters. As a result, your broker may vote your shares without your instructions with respect to Proposal 1 (election of directors) and Proposal 3 (ratification of independent registered public accounting firm) because these matters are considered routine.

Q: Who will count the vote?

A:

A representative of Continental Stock Transfer and Trust Company will tabulate the votes up until the morning of the meeting. At the meeting, our inspector of election will tabulate the votes.

Q: Who will serve as inspector of election?

A:

Ms. Lori Nembirkow, our Corporate Secretary, will serve as our inspector of election.

Q: What is the voting requirement to approve each of the proposals?

A:

For the election of directors, the seven persons receiving a plurality of "**FOR**" votes at the annual meeting will be elected. All other proposals require the affirmative "**FOR**" vote of a majority of those shares present in person or represented by proxy and entitled to vote on those proposals at the annual meeting. If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute "broker non-votes." Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. Brokers may vote your shares with respect to Proposal 1 and Proposal 3 since each is a routine matter. If the broker is not instructed with respect to any proposals other than Proposals 1 and 3, the shares will constitute broker non-votes. In tabulating the voting results for any particular proposal, shares that constitute

Table of Contents

broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not be counted in the vote total. Abstentions have the same effect as votes against the matter.

Q: What happens if additional proposals are presented at the annual meeting?

A:

Other than the three proposals described in this proxy statement, we are not aware of any other business to be acted upon at the annual meeting. If you grant a proxy, the person named as proxyholder, Marc Crossman, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees for our Board of Directors is not available as a candidate, the persons named as proxyholders will vote your proxy for such other candidate or candidates as may be nominated by the Board of Directors.

Q: What should I do if I receive more than one set of voting materials?

A:

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a common stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive.

Q: Who will bear the costs of soliciting votes for the annual meeting?

A:

We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities.

To further assist in the solicitation process, we may hire a proxy solicitation firm such as The Altman Group, Inc. to solicit proxies by personal interviews, telephone, telegram or otherwise. If we hire them, we expect to pay to them an initial fee of approximately \$6,500 and additional compensation on an as-needed basis for telephone solicitation and solicitations made by other means.

Q: Can I access the Notice of Annual Meeting, Proxy Statement and 2008 Annual Report on the internet?

A:

The Notice of Annual Meeting, Proxy Statement and 2008 Annual Report are available at <http://www.joesjeans.com/2009proxy>.

Q: What if I share an address with another common stockholder?

A:

In some instances, we may deliver to multiple common stockholders sharing a common address only one copy of this proxy statement and its attachments. If requested by phone or in writing, we will promptly provide a separate copy of the proxy statement and its attachments to a common stockholder sharing an address with another common stockholder. Requests by phone should be directed to our Corporate Secretary at (323) 837-3700 and requests in writing should be sent to Joe's Jeans Inc., Attention: Corporate Secretary, 5901 South Eastern Avenue, Commerce, California 90040. Our common stockholders sharing an address who currently receive multiple copies and wish to receive only a single copy should contact their broker or send a signed, written request to us at the address above.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of stockholders?

A:

You may submit proposals, including director nominations, for consideration at future common stockholder meetings. We expect to hold our 2010 annual meeting of stockholders in or around late October of 2010. Our common stockholders may submit proposals that they believe should be voted upon at the 2010 annual meeting consistent with regulations of the SEC and our bylaws.

Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, some stockholder proposals may be eligible for inclusion in our 2010 proxy statement. Any such stockholder proposals must be submitted in writing to and received by the Corporate Secretary of Joe's at 5901 South Eastern Avenue, Commerce, California 90040 no later than May 14, 2010. The submission of a stockholder proposal does not guarantee that it will be included in our proxy statement.

A stockholder may also submit a proposal for consideration outside of Rule 14a-8. Pursuant to Rule 14a-4(c)(1), a stockholder may submit a proposal for consideration at the annual meeting. Any such stockholder proposals to be considered at the annual meeting must be submitted in writing to and received by our Corporate Secretary no later than July 28, 2010 to be considered timely. The submission of a stockholder proposal does not guarantee that it will be presented at the annual meeting.

Our common stockholders interested in submitting a proposal are advised to contact knowledgeable legal counsel with regard to the detailed requirements of applicable federal securities laws and the our bylaws, as applicable.

Q: How can I communicate with the Board of Directors?

A:

Stockholders may communicate with the Board of Directors by sending a letter to the Board of Directors of Joe's Jeans Inc., c/o Office of Corporate Secretary, 5901 South Eastern Avenue, Commerce, California 90040. Each communication must contain a clear notation indicating that it is a "Stockholder Board Communication" or "Stockholder Director Communication," and each communication must identify the author as a stockholder. The office of the Corporate Secretary will receive the correspondence and forward it to the Chairman of the Board or to any individual director or directors to whom the communication is directed, unless the communication is unduly hostile, threatening, illegal, does not reasonably relate to us or our business, or is similarly inappropriate. The office of the Corporate Secretary has authority to discard any inappropriate communications or to take other appropriate actions with respect to any inappropriate communications.

Stockholders may recommend candidates for consideration by the Board of Directors' Nominating and Governance Committee by providing written notice to Joe's Jeans Inc., c/o Office of Corporate Secretary, 5901 South Eastern Avenue, Commerce, California 90040. Q: How are the Board of Directors elected and how many meetings were held in fiscal 2008?

A:

Each member of our Board of Directors is elected at the annual meeting of stockholders and serves until the next annual meeting of stockholders and until a successor has been elected and qualified or his earlier death, resignation or removal. Vacancies on the Board of Directors are filled by a majority vote of the remaining Board of Directors. Our Board of Directors manages us through board meetings and through its committees. During fiscal 2008, our Board of Directors met or acted through written consent a total of seven times. No incumbent member of our Board of Directors who served as a director in fiscal 2008 attended in person or via teleconference less than 75% of all the meetings of our Board of Directors and the committees on which he served during fiscal 2008. Although we do not have a formal policy regarding attendance at our annual meeting of stockholders, we attempt to accommodate the schedules of each member of our Board of Directors in choosing a date for our annual meeting of stockholders and our annual meeting of our Board of Directors. In fiscal 2008, all of our members of our Board of Directors attended the annual meeting of our Board of Directors and our annual meeting of stockholders.

Q: How are members of the Board of Directors compensated for their service?

A:

Historically, our non-employee members of our Board of Directors have been compensated for service through an equity grant. Our Board of Directors are not compensated in any other manner, however, they are reimbursed for travel and business expenses associated with attending our annual meeting if the Board of Director's schedule permits such attendance. Attendance in person is not required, but we try to accommodate schedules in planning the date consistent with its past practices, on November 6, 2008, the Compensation Committee of the Board approved grants of Restricted Stock Units, or RSUs, with a fair market value of \$60,000 to each non-employee director, which the non-employee director had the option to elect all RSUs or one-third of the fair market value in cash and the remaining two-thirds as RSUs in order to pay certain personal income tax obligations that each would incur as a result of the grant. The following non-employee directors each received 109,091 RSUs: Sam Furrow, Tom O'Riordan and Suhail Rizvi. The following non-employee directors each received 73,091 RSUs and \$19,800 in cash: Kelly Hoffman and Kent Savage. The RSUs vest and the cash amounts are paid on a quarterly basis over the

course of 12 months. This amount was determined based upon the peer group analysis and was in the 50th percentile of peer group companies.

Represents the total fair value of 109,091 or 73,091 shares of RSUs granted to our non-employee directors on November 6, 2008 to be recognized by us as an expense in accordance with SFAS 123R. The RSUs vest on a quarterly basis over a 12 month period with the first tranche vested on February 6, 2009. For a discussion on the assumptions made regarding the valuation of the stock awards, please see "Note 8 Stockholders' Equity Stock Incentive Plans" in our Notes to Consolidated Financial Statements.

Q: Has our Board of Directors adopted a code of ethics?

A:

Our Board of Directors adopted a Code of Business Conduct and Ethics for all of our directors, officers and employees on May 22, 2003. Our Code of Business Conduct and Ethics is available on our website at www.joesjeans.com or you may request a free copy of our Code of Business Conduct and Ethics from our Chief Compliance Officer at our corporate headquarters at the following address: 5901 South Eastern Avenue, Commerce, California 90040 or by calling (323) 837-3700. You may also find a copy of our Code of Business Conduct and Ethics filed as Exhibit 14 to our Annual Report on Form 10-K for the fiscal year ended November 29, 2003 filed with the SEC on February 28, 2004.

To date, there have been no waivers under our Code of Business Conduct and Ethics. We intend to disclose any amendments to our Code of Business Conduct and Ethics and any waiver granted from a provision of such Code on a Current Report on Form 8-K filed with the SEC within four business days following such amendment or waiver or on our website at www.joesjeans.com within the same time frame. The information contained or connected to our website is not incorporated by reference into this proxy statement and should not be considered a part of this or any other report that we file or furnish to the SEC.

Q: Does our Board of Directors have a process for our common stockholders to communicate with its members?

A:

At the present time, our Board of Directors has not adopted a formal policy to set forth a process by which our common stockholders may communicate with the members of the Board of Directors because any correspondence addressed to any member of the Board of Directors will be received, reviewed and forwarded to whom the correspondence is directed by the Corporate Secretary, unless the communication is unduly hostile, threatening, illegal, does not reasonably relate to us or our business, or is similarly inappropriate. The office of the Corporate Secretary has authority to

discard any inappropriate communications or to take other appropriate actions with respect to any inappropriate communications. The Board of Directors believes that not having a formal process to communicate with them does not make them less accessible to our common stockholders and any inquiries to date have been satisfactorily processed and communicated to the appropriate members. Each communication must contain a clear notation indicating that it is a "Stockholder Board Communication" or "Stockholder Director Communication," and each communication must identify the author as a stockholder.

PROPOSAL 2

APPROVAL OF AMENDMENT TO 2004 STOCK INCENTIVE PLAN

On April 7, 2004, our Board of Directors adopted the 2004 Stock Incentive Plan, or the 2004 Stock Plan. Our common stockholders approved the 2004 Stock Plan at the annual meeting of stockholders on June 3, 2004 and approved an amendment to our 2004 Stock Plan on June 9, 2005 and October 11, 2007 to increase in the reservation of the total shares available for issuance to 8,265,172 shares of common stock.

Our 2004 Stock Plan provides for an award of options, whether nonqualified or incentive, restricted common stock, restricted common stock units, performance shares, performance share units, purchases, share awards, stock appreciation rights or other awards based on the value of our common stock. The 2004 Stock Plan also permits the Compensation and Stock Option Committee to grant certain awards, such as performance shares, contingent upon pre-established performance goals to our executives and our subsidiaries. In order to qualify for deductibility under Section 162(m) of the Internal Revenue Code, or the Code, the 2004 Stock Plan, including, without limitation, the performance goals for determining performance awards set forth in the 2004 Stock Plan must be approved by our common stockholders.

Q: What is the vote required to approve Proposal 2?

A:

The affirmative "**FOR**" vote of a majority of the shares present in person or represented by proxy at the annual meeting is required to approve the amendment to the 2004 Stock Plan. Unless otherwise instructed on the proxy, properly executed proxies will be voted in favor of this proposal.

Q: How does the Board of Directors recommend I vote?

A:

Our Board of Directors unanimously recommends a vote "**FOR**" the approval of the amendment to the 2004 Stock Plan.

Q: Why is the Board of Directors recommending this Proposal?

A:

Our Board of Directors has concluded that the adoption of the amendment to the 2004 Stock Plan is in our best interest and the interest of our common stockholders. Our Board of Directors believes that this amendment is necessary to provide us with a sufficient reserve of common stock for future awards of various types needed to attract, employ and retain employees, directors and consultants of outstanding ability.

Table of Contents

Q: How will the 2004 Stock Plan be amended?

A:

If approved by our common stockholders, the 2004 Stock Plan would be amended and restated to increase the total shares available for issuance under the 2004 Stock Plan by 4 million shares from 8,265,172 shares of common stock to 12,265,172 shares of common stock. Other than a grant of restricted common stock or restricted common stock units to be made to Marc Crossman in connection with his employment agreement for his service during fiscal 2009 in a currently indeterminable amount equal to his base salary of \$429,300, we currently have no other specific plans, proposals or arrangements to issue any of the newly authorized shares under the 2004 Stock Plan.

Q: When would the amendment become effective?

A:

If approved by our common stockholders, the proposed amendment to our 2004 Stock Plan will become effective upon approval. As soon as reasonably practicable thereafter, we intend to file a registration statement covering the offering of the additional shares under the 2004 Stock Plan with the SEC pursuant to the Securities Act of 1933, as amended.

Q: What is a general description of the principal terms of the 2004 Stock Plan?

A:

A general description of the principal terms of the 2004 Stock Plan is set forth below. However, this summary does not purport to be a complete description of all of the provisions of the 2004 Stock Plan, a copy of which is attached to this proxy statement as *Exhibit A* and has been revised to reflect the proposed amendment to the total shares available for issuance under the 2004 Stock Plan.

General. The purpose of the 2004 Stock Plan is to enhance our ability to attract and retain officers, directors, employees and consultants of outstanding ability and to provide selected officers, employees, directors and consultants with an interest in us parallel to that of our common stockholders. Effective Date. The 2004 Stock Plan became effective on June 3, 2004 and was amended on June 5, 2005 and October 11, 2007 to increase the number of shares available for issuance.

Number of Shares. Subject to adjustment for certain corporate events, the total number of shares of common stock which are available for the grant of awards under the 2004 Stock Plan cannot exceed 1,265,172 shares of common stock, as originally adopted. If this Proposal 2 is approved, the total number of shares of common stock which are available for the grant of awards under the 2004 Stock Plan will be increased from 8,265,172 shares of common stock to 12,265,172 shares of common stock; provided, that, for purposes of this limitation, any common stock subject to an option which is canceled or expires without exercise will again become available for award under the 2004 Stock Plan. Upon forfeiture of awards in accordance with the provisions of the 2004 Stock Plan and the terms and conditions of the award, such shares will again be available for subsequent awards under the 2004 Stock Plan. Subject to adjustment, no employee will be granted, during any one (1) year period, options to purchase more than 1,250,000 shares of common stock, and the number of shares of common stock subject to any awards other than options or stock appreciation rights will not exceed 1,250,000 shares of common stock. All members of the Compensation and Stock Option Committee are non-employee directors within the meaning of Rule 16b-3 as promulgated under Section 16 of the Securities Exchange Act of 1934, as amended, and are also outside directors within the meaning of Section 162(m) of the Code. The Compensation and Stock Option Committee will (i) approve the selection of participants, (ii) determine the type of stock awards to be made to participants, (iii) determine the number of shares of common stock subject to awards, (iv) determine the terms and conditions of any awards granted there under (including, but not limited to, any restriction and forfeiture conditions on such awards) and (v) have the authority to interpret the 2004 Stock Plan, to establish, amend, and rescind any rules and regulations relating to the 2004 Stock Plan, to determine the terms and provisions of any agreements entered into thereunder, and to make all other determinations necessary or advisable for the administration of the 2004 Stock Plan.

Eligibility. Employees, officers, directors and consultants of us and our subsidiaries selected by the Compensation and Stock Option Committee are eligible to receive grants of awards under the 2004 Stock Plan. As of September 10, 2009, there were approximately 101 employees, three executive officers and five directors eligible to participate in the 2004 Stock Plan.

Awards. Awards under the 2004 Stock Plan may consist of options, restricted common stock, restricted common stock units, performance shares, performance share units, stock purchases, share awards, stock appreciation rights or other awards based on the value of the common stock.

(1) **Options.** Both "nonqualified stock options", or Nonqualified Stock Options, and "incentive stock options", or ISOs, may be granted under the 2004 Stock Plan, which we will collectively refer to as Options. The terms of any such Option will be set forth in an option agreement and will be consistent with the following:

Exercise Price. The exercise price per share of the shares of our common stock to be purchased pursuant to any Option will be fixed by the Compensation and Stock Option Committee at the time such Option is granted. In general, in no event will the exercise price for ISOs be less than the fair market value of a share on the day on which the ISO is granted. The Compensation and Stock Option Committee may also reduce the Option price of any outstanding Option either through a direct amendment to such Option or through a cancellation of such Option and immediate grant of a new Option with a lower Option price or in any other manner it deems appropriate.

Option Term. Subject to termination, the duration of each Option will be determined by the Compensation and Stock Option Committee, but may not exceed 10 years from the date of grant; provided, however, that in the case of ISOs granted to 10% shareholders, the term of such Option will not exceed 5 years from the date of grant. In the event of a participant's death (other than ISOs) Options that would otherwise remain exercisable following such death, will remain exercisable for one year following such death irrespective of the terms of the Option.

Vesting. An Option will vest and become exercisable at a rate determined by the Compensation and Stock Option Committee on the date of grant.

(2) **Restricted Common Stock.** The 2004 Stock Plan permits the Compensation and Stock Option Committee to award restricted common stock under the 2004 Stock Plan to eligible participants. The Compensation and Stock Option Committee may also award restricted common stock in the form of restricted common stock units having a value equal to an identical number of shares of common stock. Payment of restricted common stock units will be made in common stock

or in cash or in a combination thereof (based upon the Fair Market Value (as defined in the 2004 Stock Plan) of the common stock on the day the restricted period expires).

(3) *Performance Shares.* Performance shares may be granted in the form of actual shares of common stock or common stock units having a value equal to an identical number of shares of common stock. The performance conditions and the length of the performance period will be determined by the Compensation and Stock Option Committee, but in no event may a performance period be less than twelve (12) months. The Compensation and Stock Option Committee will determine in its sole discretion whether performance shares granted in the form of common stock units will be paid in cash, common stock, or a combination of cash and common stock. Awards of performance shares to Covered Employee (as defined in the 2004 Stock Plan) will be subject to performance goals. Performance goals may be expressed in terms of one or more of the following business criteria: revenue, earnings before interest, taxes, depreciation and amortization, or EBITDA, funds from operations, funds from operations per share, operating income, pre or after tax income, cash available for distribution, cash available for distribution per share, net earnings, earnings per share, return on equity, return on assets, share price performance, improvements in our attainment of expense levels, and implementing or completion of critical projects, or improvement in cash-flow (before or after tax). The Compensation and Stock Option Committee will establish the relevant performance conditions within ninety (90) days after the commencement of the performance period (or such later date as may be required by Section 162(m) of the Code). A performance goal may be measured over a performance period on a periodic, annual, cumulative or average basis and may be established on a corporate-wide basis or established with respect to one or more operating units, divisions, subsidiaries, acquired businesses, minority investments, partnerships, or joint ventures. The maximum number of performance shares subject to any award to a Covered Employee is 1,250,000 for each twelve (12) months during the performance period (or, to the extent the award is paid in cash, the maximum dollar amount of any such award is the equivalent cash value, based on the fair market value of the common stock, of such number of shares of common stock on the last day of the performance period). An award of performance shares to a participant who is a Covered Employee will (unless the Compensation and Stock Option Committee determines otherwise) provide that in the event termination of continuous service prior to the end of the performance period for any reason, such award will be payable only if the applicable performance objectives are achieved and to the extent, if any, as the Compensation and Stock Option Committee will determine. The Compensation and Stock Option Committee may reduce or eliminate the amount of payment with respect to any award of performance shares notwithstanding the achievement of specified performance objective however, no adjustments will be made that would adversely impact a participant following a change in control.

No payments will be made with respect to any performance award unless and until the Compensation and Stock Option Committee certifies the achievement of the performance goals.

(4) *Share Purchases.* The Compensation and Stock Option Committee may authorize eligible individuals to purchase common stock at price equal to, below or above the fair market value of the common stock at the time of grant.

(5) *Share Awards.* Subject to such performance and employment conditions as the Compensation and Stock Option Committee may determine, awards of common stock or awards based on the value of the common stock may be granted either alone or in addition to other awards granted under the 2004 Stock Plan.

Deferrals. The Compensation and Stock Option Committee will be authorized to establish procedures pursuant to which the payment of any award may be deferred.

Amendment and Termination. The 2004 Stock Plan will expire on June 3, 2014 (except as to awards outstanding on that date). The Board of Directors may terminate or amend the 2004 Stock Plan in any respect at any time, except that, no amendment will be made without our common stockholder approval, if such approval is necessary to comply with any applicable law, regulation or stock exchange rule and, no amendment will be made that would adversely affect the rights of a participant without such participant's written consent, except as provided under Adjustments.

Q: What are the federal income tax consequences of options granted under the 2004 Stock Plan under the federal tax laws currently in effect?

The following is a summary of the material federal tax consequences of receiving options in the 2004 Stock Plan and is based upon an analysis of the present provisions of the Code and the regulations promulgated thereunder, all of which are subject to change. A participant may also be subject to state and local taxes, the consequences of which are not discussed herein, in the jurisdiction in which he works and/or resides. This summary is for general information purposes only and is not tax advice.

Section 162(m) Limitation. Subject to a limited number of exceptions, Section 162(m) of the Code denies a deduction to a publicly held corporation for payments of remuneration to certain employees to the extent the employee's remuneration for the taxable year exceeds \$1,000,000. For this purpose, remuneration attributable to stock options is included within the \$1,000,000 limitation. However, to the extent that certain procedural requirements are met (e.g., the 2004 Stock Plan is approved by our common stockholders, grants are made by the Compensation and Stock Option Committee, the exercise price is equal to the fair market value of the underlying shares upon grant, etc.), gain from the exercise of stock options should not be subject to the \$1,000,000 limitation. We have attempted to structure the 2004 Stock Plan in such a manner that the remuneration attributable to the stock options will not be subject to the \$1,000,000 limitation. We have not, however, requested a ruling from the Internal Revenue Service or an opinion of counsel regarding this issue.

Non-Qualified Stock Options. An individual receiving a non-qualified stock option should not recognize taxable income at the time of grant. A participant should generally recognize ordinary compensation income in an amount equal to the excess, if any, in the fair market value of the option shares on exercise of the non-qualified stock options over the exercise price thereof. In general, subject to the limitations set forth in Section 162(m) and discussed above, we are entitled

Table of Contents

to deduct from our taxable income the amount that the participant is required to include in ordinary income at the time of such inclusion.

Incentive Stock Options. An individual granted an incentive stock option will not generally recognize taxable income at the time of grant or, subject to certain conditions, at the time of exercise, although he or she may be subject to alternative minimum tax. In general, if a disqualifying disposition should occur (i.e., the shares acquired upon exercise of the option are disposed of within the later of two years from the date of grant or one year from the date of exercise), a participant will generally recognize ordinary compensation income in the year of disposition in an amount equal to the excess, if any, of the fair market value of the option shares at the time of exercise (or, if less, the amount realized on disposition), over the exercise price thereof. We are not entitled to any deduction on account of the grant of the incentive stock options or the participant's exercise of the option to acquire common stock. However, in the event of a subsequent disqualifying disposition of such shares of common stock acquired pursuant to the exercise of an incentive stock option under circumstances resulting in taxable compensation to the participant, subject to the limitations set forth in Section 162(m) and discussed above, in general, we should be entitled to a tax deduction equal to the amount treated as taxable compensation to the participant.

Q: What would the new 2004 Stock Plan benefits have been if the 2004 Stock Plan had been in effect for the fiscal 2008 year?

A:

The amounts payable under the 2004 Stock Plan for 2008 which may be received by each of (a) our executive officers named in the Summary Compensation Table herein; (b) our executive officers as a group; and (c) our employees who are not executive officers as a group, are not currently determinable.

Director Compensation

Historically, our non-employee directors have been compensated for service through an equity grant. Our directors are not compensated in any other manner, however, they are reimbursed for travel and business expenses associated with attending our annual meeting if the Director's schedule permits such attendance. Attendance in person is not required, but we try to accommodate schedules in planning the date and encourage our directors and director nominees to attend the annual meeting of stockholders. In fiscal 2008, all directors attended our annual meeting in person. Consistent with its past practices, on November 6, 2008, the Compensation Committee of the Board approved grants of RSUs with a fair market value of \$60,000 to each non-employee director, which the non-employee director had the option to elect all RSUs or one-third of the fair market value in cash and two-thirds in RSUs in order to pay certain personal income tax obligations that each would incur as a result of the grant. The following non-employee directors each received 109,091 RSUs: Sam Furrow, Tom O'Riordan and Suhail Rizvi. The following non-employee directors each received 73,091 RSUs and \$19,800 in cash: Kelly Hoffman and Kent Savage. The RSUs vest and the cash amounts are paid on a quarterly basis over the course of 12 months. This amount was determined based upon the peer group analysis and was in the 50th percentile of peer group companies.

Bonuses

Historically, the Compensation Committee has not granted a bonus to our Chief Executive Officer. Recognizing the importance of this element of compensation, for fiscal 2007, the Compensation Committee elected to grant Mr. Crossman a discretionary bonus in the amount of \$300,000, of which one half was payable upon execution of his written employment agreement. Factors that the Compensation Committee considered in determining this bonus amount for fiscal 2007 included Mr. Crossman's performance over the past fiscal year along with our financial and strategic performance, which included successfully selling the assets from our other business segments and focusing our resources on our Joe's® brand, completing the merger to acquire the Joe's® assets, regaining compliance with Nasdaq listing standards, and competitive considerations, including the market data indicating that bonus opportunity is an important element in cash compensation for a Chief Executive Officer. This cash bonus was the first cash bonus paid to Mr. Crossman since he commenced employment in March 2003.

In fiscal 2008, the Compensation Committee included in Mr. Crossman's employment agreement a bonus provision which targeted his bonus at 50 percent of his base salary based upon certain discretionary performance measures. The Compensation Committee discussed the formal criteria for Mr. Crossman's 2008 performance measures noting that the performance measures set for this fiscal year would be utilized in future fiscal years. The Committee discussed various methods of measurement noting that the following were drivers to our overall performance. Those methods of measurement included Earnings Before Income, Taxes and Depreciation (EBITDA), net profits, store performance, net sales, gross margins and inventory. After this discussion, the Compensation Committee decided to utilize EBITDA and net sales weighted equally as the performance measures for Mr. Crossman's bonus for fiscal 2008 and in the future. Based upon these performance measures, the Compensation Committee noted that Mr. Crossman had exceeded expectations on both EBITDA and net sales and thus the bonus target of 50 percent was increased to 75 percent and his bonus for fiscal 2008 was \$325,000.

Table of Contents

Long-Term Incentive Compensation

Our Compensation Committee administers our 2004 Stock Incentive Plan and believes that the long-term commitment of our employees, including our Named Executive Officers, is an important factor in our future performance. The primary element used to promote the long-term performance and commitment of our Named Executive Officers is long-term incentive compensation through grants of stock options and restricted stock. In fiscal 2007, the Compensation Committee shifted from its past practice of granting options to purchase shares of our common stock to granting restricted common stock. This decision to change past practices was in part due to fluctuations in the market price of our common stock and the decision to re-price out-of-the-money incentive stock options in fiscal 2006 as part of a retention incentive. The Compensation Committee believes that equity grants with time-based vesting restrictions aid in retention and better align the interests of our Named Executive Officers with those of our stockholders. Further, the equity grants motivate our Named Executive Officers to make long-term decisions that are in our best interest and to provide incentive to maximize stockholder value.

We do not coordinate the timing of equity award grants with the release of financial results or other material announcements by us and generally, we have made annual equity grants to our Chief Executive Officer and non-employee directors in connection with our annual meeting of stockholders.

We believe that providing Named Executive Officers who have responsibility for our management and growth with an opportunity to increase their stock ownership aligns the interests of the executive officers with those of our stockholders. Accordingly, the Compensation Committee also considers equity grants to be an important aspect in compensating and providing incentives to management and employees. The Compensation Committee determines the number of shares for each stock incentive grant based upon the executive officer's role and responsibilities, the executive officer's base salary, the recommendation of our Chief Executive Officer of the job performance of the individual. For the equity grants to our Chief Executive Officer and our non-employee directors, the Compensation Committee also utilized the data presented and compared with comparable awards to individuals in similar positions in our industry.

Based upon this data, Mr. Crossman's employment agreement contained a provision which set forth his long-term incentive compensation through a grant of restricted stock or restricted stock units pursuant to the 2004 Incentive Plan with a fair market value equal to 100 percent of his base salary. For fiscal 2008, Mr. Crossman received a grant of restricted stock units, or RSUs, in the amount of 780,546 that vest one-third on each anniversary date of the grant in 2009, 2010 and 2011, respectively. Mr. Dahan and Mr. Sandhu, our other Named Executive Officers, each received a grant of RSUs in the amount of 546,000 and 150,000, respectively, that vest in an amount equal to one-eighth of the total grant on June 18, 2009 and thereafter every six months until the RSUs are fully vested on December 18, 2012.

Executive Management's Involvement in Compensation Policies

Our Compensation Committee determines the compensation of our Chief Executive Officer and directors and reviewed and approved our compensation of our Creative Director and Chief Financial Officer based upon the recommendation from our Chief Executive Officer regarding expected contributions, long term goals and other factors appropriate to the respective positions. Our Compensation Committee approves all grants of equity compensation, including the pool for non-officer employees. All equity compensation grants to persons other than the Board of Directors or our Chief Executive Officer are approved based upon a recommendation from our Chief Executive Officer.

Table of Contents**Engagement of Compensation Consultant**

In September 2007, our Compensation Committee engaged a compensation consultant, Mercer Human Resources Consulting, to serve as an independent advisor to the Compensation Committee to conduct a review of the compensation for our Chief Executive Officer and non-employee Directors, examine the pay level and practices of a group of peer companies similar in terms of size and industry, highlight trends in such compensation and provide recommendations regarding our practices. Mercer prepared for our Compensation Committee a competitive analysis of compensation utilizing comparable company compensation data, including size and industry appropriate survey data and advice around short and long-term incentive programs. The information prepared by Mercer provided the Compensation Committee with data to allow them to evaluate and determine an appropriate amount for a bonus and equity award grant for our Chief Executive Officer for fiscal 2007 and compensation for non-employee directors. More particularly, this information provided the basis for discussion of compensation for fiscal 2008 for our Chief Executive Officer.

Employment Contracts and Termination of Employment and Change in Control Arrangements

Change in Control Provisions

Our Chief Executive Officer, our Creative Director and our Chief Financial Officer have change in control provisions in each person's employment agreement and employment offer letter, respectively. These provisions provide these Named Executive Officers with certain compensation arrangements in the event that a change in control occurs. In addition, our 2004 Stock Incentive Plan contains a change in control provision which provides for the immediate vesting in full of all grants or lapse of all restrictions for all grantees, including our Named Executive Officers, in the event a change in control occurs.

Marc Crossman

On May 30, 2008, we entered into an Executive Employment Agreement, or the Crossman Employment Agreement, with Mr. Crossman to serve as our President and Chief Executive Officer. Mr. Crossman has been serving as our President since September 2004 and as Chief Executive Officer since January 2006 under an employment at-will arrangement. In connection with the execution of the

Table of Contents

Crossman Employment Agreement, Mr. Crossman received the second payment of his bonus for fiscal 2007 in the amount of \$150,000, as described above.

Under the terms of the Crossman Employment Agreement, Mr. Crossman receives an annual salary of \$429,300 and is entitled to receive other cash and non-cash compensation, including an annual discretionary bonus targeted at 50% of his base salary based upon the achievement of financial and other performance criteria as set forth in the Crossman Employment Agreement, an annual grant of equity compensation pursuant to the 2004 Stock Incentive Plan, and life and disability insurance policies paid on his behalf. The Crossman Employment Agreement is effective as of December 1, 2007, the commencement of our 2008 fiscal year, and has an initial term of two years. The Crossman Employment Agreement automatically renews for additional two year periods if neither Joe's nor Mr. Crossman provide 180 days' advanced notice of non-renewal prior to the end of the term or upon the occurrence of a change in control.

In the event that Mr. Crossman's employment is terminated by us other than for cause, terminated by Mr. Crossman for good reason, terminated by us within 18 months following a change in control and without cause, or terminated by Mr. Crossman within 18 months following a change in control and for good reason, Mr. Crossman will be entitled to certain severance payments and benefits, including an amount equal to 24 months of his prior year's base salary and bonus in exchange for his execution of a release of claims. Mr. Crossman will not be entitled to severance benefits if he dies during the term of his employment, he is terminated for cause or due to disability, he terminates his employment for a reason other than a good reason, or revokes his agreement to release us from any and all claims related to his employment.

Mr. Crossman is subject to confidentiality, non-solicitation and non-competition restrictions during the term of his employment and is subject to the confidentiality and non-solicitation provisions for a period of two years following termination of his employment.

Joseph M. Dahan

In connection with the completion of a merger between us, our Joe's Subsidiary and JD Holdings, Mr. Dahan's employment agreement automatically became effective for service as our Creative Director. Under the employment agreement, the initial term of employment is five years with automatic renewals for successive one year periods thereafter, unless terminated earlier. Mr. Dahan is entitled to an annual salary of \$300,000 and other discretionary benefits that the Compensation Committee of the Board of Directors may deem appropriate in its sole and absolute discretion.

Under the terms of the employment agreement, we may terminate Mr. Dahan for Cause or if he becomes Disabled. "Cause" is defined as (i) a conviction, plea of guilty or nolo contendere to a felony or a crime of moral turpitude; (ii) a material breach of any provision of the employment agreement that is not cured within 45 days of receipt of written notice of such breach; (iii) the solicitation, persuasion or attempt at persuasion for any employee, consultant, contractor, customer or potential customer to engage in an act prohibited by the employment agreement; or (iv) a violation of any of our policies in our handbook or code of ethics and such violation constitutes a breach of the Code of Ethics or warrants termination. "Disability" is defined as inability to perform duties for 180 consecutive days or shorter periods aggregating 270 days during any 12 month period.

Should we terminate Mr. Dahan's employment for Cause or Disability, we would only be required to pay him through the date of termination. We may terminate Mr. Dahan's employment without Cause at any time upon two weeks notice, provided that we pay him the present value of the annual salary amounts otherwise due to him for the remainder of the initial term of employment or any renewal term. Mr. Dahan may terminate his employment for Good Reason at any time within 30 days written notice. "Good Reason" is defined as (i) a material breach of the employment agreement by us that is not cured within 30 days of written notice; or (ii) Mr. Dahan's decision to terminate

Table of Contents

employment at any time after 18 months following a Change in Control. A "Change in Control" is defined as (i) the sale or disposal of all or substantially all of the assets; (ii) the merger or consolidation with another company provided that our stockholders as a group no longer own at least 50 percent of the voting power of the surviving corporation; (iii) any person or entity becoming the beneficial owner of 50 percent or more of our combined voting power; or (iv) the approval by our stockholders to liquidate or dissolve. In the event that Mr. Dahan terminates his employment for Good Reason, then he will be entitled to the present value of the annual salary amounts otherwise due to him for the remainder of the initial term of employment or any renewal term. Further, Mr. Dahan may terminate his employment for any reason upon ten business days' notice and only be entitled to his salary as of the date of termination on a pro rata basis.

The employment agreement contains customary terms and conditions related to confidentiality of information, ownership by us of all intellectual property, including future designs and trademarks, alternative dispute resolution and Mr. Dahan's duties and responsibilities to us as Creative Director.

In addition, pursuant to the merger agreement, Mr. Dahan is entitled to, for 120 months following October 25, 2007, irrespective of his employment status, the following additional payments based upon our achievement of certain gross profit thresholds on sales from our Joe's® brand products. If our gross profit is less than \$11,250,000 in the applicable fiscal year, then Mr. Dahan does not receive any additional payment. If our gross profit is from \$11,251,000 to \$22,500,000, then Mr. Dahan receives a payment of 11.33% of the gross profit earned in the applicable fiscal year. Thereafter, he earns (i) three percent of the gross profit from \$22,501,000 to \$31,500,000; (ii) two percent of the gross profit from \$31,501,000 to \$40,500,000; and (iii) one percent of the gross profit above \$40,501,000 in the applicable fiscal year. We account for these contingent payments as compensation expense.

Hamish Sandhu

In connection with Mr. Sandhu's appointment as CFO, we entered into a written offer letter whereby Mr. Sandhu agreed to serve as our CFO. Under the terms of the offer letter, Mr. Sandhu's annual base salary was \$205,000, which was increased to \$255,000 in November 2008. In addition, Mr. Sandhu received a grant on August 27, 2007, pursuant to our 2004 Stock Incentive Plan, to purchase up to 100,000 shares of our common stock at an exercise price equal to the closing price of our common stock on that date. The option was forfeited in connection with a subsequent grant of RSUs in December 2007. We also agreed to pay the full cost of participation in our health insurance plan for Mr. Sandhu and his family. Mr. Sandhu will also be entitled to six months of his monthly base salary as a severance payment in the event that a Change in Control occurs during the four years following August 27, 2007 and his employment is subsequently terminated. For purposes of the offer letter, a "Change in Control" shall be deemed to have occurred upon the closing of a transaction which: (i) we sell or otherwise dispose of all or substantially all of our assets; or (ii) there is a merger or consolidation of us with any other corporation or corporations, provided that our shareholders, as a group, do not hold, immediately after such event, at least 50 percent of the voting power of the surviving or successor corporation. Notwithstanding anything to the contrary, Mr. Sandhu is an employee at-will and has not entered into an employment agreement with us.

On December 18, 2007, we entered into a Restricted Stock Unit Agreement, or RSU Award whereby we granted Mr. Sandhu an award of restricted stock units representing the right to receive 100,000 shares of our common stock, or the Restricted Stock Units, pursuant to the 2004 Stock Incentive Plan. The Restricted Stock Units are scheduled to vest every six months over a four year period. In conjunction with this award, Mr. Sandhu agreed to terminate his employee stock option to purchase 100,000 shares of our common stock granted pursuant to the 2004 Stock Incentive Plan on August 27, 2007. Mr. Sandhu agreed to forfeit the 100,000 shares he was entitled to acquire under the terms of the stock option, which was scheduled to vest on a monthly basis over a two year period.

Table of Contents

2004 Stock Incentive Plan, Restricted Stock Agreement and Restricted Stock Unit Awards

Under the terms of the 2004 Stock Incentive Plan, all unvested awards accelerate and immediately vest upon the occurrence of a Change in Control for all grantees. Further, Mr. Crossman's Restricted Stock Agreement and each RSU Award contains certain provisions regarding the terms and conditions of the grant. Each vests upon the earliest to occur of the participant's Death, Disability (each as defined in the Plan), or separation from service by us without Just Cause (as defined below). Upon a separation from service for any other reason (including, without limitation, termination by us for Just Cause or by participant for any reason) prior to the date that participant becomes 100 percent vested in the award, the unvested units or shares are forfeited immediately. Under the award agreements, "Just Cause" means (a) a conviction for, or a plea of guilty or nolo contendere to, a felony or any other crime which involves fraud, dishonesty or moral turpitude, or (b) a material breach of any written employment policies or rules, including the our Code of Business Conduct and Ethics.

REPORT OF THE AUDIT COMMITTEE

In accordance with the written charter of the Audit Committee, which was adopted by our Board of Directors on May 22, 2003, the Audit Committee assists the Board of Directors in oversight of the quality and integrity of our accounting, auditing, and financial reporting practices. In addition, the Audit Committee recommends to the full Board of Directors the selection of the independent auditors.

Currently, all Audit Committee members are "independent" under NASDAQ listing standards and as such term is defined in the rules and regulations of the SEC and Mr. Rizvi has also been designated to be an "audit committee financial expert" as such term is defined in the rules and regulations of the SEC.

In performing its oversight function, the Audit Committee reviewed and discussed our audited consolidated financial statements as of and for the year ended November 30, 2008 with management and our independent auditors. The Audit Committee also discussed with our independent auditors all matters required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, "Communication with Audit Committees" as amended and adopted by the Public Company Accounting Oversight Board, or PCAOB, in Rule 3200T, and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements.

The Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the independent auditors and us that might bear on the independent auditors' independence consistent with PCAOB Rule 3520. The Audit Committee discussed with the independent auditors any relationships that may have an impact on their objectivity and independence and satisfied itself that the non-audit services provided by the independent accountants are compatible with maintaining their independence.

Based on the above-mentioned review and discussions with management and the independent auditors, the Audit Committee recommended to the Board of Directors that our audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended November 30, 2008 for filing with the SEC.

Committee. We believe that this policy requiring that any material transaction between us and such related parties be approved by our Audit Committee ensures that such transactions are on terms no less favorable to us than reasonably could have been obtained in arms' length transactions with independent third parties.

RELATED PARTY TRANSACTIONS

We believe that this policy requiring that any material transaction between us and such related parties be approved by our Audit Committee ensures that such transactions are on terms no less favorable to us than reasonably could have been obtained in arms' length transactions with independent third parties.

JD Holdings Inc.

On February 7, 2001, we acquired a license for the rights to the Joe's® brand from JD Design LLC, which was subsequently merged with and into JD Holdings. Joe Dahan, our Creative Director and member of the Board of Directors was the sole stockholder of JD Holdings. Under the license agreement, JD Holdings was entitled to a royalty of three percent on net sales of licensed products. In October 2005, we granted JD Holdings the right to develop the children's branded apparel line under an amendment to its master license agreement in exchange for a five percent royalty on net sales of those products. On October 25, 2007, in connection with the acquisition of JD Holdings by us, the license agreement terminated.

As part of the consideration paid in connection with the merger, Mr. Dahan is entitled to a certain percentage of the gross profit earned by us in any applicable fiscal year until October 2017. Mr. Dahan will be entitled to the following: (i) 11.33 percent of the gross profit from \$11,251,000 to \$22,500,000; (ii) 3 percent of the gross profit from \$22,501,000 to \$31,500,000; (iii) 2 percent of the gross profit from \$31,501,000 to \$40,500,000; and (iv) 1 percent of the gross profit above \$40,501,000.

For fiscal 2008, 2007 and 2006, the following table sets forth payments made to Mr. Dahan or his related entities.

As a related party, Victor Dahan, Mr. Dahan's brother who is the managing member of Shipson LLC, or Shipson, to whom we previously outsourced our E-shop on our Joe's Jeans website. We sold our Joe's® products to Shipson at wholesale price on normal and customary terms and conditions to fulfill purchases by customers on the E-shop. We ceased doing business with Shipson in February 2008. The aggregate amount of the transactions with Shipson during fiscal 2008 was approximately \$145,000. As of November 30, 2008, Shipson currently owes \$192,000 to us for outstanding purchase orders which have been fully reserved for in our financial statements.

9000 Sunset Office Space Sublease

On March 3, 2006, our Audit Committee approved a related party transaction whereby we subleased, at our current rate, our executive office space to an entity owned by Suhail Rizvi, one of our

directors, on a month-to-month basis. We believe that this transaction is in our best interest to reduce our expenses associated with lease commitments. The transaction amount of such sublease was less than \$120,000 in any fiscal year.

*Former Related Parties**Commerce Investment Group and affiliates*

Historically, in prior fiscal years, we also had a strategic relationship with certain of our former stockholders, Hubert Guez, Paul Guez and their affiliated companies, including Azteca, AZT and Commerce Investment Group LLC, or Commerce. By virtue of this relationship, we entered into the following agreements, at various times, with Hubert Guez, Paul Guez and their affiliated companies, Azteca, AZT and/or Commerce, entities in which Hubert Guez and Paul Guez have controlling interests. Beginning in fiscal 2007, these entities were no longer considered related parties as they were no longer greater than 10 percent stockholders of us. In fiscal 2008, there was no activity related to these former related parties.

The following table represents charges from the affiliated companies pursuant to our relationship with them, including our discontinued operations, as follows:

Purchase Order Arrangement

Until August 2007, we used AZT as a supplier on a purchase order basis for certain of our Joe's® denim products produced in Mexico. Under this arrangement, we advanced the funds to purchase raw materials, which primarily included fabric, anticipated for production of our products. We paid for the production cost less credit for the advances on raw materials. We purchased these products in various stages of production from partial to completed finished goods. In August 2007, we began using a different third party vendor for the production of our products in Mexico.

Verbal Facilities Arrangement

Until mid-July 2006, we leased space for our headquarters and principal executive offices under a verbal month-to-month arrangement with Azteca. Under this arrangement, we paid to Azteca a monthly fee for allocated expenses associated with our use of office and warehouse space, including a fee charged on a per unit basis for inventory, and expenses in connection with maintaining such office and warehouse space. These allocated expenses included, but were not limited to, rent, security, office supplies, machine leases and utilities. In mid-July 2006, we moved our headquarters and principal executive offices to nearby office and warehouse space and accordingly, there is no continuing obligation to pay Azteca under this arrangement.

Supply Agreement/Purchase Order Arrangements

In July 2003, under an asset purchase agreement, or Blue Concept APA, with Azteca, Hubert Guez and Paul Guez, our IAA subsidiary acquired the Blue Concept Division of Azteca, a division

Table of Contents

which sold denim apparel primarily to American Eagle Outfitters, Inc., or AEO. Simultaneous with the Blue Concept APA, we entered into a non-exclusive Supply Agreement with AZT for the purchase of denim products to be sold to AEO, which expired on July 17, 2005. Under the terms of the Supply Agreement, AZT agreed that the purchase price on the products supplied would provide for a margin per unit of 15 percent. After the expiration of the supply agreement, we continued to use AZT as a supplier on a purchase order basis for our AEO products under similar terms. Upon completion of the sale of our private label division to Cygne Designs, Inc., or Cygne, as discussed in "Note 15 Discontinued Operations," Cygne assumed \$2,500,000 of the amount owed to AZT under this purchase order supply arrangement.

Earn-out Due to Sweet Sportswear LLC

The Blue Concept APA also provided for the calculation and payment, on a quarterly basis, to Sweet Sportswear LLC, an entity owned by Hubert and Paul Guez, of an amount equal to 2.5 percent of the gross sales solely attributable to AEO. In May 2006, Cygne assumed the future liability associated with this payment except a remaining \$4,000 balance shown below.

Discontinued Operations Principal and Interest on Note Payable

We originally incurred long-term debt in connection with the purchase of the Blue Concept Division from Azteca. In July 2003, we issued a seven-year unsecured, convertible promissory note in the principal amount of \$21.8 million, or the Blue Concept Note. The Blue Concept Note bore interest at a rate of six percent and required payment of interest only during the first 24 months and then was fully amortized over the remaining five-year period. On March 5, 2004, after stockholder approval, a portion of the Blue Concept Note was converted into 3,125,000 shares of common stock at a value per share of \$4.00. In May 2006, Cygne assumed the remaining principal balance of the Blue Concept Note and Azteca released us from all remaining obligations. The Blue Concept Note was reclassified as a discontinued operation liability. During fiscal 2006, the principal amount outstanding, principal amount paid and interest paid on the Blue Concept Note was as follows:

	2006
Principal Amount Outstanding	\$7,936,655
Principal Paid	\$ 826,153
Interest Paid	261,847
Principal and Interest on Note Payable	\$1,088,000

Under the terms of the original asset purchase agreement, in addition to the shares previously issued, we issued on May 17, 2006, 1,041,667 shares of our common stock as a result of our average stock price trading at less than \$3.00 per share for the period between February 10, 2006 and March 12, 2006 and recognized this issuance in our Statement of Stockholders' Equity.

Table of Contents*Aggregate balances by entities*

As of November 30, 2008 and November 30, 2007, respectively, the balances due (to) or due from these related parties (collectively described as Commerce Investment Group and affiliates above) and certain of their affiliates are as follows (in thousands):

	2008	2007
AZT International SA de CV	\$	\$ 1,800
Commerce Investment Group		(2,822)
Sweet Sportswear, LLC	(4)	(4)
Cygne Design Inc.	(5)	(5)
	\$ (9)	\$ (1,031)

The AZT balance represented the balances due as a result of production efforts in Mexico as of November 30, 2007. Upon completion of the sale of our private label division to Cygne, as discussed in "Note 15 Discontinued Operations," Cygne assumed the aggregate liability in the amount of \$2,500,000 owed to Commerce and its affiliates. The balance due to Commerce represents the adjusted balance remaining that we continued to be obligated for after the completion of the transaction with Cygne. The balance of \$5,000 due to Cygne represented the amount owed to Cygne as a result of certain chargebacks from our former customers.

Director Independence

Currently, the following members of our Board of Directors are considered "independent" under NASDAQ listing standards and as such term is defined in the rules and regulations of the SEC:

Kelly Hoffman

Thomas O'Riordan

Suhail Rizvi

Kent Savage

In making its determination that the foregoing directors are independent, the Board considered all relevant facts and circumstances. The Board considered the sublease of our office space to an entity owned by Mr. Rizvi. The Audit Committee has concluded that the sublease does not impact Mr. Rizvi's independence. We do not have any past or present members serving on our Audit Committee, Compensation and Stock Option Committee and Nominating and Governance Committee that are not considered to be independent.

SECTION 16 BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, as amended, requires our directors, officers and persons who beneficially own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC on a timely basis. Directors, officers and greater than ten percent beneficial owners are required by the SEC's regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of copies of such forms furnished to us and certain of our internal records, or upon written representations from officers, directors and greater than ten percent beneficial owners that no Form 5 was required, we believe that during the year ended November 30, 2008, all Section 16(a) filing requirements applicable to our directors, officers and greater than ten percent beneficial owners were satisfied on a timely basis.

The Audit Committee approves such services on an on-going basis prior to the incurrence of any such audit and non-audit services. (ii) any "person" (as such term is defined in Section 3(a)(9) of the Securities Exchange Act of 1934 (the "Exchange Act") and as used in Sections 13(d)(3) and 14(d)(2) of the Exchange Act) is or becomes, after the Effective Date, a "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company's then outstanding securities eligible to vote for the election of the Board (the "Company Voting Securities"); *provided, however*, that an event described in this paragraph (ii) shall not be deemed to be a Change in Control if any of following becomes such a beneficial owner: (A) the Company or any majority-owned subsidiary (provided, that this exclusion applies solely to the ownership levels of the Company or the majority-owned subsidiary), (B) any tax-qualified, broad-based employee benefit plan sponsored or maintained by the Company or any majority-owned subsidiary, (C) any underwriter temporarily holding securities pursuant to an offering of such securities, or (D) any person pursuant to a Non-Qualifying Transaction (as defined in paragraph (iii));

Notwithstanding the foregoing, a Change in Control of the Company shall not be deemed to occur solely because any person acquires beneficial ownership of more than 50% of the Company Voting Securities as a result of the acquisition of Company Voting Securities by the Company which reduces the number of Company Voting Securities outstanding; *provided, that*, if after such acquisition by the Company such person becomes the beneficial owner of Company Voting Securities that increases the percentage of outstanding Company Voting Securities beneficially owned by such person, a Change in Control of the Company shall then occur.

4. *Administration.*

(a) The Plan shall be administered by the Committee. All references to the Committee hereinafter shall mean the Board if no such Committee has been appointed. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any Award in the manner and to the extent it shall deem desirable to carry it into effect.

Edgar Filing: JOE'S JEANS INC. - Form DEF 14A

(c) Any action of the Committee shall be final, conclusive and binding on all persons, including the Company and its Subsidiaries and shareholders, Participants and persons claiming rights from or through a Participant.

(d) The Committee may delegate to officers or employees of the Company or any Subsidiary, and to service providers, the authority, subject to such terms as the Committee shall determine, to perform administrative functions with respect to the Plan and Award agreements.

(e) Members of the Committee and any officer or employee of the Company or any Subsidiary acting at the direction of, or on behalf of, the Committee shall not be personally liable for any action or determination taken or made in good faith with respect to the Plan, and shall, to the extent permitted by law, be fully indemnified by the Company with respect to any such action or determination.

5. *Eligibility.* Individuals eligible to receive Awards under the Plan shall be the offices, employees, directors and consultants of the Company and its Subsidiaries selected by the Committee; *provided, that*, only employees of the Company and its Subsidiaries may be granted Incentive Stock Options.

6. *Awards.* Awards under the Plan may consist of Options, restricted Common Stock, restricted Common Stock units, performance shares, performance share units, purchases, share awards, stock appreciation rights or other awards based on the value of the Common Stock. Incentive Stock Options may only be granted to employees of the Company and its Subsidiaries. Awards shall be subject to the terms and conditions of the Plan and shall be evidenced by an agreement containing such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall deem desirable.

7. *Options.* Options may be granted under the Plan in such form as the Committee may from time to time approve pursuant to terms set forth in an Option agreement.

(a) *Types of Options.* Each Option agreement shall state whether or not the Option will be treated as an Incentive Stock Option or Nonqualified Stock Option. The aggregate Fair Market Value of the Common Stock for which Incentive Stock Options granted to any one employee under this Plan or any other incentive stock option plan of the Company or of any of its Subsidiaries may by their terms first become exercisable during any calendar year shall not exceed \$100,000, determining Fair Market Value as of the date each respective Option is granted. In the event such threshold is exceeded in any calendar year, such excess Options shall be automatically deemed to be Nonqualified Stock Options. To the extent that any Option granted under this Plan which is intended to be an Incentive Stock Option fails for any reason to qualify as such at any time, such Option shall be a Nonqualified Stock Option.

(b) *Option Price.* The purchase price per share of the Common Stock purchasable under an Option shall be determined by the Committee; *provided, however*, the exercise price for Incentive Stock Options will be not less than 100% of the Fair Market Value of the Common Stock on the date of the grant and in the case of Incentive Stock Options granted to an employee owning stock possessing more than 10% of the total combined voting power of all classes of shares of the Company and its Subsidiaries (a "10% Shareholder") the price per share specified in the agreement relating to such Option shall not be less than 110% of the Fair Market Value per share of the Common Stock on the date of grant. Notwithstanding any other provision in this Plan to the contrary, the Committee may reduce the option price of any outstanding Option either through a direct amendment to such Option or through a cancellation of such Option and immediate grant of a new Option with a lower option price or in any other manner it deems appropriate.

(c) *Option Period.* The term of each Option shall be fixed by the Committee, but no Option shall be exercisable after the expiration of ten (10) years from the date the Option is granted; *provided, that*, in the case of Incentive Stock Options granted to 10% Shareholders, the term of such Option

shall not exceed 5 years from the date of grant. Notwithstanding the foregoing, unless otherwise provided in an Award agreement, upon the death of a Participant, Options (other than Incentive Stock Options) that would otherwise remain exercisable following such death, shall remain exercisable for one year following such death, notwithstanding the term of such Option.

(d) *Exercisability.* Each Option shall vest and become exercisable at a rate determined by the Committee on the date of grant.

(e) *Method of Exercise.* Options may be exercised, in whole or in part, by giving written notice of exercise to the Company in a form approved by the Company specifying the number shares of Common Stock to be purchased. Such notice shall be accompanied by the payment in full of the Option exercise price. The exercise price of the Option may be paid by (i) cash or certified or bank check, (ii) surrender of Common Stock held by the Optionee for at least six (6) months prior to exercise (or such longer or shorter period as may be required to avoid a charge to earnings for financial accounting purposes) or the attestation of ownership of such shares, in either case, if so permitted by the Company, where such Common Stock has a Fair Market Value equal to the aggregate exercise price of the Option at the time of exercise, (iii) if established by the Company, through a "same day sale" commitment from optionee and a broker-dealer that is acceptable to the Company that is a member of the National Association of Securities Dealers (an "NASD Dealer") whereby the optionee irrevocably elects to exercise the Option and to sell a portion of the shares so purchased sufficient to pay for the total exercise price and whereby the NASD Dealer irrevocably commits upon receipt of such shares to forward the total exercise price directly to the Company, (iv) through additional methods prescribed by the Committee, all under such terms and conditions as deemed appropriate by the Committee in its discretion, or (v) by any combination of the foregoing, and, in all instances, to the extent permitted by applicable law. A Participant's subsequent transfer or disposition of any Common Stock acquired upon exercise of an Option shall be subject to any Federal and state laws then applicable, specifically securities law, and the terms and conditions of this Plan.

8. *Restricted Common Stock.* The Committee may from time to time award restricted Common Stock under the Plan to eligible Participants. Shares of restricted Common Stock may not be sold, assigned, transferred or otherwise disposed of, or pledged or hypothecated as collateral for a loan or as security for the performance of any obligation or for any other purpose, for such period (the "Restricted Period") as the Committee shall determine. The Committee may define the Restricted Period in terms of the passage of time or in any other manner it deems appropriate. The Committee may alter or waive at any time any term or condition of restricted Common Stock that is not mandatory under the Plan. Unless otherwise determined by the Committee, upon termination of a Participant's Continuous Service with the Company for any reason prior to the end of the Restricted Period, the restricted Common Stock shall be forfeited and the Participant shall have no right with respect to the Award. Except as restricted under the terms of the Plan and any Award agreement, any Participant awarded restricted Common Stock shall have all the rights of a shareholder including, without limitation, the right to vote restricted Common Stock. If a share certificate is issued in respect of restricted Common Stock, the certificate shall be registered in the name of the Participant, but shall be held by the Company for the account of the Participant until the end of the Restricted Period. The Committee may also award restricted Common Stock in the form of restricted Common Stock units having a value equal to an identical number of shares of Common Stock. Payment of restricted Common Stock units shall be made in Common Stock or in cash or in a combination thereof (based upon the Fair Market Value of the Common Stock on the day the Restricted Period expires), all as determined by the Committee in its sole discretion.

9. *Performance Shares.*

(a) *Type of Awards.* Performance shares may be granted in the form of actual shares of Common Stock or Common Stock units having a value equal to an identical number of shares of Common Stock. In the event that a share certificate is issued in respect of performance shares, such

certificate shall be registered in the name of the Participant, but shall be held by the Company until the time the performance shares are earned. The Performance Objectives and the length of the Performance Period shall be determined by the Committee. The Committee shall determine in its sole discretion whether performance shares granted in the form of Common Stock units shall be paid in cash, Common Stock, or a combination of cash and Common Stock.

(b) *Performance Objectives.* The Committee shall establish the Performance Objective for each Award of performance shares, consisting of one or more business criteria permitted as Performance Goals hereunder, one or more levels of performance with respect to each such criteria, and the amount or amounts payable or other rights that the Participant will be entitled to upon achievement of such levels of performance. The Performance Objective shall be established by the Committee prior to, or reasonably promptly following the inception of, a Performance Period but, to the extent required by Section 162(m) of the Code, by no later than the earlier of the date that is ninety days after the commencement of the Performance Period or the day prior to the date on which twenty-five percent of the Performance Period has elapsed. More than one Performance Goal may be incorporated in a Performance Objective, in which case achievement with respect to each Performance Goal may be assessed individually or in combination with each other. The Committee may, in connection with the establishment of Performance Objectives for a Performance Period, establish a matrix setting forth the relationship between performance on two or more Performance Goals and the amount of the Award of performance shares payable for that Performance Period. The level or levels of performance specified with respect to a Performance Goal may be established in absolute terms, as objectives relative to performance in prior periods, as an objective compared to the performance of one or more comparable companies or an index covering multiple companies, or otherwise as the Committee may determine. Performance Objectives shall be objective and shall otherwise meet the requirements of Section 162(m) of the Code. Performance Objectives may differ for performance shares granted to any one Participant or to different Participants. An Award of performance shares to a Participant who is a Covered Employee shall (unless the Committee determines otherwise) provide that in the event of the Participant's termination of Continuous Service prior to the end of the Performance Period for any reason, such Award will be payable only (i) if the applicable Performance Objectives are achieved and (ii) to the extent, if any, as the Committee shall determine.

(c) *Certification* Following the completion of each Performance Period, the Committee shall certify in writing, in accordance with the requirements of Section 162(m) of the Code, whether the Performance Objectives and other material terms of an Award of performance shares have been achieved or met. Unless the Committee determines otherwise, performance shares shall not be settled until the Committee has made the certification specified under this Section 9(c).

(d) *Adjustment.* The Committee may, in its discretion, reduce or eliminate the amount of payment with respect to an Award of performance shares to a Covered Employee, notwithstanding the achievement of a specified Performance Objectives; *provided, that*, no such adjustment shall be made which would adversely impact a Participant following a Change in Control.

(e) *Maximum Amount Payable* Subject to Section 18, the maximum number of performance shares subject to any Award to a Covered Employee is 1,250,000 for each 12 months during the Performance Period (or, to the extent the Award is paid in cash, the maximum dollar amount of any such Award is the equivalent cash value, based on the Fair Market Value of the Common Stock, of such number of shares of Common Stock on the last day of the Performance Period).

10. *Share Purchases.* The Committee may authorize eligible individuals to purchase Common Stock in the Company at a price equal to, below or above the Fair Market Value of the Common Stock at the time of grant. Any such offer may be subject to the conditions and terms the Committee may impose.

11. *Stock Appreciation Rights.* The Committee may in its discretion, either alone or in connection with the grant of another Award, grant stock appreciation rights in accordance with the Plan, the terms and conditions of which shall be set forth in an agreement. If granted in connection with an Option, a stock appreciation right shall cover the same number of shares of Common Stock covered by the Option (or such lesser number of shares as the Committee may determine) and shall, except as provided in this Section 11, be subject to the same terms and conditions as the related Option.

(a) *Time of Grant.* A stock appreciation right may be granted (i) at any time if unrelated to an Option, or (ii) if related to an Option, either at the time of grant, or in the case of Nonqualified Stock Options, at any time thereafter during the term of such Option.

(b) *Stock Appreciation Right Related to an Option.*

(i) A stock appreciation right granted in connection with an Option shall be exercisable at such time or times and only to the extent that the related Options are exercisable, and will not be transferable except to the extent the related Option may be transferable. A stock appreciation right granted in connection with an Incentive Stock Option shall be exercisable only if the Fair Market Value of a share of Common Stock on the date of exercise exceeds the purchase price specified in the related Incentive Stock Option agreement.

(ii) Upon the exercise of a stock appreciation right related to an Option, the Participant shall be entitled to receive an amount determined by multiplying (A) the excess of the Fair Market Value of a share of Common Stock on the date preceding the date of exercise of such stock appreciation right over the per share purchase price under the related Option, by (B) the number of shares of Common Stock as to which such stock appreciation right is being exercised. Notwithstanding the foregoing, the Committee may limit in any manner the amount payable with respect to any stock appreciation right by including such a limit in the agreement evidencing the stock appreciation right at the time it is granted.

(iii) Upon the exercise of a stock appreciation right granted in connection with an Option, the Option shall be canceled to the extent of the number of shares as to which the stock appreciation right is exercised, and upon the exercise of an Option granted in connection with a stock appreciation right, the stock appreciation right shall be canceled to the extent of the number of shares of Common Stock as to which the Option is exercised or surrendered.

(c) *Stock Appreciation Right Unrelated to an Option.* The Committee may grant to a Participant stock appreciation rights unrelated to Options. Stock appreciation rights unrelated to Options shall contain such terms and conditions as to exercisability, vesting and duration as the Committee shall determine, but in no event shall they have a term of greater than ten (10) years; *provided, that*, unless otherwise provided in an Award agreement, upon the death of a Participant, stock appreciation rights that would otherwise remain exercisable for a period of time following such death, shall remain exercisable for one year following death notwithstanding the term of the Award. Upon exercise of a stock appreciation right unrelated to an Option, the Participant shall be entitled to receive an amount determined by multiplying (i) the excess of the Fair Market Value of a share on the date preceding the date of exercise of such stock appreciation right over the per share exercise price of the stock appreciation right, by (ii) number of shares of Common Stock as to which the stock appreciation right is being exercised. Notwithstanding the foregoing, the Committee may limit in any manner the amount payable with respect to any stock appreciation right by including such a limit in the agreement evidencing the stock appreciation right at the time it is granted.

(d) *Method of Exercise.* Stock appreciation rights shall be exercised by a Participant only by a written notice delivered in person or by mail to the Company at the Company's principal executive office, specifying the number of shares of Common Stock with respect to which the stock appreciation right is being exercised. If requested by the Committee, the Participant shall deliver the agreement

evidencing the stock appreciation right being exercised and the agreement evidencing any related Option to the Company who shall endorse thereon a notation of such exercise and return such agreement to the Participant.

(e) *Form of Payment.* Payment of the amount determined under this Section 11 may be made in the discretion of the Committee solely in whole shares of Common Stock in a number determined at their Fair Market Value on the date preceding the date of exercise of the stock appreciation right, or solely in cash, or in a combination of cash and shares. If the Committee decides to make full payment in shares in Common Stock and the amount payable results in a fractional share, payment for the fractional share will be made in cash.

12. *Share Awards.* Subject to such performance and employment conditions as the Committee may determine, awards of Common Stock or awards based on the value of the Common Stock may be granted either alone or in addition to other Awards granted under the Plan. Any Awards under this Section 12 and any Common Stock covered by any such Award may be forfeited to the extent so provided in the Award agreement, as determined by the Committee. Payment of Common Stock awards made under this Section 12 which are based on the value of Common Stock may be made in Common Stock or in cash or in a combination thereof (based upon the Fair Market Value of the Common Stock on the date of payment), all as determined by the Committee in its sole discretion.

13. *Special Provisions.*

(a) *Change in Control.* Unless otherwise provided in an Award agreement, upon the occurrence of a Change in Control, all Options and stock appreciation rights shall automatically become vested and exercisable in full and all restrictions or performance conditions, if any, on any Common Stock awards, restricted Common Stock, restricted Common Stock units, performance shares or performance share units granted hereunder shall automatically lapse. The Committee may, in its discretion, include such further provisions and limitations in any agreement documenting such Awards as it may deem equitable and in the best interests of the Company.

(b) *Deferral.* The Committee shall be authorized to establish procedures pursuant to which the payment of any Award may be deferred. Subject to the provisions of the Plan and any Award agreement, the recipient of an Award (including, without limitation, any deferred Award) may, if so determined by the Committee, be entitled to receive, currently or on a deferred basis, cash dividends, or cash payments in amounts equivalent to cash dividends on shares ("dividend equivalents"), with respect to the number of shares of Common Stock covered by the Award, as determined by the Committee, in its sole discretion, and the Committee may provide that such amounts (if any) shall be deemed to have been reinvested in additional shares or otherwise reinvested.

14. *Withholding.* Upon (a) disposition of shares of Common Stock acquired pursuant to the exercise of an Incentive Stock Option granted pursuant to the Plan within two years of the grant of the Incentive Stock Option or within one year after exercise of the Incentive Stock Option, or (b) exercise of a Nonqualified Stock Option (or an Incentive Stock Option treated as a Nonqualified Stock Option), exercise of a stock appreciation right or the vesting or payment of any other Award under the Plan, or (c) under any other circumstances determined by the Committee in its sole discretion, the Company shall have the right to require any Participant, and such Participant by accepting the Awards granted under the Plan agrees, to pay to the Company the amount of any taxes which the Company shall be required to withhold with respect thereto. In the event of clauses (a), (b) or (c), with the consent of the Committee, at its sole discretion, such Participant may elect to pay to the Company an amount equal to the amount of the taxes which the Company shall be required to withhold by delivering to the Company shares of Common Stock having a Fair Market Value equal to the amount of the withholding tax obligation as determined by the Company; *provided, however,* that no shares of Common Stock are withheld with a value exceeding the minimum amount of tax required to be withheld by law. Such shares so delivered to satisfy the minimum withholding obligation may be either shares withheld by the

Company upon the exercise of the Option or other shares. At the Committee's sole discretion, a Participant may elect to have additional taxes withheld and satisfy such withholding with cash or shares of Common Stock held for at least six (6) months prior to exercise, if, in the opinion of the Company's outside accountants, doing so, would not result in a charge against earnings.

15. *Nontransferability, Beneficiaries.* Unless otherwise determined by the Committee with respect to the transferability of Nonqualified Stock Options by a Participant to his Immediate Family Members (or to trusts or partnerships or limited liability companies established for such family members), no Award shall be assignable or transferable by the Participant, otherwise than by will or the laws of descent and distribution or pursuant to a beneficiary designation, and Options shall be exercisable, during the Participant's lifetime, only by the Participant (or by the Participant's legal representatives in the event of the Participant's incapacity). Each Participant may designate a beneficiary to exercise any Option held by the Participant at the time of the Participant's death or to be assigned any other Award outstanding at the time of the Participant's death. If no beneficiary has been named by a deceased Participant, any Award held by the Participant at the time of death shall be transferred as provided in his will or by the laws of descent and distribution. Except in the case of the holder's incapacity, an Option may only be exercised by the holder thereof.

16. *No Right to Continuous Service.* Nothing contained in the Plan or in any Award under the Plan shall confer upon any Participant any right with respect to the continuation of service with the Company or any of its Subsidiaries, or interfere in any way with the right of the Company or its Subsidiaries to terminate his or her Continuous Service at any time. Nothing contained in the Plan shall confer upon any Participant or other person any claim or right to any Award under the Plan.

17. *Governmental Compliance.* Each Award under the Plan shall be subject to the requirement that if at any time the Committee shall determine that the listing, registration or qualification of any shares issuable or deliverable thereunder upon any securities exchange or under any Federal or state law, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition thereof, or in connection therewith, no such grant or award may be exercised or shares issued or delivered unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Committee.

18. *Adjustments; Corporate Events.*

(a) In the event of any dividend or other distribution (whether in the form of cash, Common Stock, other securities, or other property), recapitalization, reclassification, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company, or exchange of Common Stock or other securities of the Company, issuance of warrants or other rights to purchase Common Stock or other securities of the Company, or other similar corporate transaction or event (an "Event"), and in the Committee's opinion, such event affects the Common Stock such that an adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to an Award, then the Committee shall, in such manner as it may deem equitable, including, without limitation, adjust any or all of the following: (i) the number and kind of shares of Common Stock (or other securities or property) with respect to which Awards may be granted or awarded; (ii) the number and kind of shares of Common Stock (or other securities or property) subject to outstanding Awards; and (iii) the grant or exercise price with respect to any Award. The Committee determination under this Section 18(a) shall be final, binding and conclusive. Any such adjustment made to an Incentive Stock Option shall be made in accordance with Section 424(a) of the Code unless otherwise determined by the Committee in its sole discretion. The Committee's determination under this Section 18(a) shall be final, binding and conclusive.

(b) Upon the occurrence of an Event in which outstanding Awards are not to be assumed or otherwise continued following such an Event, the Committee may, in its discretion, terminate any outstanding Award without a Participant's consent and (i) provide for either the purchase of any such Award for an amount of cash equal to the amount that could have been attained upon the exercise of such Award or realization of the Participant's rights had such Award been currently exercisable or payable or fully vested or the replacement of such Award with other rights or property selected by the Committee in its sole discretion and/or (ii) provide that such Award shall be exercisable (whether or not vested) as to all shares covered thereby for at least thirty (30) days prior to such Event.

(c) The existence of the Plan, the Award agreement and the Awards granted hereunder shall not affect or restrict in any way the right or power of the Company or the shareholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of stock or of options, warrants or rights to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the Common Stock or the rights thereof or which are convertible into or exchangeable for Common Stock, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

19. *Award Agreement.* Each Award under the Plan shall be evidenced by an agreement setting forth the terms and conditions, as determined by the Committee, which shall apply to such Award, in addition to the terms and conditions specified in the Plan.

20. *Amendment.* The Board may amend, suspend or terminate the Plan or any portion thereof at any time, provided that (a) no amendment shall be made without shareholder approval if such approval is necessary to comply with any applicable law, regulation or stock exchange rule and (b) except as provided in Section 18, no amendment shall be made that would adversely affect the rights of a Participant under an Award theretofore granted, without such Participant's written consent.

21. *General Provisions.*

(a) The Committee may require each Participant purchasing or acquiring shares pursuant to an Award under the Plan to represent to and agree with the Company in writing that such Participant is acquiring the shares for investment and without a view to distribution thereof.

(b) All certificates for Common Stock delivered under the Plan pursuant to any Award shall be subject to such stock-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Common Stock is then listed, and any applicable Federal or state securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions. If the Committee determines that the issuance of Common Stock hereunder is not in compliance with, or subject to an exemption from, any applicable Federal or state securities laws, such shares shall not be issued until such time as the Committee determines that the issuance is permissible.

(c) It is the intent of the Company that the Plan satisfy, and be interpreted in a manner that satisfies, the applicable requirements of Rule 16b-3 as promulgated under Section 16 of the Exchange Act so that Participants will be entitled to the benefit of Rule 16b-3, or any other rule promulgated under Section 16 of the Exchange Act, and will not be subject to short-swing liability under Section 16 of the Exchange Act. Accordingly, if the operation of any provision of the Plan would conflict with the intent expressed in this Section 21(c), such provision to the extent possible shall be interpreted and/or deemed amended so as to avoid such conflict.

(d) Except as otherwise provided by the Committee in the applicable grant or Award agreement, a Participant shall have no rights as a shareholder with respect to any shares of Common Stocks subject to an Award until a certificate or certificates evidencing shares of Common Stock shall have been

issued to the Participant and, subject to Section 18, no adjustment shall be made for dividends or distributions or other rights in respect of any share for which the record date is prior to the date on which Participant shall become the holder of record thereof.

(e) The law of the State of Delaware shall apply to all Awards and interpretations under the Plan regardless of the effect of such state's conflict of laws principles.

(f) Where the context requires, words in any gender shall include any other gender.

(g) Headings of Sections are inserted for convenience and reference; they do not constitute any part of this Plan.

(h) The Committee shall have the power to accelerate the time at which an Award shall be exercisable or vest notwithstanding the terms of any Award agreement.

(i) No payment pursuant to the Plan shall be taken into account in determining any benefits pursuant to any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Subsidiary except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

(j) The expenses of administering the Plan shall be borne by the Company and its Subsidiaries.

(k) No fractional shares of Common Stock shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional shares or whether such fractional shares shall be eliminated by rounding up or down as appropriate.

(l) The Plan is intended to be an "unfunded" plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award agreement shall give the Participant any rights that are greater than those of a general creditor of the Company or any Subsidiary.

22. *Expiration of the Plan.* Subject to earlier termination pursuant to Section 20, no Award may be granted following the 10-year anniversary of the Effective Date and except with respect to outstanding Awards, this Plan shall terminate.

23. *Effective Date; Approval of Shareholders.* The Plan is effective as of the date it is approved by the affirmative vote of the holders of a majority of the securities of the Company present, or represented, and entitled to vote at a meeting of stockholders duly held in accordance with the applicable laws of the State of Delaware (the "Effective Date")*. If the Plan is approved, no further grants shall be made under the terms of the Company's 2000 Employee Stock Incentive Plan and the 2000 Director Stock Incentive Plan (collectively, the "Prior Plans") on or after the Effective Date; *provided, that*, any outstanding awards granted thereunder shall remain outstanding in accordance with the terms and conditions of such Prior Plans and the award agreements evidencing such awards. Unless the Company determines to submit Section 9 of the Plan and the definition of Performance Goal to the Company's stockholders at the first stockholder meeting that occurs in the fifth year following the year in which the Plan was last approved by stockholders (or any earlier meeting designated by the Board), in accordance with the requirements of Section 162(m) of the Code, and such stockholder approval is obtained, then no further performance shares shall be made to Covered Employees under Section 9 after the date of such annual meeting, but the remainder of the Plan shall continue in effect.

* Approved by the stockholders on June 3, 2004, June 9, 2005, and October 11, 2007.
