**Filed Pursuant to Rule 424(b)(3)
Registration Statement No. 333-191130**

Dear Stockholders of PacWest Bancorp and CapitalSource Inc.:

We are pleased to report that the boards of directors of PacWest Bancorp, referred to as PacWest, and CapitalSource Inc., referred to as CapitalSource, collectively referred to as the parties, have approved a strategic merger involving our two companies. We cannot complete the combination without your approval. If the merger proposals described in this document are approved by the stockholders of each party and the merger is subsequently completed, CapitalSource will merge with and into PacWest, with PacWest as the surviving entity.

In the merger, each share of CapitalSource common stock, other than treasury shares and dissenting shares, will be converted into the right to receive \$2.47 in cash and 0.2837 of a share of PacWest common stock. Based on the number of shares of CapitalSource common stock currently outstanding, PacWest currently expects to pay an aggregate cash consideration of approximately \$479.1 million. For each fractional share that would otherwise be issued, PacWest will pay cash in an amount equal to such fraction multiplied by the average closing price of PacWest common stock as quoted on the NASDAQ Global Select Market, or NASDAQ, over the 15 trading days ending on the trading day immediately preceding the date the merger is consummated.

The market value of the merger consideration will fluctuate with the price of PacWest common stock. Based on the closing price of PacWest common stock on July 22, 2013, the last trading day before the public announcement of the signing of the merger agreement, the value of the per share merger consideration payable to holders of CapitalSource common stock was \$11.68. Based on the closing price of PacWest common stock on December 3, 2013, the last practicable date before the date of this document, the value of the per share merger consideration payable to holders of CapitalSource common stock was \$14.05. You should obtain current stock price quotations for PacWest common stock and CapitalSource common stock. PacWest common stock is traded on NASDAQ under the symbol "PACW," and CapitalSource common stock is traded on the New York Stock Exchange, or NYSE, under the symbol "CSE."

Based on the current number of shares of CapitalSource common stock outstanding and reserved for issuance under its employee benefit plans, PacWest currently expects to issue approximately 57,270,035 shares upon completion of the merger. However, an increase or decrease in the number of outstanding shares of CapitalSource common stock prior to completion of the merger could cause the actual number of shares issued upon completion of the merger to change.

Edgar Filing: PACWEST BANCORP - Form 424B3

The merger is intended to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, referred to as the Internal Revenue Code. Assuming the merger qualifies as a reorganization, a stockholder of CapitalSource generally will not recognize any gain or loss upon receipt of PacWest common stock in exchange for CapitalSource common stock in the merger, and will recognize gain (but not loss) in an amount not to exceed any cash received as part of the merger consideration (except with respect to any cash received in lieu of a fractional share of PacWest common stock, as discussed below under "Material United States Federal Income Tax Consequences of the Merger Cash Received In Lieu of a Fractional Share of PacWest Common Stock").

Table of Contents

QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETINGS

The following are answers to certain questions that you may have regarding the special meetings. The parties urge you to read carefully the remainder of this document because the information in this section may not provide all the information that might be important to you in determining how to vote. Additional important information is also contained in the appendices to, and the documents incorporated by reference in, this document.

Q: WHAT IS THE MERGER?

A. PacWest and CapitalSource have entered into a merger agreement, pursuant to which, subject to the terms and conditions of the merger agreement, CapitalSource will merge with and into PacWest, with PacWest continuing as the surviving corporation, which is referred to as the merger. A copy of the merger agreement is attached as Appendix A to this document. Immediately following the merger, CapitalSource Bank, a wholly owned subsidiary of CapitalSource, will merge with and into Pacific Western Bank, a wholly owned subsidiary of PacWest, with Pacific Western Bank continuing as the surviving bank, which is referred to as the bank merger. In order to complete the transaction, each party needs not only the approval of its respective stockholders but the approval of both of these mergers by the applicable banking regulators of PacWest, Pacific Western Bank and CapitalSource Bank.

Q: WHY AM I RECEIVING THIS JOINT PROXY STATEMENT/PROSPECTUS?

A. Each of PacWest and CapitalSource is sending these materials to its stockholders to help them decide how to vote their shares of PacWest or CapitalSource common stock, as the case may be, with respect to the merger agreement and other matters to be considered at the special meetings.

The merger cannot be completed unless PacWest stockholders adopt the merger agreement, adopt the amendment to the PacWest certificate of incorporation to increase the number of authorized shares of PacWest common stock and approve the issuance of PacWest common stock in the merger and CapitalSource stockholders adopt the merger agreement. Each of PacWest and CapitalSource is holding a special meeting of its stockholders to vote on the proposals necessary to complete the merger as well as other related matters. Information about these special meetings, the merger and the other business to be considered by stockholders at each of the special meetings is contained in this document.

This document constitutes both a joint proxy statement of PacWest and CapitalSource and a prospectus of PacWest. It is a joint proxy statement because each of the boards of directors of PacWest and CapitalSource is soliciting proxies using this document from their respective stockholders. It is a prospectus because PacWest, in connection with the merger, is offering shares of its common stock in exchange for outstanding shares of CapitalSource common stock in the merger.

Q: WHAT WILL CAPITALSOURCE STOCKHOLDERS RECEIVE IN THE MERGER?

A: In the merger, each share of CapitalSource common stock owned by a CapitalSource stockholder will be converted into the right to receive \$2.47 in cash and 0.2837 of a share of PacWest common stock. For each fractional share that would otherwise be issued, PacWest will pay cash in an amount equal to the fraction of a share of PacWest common stock which the holder would otherwise be entitled to receive multiplied by the average closing price of PacWest common stock as quoted on NASDAQ over the 15 trading days ending on the trading day immediately preceding the date the merger is consummated. No interest will be paid or accrue on cash payable to holders in lieu of fractional shares.

Table of Contents

Q: WILL THE VALUE OF THE MERGER CONSIDERATION CHANGE BETWEEN THE DATE OF THIS DOCUMENT AND THE TIME THE MERGER IS COMPLETED?

A: Yes. Although the number of shares of PacWest common stock that CapitalSource stockholders will receive in the merger is fixed, the value of the merger consideration will fluctuate between the date of this document and the completion of the merger based upon the market value for PacWest common stock. Any fluctuation in the market price of PacWest common stock after the date of this document will change the value of the shares of PacWest common stock that CapitalSource stockholders will receive.

Q: WHAT HAPPENS TO CAPITALSOURCE EQUITY AWARDS IN THE MERGER?

A: The number of shares of PacWest common stock that holders of CapitalSource equity awards will receive is based on the per share value of the merger consideration when the merger is consummated. For this purpose, the value of the per share merger consideration equals: (i) \$2.47 (the cash portion of the per share merger consideration), plus (ii) 0.2837 (the fraction of a share of PacWest common stock comprising the stock portion of the merger consideration) multiplied by the average closing price of PacWest common stock as quoted on NASDAQ over the 15 trading days ending on the trading day immediately preceding the date the merger is consummated.

CapitalSource Stock Options. At the effective time of the merger, referred to as the effective time, each outstanding option to purchase shares of CapitalSource common stock, whether vested or unvested, that is in-the-money (that is, has an exercise price less than the value of the per share merger consideration) will vest (to the extent it is not already vested) and each such outstanding option will convert into the right to receive a number of shares of PacWest common stock equal to (i) the number of shares of CapitalSource common stock subject to the option immediately before the merger is consummated, multiplied by (ii) the excess of the value of the per share merger consideration over the exercise price of the option, divided by (iii) the value of a share of PacWest common stock (calculated based on the average closing price described above). Cash will be paid in lieu of any fractional shares of PacWest common stock. Options with an exercise price greater than or equal to the value of the per share merger consideration, whether vested or unvested, will be cancelled for no consideration.

CapitalSource Restricted Stock Unit and Restricted Stock Awards. At the effective time, each CapitalSource restricted stock unit, or RSU, and restricted stock award will vest in full and entitle the holder to receive a number of shares of PacWest common stock equal to (i) the number of shares of CapitalSource common stock subject to the award, multiplied by (ii) the value of the per share merger consideration, divided by (iii) the value of a share of PacWest common stock (calculated based on the average closing price described above), plus any accrued but unpaid dividend equivalents. Cash will be paid in lieu of any fractional shares of PacWest common stock.

CapitalSource Deferred Units. At the effective time, each CapitalSource deferred unit will vest in full (to the extent not vested) and be converted into the right for the holder to receive a number of shares of PacWest common stock equal to (i) the number of shares of CapitalSource common stock underlying such deferred unit, multiplied by (ii) the value of the per share merger consideration, divided by (iii) the value of a share of PacWest common stock (calculated based on the average closing price described above), plus any accrued but unpaid dividend equivalents, with fractional shares to be credited and paid in cash at the applicable settlement date.

Q: WHEN WILL THE MERGER BE COMPLETED?

A: PacWest and CapitalSource are working to complete the merger as soon as practicable. The parties are seeking regulatory approval by the end of the fourth quarter of 2013, with the consummation of the merger to occur as soon as practicable thereafter. Neither PacWest nor CapitalSource can

Table of Contents

predict, however, the actual date on which the merger will be completed because it is subject to factors beyond each company's control, including whether or when the required regulatory approvals and the parties' respective stockholders' approvals will be received. For further information, please see the section entitled "The Merger Agreement Conditions to Consummation of the Merger" beginning on page 120.

Holders of record of CapitalSource common stock at the close of business on December 4, 2013, which is the date that the CapitalSource board of directors has fixed as the record date for the CapitalSource special meeting, are entitled to vote at the CapitalSource special meeting.

Q: WHAT CONSTITUTES A QUORUM?

A: *PacWest Special Meeting.* The presence at the PacWest special meeting, in person or represented by proxy, of the holders of a majority of the outstanding shares of PacWest common stock entitled to vote at the PacWest special meeting will constitute a quorum for the transaction of business. Abstentions and broker non-votes will be included in determining the number of shares present at the meeting for the purpose of determining the presence of a quorum.

CapitalSource Special Meeting. The presence at the CapitalSource special meeting, in person or represented by proxy, of the holders of a majority of the outstanding shares of CapitalSource common stock entitled to vote at the CapitalSource special meeting will constitute a quorum for the transaction of business. Abstentions and broker non-votes will be included in determining the number of shares present at the meeting for the purpose of determining the presence of a quorum.

Q: WHAT AM I BEING ASKED TO VOTE ON AND WHY IS THIS APPROVAL NECESSARY?

A: *PacWest Special Meeting.* PacWest stockholders are being asked to vote on the following proposals:

1. to adopt the merger agreement, a copy of which is attached as Appendix A, referred to as the PacWest merger proposal;
2. to adopt the amendment to the PacWest certificate of incorporation to increase the number of authorized shares of PacWest common stock from 75 million shares to 200 million shares, referred to as the PacWest certificate of incorporation amendment proposal;

Stockholder approval of the PacWest merger proposal, the PacWest certificate of incorporation amendment proposal and the PacWest stock issuance proposal is required to complete the merger. Q: WHAT WILL HAPPEN IF PACWEST'S STOCKHOLDERS DO NOT APPROVE THE PACWEST ADVISORY (NON-BINDING) PROPOSAL ON SPECIFIED COMPENSATION?

A: The vote on the PacWest advisory (non-binding) proposal on specified compensation is a vote separate and apart from the vote to approve the PacWest merger proposal and other related proposals. You may vote for this proposal and against the PacWest merger proposal and other related proposals, or vice versa. Because the vote on this proposal is advisory only, it will not be binding on PacWest or CapitalSource and will have no impact on whether the merger is consummated or on whether any contractually obligated payments are made to PacWest's named executive officers.

Q: WHAT DOES THE PACWEST BOARD OF DIRECTORS RECOMMEND?

A: The PacWest board of directors recommends that PacWest stockholders vote "FOR" the PacWest merger proposal, "FOR" the PacWest certificate of incorporation amendment proposal, "FOR" the PacWest stock issuance proposal, "FOR" the PacWest stock plan amendment proposal, "FOR" the PacWest advisory (non-binding) proposal on specified compensation and "FOR" the PacWest adjournment proposal (if necessary or appropriate).

The CapitalSource Adjournment Proposal: The affirmative vote of a majority of the shares of CapitalSource common stock represented in person or by proxy at the CapitalSource special meeting and entitled to vote on the proposal is required to approve the CapitalSource adjournment proposal.

Q: WHAT WILL HAPPEN IF CAPITALSOURCE'S STOCKHOLDERS DO NOT APPROVE THE CAPITALSOURCE ADVISORY (NON-BINDING) PROPOSAL ON SPECIFIED COMPENSATION?

A: The vote on the CapitalSource advisory (non-binding) proposal on specified compensation is a vote separate and apart from the vote to approve the CapitalSource merger proposal. You may vote for this proposal and against the CapitalSource merger proposal, or vice versa. Because the vote on

this proposal is advisory only, it will not be binding on CapitalSource or PacWest and will have no impact on whether the merger is consummated or on whether any contractually obligated payments are made to CapitalSource's named executive officers.

Q: WHAT DOES THE CAPITALSOURCE BOARD OF DIRECTORS RECOMMEND?

A: The CapitalSource board of directors recommends that CapitalSource stockholders vote "FOR" the CapitalSource merger proposal, "FOR" the CapitalSource advisory (non-binding) proposal on specified compensation and "FOR" the CapitalSource adjournment proposal (if necessary or appropriate).

Q: WHAT DO I NEED TO DO NOW?

A: After carefully reading and considering the information contained in this document, please vote your shares as soon as possible so that your shares will be represented at your respective company's special meeting. Please follow the instructions set forth on the proxy card or on the voting instruction form provided by the record holder if your shares are held in the name of your broker, bank or other nominee.

Q: HOW DO I VOTE?

A: If you are a stockholder of record of PacWest as of the PacWest record date, or a stockholder of record of CapitalSource as of the CapitalSource record date, you may submit your proxy before your respective company's special meeting in one of the following ways:

use the toll-free number shown on your proxy card;

visit the website shown on your proxy card to vote via the Internet; or

complete, sign, date and return the enclosed proxy card in the enclosed postage-paid envelope.

You may also cast your vote in person at your respective company's special meeting.

If your shares are held in "street name," through a broker, bank or other nominee, that institution will send you separate instructions describing the procedure for voting your shares. "Street name" stockholders who wish to vote at the meeting will need to obtain a proxy form from their broker, bank or other nominee.

Q: HOW DO I VOTE IF I OWN SHARES THROUGH THE PACWEST 401(K) PLAN?

A: Under the terms of the PacWest 401(k) Plan, all shares held by the plan are voted by the trustee but each participant may direct the trustee on how to vote the shares of common stock allocated to his or her account. Unallocated shares and allocated shares for which no timely voting instructions are received will be voted by the trustee on each proposal in the same proportion as shares for which it has received timely voting instructions. Please follow the instructions set forth in the voting materials sent to you by the trustee.

Q: HOW MANY VOTES DO I HAVE?

A: *PacWest Stockholders.* You are entitled to one vote for each share of PacWest common stock that you owned as of the PacWest record date. As of the close of business on the PacWest record date, there were approximately 44,316,774 outstanding shares of PacWest common stock entitled to vote (which excludes shares of unvested time-based and performance-based restricted stock). As of

that date, approximately 3.6% of such outstanding shares of PacWest common stock were beneficially owned by the directors and executive officers of PacWest.

Table of Contents

CapitalSource Stockholders. You are entitled to one vote for each share of CapitalSource common stock that you owned as of the CapitalSource record date. As of the close of business on the CapitalSource record date, there were approximately 196,911,167 outstanding shares of CapitalSource common stock entitled to vote. As of that date, approximately 1.11% of the outstanding shares of CapitalSource common stock were owned by the directors and executive officers of CapitalSource.

Q: WHEN AND WHERE ARE THE PACWEST AND CAPITALSOURCE SPECIAL MEETINGS OF STOCKHOLDERS?

A: The special meeting of PacWest stockholders will be held at The Jonathan Club, 850 Palisades Beach Road, Santa Monica, CA 90403 at 10:00 AM, Pacific time, on January 13, 2014. Subject to space availability, all PacWest stockholders as of the PacWest record date, or their duly appointed proxies, may attend the PacWest special meeting. Since seating is limited, admission to the meeting will be on a first-come, first-served basis. Registration and seating will begin at 9:30 AM, Pacific time.

The special meeting of CapitalSource stockholders will be held at its corporate headquarters, 633 West 5th Street, 33rd Floor, Los Angeles, CA 90071 at 8:00 AM, Pacific time, on January 13, 2014. Subject to space availability, all CapitalSource stockholders as of the CapitalSource record date, or their duly appointed proxies, may attend the CapitalSource special meeting. Since seating is limited, admission to the meeting will be on a first-come, first-served basis. Registration and seating will begin at 7:30 AM, Pacific time.

Q: IF MY SHARES ARE HELD IN "STREET NAME" BY A BROKER, BANK OR OTHER NOMINEE, WILL MY BROKER, BANK OR OTHER NOMINEE VOTE MY SHARES FOR ME?

A: If your shares are held in "street name" in a stock brokerage account or by a bank or other nominee, you must provide the record holder of your shares with instructions on how to vote your shares. Please follow the voting instructions provided by your broker, bank or other nominee. Please note that you may not vote shares held in street name by returning a proxy card directly to PacWest or CapitalSource or by voting in person at your respective company's special meeting unless you provide a "legal proxy," which you must obtain from your broker, bank or other nominee.

Under the rules of NASDAQ and the NYSE, brokers who hold shares in street name for a beneficial owner of those shares typically have the authority to vote in their discretion on "routine" proposals when they have not received instructions from beneficial owners. However, brokers are not allowed to exercise their voting discretion with respect to the approval of matters that NASDAQ or the NYSE determines to be "non-routine" without specific instructions from the beneficial owner. It is expected that all proposals to be voted on at the PacWest and CapitalSource special meetings are such "non-routine" matters. Broker non-votes occur when a broker or nominee is not instructed by the beneficial owner of shares to vote on a particular proposal for which the broker does not have discretionary voting power.

If you are a PacWest stockholder and you do not instruct your broker, bank or other nominee on how to vote your shares:

your broker, bank or other nominee may not vote your shares on the PacWest merger proposal, which broker non-votes will have the same effect as a vote "**AGAINST**" such proposal;

Table of Contents

your broker, bank or other nominee may not vote your shares on the PacWest certificate of incorporation amendment proposal, which broker non-votes will have the same effect as a vote "**AGAINST**" such proposal;

your broker, bank or other nominee may not vote your shares on the PacWest stock issuance proposal, which broker non-votes will have no effect on the vote count for such proposal;

your broker, bank or other nominee may not vote your shares on the PacWest stock plan amendment proposal, which broker non-votes will have no effect on the vote count for such proposal;

your broker, bank or other nominee may not vote your shares on the PacWest advisory (non-binding) proposal on specified compensation, which broker non-votes will have no effect on the vote count for such proposal; and

your broker, bank or other nominee may not vote your shares on the PacWest adjournment proposal, which broker non-votes will have no effect on the vote count for such proposal.

If you are a CapitalSource stockholder and you do not instruct your broker, bank or other nominee on how to vote your shares:

your broker, bank or other nominee may not vote your shares on the CapitalSource merger proposal, which broker non-votes will have the same effect as a vote "**AGAINST**" such proposal;

your broker, bank or other nominee may not vote your shares on the CapitalSource advisory (non-binding) proposal on specified compensation, which broker non-votes will have no effect on the vote count for such proposal; and

your broker, bank or other nominee may not vote your shares on the CapitalSource adjournment proposal, which broker non-votes will have no effect on the vote count for such proposal.

Q:

WHAT IF I DO NOT VOTE OR I ABSTAIN?

A:

For purposes of each of the PacWest special meeting and the CapitalSource special meeting, an abstention occurs when a stockholder attends the applicable special meeting, either in person or represented by proxy, but abstains from voting.

For the PacWest merger proposal and the PacWest certificate of incorporation amendment proposal, if a PacWest stockholder present in person at the PacWest special meeting abstains from voting, or responds by proxy with an "abstain" vote, it will have the same effect as a vote cast "**AGAINST**" each such proposal. If a PacWest stockholder is not present in person at the PacWest special meeting and does not respond by proxy, it will have the same effect as a vote cast "**AGAINST**" each such proposal.

For the PacWest stock issuance proposal, the PacWest stock plan amendment proposal, the PacWest advisory (non-binding) proposal on specified compensation and the PacWest adjournment proposal, if a PacWest stockholder present in person at the PacWest special meeting abstains from voting, or responds by proxy with an "abstain" vote, it will have the same effect as a vote cast "**AGAINST**" each such proposal. If a PacWest stockholder is not present in person at the PacWest special meeting and does not respond by proxy, it will have no effect on the vote count for each such proposal.

For the CapitalSource merger proposal, if a CapitalSource stockholder present in person at the CapitalSource special meeting abstains from voting, or responds by proxy with an "abstain" vote, it

Table of Contents

will have the same effect as a vote cast "AGAINST" this proposal. If a CapitalSource stockholder is not present in person at the CapitalSource special meeting and does not respond by proxy, it will have the same effect as a vote cast "AGAINST" this proposal.

For the CapitalSource advisory (non-binding) proposal on specified compensation and the CapitalSource adjournment proposal, if a CapitalSource stockholder present in person at the CapitalSource special meeting abstains from voting, or responds by proxy with an "abstain" vote, it will have the same effect as a vote cast "AGAINST" these proposals. If a CapitalSource stockholder is not present in person at the CapitalSource special meeting and does not respond by proxy, it will have no effect on the vote count for each such proposal.

Q: WHAT WILL HAPPEN IF I RETURN MY PROXY OR VOTING INSTRUCTION CARD WITHOUT INDICATING HOW TO VOTE?

A: If you sign and return your proxy or voting instruction card without indicating how to vote on any particular proposal, the PacWest common stock represented by your proxy will be voted as recommended by the PacWest board of directors with respect to each PacWest proposal and the CapitalSource common stock represented by your proxy will be voted as recommended by the CapitalSource board of directors with respect to each CapitalSource proposal. Unless a PacWest stockholder or a CapitalSource stockholder, as applicable, checks the box on its proxy card to withhold discretionary authority, the proxyholders may use their discretion to vote on other matters relating to the PacWest special meeting or CapitalSource special meeting, as applicable.

Q: MAY I CHANGE MY VOTE AFTER I HAVE DELIVERED MY PROXY OR VOTING INSTRUCTION CARD?

A: Yes. You may change your vote at any time before your proxy is voted at the PacWest or CapitalSource special meeting. You may do this in one of four ways:

by sending a notice of revocation to the corporate secretary of PacWest or CapitalSource, as applicable;

by logging onto the Internet website specified on your proxy card in the same manner you would to submit your proxy electronically or by calling the telephone number specified on your proxy card, in each case if you are eligible to do so and following the instructions on the proxy card;

by sending a completed proxy card bearing a later date than your original proxy card; or

by attending the PacWest or CapitalSource special meeting, as applicable, and voting in person.

If you choose any of the first three methods, you must take the described action such that the notice, internet vote or proxy card, as applicable, is received no later than the beginning of the applicable special meeting.

If your shares are held in an account at a broker, bank or other nominee, you should contact your broker, bank or other nominee to change your vote.

Q: DO I NEED IDENTIFICATION TO ATTEND THE PACWEST OR CAPITALSOURCE MEETING IN PERSON?

A: Yes. Please bring proper identification, together with proof that you are a record owner of PacWest or CapitalSource common stock, as the case may be. If your shares are held in street name, please bring acceptable proof of ownership, such as a letter from your broker or an account statement

Table of Contents

showing that you beneficially owned shares of PacWest or CapitalSource common stock, as applicable, on the record date.

Q: ARE CAPITALSOURCE STOCKHOLDERS ENTITLED TO APPRAISAL RIGHTS?

A: Yes. CapitalSource stockholders will have the right to demand appraisal of their shares of CapitalSource common stock and obtain payment in cash for the fair value of their shares, but only if they perfect their appraisal rights and comply with the applicable provisions of Delaware law. A copy of the Delaware statutory provisions related to appraisal rights is attached as Appendix H to this document, and a summary of these provisions can be found under "The Merger Appraisal Rights" beginning on page 103. Due to the complexity of the procedures for exercising the right to seek appraisal, CapitalSource stockholders who are considering exercising such rights are encouraged to seek the advice of legal counsel. Failure to strictly comply with the applicable Delaware law provisions will result in the loss of the right of appraisal.

Q: WHAT ARE THE MATERIAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER TO CAPITALSOURCE STOCKHOLDERS?

A: The merger is intended to qualify, and the obligation of PacWest and CapitalSource to complete the merger is conditioned upon the receipt of legal opinions from their respective counsel to the effect that the merger will qualify, as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. In addition, in connection with the filing of the registration statement of which this document is a part, each of Wachtell, Lipton, Rosen & Katz and Sullivan & Cromwell LLP has delivered an opinion to CapitalSource and PacWest, respectively, to the same effect.

Accordingly, based on the opinions delivered in connection herewith, you generally will not recognize any gain or loss upon receipt of PacWest common stock in exchange for CapitalSource common stock in the merger, and will recognize gain (but not loss) in an amount not to exceed any cash received as part of the merger consideration (except with respect to any cash received in lieu of a fractional share of PacWest common stock, as discussed below under "Material United States Federal Income Tax Consequences of the Merger Cash Received In Lieu of a Fractional Share of PacWest Common Stock").

For a more detailed discussion of the material United States federal income tax consequences of the transaction, please see the section entitled "Material United States Federal Income Tax Consequences of the Merger" beginning on page 131.

The tax consequences of the merger to any particular stockholder will depend on that stockholder's particular facts and circumstances. Accordingly, you are urged to consult your tax advisor to determine your tax consequences from the merger.

Q: WHAT HAPPENS IF THE MERGER IS NOT COMPLETED?

A: If the merger is not completed, CapitalSource stockholders will not receive any consideration for their shares of CapitalSource common stock that otherwise would have been received in connection with the merger. Instead, CapitalSource will remain an independent public company and its common stock will continue to be listed and traded on the NYSE. Under specified circumstances, each of CapitalSource and PacWest may have rights under the reciprocal stock option agreements with respect to the termination of the merger agreement, as described under the section entitled "The Merger Agreement Reciprocal Stock Option Agreements" beginning on page 125.

Table of Contents

Q: SHOULD CAPITALSOURCE STOCKHOLDERS SEND IN THEIR STOCK CERTIFICATES NOW?

A: No. CapitalSource stockholders **SHOULD NOT** send in any stock certificates now. If the merger is approved, transmittal materials with instructions for their completion will be provided to CapitalSource stockholders under separate cover and the stock certificates should be sent at that time.

Q: WHAT SHOULD I DO IF I RECEIVE MORE THAN ONE SET OF VOTING MATERIALS?

A: CapitalSource stockholders and PacWest stockholders may receive more than one set of voting materials, including multiple copies of this document and multiple proxy cards or voting instruction cards. For example, if you hold shares of CapitalSource and/or PacWest common stock in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold such shares. If you are a holder of record of CapitalSource common stock or PacWest common stock and your shares are registered in more than one name, you will receive one or more separate proxy cards or voting instruction cards for each company. Please complete, sign, date and return each proxy card and voting instruction card that you receive or otherwise follow the voting instructions set forth in this document to ensure that you vote every share of CapitalSource common stock and/or PacWest common stock that you own.

Q: WHOM SHOULD I CONTACT IF I HAVE ANY QUESTIONS ABOUT THE PROXY MATERIALS OR VOTING?

A: If you are a PacWest stockholder and have any questions about the proxy materials or if you need assistance submitting your proxy or voting your shares or need additional copies of this document or the enclosed proxy card, you should contact PacWest Investor Relations at (310) 286-1144.

If you are a CapitalSource stockholder and have any questions about the proxy materials or if you need assistance submitting your proxy or voting your shares or need additional copies of this document or the enclosed proxy card, you should contact CapitalSource Investor Relations at (866) 876-8723.

SUMMARY

This summary highlights selected information included in this document and does not contain all of the information that may be important to you. You should read this entire document and its appendices and the other documents to which the parties refer before you decide how to vote with respect to the proposals. In addition, the parties incorporate by reference important business and financial information about CapitalSource and PacWest into this document. For a description of this information, please see the section entitled "Incorporation of Certain Documents by Reference" beginning on page 164. You may obtain the information incorporated by reference into this document without charge by following the instructions in the section entitled "Where You Can Find More Information" in the forepart of this document. Each item in this summary includes a page reference directing you to a more complete description of that item.

Unless the context otherwise requires, throughout this document, "PacWest" refers to PacWest Bancorp, "CapitalSource" refers to CapitalSource Inc. and "we," "us" and "our" refer collectively to PacWest and CapitalSource. Also, the parties refer to the proposed merger of CapitalSource with and into PacWest as the "merger," the proposed merger of CapitalSource Bank with and into Pacific Western Bank as the "bank merger" and the Agreement and Plan of Merger, dated as of July 22, 2013, by and between PacWest and CapitalSource as the "merger agreement."

The Merger and the Merger Agreement (pages 58 and 107)

The terms and conditions of the merger are contained in the merger agreement, which is attached to this document as Appendix A. The parties encourage you to read the merger agreement carefully, as it is the legal document that governs the merger.

Under the terms of the merger agreement, CapitalSource will merge with and into PacWest with PacWest as the surviving corporation.

Merger Consideration (page 109)

In the merger, each share of CapitalSource common stock, par value \$0.01 per share, owned by a CapitalSource stockholder will be converted into the right to receive \$2.47 in cash and 0.2837 of a share of PacWest common stock, par value \$0.01 per share. For each fractional share that would otherwise be issued, PacWest will pay cash in an amount equal to the fraction of a share of PacWest common stock which the holder would otherwise be entitled to receive multiplied by the average closing price of PacWest common stock as quoted on NASDAQ over the 15 trading days ending on the trading day immediately preceding the date the merger is consummated. No interest will be paid or accrue on cash payable to holders in lieu of fractional shares.

The share price of PacWest common stock will fluctuate, and the value that holders of CapitalSource common stock will receive upon consummation of the merger may be different than the value that they would receive if calculated on the date PacWest and CapitalSource publicly announced the signing of the merger agreement, on the date that this document is being mailed to each of the PacWest and CapitalSource stockholders, and on the date of the special meeting of PacWest and CapitalSource stockholders. Based on the closing price of PacWest common stock on July 22, 2013, the last trading day before the public announcement of the signing of the merger agreement, the value of the per share merger consideration payable to holders of CapitalSource common stock was \$11.68. Based on the closing price of PacWest common stock on December 3, the last practicable date before the date of this document, the value of the per share merger consideration payable to holders of CapitalSource common stock was \$14.05.

Opinions of Financial Advisors (pages 66 and 79)

Opinion of PacWest's Financial Advisor

On July 22, 2013, at a meeting of the PacWest board of directors held to evaluate the merger, Jefferies LLC, referred to as Jefferies, delivered to the PacWest board of directors an oral opinion, confirmed by delivery of a written opinion dated July 22, 2013, to the effect that, as of that date and based on and subject to various assumptions, matters considered and limitations described in Jefferies' opinion, the merger consideration was fair, from a financial point of view, to PacWest.

The full text of Jefferies' written opinion is attached as Appendix F to this document. PacWest stockholders should read the entire opinion for a discussion of, among other things, the assumptions made, procedures followed, matters considered and qualifications and limitations on the review undertaken by Jefferies in rendering its opinion.

Jefferies' opinion was provided for the use and benefit of the PacWest board of directors in its consideration of the merger and did not address the relative merits of the transactions contemplated

by the merger agreement as compared to any alternative transaction or opportunity that might be available to PacWest, nor did it address PacWest's underlying business decision to engage in the merger. Jefferies' opinion does not constitute a recommendation as to how any holder of shares of PacWest common stock or CapitalSource common stock should vote on the merger or any related matter.

For further information, please see the section entitled "The Merger Opinion of PacWest's Financial Advisor" beginning on page 79.

Opinion of CapitalSource's Financial Advisor

In connection with the merger, the CapitalSource board of directors received an opinion from J.P. Morgan Securities LLC, CapitalSource's financial advisor in connection with the merger, referred to as J.P. Morgan. On July 22, 2013, J.P. Morgan rendered its oral opinion to the CapitalSource board of directors (which was subsequently confirmed in writing by delivery of J.P. Morgan's written opinion dated the same date) that, as of such date and based upon and subject to the various factors, assumptions and limitations set forth in such opinion, the merger consideration to be paid to the holders of CapitalSource common stock in the merger was fair, from a financial point of view, to such holders.

The full text of J.P. Morgan's written opinion is attached as Appendix G to this document. CapitalSource stockholders should read the entire opinion for a discussion of, among other things, the assumptions made, procedures followed, matters considered and qualifications and limitations on the review undertaken by J.P. Morgan in rendering its opinion.

J.P. Morgan's opinion is addressed to the CapitalSource board of directors, is directed only to the fairness of the merger consideration to be paid to the holders of CapitalSource common stock in the merger and does not constitute a recommendation to any holder of shares of CapitalSource common stock as to how such stockholder should vote with respect to the merger or any other matter at the CapitalSource special meeting.

For further information, please see the section entitled "The Merger Opinion of CapitalSource's Financial Advisor" beginning on page 66.

PacWest Special Meeting of Stockholders (page 47)

The PacWest special meeting will be held at 10:00 AM, Pacific time, on January 13, 2014, at The Jonathan Club, located at 850 Palisades Beach Road, Santa Monica, CA 90403. At the PacWest special meeting, PacWest stockholders will be asked to approve the PacWest merger proposal, the PacWest certificate of incorporation amendment proposal, the PacWest stock issuance proposal, the PacWest stock plan amendment proposal, the PacWest advisory (non-binding) proposal on specified compensation and the PacWest adjournment proposal.

PacWest's board of directors has fixed the close of business on December 4, 2013 as the record date for determining the holders of PacWest common stock entitled to receive notice of and to vote at the PacWest special meeting. As of the PacWest record date, there were 44,316,774 shares of PacWest common stock outstanding and entitled to vote at the PacWest special meeting (which excludes shares of unvested time-based and performance-based restricted stock) held by 1,579 holders of record. Each share of PacWest common stock entitles the holder to one vote on each proposal to be considered at the PacWest special meeting. As of the record date, directors and executive officers of PacWest owned and were entitled to vote 1,611,783 shares of PacWest common stock, representing approximately 3.6% of the shares of PacWest common stock outstanding and entitled to vote on that date. Each of the directors of PacWest has entered into a voting agreement with CapitalSource, pursuant to which they have agreed, solely in their capacity as stockholders of PacWest, to vote all of their shares of PacWest

common stock "FOR" the PacWest merger proposal, "FOR" the PacWest certificate of incorporation amendment proposal, "FOR" the PacWest stock issuance proposal, "FOR" the PacWest stock plan amendment proposal and "FOR" any other matter required to be approved by the stockholders of PacWest to facilitate the transactions contemplated by the merger agreement. PacWest currently expects that PacWest's executive officers will vote their shares in favor of the proposals to be presented at the special meeting, although none of them has entered into any agreements obligating them to do so (other than those executive officers who are also directors). As of the record date, CapitalSource beneficially held no shares of PacWest's common stock.

Approval of the PacWest merger proposal and the PacWest certificate of incorporation amendment proposal requires the affirmative vote of a majority of the outstanding shares of PacWest common stock entitled to vote on such proposals. Approval of the PacWest stock issuance proposal, the PacWest stock plan amendment proposal, the PacWest advisory (non-binding) proposal on specified compensation and the PacWest adjournment proposal requires the affirmative vote of a majority of the shares of PacWest common stock represented in person or by proxy at the PacWest special meeting and entitled to vote on such proposals.

CapitalSource Special Meeting of Stockholders (page 41)

The CapitalSource special meeting will be held at 8:00 AM, Pacific time, on January 13, 2014, located at its corporate headquarters, 633 West 5th Street, 33rd Floor, Los Angeles, CA 90071. At the CapitalSource special meeting, CapitalSource stockholders will be asked to approve the CapitalSource merger proposal, the CapitalSource advisory (non-binding) proposal on specified compensation and the CapitalSource adjournment proposal.

CapitalSource's board of directors has fixed the close of business on December 4, 2013 as the record date for determining the holders of CapitalSource common stock entitled to receive notice of and to vote at the CapitalSource special meeting. As of the CapitalSource record date, there were 196,911,167 shares of CapitalSource common stock outstanding and entitled to vote at the CapitalSource special meeting held by 389 holders of record. Each share of CapitalSource common stock entitles the holder to one vote on each proposal to be considered at the CapitalSource special meeting. As of the record date, directors and executive officers of CapitalSource owned and were entitled to vote 2,192,404 shares of CapitalSource common stock, representing approximately 1.11% of the shares of CapitalSource common stock outstanding on that date. Each of the directors of CapitalSource and the chairman of CapitalSource Bank has entered into a voting agreement with PacWest, pursuant to which they have agreed, solely in their capacity as stockholders of CapitalSource, to vote all of their shares of CapitalSource common stock "FOR" the CapitalSource merger proposal and any other matter required to be approved by the stockholders of CapitalSource to facilitate the transactions contemplated by the merger agreement. CapitalSource currently expects that CapitalSource's executive officers will vote their shares in favor of the proposals to be presented at the special meeting, although none of them has entered into any agreements obligating them to do so (other than those executive officers who are also directors). As of the record date, PacWest beneficially held no shares of CapitalSource's common stock.

Approval of the CapitalSource merger proposal requires the affirmative vote of a majority of the outstanding shares of CapitalSource common stock entitled to vote on such proposal. Approval of the CapitalSource advisory (non-binding) proposal on specified compensation and the CapitalSource adjournment proposal requires the affirmative vote of a majority of the shares of CapitalSource common stock represented in person or by proxy at the CapitalSource special meeting and entitled to vote on such proposals.

PacWest's Directors and Executive Officers Have Certain Interests in the Merger (page 88)

The interests of some of the directors and executive officers of PacWest may be different from those of other PacWest stockholders, and directors and officers of PacWest may be participants in arrangements that are different from, or are in addition to, those of other PacWest stockholders. After the consummation of the merger, PacWest's executive officers will be eligible, upon a qualifying termination of employment, to receive increased severance payments under the Executive Severance Pay Plan. In addition, each of PacWest's executive officers and directors hold equity awards, which will become fully vested upon the consummation of the merger. The merger agreement also provides that eight of 13 initial directors of the combined company will be designated by PacWest and that Matthew P. Wagner, the current chief executive officer of PacWest, and John M. Eggemeyer III, the current chairman of the board of directors of PacWest, will become, respectively, the chief executive officer and chairman of the board of directors of the combined company at the effective time. These interests are described in more detail under the section entitled "The Merger Interests of PacWest Directors and Executive Officers in the Merger" beginning on page 88.

In addition, PacWest's chairman of the board of directors, John M. Eggemeyer III, who will become chairman of the board of directors of the combined company at the effective time, is chief executive officer of Castle Creek Financial, LLC. Pursuant to an agreement, dated May 18, 2011, PacWest retained Castle Creek Financial as its financial advisor, and PacWest will pay Castle Creek Financial a fee upon the consummation of the merger. Castle Creek Financial performed various customary financial advisory services for PacWest in connection with entering into the merger agreement, including assisting PacWest in structuring the financial aspects of the transaction, financial modeling and statistical analysis and assistance in negotiation of the financial terms of the merger agreement. In the event of an acquisition of a financial institution by PacWest for greater than \$20 million, the contract under which Castle Creek Financial performs these services provides for a fee of \$200,000 plus 0.65% of the amount of the transaction value in excess of \$20 million, subject to reduction for certain expenses. Castle Creek Financial is also entitled to reimbursement of its reasonable expenses incurred on behalf of PacWest. Pursuant to the engagement letter and further discussions between the parties, the fee payable by PacWest to Castle Creek Financial has been reduced to \$9 million, which will be paid at the closing of the merger. These interests are described in more detail under the section entitled "The Merger Interests of PacWest Directors and Executive Officers in the Merger" beginning on page 88.

CapitalSource's Directors and Executive Officers Have Certain Interests in the Merger (page 91)

CapitalSource's executive officers and directors have interests in the merger that are different from, or in addition to, the interests of CapitalSource's stockholders generally. Such interests include the rights to accelerated vesting of equity awards, payments in connection with the termination of employment agreements with certain executive officers, and the right to indemnification and insurance coverage following the consummation of the merger. In addition, pursuant to the merger agreement, the board of directors of the combined company will consist of 13 members, five of whom will be designated by CapitalSource, each of whom will be mutually agreeable to PacWest and CapitalSource. At the effective time, Douglas (Tad) Lowrey, current chief executive officer and chairman of CapitalSource Bank, will be the chairman of the board of directors of the surviving bank in the bank merger. The members of the CapitalSource board of directors were aware of and considered these interests, among other matters, when they approved the merger agreement and recommended that CapitalSource stockholders approve the CapitalSource merger proposal. These interests are described in more detail under the section entitled "The Merger Interests of CapitalSource Directors and Executive Officers in the Merger" beginning on page 91.

Table of Contents

Treatment of CapitalSource Stock Options, Restricted Stock Units, Restricted Shares and Deferred Units (page 59)

The number of shares of PacWest common stock that holders of CapitalSource equity awards will receive is based on the per share value of the merger consideration when the merger is consummated. For this purpose, the per share value of the merger consideration equals: (i) \$2.47 (the cash portion of the per share merger consideration), plus (ii) 0.2837 (the fraction of a share of PacWest common stock comprising the stock portion of the merger consideration) multiplied by the average closing price of PacWest common stock as quoted on NASDAQ over the 15 trading days ending on the trading day immediately preceding the date the merger is consummated.

CapitalSource Stock Options. At the effective time, each outstanding option to purchase shares of CapitalSource common stock, whether vested or unvested, that is in-the-money (that is, has an exercise price less than the value of the per share merger consideration) will vest (to the extent it is not already vested) and each such outstanding option will convert into the right to receive a number of shares of PacWest common stock equal to (i) the number of shares of CapitalSource common stock subject to the option immediately before the merger is consummated, multiplied by (ii) the excess of the value of the per share merger consideration over the exercise price of the option, divided by (iii) the value of a share of PacWest common stock (calculated based on the average closing price described above). Cash will be paid in lieu of any fractional shares of PacWest common stock. Options with an exercise price greater than or equal to the value of the per share merger consideration, whether vested or unvested, will be cancelled for no consideration.

CapitalSource Restricted Stock Units and Restricted Stock Awards. At the effective time, each CapitalSource restricted stock unit and restricted stock award will vest in full and entitle the holder to receive a number of shares of PacWest common stock equal to (i) the number of shares of CapitalSource common stock subject to the award, multiplied by (ii) the value of the per share merger consideration, divided by (iii) the value of a share of PacWest common stock (calculated based on the average closing price described above), plus any accrued but unpaid dividend equivalents. Cash will be paid in lieu of any fractional shares of PacWest common stock.

CapitalSource Deferred Units. At the effective time, each CapitalSource deferred unit will vest in full (to the extent not vested) and be converted into the right for the holder to receive a number of shares of PacWest common stock equal to (i) the number of shares of CapitalSource common stock underlying such deferred unit, multiplied by (ii) the value of the per share merger consideration, divided by (iii) the value of a share of PacWest common stock (calculated based on the average closing price described above), plus any accrued but unpaid dividend equivalents, with fractional shares to be credited and paid in cash at the applicable settlement date.

Management and Board of Directors of PacWest After the Merger (page 88)

Pursuant to the merger agreement, the board of directors of the combined company will consist of 13 members, eight of whom will be designated by PacWest and five of whom will be designated by CapitalSource, each of whom will be mutually agreeable to PacWest and CapitalSource. At the effective time, Matthew P. Wagner, the current chief executive officer of PacWest, will be the chief executive officer of the combined company and John M. Eggemeyer III, the current chairman of the board of PacWest, will be the chairman of the board of directors of the combined company. At the effective time, Douglas (Tad) Lowrey, current chief executive officer and chairman of CapitalSource Bank, will be the chairman of the board of directors of the surviving bank in the bank merger.

Regulatory Approvals Required for the Merger (page 99)

Completion of the merger and the bank merger are subject to various regulatory approvals, including approvals from the Board of Governors of the Federal Reserve System, referred to as Federal

Table of Contents

Reserve Board, the Federal Deposit Insurance Corporation, referred to as the FDIC, and the California Department of Business Oversight, referred to as the CDBO. The merger and the bank merger are also subject to the consent of the FDIC under the shared-loss agreements between Pacific Western Bank and the FDIC. Notifications and/or applications requesting approval for the merger or for the bank merger may also be submitted to other federal and state regulatory authorities and self-regulatory organizations. The parties have filed notices and applications to obtain the necessary regulatory approvals of the Federal Reserve Board, the FDIC and the CDBO. Although the parties currently believe they should be able to obtain all required regulatory approvals in a timely manner, they cannot be certain when or if they will obtain them or, if obtained, whether they will contain terms, conditions or restrictions not currently contemplated that will be detrimental to or have a material adverse effect on the combined company after the completion of the merger. The regulatory approvals to which completion of the merger and bank merger are subject are described in more detail under the section entitled "The Merger Regulatory Approvals Required for the Merger" beginning on page 99.

Conditions to Consummation of the Merger (page 120)

The obligations of PacWest and CapitalSource to complete the merger are each subject to the satisfaction or waiver of the following conditions:

approval of the PacWest merger proposal, the PacWest certificate of incorporation amendment proposal and the PacWest stock issuance proposal by the PacWest stockholders and approval of the CapitalSource merger proposal by the CapitalSource stockholders;

the receipt of all regulatory approvals required to consummate the merger and the bank merger from the Federal Reserve Board, the FDIC and the CDBO, without such approvals containing any materially burdensome regulatory condition, as defined below, and the consent of the FDIC that the shared-loss agreements between Pacific Western Bank and the FDIC will remain in effect after the merger;

no governmental authority of competent jurisdiction having enacted, issued, promulgated, enforced or entered any law (whether temporary, preliminary or permanent) that is in effect and restrains, enjoins or otherwise prohibits consummation of the merger or the other transactions contemplated by the merger agreement or the reciprocal stock option agreements;

the effectiveness of the registration statement on Form S-4, of which this document is a part, and the absence of a stop order or proceeding initiated or threatened by the SEC for that purpose;

holders of not more than 10% of the outstanding shares of CapitalSource common stock having duly exercised their dissenters' rights under § 262 of the Delaware General Corporation Law, or the DGCL;

the accuracy of the representations and warranties of the other party as of the closing date of the merger, other than, in most cases, those failures to be true and correct that would not reasonably be expected to result in a material adverse effect on such party;

performance in all material respects by the other party of the obligations required to be performed by it at or prior to the closing date of the merger;

with respect to CapitalSource's obligation to complete the merger, as of the last business day of the month reflected in the closing financial statements (defined below) the adjusted PacWest stockholders' equity (defined below) not being less than \$801,699,000 as determined in accordance with GAAP;

equity (defined below) not being less than \$1,551,645,000 as determined in accordance with GAAP;

receipt by each party of an opinion of its tax counsel as to certain tax matters; and

there not having occurred any material adverse effect with respect to the other party since the date of the merger agreement.

No Solicitation (page 119)

Under the terms of the merger agreement, PacWest and CapitalSource have agreed not to solicit, initiate, encourage or facilitate inquiries or proposals with respect to, or engage or participate in any discussions or negotiations concerning, or provide any confidential or nonpublic information or data to, any person relating to, any acquisition proposal. Notwithstanding these restrictions, the merger agreement provides that, under specified circumstances, in response to an unsolicited bona fide written acquisition proposal from a third party, if the board of directors of the party receiving such proposal determines in good faith (after consultation with its outside legal counsel) that the failure to take such action would reasonably be expected to violate such board of directors' fiduciary duties under applicable law, the applicable party may (i) execute a confidentiality agreement with such third party to provide confidential information or (ii) engage in discussions or negotiations with such third party. The merger agreement also provides that, under specified circumstances, in response to an unsolicited bona fide written acquisition proposal if the board of directors of the party receiving such proposal determines in good faith (i) after consultation with its financial advisors, that such proposal is a superior proposal and (ii) after consultation with outside legal counsel, that the failure to change its recommendation to its stockholders to adopt the merger agreement would reasonably be expected to violate such board of directors' fiduciary duties under applicable law, such party's board of directors may change its recommendation to its stockholders that such stockholders adopt the merger agreement.

Termination of the Merger Agreement (page 123)

PacWest and CapitalSource may mutually agree at any time to terminate the merger agreement without completing the merger, even if the CapitalSource stockholders have adopted the merger agreement and the PacWest stockholders have adopted the merger agreement, approved the PacWest certificate of incorporation amendment increasing the number of authorized shares of PacWest common stock and approved the issuance of PacWest common stock in connection with the merger.

The merger agreement may also be terminated and the merger abandoned at any time prior to the effective time, as follows:

at any time prior to the effective time, whether before or after the CapitalSource stockholder approval or PacWest stockholder approval, by action of the board of directors of either party, in the event that the merger is not consummated by July 31, 2014, except to the extent that the failure of the merger to be consummated results from the knowing action or inaction of the party seeking to terminate, which action or inaction is in violation of its obligations under the merger agreement;

at any time prior to the effective time, whether before or after the CapitalSource stockholder approval or PacWest stockholder approval, by action of the board of directors of either party if:

the approval of any governmental authority required for consummation of the merger, the bank merger or the other transactions contemplated by the merger agreement shall have been denied by final and nonappealable action of such governmental authority, or an application thereof shall have been permanently withdrawn by mutual agreement of the parties at the request or suggestion of a governmental authority; or

Table of Contents

either the CapitalSource stockholder approval or the PacWest stockholder approval is not obtained at the duly convened CapitalSource special meeting or the PacWest special meeting;

at any time prior to the effective time, whether before or after the CapitalSource stockholder approval or PacWest stockholder approval, by action of either party's board if there has been a breach of any representation, warranty, covenant or agreement made by the other party, such that if continuing on the closing date of the merger, the condition as to the accuracy of the representations and warranties or the compliance with covenants by the other party would not be satisfied and such breach or condition is not curable or, if curable, is not cured within 30 days after written notice thereof is given by the terminating party (or such shorter period as remaining prior to July 31, 2014); provided, that the terminating party is not then in material breach of any representation, warranty, covenant or agreement; or

by action of a party's board at any time prior to the other party's stockholder approval, in the event:

such other party has breached in any material respect the prohibitions in the merger agreement relating to acquisition proposals described above under "No Solicitation";

such other party's board has effected a change of recommendation;

at any time after the end of 15 business days following receipt of an acquisition proposal, the other party's board has failed to reaffirm its board recommendation as promptly as practicable (but in any event within five business days) after receipt of any written request to do so by the terminating party; or

a tender offer or exchange offer for outstanding shares of such other party's common stock has been publicly disclosed (other than by the terminating party or an affiliate of the terminating party) and such other party's board recommends that its stockholders tender their shares in such tender or exchange offer or, within 10 business days after the commencement of such tender or exchange offer, such other party's board fails to recommend unequivocally against acceptance of such offer.

For more information, please see the section entitled "The Merger Agreement Termination of the Merger Agreement" beginning on page 123.

Reciprocal Stock Option Agreements (page 125)

When the parties entered into the merger agreement, they also entered into reciprocal stock option agreements. Under the terms of the stock option granted by PacWest to CapitalSource, CapitalSource may purchase up to 9,169,733 shares of PacWest common stock at an exercise price equal to the lesser of \$32.32 per share or the closing sale price of PacWest common stock on NASDAQ on the trading day immediately preceding the exercise date. Under the terms of the stock option granted by CapitalSource to PacWest, PacWest may purchase up to 39,191,656 shares of CapitalSource common stock at an exercise price equal to the lesser of \$9.69 per share or the closing sale price of CapitalSource common stock on the NYSE on the trading day immediately preceding the exercise date. In no case, however, can the number of shares issuable upon exercise of each option respectively exceed 19.9% of CapitalSource or PacWest common stock outstanding without giving effect to any shares issued under the option. In the event that any additional shares of common stock are either issued or redeemed by the party granting the applicable stock option after the date of the stock option agreements, the number of shares of common stock subject to the option will be adjusted so that such number equals 19.9% of the number of shares of common stock then issued and outstanding without giving effect to any shares of common stock subject to or issued under the option.

Table of Contents

PacWest's total realizable value under the option it has been granted is subject to a cap of \$112,000,000. CapitalSource's total realizable value under the option it has been granted is subject to a cap of \$72,000,000. Under certain circumstances, each of the parties may be required to repurchase for cash the applicable option or the shares acquired pursuant to the exercise of such option. Neither option is currently exercisable and they will only become exercisable upon the occurrence of certain events relating to a third party acquisition proposal relating to the issuer of the option.

Material United States Federal Income Tax Consequences of the Merger (page 131)

The merger is intended to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. Assuming the merger qualifies as a reorganization, a stockholder of CapitalSource generally will not recognize any gain or loss upon receipt of PacWest common stock in exchange for CapitalSource common stock in the merger, and will recognize gain (but not loss) in an amount not to exceed any cash received as part of the merger consideration (except with respect to any cash received in lieu of a fractional share of PacWest common stock, as discussed below under "Material United States Federal Income Tax Consequences of the Merger Cash Received In Lieu of a Fractional Share of PacWest Common Stock"). It is a condition to the completion of the merger that PacWest and CapitalSource receive written opinions from their respective counsel to the effect that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code.

Tax matters are complicated and the tax consequences of the merger to each CapitalSource stockholder may depend on such stockholder's particular facts and circumstances. CapitalSource stockholders are urged to consult their tax advisors to understand fully the tax consequences to them of the merger. For more information, please see the section entitled "Material United States Federal Income Tax Consequences of the Merger" beginning on page 131.

Amendment to PacWest's Certificate of Incorporation (page 52)

PacWest is proposing, and its board of directors has approved, an amendment to the PacWest certificate of incorporation to increase the number of authorized shares of common stock from 75 million shares to 200 million shares in order to have sufficient shares to complete the merger and a reasonable reserve of additional shares issuable by PacWest in future offerings including in connection with future acquisitions. It is a condition to the merger that PacWest's stockholders adopt the amendment to the PacWest certificate of incorporation with respect to such increase.

Tax Benefit Preservation Plan (page 102)

CapitalSource's board of directors has adopted a tax benefit preservation plan designed to preserve its net operating losses and certain other tax assets. The plan discourages persons from becoming "5-percent stockholders" (as defined under the federal tax laws) of CapitalSource and existing "5-percent stockholders" from increasing their beneficial ownership of shares. PacWest currently does not have a tax benefit preservation plan but the merger agreement provides that, at or immediately following the effective time, PacWest will adopt a tax benefit preservation plan designed to preserve the net operating losses and certain other tax assets of the combined company. For more information, please see the sections entitled "Risk Factors" beginning on page 30 and "The Merger Tax Benefit Preservation Plan" beginning on page 102.

Litigation Related to the Merger (page 130)

Since July 24, 2013, 11 putative stockholder class action lawsuits, referred to as the merger litigations, were filed against PacWest, CapitalSource and certain other defendants in connection with the merger agreement. Five of the 11 actions were filed in Superior Court of California, Los Angeles County. The other six actions were filed in the Court of Chancery of the State of Delaware.

Table of Contents

The merger litigations were filed on behalf of a putative class of CapitalSource stockholders against CapitalSource, the individual members of CapitalSource's board of directors, and PacWest. The merger litigations allege variously that the members of the CapitalSource board breached their fiduciary duties owed to CapitalSource stockholders by approving the proposed merger for inadequate consideration; approving the transaction in order to obtain benefits not equally shared by other CapitalSource stockholders; entering into the merger agreement containing preclusive deal protection devices; failing to take steps to maximize the value to be paid to the CapitalSource stockholders; and failing to disclose material information regarding the proposed transaction. Each of the merger litigations also alleges claims against CapitalSource and PacWest for aiding and abetting these alleged breaches of fiduciary duties.

The plaintiffs in each of the merger litigations generally seek, among other things, declaratory and injunctive relief concerning the alleged breaches of fiduciary duties, injunctive relief prohibiting consummation of the acquisition, rescission, an accounting by defendants, damages and attorneys' fees and costs, and other and further relief. For more information, please see the section entitled "Litigation Related to the Merger" beginning on page 130.

Comparison of Stockholders' Rights (page 143)

The rights of CapitalSource stockholders who continue as PacWest stockholders after the merger will be governed by the certificate of incorporation and bylaws of PacWest rather than by the certificate of incorporation and bylaws of CapitalSource. For more information, please see the section entitled "Comparison of Stockholders' Rights" beginning on page 143.

This information is presented for illustrative purposes only. You should not rely on the pro forma combined or pro forma equivalent amounts as they are not necessarily indicative of the operating results or financial position that would have occurred if the merger had been completed as of the dates indicated, nor are they necessarily indicative of the future operating results or financial position of the combined company. The pro forma information, although helpful in illustrating the financial characteristics of the combined company under one set of assumptions, does not reflect the benefits of expected cost savings, opportunities to earn additional revenue, the impact of restructuring and merger-related costs (except merger costs that are reflected in the unaudited pro forma combined condensed consolidated balance sheet included elsewhere herein), or other factors that may result as a consequence of the merger and, accordingly, does not attempt to predict or suggest future results. The information below should be read in conjunction with the section entitled "Unaudited Pro Forma Combined Condensed Consolidated Financial Statements" beginning on page 134.

RISK FACTORS

In addition to the other information contained in or incorporated by reference into this document, including the matters addressed under the caption entitled "Cautionary Statement Regarding Forward-Looking Statements," CapitalSource and PacWest stockholders should carefully consider the following factors in deciding whether to vote for each company's respective proposals. Please see the sections entitled "Where You Can Find More Information" beginning on page iii and "Incorporation of Certain Documents by Reference" beginning on page 164.

Because the market price of PacWest common stock will fluctuate, the value of the merger consideration to be received by CapitalSource stockholders may change.

Upon completion of the merger, each outstanding share of CapitalSource common stock, excluding treasury shares and dissenting shares, will be converted into the right to receive \$2.47 in cash and 0.2837 of a share of PacWest common stock pursuant to the terms of the merger agreement. The closing price of PacWest common stock on the date that the merger is completed may vary from the closing price of PacWest common stock on the date PacWest and CapitalSource announced the merger, on the date that this document is being mailed to each of the PacWest and CapitalSource stockholders, and on the date of the special meeting of PacWest and CapitalSource stockholders. Because the stock component of the merger consideration is determined by a fixed exchange ratio, at the time of the CapitalSource special meeting, CapitalSource stockholders will not know or be able to calculate the value of the PacWest common stock they will receive upon completion of the merger. Any change in the market price of PacWest common stock prior to completion of the merger may affect the value of the stock component of the merger consideration that CapitalSource stockholders will receive upon completion of the merger. Stock price changes may result from a variety of factors, including general market and economic conditions, changes in our respective businesses, operations and prospects, and regulatory considerations, among other things. Many of these factors are beyond the control of PacWest and CapitalSource. CapitalSource stockholders should obtain current market quotations for shares of PacWest common stock before voting their shares at the CapitalSource special meeting.

PacWest and CapitalSource stockholders will have a reduced ownership and voting interest after the merger and will exercise less influence over management.

PacWest stockholders currently have the right to vote in the election of the board of directors of PacWest and on other matters affecting PacWest. CapitalSource stockholders currently have the right to vote in the election of the board of directors of CapitalSource and on other matters affecting CapitalSource. Upon the completion of the merger, each party's stockholders will be a stockholder of PacWest with a percentage ownership of PacWest that is smaller than such stockholder's current percentage ownership of PacWest or CapitalSource, as applicable. It is currently expected that the former stockholders of CapitalSource as a group will receive shares in the merger constituting approximately 55% of the outstanding shares of the combined company's common stock immediately after the merger. As a result, current stockholders of PacWest as a group will own approximately 45% of the outstanding shares of the combined company immediately after the merger. Because of this, CapitalSource and PacWest stockholders will have less influence on the management and policies of the combined company than they now have on the management and policies of PacWest or CapitalSource, as applicable.

Sales of substantial amounts of PacWest's common stock in the open market by former CapitalSource stockholders could depress PacWest's stock price.

Shares of PacWest common stock that are issued to stockholders of CapitalSource in the merger will be freely tradable without restrictions or further registration under the Securities Act. As of the record date, PacWest had approximately 46,078,152 shares of common stock outstanding, 9,200,000

Table of Contents

shares of PacWest common stock were reserved for issuance under the PacWest stock option agreement related to the merger and 1,433,647 shares of PacWest common Stock were reserved for issuance under the PacWest stock plan. Based on the shares of CapitalSource common stock, the in-the-money CapitalSource options, the CapitalSource restricted stock units, the CapitalSource restricted shares and the CapitalSource deferred units currently outstanding, PacWest currently expects to issue approximately 57,270,035 shares of its common stock in connection with the merger.

If the merger is completed and if CapitalSource's former stockholders sell substantial amounts of PacWest common stock in the public market following completion of the merger, the market price of PacWest common stock may decrease. These sales might also make it more difficult for PacWest to sell equity or equity-related securities at a time and price that it otherwise would deem appropriate.

The combined company may fail to realize the anticipated benefits of the merger.

The success of the merger will depend on, among other things, the combined company's ability to combine the businesses of PacWest and CapitalSource. If the combined company is not able to successfully achieve this objective, the anticipated benefits of the merger may not be realized fully, or at all, or may take longer to realize than expected.

PacWest and CapitalSource have operated and, until the consummation of the merger, will continue to operate independently. It is possible that the integration process or other factors could result in the loss or departure of key employees, the disruption of the ongoing business of PacWest or CapitalSource or inconsistencies in standards, controls, procedures and policies. It is also possible that clients, customers, depositors and counterparties of PacWest or CapitalSource could choose to discontinue their relationships with the combined company post-merger because they prefer doing business with an independent company or for any other reason, which would adversely affect the future performance of the combined company. These transition matters could have an adverse effect on each of PacWest and CapitalSource during the pre-merger period and for an undetermined amount of time after the consummation of the merger.

Regulatory approvals may not be received, may take longer than expected or may impose conditions that are not presently anticipated or cannot be met.

Before the transactions contemplated by the merger agreement, including the merger and the bank merger, may be completed, various approvals must be obtained from bank regulatory authorities. These governmental entities may impose conditions on the granting of such approvals. Such conditions or changes and the process of obtaining regulatory approvals could have the effect of delaying completion of the merger or of imposing additional costs or limitations on PacWest following the merger. The regulatory approvals may not be received at all, may not be received in a timely fashion, and may contain conditions on the completion of the merger that are not anticipated or cannot be met. If the consummation of the merger is delayed, including by a delay in receipt of necessary governmental approvals, the business, financial condition and results of operations of each company may also be materially adversely affected.

Failure of the merger to be completed, the termination of the merger agreement or a significant delay in the consummation of the merger could negatively impact PacWest and CapitalSource.

The merger agreement is subject to a number of conditions which must be fulfilled in order to complete the merger. Those conditions include: (i) adoption of the merger agreement by CapitalSource stockholders, (ii) adoption of the merger agreement, adoption of the amendment to PacWest's certificate of incorporation increasing the total number of authorized shares of common stock and approval of the issuance of the shares of PacWest common stock in connection with the merger by PacWest stockholders, (iii) receipt of requisite regulatory approvals subject to certain limitations set

Table of Contents

forth in the merger agreement, (iv) absence of any governmental order or law prohibiting completion of the merger, (v) effectiveness of the registration statement of which this document is a part and (vi) the absence of more than 10% of the outstanding shares of CapitalSource common stock exercising their dissenters' rights under § 262 of the DGCL.

The obligation of each party to consummate the merger is also conditioned upon: (i) subject to certain exceptions, the accuracy of the representations and warranties of the other party, (ii) performance in all material respects by the other party of its obligations under the merger agreement, (iii) the adjusted stockholders' equity of the other party being in excess of a specified level, (iv) receipt by such party of a tax opinion to the effect that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, (v) the consent of the FDIC to the transaction under the shared-loss agreements with Pacific Western Bank that the shared-loss agreements will remain in effect after the merger and (vi) the absence of a material adverse effect with respect to the other party since the date of the merger agreement. PacWest and CapitalSource have agreed to use their respective reasonable best efforts to obtain all necessary regulatory approvals for the merger. The parties will not be required to take any action, or agree to any condition or restriction, in connection with obtaining any regulatory permits, consents, approvals and authorizations of governmental authorities that would reasonably be likely, in each case following the effective time (but regardless when the action, condition or restriction is to be taken or implemented), to (i) have a material adverse effect with respect to the combined company and its subsidiaries, taken as a whole or (ii) require PacWest, Pacific Western Bank, the combined company or the surviving bank in the bank merger to raise additional capital in an amount that would materially reduce the economic benefits of the merger to the holders of PacWest common stock (including the CapitalSource stockholders in respect of the shares of PacWest common stock received by them in the merger).

These conditions to the consummation of the merger may not be fulfilled and, accordingly, the merger may not be completed. In addition, if the merger is not completed by July 31, 2014, either PacWest or CapitalSource may choose not to proceed with the merger, and the parties can mutually decide to terminate the merger agreement at any time, before or after stockholder approval.

If the merger is not consummated, the ongoing business, financial condition and results of operations of each party may be materially adversely affected and the market price of each party's common stock may decline significantly, particularly to the extent that the current market price reflects a market assumption that the merger will be consummated. If the consummation of the merger is delayed, including by the receipt of a competing acquisition proposal, the business, financial condition and results of operations of each company may be materially adversely affected. Additionally, if the merger agreement is terminated, under certain circumstances, a party may exercise its option to purchase up to 19.9% of the other party's outstanding common stock, before giving effect to the exercise of the option. PacWest's total realizable value under the option it has been granted is subject to a cap of \$112 million. CapitalSource's total realizable value under the option it has been granted is subject to a cap of \$72 million. Under certain circumstances, a party may be required to repurchase for cash the applicable option.

In addition, each party has incurred and will incur substantial expenses in connection with the negotiation and completion of the transactions contemplated by the merger agreement. If the merger is not completed, the parties would have to recognize these expenses without realizing the expected benefits of the transaction. Any of the foregoing, or other risks arising in connection with the failure of or delay in consummating the merger, including the diversion of management attention from pursuing other opportunities and the constraints in the merger agreement on the ability to make significant changes to each party's ongoing business during the pendency of the merger, could have a material adverse effect on each party's business, financial condition and results of operations.

Table of Contents

Additionally, PacWest's or CapitalSource's business may have been adversely impacted by the failure to pursue other beneficial opportunities due to the focus of management on the merger, without realizing any of the anticipated benefits of completing the merger, and the market price of PacWest common stock or CapitalSource common stock might decline to the extent that the current market price reflects a market assumption that the merger will be completed. If the merger agreement is terminated and a party's board of directors seeks another merger or business combination, such party's stockholders cannot be certain that such party will be able to find a party willing to engage in a transaction on more attractive terms than the merger.

PacWest and CapitalSource will be subject to business uncertainties and contractual restrictions while the merger is pending.

Uncertainty about the effect of the merger on employees, customers, suppliers and vendors may have an adverse effect on the business, financial condition and results of operations of CapitalSource and PacWest. These uncertainties may impair PacWest's or CapitalSource's ability to attract, retain and motivate key personnel, depositors and borrowers pending the consummation of the merger, as such personnel, depositors and borrowers may experience uncertainty about their future roles following the consummation of the merger. Additionally, these uncertainties could cause customers (including depositors and borrowers), suppliers, vendors and others who deal with us to seek to change existing business relationships with us or fail to extend an existing relationship with us. In addition, competitors may target each party's existing customers by highlighting potential uncertainties and integration difficulties that may result from the merger.

PacWest and CapitalSource have a small number of key personnel. The pursuit of the merger and the preparation for the integration may place a burden on each company's management and internal resources. Any significant diversion of management attention away from ongoing business concerns and any difficulties encountered in the transition and integration process could have a material adverse effect on each company's business, financial condition and results of operations.

In addition, the merger agreement restricts each party from taking certain actions without the other party's consent while the merger is pending. These restrictions may, among other matters, prevent such party from pursuing otherwise attractive business opportunities, selling assets, incurring indebtedness, engaging in significant capital expenditures in excess of certain limits set forth in the merger agreement, entering into other transactions or making other changes to such party's business prior to consummation of the merger or termination of the merger agreement. These restrictions could have a material adverse effect on each party's business, financial condition and results of operations. Please see the section entitled "The Merger Agreement Conduct of Business Prior to the Completion of the Merger" beginning on page 112 for a description of the restrictive covenants applicable to CapitalSource and PacWest.

CapitalSource directors and officers may have interests in the merger different from the interests of other CapitalSource stockholders.

CapitalSource's executive officers and directors have interests in the merger that are different from, or in addition to, the interests of CapitalSource's stockholders generally. Such interests include the rights to accelerated vesting of equity awards, payments in connection with the termination of employment agreements with certain executive officers, and the right to indemnification and insurance coverage following the consummation of the merger. In addition, pursuant to the merger agreement, the board of directors of the combined company will consist of 13 members, five of whom will be designated by CapitalSource, each of whom will be mutually agreeable to PacWest and CapitalSource. At the effective time, Douglas (Tad) Lowrey, current chief executive officer and chairman of CapitalSource Bank, will be the chairman of the board of directors of the surviving bank in the bank

merger. These interests are described in more detail under the section entitled "The Merger Interests of CapitalSource Directors and Executive Officers in the Merger" beginning on page 91.

PacWest directors and officers may have interests in the merger different from the interests of other PacWest stockholders.

The interests of some of the directors and executive officers of PacWest may be different from those of other PacWest stockholders, and directors and officers of PacWest may be participants in arrangements that are different from, or are in addition to, those of other PacWest stockholders. After the consummation of the merger, PacWest's executive officers will be eligible, upon a qualifying termination of employment, to receive increased severance payments under the Executive Severance Pay Plan. In addition, each of PacWest's executive officers and directors hold equity awards, which will become fully vested upon the consummation of the merger. The merger agreement also provides that eight of 13 initial directors of the combined company will be designated by PacWest and that Matthew P. Wagner, the current chief executive officer of PacWest, and John M. Eggemeyer III, the current chairman of the board of directors of PacWest, will become, respectively, the chief executive officer and chairman the board of directors of the combined company at the effective time. These interests are described in more detail under the section entitled "The Merger Interests of PacWest Directors and Executive Officers in the Merger" beginning on page 88.

In addition, PacWest's chairman of the board of directors, John M. Eggemeyer III, who will become chairman of the board of directors of the combined company at the effective time, is chief executive officer of Castle Creek Financial, LLC. Pursuant to an agreement, dated May 18, 2011, PacWest retained Castle Creek Financial as its financial advisor, and pursuant to the terms of that contract, PacWest will pay Castle Creek Financial a fee upon the consummation of the merger. Castle Creek Financial performed various customary financial advisory services for PacWest in connection with entering into the merger agreement, including assisting PacWest in structuring the financial aspects of the transaction, financial modeling and statistical analysis and assistance in negotiation of the financial terms of the merger agreement. In the event of an acquisition of a financial institution by PacWest for greater than \$20 million, the contract under which Castle Creek Financial performs these services provides for a fee of \$200,000 plus 0.65% of the amount of the transaction value in excess of \$20 million, subject to reduction for certain expenses. Castle Creek Financial is also entitled to reimbursement of its reasonable expenses incurred on behalf of PacWest. Pursuant to the engagement letter and further discussions between the parties, the fee payable by PacWest to Castle Creek Financial has been reduced to \$9 million, which will be paid at the closing of the merger. These interests are described in more detail under the section entitled "The Merger Interests of PacWest Directors and Executive Officers in the Merger" beginning on page 88.

Shares of PacWest common stock to be received by CapitalSource stockholders as a result of the merger will have rights different from the shares of CapitalSource common stock.

Upon completion of the merger, the rights of former CapitalSource stockholders will be governed by the certificate of incorporation and bylaws of PacWest. The rights associated with CapitalSource common stock are different from the rights associated with PacWest common stock, although both companies are organized under Delaware law. Please see the section entitled "Comparison of Stockholders' Rights" beginning on page 143 for a discussion of the different rights associated with PacWest common stock.

The merger agreement contains provisions that may discourage other companies from trying to acquire each party.

The merger agreement contains provisions that may discourage a third party from submitting a business combination proposal to CapitalSource or PacWest that might result in greater value to

Table of Contents

CapitalSource's or PacWest's stockholders than the merger. These provisions include a general prohibition on each party from soliciting, or, subject to certain exceptions, entering into discussions with any third party regarding any acquisition proposal or offers for competing transactions. The members of the board of directors of each party, as well as Douglas (Tad) Lowrey, chief executive officer and chairman of CapitalSource Bank, have entered into voting agreements and have agreed to vote their shares of CapitalSource common stock and PacWest common stock, as applicable, in favor of the merger agreement and certain related matters and against alternative transactions. The stockholders that are party to the CapitalSource voting agreements and the PacWest voting agreements own in the aggregate approximately 0.64% of the outstanding shares of CapitalSource common stock and 2.4% of the outstanding shares of PacWest common stock entitled to vote as of the applicable record date. For further information, please see the sections entitled "The Merger Agreement Voting Agreements" beginning on page 124. Each party also has an unqualified obligation to submit their respective merger proposals to a vote by such party's stockholders, even if the party receives a proposal that its board of directors believes is superior to the merger. The existence of the reciprocal stock option agreements may also discourage a third party from submitting a business combination proposal to either party. Under certain circumstances, termination of the merger agreement may result in a party exercising its rights under its stock option agreement. PacWest's total realizable value under the option it has been granted is subject to a cap of \$112,000,000 and CapitalSource's total realizable value under the option it has been granted is subject to a cap of \$72,000,000. For further information, please see the sections entitled "The Merger Agreement Reciprocal Stock Option Agreements" beginning on page 125.

Combining the two companies may be more difficult, costly or time consuming than expected and the anticipated benefits and cost savings of the merger may not be realized.

PacWest and CapitalSource have operated and, until the completion of the merger, will continue to operate, independently. The success of the merger, including anticipated benefits and cost savings, will depend, in part, on the successful combination of the businesses of PacWest and CapitalSource. To realize these anticipated benefits and cost savings, after the completion of the merger, PacWest expects to integrate CapitalSource's business into its own. It is possible that the integration process could result in the loss of key employees, the disruption of each company's ongoing businesses or inconsistencies in standards, controls, procedures and policies that adversely affect the combined company's ability to maintain relationships with clients, customers, depositors and employees or to achieve the anticipated benefits and cost savings of the merger. The loss of key employees could have an adverse effect on the companies' financial results and the value of their common stock. If PacWest experiences difficulties with the integration process, the anticipated benefits of the merger may not be realized fully or at all, or may take longer to realize than expected.

The combined company expects to incur substantial expenses related to the merger.

The combined company expects to incur substantial expenses in connection with consummation of the merger and combining the business, operations, networks, systems, technologies, policies and procedures of the two companies. Although PacWest and CapitalSource have assumed that a certain level of transaction and combination expenses would be incurred, there are a number of factors beyond their control that could affect the total amount or the timing of their combination expenses. Many of the expenses that will be incurred, by their nature, are difficult to estimate accurately at the present time. Due to these factors, the transaction and combination expenses associated with the merger could, particularly in the near term, exceed the savings that the combined company expects to achieve from the elimination of duplicative expenses and the realization of economies of scale and cost savings related to the combination of the businesses following the consummation of the merger. As a result of these expenses, both PacWest and CapitalSource expect to take charges against their earnings before and after the completion of the merger. The charges taken in connection with the merger are expected to be significant, although the aggregate amount and timing of such charges are uncertain at present.

Table of Contents

The merger will result in changes to the board of directors of the combined company.

Upon completion of the merger, the composition of the board of directors of the combined company will be different than the current boards of PacWest and CapitalSource. The PacWest board of directors currently consists of 15 directors and the CapitalSource board of directors currently consists of eight directors. Upon the completion of the merger, the board of directors of the combined company will consist of 13 members, eight of whom will be designated by PacWest, and five of whom will be designated by CapitalSource, each of whom will be mutually agreeable to PacWest and CapitalSource. This new composition of the board of directors of the combined company may affect the future decisions of the combined company.

In connection with the announcement of the merger agreement, 11 lawsuits have been filed and are pending, seeking, among other things, to enjoin the merger, and an adverse judgment in this lawsuit may prevent the merger from becoming effective within the expected time frame (if at all).

Since July 24, 2013, 11 putative stockholder class action lawsuits, referred to as the merger litigations, were filed against CapitalSource, PacWest and certain other defendants in connection with the merger agreement. Five of the 11 actions were filed in Superior Court of California, Los Angeles County: (1) *Engel v. CapitalSource Inc. et al.*, Case No. BC516267, filed on July 24, 2013; (2) *Miller v. Fremder et al.*, Case No. BC516590, filed on July 29, 2013; (3) *Basu v. CapitalSource Inc. et al.*, Case No. BC516775, filed on July 31, 2013; (4) *Holliday v. PacWest Bancorp et al.*, Case No. BC517209, filed on August 5, 2013; and (5) *Iron Workers Mid-South Pension Fund v. CapitalSource Inc. et al.*, Case No. BC517698, filed on August 8, 2013, referred to as the California actions. The other six actions were filed in the Court of Chancery of the State of Delaware: (1) *Fosket v. Byrnes et al.*, Case No. 8765, filed on August 1, 2013; (2) *Bennett v. CapitalSource Inc. et al.*, Case No. 8770, filed on August 2, 2013; (3) *Chalfant v. CapitalSource et al.*, Case No. 8777, filed on August 6, 2013; (4) *Oliveira v. CapitalSource Inc. et al.*, Case No. 8779, filed on August 7, 2013; (5) *Desai v. CapitalSource Inc. et al.*, Case No. 8804, filed on August 13, 2013; and (6) *Fattore v. CapitalSource Inc. et al.*, Case No. 8927, filed on September 19, 2013, referred to as the Delaware actions.

The merger litigations allege variously that the members of the CapitalSource board of directors breached its fiduciary duties to CapitalSource stockholders by approving the proposed merger for inadequate consideration; approving the transaction in order to obtain benefits not equally shared by other CapitalSource stockholders; entering into the merger agreement containing preclusive deal protection devices; failing to take steps to maximize the value to be paid to the CapitalSource stockholders; and failing to disclose material information regarding the proposed transaction. Each of the merger litigations also alleges claims against CapitalSource and PacWest for aiding and abetting these alleged breaches of fiduciary duties. Plaintiffs generally seek, among other things, declaratory and injunctive relief concerning the alleged breaches of fiduciary duties, injunctive relief prohibiting consummation of the merger, rescission, an accounting by defendants, damages and attorneys' fees and costs, and other and further relief. At this stage, it is not possible to predict the outcome of the proceedings or their impact on CapitalSource or PacWest. If the plaintiffs are successful in enjoining the consummation of the merger, the lawsuit may prevent the merger from becoming effective within the expected timeframe (or at all).

adjustments, which are based upon preliminary estimates, to record the CapitalSource identifiable tangible and intangible assets acquired and liabilities assumed at fair value and the resulting goodwill recognized. The purchase price allocation reflected in this document is preliminary and final allocation of the purchase price will be based upon the actual purchase price and the fair value of the assets and liabilities of CapitalSource as of the date of the completion of the merger. Accordingly, the final acquisition accounting adjustments may differ materially from the pro forma adjustments reflected in this document. For more information, please see the section entitled "Unaudited Pro Forma Combined Condensed Consolidated Financial Statements" beginning on page 134.

If the merger is consummated, the combined company will be subject to substantial additional regulation.

If the merger is consummated, the combined company will be subject to substantial additional regulation. Areas of additional regulation will include, but not be limited to, more sophisticated stress testing, additional capital requirements, including the phase out of PacWest's trust preferred securities as Tier 1 capital that otherwise would have been grandfathered, enhanced governance standards, including those relating to risk management, higher FDIC deposit insurance assessments and direct oversight and examination by the Consumer Financial Protection Bureau. These additional regulatory requirements could divert management's attention away from ongoing business concerns, place a burden on internal resources, impose additional costs or limitations on the combined company and affect profitability.

Following the merger and related transactions, the combined company will have a large number of authorized but unissued shares.

Following the merger and related transactions, including the amendment to the PacWest certificate of incorporation described herein, based on the shares of CapitalSource common stock, the in-the-money CapitalSource options, the CapitalSource RSUs, the CapitalSource restricted shares and the CapitalSource deferred units currently outstanding, the combined company will have approximately 103,348,187 shares outstanding, leaving approximately 96,651,813 authorized but unissued shares. The combined company will be able to issue these shares without stockholder approval, unless stockholder approval is required by applicable law or stock exchange rules. Issuing additional shares may dilute the interest of existing stockholders and cause the market price of the combined company's common stock to decline. In addition, management of the combined company could use these authorized but unissued shares to make more difficult, and thereby discourage, an attempt to acquire control of the combined company, even though stockholders might deem such an acquisition desirable. To the extent that it would impede or prevent any takeover actions, the issuance of these additional shares could potentially serve to perpetuate incumbent management.

The opinions of CapitalSource's and PacWest's financial advisors will not reflect changes in circumstances between the dates of the opinions and the completion of the merger.

Each of the CapitalSource and PacWest board of directors received an opinion from its respective financial advisor on July 22, 2013 to address the fairness of the merger consideration from a financial point of view as of that date. Subsequent changes in the operations and prospects of CapitalSource or PacWest, general market and economic conditions and other factors that may be beyond the control of CapitalSource or PacWest, and on which CapitalSource's and PacWest's financial advisors' opinions were based, may significantly alter the value of CapitalSource or PacWest or the prices of the shares of PacWest common stock or CapitalSource common stock by the time the merger is completed. Because CapitalSource and PacWest do not anticipate asking their respective financial advisors to update their opinions, the opinions will not address the fairness of the merger consideration from a financial point of view at the time the merger is completed or as of any other date other than the date of such opinions. For a description of the opinions that PacWest and CapitalSource received from their

Table of Contents

respective financial advisors, please refer to the sections entitled "The Merger Opinion of CapitalSource's Financial Advisor" beginning on page 66 and "The Merger Opinion of PacWest's Financial Advisor" beginning on page 79.

The combined company may not be able to realize PacWest's and CapitalSource's deferred income tax assets.

CapitalSource has substantial operating losses for federal and state income tax purposes that can generally be utilized to offset future taxable income of CapitalSource, and, under certain circumstances, the combined company after the consummation of the merger.

If CapitalSource or the combined company were to undergo a change in ownership of more than 50% of its capital stock over a three-year period as measured under Section 382 of the Internal Revenue Code, the ability to utilize such net operating loss carryforwards and other tax attributes to offset future taxable income would be substantially limited. The annual limit would generally equal the product of the applicable long term tax exempt rate and the value of the relevant entity's capital stock immediately before the ownership change. These change of ownership rules generally focus on ownership changes involving stockholders owning directly or indirectly 5% or more of a company's outstanding stock, including certain public groups of stockholders as set forth under Section 382, and those arising from new stock issuances and other equity transactions. The determination of whether an ownership change occurs is complex and not entirely within CapitalSource's or the combined company's control.

To preserve CapitalSource's ability to utilize its net operating losses, CapitalSource has adopted a tax benefit preservation plan, which is triggered upon certain transfers of CapitalSource securities. The combined company plans to adopt a substantially similar tax benefit preservation plan upon consummation of the merger. The tax benefit preservation plan is generally designed to deter direct and indirect acquisitions of common stock if such acquisition would result in a stockholder becoming a "5-percent shareholder" (as defined by Section 382 and the related Treasury regulations) or increase the percentage ownership of common stock that is treated as owned by an existing 5-percent shareholder. CapitalSource's and the combined company's ability to utilize NOLs to offset its future taxable income would be limited if CapitalSource or the combined company were to undergo an "ownership change" within the meaning of Section 382 of the Internal Revenue Code.

Although the tax benefit preservation plans are intended to reduce the likelihood of an ownership change that could adversely affect CapitalSource or the combined company, there can be no assurance that such restrictions would prevent all transfers that could result in such an ownership change and thus no assurance can be given as to whether CapitalSource or the combined company could utilize the net operating losses to offset future taxable income. Additionally, because the tax benefit preservation plans may have the effect of restricting a stockholder's ability to dispose of or acquire the common stock of CapitalSource or the combined company, the liquidity and market value of common stock might suffer. See "The Merger Tax Benefit Preservation Plan" beginning on page 102.

On or about December 11, 2013, CapitalSource commenced mailing this document and the enclosed form of proxy to its stockholders entitled to vote at the CapitalSource special meeting.

Purpose of CapitalSource Special Meeting

At the CapitalSource special meeting, CapitalSource stockholders will be asked to:

adopt the merger agreement, a copy of which is attached as Appendix A to this document, referred to as the CapitalSource merger proposal;

approve, on an advisory (non-binding) basis, specified compensation that may become payable to the named executive officers of CapitalSource in connection with the merger, referred to as the CapitalSource advisory (non-binding) proposal on specified compensation;

transact such other business as may properly come before the meeting or any adjournment thereof.

Recommendation of the CapitalSource Board of Directors

The CapitalSource board of directors recommends that you vote "FOR" the CapitalSource merger proposal, "FOR" the CapitalSource advisory (non-binding) proposal on specified compensation and "FOR" the CapitalSource adjournment proposal (if necessary or appropriate). Please see the section entitled "The Merger Recommendation of the CapitalSource Board of Directors and Reasons for the Merger" beginning on page 64.

Each of the directors of CapitalSource and the chairman of CapitalSource Bank, a wholly owned subsidiary of CapitalSource, has entered into a voting agreement with PacWest, pursuant to which they have agreed to vote in favor of the CapitalSource merger proposal and any other matter required to be approved by the stockholders of CapitalSource to facilitate the transactions contemplated by the merger agreement. For more information regarding the voting agreements, please see the section entitled "The Merger Agreement Voting Agreements" beginning on page 124.

CapitalSource Record Date and Quorum

The CapitalSource board of directors has fixed the close of business on December 4, 2013 as the record date for determining the holders of CapitalSource common stock entitled to receive notice of and to vote at the CapitalSource special meeting.

As of the CapitalSource record date, there were 196,911,167 shares of CapitalSource common stock outstanding and entitled to vote at the CapitalSource special meeting held by 389 holders of record. Each share of CapitalSource common stock entitles the holder to one vote at the CapitalSource special meeting on each proposal to be considered at the CapitalSource special meeting.

Edgar Filing: PACWEST BANCORP - Form 424B3

The representation of holders of at least a majority of the votes entitled to be cast on the matters to be voted on at the CapitalSource special meeting constitutes a quorum for transacting business at the CapitalSource special meeting. All shares of CapitalSource common stock, whether present in person or represented by proxy, including abstentions and broker non-votes, will be treated as present

Table of Contents

for purposes of determining the presence or absence of a quorum for all matters voted on at the CapitalSource special meeting.

As of the record date, directors and executive officers of CapitalSource owned and were entitled to vote 2,192,404 shares of CapitalSource common stock, representing approximately 1.11% of the shares of CapitalSource common stock outstanding on that date. CapitalSource currently expects that CapitalSource's directors and executive officers will vote their shares in favor of each of the CapitalSource proposals. As of the record date, PacWest beneficially held no shares of CapitalSource common stock.

Required Vote

The affirmative vote of a majority of the outstanding shares of CapitalSource common stock entitled to vote is required to adopt the CapitalSource merger proposal.

The affirmative vote of a majority of the shares of CapitalSource common stock represented in person or by proxy at the CapitalSource special meeting and entitled to vote on the proposal is required to approve each of the CapitalSource advisory (non-binding) proposal on specified compensation and the CapitalSource adjournment proposal.

Treatment of Abstentions; Failure to Vote

For purposes of the CapitalSource special meeting, an abstention occurs when a CapitalSource stockholder attends the CapitalSource special meeting, either in person or represented by proxy, but abstains from voting.

For the CapitalSource merger proposal, if a CapitalSource stockholder present in person at the CapitalSource special meeting abstains from voting, or responds by proxy with an "abstain" vote, it will have the same effect as a vote cast "**AGAINST**" this proposal. If a CapitalSource stockholder is not present in person at the CapitalSource special meeting and does not respond by proxy, it will have the same effect as a vote cast "**AGAINST**" this proposal.

For the CapitalSource advisory (non-binding) proposal on specified compensation and the CapitalSource adjournment proposal, if a CapitalSource stockholder present in person at the CapitalSource special meeting abstains from voting, or responds by proxy with an "abstain" vote, it will have the same effect as a vote cast "**AGAINST**" these proposals. If a CapitalSource stockholder is not present in person at the CapitalSource special meeting and does not respond by proxy, it will have no effect on the vote count for each such proposal.

Voting on Proxies; Incomplete Proxies

Giving a proxy means that a CapitalSource stockholder authorizes the persons named in the enclosed proxy card to vote such holder's shares at the CapitalSource special meeting in the manner such holder directs. A CapitalSource stockholder may vote by proxy or in person at the CapitalSource special meeting. If you hold your shares of CapitalSource common stock in your name as a stockholder of record, to submit a proxy, you, as a CapitalSource stockholder, may use one of the following methods:

By telephone: Use any touch-tone telephone to vote your proxy 24 hours a day, 7 days a week. Have your proxy card handy when you call. You will be prompted to enter your control number(s), which is located on your proxy card, and then follow the directions given.

Through the Internet: Use the Internet to vote your proxy 24 hours a day, 7 days a week. Have your proxy card handy when you access the website. You will be prompted to enter your control number(s), which is located on your proxy card, to create and submit an electronic ballot.

By mail: Complete and return the proxy card in the enclosed envelope. The envelope requires no additional postage if mailed in the United States.

CapitalSource requests that CapitalSource stockholders vote by telephone, over the Internet or by completing and signing the accompanying proxy and returning it to CapitalSource as soon as possible in the enclosed postage-paid envelope. When the accompanying proxy is returned properly executed, the shares of CapitalSource stock represented by it will be voted at the CapitalSource special meeting in accordance with the instructions contained on the proxy card.

If any proxy is returned without indication as to how to vote, the shares of CapitalSource common stock represented by the proxy will be voted as recommended by the CapitalSource board of directors. Unless a CapitalSource stockholder checks the box on its proxy card to withhold discretionary authority, the proxyholders may use their discretion to vote on any other matters voted upon at the CapitalSource special meeting.

If a CapitalSource stockholder's shares are held in "street name" by a broker, bank or other nominee, the stockholder should check the voting form used by that firm to determine whether it may vote by telephone or the Internet.

Every CapitalSource stockholder's vote is important. Accordingly, each CapitalSource stockholder should sign, date and return the enclosed proxy card, or vote via the Internet or by telephone, whether or not the CapitalSource stockholder plans to attend the CapitalSource special meeting in person.

Shares Held in Street Name

If you are a CapitalSource stockholder and your shares are held in "street name" through a bank, broker or other holder of record, you must provide the record holder of your shares with instructions on how to vote your shares. Please follow the voting instructions provided by the bank or broker. You may not vote shares held in street name by returning a proxy card directly to CapitalSource or by voting in person at the CapitalSource special meeting unless you provide a "legal proxy," which you must obtain from your broker, bank or other nominee. Further, brokers, banks or other nominees who hold shares of CapitalSource common stock on behalf of their customers may not give a proxy to CapitalSource to vote those shares with respect to any of the proposals without specific instructions from their customers, as brokers, banks and other nominees do not have discretionary voting power on these matters. Therefore, if you are a CapitalSource stockholder and you do not instruct your broker, bank or other nominee on how to vote your shares:

your broker, bank or other nominee may not vote your shares on the CapitalSource merger proposal, which broker non-votes will have the same effect as a vote "**AGAINST**" this proposal; and

your broker, bank or other nominee may not vote your shares on the CapitalSource advisory (non-binding) proposal on specified compensation or the CapitalSource adjournment proposal, which broker non-votes will have no effect on the vote count for these proposals.

Revocability of Proxies and Changes to a CapitalSource Stockholder's Vote

A CapitalSource stockholder has the power to change its vote at any time before its shares of CapitalSource common stock are voted at the CapitalSource special meeting by:

sending a notice of revocation to CapitalSource's corporate secretary at 5404 Wisconsin Avenue, 2nd Floor, Chevy Chase, Maryland 20815, stating that you would like to revoke your proxy;

logging onto the Internet website specified on your proxy card in the same manner you would to submit your proxy electronically or by calling the telephone number specified on your proxy card, in each case if you are eligible to do so and following the instructions on the proxy card;

Table of Contents

sending a completed proxy card bearing a later date than your original proxy card; or

attending the CapitalSource special meeting and voting in person.

If you choose any of the first three methods, you must take the described action no later than the beginning of the CapitalSource special meeting. If you choose to send a completed proxy card bearing a later date than your original proxy card or a notice of revocation, the new proxy card or notice of revocation must be received before the beginning of the CapitalSource special meeting. If you have instructed a bank, broker or other nominee to vote your shares of CapitalSource common stock, you must follow the directions you receive from your bank, broker or other nominee in order to change or revoke your vote.

Solicitation of Proxies

The cost of solicitation of proxies from CapitalSource stockholders will be borne by CapitalSource. CapitalSource will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of common stock. In addition to solicitations by mail, CapitalSource's directors, officers and regular employees may solicit proxies personally or by telephone without additional compensation. CapitalSource has also engaged Georgeson Inc., a proxy soliciting firm, to assist in the solicitation of proxies for a fee of \$18,500 plus expenses.

Attending the CapitalSource Special Meeting

Subject to space availability, all CapitalSource stockholders as of the record date, or their duly appointed proxies, may attend the CapitalSource special meeting. Since seating is limited, admission to the CapitalSource special meeting will be on a first-come, first-served basis. Registration and seating will begin at 7:30 AM, Pacific time.

If you hold your shares of CapitalSource common stock in your name as a stockholder of record and you wish to attend the CapitalSource special meeting, please bring your proxy and evidence of your stock ownership, such as your most recent account statement, to the CapitalSource special meeting. You must also bring valid picture identification.

If your shares of CapitalSource common stock are held in "street name" in a stock brokerage account or by a bank or nominee and you wish to attend the CapitalSource special meeting, you need to bring a copy of a bank or brokerage statement to the CapitalSource special meeting reflecting your stock ownership as of the record date. You must also bring valid picture identification.

CAPITALSOURCE PROPOSALS

CapitalSource Merger Proposal

As discussed throughout this document, CapitalSource is asking its stockholders to approve the CapitalSource merger proposal. Holders of CapitalSource common stock should read carefully this document in its entirety, including the appendices, for more detailed information concerning the merger agreement and the merger. In particular, holders of CapitalSource common stock are directed to the merger agreement, a copy of which is attached as Appendix A to this document.

The CapitalSource board of directors recommends a vote "FOR" the CapitalSource merger proposal.

CapitalSource Advisory (Non-Binding) Proposal on Specified Compensation

In accordance with Section 14A of the Securities Exchange Act of 1934, as amended, referred to as the Exchange Act, CapitalSource is providing its stockholders with the opportunity to cast an advisory (non-binding) vote on the compensation that may be payable to its named executive officers in connection with the merger, the value of which is set forth in the table included in the section of this document entitled "The Merger Merger-Related Compensation for CapitalSource's Named Executive Officers" beginning on page 96. As required by Section 14A of the Exchange Act, CapitalSource is asking its stockholders to vote on the adoption of the following resolution:

"RESOLVED, that the compensation that may be paid or become payable to CapitalSource's named executive officers in connection with the merger, as disclosed in the table in the section of the joint proxy statement/prospectus statement entitled 'Interests of CapitalSource's Directors and Executive Officers in the Merger Quantification of Payments and Benefits to CapitalSource's Named Executive Officers,' including the associated narrative discussion, are hereby APPROVED."

The vote on executive compensation payable in connection with the merger is a vote separate and apart from the vote to approve the merger. Accordingly, a stockholder may vote to approve the executive compensation and vote not to approve the merger and vice versa. Because the vote is advisory in nature only, it will not be binding on either CapitalSource or PacWest. Accordingly, because CapitalSource is contractually obligated to pay the compensation, the compensation will be payable, subject only to the conditions applicable thereto, if the merger is approved and regardless of the outcome of the advisory vote.

The CapitalSource board of directors recommends a vote "FOR" the CapitalSource advisory (non-binding) proposal on specified compensation.

CapitalSource Adjournment Proposal

The CapitalSource special meeting may be adjourned to another time or place, if necessary or appropriate, to permit, among other things, the solicitation of additional proxies if there are insufficient votes at the time of the CapitalSource special meeting to approve the CapitalSource merger proposal.

If, at the CapitalSource special meeting, the number of shares of CapitalSource common stock present or represented and voting in favor of the CapitalSource merger proposal is insufficient to approve the CapitalSource merger proposal, CapitalSource intends to move to adjourn the CapitalSource special meeting in order to enable the CapitalSource board of directors to solicit additional proxies for approval of the merger. In that event, CapitalSource will ask its stockholders to vote only upon the CapitalSource adjournment proposal, and not the CapitalSource merger proposal or the CapitalSource advisory (non-binding) proposal on specified compensation.

In the CapitalSource adjournment proposal, CapitalSource is asking its stockholders to authorize the holder of any proxy solicited by the CapitalSource board of directors to vote in favor of granting

Table of Contents

discretionary authority to the proxy holders to adjourn the CapitalSource special meeting to another time and place for the purpose of soliciting additional proxies. If the CapitalSource stockholders approve the CapitalSource adjournment proposal, CapitalSource could adjourn the CapitalSource special meeting and use the additional time to solicit additional proxies, including the solicitation of proxies from CapitalSource stockholders who have previously voted.

The CapitalSource board of directors recommends a vote "FOR" the CapitalSource adjournment proposal.

Other Matters to Come Before the CapitalSource Special Meeting

No other matters are intended to be brought before the CapitalSource special meeting by CapitalSource, and CapitalSource does not know of any matters to be brought before the CapitalSource special meeting by others. If, however, any other matters properly come before the CapitalSource special meeting, the persons named in the proxy will vote the shares represented thereby in accordance with their best judgment on any such matter.

PacWest Record Date and Quorum

The PacWest board of directors has fixed the close of business on December 4, 2013 as the record date for determining the holders of PacWest common stock entitled to receive notice of and to vote at the PacWest special meeting.

The representation of holders of at least a majority of the votes entitled to be cast on the matters to be voted on at the PacWest special meeting constitutes a quorum for transacting business at the PacWest special meeting. All shares of PacWest common stock, whether present in person or represented by proxy, including abstentions and broker non-votes, will be treated as present for purposes of determining the presence or absence of a quorum for all matters voted on at the PacWest special meeting.

PacWest currently expects that PacWest's directors and executive officers will vote their shares in favor of each of the PacWest proposals. As of the record date, CapitalSource beneficially held no shares of PacWest common stock.

Required Vote

The affirmative vote of a majority of the outstanding shares of PacWest common stock represented in person or by proxy is required to adopt the PacWest merger proposal and the PacWest certificate of incorporation amendment proposal.

PACWEST PROPOSALS

PacWest Merger Proposal

As discussed throughout this document, PacWest is asking its stockholders to approve the PacWest merger proposal. It is a condition to completion of the merger that PacWest stockholders adopt the merger agreement. Holders of PacWest common stock should read carefully this document in its entirety, including the appendices, for more detailed information concerning the merger agreement and the merger. In particular, holders of PacWest common stock are directed to the merger agreement, a copy of which is attached as Appendix A to this document.

The PacWest board of directors recommends a vote "FOR" the PacWest merger proposal.

PacWest Certificate of Incorporation Amendment Proposal

PacWest's certificate of incorporation provides that the total number of shares of common stock, par value \$0.01 per share, which PacWest shall have the authority to issue is 75 million. PacWest's board of directors adopted a resolution setting forth an amendment to the PacWest certificate of incorporation and declared its advisability to stockholders that stockholders approve such amendment to Article IV of PacWest's certificate of incorporation in order to increase the authorized number of shares of PacWest common stock from 75 million shares to 200 million shares.

It is a condition to completion of the merger that PacWest stockholders approve the PacWest certificate of incorporation amendment proposal to increase the number of shares of common stock that PacWest is authorized to issue from 75 million shares to 200 million shares. As of the record date, there were 46,078,152 shares of PacWest common stock issued and outstanding, 9,200,000 shares of PacWest common stock reserved for issuance under the PacWest stock option agreement and 1,433,647 shares of PacWest common stock reserved for issuance under the PacWest stock plan, leaving 18,288,201 shares available to be issued. Based on the number of shares of CapitalSource common stock, CapitalSource stock options, CapitalSource RSUs, shares of CapitalSource restricted stock and CapitalSource deferred units currently outstanding, approximately 57,270,035 shares of PacWest common stock are currently expected to be issued in the merger.

The additional 125 million shares authorized would be a part of the existing class of common stock and, if and when issued, would have the same rights and privileges as the shares of common stock presently issued and outstanding. Holders of PacWest common stock do not have preemptive rights to acquire additional shares of PacWest common stock. Accordingly, following the merger, the combined company will have approximately 96,651,813 authorized but unissued shares.

As noted above, approval of the PacWest certificate of incorporation amendment proposal is a condition to completion of the merger. In addition, PacWest's board of directors believes that the increased number of authorized shares of common stock contemplated by the proposed amendment is important to the combined company in order that additional shares be available for issuance from time to time, without further action or authorization by the stockholders (except as required by law), if needed for such corporate purposes as may be determined by the board of directors. Such corporate purposes might include the acquisition of other businesses in exchange for shares of PacWest's common stock; facilitating broader ownership of PacWest's common stock by effecting stock splits or issuing a stock dividend; flexibility for possible future financings; and attracting and retaining valuable employees and directors by the issuance of additional stock-based awards. The board of directors considers the authorization of additional shares advisable to ensure prompt availability of shares for issuance should the occasion arise. Other than the shares to be issued in connection with the merger, PacWest has no immediate plans, nor are there any existing or proposed agreements or understandings, to issue any of the additional shares of common stock other than pursuant to the PacWest stock plan.

The PacWest board of directors recommends a vote "FOR" the PacWest certificate of incorporation amendment proposal.

Table of Contents

PacWest Stock Issuance Proposal

It is a condition to completion of the merger that PacWest stockholders approve the issuance of shares of PacWest common stock in the merger. In the merger, each CapitalSource stockholder will receive, for each share of CapitalSource common stock, \$2.47 in cash and 0.2837 of a share of PacWest common stock.

Under NASDAQ rules, a company is required to obtain stockholder approval prior to the issuance of securities if the number of shares of common stock to be issued is, or will be upon issuance, equal to or in excess of 20% of the number of shares of common stock outstanding before the issuance of the common stock or of securities convertible into or exercisable for common stock. If the merger is completed pursuant to the merger agreement, PacWest currently expects to issue approximately 57,270,546 shares of PacWest common stock in connection with the merger, based on the number of shares of CapitalSource common stock, CapitalSource stock options, CapitalSource RSUs, shares of CapitalSource restricted stock and CapitalSource deferred units currently outstanding. Accordingly, the aggregate number of shares of PacWest common stock that PacWest will issue in the merger will exceed 20% of the shares of PacWest common stock outstanding before such issuance, and for this reason, PacWest is seeking the approval of PacWest stockholders for the issuance of shares of PacWest common stock pursuant to the merger agreement.

In the event this proposal is not approved by PacWest stockholders, the merger cannot be consummated. In the event this proposal is approved by PacWest stockholders, but the merger agreement is terminated (without the merger being completed) prior to the issuance of shares of PacWest common stock pursuant to the merger agreement, PacWest will not issue the shares of PacWest common stock.

The PacWest board of directors recommends a vote "FOR" the PacWest stock issuance proposal.

PacWest Stock Plan Amendment Proposal

The PacWest board of directors has approved, subject to the approval of its stockholders, an amendment to the PacWest 2003 Stock Incentive Plan to increase the aggregate number of shares of PacWest common stock available for issuance under the plan from 6.5 million shares to a total of 9 million shares, subject to consummation of the merger, and to extend the expiration date of the plan from May 31, 2017 to May 31, 2019; the PacWest board of directors also requests that its stockholders re-approve the business criteria listed under the plan on which performance goals may be based for awards under the plan that are intended to satisfy the "performance-based compensation" exception to the deductibility limit under Section 162(m) of the Internal Revenue Code.

Currently, the plan authorizes the granting of common stock-based awards in the form of time-based and performance-based restricted stock grants, stock appreciation rights and options to purchase up to 6.5 million shares of PacWest common stock. The stock plan amendment proposal is necessary to permit PacWest to continue to provide incentives and rewards to its employees and directors, to attract and retain such persons on a competitive basis and to associate the interests of such persons with those of PacWest and its subsidiaries. PacWest is a services business, and has historically issued equity incentives as a key element to attract, motivate and retain its employees.

In 2003, PacWest discontinued the practice of granting stock options and currently grants time-based and performance-based restricted stock as forms of equity compensation. As of the PacWest record date, net grants of 875,000 shares of performance-based restricted stock and 886,378 shares of time-based restricted stock have been granted under the plan, with 1,433,647 shares remaining available for issuance under the plan.

The plan is an important tool for the retention and compensation of PacWest's employees and allows PacWest to compete effectively for the best banking talent. Additionally, the plan is a valuable

Table of Contents

asset in PacWest's acquisition strategy, as it allows PacWest to acquire companies with the promise of ensuring that key management of the target companies will be able to participate in the ongoing success of the combined company.

If this proposal is not approved by PacWest's stockholders, PacWest's flexibility may be limited with respect to PacWest's ability to provide incentives and rewards to its employees and directors, to attract and retain such persons on a competitive basis and to associate the interests of such persons with those of PacWest and its subsidiaries. Furthermore, failure to approve the proposal may limit the ability of PacWest to carry out its acquisition strategy effectively.

If approved by the stockholders, the PacWest stock plan amendment proposal will be effective as of the date of the special meeting, although the increase in the aggregate number of shares of PacWest common stock available for issuance under the plan will only be effective if the merger is consummated. In addition, if the merger is consummated, shares available for grant under the CapitalSource Third Amended and Restated Equity Incentive Plan will remain available for grant to employees of CapitalSource and CapitalSource Bank who remain employed with the combined company and to newly hired employees of the combined company. After adjusting such CapitalSource shares to reflect the merger, it is currently expected that there will be approximately 8,358,182 additional PacWest shares available for grant.

A description of the material provisions of the plan (as proposed to be amended) is included below under the section entitled "Summary of the PacWest 2003 Stock Incentive Plan" beginning on page 154 and the plan (as proposed to be amended) is attached as Appendix I to this document.

The PacWest board of directors recommends that PacWest stockholders vote "FOR" the PacWest stock plan amendment proposal.

PacWest Advisory (Non-Binding) Proposal on Specified Compensation

In accordance with Section 14A of the Securities Exchange Act of 1934, as amended, referred to as the Exchange Act, PacWest is providing its stockholders with the opportunity to cast an advisory (non-binding) vote on the compensation that may be payable to its named executive officers in connection with the merger, the value of which is set forth in the table included in the section of this document entitled "The Merger Merger-Related Compensation for PacWest's Named Executive Officers" beginning on page 98. As required by Section 14A of the Exchange Act, PacWest is asking its stockholders to vote on the adoption of the following resolution:

"RESOLVED, that the compensation that may be paid or become payable to PacWest's named executive officers in connection with the merger, as disclosed in the table in the section of the joint proxy statement/prospectus statement entitled 'Merger-Related Compensation for PacWest's Named Executive Officers,' including the associated narrative discussion, is hereby APPROVED."

The vote on executive compensation payable in connection with the merger is a vote separate and apart from the vote to approve the merger. Accordingly, a stockholder may vote to approve the executive compensation and vote not to approve the merger and vice versa. Because the vote is advisory in nature only, it will not be binding on either CapitalSource or PacWest. Accordingly, because PacWest is contractually obligated to pay the compensation, the compensation will be payable, subject only to the conditions applicable thereto, if the merger is approved and regardless of the outcome of the advisory vote.

The PacWest board of directors recommends a vote "FOR" the PacWest advisory (non-binding) proposal on specified compensation.

PacWest Adjournment Proposal

The PacWest special meeting may be adjourned to another time or place, if necessary or appropriate, to permit, among other things, further solicitation of proxies if necessary to obtain additional votes in favor of the PacWest merger proposal, PacWest certificate of incorporation amendment proposal, PacWest stock issuance proposal, or PacWest stock plan amendment proposal.

If, at the PacWest special meeting, the number of shares of PacWest common stock present or represented and voting in favor of the PacWest merger proposal, the PacWest certificate of incorporation amendment proposal and PacWest stock issuance proposal is insufficient to approve such proposals, PacWest intends to move to adjourn the PacWest special meeting in order to enable the PacWest board of directors to solicit additional proxies for approval of such proposals.

In the PacWest adjournment proposal, PacWest is asking its stockholders to authorize the holder of any proxy solicited by the PacWest board of directors to vote in favor of granting discretionary authority to the proxy holders, to adjourn the PacWest special meeting to another time and place for the purpose of soliciting additional proxies. If the PacWest stockholders approve the PacWest adjournment proposal, PacWest could adjourn the PacWest special meeting and any adjourned session of the PacWest special meeting and use the additional time to solicit additional proxies, including the solicitation of proxies from PacWest stockholders who have previously voted.

The PacWest board of directors recommends a vote "FOR" the PacWest adjournment proposal.

Other Matters to Come Before the PacWest Special Meeting

No other matters are intended to be brought before the PacWest special meeting by PacWest, and PacWest does not know of any matters to be brought before the PacWest special meeting by others. If any proxy is returned without indication as to how to vote, the shares of PacWest common stock represented by the proxy will be voted as recommended by the PacWest board of directors. Unless a PacWest stockholder checks the box on its proxy card to withhold discretionary authority, the proxyholders may use their discretion to vote on any other matters voted upon at the PacWest special meeting.

THE MERGER

The following is a discussion of the merger and the material terms of the merger agreement between PacWest and CapitalSource. You are urged to read carefully the merger agreement in its entirety, a copy of which is attached as Appendix A to this document and incorporated by reference herein. This summary does not purport to be complete and may not contain all of the information about the merger agreement that is important to you. This section is not intended to provide you with any factual information about PacWest or CapitalSource. Such information can be found elsewhere in this document and in the public filings PacWest and CapitalSource make with the SEC, as described in the section entitled "Where You Can Find More Information" beginning on page iii.

Terms of the Merger

Transaction Structure

PacWest's and CapitalSource's boards of directors have approved the merger agreement. The merger agreement provides for the merger of CapitalSource with and into PacWest, with PacWest continuing as the surviving corporation. Immediately after the merger, CapitalSource Bank, a bank chartered under the laws of the State of California and a wholly owned subsidiary of CapitalSource, will merge with and into Pacific Western Bank, a bank chartered under the laws of the State of California and a wholly owned subsidiary of PacWest, with Pacific Western Bank being the surviving bank. Under the terms of the merger agreement, the number of directors that will comprise the full board of directors of the combined company will be 13. Of the members of the initial board of directors of the combined company at the effective time, eight will be current directors of PacWest designated by PacWest, and five will be current directors of CapitalSource designated by CapitalSource, each of whom is mutually agreeable to the parties. The CapitalSource national lending operation will continue to do business under the name CapitalSource as a division of Pacific Western Bank.

Merger Consideration

In the merger, each share of CapitalSource common stock, par value \$0.01 per share, owned by a CapitalSource stockholder, other than treasury shares and dissenting shares, will be converted into the right to receive \$2.47 in cash and 0.2837 of a share of PacWest common stock, par value \$0.01 per share. For each fractional share that would otherwise be issued, PacWest will pay cash in an amount equal to the fraction of a share of PacWest common stock which the holder would otherwise be entitled to receive multiplied by the average closing price of PacWest common stock as quoted on NASDAQ over the 15 trading days ending on the trading day immediately preceding the date the merger is consummated. No interest will be paid or accrue on cash payable to holders in lieu of fractional shares.

The market value of the merger consideration will fluctuate with the price of PacWest common stock, and the value of the shares of PacWest common stock that holders of CapitalSource common stock will receive upon consummation of the merger may be different than the value of the shares of PacWest common stock that holders of CapitalSource common stock would receive if calculated on the date PacWest and CapitalSource announced the merger, on the date that this document is being mailed to each of the PacWest and CapitalSource stockholders, and on the date of the special meeting of PacWest and CapitalSource stockholders. Based on the closing price of PacWest common stock on July 22, 2013 the value of the per share merger consideration payable to holders of CapitalSource common stock was \$11.68. Based on the closing price of PacWest common stock on December 3, 2013, the last practicable date before the date of this document, the value of the per share merger consideration payable to holders of CapitalSource common stock was \$14.05.

Table of Contents

Treatment of CapitalSource Stock Options, Restricted Shares, Restricted Stock Units and Deferred Units

The number of shares of PacWest common stock that holders of CapitalSource equity awards will receive is based on the value of the per share merger consideration when the merger is consummated. For this purpose, the value of the per share merger consideration equals: (i) \$2.47 (the cash portion of the per share merger consideration), plus (ii) 0.2837 (the fraction of a share of PacWest common stock comprising the stock portion of the merger consideration) multiplied by the average closing price of PacWest common stock as quoted on NASDAQ over the 15 trading days ending on the trading day immediately preceding the date the merger is consummated.

CapitalSource Stock Options. At the effective time, each outstanding option to purchase shares of CapitalSource common stock, whether vested or unvested, that is in-the-money (that is, has an exercise price less than the value of the per share merger consideration) will vest (to the extent it is not already vested) and each such outstanding option will convert into the right to receive a number of shares of PacWest common stock equal to (i) the number of shares of CapitalSource common stock subject to the option immediately before the merger is consummated, multiplied by (ii) the excess of the value of the per share merger consideration over the exercise price of the option, divided by (iii) the value of a share of PacWest common stock (calculated based on the average closing price described above). Options with an exercise price greater than or equal to the value of the per share merger consideration, whether vested or unvested, will be cancelled for no consideration.

CapitalSource Restricted Stock Units and Restricted Stock Awards. At the effective time, each CapitalSource restricted stock unit and restricted stock award will vest in full and entitle the holder to receive a number of shares of PacWest common stock equal to (i) the number of shares of CapitalSource common stock subject to the award, multiplied by (ii) the value of the per share merger consideration, divided by (iii) the value of a share of PacWest common stock (calculated based on the average closing price described above), plus any accrued but unpaid dividend equivalents.

CapitalSource Deferred Units. At the effective time, each CapitalSource deferred unit will vest in full (to the extent not vested) and be converted into the right for the holder to receive a number of shares of PacWest common stock equal to (i) the number of shares of CapitalSource common stock underlying such deferred unit, multiplied by (ii) the value of the per share merger consideration, divided by (iii) the value of a share of PacWest common stock (calculated based on the average closing price described above), plus any accrued but unpaid dividend equivalents, with fractional shares to be credited and paid in cash at the applicable settlement date.

A holder of CapitalSource stock options, restricted stock units and restricted stock awards will receive only whole shares of PacWest common stock and cash in lieu of any fractional shares of PacWest common stock such holder is entitled to receive based on the average closing price of PacWest common stock described above. No interest will be paid or accrue on cash payable to holders of CapitalSource stock options, restricted stock units and restricted stock awards in lieu of fractional shares.

Background of the Merger

Each of PacWest's and CapitalSource's board of directors and management regularly review their respective business strategies, opportunities and challenges as part of their consideration and evaluation of their respective long-term prospects, with the goal of enhancing value for their respective stockholders. The strategic considerations have focused on, among other things, the business and regulatory environment facing financial institutions generally and each of PacWest and CapitalSource, in particular, as well as conditions and ongoing consolidation in the financial services industry. In addition, PacWest regularly evaluates and consummates business combination opportunities generally in furtherance of its strategic objectives.

Table of Contents

As part of PacWest's regular evaluation of business combination opportunities, in March 2013 management of PacWest held discussions with Jefferies LLC to discuss potential opportunities, including CapitalSource. PacWest was particularly interested in CapitalSource given the substantial benefits PacWest believed could be achieved through a combination of CapitalSource's strong middle market lending platform and PacWest's core-deposit funded bank. PacWest was also interested in CapitalSource due to the potential to create a larger and more diversified southern California financial institution better equipped to respond to economic and industry developments and the synergies potentially available for the combined companies to have superior future earnings and prospects. At the request of Matthew P. Wagner, the chief executive officer of PacWest, Jefferies reached out to John Bogler, CapitalSource's chief financial officer, to arrange a meeting. On March 28, 2013, Mr. Wagner and James J. Pieczynski, the chief executive officer of CapitalSource, met in person to discuss a potential transaction between the two companies.

Following the chief executive officers' meeting and through April 2013, each of PacWest and CapitalSource continued to hold discussions concerning a possible combination of their two companies, focusing in particular on the strategic and cultural fit and complementary nature of their respective businesses and preliminary economic terms of a potential combination. The preliminary, informal economic discussions during this time focused on an exchange ratio based primarily on historical stock trading prices of the two companies, with PacWest initially proposing a transaction with little or no premium to be paid over CapitalSource's trading price. However, the parties did not discuss specific pricing or structure at this stage. In addition, the initial discussions contemplated that the combined company's board of directors would be comprised of CapitalSource and PacWest directors in equal numbers. During this time period, PacWest retained Jefferies as its financial advisor in respect of a potential transaction involving CapitalSource, subject to the negotiation and finalization of a definitive engagement agreement, and CapitalSource retained J.P. Morgan as its financial advisor. As previously disclosed, PacWest was also party to an engagement letter with Castle Creek Financial, LLC with respect to business combination transactions. John M. Eggemeyer, chairman of the board of directors of PacWest, is chief executive officer of Castle Creek.

In early May 2013, the parties negotiated and on May 5, 2013 entered into a mutual non-disclosure agreement so that the parties could share with each other non-public information concerning their respective businesses. The companies' reciprocal due diligence efforts commenced on May 6, 2013 at an in-person meeting of the management teams of each of PacWest and CapitalSource, together with their respective financial advisors, at the offices of PacWest in Los Angeles. Over the course of the following weeks, the parties made available certain information and continued to conduct preliminary due diligence with respect to each other. In addition, during this period, the parties and their respective legal advisors held preliminary discussions concerning the regulatory approvals that would be required in connection with a potential transaction and the process for obtaining any required regulatory approvals.

Throughout the months of April and May 2013, each of PacWest management and CapitalSource management periodically updated their respective boards of directors with developments with respect to discussions concerning the potential transaction and the ongoing due diligence efforts.

On May 28, 2013, a joint meeting of the board of directors of CapitalSource and CapitalSource Bank was held, during which Mr. Pieczynski, Douglas (Tad) Lowrey and representatives of J.P. Morgan updated the CapitalSource and CapitalSource Bank boards of directors on the status of the preliminary discussions between the parties. At the meeting, CapitalSource's board of directors authorized management to continue with reciprocal due diligence, but directed management to communicate to PacWest that any potential transaction would require a substantial premium for CapitalSource's stockholders, and that a portion of the consideration would need to be payable in cash.

On May 30, 2013, CapitalSource, through J.P. Morgan, discussed with PacWest a transaction involving potential consideration levels approximating \$11 per share, of which approximately 34%

Table of Contents

would be payable in cash. During the ensuing weeks, Mr. Pieczynski and Mr. Wagner, along with other members of the senior management teams of each of CapitalSource and PacWest, continued to engage in discussions regarding the substantive terms of a potential transaction, including economic and governance terms. During this period, discussions coalesced around a strategic business combination in which CapitalSource would merge with and into PacWest, and immediately thereafter CapitalSource Bank would merge with and into Pacific Western Bank, with CapitalSource stockholders receiving PacWest common stock based on a fixed exchange ratio and a cash payment in exchange for their shares of CapitalSource common stock. On June 11, 2013, Mr. Wagner communicated to Mr. Pieczynski a verbal proposal under which CapitalSource's stockholders would receive total consideration per share of CapitalSource common stock with a value equal to 0.35 of a share of PacWest common stock, with \$346 million being paid in cash (which equated to approximately \$1.71 per share in cash). After further price negotiations, on June 16, 2013, Mr. Wagner communicated to Mr. Pieczynski an enhanced proposal which increased the exchange ratio from 0.35 of a share to 0.36 of a share of PacWest common stock and the portion payable in cash from \$346 million to \$487 million (which equated to approximately \$2.47 per share in cash), with the exact exchange ratio for the component of the consideration consisting of PacWest common stock to be determined based on stock trading prices closer to any actual definitive agreement.

On June 18, 2013, a joint meeting of the board of directors of CapitalSource and CapitalSource Bank was held, during which Mr. Pieczynski, Mr. Lowrey and representatives of J.P. Morgan updated the CapitalSource and CapitalSource Bank boards of directors on the status of negotiations and communicated PacWest's enhanced proposal described above. After discussion among the directors, representatives of J.P. Morgan, and senior management of CapitalSource, CapitalSource's board of directors authorized Mr. Pieczynski to proceed with the negotiation of definitive documentation for a transaction on the financial terms discussed at the meeting.

On June 25, 2013, PacWest and its legal advisor, Sullivan & Cromwell LLP, referred to as S&C, discussed the key terms and conditions of the merger agreement that S&C had begun drafting at PacWest's request. The following day, S&C provided CapitalSource and its legal advisor, Wachtell, Lipton, Rosen & Katz, referred to as Wachtell Lipton, with the initial draft of the merger agreement. Over the course of the next month, the parties and their respective advisors negotiated the merger agreement and continued to conduct reciprocal due diligence on each other's businesses, including with respect to regulatory, litigation, tax, financial and other matters.

On June 27, 2013, the board of PacWest held a meeting to receive an update on the status of the ongoing diligence and negotiations with CapitalSource and formally approve the engagement letter with Jefferies. PacWest's board of directors also authorized management to continue to pursue and negotiate a transaction with CapitalSource on substantially the terms described to the board.

In June and July 2013 and through the signing of the definitive merger agreement, the parties and their respective advisors continued to conduct reciprocal due diligence on each other's businesses, including with respect to regulatory, litigation, tax, financial and other matters. In addition, CapitalSource management and CapitalSource's advisors regularly updated the board of directors on the status of discussions with PacWest and the due diligence review of PacWest, including through weekly update calls. On July 9, 2013, a joint meeting of the board of directors of CapitalSource and CapitalSource Bank was held to discuss the status of the potential transaction with PacWest. During that meeting, management and Wachtell Lipton discussed the current state of negotiations, including in particular the proposed composition of the board of directors of the combined company following a transaction. Based on the proposed financial terms of the transaction, including the premium to be paid to CapitalSource's stockholders, the parties agreed that the combined company's board would initially consist of 13 members, eight designated by PacWest and five designated by CapitalSource.

On July 10, 2013, PacWest and CapitalSource and their respective legal advisors held a conference call to negotiate the merger agreement based on comments provided by Wachtell Lipton on July 3,

2013. The negotiations primarily focused on issues relating to the interim negative covenants by both parties and the provisions surrounding deal certainty, including the reciprocal no shop provisions, the grounds for terminating the merger agreement and the closing conditions, in particular, the mutual conditions related to minimum stockholders' equity and regulatory approvals and conditions. In the course of these negotiations, the parties reached agreement to use customary reciprocal stock options, rather than termination fees, as the principal means of compensating each party for the time and resources expended in connection with the proposed transaction in the event that the other party entered into an agreement to engage in an acquisition transaction with a third party or engaged in other specified conduct with respect to a third party acquisition transaction. Later in the evening, S&C sent a revised draft of the merger agreement to CapitalSource and Wachtell Lipton. A subsequent call took place on July 11, 2013, between the parties and the legal advisors, this time joined by the chief executive officers of both companies, during which the parties conducted further negotiations chiefly regarding the interim negative covenants and the closing conditions mentioned above.

S&C provided initial drafts of the reciprocal stock option agreements on July 13, 2013 and the forms of voting agreements on July 16, 2013. On the same day, Wachtell Lipton provided comments on the merger agreement, stock option agreements and voting agreements.

On July 15, 2013, members of the senior management teams of PacWest, CapitalSource and CapitalSource Bank met jointly with representatives of the Federal Reserve Board, the FDIC and the CDBO, during which the parties had discussions with and provided information to their regulators regarding the proposed business combination.

On July 16, 2013, a joint meeting of the board of directors of CapitalSource and CapitalSource Bank was held to discuss the status of the potential transaction with PacWest. Mr. Wagner, as well as Mr. Eggemeyer, chairman of PacWest's board of directors, Victor R. Santoro, PacWest's chief financial officer, and Jared M. Wolff, PacWest's general counsel, attended the meeting and delivered a presentation they had prepared regarding the proposed strategic business combination transaction and their anticipated strategy for the combined company. CapitalSource's and CapitalSource Bank's boards of directors discussed with the PacWest representatives in attendance the terms of the proposed transaction, as well as the cultural fit between the two companies. After Messrs. Wagner, Eggemeyer, Santoro and Wolff left the meeting, CapitalSource's senior management and representatives of J.P. Morgan and Wachtell Lipton updated the CapitalSource and CapitalSource Bank boards of directors on the status of negotiations, including the most recent versions of the transaction documents that had been prepared. CapitalSource's senior management also discussed the results of their due diligence review of PacWest, including the fact that if CapitalSource were to undergo an ownership change for purposes of the federal tax laws, it would be limited in its ability to utilize its net operating losses, and that as a result of the proposed transaction with PacWest, CapitalSource would be approaching the level at which an ownership change is deemed to occur. Thereafter, J.P. Morgan reviewed and discussed with the CapitalSource and CapitalSource Bank boards of directors its analysis with respect to the proposed transaction, and indicated that, subject to the finalization of the merger agreement and the other related transaction documents, J.P. Morgan expected to be able to deliver an opinion to the CapitalSource board of directors that, based upon and subject to the various factors, assumptions and limitations set forth in such opinion, the merger consideration to be paid to the holders of CapitalSource common stock in the merger was fair, from a financial point of view, to such holders.

On July 17, 2013, PacWest and CapitalSource and their respective legal advisors met in person at S&C's offices in Los Angeles, with certain representatives of PacWest and CapitalSource joining by teleconference to continue negotiating the merger agreement, the reciprocal stock option agreements and the voting agreements. Among other things, the parties continued to discuss principally that day the interim negative covenants, including negative covenants relating to employee personnel and compensation matters, and made progress on the closing conditions related to minimum stockholders' equity and regulatory approvals and conditions. The parties also finalized the forms of the stock option

agreements and the voting agreements, incorporating certain minor changes. Later in the evening, S&C provided revised drafts of the merger agreement, stock option agreements and voting agreements.

On July 18, 2013, PacWest's board held a meeting to discuss the potential transaction with CapitalSource. At the meeting, PacWest's management provided a general presentation with respect to the potential transaction with CapitalSource and discussed the reciprocal stock option agreements, as well as the proposal to have CapitalSource put in place a tax benefit preservation plan at the time of the signing, if any, of the merger agreement to protect its tax assets and to have PacWest put in place a similar plan upon closing of the transaction. Management also discussed the strategic and financial rationales for the transaction and updated the board on its due diligence efforts concerning the business of CapitalSource. S&C then summarized the key terms of the merger agreement and the related agreements, including, among others, provisions related to the recommendation of the PacWest board of directors and its related fiduciary duties. Thereafter, Jefferies presented to the PacWest board on its fairness analyses with respect to the proposed transaction, and indicated that, subject to the finalization of the economic terms of the merger agreement and other matters, Jefferies would be prepared to deliver a fairness opinion to the PacWest board of directors. Following the presentations and discussion, including consideration of the factors described under " Recommendation of the PacWest Board of Directors and Reasons for the Merger," the PacWest board, with Messrs. Eggemeyer, Wagner and Platt recusing themselves, preliminarily resolved to approve the merger agreement, the related agreements and the transaction with CapitalSource, subject to, among other things, finalization of the economic terms and other transaction matters.

Following the parties' respective board meetings, PacWest and CapitalSource and their respective advisors continued negotiating the merger agreement and the related agreements over the course of the ensuing weekend, principally the minimum stockholders' equity condition discussed above and the termination of executive employment arrangements and payments related thereto. The parties also agreed to use PacWest's closing sale price on July 19, 2013 to determine the exact exchange ratio for the stock component of the merger consideration, which resulted in an exchange ratio of 0.2837 of a share of PacWest common stock for each share of CapitalSource common stock for the stock component with the cash consideration remaining at \$2.47 per share of CapitalSource common stock as previously agreed. The forms of agreements were finalized on July 22, 2013.

On July 22, 2013, PacWest's board held a meeting to receive an update on the potential transaction with CapitalSource. At this meeting, management updated the board with respect to the continued discussions between the parties since the meeting on July 18, 2013. S&C also provided an update to the board as to the resolution of the issues in the merger agreement and the related agreements that had been open at the time of the July 18, 2013 PacWest board meeting. Jefferies then updated its fairness presentation from the July 18, 2013 board meeting. At the meeting, Jefferies provided its verbal fairness opinion to the effect that the merger consideration to be paid by PacWest in the transaction was fair to PacWest from a financial point of view as of the date of the meeting. Jefferies' written fairness opinion was delivered to the PacWest board later that day.

Following the presentations by PacWest's management and advisors and discussion, the PacWest board of directors, with Messrs. Eggemeyer, Wagner and Platt recusing themselves, (1) resolved that the merger agreement, the merger and the other transactions contemplated by the merger agreement are advisable and in the best interests of PacWest and its stockholders, (2) approved the merger agreement, the reciprocal stock option agreements, the voting agreements and the amendment of the certificate of incorporation to increase PacWest's authorized shares of common stock and (3) directed that the adoption of the merger agreement, the adoption of the amendment of the certificate of incorporation to increase PacWest's authorized shares of common stock and the approval of the issuance of shares of PacWest common stock in connection with the merger as contemplated by the merger agreement each be submitted to PacWest's stockholders for approval, and recommended their approval to PacWest's stockholders.

On July 22, 2013, a joint telephonic meeting of the board of directors of CapitalSource and CapitalSource Bank was held, during which management updated the directors on the status of the definitive merger agreement, the reciprocal stock option agreements, the voting agreements to be entered into by the directors of PacWest, CapitalSource, and Mr. Lowrey in connection with the transaction, and the tax benefit preservation plan that CapitalSource proposed to adopt in connection with the execution of the merger agreement. Representatives of J.P. Morgan then reviewed and discussed with the directors its financial analysis of the merger consideration and rendered to the CapitalSource board of directors an oral opinion, which was subsequently confirmed in writing by delivery of a written opinion dated the same date, that as of such date and based upon and subject to the various factors, assumptions and limitations set forth in such opinion, the merger consideration to be paid to the holders of CapitalSource common stock in the merger was fair, from a financial point of view, to such holders. Representatives of Wachtell Lipton also discussed with the directors, as they had previously done, the legal standards applicable to the CapitalSource board of directors' decisions and actions with respect to the proposed transaction.

Following the presentations by CapitalSource's management and advisors and discussion among the members of CapitalSource's board of directors, including consideration of the factors described under " Recommendation of the CapitalSource Board of Directors and Reasons for the Merger", the CapitalSource board of directors unanimously determined that the merger agreement, the merger, the reciprocal stock option agreements, the voting agreements to be entered into with PacWest's directors, the tax benefit preservation plan, and the other transactions contemplated thereby are advisable and in the best interests of CapitalSource and its stockholders and adopted the merger agreement, the reciprocal stock option agreements, the voting agreements, and the tax benefit preservation plan, and approved the transactions contemplated thereby, and directed that the merger agreement be submitted for adoption by CapitalSource's stockholders and, and recommended that CapitalSource's stockholders adopt the merger agreement.

Later in the day on July 22, 2013, CapitalSource and PacWest executed the merger agreement, the reciprocal stock agreements and the voting agreements and their respective directors and officers, as well as Mr. Lowrey, delivered their respective voting agreements. A joint press release announcing the transaction was released on July 22, 2013.

Recommendation of the CapitalSource Board of Directors and Reasons for the Merger

After careful consideration, CapitalSource's board of directors, at a meeting held on July 22, 2013, unanimously determined that the merger agreement is in the best interests of CapitalSource and its stockholders. Accordingly, CapitalSource's board of directors approved the merger agreement and unanimously recommends that CapitalSource stockholders vote "FOR" the adoption of the merger agreement. In reaching its decision to approve the merger agreement, the merger and the other transactions contemplated by the merger agreement, and to recommend that its stockholders adopt the merger agreement, the CapitalSource board of directors consulted with CapitalSource management, as well as its financial and legal advisors, and considered a number of factors, including the following material factors:

each of CapitalSource's, PacWest's and the combined company's business, operations, financial condition, asset quality, earnings and prospects. In reviewing these factors, the CapitalSource board of directors considered its view that PacWest's business and operations complement those of CapitalSource and that the merger would result in a combined company with diversified revenue sources, a well-balanced loan portfolio and an attractive funding base, as evidenced by a significant portion of core deposit funding;

its understanding of the current and prospective environment in which CapitalSource and PacWest operate, including national and local economic conditions, the interest rate environment, increasing operating costs resulting from regulatory initiatives and compliance

Table of Contents

mandates, the competitive environment for financial institutions generally, and the likely effect of these factors on CapitalSource both with and without the proposed transaction;

its review and discussions with CapitalSource's management concerning the due diligence investigation of PacWest;

the complementary nature of the credit cultures of the two companies, which management believes should facilitate integration and implementation of the transaction;

management's expectation that the combined company will have a strong capital position upon completion of the transaction;

the availability of alternative transactions, including the fact that, in a consolidating industry, institutions with an interest in merging with another institution typically make that interest known; the attractiveness and strategic fit of PacWest as a potential merger partner; and the likelihood of an alternative transaction emerging;

its belief that the transaction is likely to provide substantial value to CapitalSource's stockholders, including a substantial premium over the trading price of CapitalSource common stock immediately prior to the announcement of the merger agreement;

the opinion of J.P. Morgan, CapitalSource's financial advisor, delivered July 22, 2013 to CapitalSource's board of directors, and subsequently confirmed in writing, to the effect that, as of that date, and based upon and subject to the various factors, assumptions and limitations set forth in such opinion, the merger consideration to be paid to holders of CapitalSource common stock in the merger was fair, from a financial point of view, to such holders, as more fully described below in the section entitled " Opinion of CapitalSource's Financial Advisor";

the financial and other terms of the merger agreement, including the fixed exchange ratio for the stock portion of the merger consideration, which the CapitalSource board of directors believed was consistent with market practice for transactions of this type and with the strategic purpose of the transaction, the expected tax treatment and mutual deal protection, including the reciprocal stock option agreements, which it reviewed with its outside financial and legal advisors;

the potential risk of diverting management attention and resources from the operation of CapitalSource's business and towards the completion of the merger;

the potential risks associated with achieving anticipated cost synergies and savings and successfully integrating PacWest's business, operations and workforce with those of CapitalSource;

the regulatory and other approvals required in connection with the merger and the expectation that such regulatory approvals will be received in a timely manner and without the imposition of unacceptable conditions; and

the possibility of litigation challenging the merger, and its belief that any such litigation would be without merit.

The foregoing discussion of the factors considered by the CapitalSource board of directors is not intended to be exhaustive, but, rather, includes the material factors considered by the CapitalSource board of directors. In reaching its decision to approve the merger agreement, the merger and the other transactions contemplated by the merger agreement, the CapitalSource board of directors did not quantify or assign any relative weights to the factors considered, and individual directors may have given different weights to different factors. The CapitalSource board of directors considered all these factors as a whole, including discussions with, and questioning of, CapitalSource's management and

CapitalSource's financial and legal advisors, and overall considered the factors to be favorable to, and to support, its determination.

This explanation of CapitalSource's reasons for the merger and other information presented in this section is forward-looking in nature and should be read in light of the section entitled "Cautionary Statement Regarding Forward-Looking Statements" beginning on page 39.

For the reasons set forth above, the CapitalSource board of directors has approved the merger agreement and the transactions contemplated thereby and recommends that you vote "FOR" the CapitalSource merger proposal, "FOR" the CapitalSource advisory (non-binding) proposal on specified compensation and "FOR" the CapitalSource adjournment proposal (if necessary or appropriate).

Each of the directors of CapitalSource, and the chairman of CapitalSource Bank, has entered into a voting agreement with PacWest, pursuant to which they have agreed to vote in favor of the CapitalSource merger proposal and the other proposals to be voted on at the CapitalSource special meeting. For more information regarding the voting agreements, please see the section entitled "The Merger Agreement Voting Agreements" beginning on page 124.

Opinion of CapitalSource's Financial Advisor

CapitalSource retained J.P. Morgan as its financial advisor in connection with the merger pursuant to an engagement letter effective as of April 10, 2013.

At the meeting of the CapitalSource board of directors on July 22, 2013, J.P. Morgan rendered its oral opinion to the CapitalSource board of directors (which was subsequently confirmed in writing by delivery of J.P. Morgan's written opinion dated the same date) that, as of such date and based upon and subject to the various factors, assumptions and limitations set forth in such opinion, the merger consideration to be paid to the holders of CapitalSource common stock in the merger was fair, from a financial point of view, to such holders. The J.P. Morgan written opinion, dated July 22, 2013, is sometimes referred to herein as the J.P. Morgan opinion.

The full text of the written opinion of J.P. Morgan, dated July 22, 2013, which sets forth, among other things, the assumptions made, procedures followed, matters considered and qualifications and limitations on the review undertaken in rendering its opinion, is attached as Appendix G to this document and is incorporated herein by reference. The summary of J.P. Morgan's opinion set forth in this document is qualified in its entirety by reference to the full text of the opinion. CapitalSource stockholders should read this opinion carefully and in its entirety. J.P. Morgan's written opinion is addressed to the CapitalSource board of directors, is directed only to the fairness of the merger consideration to be paid to the holders of CapitalSource common stock in the merger and does not constitute a recommendation to any holder of shares of CapitalSource common stock as to how such stockholder should vote with respect to the merger or any other matter at the CapitalSource special meeting. The issuance of the J.P. Morgan opinion was approved by a fairness opinion committee of J.P. Morgan. J.P. Morgan provided its opinion to the CapitalSource board of directors (in its capacity as such) in connection with and for the purpose of its evaluation of the merger. The merger consideration to be paid to the holders of shares of CapitalSource common stock was determined in negotiations between PacWest and CapitalSource, and the decision to approve and recommend the transactions contemplated by the merger agreement was made independently by the CapitalSource board of directors. J.P. Morgan's opinion and financial analyses were among the many factors considered by the CapitalSource board of directors in its evaluation of the transactions contemplated by the merger agreement and should not be viewed as determinative of the views of the CapitalSource board of directors or management with respect to the merger consideration or the transactions contemplated by the merger agreement.

In arriving at its opinion, J.P. Morgan, among other things:

reviewed the merger agreement;

reviewed certain publicly available business and financial information concerning CapitalSource and PacWest and the industries in which they operate;

compared the financial and operating performance of CapitalSource and PacWest with publicly available information concerning certain other companies J.P. Morgan deemed relevant and reviewed the current and historical market prices of CapitalSource common stock and PacWest common stock and certain publicly traded securities of such other companies;

reviewed Institutional Brokers' Estimate System consensus estimates relating to each of CapitalSource and PacWest;

reviewed certain internal financial analyses and forecasts prepared by the management of CapitalSource, in the case of analyses and forecasts relating to the business of CapitalSource, and by the management of PacWest and at the direction of management of CapitalSource, in the case of analyses and forecasts relating to the business of PacWest;

reviewed the estimated amount and timing of the cost savings and related expenses and transaction synergies expected to result from the merger as prepared by management of PacWest; and

performed such other financial studies and analyses and considered such other information as J.P. Morgan deemed appropriate for the purposes of its opinion.

J.P. Morgan also held discussions with certain members of the management of CapitalSource and PacWest with respect to certain aspects of the merger, and the past and current business operations of CapitalSource and PacWest, the financial condition and future prospects and operations of CapitalSource and PacWest, the effects of the merger on the financial condition and future prospects of CapitalSource and PacWest, and certain other matters J.P. Morgan believed necessary or appropriate to its inquiry.

J.P. Morgan relied upon and assumed the accuracy and completeness of all information that was publicly available or was furnished to or discussed with J.P. Morgan by CapitalSource and PacWest or otherwise reviewed by or for J.P. Morgan, and J.P. Morgan did not independently verify (nor did it assume responsibility or liability for independently verifying) any such information or its accuracy or completeness. J.P. Morgan did not conduct and was not provided with any valuation or appraisal of any assets or liabilities of CapitalSource or PacWest, nor did J.P. Morgan conduct any review of individual credit files of CapitalSource or PacWest or evaluate the solvency of CapitalSource or PacWest under any state or federal laws relating to bankruptcy, insolvency or similar matters. J.P. Morgan is not an expert in the evaluation of loan and lease portfolios or assessing the adequacy of the allowances for losses with respect thereto and, accordingly, J.P. Morgan did not make an independent evaluation of the adequacy of the allowance for loan and lease losses of CapitalSource or PacWest, and J.P. Morgan assumed, with the consent of CapitalSource, that the respective allowances for loan and lease losses for both CapitalSource and PacWest, respectively, are adequate to cover such losses and will be adequate on a pro forma basis for the combined entity. In relying on financial analyses and forecasts provided to J.P. Morgan or derived therefrom (including the transaction synergies referred to above), J.P. Morgan assumed that they were reasonably prepared based on assumptions reflecting the best then available estimates and judgments by management as to the expected future results of operations and financial condition of CapitalSource and PacWest to which such analyses or forecasts relate. J.P. Morgan expressed no view as to such analyses or forecasts (including the transaction synergies referred to above) or the assumptions on which they were based. J.P. Morgan also assumed that the merger and the other transactions contemplated by the merger agreement will qualify as a tax-free reorganization for United States federal income tax purposes and will be consummated as described in the merger agreement. J.P. Morgan also assumed that the representations and warranties made by CapitalSource and PacWest in the merger agreement and the related agreements are and will be true and correct in

all respects material to J.P. Morgan's analysis. J.P. Morgan is not a legal, regulatory or tax expert and relied on the assessments made by advisors to CapitalSource with respect to such issues. J.P. Morgan further assumed that all material governmental, regulatory or other consents and approvals necessary for the consummation of the merger will be obtained without any adverse effect on CapitalSource or PacWest or on the contemplated benefits of the merger, in each case in any respect material to J.P. Morgan's analysis.

The J.P. Morgan opinion was based on economic, market and other conditions as in effect on, and the information made available to J.P. Morgan as of, the date of the J.P. Morgan opinion. Subsequent developments may affect the J.P. Morgan opinion, and J.P. Morgan does not have any obligation to update, revise, or reaffirm its opinion. The J.P. Morgan opinion is limited to the fairness, from a financial point of view, of the merger consideration to be paid to the holders of CapitalSource common stock in the merger, and J.P. Morgan expressed no opinion as to the fairness of any consideration paid in connection with the merger to the holders of any other class of securities, creditors or other constituencies of CapitalSource or as to the underlying decision by CapitalSource to engage in the merger. J.P. Morgan expressed no opinion with respect to the amount or nature of any compensation to any officers, directors, or employees of any party to the merger, or any class of such persons relative to the merger consideration to be paid to the holders of CapitalSource common stock pursuant to the merger agreement or with respect to the fairness of any such compensation. J.P. Morgan expressed no opinion as to the price at which CapitalSource common stock or PacWest common stock will trade at any future time.

J.P. Morgan was not authorized to and did not solicit any expressions of interest from any other parties with respect to the sale of all or any part of CapitalSource or any other alternative transaction.

In accordance with customary investment banking practice, J.P. Morgan employed generally accepted valuation methods in reaching its opinion. The following is a summary of the material financial analyses undertaken by J.P. Morgan in connection with rendering the J.P. Morgan opinion. The following summary, however, does not purport to be a complete description of the financial analyses performed by J.P. Morgan. Some of the summaries of the financial analyses include information presented in tabular format. The tables are not intended to stand alone, and in order to more fully understand the financial analyses used by J.P. Morgan, the tables must be read together with the full text of each summary. Considering the data described below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of J.P. Morgan's financial analyses.

In all instances, multiples were based on closing stock prices on July 19, 2013. For each of the following analyses performed by J.P. Morgan, financial and market data and earnings per share estimates for the selected companies were based on the selected companies' filings with the SEC and information J.P. Morgan obtained from SNL Financial and FactSet Research Systems. The multiples and ratios for each of the selected companies were based on the most recent publicly available information.

With respect to the selected companies, the information J.P. Morgan presented included:

multiple of price to estimated earnings per share for the fiscal year 2014, or Price / 2014E EPS; and

multiple of price to tangible book value per share, or Price / TBV.

In the case of CIT Group, Inc., J.P. Morgan adjusted Price / 2014E EPS for capital in excess of a 12% ratio of Tier 1 common capital to risk-weighted assets. Results of the analysis were presented for the selected companies, as indicated in the following table:

	Selected Companies	
	Median	CapitalSource
Price / 2014E EPS	15.0x	14.6x

Edgar Filing: PACWEST BANCORP - Form 424B3

Price / TBV 1.83x 1.41x

J.P. Morgan also performed a regression analysis to review, for the comparable companies identified above, the relationship between (i) Price / TBV and (ii) the 2014 estimated return on average tangible common equity based on available estimates obtained from SNL Financial and FactSet Research Systems. Based on this analysis, J.P. Morgan derived a reference range for the implied Price / TBV multiple of CapitalSource common stock of 1.55x to 1.88x.

Based on the above analysis, J.P. Morgan then applied a multiple reference range of 9.5x to 15.0x for Price / 2014E EPS and 1.55x to 1.90x for Price / TBV to CapitalSource's management estimate of CapitalSource's earnings per share for the fiscal year 2014 and tangible book value per share, respectively, in each case as adjusted for capital in excess of a 12% ratio of Tier 1 common capital to risk-weighted assets. The analysis indicated the following equity values per share of CapitalSource common stock, as compared to the implied merger consideration of \$11.64 per share of CapitalSource

common stock (the "Assumed Consideration"), which was calculated based on the sum of the cash merger consideration of \$2.47 plus the stock portion at the fixed exchange ratio of 0.2836 estimated at the time J.P. Morgan rendered its oral opinion to the CapitalSource board of directors (the "Assumed Exchange Ratio") multiplied by a closing stock price of PacWest common stock of \$32.32 on July 19, 2013:

	Equity Value Per Share
Price / 2014E EPS	\$8.01 - \$11.78
Price / TBV	\$9.98 - \$11.97

CapitalSource Dividend Discount Analysis

J.P. Morgan calculated a range of implied values for CapitalSource common stock by discounting to present values estimates of CapitalSource's future dividend stream and terminal value. In performing its analysis, J.P. Morgan utilized the following assumptions, among others:

December 31, 2013 valuation date, which was discounted to July 19, 2013;

a terminal value on December 31, 2023 based on a net income multiple range of 10.0x to 12.0x;

earnings and asset assumptions based on CapitalSource management estimates for 2013-2015;

long-term earnings growth of 10.0% per year for 2016-2018, 7.5% per year for 2019-2020, 5% in 2021, 4% in 2022 and 3% in 2023, based on CapitalSource management approved extrapolations;

long-term asset growth of 75% of earnings growth per year for 2016-2023 based on CapitalSource management approved extrapolations;

cost of excess capital of 2.0% (pre-tax);

41.5% marginal tax rate;

core dividends per share of \$0.04 annually;

discount rates from 10.00% to 12.50%; and

target Tier 1 common ratio of 12.0%.

These calculations resulted in a range of implied values of \$7.81 to \$9.81 per share of CapitalSource common stock, as compared to the Assumed Consideration of \$11.64 per share of CapitalSource common stock, as illustrated by the following table:

Discount Rate	Terminal Multiple		
	10.0x	11.0x	12.0x
10.00%	\$ 9.02	\$ 9.41	\$ 9.81

Edgar Filing: PACWEST BANCORP - Form 424B3

J.P. Morgan also performed a dividend discount analysis to determine the sensitivity of CapitalSource's equity value to variations in CapitalSource's target Tier 1 common ratio upward and downward from the assumed ratio of 12.0% referred to above, based on estimated ranges deemed appropriate in discussions between CapitalSource management and J.P. Morgan. The analysis indicated a range of equity values by varying the target Tier 1 common ratio to 10.0% and 15.0%, respectively,

the discount rate from 10.0% to 12.5%, and the terminal price to earnings multiple from 10.0x to 12.0x and by keeping constant the other assumptions discussed under " CapitalSource Dividend Discount Analysis" above. The analysis indicated the following equity values per share of CapitalSource common stock, as compared to the Assumed Consideration of \$11.64 per share:

Morgan obtained from SNL Financial and FactSet Research Systems. The multiples and ratios for each of the selected companies were based on the most recent publicly available information.

With respect to the selected companies, the information J.P. Morgan presented included:

Price / 2014E EPS; and

Price / TBV.

Edgar Filing: PACWEST BANCORP - Form 424B3

Results of the analysis were presented for the selected companies, as indicated in the following table:

	Selected Companies Median	PacWest
Price / 2014E EPS	15.3x	14.9x
Price / TBV	2.06x	2.58x

Table of Contents

Based on this analysis, J.P. Morgan derived a reference range for the implied Price / TBV multiple of PacWest common stock of 2.44x to 2.75x.

Based on the above analysis, J.P. Morgan then applied multiple reference ranges for Price / 2014E EPS and Price / TBV. The analysis indicated the following equity values per share of PacWest common stock, as compared the closing price of PacWest common stock of \$32.32 on July 19, 2013:

	Equity Value Per Share
Price / 2014E EPS	\$28.22 - \$34.49
Price / TBV	\$29.87 - \$34.85

PacWest Dividend Discount Analysis

J.P. Morgan calculated a range of implied values for PacWest common stock by discounting to present values estimates of PacWest's future dividend stream and terminal value. In performing its analysis, J.P. Morgan utilized the following assumptions, among others:

December 31, 2013 valuation date, which was discounted to July 19, 2013;

a terminal value on December 31, 2023 based on a net income multiple range of 11.0x to 13.0x;

earnings and asset estimates for 2013-2018 used at the direction of CapitalSource management;

long-term earnings growth of 7.0% in 2019 scaling down to 3% by 2023 based on CapitalSource management approved extrapolations;

long-term asset growth of 75% of earnings growth per year for 2019-2023 based on CapitalSource management approved extrapolations;

cost of excess capital of 2.0% (pre-tax);

41.5% marginal tax rate;

core dividends per share based on 50% payout ratio annually;

discount rates from 9.0% to 11.0%; and

target Tier 1 common ratio of 9.0%.

These calculations resulted in a range of implied values of \$30.42 to \$37.84 per share of PacWest common stock, as compared to the closing price of PacWest common stock of \$32.32 on July 19, 2013:

Discount Rate	Terminal Multiple		
	11.0x	12.0x	13.0x
9.0%	\$ 34.76	\$ 36.30	\$ 37.84
10.0%	32.49	33.89	35.29
11.0%	30.42	31.69	32.97

Relative Valuation Analysis

Edgar Filing: PACWEST BANCORP - Form 424B3

Based upon the implied valuations for each of CapitalSource and PacWest derived above under "CapitalSource Public Trading Multiples Analysis", "CapitalSource Dividend Discount Analysis", "PacWest Public Trading Multiples Analysis" and "PacWest Dividend Discount Analysis", J.P. Morgan calculated a range of implied exchange ratios of a share of CapitalSource common stock to a share of PacWest common stock, and then compared that range of implied exchange ratios to the Assumed Exchange Ratio.

Table of Contents

For each of the analyses referred to above, J.P. Morgan calculated the ratio implied by dividing the low end of each implied equity value of CapitalSource (adjusted by subtracting \$2.47 per share to account for the cash component of the Assumed Consideration) by the high end of each implied equity value of PacWest. J.P. Morgan also calculated the ratio implied by dividing the high end of each implied equity value of CapitalSource (adjusted by subtracting \$2.47 per share to account for the cash component of the Assumed Consideration) by the low end of each implied equity value of PacWest.

This analysis indicated the following implied exchange ratios, compared in each case to the Assumed Exchange Ratio:

Comparison	Range of Implied Exchange Ratios
Public Trading Multiple Analysis	
Price / 2014E EPS	0.1608 - 0.3301
Price / TBV	0.2156 - 0.3179

12% Tier 1 Common Target	0.1412 - 0.2412
15% Tier 1 Common Target	0.1033 - 0.1934
Contribution Analysis	0.1515 - 0.3001
<i>Contribution Analysis</i>	

J.P. Morgan analyzed the contribution of each of CapitalSource and PacWest to the pro forma combined company with respect to the market capitalization as of July 19, 2013, estimated GAAP net income for fiscal years 2013 and 2014, assets, gross loans and deposits. For purposes of the contribution analysis, J.P. Morgan assumed no share repurchases would be effected by CapitalSource during the periods measured.

The analyses yielded the following pro forma PacWest contributions with implied exchange ratios ranging from a low of 0.2279x to a high of 0.3765x, in each case compared to an implied exchange ratio of 0.3600x (based on the Assumed Consideration payable 100% in the form of stock consideration and assuming a value for the PacWest shares equal to the closing stock price of PacWest common stock of \$32.32 on July 19, 2013):

The foregoing summary of certain material financial analyses does not purport to be a complete description of the analyses or data presented by J.P. Morgan. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. J.P. Morgan believes that the foregoing summary and its analyses must be considered as a whole and that selecting portions of the foregoing summary and these analyses, without considering all of its

Table of Contents

analyses as a whole, could create an incomplete view of the processes underlying the analyses and its opinion. In arriving at its opinion, J.P. Morgan did not attribute any particular weight to any analyses or factors considered by it and did not form an opinion as to whether any individual analysis or factor (positive or negative), considered in isolation, supported or failed to support its opinion. Rather, J.P. Morgan considered the totality of the factors and analyses performed in determining its opinion. Analyses based upon forecasts of future results are inherently uncertain, as they are subject to numerous factors or events beyond the control of the parties and their advisors. Accordingly, forecasts and analyses used or made by J.P. Morgan are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by those analyses. Moreover, J.P. Morgan's analyses are not and do not purport to be appraisals or otherwise reflective of the prices at which businesses actually could be bought or sold. None of the selected companies reviewed is identical to CapitalSource or PacWest. However, the companies selected were chosen because they are publicly traded companies with operations and businesses that, for purposes of J.P. Morgan's analysis, may be considered similar to those of CapitalSource or PacWest, as applicable. The analyses necessarily involve complex considerations and judgments concerning differences in financial and operational characteristics of the companies involved and other factors that could affect the companies compared to CapitalSource or PacWest, as applicable.

As a part of its investment banking business, J.P. Morgan and its affiliates are continually engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, investments for passive and control purposes, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements, and valuations for estate, corporate and other purposes. J.P. Morgan was selected to advise CapitalSource with respect to the merger on the basis of such experience and its familiarity with CapitalSource.

For financial advisory services rendered in connection with the merger, CapitalSource has agreed to pay J.P. Morgan a fee of 1.0% of the total consideration in the merger, which includes the cash consideration and stock consideration to be paid to holders of CapitalSource common stock at the consummation of the merger. Based on the closing stock price of PacWest stock on November 19, 2013, the J.P. Morgan fee would be approximately \$27.3 million, of which \$4 million was payable at the time J.P. Morgan delivered its opinion to the CapitalSource board of directors and the remainder of which will become payable only if the merger is consummated. In addition, CapitalSource has agreed to reimburse J.P. Morgan for certain expenses incurred in connection with its services, including the fees and disbursements of counsel, and will indemnify J.P. Morgan for certain liabilities, including liabilities arising under the federal securities laws.

During the two years preceding the date of the J.P. Morgan opinion, J.P. Morgan and its affiliates have not had any other material financial advisory or other material commercial or investment banking relationships with CapitalSource or PacWest. In the ordinary course of their businesses, J.P. Morgan and its affiliates may actively trade the debt and equity securities of CapitalSource or PacWest for their own accounts or for the accounts of customers and, accordingly, they may at any time hold long or short positions in such securities.

Certain CapitalSource Unaudited Prospective Financial Information

CapitalSource does not as a matter of course make public projections as to future performance, revenues, earnings or other financial results due to, among other reasons, the uncertainty of the underlying assumptions and estimates. However, CapitalSource is including in this document certain unaudited prospective financial information that was made available to CapitalSource's financial advisor and to PacWest in connection with the merger. The inclusion of this information should not be regarded as an indication that any of CapitalSource, PacWest, J.P. Morgan, Jefferies, their respective representatives or any other recipient of this information considered, or now considers, it to be

necessarily predictive of actual future results, or that it should be construed as financial guidance, and it should not be relied on as such.

CapitalSource's management approved the use of the following unaudited prospective financial information. This information was prepared solely for internal use and is subjective in many respects. While presented with numeric specificity, the unaudited prospective financial information reflects numerous estimates and assumptions made with respect to business, economic, market, competition, regulatory and financial conditions and matters specific to CapitalSource's business, all of which are difficult to predict and many of which are beyond CapitalSource's control. The unaudited prospective financial information reflects both assumptions as to certain business decisions that are subject to change and, in many respects, subjective judgment, and thus is susceptible to multiple interpretations and periodic revisions based on actual experience and business developments. CapitalSource can give no assurance that the unaudited prospective financial information and the underlying estimates and assumptions will be realized. In addition, since the unaudited prospective financial information covers multiple years, such information by its nature becomes less predictive with each successive year. Actual results may differ materially from those set forth below, and important factors that may affect actual results and cause the unaudited prospective financial information to be inaccurate include, but are not limited to, risks and uncertainties relating to CapitalSource's business, industry performance, general business and economic conditions, customer requirements, competition and adverse changes in applicable laws, regulations or rules. For other factors that could cause actual results to differ, please see the sections entitled "Risk Factors" and "Cautionary Statement Concerning Forward-Looking Statements" beginning on page 30 and page 39, respectively, of this document.

The unaudited prospective financial information was not prepared with a view toward public disclosure, nor was it prepared with a view toward compliance with GAAP, published guidelines of the SEC or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. In addition, the unaudited prospective financial information requires significant estimates and assumptions that make it inherently less comparable to the similarly titled GAAP measures in CapitalSource's historical GAAP financial statements. Neither CapitalSource's independent registered public accounting firm, nor any other independent accountants, have compiled, examined or performed any procedures with respect to the unaudited prospective financial information contained herein, nor have they expressed any opinion or any other form of assurance on such information or its achievability.

Furthermore, the unaudited prospective financial information does not take into account any circumstances or events occurring after the date it was prepared. CapitalSource can give no assurance that, had the unaudited prospective financial information been prepared either as of the date of the merger agreement or as of the date of this proxy statement/prospectus, similar estimates and assumptions would be used. CapitalSource does not intend to, and disclaims any obligation to, make publicly available any update or other revision to the unaudited prospective financial information to reflect circumstances existing since their preparation or to reflect the occurrence of unanticipated events, even in the event that any or all of the underlying assumptions are shown to be in error, or to reflect changes in general economic or industry conditions. The unaudited prospective financial information does not take into account the possible financial and other effects on either CapitalSource or PacWest, as applicable, of the merger and does not attempt to predict or suggest future results of the combined company. The unaudited prospective financial information does not give effect to the merger, including the impact of negotiating or executing the merger agreement, the expenses that may be incurred in connection with consummating the merger, the potential synergies that may be achieved by the combined company as a result of the merger, the effect on either CapitalSource or PacWest, as applicable, of any business or strategic decision or action that has been or will be taken as a result of the merger agreement having been executed, or the effect of any business or strategic decisions or actions which would likely have been taken if the merger agreement had not been executed, but which

were instead altered, accelerated, postponed or not taken in anticipation of the merger. Further, the unaudited prospective financial information does not take into account the effect on either CapitalSource or PacWest, as applicable, of any possible failure of the merger to occur. None of CapitalSource, PacWest, J.P. Morgan, Jefferies or their respective affiliates, officers, directors, advisors or other representatives has made, makes or is authorized in the future to make any representation to any stockholder of CapitalSource, stockholder of PacWest or other person regarding CapitalSource's ultimate performance compared to the information contained in the unaudited prospective financial information or that the projected results will be achieved. The inclusion of the unaudited prospective financial information herein should not be deemed an admission or representation by CapitalSource or PacWest that it is viewed as material information of CapitalSource, particularly in light of the inherent risks and uncertainties associated with such forecasts. The summary of the unaudited prospective financial information included below is not being included to influence your decision whether to vote for the merger and the transactions contemplated in connection with the merger, but is being provided solely because it was made available to CapitalSource's financial advisor in connection with the merger and to PacWest in connection with PacWest's due diligence of CapitalSource.

In light of the foregoing, and considering that the CapitalSource special meeting will be held several months after the unaudited prospective financial information was prepared, as well as the uncertainties inherent in any forecasted information, CapitalSource stockholders are cautioned not to place unwarranted reliance on such information, and CapitalSource urges all CapitalSource stockholders to review CapitalSource's most recent SEC filings for a description of CapitalSource's reported financial results. See "Where You Can Find More Information" on page iii of this document.

Recommendation of the PacWest Board of Directors and Reasons for the Merger

In reaching its decision to approve the merger agreement, the merger and the other transactions contemplated by the merger agreement, and to recommend that its stockholders approve the PacWest merger proposal, the PacWest board of directors consulted with PacWest management, as well as its financial and legal advisors, and considered a number of factors, including the following material factors:

each of PacWest's, CapitalSource's and the combined company's business, operations, financial condition, asset quality, earnings and prospects;

the complementary nature of the businesses of the two companies including, in particular, CapitalSource's significant middle-market lending platform with an emphasis on specialized lending, PacWest's strong deposit franchise and the belief of the PacWest board of directors that the combination would result in a larger and more diversified financial institution that is both better equipped to respond to economic and industry developments and better positioned to develop and build on its strong market share;

Table of Contents

the anticipated pro forma impact of the transaction on the combined company, including the expected impact on financial metrics including earnings and tangible equity per share and on regulatory capital levels, and PacWest's management's expectation that the combined company will retain a strong capital position upon completion of the transaction;

the potential to increase core deposits through expanded product offerings to CapitalSource's customer base, both current loan customers and prospects;

its understanding of the current and prospective environment in which PacWest and CapitalSource operate, including national, regional and local economic conditions, the interest rate environment, the continuing consolidation of the industry, increased operating costs resulting from regulatory initiatives and compliance mandates, increasing nationwide competition and current financial market conditions and the likely effects of these factors on the companies' potential growth, development, productivity and strategic options;

its review and discussions with PacWest's management and advisors concerning the due diligence examination of CapitalSource;

its review with its legal advisor, Sullivan & Cromwell, of the merger agreement, stock option agreements and other agreements, including the provisions of the merger agreement and the stock option agreements designed to enhance the probability that the transaction will be completed;

the synergies potentially available in the proposed transaction which create the opportunity for the combined company to have superior future earnings and prospects compared to PacWest's earnings and prospects on a stand-alone basis;

the structure of the transaction as a true combination in which PacWest's board of directors and management would have substantial participation in the combined company; in particular, PacWest's board of directors considered the following:

that the board of directors of the combined company would consist initially of eight PacWest directors and five CapitalSource directors;

that the chairman of the combined company would initially be PacWest's current chairman, that the current chief executive officer of PacWest would serve as the chief executive officer of the combined company, that the chairman of CapitalSource Bank would initially serve as chairman of the surviving bank after the bank merger and that CapitalSource's chief executive officer would serve as president of the new CapitalSource division of Pacific Western Bank; and

the substantial participation of other PacWest and CapitalSource officers in senior management of the combined company;

the opinion of Jefferies LLC, PacWest's financial advisor, delivered to the PacWest board of directors to the effect that, as of July 22, 2013, and subject to and based on the various assumptions, considerations, qualifications and limitations set forth in the opinion, the merger consideration was fair, from a financial point of view, to PacWest;

CapitalSource's significant deferred tax assets related to net operating losses and the potential that the combined company could utilize such deferred tax assets in the future, as well as the tax benefit preservation plan proposed to be put in place by PacWest at the closing of the transaction and the potential impact of that plan on trading in and the liquidity of PacWest

common stock;

the merger agreement restricts the conduct of PacWest's and CapitalSource's business between the date of the merger agreement and the date of the consummation of the merger;

Table of Contents

although each party is subject to a covenant not to solicit competing proposals and has an unconditional obligation to submit the merger agreement to a vote of its stockholders, this does not prevent either party from receiving an acquisition proposal from a third party that may be superior for its stockholders. If the board of directors of the party receiving such proposal were to determine in good faith, (i) after consultation with its financial advisor, that such proposal is a superior proposal (as defined in the merger agreement) and (ii) after consultation with outside legal counsel, that failure to act on such proposal would reasonably be expected to violate the directors' fiduciary duties under applicable law, subject to compliance with certain conditions set forth in the merger agreement, such board of directors is permitted to change its recommendation that its stockholders vote to adopt the merger agreement;

the potential risks associated with achieving anticipated cost synergies and savings and successfully integrating CapitalSource's business, operations and workforce with those of PacWest, including the costs and risks of successfully integrating the differing business models of the two companies;

PacWest's past record of integrating acquisitions and of realizing projected financial goals and benefits of acquisitions;

the perceived similarity in corporate cultures, which would facilitate integration and implementation of the transaction;

the nature and amount of payments and/or other benefits to be received by each of PacWest and CapitalSource management in connection with the merger;

the potential risk of diverting management attention and resources from the operation of PacWest's business and towards the completion of the merger and the integration of the two companies; and

the regulatory and other approvals required in connection with the merger and the expected likelihood that such regulatory approvals will be received in a reasonably timely manner and without the imposition of unacceptable conditions.

The foregoing discussion of the information and factors considered by the PacWest board of directors is not intended to be exhaustive, but includes the material factors considered by the PacWest board of directors. In reaching its decision to approve the merger agreement, the merger and the other transactions contemplated by the merger agreement, the PacWest board of directors did not quantify or assign any relative weights to the factors considered, and individual directors may have given different weights to different factors. The PacWest board of directors considered all these factors as a whole, including discussions with, and questioning of, PacWest's management and PacWest's financial and legal advisors, and overall considered the factors to be favorable to, and to support its determination to approve entry into the merger agreement.

This explanation of PacWest's reasons for the merger and other information presented in this section is forward-looking in nature and should be read in light of the section entitled "Cautionary Statement Regarding Forward-Looking Statements" beginning on page 39.

PacWest's board of directors realized that there can be no assurance about future results, including results expected or considered in the factors listed above, such as assumptions regarding enhanced business prospects, anticipated cost savings and earnings accretion/dilution. The board of directors concluded, however, that the potential positive factors outweighed the potential risks of completing the transaction.

For the reasons set forth above, the PacWest board of directors determined that the merger agreement, the merger and the other transactions contemplated by the merger agreement, including the amendment to the PacWest certificate of incorporation to increase the number of authorized shares

Table of Contents

of PacWest common stock and the issuance of PacWest common stock in connection with the merger, are advisable and in the best interests of PacWest and its stockholders, and approved the merger agreement and the transactions contemplated by it. The PacWest board of directors recommends that the PacWest stockholders vote "FOR" the PacWest merger proposal, "FOR" the PacWest certificate of incorporation amendment proposal, "FOR" the PacWest stock issuance proposal, "FOR" the PacWest stock plan amendment proposal, "FOR" the PacWest advisory (non-binding) proposal on specified compensation and "FOR" the PacWest adjournment proposal (if necessary or appropriate).

Each of the directors of PacWest has entered into a voting agreement with CapitalSource, pursuant to which they have agreed to vote "FOR" the PacWest merger proposal, "FOR" the PacWest certificate of incorporation amendment proposal, "FOR" the PacWest stock issuance proposal, "FOR" the PacWest stock plan amendment proposal and "FOR" any other matter required to be approved by the stockholders of PacWest to facilitate the transactions contemplated by the merger agreement. For more information regarding the voting agreements, please see the section entitled "The Merger Agreement Voting Agreements" beginning on page 124.

Opinion of PacWest's Financial Advisor

On July 22, 2013, at a meeting of the PacWest board of directors held to evaluate the merger, Jefferies delivered to the PacWest board of directors an oral opinion, confirmed by delivery of a written opinion dated July 22, 2013, to the effect that, as of that date and based on and subject to various assumptions, matters considered and limitations described in Jefferies' opinion, the merger consideration was fair, from a financial point of view, to PacWest.

The full text of Jefferies' opinion describes the assumptions made, procedures followed, matters considered and limitations on the review undertaken by Jefferies. This opinion is attached as Appendix F and is incorporated by reference into this document. **Jefferies' opinion was provided for the use and benefit of the PacWest board of directors in its consideration of the merger, and did not address the relative merits of the transactions contemplated by the merger agreement as compared to any alternative transaction or opportunity that might be available to PacWest, nor did it address PacWest's underlying business decision to engage in the merger. Jefferies' opinion does not constitute a recommendation as to how any holder of shares of PacWest common stock or CapitalSource common stock should vote on the merger or any related matter.** The following summary is qualified in its entirety by reference to the full text of Jefferies' opinion. PacWest stockholders are urged to read the entire opinion carefully in connection with their consideration of the proposed merger.

In arriving at its opinion, Jefferies, among other things:

reviewed a draft dated July 19, 2013 of the merger agreement;

reviewed certain publicly available financial and other information about PacWest and CapitalSource;

reviewed certain information furnished to Jefferies by PacWest's and CapitalSource's management relating to the business, operations and prospects of PacWest and CapitalSource, respectively;

held discussions with members of senior management of PacWest and CapitalSource, respectively, concerning the matters described in the second and third bullets above;

reviewed the stock trading price history and valuation multiples for CapitalSource common stock and compared them with those of certain publicly traded companies that it deemed relevant;

analyzed the discounted cash flow of CapitalSource;

Table of Contents

compared the proposed financial terms of the merger with the financial terms of certain other transactions that Jefferies deemed relevant;

considered the potential pro forma impact of the merger;

reviewed financial forecasts prepared by various market analysts; and

conducted such other financial studies, analyses and investigations as Jefferies deemed appropriate.

In its review and analysis and in rendering its opinion, Jefferies assumed and relied upon, but did not assume any responsibility to independently investigate or verify, the accuracy and completeness of all financial and other information that was supplied or otherwise made available by CapitalSource or PacWest to Jefferies or that was publicly available to Jefferies (including, without limitation, the information described above), or that was otherwise reviewed by Jefferies. Jefferies relied on assurances of the managements of PacWest and CapitalSource that they were not aware of any facts or circumstances that would make such information inaccurate or misleading. In its review, Jefferies did not obtain any independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise) of, nor did Jefferies conduct a physical inspection of any of the properties or facilities of, PacWest or CapitalSource, and Jefferies was not furnished with and assumed no responsibility to obtain any such evaluations, appraisals, or physical inspections.

With respect to the financial forecasts provided to or at the direction of PacWest, examined by Jefferies, Jefferies' opinion noted that projecting future results of any company is inherently subject to uncertainty. Jefferies has assumed that such financial forecasts were reasonably prepared on bases reflecting the best currently available estimates. Jefferies expressed no opinion as to the financial forecasts or the assumptions on which they were made.

Jefferies' opinion was based on economic, monetary, regulatory, market and other conditions existing and which could be evaluated as of the date of Jefferies' opinion. Jefferies expressly disclaimed any undertaking or obligation to advise any person of any change in any fact or matter affecting its opinion of which Jefferies became aware after the date of its opinion.

Jefferies made no independent investigation of any legal or accounting matters affecting PacWest, and Jefferies has assumed the correctness in all respects material to Jefferies' analysis of all legal and accounting advice given to PacWest and the board of directors of PacWest, including, without limitation, advice as to the legal, accounting and tax consequences of the terms of, and transactions contemplated by, the merger agreement to PacWest. In addition, in preparing its opinion, Jefferies did not take into account any tax consequences of the transaction to any holder of CapitalSource common stock. PacWest advised Jefferies that the merger is intended to qualify as a tax-free reorganization for federal income tax purposes. In rendering its opinion, Jefferies assumed that the final form of the merger agreement would be substantially similar to the last draft reviewed by Jefferies in all respects material to its opinion. Jefferies also assumed that in the course of obtaining the necessary regulatory or third party approvals, consents and releases for the merger, no delay, limitation, restriction or condition would be imposed that would have an adverse effect on PacWest, CapitalSource or the contemplated benefits of the merger in any respect material to Jefferies' opinion.

Jefferies was not asked to address, and its opinion does not address, the fairness to, or any other consideration of, the holders of any class of securities, creditors or other constituencies of PacWest other than holders of PacWest common stock. Jefferies expressed no opinion as to the price at which shares of PacWest common stock will trade at any time. Jefferies expressed no opinion as to the price at which shares of CapitalSource common stock will trade at any time, nor does Jefferies express any view or opinion as to the fairness, financial or otherwise, of the amount or nature of any compensation payable or to be received by any of CapitalSource's officers, directors or employees, or any class of such persons, in connection with the merger relative to the merger consideration to be received by

Table of Contents

holders of shares of CapitalSource common stock. Jefferies' opinion was authorized by its Fairness Committee.

In connection with rendering its opinion to the PacWest board of directors, Jefferies performed a variety of financial and comparative analyses which are summarized below. The following summary is not a complete description of all analyses performed and factors considered by Jefferies in connection with its opinion. The preparation of a financial opinion is a complex process involving subjective judgments and is not necessarily susceptible to partial analysis or summary description. With respect to the selected company analyses and the selected precedent transactions analysis summarized below, no company or transaction used as a comparison was identical to PacWest, CapitalSource or the merger. These analyses necessarily involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the public trading or acquisition values of the companies concerned.

Jefferies believes that its analyses must be considered as a whole and that selecting portions of its analyses and factors or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying Jefferies' analyses and opinion. Jefferies did not draw, in isolation, conclusions from or with regard to any one factor or method of analysis for purposes of its opinion, but rather arrived at its ultimate opinion based on the results of all analyses undertaken by it and assessed as a whole.

The estimates of the future performance of PacWest and CapitalSource from public sources in or underlying Jefferies' analyses are not necessarily indicative of future results or values, which may be significantly more or less favorable than those estimates. In performing its analyses, Jefferies considered industry performance, general business and economic conditions and other matters, many of which were beyond the control of PacWest and CapitalSource. Estimates of the financial value of companies do not purport to be appraisals or necessarily reflect the prices at which companies or securities actually may be sold or acquired.

The merger consideration to be received in the merger was determined through negotiation between PacWest and CapitalSource, and the decision by PacWest to enter into the merger was solely that of PacWest's board of directors. Jefferies' opinion and financial analyses were only one of many factors considered by PacWest's board of directors in its evaluation of the merger and should not be viewed as determinative of the views of PacWest's board of directors or management with respect to the merger or the merger consideration.

The following is a brief summary of the material financial analyses performed by Jefferies and reviewed with PacWest's board of directors on July 22, 2013. **The financial analyses summarized below include information presented in tabular format. In order to fully understand Jefferies' financial analyses, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Jefferies' financial analyses.** For purposes of the financial analyses summarized below, the term "implied merger consideration" refers to the total implied value of the merger consideration of \$11.64 per share based on (1) the \$2.47 per share cash consideration and (2) the implied value of the stock consideration based on the 0.2837 exchange ratio and the PacWest closing stock price on July 19, 2013 of \$32.32 per share. estimated funding savings for the combined company of \$13 million in 2014, \$25 million in 2015, and \$38 million in 2016 on a pre-tax basis, based on changes in the funding bases of the combined company.

Jefferies' Compensation and Other Relationships with PacWest and CapitalSource

Under the terms of Jefferies' engagement, Jefferies recommended and PacWest agreed to pay Jefferies for its financial advisory services in connection with the merger an aggregate fee of \$9 million, \$2 million of which was payable upon delivery of Jefferies' opinion and \$7 million of which is payable contingent upon completion of the merger. In addition, PacWest agreed to reimburse Jefferies for certain expenses reasonably incurred, including fees and expenses of counsel, and to indemnify Jefferies and related parties against liabilities, including liabilities under federal securities laws, arising out of or in connection with the services rendered and to be rendered by Jefferies under its engagement.

Jefferies has not, in the past two years, provided financial advisory and financing services to PacWest or CapitalSource. Jefferies maintains a market in the securities of PacWest and CapitalSource and, in the ordinary course of business, Jefferies and its affiliates may trade or hold securities of PacWest, CapitalSource and/or their respective affiliates for Jefferies' own account and for the accounts of Jefferies' customers and, accordingly, may at any time hold long or short positions in those securities. In addition, Jefferies may in the future seek to provide financial advisory and financing services to PacWest, CapitalSource or entities that are affiliated with PacWest or CapitalSource, for which Jefferies would expect to receive compensation.

Jefferies was selected to act as PacWest's financial advisor in connection with the merger because Jefferies is an internationally recognized investment banking firm with substantial experience in merger and acquisition transactions. Jefferies is regularly engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, leveraged buyouts, negotiated underwritings, competitive bids, secondary distributions of listed and unlisted securities and private placements. Jefferies has consented to this inclusion of its opinion in the registration statement of which this document is a part.

Certain PacWest Unaudited Prospective Financial Information

PacWest does not as a matter of course make public projections as to future performance, revenues, earnings or other financial results due to, among other reasons, the uncertainty of the underlying assumptions and estimates. However, PacWest is including in this document certain unaudited prospective financial information that was made available to CapitalSource, CapitalSource's financial advisor and PacWest's financial advisor in connection with the merger. The inclusion of this information should not be regarded as an indication that any of PacWest, CapitalSource, J.P. Morgan, Jefferies, their respective representatives or any other recipient of this information considered, or now considers, it to be necessarily predictive of actual future results or that it should be construed as financial guidance, and it should not be relied on as such.

PacWest's management prepared, or approved the use of, the following unaudited prospective financial information. This information was prepared solely for internal use and is subjective in many respects. While presented with numeric specificity, the unaudited prospective financial information reflects numerous estimates and assumptions made with respect to business, economic, market, competition, regulatory and financial conditions and matters specific to PacWest's business, all of which are difficult to predict and many of which are beyond PacWest's control. PacWest can give no assurance that the unaudited prospective financial information and the underlying estimates and assumptions will be realized. In addition, since the unaudited prospective financial information covers multiple years, such information by its nature becomes less predictive with each successive year. The unaudited prospective financial information was not prepared with a view toward public disclosure, nor was it prepared with a view toward compliance with GAAP, published guidelines of the SEC or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. In addition, the unaudited prospective financial information requires significant estimates and assumptions that make it inherently less comparable to the similarly titled GAAP measures in PacWest's historical GAAP financial statements. Neither PacWest's independent registered public accounting firm, nor any other independent accountants, have compiled, examined or performed any procedures with respect to the unaudited prospective financial information contained herein, nor have they expressed any opinion or any other form of assurance on such information or its achievability.

Furthermore, the unaudited prospective financial information does not take into account any circumstances or events occurring after the date it was prepared. PacWest can give no assurance that, had the unaudited prospective financial information been prepared either as of the date of the merger agreement or as of the date of this document, similar estimates and assumptions would be used. PacWest does not intend to, and disclaims any obligation to, make publicly available any update or other revision to the unaudited prospective financial information to reflect circumstances existing since their preparation or to reflect the occurrence of unanticipated events, even in the event that any or all of the underlying assumptions are shown to be in error, or to reflect changes in general economic or industry conditions. The unaudited prospective financial information does not take into account the possible financial and other effects on either CapitalSource or PacWest, as applicable, of the merger and does not attempt to predict or suggest future results of the combined company. Further, the unaudited prospective financial information does not take into account the effect on either CapitalSource or PacWest, as applicable, of any possible failure of the merger to occur. The inclusion of the unaudited prospective financial information herein should not be deemed an admission or representation by CapitalSource or PacWest that it is viewed as material information of PacWest, particularly in light of the inherent risks and uncertainties associated with such forecasts. The summary of the unaudited prospective financial information included below is not being included to influence your decision whether to vote for the merger and the transactions contemplated in connection with the merger, but is being provided solely because it was made available to CapitalSource's financial advisor, and to CapitalSource in connection with CapitalSource's due diligence of PacWest, as well as to PacWest's financial advisor, in connection with the merger.

In light of the foregoing, and considering that the PacWest special meeting will be held several months after the unaudited prospective financial information was prepared, as well as the uncertainties inherent in any forecasted information, PacWest stockholders are cautioned not to place unwarranted reliance on such information, and PacWest urges all stockholders to review PacWest's most recent SEC filings for a description of PacWest's reported financial results. Interests of PacWest Directors and Executive Officers in the Merger

In considering the recommendation of the PacWest board of directors with respect to the merger, PacWest stockholders should be aware that the executive officers and directors of PacWest have certain interests in the merger that may be different from, or in addition to, the interests of PacWest stockholders generally. The PacWest board of directors was aware of these interests and considered them, among other matters, in approving the merger agreement and the transactions contemplated thereby and making its recommendation that PacWest stockholders vote to approve the PacWest Merger proposal. These interests are described in further detail below. Please note that, except as

otherwise noted, amounts specified below have been calculated assuming that the merger was consummated on October 31, 2013 and, where applicable, assuming each executive officer experienced a qualifying termination of employment as of October 31, 2013 and a per share price of PacWest common stock as quoted on NASDAQ of \$35.18, the average closing price per share of PacWest common stock over the first five business days following the public announcement of the merger.

Treatment of PacWest's Equity Awards

The consummation of the merger will constitute a "change in control" and as a result all unvested time-based and performance-based restricted stock or other equity awards will fully vest upon the consummation of the merger. The following table shows the value of the acceleration for the directors and executive officers based on holdings as of October 31, 2013 and a stock price of \$35.18 per share of PacWest common stock (as described above):

Executive Severance Pay Plan

PacWest has adopted an Executive Severance Pay Plan, referred to as the ESPP, which provides for severance compensation for PacWest's executive officers in the event of termination without "cause" or for "good reason" (as each is defined in the ESPP) within two years following a change in control. The ESPP requires that there be both a change in control and a termination by PacWest without "cause" or a termination by the participant for "good reason", which is often referred to as a "double-trigger." The consummation of the merger will constitute a "change in control" under the ESPP.

In the event an executive is terminated by PacWest without "cause" or terminates his or her employment for "good reason" within two years after the consummation of the merger, PacWest will (i) provide or pay, as the case may be, the participant (a) his or her accrued base salary and benefits through termination, plus his or her pro rata target annual bonus for the year in which the participant is terminated, and (b) a designated multiple of the participant's highest annual compensation (annual base salary plus annual target bonus) for any calendar year in the three calendar years ending with the calendar year of termination and (ii) provide the participant and his or her dependents with medical, dental, disability and life insurance coverage for the number of years corresponding to the participant's severance multiple, unless the participant obtains other health coverage. If a participant is subject to any excise tax imposed under Section 4999 of the Internal Revenue Code by reason of a change in control, then PacWest will gross-up the participant so that he or she is made whole. Mr. Wagner has a severance multiple of three and each of the other PacWest named executive officers has a severance multiple of two. PacWest's other executive officers have a severance multiple of two, except for certain executive officers who have a severance multiple of one.

Edgar Filing: PACWEST BANCORP - Form 424B3

The following table shows the potential severance payments for the executive officers based on an assumed separation date of October 31, 2013 and a stock price of \$35.18 per share of PacWest common stock (as described above):

Combined Company's Officers and Directors.

The merger agreement provides that, at the effective time, the number of directors that will comprise the full board of directors of the combined company will be 13. Of the members of the initial board of directors of the combined company at the effective time, eight will be designated by PacWest, each of whom is mutually agreeable to the parties. In addition, at the effective time, Matthew P. Wagner, the current chief executive officer of PacWest, will be the chief executive officer of the combined company and John M. Eggemeyer III, the current chairman of the board of directors of PacWest, will be the chairman of the board of directors of the combined company.

Interests of John M. Eggemeyer III

PacWest's chairman of the board of directors, John M. Eggemeyer III, who will become chairman of the board of directors of the combined company at the effective time, is chief executive officer of Castle Creek Financial, LLC. Pursuant to an agreement, dated May 18, 2011, PacWest retained Castle Creek Financial as its financial advisor and PacWest will pay Castle Creek Financial a fee upon the consummation of the merger.

Castle Creek Financial performed various customary financial advisory services for PacWest in connection with entering into the merger agreement, including assisting PacWest in structuring the financial aspects of the transaction, financial modeling and statistical analysis and assistance in negotiation of the financial terms of the merger agreement. In the event of an acquisition of a financial institution by PacWest for greater than \$20 million, the contract under which Castle Creek Financial performs these services provides for a fee of \$200,000 plus 0.65% of the amount of the transaction value in excess of \$20 million, subject to reduction for certain expenses. Castle Creek Financial is also entitled to reimbursement of its reasonable expenses incurred on behalf of PacWest. Pursuant to the engagement letter and further discussions between the parties, the fee payable by PacWest to Castle Creek Financial has been reduced to \$9 million which will be paid at the closing of the merger.

Table of Contents**Interests of CapitalSource Directors and Executive Officers in the Merger**

In considering the recommendation of the CapitalSource board of directors with respect to the merger, CapitalSource stockholders should be aware that the executive officers and directors of CapitalSource have certain interests in the merger that may be different from, or in addition to, the interests of CapitalSource stockholders generally. The CapitalSource board of directors was aware of these interests and considered them, among other matters, in approving the merger agreement and the transactions contemplated thereby and making its recommendation that CapitalSource stockholders vote to approve the CapitalSource merger proposal. These interests are described in further detail below. Please note that, except as otherwise noted, amounts specified below have been calculated assuming that the merger was consummated on October 31, 2013 and, where applicable, assuming each executive officer experienced a qualifying termination of employment as of October 31, 2013.

Treatment of Outstanding Equity Awards

Upon consummation of the merger, CapitalSource equity awards that are outstanding immediately prior to the consummation of the merger will fully vest (to the extent unvested immediately prior to the merger) and will be converted into a number of shares of PacWest common stock equal in value to the aggregate value of the applicable CapitalSource equity award immediately prior to the merger, according to the formulas described below:

Value of Merger Consideration. Solely for purposes of determining the number of shares of PacWest common stock into which CapitalSource equity awards will be converted, the value of the merger consideration under the merger agreement equals: (i) \$2.47 (the cash portion of the per share merger consideration), plus (ii) 0.2837 (the fraction of a share of PacWest common stock comprising the stock portion of the merger consideration) multiplied by the average closing price of PacWest common stock as quoted on NASDAQ over the 15 trading days ending on the trading day immediately preceding the date the merger is consummated.

CapitalSource Stock Options. At the effective time, each outstanding option to purchase shares of CapitalSource common stock, whether vested or unvested, that is in-the-money (that is, has an exercise price less than the value of the per share merger consideration) will vest (to the extent it is not already vested) and each such outstanding option will convert into the right to receive a number of shares of PacWest common stock equal to (i) the number of shares of CapitalSource common stock subject to the option immediately before the merger is consummated, multiplied by (ii) the excess of the value of the per share merger consideration over the exercise price of the option, divided by (iii) the value of a share of PacWest common stock (calculated based on the average closing price described above). Cash will be paid in lieu of any fractional shares of PacWest common stock. Options with an exercise price greater than or equal to the value of the per share merger consideration, whether vested or unvested, will be cancelled for no consideration.

CapitalSource Restricted Stock Unit and Restricted Stock Awards. At the effective time, each CapitalSource restricted stock unit and restricted stock award will vest in full and entitle the holder to receive a number of shares of PacWest common stock equal to (i) the number of shares of CapitalSource common stock subject to the award, multiplied by (ii) the value of the per share merger consideration, divided by (iii) the value of a share of PacWest common stock (calculated based on the average closing price described above), plus any accrued but unpaid dividend equivalents. Cash will be paid in lieu of any fractional shares of PacWest common stock.

Table of Contents

CapitalSource Deferred Units. At the effective time, each CapitalSource deferred unit will vest in full (to the extent not vested) and be converted into the right for the holder to receive a number of shares of PacWest common stock equal to (i) the number of shares of CapitalSource common stock underlying such deferred unit, multiplied by (ii) the value of the per share merger consideration, divided by (iii) the value of a share of PacWest common stock (calculated based on the average closing price described above), plus any accrued but unpaid dividend equivalents, with fractional shares to be credited and paid in cash at the applicable settlement date.

The merger agreement requires shares of PacWest common stock to be delivered, net of withholding taxes, to CapitalSource equity award holders no later than five business days after the merger is consummated; provided that deferred units or RSUs that are deferred compensation under Section 409A of the Internal Revenue Code will be paid in shares of PacWest common stock, plus earnings and dividends credited to the equity holder's account after consummation of the merger, on the scheduled payment date(s) under the CapitalSource Inc. Amended and Restated Deferred Compensation Plan or the applicable award agreement.

Summary Tables

The following tables show estimated payments that could be made to CapitalSource executive officers and members of the board of directors for their vested and unvested stock options, restricted stock awards, RSU awards, and vested and unvested deferred units, as applicable. For purposes of the calculations in this section and the calculations in the section entitled "Merger-Related Compensation for CapitalSource's Named Executive Officers", the merger is assumed to have been consummated as of October 31, 2013 and the merger consideration value is assumed to be \$12.05 per share of CapitalSource common stock (based on the average closing market price per share of CapitalSource's common stock as quoted on the NYSE over the first five business days following the public announcement of the transaction). The actual amounts to be received by CapitalSource executive officers and directors in respect of their CapitalSource equity awards in connection with the merger will depend on certain factors, including the date on which the merger is actually consummated and the average closing price of PacWest common stock as quoted on NASDAQ over the 15 trading days ending on the trading day immediately preceding the date the merger is consummated and will differ from the amounts set forth below.

Executive Officers. The table below shows, for each named executive officer and the remaining executive officers as a group, assuming the merger were consummated as of October 31, 2013 and using the assumed merger consideration value of \$12.05 per share of CapitalSource common stock (as described above), (i) the number of shares of CapitalSource common stock subject to vested "in-the-money" options held and the value of the merger consideration that would be received for such vested options upon completion of the merger, (ii) the number of shares of CapitalSource common stock subject to unvested "in-the-money" stock options held and the value of the merger consideration that that would be received for such options that vest upon completion of the merger and (iii) the number of shares of CapitalSource common stock subject to restricted stock or RSU awards held and the value of the merger consideration that would be received for such restricted stock or RSU awards

(1) Shares of CapitalSource common stock underlying restricted stock units and restricted stock awards are rounded to the nearest whole share in the table above.

(2) Mr. Corsini holds approximately 17,858 shares of restricted stock that are scheduled to vest on December 15, 2013, before the expected consummation of the merger. The total value of the merger consideration for Mr. Corsini's equity awards after giving effect to this scheduled vesting would be approximately \$1,473,688 for his unvested equity awards and approximately \$2,171,308 for his vested and unvested equity awards, based on the assumed \$12.05 per share merger consideration value described above.

(3) The following unvested equity awards held by Messrs. Scardelletti and Smith have vested or are scheduled to vest before the expected consummation of the merger: approximately 37,705 shares of restricted stock held by Mr. Scardelletti vested on November 15, 2013 and approximately 13,526 shares of restricted stock held by Mr. Smith are scheduled to vest on December 15, 2013. The total value of the merger consideration for their equity awards after giving effect to this vesting would be approximately \$1,630,161 for their unvested equity awards and approximately \$2,943,861 for their vested and unvested equity awards, based on the assumed \$12.05 per share merger consideration value described above.

Non-Employee Directors. The table below shows, for each non-employee director, assuming the merger was consummated as of October 31, 2013 and using the assumed merger consideration value of \$12.05 per share of CapitalSource common stock (as described above), (i) the number of shares of CapitalSource common stock subject to vested "in-the-money" options held by him or her and the value of the merger consideration that he or she would receive for such vested options upon completion of the merger, (ii) the number of shares of CapitalSource common stock subject to vested deferred units held by him or her and the value of the merger consideration that he or she would receive for such deferred units upon completion of the merger and (iii) the number of shares of CapitalSource common stock subject to unvested deferred units and restricted stock awards held by him or her and the value of the merger consideration that he or she would receive for such deferred

Employment and Change in Control Arrangements

CapitalSource has entered into employment agreements with Messrs. Pieczynski, Lowrey, Bogler, Boulden and Corsini and a change in control agreement with Mr. Scardelletti. In addition, the merger agreement provides that, as of the consummation of the merger, Mr. Smith will be eligible to participate in the PacWest Executive Severance Pay Plan. The summary below describes the payments and benefits to which the executive officers are expected to become entitled in connection with the consummation of the merger. The merger agreement provides that the merger is deemed a change in control for purposes of certain CapitalSource compensation and benefits arrangements, including the employment and change in control arrangements described below.

Pursuant to the merger agreement, effective as of the consummation of the merger, the employment agreements with each of Messrs. Pieczynski, Boulden and Corsini and the change in control agreement with Mr. Scardelletti will be terminated, and each of the executives will be entitled to receive a cash payment equal to the severance payments and benefits to which they would be entitled under their respective employment and change in control agreements if their employment is terminated without cause or for good reason as of the consummation of the merger. The payments will be made on the date that the merger is consummated, except that, to the extent that payment would not be permissible under applicable tax law, the payment will be credited to a fully vested and non-forfeitable interest bearing account in the executive's name under the CapitalSource Amended and Restated Deferred Compensation Plan to be paid at such time as permitted under applicable tax law.

Employment Agreements. The employment agreements with Messrs. Lowrey and Bogler provide that if the executive is terminated by the executive's employer without cause or by the executive for good reason (each as defined in the applicable employment agreement) within 24 months after a change in control or within the period beginning three months prior to the execution of a binding agreement for a transaction or the making of a tender or exchange offer that would, if consummated, result in a change in control and ending on the date of the change in control or, if earlier, the date when the transaction is abandoned, then the executive will be entitled to the following payments and benefits (in addition to base salary and accrued benefits through the termination date): (i) a cash lump sum payment equal to two-and-one-half times (for Mr. Lowrey) or two times (for Mr. Bogler) the executive's base salary as of the termination date plus two-and-one-half times (for Mr. Lowrey) or two times (for Mr. Bogler) the average bonuses the executive earned for the two years prior to the year of termination, (ii) a pro rata bonus for the year of termination, (iii) all outstanding equity awards that the executive holds will immediately vest and all options will remain exercisable for five years following the termination date, and (iv) the executive and his covered dependents will be entitled to continued participation, on the same terms and conditions as immediately prior to the termination date, for

Table of Contents

24 months (for Mr. Lowrey) or 18 months (for Mr. Bogler) or such earlier time as the executive becomes eligible for comparable benefits elsewhere, in health and life insurance coverage in which the executive and his eligible dependents were participating immediately prior to the termination date (or, for Mr. Lowrey, if the employer cannot provide coverage after 18 months, the employer will make payments to the executive on an after-tax basis equal to the COBRA premiums for any period after 18 months).

Messrs. Lowrey and Bogler are not expected to continue employment with the combined company following the merger. Accordingly, in connection with a qualifying termination of their employment upon consummation of the merger, they will be entitled to the severance payments and benefits described above.

Effective upon consummation of the merger, Mr. Pieczynski and Mr. Boulden will be entitled to the same payments and benefits described above for Mr. Lowrey and Mr. Bogler, respectively, except that, in full settlement of CapitalSource's obligations to each of Mr. Pieczynski and Mr. Boulden in connection with the termination of their employment agreements, Messrs. Pieczynski and Boulden each will receive a lump sum cash payment equal to the value of such payments and benefits (other than equity awards) as if they experienced qualifying termination on the date the merger was consummated.

In full settlement of CapitalSource's obligations to Mr. Corsini in connection with the termination of his employment agreement, Mr. Corsini will be entitled to a lump sum cash payment equal to the value of the following payments and benefits: (i) an amount equal to the greater of (a) two times the sum of Mr. Corsini's base salary and the average of the annual bonuses earned by Mr. Corsini for the two calendar years immediately preceding the year of the effective date of the merger, if any, and (b) \$1.8 million, (ii) a pro rata bonus for the year of the termination, and (iii) 18 months of health and life insurance coverage on the same terms as applied to Mr. Corsini and his eligible dependents immediately prior to the consummation of the merger.

Each of the employment agreements described above provides that receipt of payment is subject to signing a release of claims in favor of CapitalSource and contains perpetual confidentiality, non-disclosure and non-disparagement covenants and non-compete and non-solicitation covenants applicable until 12 months after the earlier of the expiration of the term of the applicable employment agreement and the date of termination of the executive's employment.

Additionally, under each of the employment agreements described above, if an executive is a "disqualified individual," as defined in Section 280G of the Internal Revenue Code, then any right to receive a payment or benefit under the applicable employment agreement will not be paid or become vested or exercisable, to the extent that (i) the right to payment, vesting or exercise would cause any payment or benefit to the executive to be considered a "parachute payment" under Section 280G of the Internal Revenue Code, and (ii) as a result of receiving such parachute payment, the aggregate after-tax amounts received by the executive from his employer would be less than the maximum after-tax amount that could be received by him without causing any such payment or benefit to be considered a parachute payment. The merger is not expected to be a change in control of CapitalSource for purposes of Section 280G of the Internal Revenue Code and, as such, it is not expected that the reduction of payments or benefits will apply.

Change in Control Arrangements. In full settlement of CapitalSource's obligations to Mr. Scardelletti in connection with the termination of his change in control agreement, Mr. Scardelletti will be entitled to a lump sum cash payment equal to the value of the following payments and benefits, which he would receive under his change in control agreement if his employment were terminated by CapitalSource Bank without cause or by Mr. Scardelletti for good reason (each as defined in his employment agreement) within 12 months following a change in control: (i) two times his base salary as of the date of termination and the average of the annual cash bonuses paid for the two years prior to the year of termination and (ii) 18 months of health coverage on the same terms as applied to Mr. Scardelletti and his eligible dependents immediately prior to the consummation of the merger.

Table of Contents

Mr. Scardelletti's payments and benefits are subject to the same reduction of potential "parachute payments" under Section 280G of the Internal Revenue Code described above in the section entitled "Employment Agreements." However, as the merger is not expected to be a change in control of CapitalSource for purposes of Section 280G of the Internal Revenue Code, it is not expected that the reduction of payments or benefits will apply.

Effective as of the consummation of the merger, Mr. Smith will participate in PacWest's ESPP. In the event that he is terminated by PacWest without "cause" or he terminates his employment for "good reason" within two years after consummation of the merger, Mr. Smith will be entitled to the following payments and benefits (in addition to base salary and accrued benefits through the termination date): (i) one times his highest annual compensation (annual base salary plus annual target bonus) for any calendar year in the three calendar years ending with the calendar year of termination, (ii) a prorated target bonus for the year of termination, and (iii) health, disability and life insurance benefits for 12 months after termination, or such earlier time as he becomes eligible for similar benefits elsewhere. In consideration for the severance, Mr. Smith will be prohibited from soliciting PacWest employees for two years following termination of his employment.

Mr. Smith is not expected to continue employment with the combined company following the merger. Accordingly, because he will be experiencing a qualifying termination, he is expected to become entitled to the severance payments and benefits described above upon consummation of the merger.

The aggregate estimated value of payments and benefits to which Messrs. Scardelletti and Smith would be entitled (excluding the value of the accelerated vesting of equity awards), if the merger were consummated as of October 31, 2013 and the executive officer's employment (for Mr. Smith) or change in control agreement (for Mr. Scardelletti) were terminated on that date is \$2,300,991.

Indemnification and Insurance

Pursuant to the terms of the merger agreement, following the effective time, PacWest has agreed to indemnify present and former directors and officers of CapitalSource in connection with any claim arising out of actions or omissions occurring at or prior to the effective time to the fullest extent permitted under law as described in "The Merger Agreement Conduct of Business Prior to the Completion of the Merger Indemnification and Directors' and Officers' Insurance."

Board of Directors of PacWest Bank After the Merger

Pursuant to the merger agreement, the board of directors of the combined company will consist of 13 members, five of whom will be designated by CapitalSource, each of whom will be mutually agreeable to PacWest and CapitalSource. At the effective time, Mr. Lowrey, current chief executive officer and chairman of CapitalSource Bank, will be the chairman of the board of directors of the surviving bank in the bank merger.

Merger-Related Compensation for CapitalSource's Named Executive Officers

The table below sets forth the estimated amounts of compensation and benefits that each named executive officer of CapitalSource could receive that are based on or otherwise relate to the merger. This compensation is referred to as "golden parachute compensation" by the applicable SEC disclosure rules, and in this section we use such term to describe the merger-related compensation payable to CapitalSource's named executive officers. The golden parachute compensation payable to these individuals is subject to a nonbinding advisory vote of CapitalSource's shareholders, as described above in "CapitalSource Proposals CapitalSource Advisory (Non-Binding) Proposal on Specified Compensation Proposal."

Table of Contents

The consummation of the merger will constitute a "change in control" under the terms of certain CapitalSource benefit plans. For a description of golden parachute compensation payable to and the treatment of outstanding equity awards held by CapitalSource directors and executive officers, see "Interests of CapitalSource Directors and Executive Officers in the Merger" beginning on page 91.

The following table sets forth the amount of payments and benefits that may be paid or become payable to each of the named executive officers in connection with the merger, assuming: (1) the closing date of the merger occurred on October 31, 2013; (2) a merger consideration value of \$12.05 per share of CapitalSource common stock (based on the average closing market price per share of CapitalSource common stock as quoted on the NYSE over the first five business days following the public announcement of the merger, as required by the applicable SEC disclosure rules) and (3) for certain of the named executive officers, a qualifying termination of employment occurred on October 31, 2013. The amounts shown below are estimates based on multiple assumptions made for purposes of disclosure in this document. The actual amounts to be received by a named executive officer may differ materially from the amounts set forth below.

Name	Cash	Equity	Perquisites/ Benefits	Total
	\$(1)	\$(2)	\$(3)	(\$)
James J. Pieczynski	4,195,514	2,165,973	34,452	6,395,939
John A. Bogler	2,264,795	1,716,679	25,502	4,006,976
Douglas (Tad) Lowrey	4,195,514	2,165,973	24,018	6,385,505
Bryan M. Corsini	2,264,795	1,688,877	25,502	3,979,174
Laird M. Boulden	2,354,795	1,726,854	25,502	4,107,151

- (1) Upon consummation of the merger, in satisfaction of any obligations owed to Messrs. Pieczynski, Corsini and Boulden in connection with the termination of their respective employment agreements with CapitalSource, the three executives are entitled to a cash payment equal to the value of severance and benefits to which they would be entitled if they experienced a qualifying termination of employment as of the consummation of the merger. For Messrs. Pieczynski, Corsini and Boulden, the amounts in the Cash column above represent the portion of such payment that would be attributable to cash severance and pro-rata bonus. For Messrs. Bogler and Lowrey, the amounts in the Cash column represent "double trigger" severance and pro rata bonus payments to be made to them upon the qualifying termination of their employment as of the consummation of the merger. These payments are described above in the section entitled "Employment Agreements". Pro rata bonuses are calculated assuming performance at the target level. Set forth below are the values of the cash amounts that are attributable to severance and pro rata annual bonus:

Name	Cash Severance	Pro Rata Bonus
	(\$)	(\$)
James J. Pieczynski	3,612,500	583,014
John A. Bogler	1,890,000	374,795
Douglas (Tad) Lowrey	3,612,500	583,014
Bryan M. Corsini	1,890,000	374,795
Laird M. Boulden	1,980,000	374,795

- (2) All unvested equity awards held by the named executive officers will vest "single trigger" upon consummation of the merger and be converted into shares of PacWest common stock as described in the section entitled "Treatment of Outstanding Equity Awards". In accordance with applicable disclosure rules, the price per share of CapitalSource common stock used to calculate the amounts below equals \$12.05, the average closing market price per share of CapitalSource's common stock on the NYSE over the first five business days following the public announcement of the

transaction. Individual values for the accelerated vesting of equity awards, using the \$12.05 price per share of CapitalSource common stock, are set forth below:

Name	CapitalSource Stock Options (\$)	CapitalSource Restricted Shares (\$)	CapitalSource Restricted Stock Units (\$)
James J. Pieczynski	1,391,600	0	774,373
John A. Bogler	182,250	1,534,429	0
Douglas (Tad) Lowrey	1,391,600	0	774,373
Bryan M. Corsini	0	1,688,877	0
Laird M. Boulden	473,750	1,253,104	0

As described in the section entitled "Summary Tables Executive Officers", approximately 17,858 shares of restricted stock held by Mr. Corsini are scheduled to vest on December 15, 2013, before the expected consummation of the merger. After giving effect to that scheduled vesting, the value of the merger consideration payable to him in respect of the accelerated vesting of his equity awards, based on the assumptions described above, would be approximately \$ 1,473,688, resulting in a total golden parachute compensation value of \$3,763,985.

(3)

For Messrs. Pieczynski, Corsini and Boulden, the amounts in the Perquisites/Benefits column represent the portions of the cash payment they would receive upon consummation of the merger that are attributable to the value of health and life insurance premiums for 24 months (for Mr. Pieczynski) or 18 months (for Messrs. Corsini and Boulden). For Messrs. Bogler and Lowrey, the amounts in the Perquisites/Benefits column represent the value of health and life insurance premiums that would be provided to the executives for 24 months (for Mr. Lowrey) and 18 months (for Mr. Bogler) following the qualifying termination of their employment upon the consummation of the merger. These payments and benefits are described above in the section entitled "Employment Agreements". The estimates are based on CapitalSource-paid premiums under CapitalSource's medical, dental, vision and life insurance plans, effective September 1, 2013.

Merger-Related Compensation for PacWest's Named Executive Officers

The table below sets forth the estimated amounts of compensation and benefits that each named executive officer of PacWest could receive that are based on or otherwise relate to the merger. This compensation is referred to as "golden parachute" compensation by the applicable SEC disclosure rules, and in this section we use such term to describe the merger-related compensation payable to PacWest's named executive officers. The golden parachute compensation payable to these individuals is subject to a nonbinding advisory vote of PacWest's shareholders, as described above in "PacWest Proposals PacWest Advisory (Non-Binding) Proposal on Specified Compensation Proposal."

The consummation of the merger will constitute a "change in control" under the terms of certain PacWest benefit plans. For a description of golden parachute compensation payable to and the treatment of outstanding equity awards held by PacWest directors and executive officers, see "Interests of PacWest Directors and Executive Officers in the Merger" beginning on page 88.

The following table sets forth the amount of payments and benefits that may be paid or become payable to each of the named executive officers in connection with the merger, assuming: (1) the effective time occurred on October 31, 2013; (2) a per share price of PacWest common stock of \$35.18 (based on the average closing market price per share of PacWest common stock as quoted on NASDAQ over the first five business days following the public announcement of the merger, as required by the applicable SEC disclosure rules), and (3) an involuntary termination on October 31, 2013. The amounts shown below are estimates based on multiple assumptions made for purposes of

- (1) Represents that value of cash severance payable under the ESPP, which is a "double trigger" program, meaning payments are made only if the executive suffers a covered termination of employment within two years following the change in control. The amounts shown in the first column of the above table are based on the following assumptions and provisions of the plan: in the event the named executive is terminated within two years after a change in control either (i) by PacWest for any reason other than cause or (ii) by the executive for good reason, PacWest is required to pay an amount equal to 200% (300% in the case of Mr. Wagner) of the sum of the executive's base salary and target Executive Incentive Compensation Plan award.
- (2) Represents the value of the acceleration of "single trigger" stock awards under PacWest's 2003 Stock Incentive Plan, which provides that, upon a change in control, any unvested time-based or performance-based restricted stock, or other equity awards would fully vest.
- (3) Represents, pursuant to the ESPP and only available upon a covered termination, reimbursement for COBRA payments, an automobile allowance, life, medical, long-term care and disability insurance premiums, and club dues.
- (4) Represents, pursuant to the ESPP but available whether or not the executive has been terminated, reimbursement for any excise taxes imposed under Section 4999 of the internal revenue code in the event the executive is terminated. In the event that the executive is not terminated, then the reimbursement for any excise taxes imposed under Section 4999 is estimated to only be:

Regulatory Approvals Required for the Merger

Completion of the merger and the bank merger are subject to the receipt of approvals from the Federal Reserve Board, FDIC and CDBO and any other approval from any governmental authority the failure of which to be obtained is reasonably likely to have, individually or in the aggregate, a material adverse effect on the combined company, as well as the expiration of any statutory waiting periods in respect of any of the foregoing, in each case subject to the condition that none of the approvals shall contain any "materially burdensome regulatory condition". The merger agreement defines a "materially burdensome regulatory condition" to mean any condition that would reasonably be likely following the effective time to (i) have a material adverse effect with respect to the combined company and its subsidiaries, taken as a whole, or (ii) require PacWest, Pacific Western Bank, the combined company or the surviving bank in the bank merger to raise additional capital in an amount that would materially

Table of Contents

reduce the economic benefits of the merger to the holders of PacWest common stock (including the CapitalSource stockholders in respect of the shares of PacWest common stock received by them in the merger). The merger and the bank merger are also subject to the consent of the FDIC under the shared-loss agreements between Pacific Western Bank and the FDIC that the shared-loss agreements will remain in effect after the merger. Notifications and/or applications requesting approval may also be submitted to various other federal and state regulatory authorities and self-regulatory organizations. PacWest and CapitalSource have agreed to use their reasonable best efforts to cooperate and use their respective reasonable best efforts to prepare and file, or in the case of PacWest cause to be filed, all documentation to effect all necessary notices, reports and other filings and to obtain all permits, consents, approvals and authorizations necessary or advisable to be obtained from any third parties and/or governmental authorities in order to consummate the merger, the bank merger or any of the other transactions contemplated by the merger agreement. PacWest, CapitalSource and/or their respective subsidiaries have filed applications and notifications to obtain these regulatory approvals.

Although the parties currently believe they should be able to obtain all required regulatory approvals in a timely manner, they cannot be certain when or if they will obtain them or, if obtained, whether they will contain terms, conditions or restrictions not currently contemplated that will be detrimental to the combined company after the completion of the merger or will contain a materially burdensome regulatory condition.

Federal Reserve Board

PacWest is a bank holding company as defined in the BHC Act. The primary regulator of PacWest is the Federal Reserve Board. PacWest has filed a notice with the Federal Reserve under Sections 4(c)(8) and 4(j) of the BHC Act for the transactions contemplated by the merger agreement. In considering the approval of the merger, the Federal Reserve Board is required by the BHC Act to review, with respect to PacWest and the companies and insured depository institution to be acquired: (1) financial and managerial resources and the effect of the proposed transaction on these resources, including the management expertise, internal controls and risk management systems, (2) the effect of the proposal on competition and (3) whether the proposed transaction can reasonably be expected to produce benefits to the public, such as greater convenience, increased competition or gains in efficiency, that outweigh possible adverse effects such as undue concentration of resources, decreased or unfair competition, conflicts of interest, unsound banking practices or risk to the stability of the United States banking or financial system. The Federal Reserve Board also reviews the records of the relevant insured depository institutions under the Community Reinvestment Act of 1997, referred to as the CRA. In connection with such a review, the Federal Reserve Board will provide an opportunity for public comment on the application and is authorized to hold a public meeting or other proceeding if it determines such meeting or other proceeding would be appropriate.

Federal Deposit Insurance Corporation

The prior approval of the FDIC will be required under Section 18(c) of the Federal Deposit Insurance Act, referred to as the Bank Merger Act, to merge CapitalSource Bank with and into Pacific Western Bank. In evaluating an application filed under the Bank Merger Act, the FDIC generally considers: (1) the competitive impact of the transaction, (2) financial and managerial resources of each bank that is a party to the bank merger, (3) each of the banks' effectiveness in combating money-laundering activities, (4) the convenience and needs of the communities in which the banks serve and (5) the extent to which the bank merger would result in greater or more concentrated risks to the stability of the U.S. banking or financial system. The FDIC also reviews the performance records of the relevant depository institutions under the CRA, including their CRA ratings. In connection with its review under the Bank Merger Act, the FDIC will provide an opportunity for public comment on the

Table of Contents

application for the bank merger, and is authorized to hold a public meeting or other proceeding if it determines that would be appropriate.

Transactions approved by the FDIC generally may not be completed until 30 days after the approval of the FDIC is received, during which time the Department of Justice, referred to as the DOJ, may challenge the transaction on antitrust grounds. With the approval of the FDIC and the concurrence of the DOJ, the waiting period may be reduced to no less than 15 days. The commencement of an antitrust action would stay the effectiveness of such an approval unless a court specifically ordered otherwise. In reviewing the merger, the DOJ could analyze the merger's effect on competition differently than the FDIC, and thus it is possible that the DOJ could reach a different conclusion than the FDIC regarding the bank merger's effects on competition. A determination by the DOJ not to object to the merger may not prevent the filing of antitrust actions by private persons or state attorneys general.

California Department of Business Oversight

The prior approval of the CDBO will be required under the California Financial Code to merge CapitalSource Bank with and into Pacific Western Bank. In reviewing the merger of CapitalSource Bank with Pacific Western Bank, the CDBO will take competitive considerations into account, as well as capital adequacy, quality of management and earnings prospects, in terms of both quality and quantity. The CDBO will also take into account the record of performance of the banks concerned in meeting the credit needs of the entire community, including low- and moderate-income neighborhoods, served by such companies and depository institutions. The CDBO will take into account CRA ratings when considering approval of the proposed transaction. In considering the merger, the California Financial Code also requires the CDBO to consider whether the proposed transaction is unfair, unjust or inequitable to the bank being acquired or to its depositors, creditors or stockholders.

PacWest has submitted to the CDBO a request for exemption from Section 1250 of the California Financial Code dealing with acquisition of control of a California-chartered bank or any corporation controlling a California-chartered bank. If the CDBO does not grant an exemption, then PacWest would be required to obtain prior approval for PacWest to acquire CapitalSource and CapitalSource Bank. In reviewing the application, the CDBO will take into account the same factors and considerations discussed above in the context of the application to the CDBO to merge the banks.

Additional Regulatory Approvals and Notices

Notifications and/or applications requesting approval may be submitted to various other federal and state regulatory authorities and self-regulatory organizations.

Although PacWest and CapitalSource expect to obtain the required regulatory approvals, there can be no assurances as to if, or when, these regulatory approvals will be obtained, the terms and conditions on which the approvals may be granted, or whether there will be litigation challenging such approvals. There can likewise be no assurances that U.S. or state regulatory authorities will not attempt to challenge the merger on antitrust grounds or for other reasons, or, if such a challenge is made, as to the result of any such challenge.

Accounting Treatment

In accordance with current accounting guidance, the merger will be accounted for using the acquisition method. The result of this is that (a) the recorded assets and liabilities of PacWest will be carried forward at their recorded amounts, (b) PacWest's historical operating results will be unchanged for the prior periods being reported on and (c) the assets and liabilities of CapitalSource will be adjusted to fair value at the date of the merger. In addition, all identifiable intangibles will be recorded at fair value and included as part of the net assets acquired. The amount by which the purchase price,

Table of Contents

consisting of the value of cash and shares of PacWest common stock to be issued to former CapitalSource stockholders and shares of PacWest common stock to be issued to former holders of CapitalSource stock options, RSUs, restricted shares and deferred units, exceeds the fair value of the net assets including identifiable intangibles of CapitalSource at the merger date will be reported as goodwill. In accordance with current accounting guidance, goodwill is not amortized and will be evaluated for impairment annually. Identified intangibles will be amortized over their estimated lives. Further, the acquisition method of accounting results in the operating results of CapitalSource being included in the operating results of PacWest beginning from the date of completion of the merger.

Public Trading Markets

PacWest common stock is listed on NASDAQ under the symbol "PACW." CapitalSource common stock is listed on the NYSE under the symbol "CSE." Upon completion of the merger, CapitalSource common stock will be delisted from the NYSE and thereafter will be deregistered under the Exchange Act. The PacWest common stock issuable in the merger will be listed on NASDAQ.

Exchange of Shares in the Merger

At or prior to the effective time, PacWest will appoint an exchange agent to handle the exchange of shares of CapitalSource common stock for cash and shares of PacWest common stock. As promptly as practicable after the effective time (and in any event within five business days), the exchange agent will send to each holder of record of CapitalSource common stock at the effective time a letter of transmittal and instructions for effecting the exchange of CapitalSource common stock for the merger consideration the holder is entitled to receive under the merger agreement. Upon surrender of stock certificates or book-entry shares for cancellation along with the executed letter of transmittal and other documents described in the instructions, a CapitalSource stockholder will receive a check in the amount (after giving effect to any required tax withholdings as provided in the merger agreement) equal to \$2.47 multiplied by the number of shares of CapitalSource common stock held by such holder plus any cash in lieu of fractional shares and any whole shares of PacWest common stock such holder is entitled to receive based on the exchange ratio of 0.2837. After the effective time, CapitalSource will not register any transfers of shares of CapitalSource common stock.

PacWest stockholders need not take any action with respect to their stock certificates or book-entry shares of PacWest common stock.

Tax Benefit Preservation Plan

The merger agreement provides that, at or immediately following the closing, PacWest will adopt a tax benefit preservation plan designed to preserve the net operating losses and certain other tax assets of the combined company. The plan will be designed to prevent an "ownership change" as defined under the federal tax laws so as to preserve the CapitalSource net operating losses by discouraging persons from becoming "5-percent shareholders," as defined under the federal tax laws, of the combined company and existing "5-percent shareholders" from increasing their beneficial ownership of shares. CapitalSource adopted a tax benefit preservation plan for this purpose on July 22, 2013. Under the CapitalSource plan, from and after the record date of August 5, 2013, each share of CapitalSource common stock will carry with it one preferred share purchase right, referred to as a right, until the distribution date (as defined in the plan) or earlier expiration of the rights. In general, the rights will work to impose a significant penalty upon any person or group which acquires 4.9% or more of CapitalSource's outstanding common stock after July 22, 2013, without the approval of the CapitalSource board. CapitalSource stockholders who own 4.9% or more of the outstanding common stock as of July 22, 2013, will not trigger the rights so long as they do not (i) acquire additional shares of common stock or (ii) fall under 4.9% ownership of common stock and then reacquire shares that in

Table of Contents

the aggregate equal 4.9% or more of the common stock. It is currently anticipated that PacWest's plan will contain substantially similar terms.

Appraisal Rights

Under Delaware law, holders of CapitalSource common stock are entitled to dissenters' rights of appraisal in connection with the merger, provided that such holders meet all of the conditions set forth in Section 262 of the DGCL, referred to as Section 262. Pursuant to Section 262, CapitalSource stockholders who do not vote in favor of the merger and who comply with the applicable requirements of Section 262 will have the right to seek appraisal of the fair value of such shares as determined by the Delaware Chancery Court if the merger is completed. It is possible that the fair value as determined by the Court may be more or less than, or the same as, the merger consideration. Stockholders should note that investment banking opinions as to the fairness from a financial point of view of the consideration payable in a sale transaction, such as the merger, are not opinions as to, and do not in any manner address, fair value under the DGCL.

CapitalSource stockholders electing to exercise appraisal rights must comply with the strict procedures set forth in Section 262 in order to demand and perfect their rights. **Any CapitalSource stockholder wishing to preserve their rights to appraisal must make a demand for appraisal as described below.**

The following is intended as a brief summary of the material provisions of Section 262 required to be followed by dissenting CapitalSource stockholders wishing to demand and perfect their appraisal rights. This summary, however, is not a complete statement of all applicable requirements and is subject to and qualified in its entirety by reference to Section 262, the full text of which appears in Appendix H to this document.

Under Section 262, CapitalSource is required to notify stockholders not less than 20 days before the special meeting to vote on the merger that appraisal rights will be available. A copy of Section 262 must be included with that notice. The CapitalSource special meeting will be held on January 13, 2014.

This document constitutes CapitalSource's notice to its stockholders of the availability of appraisal rights in connection with the merger under Section 262 of the general corporation law of the State of Delaware.

If you wish to consider exercising your appraisal rights, you should carefully review the text of Section 262 set forth in Appendix H to this document and consult your legal advisor. If you fail to timely and properly comply with the requirements of Section 262, your appraisal rights may be lost. To exercise appraisal rights with respect to your shares of CapitalSource common stock, you must:

NOT vote your shares of CapitalSource common stock in favor of the merger;

deliver to CapitalSource a written demand for appraisal of your shares before the date of the special meeting, as described further below under " Written Demand and Notice";

continuously hold your shares of CapitalSource common stock through the date the merger is consummated; and

otherwise comply with the procedures set forth in Section 262.

If you sign and return a proxy card, or submit a proxy by telephone or through the Internet, that does not contain voting instructions, you will effectively waive your appraisal rights because such shares represented by the proxy, unless the proxy is revoked, will be voted for the adoption of the merger agreement. Therefore, a stockholder who submits a proxy and who wishes to exercise appraisal rights must submit a proxy containing instructions to vote against the adoption of the merger agreement or abstain from voting on the adoption of the merger agreement.

Table of Contents

Only a holder of record of shares of CapitalSource common stock, or a person duly authorized and explicitly purporting to act on that stockholder's behalf, is entitled to assert appraisal rights for the shares of common stock registered in that stockholder's name. A demand for appraisal must be executed by or on behalf of the stockholder of record, fully and correctly, as such stockholder's name appears on their stock certificates, and must state that such person intends thereby to demand appraisal of his or her shares of CapitalSource common stock in connection with the merger. Beneficial owners who do not also hold the shares of record may not directly make appraisal demands to CapitalSource. The beneficial owner must, in such cases, have the registered stockholder submit the required demand in respect of those shares.

If the shares of CapitalSource common stock are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, execution of the demand must be made in that capacity, and if the shares of CapitalSource common stock are owned of record by more than one person, as in a joint tenancy and tenancy in common, the demand must be executed by or on behalf of all joint owners. An authorized agent, including an agent for two or more joint owners, may execute a demand for appraisal on behalf of a holder of record; however, the agent must identify the record owner or owners and expressly disclose the fact that, in executing the demand, the agent is acting as agent for such owner or owners. Stockholders who hold their shares of CapitalSource common stock in brokerage accounts or other nominee forms and who wish to exercise appraisal rights are urged to consult with their brokers to determine the appropriate procedures for the making of a demand for appraisal by such a nominee.

Failure to strictly follow the procedures set forth in Section 262 may result in the loss, termination or waiver of appraisal rights. Stockholders who vote in favor of the adoption and approval of the merger agreement will not have a right to have the fair market value of their shares of CapitalSource common stock determined. However, failure to vote in favor of the merger agreement is not sufficient to perfect appraisal rights. If you desire to exercise your appraisal rights, you must also submit to CapitalSource a written demand for payment of the fair value of the CapitalSource common stock held by you. In order to assist stockholders in determining whether to exercise appraisal rights, copies of CapitalSource audited consolidated financial statements as of and for the year ended December 31, 2012 and unaudited condensed consolidated financial statements as of and for the nine months ended September 30, 2013 are incorporated by reference in this document.

Written Demand and Notice

A written demand for appraisal should be filed with CapitalSource before the CapitalSource special meeting. The demand notice shall be sufficient if it reasonably informs CapitalSource of your identity and that you wish to seek appraisal with respect to your shares of CapitalSource common stock. All demands should be delivered to: CapitalSource Inc., 5404 Wisconsin Avenue, 2nd Floor, Chevy Chase, Maryland 20815, Attention: General Counsel.

The combined company, within 10 days after the effective date of the merger, will notify each stockholder who has complied with Section 262 and who has not voted in favor of the merger, that the merger has become effective.

Judicial Appraisal

Within 120 days after the effective date of the merger, the combined company or any stockholder who is entitled to appraisal rights and has otherwise complied with Section 262 may file a petition with the Delaware Court of Chancery demanding a determination of the value of the common stock of CapitalSource held by all such stockholders. The combined company is under no obligation to and has no present intention to file a petition and holders should not assume that the combined company will file a petition. Accordingly, it is the obligation of the holders of common stock to initiate all necessary action to perfect their appraisal rights within the time prescribed in Section 262. At the hearing on the

Table of Contents

petition, the Delaware Court of Chancery shall determine which stockholders are entitled to an appraisal of their shares and may require the stockholders who have demanded appraisal to submit their certificates to the Register in Chancery so an appropriate legend can be placed on them. Failure to comply with this requirement may result in the dismissal of the appraisal proceedings with respect to you.

After the Delaware Court of Chancery determines the holders of common stock entitled to appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Delaware Court of Chancery, including any rules specifically governing appraisal proceedings. Through this proceeding, the Delaware Court of Chancery shall determine the fair value of the shares, exclusive of any element of value arising from the accomplishment or expectation of the merger, together with interest, to be paid, if any, upon the amount determined to be "fair value" in an appraisal proceeding. In determining the fair value of the shares the Delaware Court of Chancery will take into account all relevant factors. In *Weinberger v. UOP, Inc.*, the Delaware Supreme Court discussed the factors that could be considered in determining fair value in an appraisal proceeding, stating that "proof of value by any techniques or methods that are generally considered acceptable in the financial community and otherwise admissible in court" should be considered, and that "fair price obviously requires consideration of all relevant factors involving the value of a company." The Delaware Supreme Court stated that, in making this determination of fair value, the court must consider market value, asset value, dividends, earnings prospects, the nature of the enterprise and any other facts that could be ascertained as of the date of the merger that throw any light on future prospects of the corporation. Section 262 provides that fair value is to be "exclusive of any element of value arising from the accomplishment or expectation of the merger." In *Cede & Co. v. Technicolor, Inc.*, the Delaware Supreme Court stated that such exclusion is a "narrow exclusion [that] does not encompass known elements of value," but which rather applies only to the speculative elements of value arising from such accomplishment or expectation. In *Weinberger*, the Delaware Supreme Court also stated that "elements of future value, including the nature of the enterprise, which are known or susceptible of proof as of the date of the merger and not the product of speculation, may be considered." Unless the Delaware Court of Chancery in its discretion determines otherwise for good cause shown, interest from the effective time through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharges) as established from time to time during the period between the effective time and the date of payment of the judgment.

Stockholders who consider seeking appraisal should consider that the fair value of their shares under Section 262 could be more than, the same as, or less than, the value of the consideration provided for in the merger agreement without the exercise of appraisal rights. No representation is made as to the outcome of the appraisal of fair value as determined by the Delaware Court of Chancery. Delaware courts have decided that the statutory appraisal remedy, depending on factual circumstances, may or may not be a dissenter's exclusive remedy. The Court of Chancery may determine the cost of the appraisal proceeding and assess it against the parties as the Court deems equitable. Upon application of a dissenting stockholder, the Court may order that all or a portion of the expenses incurred by any dissenting stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts, be charged pro rata against the value of all shares of CapitalSource common stock entitled to appraisal. In the absence of a court determination or assessment, each party will bear its own expenses.

Any stockholder who has demanded appraisal in compliance with Section 262 will not, after the effective time, be entitled to vote such stock for any purpose or receive payment of dividends or other distributions, if any, on the CapitalSource common stock, except for dividends or distributions, if any, payable to stockholders of record at a date before the merger.

Table of Contents

Request for Appraisal Data

If you submit a written demand for appraisal of your shares of CapitalSource common stock and otherwise properly perfect your appraisal rights, you may, upon written request mailed to the combined company within 120 days after the effective date of the merger, receive a written statement identifying (1) the aggregate number of shares of CapitalSource common stock which were not voted in favor of the adoption and approval of the merger agreement and with respect to which CapitalSource has received written demands for appraisal; and (2) the aggregate number of holders of such shares. The combined company will mail this statement to you within 10 days after receiving your written request. If no petition is filed by either the combined company or any dissenting stockholder within the 120-day period after the effective date of the merger, the rights of all dissenting stockholders to appraisal will cease. Stockholders seeking to exercise appraisal rights should not assume that the combined company will file a petition with respect to the appraisal of the fair value of their shares or that the combined company will initiate any negotiations with respect to the fair value of those shares. The combined company will be under no obligation to take any action in this regard and PacWest and CapitalSource have no present intention to do so. Accordingly, it is the obligation of stockholders who wish to seek appraisal of their shares of CapitalSource common stock to initiate all necessary action with respect to the perfection of their appraisal rights within the time periods and in the manner prescribed in Section 262. Failure to file the petition on a timely basis will cause the stockholder's right to an appraisal to cease.

Withdrawal

Even if you submit a written demand for appraisal of your shares of CapitalSource common stock and otherwise properly perfect your appraisal rights, you may withdraw your demand at any time after the effective date of the merger, except that any such attempt to withdraw made more than 60 days after the effective date of the merger will require the written approval of the combined company and, once a petition for appraisal is filed, the appraisal proceeding may not be dismissed as to any holder absent court approval. The foregoing, however, will not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the terms offered under the merger agreement within 60 days after the effective date of the merger. If you withdraw your demand, you will be deemed to have accepted the terms of the merger agreement, which are summarized in this document and which is attached in its entirety as Appendix A.

The foregoing summary is not intended to be a complete statement of the procedures for exercising appraisal rights under Section 262 and is qualified in its entirety by reference to the full text of Section 262, a copy of which is attached as Appendix H to this document. CapitalSource urges any stockholder wishing to exercise appraisal rights, if any, to read this summary and Section 262 carefully, and to consult legal counsel before attempting to exercise appraisal rights. Failure to comply strictly with all of the procedures set forth in Section 262 may result in the loss of your statutory appraisal rights.

THE MERGER AGREEMENT

The following is a summary of selected provisions of the merger agreement. While PacWest and CapitalSource believe this description covers the material terms of the merger agreement, it may not contain all of the information that is important to you and is qualified in its entirety by reference to the merger agreement, which is incorporated by reference in its entirety into, and is attached as Appendix A to this document. The parties urge you to read the merger agreement in its entirety.

Explanatory Note

The merger agreement and the summary of its terms in this document have been included only to provide you with information about the terms and conditions of the merger agreement. The terms and information in the merger agreement are not intended to provide any other public disclosure of factual information about PacWest, CapitalSource or any of their respective subsidiaries, affiliates or businesses. The representations, warranties and covenants contained in the merger agreement are made by PacWest and CapitalSource only for purposes of the merger agreement and as of specific dates and were qualified and subject to certain limitations and exceptions agreed to by PacWest and CapitalSource in connection with negotiating the terms of the merger agreement. In particular, in your review of the representations and warranties contained in the merger agreement and described in this summary, it is important to bear in mind that the representations and warranties were made solely for the benefit of the parties to the merger agreement and were negotiated for the purpose of allocating contractual risk among the parties to the merger agreement rather than to establish matters as facts. Stockholders of CapitalSource and PacWest are not third-party beneficiaries under the merger agreement. The representations and warranties may also be subject to a contractual standard of materiality or material adverse effect different from those generally applicable to stockholders and reports and documents filed with the SEC, and, in some cases, they may be qualified by disclosures made by one party to the other, which are not necessarily reflected in the merger agreement or other public disclosures made by PacWest or CapitalSource. The representations and warranties contained in the merger agreement do not survive the effective time. Moreover, information concerning the subject matter of the representations, warranties and covenants, which do not purport to be accurate as of the date of this document, may have changed since the date of the merger agreement, and subsequent developments or new information may not be fully reflected in public disclosures of PacWest or CapitalSource.

For the foregoing reasons, the representations, warranties and covenants or any descriptions of those provisions should not be read alone or relied upon as characterizations of the actual state of facts or condition of PacWest or CapitalSource or any of their respective subsidiaries or affiliates. Instead, such provisions or descriptions should be read only in conjunction with the other information provided elsewhere in this document or incorporated by reference into this document. Please see the section entitled "Where You Can Find More Information" beginning on page iii.

The Merger

Upon the terms and subject to the conditions of the merger agreement, CapitalSource will merge with and into PacWest, with PacWest surviving the merger. The separate corporate existence of CapitalSource, with all its rights, privileges, immunities, power and franchises will cease. The merger agreement also provides that immediately after the merger, CapitalSource Bank, a California state-chartered industrial bank and a wholly owned subsidiary of CapitalSource, will merge with and into Pacific Western Bank, a California state-chartered bank and wholly owned subsidiary of PacWest, with Pacific Western Bank as the surviving bank.

Effects of the Merger

As a result of the merger, there will no longer be any publicly held shares of CapitalSource common stock. CapitalSource stockholders will only participate in the surviving company's future

Table of Contents

earnings and potential growth through their ownership of PacWest common stock. All of the other incidents of direct ownership of CapitalSource common stock, such as the right to vote on certain corporate decisions, to elect directors and to receive dividends and distributions from CapitalSource, will be extinguished upon completion of the merger. All of the property, rights, privileges and powers of PacWest and CapitalSource will vest in the surviving company, and all claims, obligations, liabilities, debts and duties of PacWest and CapitalSource will become the claims, obligations, liabilities, debts and duties of the surviving company.

Closing and Effective Time of the Merger

The merger agreement provides that the merger will be consummated no later than three business days after the satisfaction or waiver of all the closing conditions, except for those conditions that by their nature are to be satisfied at the closing (but subject to the fulfillment or waiver of those conditions), including the receipt of all regulatory and stockholder approvals and after the expiration of all regulatory waiting periods, unless extended by mutual agreement of PacWest and CapitalSource. The merger will be consummated at the time the certificate of merger has been duly filed with the Secretary of State of the State of Delaware or at such later time as may be agreed by the parties and specified in the certificate of merger. The parties are seeking regulatory approval by the end of the fourth quarter of 2013, with the consummation of the merger to occur as soon as practicable thereafter. However, there can be no assurance as to when or if the merger will occur.

If the merger is not completed by July 31, 2014, the merger agreement may be terminated by either PacWest or CapitalSource, except to the extent that the failure of the merger to be consummated by that date arises out of or results from the knowing action or inaction of the party seeking to terminate which action or inaction is in violation of its obligations under the merger agreement.

For a description of the transaction structure, merger consideration and treatment of CapitalSource stock options, CapitalSource RSUs, shares of CapitalSource restricted stock and CapitalSource deferred units, please see the section entitled "The Merger Terms of the Merger" beginning on page 58.

Combined Company's Governing Documents

Eggemeyer III, the current chairman of the board of PacWest, will be the chairman of the board of directors of the combined company. Each outstanding share of PacWest common stock will remain an outstanding share of PacWest common stock and will not be converted or otherwise affected by the merger. For more information regarding PacWest common stock, see "Description of PacWest Common Stock."

Rights as Stockholders of CapitalSource

At the effective time, holders of CapitalSource common stock will cease to be, and will have no rights as, stockholders of CapitalSource other than to receive the merger consideration.

Effect of Merger on CapitalSource Stock Options, Restricted Stock Units, Restricted Shares and Deferred Units

For a description of the treatment of CapitalSource stock options, restricted stock units, restricted shares and deferred units in the merger, see "The Merger Treatment of Options, Restricted Stock Units, Restricted Shares and Deferred Units."

Exchange Procedures

Promptly after the effective time (and in any event within five business days), an exchange agent mutually agreed upon by PacWest and CapitalSource will provide appropriate transmittal materials to holders of record of CapitalSource common stock, advising such holders of the procedure for surrendering their stock to the exchange agent.

Upon the surrender of the shares of CapitalSource common stock, the holder will be entitled to receive in exchange therefor:

a number of whole shares of PacWest common stock that such holder is entitled to receive pursuant to the merger agreement, as described in " Conversion of CapitalSource Common Stock" above, evidenced by a stock certificate or in book-entry form; and

a check in the amount of \$2.47 for each share of CapitalSource common stock that such holder is entitled to receive pursuant to the merger agreement as described in " Conversion of CapitalSource Common Stock" above plus any cash payable in lieu of fractional shares.

Table of Contents

Distributions with Respect to Unexchanged Shares

All shares of PacWest common stock to be issued pursuant to the merger will be deemed issued and outstanding as of the effective time and if a dividend or other distribution is declared by PacWest in respect of the PacWest common stock, the record date for which is at or after the effective time, that declaration will include dividends or other distributions in respect of all shares issuable pursuant to the merger agreement. No dividends or other distributions in respect of PacWest common stock will be paid to any holder of any unsurrendered certificate or book-entry shares representing CapitalSource common stock until such certificate (or affidavit of loss in lieu thereof) or book-entry shares are surrendered for exchange in accordance with the merger agreement. Subject to applicable laws, following surrender of any such certificate (or affidavit of loss in lieu thereof as provided) or book-entry shares, there will be issued and/or paid to the holder of the certificates representing whole shares of PacWest common stock issued in exchange therefor, without interest, (A) at the time of such surrender, the dividends or other distributions with a record date after the effective time theretofore payable with respect to such whole shares of PacWest common stock and not paid and (B) at the appropriate payment date, the dividends or other distributions payable with respect to such whole shares of PacWest common stock with a record date after the effective time but with a payment date subsequent to surrender.

Fractional Shares of PacWest Common Stock

No fractional shares of PacWest common stock will be issued to any stockholder of CapitalSource upon completion of the merger. For each fractional share that would otherwise be issued, PacWest will pay cash in an amount equal to the fraction of a share of PacWest common stock which the holder would otherwise be entitled to receive multiplied by the average closing price of PacWest common stock as quoted on NASDAQ over the 15 trading days ending on the trading day immediately preceding the date the merger is consummated. No interest will be paid or accrue on cash payable to holders in lieu of fractional shares.

Representations and Warranties

The merger agreement contains substantially similar representations and warranties on the part of PacWest and CapitalSource as to, among other things:

organization, standing and authority;

capital stock;

the organization and existence of any subsidiaries;

corporate power;

corporate authority;

Certain of these representations and warranties are qualified as to "materiality" or "material adverse effect." For purposes of the merger agreement, a "material adverse effect" with respect to PacWest or CapitalSource, as the case may be, means any effect, circumstance, occurrence or change that is (i) material and adverse to the business, assets or deposit liabilities, properties, operations, results of operations, or condition (financial or otherwise) of CapitalSource and its subsidiaries or PacWest and its subsidiaries, as the case may be, or (ii) that materially impairs the ability of such party to consummate the merger and the transactions contemplated by the merger agreement on a timely basis. However, none of the following effects, circumstances, occurrences or changes will be considered when determining if a material adverse effect has occurred:

any change in law or GAAP or interpretations thereof;

except, with respect to the first and seventh bullets above, to the extent that such change disproportionately adversely affects CapitalSource and its subsidiaries or PacWest and its subsidiaries, as the case may be, compared to other companies of similar size operating in the commercial banking industry in which CapitalSource and PacWest operate, in which case only the disproportionate effect will be taken into account; and except, with respect to the third and fifth bullets above, that the facts or circumstances giving rise or contributing to the failure to meet estimates or projections may be deemed to constitute, or be taken into account in determining whether there has been, a material adverse effect, except to the extent such occurrences are themselves excepted from the definition of material adverse effect pursuant to any other clause of the definition.

The representations and warranties in the merger agreement do not survive the effective time and, as described below under the section entitled " Termination of the Merger Agreement" beginning on page 123, if the merger agreement is validly terminated, there will be no liability or damages arising under the representations and warranties of PacWest or CapitalSource, or otherwise under the merger agreement, unless PacWest or CapitalSource willfully and intentionally breached the merger agreement.

Conduct of Business Prior to the Completion of the Merger

CapitalSource and PacWest have agreed that, prior to the effective time, except as approved in writing by the other party, as expressly contemplated by the merger agreement or as required by law, their and their subsidiaries' respective businesses will be conducted in the ordinary and usual course and, to the extent consistent therewith, they and their subsidiaries will use their respective reasonable best efforts to preserve their business organizations intact and maintain existing relations and goodwill with governmental authorities, customers, suppliers, distributors, creditors, lessors, employees and business associates and keep available the services of their and their subsidiaries' present employees and agents, and subject to the covenants relating to regulatory applications, as described under "Regulatory Matters" below, they and their subsidiaries will take no action that would reasonably be expected to materially adversely affect or delay their ability to obtain any necessary approvals of any regulatory authorities or other governmental authority required for the transactions contemplated by the merger agreement or to perform their covenants and agreements under the merger agreement or to consummate the transactions contemplated by the merger agreement on a timely basis.

Table of Contents

Regulatory Matters

PacWest and CapitalSource have agreed to prepare and file this document, and PacWest has agreed to prepare and file with the SEC the registration statement on Form S-4 in connection with the issuance of shares of PacWest common stock in the merger, as promptly as practicable, of which this document is a part. Each party has agreed to use its reasonable best efforts to have the S-4 registration statement declared effective under the Securities Act as promptly as practicable after such filing.

PacWest and CapitalSource have agreed to cooperate and use their respective reasonable best efforts to prepare and file, or in the case of PacWest cause to be filed, all documentation to effect all necessary notices, reports and other filings and to obtain all permits, consents, approvals and authorizations necessary or advisable to be obtained from any third parties and/or governmental authorities in order to consummate the merger, the bank merger or any of the other transactions contemplated by the merger agreement.

Nothing contained in the merger agreement will be deemed to require CapitalSource or PacWest to take any action, or commit to take any action, or agree to any condition or restriction, in connection with obtaining the foregoing permits, consents, approvals and authorizations of governmental authorities that would reasonably be likely to be a materially burdensome regulatory condition.

Stockholder Approval

Each party has agreed to convene a stockholders' meeting as soon as practicable after the S-4 registration statement is declared effective to consider and vote upon adoption of the merger agreement and recommend to its stockholders that they approve the merger; and in the case of PacWest, to consider and obtain stockholder approval of an amendment to the PacWest certificate of incorporation to increase the total number of authorized shares of common stock and the issuance of shares of PacWest common stock in connection with the merger.

Table of Contents

PacWest and CapitalSource have each agreed to cooperate to hold their respective stockholder meetings on the same date.

Bank Merger

PacWest and CapitalSource have agreed that, immediately after the merger, CapitalSource Bank will merge with and into Pacific Western Bank, with Pacific Western Bank as the surviving entity.

NASDAQ Listing

PacWest has agreed to file with NASDAQ any required notices or forms with respect to the shares of PacWest common stock to be issued in the merger.

Employee Matters

For a period of one year following closing, referred to as the continuation period, PacWest has agreed to provide to the CapitalSource employees base salary, incentive compensation opportunities and benefits (other than severance) that are no less favorable, in the aggregate, than those provided to such employees immediately prior to the closing. After the continuation period, CapitalSource's employees will be paid base salary and be eligible to participate in the employee benefit plan of PacWest on the same basis as apply to similarly situated employees of PacWest. CapitalSource employees will also be eligible for certain severance benefits.

PacWest has agreed to give CapitalSource employees full credit for purposes of eligibility, vesting, benefit accrual and determination of the level of benefits under any employee benefit plans that such employees may be eligible to participate in after the closing for such CapitalSource employee's service with CapitalSource to the same extent recognized by CapitalSource immediately prior to the closing, other than (1) for benefit accrual purposes under any defined benefit pension plan or (2) as would result in the duplication of benefits for the same period of service.

PacWest has agreed to waive all limitations as to preexisting conditions, exclusions and waiting periods (to the extent such conditions or waiting periods were covered or satisfied under the applicable plans of CapitalSource) with respect to participation and coverage requirements applicable to the CapitalSource employees under any disability medical, dental or health plans that such employees may be eligible to participate in after the closing, and provide each CapitalSource employee with credit for any co-payments and deductibles paid in the plan year in which the closing occurs in satisfying any applicable deductible or out-of-pocket requirements under any disability medical, dental or health plans in which employees are eligible to participate after the closing.

The parties have agreed that the merger will constitute a "change in control" under certain PacWest and CapitalSource benefit plans.

Indemnification and Directors' and Officers' Insurance

PacWest has agreed to, following the effective time, indemnify present and former directors and officers of CapitalSource in connection with any claim arising out of actions or omissions occurring at or prior to the effective time to the fullest extent permitted under law.

Table of Contents

For a period of six years from the effective time, PacWest has agreed to provide the portion of directors and officers liability insurance that serves to reimburse the present and former directors and officers of CapitalSource on terms and conditions no less advantageous than those provided by CapitalSource; provided, however, that PacWest is not required to spend more than 300% of the current amount spent by CapitalSource to procure such insurance coverage. In lieu thereof, either party, with the approval of the other party, may purchase a six-year tail policy subject to the limitation on cost described in the preceding sentence.

Tax Benefit Preservation Plan

CapitalSource's board of directors has adopted a tax benefit preservation plan designed to preserve its net operating losses and certain other tax assets. The plan discourages persons from becoming "5-percent stockholders" (as defined under the federal tax laws) of CapitalSource and existing "5-percent stockholders" from increasing their beneficial ownership of shares. PacWest currently does not have a tax benefit preservation plan but the merger agreement provides that, at or immediately following the effective time, PacWest will adopt a tax benefit preservation plan designed to preserve the net operating losses and certain other tax assets of the combined company.

Acquisition Proposals

Under the terms of the merger agreement, each party has agreed that neither it nor its subsidiaries nor any of their respective officers, directors and employees shall, and that it shall direct and use its reasonable best efforts to cause its and its subsidiaries' agents and representatives not to, directly or indirectly:

initiate, solicit, encourage or otherwise facilitate any inquiries or the making of any proposal or offer with respect to any acquisition proposal; or

engage in any negotiations concerning, or provide any confidential information or data to, or have any discussions with any person relating to an acquisition proposal, or otherwise facilitate any effort or attempt to make or implement an acquisition proposal.

For purposes of the merger agreement, "acquisition proposal" means:

any proposal, offer or inquiry with respect to a merger, joint venture, partnership, consolidation, dissolution, liquidation, tender offer, recapitalization, reorganization, share exchange, business combination or similar transaction involving such party or any of its subsidiaries that if consummated would result in any person owning 15% or more of the total voting power of such party or the surviving entity in a merger involving such party or the resulting parent company of such party; and

any proposal or offer to acquire in any manner, directly or indirectly, 15% or more of the total voting power of any class of equity securities of the applicable party or those of any of its subsidiaries or 15% or more of such party's consolidated total assets.

However, the above restriction would not prevent a party or its board of directors from:

complying with Rule 14d-9 and 14d-2 under the Exchange Act;

at any time before, but not after the PacWest or CapitalSource stockholder meeting is convened, providing information in response to a request therefor by a person who has made an unsolicited bona fide written acquisition proposal if such party receives from the person so requesting such information, an executed confidentiality agreement on terms not less restrictive to the other party than those contained in the confidentiality agreement between PacWest and CapitalSource; or

Table of Contents

engaging in any negotiations or discussions with any person who has made an unsolicited bona fide written acquisition proposal;

only if, however, in the cases referred to in the second and third bullet points above, the board of directors of such party determines in good faith (after consultation with outside legal counsel) that the failure to take such action would reasonably be expected to violate the directors' fiduciary duties under applicable law.

Further, the merger agreement provides that the board of directors of each party and each committee thereof shall not:

except as expressly permitted by the merger agreement, withhold, withdraw, qualify or modify (or publicly propose or resolve to withhold, withdraw, qualify or modify), in a manner adverse to the other party to the merger agreement, the recommendation of its board of directors that its stockholders adopt the merger agreement; or

cause or permit such party to enter into any letter of intent, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement or other agreement (other than a confidentiality agreement referred to above) relating to any acquisition proposal.

Notwithstanding the above, prior to, but not after, such party's stockholder approval is obtained, such party's board may withhold, withdraw or adversely modify such party's board recommendation or approve, recommend or otherwise declare advisable any superior proposal (as defined below) made to such party after the date of the merger agreement that was not solicited, initiated, encouraged or facilitated in breach of the merger agreement, if (A) an unsolicited bona fide written offer is made to such party and is not withdrawn and such party's board determines in good faith (after consultation with its financial advisor) that such acquisition proposal is a superior proposal, and (B) such party's board determines in good faith, after consultation with outside counsel, that the failure to take such action would reasonably be expected to violate such party's board's fiduciary duties under applicable law; provided, however, that no change of recommendation may be made until after (I) at least five business days following the other party's receipt of notice from such party that such party's board intends to take such action and the basis therefor, and (II) such party has negotiated in good faith to permit the other party to modify the merger agreement during such five business day period. In determining whether to make a change of recommendation, such board shall take into account any changes to the terms of the merger agreement and the reciprocal stock option agreement proposed by the other party and any other information provided by the other party in response to such notice.

As used in the merger agreement, "superior proposal" means an unsolicited bona fide acquisition proposal (provided that for purposes of the definition of "superior proposal" the references to "15%" in the definition of "acquisition proposal" shall instead refer to "50%") that a party's board of directors has determined in its good faith judgment is reasonably likely to be consummated in accordance with its terms, taking into account all legal, financial and regulatory aspects of the proposal and the person making the proposal, and if consummated, would result in a transaction more favorable to such party's stockholders from a financial point of view than the transaction contemplated by the merger agreement.

Conditions to Consummation of the Merger

The respective obligation of each party to effect the merger is subject to the satisfaction or written waiver at or prior to the effective time of each of the following conditions:

each party will have obtained their respective stockholder approvals;

all consents, registrations, approvals, permits and authorizations required to be obtained prior to the effective time by either party or any of its respective subsidiaries from the Federal Reserve

Table of Contents

Board, the FDIC and the CDBO which are necessary to consummate the merger and the bank merger, and any other consents, registrations, approvals, permits and authorizations from or with any governmental authority the failure of which to be obtained is reasonably likely to have, individually or in the aggregate, a material adverse effect on the combined company, shall have been made or obtained (as the case may be) and shall remain in full force and effect and all statutory waiting periods in respect thereof shall have expired, and none of such consents, registrations, approvals, permits and authorizations shall contain any materially burdensome regulatory condition;

no governmental authority of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any law (whether temporary, preliminary or permanent) that is in effect and restrains, enjoins or otherwise prohibits consummation of the merger or the other transactions contemplated by the merger agreement or the reciprocal stock option agreements;

the S-4 registration statement shall have become effective under the Securities Act, no stop order suspending the effectiveness of the S-4 registration statement shall have been issued, and no proceedings for that purpose shall have been initiated or be threatened, by the SEC; and

holders of not more than 10% of the outstanding shares of CapitalSource common stock shall have duly exercised their dissenters' rights under § 262 of the DGCL.

CapitalSource's obligation to effect the merger is also subject to the fulfillment or waiver of the following conditions:

(i) the accuracy of the representations and warranties of PacWest set forth in the merger agreement as of the date of the merger agreement and as of the closing date of the merger as though made at and as of the closing date (except that representations and warranties that by their terms speak as of the date of the merger agreement or some other date shall be true and correct as of such date) and (ii) CapitalSource's receipt of a certificate signed on behalf of PacWest by an executive officer of PacWest, dated as of the effective time, to such effect;

performance by PacWest in all material respects of all obligations required to be performed by it under the agreements related to the transaction at or prior to the effective time, and receipt by CapitalSource of a certificate signed by an executive officer of PacWest, dated as of the effective time, to such effect;

effective time and which do not exceed in the aggregate \$28,000,000 (exclusive of reasonable costs incurred or advanced by such advisors);

receipt by CapitalSource of the opinion of its counsel, dated the closing date, to the effect that, on the basis of facts, representations and assumptions set forth or referred to in such opinion, the merger will qualify for United States federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code;

receipt by PacWest of the consent of the FDIC under each shared-loss agreement that provides for the sharing of losses on covered assets with the FDIC; and

since July 22, 2013, no event shall have occurred or circumstance arisen that, individually or taken together with all other facts, circumstances or events, has had or is reasonably likely to have a material adverse effect with respect to PacWest.

PacWest's obligation to effect the merger is also subject to the satisfaction or waiver of the following conditions:

(i) the accuracy of the representations and warranties of CapitalSource set forth in the merger agreement as of the date of the merger agreement and as of the closing date of the merger as though made at and as of the closing date (except that representations and warranties that by their terms speak as of the date of the merger agreement or some other date shall be true and correct as of such date) and (ii) PacWest's receipt of a certificate signed on behalf of CapitalSource by an executive officer of CapitalSource, dated as of the effective time, to such effect;

performance by CapitalSource in all material respects of all obligations required to be performed by it under the agreements related to the transaction at or prior to the effective time, and receipt by PacWest of a certificate signed by an executive officer of CapitalSource, dated as of the effective time, to such effect;

as of the last business day of the month reflected in the closing financial statements, the adjusted CapitalSource stockholders' equity (defined below) shall not be less than \$1,551,645,000 as determined in accordance with GAAP; "adjusted CapitalSource stockholders' equity" means the consolidated equity of CapitalSource as set forth in the closing financial statements, minus any unrealized gains or plus any unrealized losses in CapitalSource's securities portfolio due to mark-to-market adjustments as of the last business day of the month reflected in the closing financial statements, and adding the sum of (w) all amounts paid or accrued in connection with certain actions taken to conform certain policies and practices to those of PacWest to the extent that such actions were not necessary to bring CapitalSource into conformity with GAAP or any applicable law of any governmental authority, (x) all fees and expenses of all attorneys, accountants, investment bankers and other advisors and agents for CapitalSource for services rendered solely in connection with the transactions contemplated by the merger agreement paid by CapitalSource prior to the effective time and which do not exceed in the aggregate \$28,000,000 (exclusive of reasonable costs incurred or advanced by such advisors) and (y) the aggregate amount paid by CapitalSource, if any, in order to satisfy its obligation to take all action as may be necessary to cancel CapitalSource stock options, restricted stock units and restricted shares in accordance with the merger agreement, and any costs associated with the termination of employee benefit plans or programs (including severance paid);

receipt by PacWest of the opinion of its counsel, dated the closing date, to the effect that, on the basis of facts, representations and assumptions set forth or referred to in such opinion, the merger will qualify for United States federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code;

receipt by PacWest of the consent of the FDIC under each shared-loss agreement that provides for the sharing of losses on covered assets with the FDIC; and

since July 22, 2013, no event shall have occurred or circumstance arisen that, individually or taken together with all other facts, has had or could reasonably be expected to have a material adverse effect with respect to CapitalSource.

Termination of the Merger Agreement

The merger agreement may be terminated and the merger may be abandoned:

at any time prior to the effective time, whether before or after the CapitalSource stockholder approval or PacWest stockholder approval, by action of the board of directors of either party, in the event that both parties mutually consent in writing to terminate the merger agreement;

at any time prior to the effective time, whether before or after the CapitalSource stockholder approval or PacWest stockholder approval, by action of the board of directors of either party, in the event that the merger is not consummated by July 31, 2014, except to the extent that the failure of the merger to be consummated results from the knowing action or inaction of the party seeking to terminate, which action or inaction is in violation of its obligations under the merger agreement;

at any time prior to the effective time, whether before or after the CapitalSource stockholder approval or PacWest stockholder approval, by action of the board of directors of either party if:

the approval of any governmental authority required for consummation of the merger, the bank merger or the other transactions contemplated by the merger agreement shall have been denied by final and nonappealable action of such governmental authority, or an application thereof shall have been permanently withdrawn by mutual agreement of the parties at the request or suggestion of a governmental authority, or

either the CapitalSource stockholder approval or the PacWest stockholder approval is not obtained at the duly convened CapitalSource meeting or the PacWest meeting;

at any time prior to the effective time, whether before or after the CapitalSource stockholder approval or PacWest stockholder approval, by action of either party's board if there has been a breach of any representation, warranty, covenant or agreement made by the other party, such that if continuing on the closing date of the merger, the condition as to the accuracy of the representations and warranties or the compliance with covenants by the other party would not be satisfied and such breach or condition is not curable or, if curable, is not cured within 30 days after written notice thereof is given by the terminating party (or such shorter period as remaining prior to July 31, 2014); provided, that the terminating party is not then in material breach of any representation, warranty, covenant or agreement;

by action of a party's board at any time prior to the other party's stockholder approval, in the event:

such other party has breached in any material respect the prohibitions in the merger agreement relating to acquisition proposals;

Edgar Filing: PACWEST BANCORP - Form 424B3

such other party's board has effected a change of recommendation;

at any time after the end of 15 business days following receipt of an acquisition proposal, the other party's board has failed to reaffirm its board recommendation as promptly as practicable (but in any event within five business days) after receipt of any written request to do so by the terminating party; or

a tender offer or exchange offer for outstanding shares of such other party's common stock has been publicly disclosed (other than by the terminating party or an affiliate of the terminating party) and such other party's board recommends that its stockholders tender their shares in such tender or exchange offer or, within 10 business days after the commencement of such tender or exchange offer, such other party's board fails to recommend unequivocally against acceptance of such offer.

Waiver and Amendment of the Merger Agreement

Prior to the effective time, any provision of the merger agreement may be: (i) waived in whole or in part by the party benefited by the provision or by both parties; or (ii) amended or modified at any time, by an agreement in writing between the parties thereto executed in the same manner as the merger agreement, except that after the CapitalSource special meeting, the merger agreement may not be amended if it would reduce the aggregate value of the consideration to be received by CapitalSource stockholders in the merger without any subsequent approval by such stockholders or be in violation of applicable law.

Stock Exchange Listing

PacWest has agreed that, prior to the closing date of the merger, PacWest will file with NASDAQ any required notices or forms with respect to the shares of PacWest common stock to be issued in the merger.

Expenses

The merger agreement provides that whether or not the merger is consummated, all costs and expenses incurred in connection with the merger agreement, the reciprocal stock option agreements, and the other transactions contemplated by the merger agreement shall be paid by the party incurring such expense.

Voting Agreements

CapitalSource Voting Agreements

William G. Byrnes, Andrew B. Fremder, Timothy M. Hurd, C. William Hosler, Sara Grootwassink Lewis, Douglas (Tad) Lowrey, Joseph C. Mello, Steven A. Museles and James J. Pieczynski, in their capacities as stockholders of CapitalSource, have separately entered into voting agreements with PacWest in which they have agreed to vote all shares of CapitalSource common stock that they own, and that they subsequently acquire, in favor of the merger proposal and any other matter that is required to be approved by the stockholders of CapitalSource to facilitate the transactions contemplated by the merger agreement. These stockholders also agreed to vote against any proposal made in opposition to adoption of the merger agreement or in competition with the merger agreement and against any acquisition proposal. As of the record date, these stockholders owned, in the aggregate, 1,253,252 outstanding shares of the common stock of CapitalSource, allowing them to exercise approximately 0.64% of the voting power of CapitalSource common stock (which does not include shares issuable upon the exercise of stock options, or upon the vesting of restricted stock units, in each case that were not outstanding as of the record date).

Each stockholder who executed a CapitalSource voting agreement agreed not to (i) offer for sale, sell, transfer, tender, pledge, encumber, assign or otherwise dispose of, or enter into any contract, option or other arrangement or understanding with respect to, or consent to the offer for sale, sale, transfer, tender, pledge, encumbrance, assignment or other disposition of any of the shares of CapitalSource common stock or (ii) enter into any voting arrangement, whether by proxy, voting agreement, voting trust or otherwise, with respect to any of the shares of CapitalSource common stock,

and not commit or agree to take any of the foregoing actions; subject to certain exceptions, including without limitation (a) disposing of or surrendering shares to CapitalSource in connection with the vesting, settlement or exercise of CapitalSource stock options, CapitalSource RSUs, CapitalSource restricted shares or CapitalSource deferred units for the payment of taxes thereon or, in respect of CapitalSource stock options, the exercise price thereon or (b) disposing of shares in a broker-assisted cashless exercise of CapitalSource stock options expiring during the term of the voting agreement up to the amount necessary to pay the exercise price in respect thereof and any related taxes.

The voting agreements terminate in certain circumstances, including in the event that the merger agreement is terminated in accordance with its terms.

PacWest Voting Agreements

Mark N. Baker, Craig A. Carlson, Joseph N. Cohen, Stephen M. Dunn, John M. Eggemeyer III, Barry C. Fitzpatrick, Antoinette Hubenette, George E. Langley, Susan E. Lester, Timothy B. Matz, Arnold W. Messer, Daniel B. Platt, John W. Rose, Robert A. Stine and Matthew P. Wagner, in their capacities as stockholders of PacWest, have separately entered into voting agreements with CapitalSource in which they have agreed to vote all shares of PacWest common stock that they own, and that they subsequently acquire, in favor of the merger proposal, the PacWest certificate of incorporation amendment proposal, the PacWest stock issuance proposal, and the PacWest stock plan proposal, and any other matter that is required to be approved by the stockholders of PacWest to facilitate the transactions contemplated by the merger agreement. These stockholders also agreed to vote against any proposal made in opposition to adoption of the merger agreement or in competition with the merger and against any acquisition proposal. As of the record date, these stockholders beneficially owned, in the aggregate, 1,058,712 shares of PacWest common stock, allowing them to exercise approximately 2.4% of the voting power of PacWest common stock.

Each stockholder who executed a PacWest voting agreement agreed not to (i) offer for sale, sell, transfer, tender, pledge, encumber, assign or otherwise dispose of, or enter into any contract, option or other arrangement or understanding with respect to, or consent to the offer for sale, sale, transfer, tender, pledge, encumbrance, assignment or other disposition of any of the shares of PacWest common stock or (ii) enter into any voting arrangement, whether by proxy, voting agreement, voting trust or otherwise, with respect to the shares of PacWest common stock and not commit or agree to take any of the foregoing actions; provided, that the foregoing shall not prohibit the stockholder from disposing of or surrendering shares to PacWest in connection with the vesting, settlement or exercise of PacWest stock options or PacWest awards or the payment of taxes thereon.

The voting agreements terminate in certain circumstances, including in the event that the merger agreement is terminated in accordance with its terms.

The foregoing description of the CapitalSource voting agreements and the PacWest voting agreements is only a summary, and stockholders are urged to read the forms of voting agreements attached as Appendices D and E to this document, which are incorporated herein by reference.

Reciprocal Stock Option Agreements

The following discussion summarizes the material provisions of the stock option agreements under which PacWest has granted an option to CapitalSource to purchase shares of PacWest common stock in specified circumstances, and CapitalSource has granted an option to PacWest to purchase shares of CapitalSource common stock in specified circumstances. The rights and obligations of CapitalSource and PacWest are governed by the express terms and conditions of the stock option agreements, which are attached as Appendices B and C, respectively, and each of which is incorporated by reference into this document, and not by this summary or any other information contained in this document. Each

Table of Contents

party urges you to read the stock option agreements carefully and in their entirety, as they are the legal documents governing the stock options.

The Stock Options

When the parties entered into the merger agreement, they also entered into reciprocal stock option agreements. Under the terms of the stock option granted by PacWest to CapitalSource, CapitalSource may purchase up to 9,169,733 shares of PacWest common stock at an exercise price equal to the lesser of \$32.32 per share or the closing sale price of PacWest common stock on NASDAQ on the trading day immediately preceding the exercise date. Under the terms of the stock option granted by CapitalSource to PacWest, PacWest may purchase up to 39,191,656 shares of CapitalSource common stock at an exercise price equal to the lesser of \$9.69 per share or the closing sale price of the common stock on the NYSE Composite Transaction Tape on the trading day immediately preceding the exercise date. In no case, however, can the number of shares issuable upon exercise of each option respectively exceed 19.9 percent of CapitalSource or PacWest common stock outstanding without giving effect to any shares issued under the option. In the event that any additional shares of common stock are either issued or redeemed after the date of the stock option agreements, the number of the relevant shares of common stock subject to the option will be adjusted so that such number equals 19.9 percent of the number of relevant shares of common stock then issued and outstanding without giving effect to any shares of common stock subject to or issued under the option.

The stock option agreements may have the effect of making an acquisition or other business combination of CapitalSource or PacWest by a third party more costly because of the need in any such transaction to acquire any shares of common stock issued under the stock option agreements or because of any cash payments made under the stock option agreements. The stock option agreements may, therefore, discourage third parties from proposing an alternative transaction to the merger.

To the knowledge of CapitalSource and PacWest, no event giving rise to the right to exercise either stock option has occurred as of the date of this document.

The terms of the stock option agreements are identical in most respects and are summarized below.

Exercise; Expiration

Each grantee of the option may exercise its respective option in whole or in part if both an initial triggering event and a subsequent triggering event occur prior to the occurrence of an exercise termination event, as these terms are defined below. The purchase of any shares of CapitalSource common stock or PacWest common stock under the options is subject to compliance with applicable law, which may require regulatory approval.

The term "initial triggering event", in each stock option agreement, generally means the following:

the option issuer or any of its subsidiaries, without the grantee's prior written consent, enters into an agreement to engage in an acquisition transaction (as defined below) with a third party, or an option issuer's board of directors recommends that its stockholders approve or accept any acquisition transaction with any third party;

the option issuer or any of its subsidiaries, without the grantee's prior written consent, authorizes, recommends, proposes or publicly announces its intention to authorize, recommend or propose, to engage in an acquisition transaction with any third party, or an option issuer's board of directors withdraws, withholds, qualifies or modifies, or publicly announces its intention to withdraw, withhold, qualify or modify, in a manner adverse to the grantee, its recommendation that its stockholders approve the transactions contemplated by the merger agreement;

any third party acquires beneficial ownership or the right to acquire beneficial ownership of 10 percent or more of the outstanding shares of the option issuer's common stock;

Table of Contents

any third party publicly makes a bona fide proposal to the option issuer or its stockholders to engage in an acquisition transaction;

any third party files with the SEC a registration statement or tender offer materials with respect to an exchange or tender offer that would constitute an acquisition transaction with respect to the option issuer, or a preliminary proxy statement with respect to a potential vote by the option issuer's stockholders to approve the issuance of shares to be offered in such an exchange or tender offer;

the option issuer breaches in any material respect its non-solicitation obligations under the merger agreement or, after the receipt by the option issuer or its stockholders of any bona fide inquiry or proposal from a third party to engage in an acquisition transaction, such option issuer breaches any covenant or obligation contained in the merger agreement, and the breach entitles the grantee to terminate the merger agreement; or

any third party, without the written consent of the option grantee, files an application or notice with any federal or state regulatory authority, which application or notice has been accepted for processing, for approval to engage in an acquisition transaction with respect to the option issuer.

As used in each stock option agreement, the term "acquisition transaction" means:

a merger, consolidation or share exchange, or any similar transaction, involving the option issuer or any of its significant subsidiaries;

a purchase, lease or other acquisition or assumption of all or a substantial portion of the assets or deposits of the option issuer or any of its significant subsidiaries;

a purchase or other acquisition of securities representing 10 percent or more of the voting power of the option issuer; or

any substantially similar transaction, except that any substantially similar transaction involving only the option issuer and one or more of its wholly owned subsidiaries or involving only any two or more of these wholly owned subsidiaries will not be deemed to be an acquisition transaction, provided that it is not entered into in violation of the merger agreement.

Each stock option agreement generally defines the term "subsequent triggering event" to mean any of the following events or transactions:

the acquisition by a third party of beneficial ownership of 20 percent or more of the outstanding shares of the option issuer's common stock; or

the option issuer enters into an agreement to engage in an acquisition transaction with a third party, or its board of directors recommends that its stockholders approve or accept any acquisition transaction with a third party. For this purpose, the percentage referred to in the definition of acquisition transaction is 20 percent instead of 10 percent.

Each stock option agreement defines the term "exercise termination event" to mean any of the following:

completion of the merger;

Edgar Filing: PACWEST BANCORP - Form 424B3

termination of the merger agreement prior to the occurrence of an initial triggering event, other than a termination of the merger agreement described in clauses (1) and (2) in the next bullet;

the passage of 12 months after termination of the merger agreement if termination occurred after the occurrence of an initial triggering event or is a termination of the merger agreement resulting from: (1) the failure of the option issuer's board of directors to recommend that its stockholders vote in favor of adopting the merger agreement or its withdrawal, withholding,

Table of Contents

qualification or modification of its recommendation in a manner adverse to the other party, a material breach by the option issuer of its no-solicitation covenant, the option issuer's board's failure to reaffirm its board recommendation as promptly as practicable (but in any event within five business days) after written request to do so by the other party at any time after the end of 15 business days following receipt of an acquisition proposal, or the public disclosure of a tender or exchange offer for outstanding shares of the option issuer's common stock and the recommendation by the option issuer's board that its stockholders tender their shares in such tender or exchange offer or the option issuer's board's failure to recommend unequivocally against acceptance of such offer within 10 business days after the commencement of such tender or exchange offer or (2) the option issuer's breach of the merger agreement, which breach would, if it were occurring on the date of the completion of the merger, result in the failure of the related condition to the other party's obligation to complete the merger, and which cannot be or has not been cured within 30 days.

If an option becomes exercisable, it may be exercised, in whole or in part, within 180 days following the subsequent triggering event. The option grantee's right to exercise its option and certain other rights under the stock option agreements are subject to an extension to the extent necessary in order to obtain required regulatory approvals and comply with applicable regulatory waiting periods, to avoid liability under the short-swing trading restrictions contained in Section 16(b) of the Exchange Act, and when there exists an order that prohibits or delays exercise of such right.

Rights Under the Stock Option Agreements

In the event of a repurchase event (as defined below), and prior to an exercise termination event subject to extension as described above, following a request of the option grantee, the option issuer may be required to repurchase the option and all or any part of the shares issued under the option. The repurchase of the option will be at a price equal to the number of shares for which the option may be exercised multiplied by the amount by which the market/offer price, as that term is defined in the stock option agreements, exceeds the exercise price. At the request of the owner of option shares within 90 days of the occurrence of a repurchase event, the option issuer may be required to repurchase such number of the option shares from the owner as designated by the owner at a price equal to the market/offer price, as that term is defined in the stock option agreement, multiplied by the number of option shares so designated. The term "repurchase event" is defined to mean: (i) the completion of an acquisition transaction involving the option issuer, except that for this purpose the reference to 10 percent in the definition of acquisition transaction is deemed to be 50 percent; or (ii) the acquisition by any person of beneficial ownership of 50 percent or more of the then-outstanding shares of common stock of the option issuer.

Each stock option agreement also provides that the option grantee may, at any time during which the option issuer would be required to repurchase the option or any option shares upon proper request or notice, surrender the option and any shares issued under the option held by the grantee to the option issuer for a cash payment equal to \$59,000,000, in the case of the option granted by PacWest to CapitalSource, or \$91,000,000 in the case of the option granted by CapitalSource to PacWest, in each case adjusted for the aggregate purchase price previously paid by such option grantee with respect to any option shares and gains on sales of stock purchased under the option or on the sale of a portion of the option. The option grantee may not, however, exercise its surrender right if the option issuer repurchases the option, or a portion of the option, in accordance with the option issuer's repurchase obligations described above.

If, prior to an exercise termination event under a stock option agreement, the option issuer enters into certain mergers, consolidations or other transactions, certain fundamental changes in its capital stock occur, or it sells all or substantially all of its assets to any person other than the option grantee or

Table of Contents

one of the option grantee's affiliates, the option will be converted into, or be exchanged for, a substitute option, at the option grantee's election, of:

the continuing or surviving corporation of a consolidation or merger with the option issuer;

the option issuer in a merger in which it is the continuing or surviving person;

the transferee of all or substantially all of the assets of the option issuer; or

any person that controls any of these entities, as the case may be.

The substitute option will have the same terms as the original option (including a repurchase right, but based on the closing price of the common stock of the substitute issuer), except that it will be immediately exercisable without the occurrence of an additional triggering event if a subsequent triggering event has already occurred, and the exercise price and number of shares issuable upon exercise of the substitute option will be adjusted. If, however, because of legal reasons, the terms of the substitute option cannot be the same as those of the original option, the terms of the substitute option will be as similar as possible and at least as advantageous to the grantee as the original option. Also, the number of shares exercisable under the substitute option is capped at 19.9 percent of the shares of common stock outstanding prior to exercise. In the event this cap would be exceeded, the issuer of the substitute option will pay the option grantee the difference between the value of a capped and non-capped option.

Each stock option agreement provides that the total profit, as defined in that stock option agreement, realized by the option grantee as a result of a stock option agreement may in no event exceed a specified amount. This maximum amount is \$72,000,000, in the case of the option granted by PacWest to CapitalSource, and \$112,000,000, in the case of the option granted by CapitalSource to PacWest.

LITIGATION RELATED TO THE MERGER

Since July 24, 2013, 11 putative stockholder class action lawsuits, referred to as the merger litigations, were filed against PacWest and certain other defendants in connection with PacWest entering into the merger agreement. Five of the 11 actions were filed in Superior Court of California, Los Angeles County: (1) *Engel v. CapitalSource Inc. et al.*, Case No. BC516267, filed on July 24, 2013; (2) *Miller v. Fremder et al.*, Case No. BC516590, filed on July 29, 2013; (3) *Basu v. CapitalSource Inc. et al.*, Case No. BC516775, filed on July 31, 2013; (4) *Holliday v. PacWest Bancorp et al.*, Case No. BC517209, filed on August 5, 2013; and (5) *Iron Workers Mid-South Pension Fund v. CapitalSource Inc. et al.*, Case No. BC517698, filed on August 8, 2013. The other six actions were filed in the Court of Chancery of the State of Delaware: (1) *Fosket v. Byrnes et al.*, Case No. 8765, filed on August 1, 2013; (2) *Bennett v. CapitalSource Inc. et al.*, Case No. 8770, filed on August 2, 2013; (3) *Chalfant v. CapitalSource Inc. et al.*, Case No. 8777, filed on August 6, 2013; (4) *Oliveira v. CapitalSource Inc. et al.*, Case No. 8779, filed on August 7, 2013; (5) *Desai v. CapitalSource Inc. et al.*, Case No. 8804, filed on August 13, 2013; (6) *Fattore v. CapitalSource Inc. et al.*, Case No. 8927, filed on September 19, 2013.

On August 15, 2013, the Delaware actions were consolidated into a single action, captioned *In re CapitalSource Inc. Stockholder Litigation*, Consol. C.A. No. 8765-CS, and assigned to Chancellor Leo E. Strine. On September 25, 2013, plaintiffs in the Delaware actions filed a Verified Consolidated Amended Class Action Complaint, referred to as the Delaware consolidated complaint. On September 17, 2013, the California actions were consolidated into a single action, captioned *In re CapitalSource Inc. Shareholder Litigation*, Lead Case No. BC516267, and assigned to Judge Elihu M. Berle. On October 2, 2013, plaintiffs in the California actions filed an Amended Consolidated Complaint, referred to as the California consolidated complaint.

The Delaware consolidated complaint and the California consolidated complaint each allege that the members of the CapitalSource board of directors breached their fiduciary duties to CapitalSource stockholders by approving the proposed merger for inadequate consideration; approving the transaction in order to obtain benefits not equally shared by other CapitalSource stockholders; entering into the merger agreement containing preclusive deal protection devices; failing to take steps to maximize the value to be paid to the CapitalSource stockholders; and failing to disclose material information regarding the proposed transaction. The Delaware consolidated complaint and the California consolidated complaint also each allege claims against CapitalSource and PacWest for aiding and abetting these alleged breaches of fiduciary duties. Plaintiffs in these actions seek, among other things, declaratory and injunctive relief concerning the alleged breaches of fiduciary duties, injunctive relief prohibiting consummation of the merger, rescission, an accounting by defendants, damages and attorneys' fees and costs, and other and further relief. At this stage, it is not possible to predict the outcome of the proceedings or their impact on CapitalSource or PacWest.

**MATERIAL UNITED STATES FEDERAL INCOME TAX
CONSEQUENCES OF THE MERGER**

This section describes the material United States federal income tax consequences of the merger to U.S. holders of CapitalSource common stock who exchange shares of CapitalSource common stock for shares of PacWest common stock and cash.

For purposes of this discussion, a U.S. holder is a beneficial owner of CapitalSource common stock who for United States federal income tax purposes is:

a citizen or resident of the United States;

a corporation, or an entity treated as a corporation, created or organized in or under the laws of the United States or any state or political subdivision thereof;

a trust that (1) is subject to (A) the primary supervision of a court within the United States and (B) the authority of one or more United States persons to control all substantial decisions of the trust or (2) has a valid election in effect under applicable Treasury Regulations to be treated as a United States person; or

an estate that is subject to United States federal income tax on its income regardless of its source.

If a partnership (including for this purpose any entity treated as a partnership for United States federal income tax purposes) holds CapitalSource common stock, the tax treatment of a partner generally will depend on the status of the partner and the activities of the partnership. If you are a partner of a partnership holding CapitalSource common stock, you should consult your tax advisor.

This discussion addresses only those CapitalSource stockholders that hold their CapitalSource common stock as a capital asset within the meaning of Section 1221 of the Internal Revenue Code, and does not address all the United States federal income tax consequences that may be relevant to particular CapitalSource stockholders in light of their individual circumstances or to CapitalSource stockholders that are subject to special rules, such as:

financial institutions;

investors in pass-through entities;

insurance companies;

tax-exempt organizations;

dealers in securities;

traders in securities that elect to use a mark to market method of accounting;

persons that hold CapitalSource common stock as part of a straddle, hedge, constructive sale or conversion transaction;

Edgar Filing: PACWEST BANCORP - Form 424B3

certain expatriates or persons that have a functional currency other than the U.S. dollar;

persons who are not U.S. holders;

stockholders who exercise appraisal rights; and

stockholders who acquired their shares of CapitalSource common stock through the exercise of an employee stock option or otherwise as compensation or through a tax-qualified retirement plan.

In addition, the discussion does not address any alternative minimum tax or any state, local or foreign tax consequences of the merger, nor does it address any tax consequences arising under the

Table of Contents

unearned income Medicare contribution tax pursuant to the Health Care and Education Reconciliation Act of 2010.

The following discussion is based on the Internal Revenue Code, its legislative history, existing and proposed regulations thereunder and published rulings and decisions, all as currently in effect as of the date hereof, and all of which are subject to change, possibly with retroactive effect. Any such change could affect the continuing validity of this discussion.

PacWest and CapitalSource have structured the merger to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. The obligation of PacWest to complete the merger is conditioned upon the receipt of an opinion from Sullivan & Cromwell LLP, counsel to PacWest, to the effect that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. The obligation of CapitalSource to complete the merger is conditioned upon the receipt of an opinion from Wachtell, Lipton, Rosen and Katz, counsel to CapitalSource, to the effect that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. In addition, in connection with the filing of the registration statement of which this document is a part, each of Sullivan & Cromwell LLP and Wachtell, Lipton, Rosen & Katz has delivered an opinion to PacWest and CapitalSource, respectively, to the same effect as the opinions described above. These opinions will be based on assumptions, representations, warranties and covenants, including those contained in the merger agreement and in tax representation letters provided by PacWest and CapitalSource. The accuracy of such assumptions, representations and warranties, and compliance with such covenants, could affect the conclusions set forth in such opinions. None of these opinions is binding on the Internal Revenue Service or the courts. PacWest and CapitalSource have not requested and do not intend to request any ruling from the Internal Revenue Service as to the United States federal income tax consequences of the merger. Accordingly, each CapitalSource stockholder should consult its tax advisor with respect to the particular tax consequences of the merger to such holder.

Tax Consequences of the Merger Generally to Holders of CapitalSource Common Stock

Accordingly, based on the opinions delivered in connection herewith:

gain (but not loss) will be recognized by stockholders of CapitalSource who receive shares of PacWest common stock and cash in exchange for shares of CapitalSource common stock pursuant to the merger, in an amount equal to the lesser of (i) the amount by which the sum of the fair market value of the PacWest common stock and cash received by a stockholder of CapitalSource exceeds such stockholder's basis in its CapitalSource common stock, and (ii) the amount of cash received by such stockholder of CapitalSource (except with respect to any cash received in lieu of fractional share interests in PacWest common stock, as discussed below under "Cash Received In Lieu of a Fractional Share of PacWest Common Stock");

the aggregate basis of the PacWest common stock received in the merger will be the same as the aggregate basis of the CapitalSource common stock for which it is exchanged, decreased by the amount of cash received in the merger and decreased by any basis attributable to fractional share interests in PacWest common stock for which cash is received, and increased by the amount of gain recognized on the exchange other than in respect of fractional shares (regardless of whether such gain is classified as capital gain or as ordinary dividend income, as discussed below under " Additional Considerations Recharacterization of Gain as a Dividend"); and

the holding period of PacWest common stock received in exchange for shares of CapitalSource common stock will include the holding period of the CapitalSource common stock for which it is exchanged.

Table of Contents

If U.S. holders of CapitalSource common stock acquired different blocks of shares of CapitalSource common stock at different times or at different prices, such holders' gain, basis and holding period may be determined with reference to each block of CapitalSource common stock. Any such holders should consult their tax advisors regarding the manner in which PacWest common stock and cash received in the exchange should be allocated among different blocks of CapitalSource common stock and with respect to identifying the bases or holding periods of the particular shares of PacWest common stock received in the merger.

Taxation of Capital Gain

Except as described under " Additional Considerations Recharacterization of Gain as a Dividend" below, gain that CapitalSource stockholders recognize in connection with the merger generally will constitute capital gain and will constitute long-term capital gain if such stockholders have held (or are treated as having held) their CapitalSource common stock for more than one year as of the date of the merger. For CapitalSource stockholders that are non-corporate holders of CapitalSource common stock, long-term capital gain generally will be taxed at preferential rates.

Additional Considerations Recharacterization of Gain as a Dividend

All or part of the gain that a particular CapitalSource stockholder recognizes could be treated as dividend income rather than capital gain if (i) such CapitalSource stockholder is a significant stockholder of PacWest or (ii) such CapitalSource stockholder's percentage ownership, taking into account constructive ownership rules, in PacWest after the merger is not meaningfully reduced from what its percentage ownership would have been if it had received solely shares of PacWest common stock rather than a combination of cash and shares of PacWest common stock in the merger. This could happen, for example, because of ownership of additional shares of PacWest common stock by such CapitalSource stockholder or ownership of shares of PacWest common stock by a person related to such CapitalSource stockholder. The IRS has indicated in rulings that any reduction in the interest of a minority stockholder that owns a small number of shares in a publicly and widely held corporation and that exercises no control over corporate affairs would result in capital gain as opposed to dividend treatment. Because the possibility of dividend treatment depends primarily upon such CapitalSource stockholder's particular circumstances, including the application of certain constructive ownership rules, CapitalSource stockholders should consult their own tax advisor regarding the potential tax consequences of the merger to them.

Cash Received In Lieu of a Fractional Share of PacWest Common Stock

A CapitalSource stockholder who receives cash in lieu of a fractional share of PacWest common stock will be treated as having received the fractional share pursuant to the merger and then as having exchanged the fractional share for cash in a redemption by PacWest. As a result, a CapitalSource stockholder will generally recognize gain or loss equal to the difference between the amount of cash received and the basis in his or her fractional share interest as set forth above. This gain or loss will generally be capital gain or loss, and will be long-term capital gain or loss if, as of the effective date of the merger, the holding period for such shares is greater than one year. The deductibility of capital losses is subject to limitations.

The preceding discussion is intended only as a summary of material United States federal income tax consequences of the merger. It is not a complete analysis or discussion of all potential tax effects that may be important to you. Thus, you are strongly encouraged to consult your tax advisor as to the specific tax consequences resulting from the merger, including tax return reporting requirements, the applicability and effect of federal, state, local, and other tax laws and the effect of any proposed changes in the tax laws.

COMBINED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**

The following unaudited pro forma combined condensed consolidated financial statements are based on the separate historical financial statements of PacWest and CapitalSource and give effect to the PacWest acquisition of First California Financial Group, Inc. ("FCAL") on May 31, 2013 (which we refer to as the "FCAL acquisition"), including pro forma assumptions and adjustments related to the FCAL acquisition, and the merger of PacWest and CapitalSource (which we refer to as "the merger"), including pro forma assumptions and adjustments related to the merger, as described in the accompanying notes to the unaudited pro forma combined condensed consolidated financial statements. The unaudited pro forma combined condensed consolidated balance sheet as of September 30, 2013 is presented as if the merger had occurred on September 30, 2013. The unaudited pro forma combined condensed consolidated statements of earnings for the year ended December 31, 2012 and the nine months ended September 30, 2013 are presented as if the merger and the FCAL acquisition had each occurred on January 1, 2012. The historical consolidated financial information has been adjusted on a pro forma basis to reflect factually supportable items that are directly attributable to the merger and the FCAL acquisition and, with respect to the statements of earnings only, expected to have a continuing impact on consolidated results of operations.

Prior to the completion of the FCAL acquisition, FCAL decided to discontinue the operations of its Electronic Payment Services ("EPS") division. Accordingly, the following unaudited pro forma combined condensed consolidated financial statements have been prepared assuming the EPS operations were discontinued on January 1, 2012.

The unaudited pro forma combined condensed consolidated financial statements have been prepared using the acquisition method of accounting for business combinations under GAAP. PacWest is the acquirer for accounting purposes. Certain reclassifications have been made to the historical financial statements of CapitalSource to conform to the presentation in PacWest's financial statements.

A final determination of the fair values of CapitalSource's assets and liabilities, which cannot be made prior to the completion of the merger, will be based on the actual net tangible and intangible assets of CapitalSource that exist as of the date of completion of the transaction. Consequently, fair value adjustments and amounts preliminarily allocated to goodwill and identifiable intangibles could change significantly from those allocations used in the unaudited pro forma combined condensed consolidated financial statements presented herein and could result in a material change in amortization of acquired intangible assets. In addition, the value of the final purchase price of the merger will be based on the closing price of PacWest common stock on the closing date of the merger. For purposes of the accompanying pro forma financial information, the closing price of PacWest common stock on September 30, 2013 was used for purposes of presenting the pro forma combined consolidated balance sheet at September 30, 2013.

In connection with the plan to integrate the operations of PacWest and CapitalSource following the completion of the merger, PacWest anticipates that nonrecurring charges, such as costs associated with systems implementation, severance and other costs related to exit or disposal activities, will be incurred. PacWest is not able to determine the timing, nature and amount of these charges as of the date of this document. However, these charges will affect the results of operations of PacWest and CapitalSource, as well as those of the combined company following the completion of the merger, in the period in which they are recorded. The unaudited pro forma combined condensed consolidated statements of earnings do not include the effects of the costs associated with any restructuring or integration activities resulting from the merger, as they are nonrecurring in nature and not factually supportable at this time. Additionally, the unaudited pro forma adjustments do not give effect to any nonrecurring or unusual restructuring charges that may be incurred as a result of the integration of the two companies or any anticipated disposition of assets that may result from such integration. However, the unaudited pro forma combined condensed consolidated balance sheet includes a pro forma

adjustment to reduce cash and stockholders' equity to reflect the payment of certain anticipated merger costs specified herein.

The actual amounts recorded as of the completion of the merger may differ materially from the information presented in these unaudited pro forma combined condensed consolidated financial statements as a result of:

changes in the trading price for PacWest's common stock;

net cash used or generated in CapitalSource's operations between the signing of the merger agreement and completion of the merger;

changes in the fair values of CapitalSource's assets and liabilities;

other changes in CapitalSource's net assets that occur prior to the completion of the merger, which could cause material changes in the information presented below; and

the actual financial results of the combined company.

The unaudited pro forma combined condensed consolidated financial statements are provided for informational purposes only. The unaudited pro forma combined condensed consolidated financial statements are not necessarily, and should not be assumed to be, an indication of the results that would have been achieved had the transaction been completed as of the dates indicated or that may be achieved in the future. The preparation of the unaudited pro forma combined condensed consolidated financial statements and related adjustments required management to make certain assumptions and estimates. The unaudited pro forma combined condensed consolidated financial statements should be read together with:

- (1) PacWest acquired FCAL on May 31, 2013 in an all-stock transaction. The pro forma adjustments and operating results are to reflect this acquisition as if it occurred on January 1, 2012. See accompanying "Unaudited Pro Forma Combined Condensed Consolidated Statement of Earnings Adjustments."
- (2) See accompanying "Unaudited Pro Forma Combined Condensed Consolidated Statement of Earnings Adjustments."

Table of Contents**Unaudited Pro Forma Combined Condensed Consolidated Statement of Earnings Adjustments**

The pro forma adjustments are preliminary, based on estimates, and are subject to change as more information becomes available and after final analyses of the fair values of both tangible and intangible assets acquired and liabilities assumed are completed. Accordingly, the final fair value adjustments may be materially different from those presented herein. Transaction-related after-tax nonrecurring expenses for PacWest and CapitalSource estimated at \$56.2 million are not included in the unaudited pro forma condensed consolidated statements of earnings. However, these charges will affect the results of operations of PacWest and CapitalSource in the period in which they are recorded. A summary of the pro forma adjustments follows:

FCAL Pro forma Adjustments:

- (j) Accretion of \$48.3 million discount on loans over the estimated weighted average life of the loan portfolio of 124 months.
- (k) Accretion of \$2.0 million interest-bearing deposit premium over 60 months using an accelerated method and the elimination of FCAL's historical accretion.
- (l) Estimated borrowing cost from \$227 million of additional borrowings to replace the demand deposits of the discontinued operations of the EPS division and amortization of the \$2.7 million subordinated debentures fair value adjustment over 60 months.
- (m) No pro forma adjustment is made for the historical provision for loan losses. PacWest expects, however, that provisions for credit losses on the acquired loan portfolio post closing will not be as great as the historical provisions because the acquired loans are recorded at fair value, which includes an estimate of lifetime credit losses.
- (n) Elimination of the acquisition-related securities gain.
- (o) No pro forma adjustment is made for the historical FDIC loss sharing expense. PacWest expects, however, that FDIC loss sharing expense on the acquired covered loan portfolio post closing will not be as great as the historical loss sharing expense because the acquired loss sharing asset is recorded at fair value, which includes an estimate of future losses.
- (p) Elimination of historical results of FCAL's EPS operations since EPS operations are assumed to be discontinued at January 1, 2012. The following table summarizes the impact of the pro forma adjustments to eliminate the historical results of FCAL's EPS operations for the periods indicated:

	For the year ended December 31, 2012	For the nine months ended September 30, 2013
Fee income included in other income	\$ 5,306	\$ 2,872
Compensation expense	1,536	783
Occupancy expense	176	83
Other expense	1,249	3,259
Intangible asset amortization	5,427	
Loss before income taxes	\$ 3,082	\$ 1,253

- (q) Incremental expense due to the change in control provisions of the FCAL supplemental executive retirement plan over 180 months.

- (r) Elimination of nonrecurring acquisition and integration costs directly related to the FCAL acquisition incurred by PacWest and FCAL for the periods indicated and summarized as follows:

	For the year ended December 31, 2012	For the nine months ended September 30, 2013
Severance and other compensation related costs	\$	\$ 9,078
System/Conversion, including contract termination charges		3,329
Facilities-related costs		2,898
Professional services (legal, accounting, investment banking)	2,313	12,089
Other		1,415
Acquisition and integration costs	\$ 2,313	\$ 28,809

- (s) Amortization of the \$7.9 million core deposit intangible asset over its estimated life of 84 months and elimination of FCAL's historical intangible asset amortization.
- (t) Represents income taxes on the pro forma adjustments at a combined Federal and California effective tax rate of 42%.
- (u) Adjustment reflects the actual exchange ratio of 0.2966 times the historical shares outstanding of FCAL common stock.

CapitalSource Pro forma Adjustments:

- (v) Accretion of the \$200.6 million pro forma discount on the loan and lease portfolio over the estimated weighted average life of 84 months.
- (w) Amortization of the \$30.1 million investment securities pro forma premium over the estimated average life of 36 months.
- (x) Accretion of \$6.4 million interest-bearing deposit pro forma premium over the estimated average life of 18 months.
- (y) Amortization of the \$102.9 million subordinated debentures pro forma discount over 22 years and the accretion of the \$10.4 million borrowings pro forma premium over 36 months.
- (z) No pro forma adjustment is made for the historical provision for loan and lease losses. PacWest expects, however, that provisions for credit losses on the acquired loan and lease portfolio post closing will not be as great as the historical provisions because the acquired loans and leases are recorded at fair value, which includes an estimate of lifetime credit losses.
- (aa) Amortization of the \$9.6 million core deposit intangible asset over its estimated life of 84 months.
- (bb) Represents income taxes on the pro forma adjustments at a combined Federal and California effective tax rate of 42%.
- (cc) Adjustment reflects estimated PacWest shares to be issued based on exchange ratio of 0.2837 and estimated number of CapitalSource common shares to be exchanged.

COMPARISON OF STOCKHOLDERS' RIGHTS

General

CapitalSource is incorporated under the laws of the State of Delaware and the rights of CapitalSource stockholders are governed by the laws of the State of Delaware, CapitalSource's certificate of incorporation and CapitalSource's bylaws. As a result of the merger, CapitalSource stockholders will receive an amount in cash and shares of PacWest common stock and will become PacWest stockholders. PacWest is incorporated under the laws of the State of Delaware and the rights of PacWest stockholders are governed by the laws of the State of Delaware, PacWest's certificate of incorporation and PacWest's bylaws. Thus, following the merger, the rights of CapitalSource stockholders who become PacWest stockholders in the merger will continue to be governed by the laws of the State of Delaware, but will no longer be governed by CapitalSource's certificate of incorporation and bylaws and instead will be governed by PacWest's certificate of incorporation and bylaws.

Number of Directors

CapitalSource's bylaws state that the number of directors comprising the board of directors will be from two to 15, with the exact number to be determined from time to time by the CapitalSource board of directors. There are currently eight members of the CapitalSource board of directors.

PacWest's bylaws state that the number of directors comprising the board of directors will be from seven to 15, with the exact number to be determined from time to time by the PacWest board of directors. There are currently 15 members of the PacWest board of directors. Pursuant to the merger agreement, at the closing of the merger, the combined company's board of directors will consist of 13 members, eight of whom will be designated by PacWest, and five of whom will be designated by CapitalSource, each of whom must be mutually agreeable to the parties.

Election of Directors

CapitalSource's certificate of incorporation provides that each stockholder is entitled to one vote for each share of stock held by such stockholder. CapitalSource's certificate of incorporation does not provide for cumulative voting by stockholders in the election of directors.

PacWest's certificate of incorporation provides that each stockholder is entitled to one vote for each share of stock held by such stockholder. Cumulative voting is permitted so long as the name of the candidates for whom such votes would be cast has been placed in nomination prior to the voting and at least one stockholder has given notice at the meeting prior to the voting of such stockholder's intention to cumulate votes. Cumulative voting provides each stockholder with a number of votes equal to the number of directors to be elected multiplied by the number of shares of common stock held by such stockholder, which such stockholder can then vote in favor of one or more nominees.

Classification of Board of Directors

CapitalSource's certificate of incorporation provides for a classified board of directors. The directors are divided into three classes. Directors elected to succeed those directors whose terms expire are elected for a term of office to expire at the third succeeding annual meeting of the stockholders after their election. In the event of any increase in the number of directors fixed by the CapitalSource board of directors, the additional directors are classified so that all classes of directors have as nearly equal numbers of directors as may be possible. In the event of any decrease in the number of directors, all classes of directors are decreased equally as nearly as may be possible.

PacWest's bylaws do not provide for a classified board of directors; each director serves until his or her successor is elected and all directors are up for election annually.

Removal of Directors

Under CapitalSource's bylaws, any director may be removed from office at any time only for cause and only by the affirmative vote of at least a majority of the voting power of all of the then outstanding shares of capital stock entitled to vote generally in the election of directors, voting together as a single class.

Under PacWest's bylaws, any director may be removed, with or without cause, at any meeting of stockholders called expressly for such purpose by a vote of the holders of a majority of shares entitled to vote for the election of directors. However, if the certificate of incorporation provides for cumulative voting (as it currently does) and less than the entire board of directors is to be removed, then no director may be removed without cause if the votes cast against his or her removal would be sufficient to elect him or her if then cumulatively voted at an election of directors.

Filling Vacancies on the Board of Directors

CapitalSource's bylaws provide that vacancies and newly created directorships resulting from any increase in the authorized number of directors, may be filled by the vote of a majority of the directors then in office, though less than a quorum. Any director elected or appointed to fill a vacancy will hold office until the next election of the class of directors of the director which such director replaced, and until his or her successor is elected and qualified or until his or her earlier resignation or removal.

PacWest's bylaws provide that vacancies and newly created directorships resulting from any increase in the authorized number of directors may be filled by the vote of a majority of the directors then in office, though less than a quorum. Any director elected or appointed to fill a vacancy will hold office until the expiration of the term of the director which such director replaced.

Nomination of Director Candidates by Stockholders

CapitalSource's bylaws permit stockholders who are entitled to vote in the election of directors and who are stockholders of record at the time notice is delivered to the corporate secretary of CapitalSource to nominate a director for election if notice is delivered to the corporate secretary of CapitalSource not less than 120 days prior to the first anniversary of the date of CapitalSource's proxy statement issued in connection with the prior year's annual meeting in the case of an annual meeting and not less than 60 days prior to the meeting in the case of a special meeting, with the notice period varying for certain instances as set forth in the bylaws.

PacWest's bylaws permit stockholders who are entitled to vote in the meeting of stockholders and who are stockholders of record at the time notice is delivered to the corporate secretary of PacWest to nominate a director for election if notice is delivered to the corporate secretary not less than 90 nor more than 120 days prior to the first anniversary date of the annual meeting for the preceding year, with the notice period varying for certain instances as set forth in the bylaws.

Stockholder Action Without a Meeting

According to CapitalSource's bylaws, any action required or permitted to be taken at any annual or special stockholders' meeting may be taken without a meeting, without prior notice and without a vote, if a consent in writing is delivered to CapitalSource, setting forth the action to be taken, and is signed by the number of stockholders whose affirmative vote would be required to take such action at a meeting at which all shares entitled to vote thereon were present and voted.

According to PacWest's bylaws, any action required or permitted to be taken at any annual or special stockholders' meeting may be taken without a meeting, without prior notice and without a vote, if a consent in writing is delivered to PacWest, setting forth the action to be taken, and is signed by the number of stockholders whose affirmative vote would be required to take such action at a meeting at which all shares entitled to vote thereon were present and voted.

Special Meetings of Stockholders

According to CapitalSource's bylaws, CapitalSource may call a special stockholders meeting upon the request of the board of directors, the chairman of the board of directors, the chief executive officer or the president, and shall be called by the secretary at the written request of CapitalSource stockholders who together hold not less than 10% of the outstanding shares of CapitalSource capital stock that would be entitled to vote at such a meeting.

According to PacWest's bylaws, PacWest may call a special stockholders meeting upon the written request of the board of directors, the chairman of the board of directors, the chief executive officer or the vice chairman of the board of directors, and shall be called at the request of PacWest stockholders who together hold not less than 10% of the outstanding shares of PacWest stock that would be entitled to vote at such a meeting.

Indemnification of Directors and Officers

CapitalSource's certificate of incorporation provides that no director of CapitalSource shall be personally liable to CapitalSource or its stockholders for monetary damages for breach of fiduciary duty as a director. However, the certificate of incorporation does not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to CapitalSource or its stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law; (iii) under Section 174 of the General Corporation Law of the State of Delaware; or (iv) for any transaction from which the director derived an improper personal benefit.

PacWest's certificate of incorporation provides that a director of PacWest shall not be liable to PacWest or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent that such exemption from liability or limitation thereof is not permitted under Delaware law. Delaware law would not allow for exoneration of liability of a director (i) for any breach of the director's duty of loyalty to PacWest or its stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law; (iii) under Section 174 of the General Corporation Law of the State of Delaware; or (iv) for any transaction from which the director derived an improper personal benefit.

CapitalSource's bylaws provide that CapitalSource shall indemnify, to the full extent permitted by law, any person made or threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding arising out of, relating to, based upon, in connection with or due to the fact that such person is or was a director or officer of CapitalSource, any predecessor of CapitalSource or any subsidiary of the CapitalSource, or is or was serving at the request of CapitalSource, any predecessor of CapitalSource or any subsidiary of CapitalSource as a director or officer of another corporation, partnership, joint venture, trust, or other enterprise, including service with respect to an employee benefit plan.

PacWest's bylaws also provide that PacWest will indemnify any person who is or was or has agreed to become a director or officer of PacWest who was or is made a party to or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding by reason of the fact that he or she is or was or has agreed to become a director or officer of PacWest, to the fullest extent permitted by law.

CapitalSource's bylaws provide that CapitalSource may indemnify, to the full extent of the law, any person made or threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding arising out of, relating to, based upon, in connection with or due to the fact that such person is or was an employee or agent of CapitalSource, any predecessor of CapitalSource or any subsidiary of CapitalSource, or is or was serving at the request of CapitalSource as an employee or agent of another corporation, partnership, joint venture, trust, or other enterprise, including service with respect to an employee benefit plan.

Amendments to Certificate of Incorporation and Bylaws

CapitalSource's certificate of incorporation may be amended in any manner allowed under Delaware law; provided, however, that the affirmative vote of the holders of at least two-thirds of the outstanding shares of capital stock, voting together as a single class, shall be required to amend or repeal Article V relating to the Board of Directors, including the election of Board members and related matters, of the certificate of incorporation.

PacWest's certificate of incorporation may be amended in any manner allowed under Delaware law.

PacWest's bylaws may be amended by the board of directors, but the stockholders entitled to vote may adopt additional bylaws and may amend or repeal any bylaw whether or not adopted by them.

CapitalSource's bylaws may be amended by the board of directors, but the stockholders entitled to vote may adopt additional bylaws and may amend or repeal any bylaw whether or not adopted by them.

However, Sections 2, 3, 9, 10 and 14 of Article II, relating to stockholder voting, and Sections 2, 3 and 5 of Article III, relating to the number of directors, vacancies on the board of directors and removal of directors, of the bylaws may not be amended or repealed without the affirmative vote of the holders of at least two-thirds of the outstanding shares of capital stock, voting together as a single class.

Anti-Takeover Provisions

Section 203 of the DGCL prohibits a Delaware corporation from engaging in a "business combination" (as defined under Delaware law) with a person owning 15% or more of the corporation's voting stock for three years following the time that a person becomes a 15% stockholder, with certain exceptions. CapitalSource has not opted out of Section 203.

PacWest, in its certificate of incorporation, has opted out of Section 203.

Tax Benefit Preservation Plan

CapitalSource's board of directors has adopted a tax benefit preservation plan designed to preserve its net operating losses and certain other tax assets. The plan discourages persons from becoming "5-percent stockholders" (as defined under the federal tax laws) of CapitalSource and existing "5-percent stockholders" from increasing their beneficial ownership of shares.

PacWest currently does not have a tax benefit preservation plan. The merger agreement provides that, at or immediately following the closing of the merger, PacWest will adopt a tax benefit preservation plan designed to preserve the net operating losses and certain other tax assets of the combined company. The plan will be designed to prevent an "ownership change" as defined under the federal tax laws by discouraging persons from becoming "5-percent stockholders" of the combined company and existing "5-percent stockholders" from increasing their beneficial ownership of shares. It is currently anticipated that PacWest's tax benefit preservation plan will contain substantially similar terms to CapitalSource's tax benefit preservation plan.

DESCRIPTION OF CAPITAL STOCK

The following summary description of the capital stock of PacWest does not purport to be complete and is qualified in its entirety by reference to PacWest's certificate of incorporation and bylaws, as well as the DGCL. Pursuant to PacWest's certificate of incorporation, PacWest has the authority to issue up to 75 million shares of common stock, par value \$0.01 per share and 5 million shares of preferred stock, par value \$0.01 per share. If PacWest's stockholders approve the amendment to the PacWest certificate of incorporation, PacWest will have the authority to issue up to 200 million shares of common stock. Each share of PacWest common stock has the same relative rights, and is identical in all respects, with each other share of PacWest common stock. PacWest's common stock is traded on NASDAQ under the symbol "PACW." PacWest Bancorp common stock represents non-withdrawable capital and will not be insured by the Federal Deposit Insurance Corporation. All of the outstanding shares of stock are, and any stock issued pursuant to the merger agreement will be, fully paid and nonassessable.

Limitation of Liability and Indemnification Matters

PacWest's certificate of incorporation provides that a director of PacWest shall not be liable to PacWest or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent that such exemption from liability or limitation thereof is not permitted under Delaware law. PacWest's bylaws also provide that, to the maximum extent permitted by law, PacWest shall indemnify any person made or threatened to be made a party to any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person or such person's testator or intestate is or was a director, officer or employee of PacWest or serves or served at the request of PacWest as a director, officer or employee of any other enterprise. Expenses, including attorneys' fees, incurred by any such person in defending any such action, suit or proceeding shall be paid or reimbursed by PacWest promptly upon receipt by PacWest of a commitment from such person to repay such expenses if it shall ultimately be determined that such person is not entitled to be indemnified by PacWest. The bylaws do not limit the power of PacWest or its board of directors to provide other indemnification and expense reimbursement rights to directors, officers, employees, agents and other persons as otherwise pursuant to the bylaws.

Anti-takeover Provisions in the Certificate of Incorporation and Bylaws

Certain provisions of PacWest's certificate of incorporation and bylaws could make it less likely that PacWest's management would be changed or someone would acquire voting control of us without the consent of PacWest's board of directors. These provisions could delay, deter or prevent tender offers or takeover attempts that stockholders might believe are in their best interests, including tender offers or takeover attempts that could allow stockholders to receive premiums over the market price of their common stock.

Preferred Stock

PacWest's board of directors can at any time, under PacWest's certificate of incorporation and without stockholder approval, issue one or more new series of preferred stock. In some cases, the issuance of preferred stock could discourage or make more difficult attempts to take control of us through a merger, tender offer, proxy context or otherwise. Preferred stock with special voting rights or other features issued to persons favoring PacWest's management could stop a takeover by preventing the person trying to take control of us from acquiring enough voting shares necessary to take control.

Table of Contents

Nomination Procedures

Holders of PacWest common stock can nominate candidates for PacWest's board of directors. A stockholder must follow the advance notice procedures described in PacWest's bylaws. In general, to nominate a person for election to PacWest's board of directors at a meeting of PacWest's stockholders, a stockholder must submit a written notice of the proposed nomination to PacWest's corporate secretary at least 90 but not more than 120 days before the meeting.

Rights Plan

Although PacWest does not have a stockholder rights plan (commonly referred to as a "poison pill"), under Delaware law, the PacWest board of directors can adopt such a plan without stockholder approval. In addition, the merger agreement provides that, at or immediately following the effective time, PacWest will adopt a tax benefit preservation plan designed to preserve the net operating losses and certain other tax assets of the surviving corporation. Although adoption of the tax benefit preservation plan is not part of a plan by PacWest to adopt a series of anti-takeover measures, it could be deemed to have an anti-takeover effect because it could discourage a person from acquiring shares of PacWest common stock.

Amendment of Bylaws

Under PacWest's bylaws, PacWest's board of directors can adopt, amend or repeal the bylaws, subject to limitations under the DGCL. PacWest's stockholders also have the power to change or repeal PacWest's bylaws.

Common Stock

Voting Rights

Holders of PacWest common stock will be entitled to one vote per share on all matters requiring stockholder action, including, but not limited to, the election of directors. Cumulative voting is permitted so long as the name of the candidates for whom such votes would be cast has been placed in nomination prior to the voting and at least one stockholder has given notice at the meeting prior to the voting of such stockholder's intention to cumulate votes. In an election of directors under cumulative voting, each share of voting stock is entitled to vote the number of votes to which such share would normally be entitled, multiplied by the number of directors to be elected. A stockholder may then cast all such votes for a single candidate or may allocate them among as many candidates as the stockholder may choose. Cumulative voting may enable a minority stockholder or group of stockholders to elect at least one representative to the board. Without cumulative voting, the holders of a majority of the shares present at an annual meeting would have the power to elect all the directors to be elected at that meeting, and no person could be elected without the support of a majority of the stockholders voting. Without cumulative voting, any director or the entire board of directors of a corporation may be removed with or without cause with the approval of a majority of the outstanding shares entitled to vote at an election of directors.

Dividends

Holders of PacWest common stock may receive dividends when, as and if declared by PacWest's board of directors out of funds legally available for payment of dividends, subject to any restrictions imposed by Federal regulators and the payment of any preferential amounts to which any class of preferred stock may be entitled. Other restrictions on PacWest's ability to pay dividends are described below under " Restrictions on Dividends."

Table of Contents

Liquidation Preference

Holders of common stock are not entitled to a liquidation preference in respect of those shares. Upon liquidation, dissolution or winding up of PacWest, holders of PacWest common stock will be entitled to share ratably in all assets remaining after the payment of all liabilities of PacWest and of preferential amounts to which any preferred stock may be entitled.

Other Matters

The holders of the PacWest common stock will have no preemptive or other subscription rights. PacWest common stock will not be subject to call or redemption.

Restrictions on Dividends

PacWest is incorporated in Delaware and is governed by the DGCL. Delaware law allows a corporation to pay dividends only out of surplus, as determined under Delaware law, or, if there is no surplus, out of net profits for the fiscal year in which the dividend was declared and/or for the preceding fiscal year. Under Delaware law, however, PacWest cannot pay dividends out of net profits if, after PacWest pays the dividend, PacWest's capital would be less than the capital represented by the outstanding stock of all classes having a preference upon the distribution of assets. Our ability to pay dividends is also subject to certain other limitations. Dividend payments by PacWest are subject to the oversight of the Federal Reserve Board. It is the policy of the Federal Reserve Board that bank holding companies should pay cash dividends on common stock only out of income available over the past year and only if retention of prospective earnings is consistent with the organization's expected future needs and financial condition. The policy provides that bank holding companies should not maintain a level of cash dividends that places undue pressure on the capital of depository institution subsidiaries or that may undermine the bank holding company's ability to serve as a source of strength to its banking subsidiaries. The level of our capital ratios also may affect our ability to pay dividends.

As a bank holding company, PacWest's ability to pay dividends is affected by the ability of Pacific Western Bank to pay dividends to PacWest. It is possible, depending upon the financial condition of Pacific Western Bank, and other factors, that the Federal Reserve, FDIC or CDBO could assert that a proposed payment of dividends or other payments would be an unsafe or unsound practice. Pacific Western Bank is subject to restrictions under certain federal and state laws and regulations which limit its ability to transfer funds to PacWest through intercompany loans, advances or cash dividends. Dividends paid by state banks, such as Pacific Western Bank, are regulated by the CDBO, under its general supervisory authority as it relates to a bank's capital requirements. A state bank may declare a dividend without the approval of the CDBO as long as the total dividends declared in a calendar year do not exceed either the retained earnings or the total of net profits for the three previous fiscal years less any dividends paid during such period.

During 2012 and the nine months ended September 30, 2013, PacWest received \$50 million and \$36 million, respectively, in dividends from Pacific Western Bank. For the foreseeable future, further dividends from Pacific Western Bank to PacWest require CDBO approval.

Refer to "Business Supervision and Regulation" in PacWest's most recent Annual Report on Form 10-K and similar sections in PacWest's future filings for more information about restrictions on the ability of PacWest's subsidiary to pay PacWest dividends.

Restrictions on Ownership of PacWest's Common Stock

Under the BHC Act, any person or company is required to obtain the approval of the Federal Reserve before acquiring control of PacWest, which, among other things, includes the acquisition of ownership of or control over 25% or more of any class of voting securities of the Company or the

Table of Contents

power to exercise a "controlling influence" over PacWest. In the case of an acquirer that is a bank or bank holding company, the BHC Act requires approval of the Federal Reserve for the acquisition of ownership or control of any voting securities of PacWest, if the acquisition results in the bank or bank holding company controlling more than 5% of the outstanding shares of any class of our voting securities. The Change in Bank Control Act prohibits a person, entity, or group of persons or entities acting in concert, from acquiring "control" of a bank holding company such as PacWest unless the Federal Reserve has been given prior notice and has not objected to the transaction. Under Federal Reserve regulations, the acquisition of 10% or more of a class of voting stock of PacWest would generally be deemed an acquisition of control of PacWest.

Transfer Agent

The transfer agent for PacWest common stock is Wells Fargo Shareowner Services.

SUMMARY OF THE PACWEST 2003 STOCK INCENTIVE PLAN

A summary of PacWest's 2003 Stock Incentive Plan, referred to as the plan, appears below. It does not purport to be complete and is qualified in its entirety by reference to the provisions of the plan itself. The complete text of the amended and restated plan is attached hereto as Appendix I.

Introduction and Proposed Amendment

In May 2003, PacWest's stockholders approved the plan, authorizing the issuance of up to 2.5 million shares of common stock as equity compensation in the form of time-based and performance-based restricted stock, stock options and stock appreciation rights, referred to as SARs, as further described and under the conditions set forth in the plan. In May 2004, PacWest's stockholders approved an amendment and restatement of the plan modifying the definitions of certain performance goals and discretion of the Compensation, Nominating and Governance Committee, referred to as the CNG committee, with respect thereto, for grants of performance stock. In May 2006, PacWest's stockholders approved an amendment to the plan to increase the shares available for issuance under the plan to 3.5 million. In May of 2009, PacWest's stockholders approved an amendment to the plan to increase the authorized number of shares for issuance under the plan from 3.5 million shares to 5 million shares, and to extend the expiration date of the plan from April 17, 2010 to May 31, 2015. In May of 2012, PacWest's stockholders approved an amendment to the plan to increase the authorized number of shares for issuance under the plan from 5 million shares to 6.5 million shares.

PacWest requests that its stockholders (i) approve the PacWest stock plan amendment proposal to increase the authorized number of shares for issuance under the plan from 6.5 million to 9 million and to extend the expiration date of the plan from May 31, 2017 to May 31, 2019 and (ii) re-approve the business criteria listed under the plan on which performance goals may be based for awards under the plan that are intended to satisfy the "performance-based compensation" exception to the deductibility limit under Section 162(m) of the Internal Revenue Code. The plan has been instrumental in promoting the success of PacWest by providing additional means to attract, motivate and retain key employees, non-employee directors and consultants of PacWest through grants of equity compensation for high levels of individual performance and improved financial performance of PacWest. The PacWest board of directors continues to believe that the ability of PacWest to offer time-based and performance-based restricted stock awards and other forms of equity compensation are valuable tools for attracting, motivating and retaining key employees, non-employee directors and consultants and therefore recommends adoption of the PacWest stock plan amendment proposal.

The material features of the plan are described below.

Background

As of the PacWest record date, there were 46,078,152 shares of PacWest common stock issued and outstanding, including an aggregate of 1,761,378 shares of unvested restricted stock. Only 1,433,647 shares of PacWest common stock, or approximately 22.1% of shares authorized under the plan, remain available for future grants of equity compensation. If the PacWest stock plan amendment proposal is approved, an additional 2.5 million shares will be authorized under the plan and available for future grants of time-based and performance-based restricted stock, stock options and SARs, collectively referred to as awards, pursuant to the terms of the plan.

Administration; Eligibility and Vesting

The plan is administered by the CNG committee. Employees of PacWest and its subsidiaries and non-employee directors of PacWest are eligible to participate. Awards may also be granted to consultants or advisors who perform or agree to perform bona fide services for PacWest, except that options intended to qualify as incentive stock options within the meaning of Section 422 of the Internal

Table of Contents

Revenue Code, referred to as ISOs, may only be granted to employees. The CNG committee determines which eligible participants receive awards, the nature, price, number of shares and other terms of such awards, and the form and terms of award agreements. See " Kinds of Awards" below. The CNG committee is authorized to construe and interpret the plan and all decisions, determinations and interpretations of the CNG committee are final and binding on all participants and any other holder of awards. The CNG committee will determine the vesting and, where applicable, the expiration date of awards, but awards that provide for the right to acquire stock may not remain outstanding more than 10 years after the grant date (or, as discussed below, five years in the case of certain employee ISOs).

Shares Available for Grant; Adjustment; Transferability

Shares Available for Grant

Under the plan, the total number of shares of common stock subject to awards may not exceed 6.5 million. If the PacWest stock plan amendment proposal is approved and the merger is consummated, the total number of shares that may be issued under the plan pursuant to awards will increase to 9 million.¹ The maximum number of shares for which options, SARs and performance stock/stock unit awards may be granted to a single participant in any single year is 250,000, in each case. These limitations are subject to adjustment in the event of certain changes in the capitalization of PacWest. See " Adjustments and Extraordinary Events" below. Upon termination, cancellation, forfeiture or expiration of any unexercised award under the plan, the number of shares with respect to which awards may be granted under the plan will be increased by the number of shares to which such unexercised award pertained. In addition, to the extent that shares issued under the plan are repurchased by PacWest at their original purchase price, such shares will again be available for grant under the plan, except that the aggregate number of shares issuable upon the exercise of ISOs may not exceed 6.5 million shares (subject to the adjustments described below under " Adjustments and Extraordinary Events"). This amount will increase to 9 million if the PacWest stock plan amendment proposal is approved and the merger is consummated.

Adjustments and Extraordinary Events

The plan provides that if there is any increase or decrease in the number of issued and outstanding shares of common stock resulting from a stock split, reverse stock split, stock dividend, recapitalization, combination or reclassification of PacWest's common stock, or any other increase or decrease in the number of issued and outstanding shares of PacWest common stock, effected without the receipt of consideration by PacWest, then the limitations on the number of shares reserved for delivery under the plan, the limitations on the number of stock options or SARs which may be granted in any one calendar year, the number of shares that pertain to each outstanding award and the exercise price of each option and SAR will be proportionately adjusted.

Transferability

Generally, awards may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent and distribution and may be exercised, during the lifetime of the participant, only by the participant. However, the CNG committee may permit a

¹

In addition, if the merger is consummated, shares available for grant under the CapitalSource Third Amended and Restated Equity Incentive Plan will remain available for grant to employees of CapitalSource and CapitalSource Bank who remain employed with the combined company and to newly hired employees of the combined company. After adjusting such CapitalSource shares to reflect the merger, it is currently expected that there will be approximately 8,358,182 additional PacWest shares available for grant.

participant to transfer any of such participant's awards, other than ISOs, to one or more of the participant's immediate family members or to trusts established in whole or in part for the benefit of the participant and/or one or more of such immediate family members, to the extent that neither the transfer of such award to the immediate family member or trust, nor the ability of a participant to make such a transfer, shall have adverse consequences to PacWest or the participant by reason of Section 162(m) of the Internal Revenue Code. See " Termination of Employment, Death or Disability" below.

Term of the Stock Incentive Plan

The plan will terminate on May 31, 2017, unless terminated earlier by the PacWest board of directors. The PacWest stock plan amendment proposal would extend the term of the plan until May 31, 2019.

Kinds of Awards Performance Stock Awards and Restricted Stock Awards

Performance Stock Awards

Under the plan, the CNG committee as the administrator of the plan may grant time-based and performance-based restricted stock awards. Performance-based restricted stock awards are granted subject to a risk of forfeiture which lapses as the participant vests in the stock granted. The participant vests in the common stock underlying such performance stock award, in whole or in part, if certain goals established by the CNG committee, as the administrator of the plan, are achieved over a designated period of time, but in no event more than 10 years. If the performance goals are not satisfied within the designated period of time, the performance stock will automatically be forfeited and immediately returned to PacWest.

Performance Criteria

Under the plan, at the discretion of the CNG committee, the performance goals may be based upon the attainment of one or more of the following business criteria, determined either in absolute terms or relative to the performance of one or more similarly situated companies or a published index covering the performance of a number of companies: net income; return on average assets, referred to as ROA; cash ROA; return on average equity, referred to as ROE; cash ROE; earnings per share, referred to as EPS; cash EPS; stock price; and efficiency ratio. When establishing performance goals for a performance-based restricted stock award, the CNG committee may exclude any or all "extraordinary items" as determined under U.S. generally accepted accounting principles including, without limitation, the charges or costs associated with restructurings of PacWest, discontinued operations, other unusual or non-recurring items, and the cumulative effects of accounting changes. The CNG committee may also adjust the performance goals for any performance cycle as it deems equitable in recognition of unusual or non-recurring events affecting PacWest, changes in applicable tax laws or accounting principles, or such other factors as the CNG committee may determine. The CNG committee may also grant performance-based restricted stock awards that vest over the passage of time, but for which vesting is accelerated upon the attainment of specified performance goals.

Restricted Stock

The CNG committee may also grant time-based restricted stock awards under the plan. The participant vests in the common stock underlying such time-based restricted stock award at such times and under such conditions as are determined by the CNG committee and set forth in the time-based restricted stock award agreement. PacWest intends that time-based restricted stock awards will vest over specified periods of time and will not require the satisfaction of any performance conditions in order to vest.

Table of Contents

Rights as Stockholder; Payment of Dividends

Upon the vesting of a time-based or performance-based restricted stock award, the participant has the rights of a stockholder with respect to the voting of the common stock underlying such award, subject to the conditions contained in the award agreement. The award agreement may require or permit the immediate payment, waiver, deferral or investment of dividends paid on the shares of common stock underlying a restricted stock award or performance stock award. On the occurrence of a vesting event (as described below under " Treatment of Awards Upon a Change in Control"), all unvested time-based and performance-based restricted stock awards that are outstanding on such date will become vested.

Kinds of Awards Stock Options

Stock Options

Under the plan, the CNG committee may from time to time grant stock options, either ISOs or nonqualified stock options, to acquire shares of PacWest's common stock to eligible participants. As required by the Internal Revenue Code and applicable regulations, ISOs are subject to certain limitations not applicable to non-ISOs. The exercise price of all stock options will be determined by the CNG committee, but may not be less than 100% of the fair market value of PacWest's common stock on the date of grant. The exercise price for any ISO granted to any eligible employee owning more than 10% of the total combined voting power of all classes of PacWest's stock may not be less than 110% of the fair market value of PacWest's common stock on the date of grant. In addition, the term of such option may not exceed five years from the date of grant. The fair market value of PacWest's common stock is the closing price (or the closing bid, if no sales were reported) as quoted on NASDAQ for the trading day immediately prior to the date of grant. The exercise price may be adjusted in the event of changes in the capitalization of PacWest. See " Adjustments and Extraordinary Events" above. The aggregate fair market value (determined at the date of grant) of common stock subject to all ISOs held by an employee that vest in any single calendar year cannot exceed \$100,000.

Vesting

All options will be exercisable and will vest at such times and under such conditions as determined by the CNG committee and set forth in the relevant stock option agreement. In the case of a participant, however, who is not an officer of PacWest, a non-employee director or a consultant, such option will vest at a rate of at least 20% per year. On the occurrence of a vesting event (as described below under " Treatment of Awards Upon a Change in Control"), all options that are outstanding on such date will become exercisable whether they are vested or not.

Method of Exercise

The type of consideration to be received and the method of payment for shares of common stock to be issued upon exercise of a stock option is determined by the CNG committee and may consist of cash, check, recourse note carrying a market interest rate (that may or may not be secured in the discretion of the CNG committee), delivery of previously acquired PacWest common stock which has been held for a meaningful period of time (e.g., six months) before exercise or any combination of the foregoing. Any shares so delivered to PacWest shall be valued at their fair market value on the exercise date.

Kinds of Awards Stock Appreciation Rights (SARs)

Under the plan, the CNG committee may from time to time grant SARs. The exercise price of all SARs will be determined by the CNG committee, but may not be less than the fair market value of

Table of Contents

PacWest's common stock on the date of grant. Upon exercise of a SAR, the participant (or any person having the right to exercise the SAR after his or her death) shall receive an amount equal to the amount by which the fair market value of a share on the date of surrender exceeds the exercise price of such SAR. PacWest will pay this amount in the form of common stock, cash or any combination thereof, as determined by the CNG committee. All SARs will be exercisable and will vest at such times and under such conditions as determined by the CNG committee and set forth in the relevant SAR agreement. On the occurrence of a vesting event (as described below under " Adjustments and Extraordinary Events"), all SARs that are outstanding on such date will become exercisable whether they are vested or not.

Termination of Employment, Death or Disability

Termination of Service

Upon termination of service other than due to death, disability or cause, the participant may exercise his or her option or SAR on or prior to the date that is three months following the date of termination to the extent that such participant was entitled to exercise such option or SAR on the date of termination (but in no event later than the expiration of the term of such option or SAR). Treatment of performance stock and restricted stock on termination of service is determined under the applicable award agreement.

Disability of Participant

Upon termination of service due to disability, the participant may exercise his or her option or SAR on or prior to the date that is 12 months following the date of termination to the extent that such participant was entitled to exercise such option or SAR on the date of termination (but in no event later than the expiration of the term of such option or SAR). Treatment of performance stock and restricted stock on disability is determined under the applicable award agreement.

Death of Participant

In the event that a participant should die while in service, the participant's option or SAR may be exercised by the participant's estate or by a person who has acquired the right to exercise the option or SAR by bequest or inheritance, but only on or prior to the date that is 12 months following the date of death, and only to the extent that the participant was entitled to exercise the option or SAR at the date of death (but in no event later than the expiration date of the term of such option or SAR). Time-based and performance-based restricted stock awards granted on or after November 2, 2005 accelerate vesting and vest in full upon such participant's death.

Treatment of Awards Upon a Change in Control

Under the plan, if a "Vesting Event" takes place, then all outstanding options and SARs on the date of the Vesting Event become exercisable on such date (whether or not previously vested) and all restricted stock awards and performance stock awards become fully vested. A Vesting Event means the earlier of a Change in Control (as defined in the plan) or the termination of a participant's service (other than for cause) following stockholder approval of any matter, plan or transaction which would constitute a Change in Control.

Amendment and Termination of the Plan

The board of directors of PacWest may at any time amend, alter, suspend or discontinue the plan in its discretion, but no amendment, alteration, suspension or discontinuation may be made which would impair the rights of any participant under any grants made without his or her consent. In addition, to the extent necessary and desirable to comply with Section 422 of the Internal Revenue

Table of Contents

Code (or any other applicable law or regulation, including the requirements of any stock exchange or national market system upon which PacWest's common stock is then listed), PacWest will obtain stockholder approval of any amendment to the plan in such a manner and to such a degree as is required.

Cancellation and Regrant of Awards; No Repricing

The CNG committee has the authority to effect, at any time and from time to time, with the consent of the affected participant, the cancellation of any or all outstanding options or SARs and to grant in substitution new options or SARs covering the same or a different number of shares of common stock but with an exercise price based on the fair market value on the new date of grant of the option or SAR. The CNG committee also has the authority to effect, at any time and from time to time, with the consent of the affected participant, the cancellation of any or all outstanding time-based and performance-based restricted stock awards and to grant in substitution new restricted stock awards, covering the same or a different number of shares of common stock. However, the CNG committee may not, without first obtaining stockholder approval, take any action that would be considered a "repricing" under any applicable accounting, stock exchange or other rule or regulation, to effect an offer to exchange outstanding awards for cash or any other type of award permitted under the plan. Shares underlying any award that is cancelled will generally be available for re-grant under the plan.

Federal Income Tax Consequences

The following is a brief description of the U.S. federal income tax consequences generally arising with respect to the grant of stock options, stock appreciation rights and restricted stock. This summary is not intended to (and does not) constitute tax advice to participants in the plan and is not intended to be exhaustive and, among other things, does not describe state, local or foreign tax consequences. Participants are advised to consult with their own independent tax advisors with respect to the specific tax consequences that, in light of their particular circumstances, might arise in connection with their receipt of awards under the plan, including any state, local or foreign tax consequences and the effect, if any, of gift, estate and inheritance taxes.

Stock Options and Stock Appreciation Rights

The grant of a stock option or stock appreciation right will generally create no tax consequences for the participant or PacWest at the grant date. A participant will generally not recognize taxable income upon exercising an incentive stock option except that the alternative minimum tax may apply (depending on the participant's individual circumstances). Upon exercising a stock option (other than an incentive stock option) or stock appreciation right, the participant will recognize ordinary income equal to the excess of the fair market value of the freely transferable and nonforfeitable common stock (and/or cash or other property) acquired on the date of exercise over the exercise price, and will be subject to FICA (Social Security and Medicare) taxation in respect of such amounts.

If a participant holds common stock acquired under the incentive stock option for at least two years from the grant date and one year from the exercise date, referred to as the required holding period, any gain or loss realized by the participant upon the subsequent disposition of such common stock will be taxed as long-term capital gain or loss, and such amounts will not be subject to FICA taxation. Upon a disposition of common stock acquired upon exercise of an incentive stock option before the end of the required holding period, the participant generally will recognize ordinary income equal to the lesser of (i) the excess of the fair market value of the common stock at the date of exercise of the incentive stock option over the exercise price, or (ii) the amount realized upon the disposition of the incentive stock option common stock over the exercise price. Otherwise, a participant's disposition of common stock acquired upon the exercise of a stock option (including an incentive stock option for which the required holding period is met) or stock appreciation right

Table of Contents

generally will result in short-term or long-term capital gain or loss measured by the difference between the sale price and the participant's tax basis in such common stock (the tax basis in stock option common stock generally being the exercise price plus any amount recognized as ordinary income in connection with the exercise of the stock option, although special rules may apply if the exercise price is paid in previously acquired common stock).

Performance Stock and Restricted Stock

Generally, the recipient of an award of performance stock or restricted stock will not recognize ordinary income at grant. Instead, the participant generally will recognize ordinary income when the performance stock or restricted stock becomes vested, equal to the fair market value of the common stock on the date it becomes vested (and such excess will be subject to FICA taxation). PacWest will generally receive a tax deduction equal to the amount of income recognized by the recipient.

Deduction/Section 162(m) of the Internal Revenue Code

PacWest generally will be entitled to a tax deduction equal to the amount recognized as ordinary income by the participant in connection with the delivery of common stock (or cash) pursuant to a restricted stock award, or the exercise of a stock option or stock appreciation right. PacWest will not be entitled to any tax deduction with respect to an incentive stock option if the participant holds the common stock for the required holding period prior to disposition of the common stock, and is generally not entitled to a tax deduction with respect to any amount that represents a capital gain to a participant or that represents compensation in excess of \$1 million paid to "covered employees" that is not "qualified performance-based compensation" under Section 162(m) of the Internal Revenue Code. For this purpose, a "covered employee" means our chief executive officer and our three highest compensated employees other than the chief executive officer and the chief financial officer (based on compensation reported to our stockholders). The plan is intended to satisfy the "performance-based compensation" exception under Section 162(m) of the Internal Revenue Code with respect to stock options, stock appreciation rights and other awards that are subject to the achievement of performance goals.

For more complete information concerning the plan, please refer to Appendix I.

The actual amount of any awards granted under the plan for the fiscal year ending December 31, 2013 is not presently determinable, as such amounts are dependent on the discretion of the CNG committee.

(d) CapitalSource Stock Options, CapitalSource RSUs and CapitalSource Restricted Shares. CapitalSource Stock Options, CapitalSource RSUs and CapitalSource Restricted Shares will be treated in accordance with Section 5.14.

3.02 *Rights as Stockholders; Stock Transfers*. At the Effective Time, holders of CapitalSource Common Stock shall cease to be, and shall have no rights as, stockholders of CapitalSource other than to receive the Merger Consideration (together with any dividends or distributions with respect thereto and cash in lieu of fractional shares issued in consideration therefor). After the Effective Time, there shall be no transfers on the stock transfer books of CapitalSource or the Surviving Corporation of the shares of CapitalSource Common Stock that were outstanding immediately prior to the Effective Time.

3.03 *Exchange Procedures*. (a) Exchange Agent. At the Effective Time, PacWest shall deposit, or shall cause to be deposited, with an exchange agent mutually agreed upon by PacWest and CapitalSource (the "*Exchange Agent*"), for the benefit of the holders of Shares (in each case, other than holders of Excluded Shares), an amount in cash equal to the Cash Consideration multiplied by the number of Shares (other than the Excluded Shares) issued and outstanding immediately prior to the Effective Time plus any cash due in lieu of fractional shares pursuant to Section 3.03(d) and certificates representing the shares of PacWest Common Stock in exchange for Shares outstanding immediately prior to the Effective Time, deliverable upon due surrender of the Certificates (or affidavits of loss in lieu thereof as provided in Section 3.03(f)) or, in the case of Book-Entry Shares, upon adherence to the procedures set forth in the transmittal materials, pursuant to the provisions of this Article III, and after the Effective Time, if applicable, any dividends or other distributions with respect to shares of PacWest Common Stock (such amount in cash and certificates for shares of PacWest Common Stock being hereinafter referred to as the "*Exchange Fund*") sufficient to pay the aggregate Merger Consideration to the holders of Shares (other than holders of Excluded Shares). CapitalSource shall notify PacWest in writing prior to the Effective Time of the number of Shares and Excluded Shares outstanding immediately prior to the Effective Time.

such holders of the effectiveness of the Merger, including appropriate transmittal materials specifying that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates (or affidavits of loss in lieu thereof, as provided in Section 3.03(f)) and instructions for surrendering the Certificates (or affidavits of loss in lieu thereof) to the Exchange Agent (such materials and instructions to include customary provisions with respect to delivery of an "agent's message" with respect to Book-Entry Shares and to be in such form and have such provisions as PacWest and CapitalSource may reasonably agree). Upon the surrender of a Certificate (or affidavits of loss in lieu thereof as provided in Section 3.03(f)) or Book-Entry Shares to the Exchange Agent in accordance with the terms of such transmittal materials, the holder of such Certificate or Book-Entry Shares shall be entitled to receive in exchange therefor (x) a certificate representing that number of whole shares of PacWest Common Stock that such holder is entitled to receive pursuant to this Article III and (y) a check in the amount (after giving effect to any required tax withholdings as provided in Section 3.03(g)) equal to the Cash Consideration multiplied by the number of Shares held by such holder plus any cash in lieu of fractional shares, and the Certificate or Book-Entry Shares so surrendered shall forthwith be cancelled. No interest will be paid or accrued on any amount payable upon due surrender of the Certificates or Book-Entry Shares. In the event of a transfer of ownership of Shares that is not registered in the transfer records of CapitalSource, a certificate representing the proper number of shares of PacWest Common Stock, together with a check for any cash to be paid upon due surrender of the Certificate, may be issued and/or paid to such a transferee if the Exchange Agent is presented with the Certificate formerly representing such Shares and/or all documents required to evidence and effect such transfer and to evidence that any applicable stock transfer taxes have been paid or are not applicable.

(c) Distributions with Respect to Unexchanged Shares; Voting. All shares of PacWest Common Stock to be issued pursuant to the Merger shall be deemed issued and outstanding as of the Effective Time and if ever a dividend or other distribution is declared by PacWest in respect of the PacWest Common Stock, the record date for which is at or after the Effective Time, that declaration shall include dividends or other distributions in respect of all shares issuable pursuant to this Agreement. No dividends or other distributions in respect of the PacWest Common Stock shall be paid to any holder of any unsurrendered Certificate or Book-Entry Shares until such Certificate (or affidavit of loss in lieu thereof as provided in Section 3.03(f)) or Book-Entry Shares are surrendered for exchange in accordance with this Article III. Subject to the effect of applicable Laws, following surrender of any such Certificate (or affidavit of loss in lieu thereof as provided in Section 3.03(f)) or Book-Entry Shares, there shall be issued and/or paid to the holder of the certificates representing whole shares of PacWest Common Stock issued in exchange therefor, without interest, (A) at the time of such surrender, the dividends or other distributions with a record date after the Effective Time theretofore payable with respect to such whole shares of PacWest Common Stock and not paid and (B) at the appropriate payment date, the dividends or other distributions payable with respect to such whole shares of PacWest Common Stock with a record date after the Effective Time but with a payment date subsequent to surrender.

(d) Fractional Shares. Notwithstanding any other provision of this Agreement, no fractional shares of PacWest Common Stock will be issued and any holder of Shares entitled to receive a fractional share of PacWest Common Stock but for this Section 3.03(d) shall be entitled to receive a cash payment in lieu thereof (rounded to the nearest cent), which payment shall be determined by multiplying (i) the PacWest Average Closing Price by (ii) the fraction of the share (rounded to the nearest thousandth when expressed in decimal form) of PacWest Common Stock which such holder would otherwise be entitled to receive pursuant to Section 3.01(a).

(e) Termination of Exchange Fund. The Exchange Fund shall be administered by the Exchange Agent until such time as any unclaimed portion thereof is delivered to a public official

pursuant to applicable abandoned property, escheat or similar Laws. None of the Surviving Corporation, PacWest, the Exchange Agent or any other Person shall be liable to any former holder of Shares for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar Laws.

(f) Lost, Stolen or Destroyed Certificates. In the event any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by PacWest, the posting by such Person of a bond in customary amount as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the shares of PacWest Common Stock and any cash, unpaid dividends or other distributions that would be payable or deliverable in respect thereof pursuant to this Agreement had such lost, stolen or destroyed Certificate been surrendered.

(g) Withholding Rights. Each of PacWest and the Surviving Corporation shall be entitled to deduct and withhold from the Merger Consideration otherwise payable pursuant to this Agreement to any holder of Shares such amounts as it is required to deduct and withhold with respect to the making of such payment under the Code or any other applicable state, local or foreign Tax Law. To the extent that amounts are so withheld by the Surviving Corporation or PacWest, as the case may be, such withheld amounts (i) shall be remitted by PacWest or the Surviving Corporation to the applicable Governmental Authority, and (ii) shall be treated for all purposes of this Agreement as having been paid to the holder of Shares in respect of which such deduction and withholding was made by the Surviving Corporation or PacWest, as the case may be.

(h) Dissenting Shares. No Person who has perfected a demand for appraisal rights pursuant to § 262 of the DGCL shall be entitled to receive the Merger Consideration or any dividends or other distributions pursuant to this Article III unless and until the holder thereof shall have effectively withdrawn or lost such holder's right to appraisal under the DGCL, and any Dissenting Stockholder shall be entitled to receive only the payment provided by § 262 of the DGCL with respect to Shares owned by such Dissenting Stockholder. If any Dissenting Stockholder shall have effectively withdrawn or lost the right to dissent with respect to any Shares, such Shares shall thereupon be treated as though such Shares had been converted into the right to receive the Merger Consideration pursuant to Section 3.01 of this Agreement. CapitalSource shall give PacWest prompt notice of any written demands for appraisal, attempted withdrawals of such demands, and any other instruments served pursuant to applicable Law received by CapitalSource relating to stockholders' rights of appraisal, and CapitalSource and PacWest shall consult and mutually agree on the strategy for any negotiations and proceedings with respect to demand for appraisal under the DGCL. CapitalSource shall not, except with the prior written consent of PacWest, or as required by Law, voluntarily make any payment with respect to any demands for appraisals, offer to settle or settle any such demands or approve any withdrawal of any such demands.

(i) Adjustments. Notwithstanding anything in this Agreement to the contrary, if, between the date of this Agreement and the Effective Time, the issued and outstanding Shares or securities convertible or exchangeable into or exercisable for Shares or the issued and outstanding shares of PacWest Common Stock or securities convertible or exchangeable into or exercisable for shares of PacWest Common Stock, shall have been changed into a different number of shares or a different class by reason of any reclassification, stock split (including a reverse stock split), stock dividend or distribution, recapitalization, redenomination, merger, issuer tender or exchange offer, or other similar transaction, then the Merger Consideration shall be equitably adjusted and as so adjusted shall, from and after the date of such event, be the Merger Consideration for purposes of this Agreement.

None of the execution and delivery of this Agreement, the CapitalSource Stock Option Agreement, the PacWest Stock Option Agreement, the CapitalSource Stockholder Approval or the PacWest Stockholder Approval, as applicable, or the consummation of the transactions contemplated hereby and thereby will (either alone or in conjunction with any other event) result in, cause the vesting, exercisability or delivery of, or increase in the amount or value of, any payment, right or other benefit to any employee, officer, director or other service provider of such Party or any of its Subsidiaries, or result in any limitation on the right of such Party or any of its Subsidiaries to amend, merge, terminate or receive a reversion of assets from any Benefit Plan of such Party or related trust. (d) Each Party agrees that, upon reasonable notice and subject to applicable Laws relating to the exchange of information, it shall afford the other Party and its authorized representatives such access to personnel as may be reasonably requested and such books and records as are substantially similar in scope as provided to each Party in its due diligence review prior to the date of this Agreement.

(e) Each party agrees that it will, and will cause its representatives to, hold any information obtained pursuant to this Section 5.05 in accordance with the terms of the Confidentiality Agreement, dated as of May 5, 2013 (the "*Confidentiality Agreement*"), between the Parties.

(f) No investigation by either Party of the business and affairs of the other Party shall affect or be deemed to modify or waive any representation, warranty, covenant or agreement in this Agreement, or the conditions to such Party's obligation to consummate the transactions contemplated by this Agreement, the CapitalSource Stock Option Agreement and the PacWest Stock Option Agreement.

5.06 *Acquisition Proposals.* Each Party agrees that neither it nor any of its Subsidiaries nor any of their respective officers, directors and employees shall, and that it shall direct and use its reasonable best efforts to cause its and its Subsidiaries' agents and representatives (including any financial advisor, attorney or accountant retained by it or acting on its behalf) not to, directly or indirectly, initiate, solicit, encourage or otherwise facilitate any inquiries or the making of any proposal or offer with respect to an Acquisition Proposal. Each Party further agrees that neither it nor any of its Subsidiaries nor any of their respective officers, directors and employees shall, and that it shall direct and use its reasonable best efforts to cause its agents and representatives (including any financial advisor, attorney or accountant retained by it or acting on its behalf) not to, directly or indirectly, engage in any negotiations concerning, or provide any confidential information or data to, or have any discussions with, any Person relating to an Acquisition Proposal, or otherwise facilitate any effort or attempt to make or implement an Acquisition Proposal; *provided, however*, that nothing contained in this Agreement shall prevent CapitalSource, the CapitalSource Board, PacWest or the PacWest Board from (A) complying with Rule 14d-9 and Rule 14d-2 under the Exchange Act with respect to an Acquisition Proposal; *provided*, that such rules will in no way eliminate or modify the effect that any action pursuant to such rules would otherwise have under this Agreement; (B) at any time prior, but not after the CapitalSource Meeting or the PacWest Meeting, as applicable, is convened, providing information in response to a request therefor by a Person who has made an unsolicited bona fide written Acquisition Proposal if such Party receives from the Person so requesting such information an executed confidentiality agreement on terms not less restrictive in the aggregate to the other party than those contained in the Confidentiality Agreement; or (C) engaging in any negotiations or discussions with any Person who has made an unsolicited bona fide written Acquisition Proposal if and only to the extent that, (i) in each such case referred to in clause (B) or (C) above, such Party's board determines in good faith (after consultation with outside legal counsel) that the failure to take such action would

reasonably be expected to violate the directors' respective fiduciary duties under applicable Law. Each Party agrees that it will immediately cease and cause to be terminated any existing activities, discussions or negotiations with any parties conducted heretofore with respect to any Acquisition Proposals. Each Party agrees that it will take the necessary steps to promptly inform the individuals referred to in the first sentence hereof of the obligations undertaken in this Section 5.06. Each Party agrees that it will notify the other Party promptly, but in no event later than the next succeeding Business Day, if any such inquiries, proposals or offers are received by, any such information is requested from, or any such discussions or negotiations are sought to be initiated or continued with, any of its representatives, indicating, in connection with such notice, the name of such Person and the material terms and conditions of any proposal or offer and thereafter shall keep such other Party informed, on a current basis, of the status and terms of any such proposals or offers and the status of any such discussions or negotiations. As used in this Agreement, (i) "*Acquisition Proposal*" means (A) any proposal, offer or inquiry with respect to a merger, joint venture, partnership, consolidation, dissolution, liquidation, tender offer, recapitalization, reorganization, share exchange, business combination or similar transaction involving such Party or any of its Subsidiaries that if consummated, would result in any Person (or the stockholders of any Person) owning 15% or more of the total voting power of such Party or the surviving entity in a merger involving such party or the resulting parent company of such surviving entity and (B) any proposal or offer to acquire in any manner, directly or indirectly, 15% or more of the total voting power of any class of equity securities of the applicable Party or those of any of its Subsidiaries or 15% or more of such Party's consolidated total assets (including, without limitation, equity securities of its Subsidiaries), in each case other than the transactions contemplated by this Agreement.

5.07 *Certain Policies.* Immediately prior to the Effective Time and provided that each Party has confirmed in writing that all conditions to its obligations to effect the Merger have been satisfied or waived and that it is prepared to effect the Merger, CapitalSource shall, consistent with GAAP, the rules and regulations of the SEC and the rules and regulations of the CDBO and applicable banking Law, modify or change its loan, other real estate owned, accrual, reserve, Tax, litigation and real estate valuation policies and practices (including loan classifications and levels of reserves) so as to be applied on a basis that is consistent with that of PacWest; *provided, however*, that unless the modification or changes would otherwise be necessary to be consistent with applicable Law or with regulatory accounting principles and GAAP, no such modification or change shall constitute or be deemed to be a breach, violation of or failure to satisfy any representation, warranty, covenant, agreement, condition or other provision of this Agreement or otherwise be considered in determining whether any such breach, violation or failure to satisfy shall have occurred, or as an admission or acknowledgement by CapitalSource that any such modification or change is appropriate or required or that any financial statement or information previously provided by CapitalSource was incorrect in any respect.

5.08 *Regulatory Applications.* (a) Each of PacWest and CapitalSource shall cooperate and use their respective reasonable best efforts to prepare and file, or in the case of PacWest cause to be filed, all documentation to effect all necessary notices, reports and other filings and to obtain all permits, consents, approvals and authorizations necessary or advisable to be obtained from any third parties and/or Governmental Authorities in order to consummate the Merger, the Bank Merger or any of the other transactions contemplated hereby; and any initial filings with Governmental Authorities (other than the SEC) shall be made by PacWest as soon as reasonably practicable after the execution hereof and in any event within forty-five (45) days of the date hereof. Subject to applicable Laws relating to the exchange of information, each of PacWest and CapitalSource shall have the right to review in advance, and to the extent practicable, each shall consult with the other on, all written information submitted to any third party and/or any Governmental Authority in connection with the Merger, the Bank Merger and the other transactions contemplated by this Agreement. In exercising the foregoing right, each of such Parties agrees to act reasonably and as promptly as practicable. Each Party hereto agrees that it shall consult with the other Party hereto with respect to the obtaining of all permits,

consents, approvals and authorizations of all third parties and/or Governmental Authorities necessary or advisable to consummate the transactions contemplated by this Agreement, the CapitalSource Stock Option Agreement and the PacWest Stock Option Agreement, and each Party shall keep the other Party apprised of the status of matters relating to completion of the transactions contemplated hereby (including promptly furnishing the other with copies of the non-confidential portions of notices or other communications received by PacWest or CapitalSource, as the case may be, from any third party and/or Governmental Authority with respect to the Merger, the Bank Merger and the other transactions contemplated by this Agreement, the CapitalSource Stock Option Agreement and the PacWest Stock Option Agreement, and, to the extent permitted by Law, providing descriptions of any oral communications from such Persons). Notwithstanding the foregoing, nothing contained herein shall be deemed to require CapitalSource or PacWest to take any action, or commit to take any action, or agree to any condition or restriction, in connection with obtaining the foregoing permits, consents, approvals and authorizations of Governmental Authorities that would reasonably be likely, in each case following the Effective Time (but regardless when the action, condition or restriction is to be taken or implemented), to (i) have a Material Adverse Effect with respect to the Surviving Corporation and its Subsidiaries, taken as a whole or (ii) require PacWest, Pacific Western Bank, the Surviving Corporation or the surviving bank in the Bank Merger to raise additional capital in an amount that would materially reduce the economic benefits of the Merger to the holders of PacWest Common Stock (including the CapitalSource stockholders in respect of the shares of PacWest Common Stock received by them in the Merger) (a "*Materially Burdensome Regulatory Condition*").

(b) Each Party agrees, upon request, to furnish the other Party with all information concerning itself, its Subsidiaries, directors, officers and stockholders, as applicable, and such other matters as may be reasonably necessary or advisable in connection with any filing, notice or application made by or on behalf of such other Party to any third party and/or Governmental Authority.

5.09 *Indemnification; Director's and Officer's Insurance.* (a) From and after the Effective Time, PacWest and the Surviving Corporation agree that they will indemnify and hold harmless each present and former director and officer of CapitalSource (each, an "*Indemnified Party*" and, collectively, the "*Indemnified Parties*") against all costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of actions or omissions occurring at or prior to the Effective Time (including, without limitation, the transactions contemplated by this Agreement) (each a "*Claim*"), whether asserted or claimed prior to, at or after the Effective Time, to the fullest extent permitted under applicable Law (and PacWest or the Surviving Corporation shall also advance expenses as incurred to the fullest extent permitted under applicable Law; *provided, however*, the Person to whom expenses are advanced provides an undertaking to repay such advances if it is ultimately determined that such Person is not entitled to indemnification). Further, the Surviving Corporation shall assume, perform and observe the obligations of CapitalSource under any agreements in effect as of the date of this Agreement to indemnify those Persons who are or have at any time been directors and officers of CapitalSource for their acts and omissions occurring prior to the Closing Date in their capacity as officers or directors.

(b) Any Indemnified Party wishing to claim indemnification under paragraph (a) of this Section 5.09, upon learning of any such claim, action, suit, proceeding or investigation, shall promptly notify PacWest or the Surviving Corporation thereof, but the failure to so notify shall not relieve PacWest or the Surviving Corporation of any liability it may have to such Indemnified Party if such failure does not materially prejudice PacWest or the Surviving Corporation. In the event of any such claim, action, suit, proceeding or investigation (whether arising before or after the Effective Time), (i) PacWest or the Surviving Corporation shall have the right to assume the defense thereof and PacWest and the Surviving Corporation shall not be liable to such Indemnified

Party for any legal expenses or other counsel or any other expenses subsequently incurred by such Indemnified Party in connection with the defense thereof; *provided, however*, that none of PacWest or the Surviving Corporation shall settle, compromise or consent to the entry of any judgment in any Claim for which indemnification has been sought by an Indemnified Party hereunder, unless such settlement, compromise or consent includes an unconditional release of such Indemnified Party from all liability arising out of such Claim or such Indemnified Party otherwise consents in writing to such settlement, compromise or consent, (ii) the Indemnified Party will cooperate in the defense of any such matter and (iii) PacWest and the Surviving Party shall not be liable for any settlement effected without its prior written consent; *provided, however*, that PacWest and the Surviving Corporation shall not have any obligation hereunder to any Indemnified Party if and when a court of competent jurisdiction shall ultimately determine, and such determination shall have become final, that the indemnification of such Indemnified Party in the manner contemplated hereby is prohibited by applicable Law.

(c) For a period of six years from the Effective Time, the Surviving Corporation shall provide that portion of director's and officer's liability insurance ("*D&O Insurance*") that serves to reimburse the present and former officers and directors (determined as of the Effective Time) of CapitalSource (as opposed to the portion that serves to reimburse CapitalSource) with respect to claims against such directors and officers arising from facts or events which occurred before the Effective Time, which D&O Insurance shall contain at least the same coverage and amounts, and contain terms and conditions no less advantageous, as that coverage currently provided by CapitalSource; *provided, however*, that in no event shall the Surviving Corporation be required to expend in the aggregate for such six (6)-year period more than 300% of the current amount expended on an annual basis by CapitalSource to maintain or procure such D&O Insurance; *provided, further*, that if the Surviving Corporation is unable to maintain or obtain the D&O Insurance called for by this Section 5.09, the Surviving Corporation shall obtain as much comparable insurance as is available at a cost in the aggregate for such six (6)-year period up to 300% of the current annual premium; *provided, further*, that officers and directors of CapitalSource may be required to make application and provide customary representations and warranties to the Surviving Corporation's insurance carrier for the purpose of obtaining such D&O Insurance. In lieu of the foregoing, either Party may, with the approval of the other Party, such approval not to be unreasonably withheld or delayed, purchase, at or prior to the Effective Time, a six-year prepaid "tail" policy on terms and conditions providing substantially equivalent benefits as the current policies of the directors' and officers' liability insurance and fiduciary liability insurance maintained by CapitalSource and its Subsidiaries with respect to matters arising on or prior to the Effective Time, covering without limitation the Merger and the other transactions contemplated hereby, at an aggregate cost up to but not exceeding 300% of the current annual premium for such insurance. If such prepaid "tail" policy has been obtained prior to the Effective Time, PacWest shall cause such policy to be maintained in full force and effect, for its full term, and cause all obligations thereunder to be honored by the Surviving Corporation, and no other party shall have any further obligation to purchase or pay for insurance pursuant to this Section 5.09(c).

(d) If the Surviving Corporation or any of its successors or assigns shall (i) consolidate with or merge into any other corporation or entity and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfer all or substantially all of its properties and assets to any other Person, then, and in each case, proper provision shall be made so that the successors and assigns of the Surviving Corporation shall assume the obligations set forth in this Section 5.09.

5.10 *Benefit Plans.* (a) From the Effective Time through the first anniversary of the Closing Date (the "*Continuation Period*"), PacWest shall provide, or cause to be provided to any employee of CapitalSource or any of its Subsidiaries as of immediately prior to the Effective Time (such employees "*Continuing Employees*") while employed by PacWest or its Subsidiaries base salary, incentive compensation opportunities and benefits (other than severance benefits) that are no less favorable, in the aggregate, than the base salary, incentive compensation opportunities and benefits provided to such Continuing Employee immediately prior to the Effective Time. After the Continuation Period, Continuing Employees will be paid base salary and be eligible to participate in the employee benefit and compensation plans, programs, policies and arrangements of PacWest and its Subsidiaries on the same basis and terms and conditions as apply to similarly situated employees of PacWest and its Subsidiaries. With respect to severance benefits, Continuing Employees shall be eligible for severance benefits on the terms and conditions set forth on Section 5.10(a) of the CapitalSource Disclosure Schedule. PacWest will cause each of its employee benefit and compensation plans (including, for the avoidance of doubt, the Executive Severance Pay Plan, as in effect from time to time, and, after the Continuation Period the Employee Severance Pay Plan) to take into account, for purposes of eligibility, vesting, levels of benefits and benefit accrual thereunder, the service of the Continuing Employees with CapitalSource and its Affiliates (including without limitation any predecessor entities) as if such service were with PacWest, to the same extent that such service was credited under a comparable plan of CapitalSource or any of its Subsidiaries (except to the extent it would result in a duplication of benefits for the same period of service and other than for benefit accrual purposes under any defined benefit pension plan of PacWest or its Subsidiaries).

(b) If any of the Continuing Employees (and their beneficiaries) become eligible to participate in a disability medical, dental or health plan of PacWest, PacWest shall cause each such plan to (i) waive any preexisting condition limitations to the extent such conditions were covered under the applicable disability medical, dental or health plans of CapitalSource or any of its Subsidiaries, (ii) honor under such plans any deductible, co-payment and out-of-pocket expenses incurred by such Continuing Employees and their beneficiaries during the portion of the calendar year prior to commencement of participation in such PacWest plan and (iii) waive any waiting period limitation, evidence of insurability requirement or actively-at-work requirement which would otherwise be applicable to such employee and their beneficiaries on or after the Effective Time to the extent such employee or beneficiary had satisfied any similar limitation or requirement under an analogous plan prior to the Effective Time.

(c) Effective as of no later than the day immediately preceding the Effective Time, CapitalSource shall provide PacWest with a copy of a resolution or plan amendment evidencing that CapitalSource's 401(k) Plan is in the process of being terminated effective as of no later than the day immediately preceding the Effective Time; *provided, however*, that the effectiveness of such termination may be conditioned on the consummation of the Merger. The form and substance of such resolutions or plan amendment shall be subject to the review and reasonable and timely approval of PacWest. CapitalSource also may take such other actions in furtherance of terminating CapitalSource's 401(k) Plan as it determined to be reasonably appropriate; *provided, however*, that the effectiveness of any such actions may be conditioned on the consummation of the Merger. PacWest shall, and shall cause its Affiliates to, designate a tax-qualified defined contribution plan of PacWest or one of its Affiliates which provides benefits substantially similar to those provided under the CapitalSource 401(k) Plan (such plan(s), the "*PacWest 401(k) Savings Plan*") that either (i) currently provides for the receipt from Continuing Employees of "eligible rollover distributions" (as such term is defined under Section 402 of the Code), including loans, or (ii) shall be amended prior to the Effective Time to provide for the receipt from the Continuing Employees of eligible rollover distributions, including loans. Each Continuing Employee who is a participant in CapitalSource's 401(k) Plan shall be immediately eligible to commence participation in the PacWest 401(k) Savings Plan as of the Closing Date and given the opportunity to receive a

Edgar Filing: PACWEST BANCORP - Form 424B3

distribution of his or her account balance under the CapitalSource 401(k) Plan and shall be given the opportunity to elect to "roll over" such account balance (including any outstanding loan) to the PacWest 401(k) Savings Plan. Prior to the Effective Time, PacWest will provide to CapitalSource evidence (including without limitation resolutions of the Board of Directors and amendments to the PacWest 401(k) Savings Plan, as applicable) that the PacWest 401(k) Savings Plan shall accept such rollovers; *provided*, that any resolutions or amendments effectuating such rollover shall be subject to the review and reasonable and timely approval of CapitalSource.

(d) PacWest and CapitalSource hereby acknowledge that the transactions contemplated by this Agreement shall constitute a "change in control" (or term or concept of similar import) of (i) CapitalSource and its Subsidiaries under the terms of the CapitalSource Benefit Plans listed in Section 5.10(d) of the CapitalSource Disclosure Schedule and (ii) PacWest and its Subsidiaries under the terms of the PacWest Benefit Plans listed in Section 5.10(d) of the PacWest Disclosure Schedule, in each case, whether reference in any such plan to a "change in control" (or term or concept of similar import) is with respect to a transaction involving CapitalSource or any of its Subsidiaries or PacWest or any of its Subsidiaries, as applicable. From and after the Effective Time, PacWest shall, or shall cause the Surviving Corporation to, honor all obligations and rights under the CapitalSource Benefit Plans in accordance with their terms; *provided, however*, that for purposes of clarity and notwithstanding the foregoing, in no event shall the transactions contemplated by this Agreement constitute a "change in control" (or term or concept of similar import) for purposes of the payment or settlement (but not the vesting or any other right that is not the payment or settlement) of any awards or payments under CapitalSource Benefit Plans that constitute deferred compensation within the meaning of Section 409A of the Code that would otherwise be paid or settled upon a change in control unless the transactions contemplated by this Agreement constitute a "change in control event" within the meaning of Section 409A of the Code.

(e) Nothing herein shall (i) be treated as an amendment to any particular Benefit Plan, (ii) limit the ability of PacWest to amend or terminate any of the Benefit Plans in accordance with their terms at any time, (iii) limit the ability of PacWest to retain or terminate the employment of any particular Continuing Employee or (iv) create any third-party beneficiary rights in any employee of CapitalSource or any of its Subsidiaries, any beneficiary or dependent thereof, or any collective bargaining representative thereof, with respect to the compensation, terms and conditions of employment and/or benefits that may be provided to any Continuing Employee by PacWest or its Subsidiaries or under any benefit plan which Parent or its Subsidiaries may maintain.

5.11 *Notification of Certain Matters.* Each of CapitalSource and PacWest shall give prompt notice to the other of any fact, event or circumstance known to it that (i) is reasonably likely, individually or taken together with all other facts, events and circumstances known to it, to result in a Material Adverse Effect or to prevent, materially delay or materially impair the ability of CapitalSource or PacWest, as the case may be, to consummate the transactions contemplated by this Agreement or (ii) would cause or constitute a material breach of any of its representations, warranties, covenants or agreements contained herein.

5.12 *Covenant Relating to the Tax Status of the Agreement.* Neither PacWest nor CapitalSource shall take or cause to be taken any action that prevents or impedes, or could reasonably be expected to prevent or impede, the Merger from qualifying as a "reorganization" within the meaning of Section 368(a) of the Code.

5.13 *Third-Party Agreements.* (a) The Parties shall use their reasonable best efforts to obtain (i) the consents or waivers required to be obtained from any third parties in connection with the Merger, the Bank Merger and the other transactions contemplated hereby and the CapitalSource Stock Option Agreement and the PacWest Stock Option Agreement (in such form and content as mutually

agreed by the Parties) promptly after the date of this Agreement and (ii) the cooperation of such third parties to effect a smooth transition in accordance with the Parties' timetable at or after the Effective Time. The Parties shall cooperate in minimizing the extent to which any Contracts will continue in effect following the Effective Time, in addition to complying with the prohibitions in Section 5.01(l).

(b) Without limiting the generality of Section 5.13(a), each of the Parties shall use all reasonable efforts to provide data processing, item processing and other processing support or outside contractors to assist in performing all tasks reasonably required to result in a successful conversion of the data and other files and records of CapitalSource and its Subsidiaries to PacWest's production environment, in such a manner sufficient to ensure that a successful conversion will occur at the time (on or after the Effective Time) mutually agreed by the Parties, subject to any applicable Laws, including Laws regarding the exchange of information and other Laws regarding competition. The Parties agree that they shall cause appropriate representatives to meet at least once per week or as otherwise agreed by such representatives commencing on the date hereof to plan for such conversion. In an effort to ensure that conversion will be effected at the time mutually agreed by the Parties, both Parties agree to reasonably cooperate to identify duplicate deposit and loan accounts and close and reopen such accounts with unique account numbers thirty (30) to sixty (60) days prior to the Closing Date. Subject to applicable Laws, the Parties shall cooperate to cause all customer notices to be mailed prior to the Closing Date.

5.14 *CapitalSource Stock Options; CapitalSource RSUs; CapitalSource Restricted Shares; CapitalSource Deferred Units.* (a) As of the Effective Time, each option to acquire Shares (a "*CapitalSource Stock Option*") granted under the CapitalSource Second Amended and Restated 2000 Equity Incentive Plan or the CapitalSource Third Amended and Restated Equity Incentive Plan (the "*CapitalSource Stock Plans*") that is outstanding and unexercised immediately prior to the Effective Time and that has an exercise price per Share that is less than the sum of (i) the Cash Consideration and (ii) the product of the (x) Exchange Ratio multiplied by (y) the PacWest Average Closing Price (the sum of (i) plus (ii), the "*Option Payment Amount*"), shall vest as of the Effective Time to the extent unvested and shall be cancelled and converted into only the right to receive that number of shares of PacWest Common Stock equal to the quotient obtained by dividing (1) the product of (x) the number of Shares subject to such CapitalSource Stock Option multiplied by (y) the excess of the Option Payment Amount over the exercise price per Share of such CapitalSource Stock Option by (2) the PacWest Average Closing Price, which number of shares of PacWest Common Stock shall be delivered to the holder of such CapitalSource Stock Option as soon as reasonably practicable (but no later than five (5) Business Days) following the Closing Date by the Surviving Corporation. Notwithstanding the foregoing, the holder of any such CapitalSource Stock Option shall be entitled to receive a cash payment in lieu of any fractional shares of PacWest Common Stock that become issuable to the holder pursuant to the preceding sentence, which payment shall be determined by multiplying (1) the PacWest Average Closing Price by (2) the fraction of the share (rounded to the nearest thousandth when expressed in decimal form) of PacWest Common Stock which such holder would otherwise be entitled to receive, and shall be paid to the holder (less applicable Taxes required to be withheld) as soon as reasonably practicable (but no later than five (5) Business Days) following the Closing Date by the Surviving Corporation (the "*Fractional Share Payment*"). As of the Effective Time, each CapitalSource Stock Option granted under the CapitalSource Stock Plans that is outstanding and unexercised immediately prior to the Effective Time and that has an exercise price per Share that is equal to or greater than the Option Payment Amount shall be cancelled for no consideration and shall cease to exist.

(b) As of the Effective Time, each restricted stock unit award granted under the CapitalSource Stock Plans (excluding any award deferred under the CapitalSource Amended and Restated Deferred Compensation Plan) (each, a "*CapitalSource RSU*") that is outstanding immediately prior to the Effective Time, whether or not vested, shall vest in full and be cancelled

and shall only entitle the holder of such CapitalSource RSU to receive, as soon as administratively practicable, but in no event more than five (5) Business Days, after the Closing Date, a number of shares of PacWest Common Stock equal to the product of (i) the number of Shares underlying such CapitalSource RSU multiplied by (ii) the Stock Award Exchange Ratio, plus any accrued but unpaid dividend equivalents in respect of such CapitalSource RSUs. Notwithstanding the foregoing, the holder of any such CapitalSource RSU shall be entitled to receive a Fractional Share Payment in lieu of any fractional shares of PacWest Common Stock that become issuable to the holder pursuant to the preceding sentence. For purposes of this Agreement, "*Stock Award Exchange Ratio*" means the sum of the Exchange Ratio and the Cash Portion Exchange Ratio. The "*Cash Portion Exchange Ratio*" means the quotient obtained by dividing (1) the Cash Consideration by (2) an amount equal to the PacWest Average Closing Price. To the extent that any such cancelled CapitalSource RSU constitutes "deferred compensation" under Section 409A of the Code, then distribution of the number of shares of PacWest Common Stock and any Fractional Share Payment provided for in this Section 5.14(b) in respect of such CapitalSource RSU shall occur on the date that settlement of such CapitalSource RSU would occur under the applicable award agreement absent the application of this Section 5.14(b) and, until such settlement date, such CapitalSource RSU shall be credited to an account under the CapitalSource Amended and Restated Deferred Compensation Plan in the award holder's name and be credited with earnings and dividends in respect of PacWest Common Stock following the Effective Time.

(c) As of the Effective Time, each restricted stock award granted under the CapitalSource Stock Plans (each, a "*CapitalSource Restricted Share*") that is outstanding immediately prior to the Effective Time, whether or not vested, shall vest in full and be cancelled and shall only entitle the holder of such CapitalSource Restricted Share to receive, as soon as administratively practicable, but in no event more than five (5) Business Days, after the Closing Date, a number of shares of PacWest Common Stock equal to the product of (i) the number of Shares underlying such CapitalSource Restricted Share multiplied by (ii) the Stock Award Exchange Ratio, plus any accrued but unpaid dividend equivalents in respect of such CapitalSource Restricted Shares. Notwithstanding the foregoing, the holder of any such CapitalSource Restricted Share shall be entitled to receive a Fractional Share Payment in lieu of any fractional shares of PacWest Common Stock that become issuable to the holder pursuant to the preceding sentence.

(d) As of the Effective Time, each right to receive a share of CapitalSource Common Stock or payment measured by the value of a share of CapitalSource Common Stock (each, a "*CapitalSource Deferred Unit*") held in an account under the CapitalSource Amended and Restated Deferred Compensation Plan that is outstanding immediately prior to the Effective Time, whether or not vested, shall vest in full and be converted into the right to receive a number of shares of PacWest Common Stock (including credit for any fractional shares of PacWest Common Stock) equal to the product of (i) the number of Shares underlying such CapitalSource Deferred Unit multiplied by (ii) the Stock Award Exchange Ratio, plus any accrued but unpaid dividend equivalents in respect of such CapitalSource Deferred Unit, and, until the applicable settlement date under the CapitalSource Amended and Restated Deferred Compensation Plan, such CapitalSource Deferred Unit shall be credited with earnings and dividends in respect of PacWest Common Stock following the Effective Time. Notwithstanding the foregoing, the holder of any CapitalSource Deferred Units shall be entitled to receive a cash payment in lieu of any fractional shares of PacWest Common Stock that become issuable to the holder at the time that such CapitalSource Deferred Units are settled in accordance with the CapitalSource Amended and Restated Deferred Compensation Plan and such holder's distribution elections.

(e) Notwithstanding the foregoing, the number of shares of PacWest Common Stock otherwise deliverable pursuant to this Section 5.14 to holders of CapitalSource Stock Options, CapitalSource RSUs, CapitalSource Restricted Shares and CapitalSource Deferred Units, and any

Edgar Filing: PACWEST BANCORP - Form 424B3

Fractional Share Payments payable to the holder of any such awards, shall be reduced by applicable Taxes required to be withheld (in the case of CapitalSource RSUs that are deferred compensation and CapitalSource Deferred Units, at the time of settlement of such rights). For purposes of the satisfaction of any Tax withholding that is satisfied at the Effective Time through a reduction in the number of shares of PacWest Common Stock otherwise deliverable to the holder of CapitalSource Stock Options, CapitalSource RSUs, CapitalSource Restricted Shares and CapitalSource Deferred Units under this Section 5.14, (i) the value of the shares of PacWest Common Stock so withheld shall be based on the average of the high and low sales prices of a share of PacWest Common Stock on the NASDAQ Stock Market on the Closing Date, and (ii) cash equal to the amount required to be withheld shall be remitted by PacWest or the Surviving Corporation to the applicable Governmental Authority and for all purposes of this Agreement such amount shall be treated as having been paid to the holder of the CapitalSource Options, CapitalSource RSUs, CapitalSource Restricted Shares or CapitalSource Deferred Units in respect of which such Tax withholding was made.

(f) At or prior to the Effective Time, CapitalSource, the CapitalSource Board or the compensation committee of the CapitalSource Board, as applicable, shall adopt any resolutions and take any actions which are, in CapitalSource's reasonable determination, necessary to effectuate the provisions of this Section 5.14.

5.15 *Corporate Governance.*

(a) On or prior to the Effective Time, the PacWest Board shall cause the number of directors that will comprise the full board of directors of the Surviving Corporation at the Effective Time to be thirteen (13). Of the members of the initial board of directors of the Surviving Corporation at the Effective Time, eight (8) shall be current directors of PacWest designated by PacWest, and five (5) shall be current directors of CapitalSource designated by CapitalSource, each of whom is mutually agreeable to the Parties.

(b) In accordance with, and to the extent provided in, the PacWest Bylaws, effective as of the Effective Time, Matthew P. Wagner shall be the chief executive officer of the Surviving Corporation and John M. Eggemeyer III shall be the chairman of the board of directors of the Surviving Corporation. Effective as of the Effective Time, Douglas H. Lowrey shall be the chairman of the board of directors of the surviving bank in the Bank Merger.

(c) The headquarters of the Surviving Corporation will be PacWest's current headquarters at 10250 Constellation Boulevard, Los Angeles, California 90067.

(d) The name of the Surviving Corporation shall be PacWest and the name of the surviving bank in the Bank Merger shall be Pacific Western Bank. The Surviving Corporation will continue to utilize and do business under the CapitalSource brand in its national lending platform.

5.16 *Closing Financial Statements.* At least eight (8) Business Days prior to the Effective Time of the Merger, each Party shall provide the other Party with such Party's consolidated financial statements presenting the financial condition of such Party and its Subsidiaries as of the close of business on the last day of the last month ended prior to the Effective Time of the Merger and such Party's consolidated results of operations for the period from January 1, 2013 through the close of business on the last day of the last month ended prior to the Effective Time of the Merger (the "*Closing Financial Statements*"); *provided, however*, that if the Effective Time of the Merger occurs on or before the fifth Business Day of the month, each Party shall have provided consolidated financial statements as of and through the second month preceding the Effective Time of the Merger. Such financial statements shall have been prepared in accordance with GAAP and regulatory accounting principles and other applicable legal and accounting requirements, and reflect all period-end accruals and other adjustments. Such financial statements shall be accompanied by a certificate of such Party's chief financial officer,

dated as of the Effective Time, to the effect that such financial statements continue to reflect accurately, as of the date of the certificate, the financial condition of such Party in all material respects. Such Closing Financial Statements shall also reflect accruals for all Professional Fees incurred or expected to be incurred (whether or not doing so is in accordance with GAAP) and shall be accompanied by a certificate of such Party's chief financial officer, dated as of the Effective Time, to the effect that such financial statements meet the requirements of this Section 5.17.

5.17 *Exchange Matters.* Prior to the Closing Date, CapitalSource shall cooperate with PacWest and use reasonable efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under applicable Laws and rules and policies of the NYSE to enable the delisting of the shares of CapitalSource Common Stock from the NYSE and the deregistration of the shares of CapitalSource Common Stock under the Exchange Act as promptly as practicable after the Effective Time. Prior to the Closing Date, PacWest shall file with NASDAQ any required notices or forms with respect to the shares of PacWest Common Stock to be issued in the Merger.

5.18 *Section 16 Matters.* The CapitalSource Board and the PacWest Board shall, prior to the Effective Time, take all such actions as may be necessary or appropriate pursuant to Rule 16b-3(d) and Rule 16b-3(e) under the Exchange Act to exempt the conversion of shares of CapitalSource Common Stock into shares of PacWest Common Stock pursuant to the terms of this Agreement by officers and directors of CapitalSource subject to the reporting requirements of Section 16(a) of the Exchange Act or by employees of CapitalSource who may become an officer or director of PacWest subject to the reporting requirements of Section 16(a) of the Exchange Act. In furtherance of the foregoing, prior to the Effective Time, (i) the CapitalSource Board shall adopt resolutions that specify (A) the name of each individual whose disposition of shares of CapitalSource Common Stock (including CapitalSource Stock Options, CapitalSource RSUs and CapitalSource Restricted Shares) is to be exempted, (B) the number of shares of CapitalSource Common Stock (including CapitalSource Stock Options, CapitalSource RSUs and CapitalSource Restricted Shares) to be disposed of by each such individual and (C) that the approval is granted for purposes of exempting the disposition from Section 16(b) of the Exchange Act under Rule 16b-3(e) of the Exchange Act and (ii) the PacWest Board shall adopt resolutions that specify (A) the name of each individual whose acquisition of shares of PacWest Common Stock is to be exempted, (B) the number of shares of PacWest Common Stock to be acquired by each such individual and (C) that the approval is granted for purposes of exempting the acquisition from Section 16(b) of the Exchange Act under Rule 16b-3(d) of the Exchange Act. Each Party shall provide to counsel of the other Party for its review copies of such resolutions to be adopted by the respective boards of directors prior to such adoption and CapitalSource shall provide PacWest with such information as shall be reasonably necessary for the PacWest Board to set forth the information required in the resolutions of the PacWest Board.

5.19 *Dividends.* CapitalSource and PacWest shall coordinate the declaration, setting of record dates and payment dates of dividends on shares of CapitalSource Common Stock and PacWest Common Stock, it being the intention that holders of shares of CapitalSource Common Stock do not receive dividends with respect to both shares of CapitalSource Common Stock and shares of PacWest Common Stock received in the Merger in respect of the calendar quarter in which the Closing Date occurs or fail to receive one dividend on either shares of CapitalSource Common Stock or shares of PacWest Common Stock received in the Merger in respect of such calendar quarter.

5.20 *Takeover Statute.* At all times prior to the Effective Time, each of PacWest and CapitalSource shall: (i) take all reasonable action necessary to ensure that no Takeover Statute is or becomes applicable to this Agreement, the CapitalSource Stock Option Agreement, the PacWest Stock Option Agreement or the transactions contemplated hereby and thereby, including the Merger; and (ii) if any Takeover Statute becomes applicable to this Agreement, the CapitalSource Stock Option Agreement, the PacWest Stock Option Agreement or the transactions contemplated hereby or thereby,

5.21 *Bank Merger.* Immediately after the Merger, the Bank Merger will occur, with Pacific Western Bank as the surviving bank. The Parties agree that the Bank Merger will become effective immediately after the Effective Time. Immediately after the Effective Time, the Surviving Corporation shall cause an agreement of merger (the "*Agreement of Merger*") to be filed with the California Secretary. The effect of the Bank Merger shall be as provided in § 4887 of the CFC, including any regulations or rules promulgated thereunder.

In connection therewith, PacWest and CapitalSource shall execute and deliver any supplemental indentures or other documents required to make such assumptions effective and shall provide any opinion of counsel to the trustee thereof if requested.

5.23 *Shareholder Rights Plan.* At or immediately following the Effective Time, PacWest shall adopt a section 382 shareholder rights plan designed to preserve the net operating losses and certain other tax assets of the Surviving Corporation, in such form and containing such terms and conditions as PacWest shall deem necessary or appropriate subject to the approval of CapitalSource, not to be unreasonably withheld or delayed.

MISCELLANEOUS

8.01 Survival. This Article VIII and the agreements of CapitalSource and PacWest contained in Sections 5.09, 5.10, 5.15 and 5.23 shall survive the consummation of the Merger. This Article VIII, the agreements of CapitalSource and PacWest contained in Sections 5.05(e) and 7.02, and the Stock Option Agreements shall survive the termination of this Agreement. All other representations, warranties, covenants and agreements in this Agreement shall not survive the consummation of the Merger or the termination of this Agreement.

8.02 Waiver; Amendment. Prior to the Effective Time, any provision of this Agreement may be (i) waived in whole or in part by the Party benefited by the provision or by both Parties or (ii) amended or modified at any time, by an agreement in writing between the Parties hereto executed in the same manner as this Agreement, except that after the CapitalSource Meeting, this Agreement may not be amended if it would reduce the aggregate value of the consideration to be received by CapitalSource stockholders in the Merger without any subsequent approval by such stockholders or be in violation of applicable Law.

8.03 Counterparts. This Agreement may be executed in one or more counterparts (including by facsimile), each of which shall be deemed to constitute an original, but all of which together shall constitute one and the same instrument.

8.04 *Governing Law and Venue.* This Agreement shall be deemed to be made in and in all respects shall be interpreted, construed and governed by and in accordance with the Laws of the State of Delaware, without regard to the conflict of law principles thereof. The Parties hereby irrevocably submit to the jurisdiction of the courts of the State of Delaware and the federal courts of the United States of America located in the State of Delaware solely in respect of the interpretation and enforcement of the provisions of this Agreement, the CapitalSource Stock Option Agreement, the PacWest Stock Option Agreement and the other documents referred to in this Agreement, and in respect of the transactions contemplated hereby and thereby, and hereby waive, and agree to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or of any such documents, that it is not subject thereto or that such action, suit or proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this Agreement, the CapitalSource Stock Option Agreement, the PacWest Stock Option Agreement or any such document may not be enforced in or by such courts, and the Parties hereto irrevocably agree that all claims with respect to such action or proceeding shall be heard and determined in such Delaware state or federal court. The Parties hereby consent to and grant any such court jurisdiction over the person of such Parties and over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 8.07 or in such other manner as may be permitted by Law, shall be valid and sufficient service thereof.

Appendix B CapitalSource Stock Option Agreement

EXECUTION VERSION

CAPITALSOURCE STOCK OPTION AGREEMENT, dated as of July 22, 2013, (this "*Agreement*"), between PacWest Bancorp, a Delaware corporation ("*Issuer*"), and CapitalSource Inc., a Delaware corporation ("*Grantee*").

RECITALS

A. Grantee and Issuer have entered into an Agreement and Plan of Merger of even date herewith (the "*Merger Agreement*"), providing for the merger of the Grantee with and into the Issuer, which agreement has been executed and delivered by the parties hereto simultaneously with this Agreement.

B. As a condition and inducement to Grantee's willingness to enter into the Merger Agreement and in consideration therefor, Issuer has agreed to grant Grantee the Option (as hereinafter defined).

C. In connection with entering into the Merger Agreement, Grantee has issued to Issuer an option pursuant to a Stock Option Agreement (the "*Reciprocal Option Agreement*") in the form attached to the Merger Agreement.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements set forth herein and in the Merger Agreement, the parties hereto agree as follows:

1. *Grant of Option.* (a) Issuer hereby grants to Grantee an unconditional, irrevocable option (the "*Option*") to purchase, subject to the terms hereof, up to 9,169,733 fully paid and nonassessable shares of Issuer's Common Stock, par value \$0.01 per share ("*Common Stock*"), at a price per share equal to the lesser of (i) \$32.32 and (ii) the closing sale price of the Common Stock on the NASDAQ Global Select Market on the trading day immediately preceding the exercise date as reported by The Wall Street Journal or, if not reported therein, in another authoritative source (the "*Option Price*"); *provided, however*, that in no event shall the number of shares of Common Stock for which this Option is exercisable exceed 19.9% of the Issuer's issued and outstanding shares of Common Stock without giving effect to any shares subject to or issued pursuant to the Option. The number of shares of Common Stock that may be received upon the exercise of the Option and the Option Price are subject to adjustment as herein set forth. If Issuer has or adopts a stockholder protection rights plan or similar agreement, Issuer shall make proper provision so that each share of Common Stock issued upon exercise of the Option shall be accompanied by the applicable number of rights under such agreement.

(b) In the event that any additional shares of Common Stock are either (i) issued or otherwise become outstanding after the date of this Agreement (other than pursuant to this Agreement) or (ii) redeemed, repurchased, retired or otherwise cease to be outstanding after the date of this Agreement, the number of shares of Common Stock subject to the Option shall be increased or decreased, as appropriate, so that, after such issuance, such number equals 19.9% of the number of shares of Common Stock then issued and outstanding without giving effect to any shares subject to or issued pursuant to the Option. Nothing contained in this Section 1(b) or elsewhere in this Agreement shall be deemed to authorize Issuer or Grantee to breach any provision of the Merger Agreement.

2. *Exercise.* (a) The Holder (as hereinafter defined) may exercise the Option, in whole or part, and from time to time, if, but only if, both an Initial Triggering Event (as hereinafter defined) and a Subsequent Triggering Event (as hereinafter defined) shall have occurred prior to the occurrence of an Exercise Termination Event (as hereinafter defined), *provided* that the Holder shall have sent the written notice of such exercise (as provided in subsection (g) of this Section 2) within 180 days following such Subsequent Triggering Event.

Table of Contents

(b) Each of the following shall be an "*Exercise Termination Event*": (i) the Effective Time of the Merger; (ii) termination of the Merger Agreement in accordance with the provisions thereof (other than a termination by Grantee pursuant to Section 7.01(e)(i) or 7.01(d)(i) (unless the breach by Issuer giving rise to such right of termination pursuant to Section 7.01(d)(i) is non-intentional)) if such termination occurs prior to the occurrence of an Initial Triggering Event; and (iii) the passage of 12 months after termination of the Merger Agreement if such termination follows the occurrence of an Initial Triggering Event or is a termination by Grantee pursuant to Section 7.01(e)(i) or 7.01(d)(i) (unless the breach by Issuer giving rise to such right of termination pursuant to Section 7.01(d)(i) is non-intentional) of the Merger Agreement.

(c) The term "*Holder*" shall mean the holder or holders of the Option.

(d) The term "*Initial Triggering Event*" shall mean any of the following events or transactions occurring on or after the date hereof:

(i) Issuer or any of its Subsidiaries (each an "*Issuer Subsidiary*"), without having received Grantee's prior written consent, shall have entered into an agreement to engage in an Acquisition Transaction (as hereinafter defined) with any person (the term "*person*" for purposes of this Agreement having the meaning assigned thereto in Sections 3(a)(9) and 13(d)(3) of the Securities Exchange Act of 1934, as amended (the "*1934 Act*"), and the rules and regulations thereunder) other than Grantee or any of its Affiliates (each a "*Grantee Affiliate*") or the Board of Directors of Issuer shall have recommended that the stockholders of Issuer approve or accept any Acquisition Transaction involving the Issuer or any of its Subsidiaries with any person other than Grantee or a Grantee Affiliate. For purposes of this Agreement, "*Acquisition Transaction*" shall mean (w) a merger, consolidation or share exchange, or any similar transaction, involving Issuer or any Significant Subsidiary (as defined in Rule 1-02 of Regulation S-X promulgated by the Securities and Exchange Commission (the "*SEC*")) of Issuer, (x) a purchase, lease or other acquisition or assumption of all or a substantial portion of the assets or deposits of Issuer or of any Significant Subsidiary of Issuer, (y) a purchase or other acquisition (including by way of merger, consolidation, share exchange or otherwise) of securities representing 10% or more of the voting power of Issuer, or (z) any substantially similar transaction; *provided, however*, that in no event shall any merger, consolidation, purchase or similar transaction that is not entered into in violation of the terms of the Merger Agreement and that involves only Issuer and one or more of its wholly-owned Subsidiaries or only any two or more of such wholly-owned Subsidiaries, be deemed to be an Acquisition Transaction;

(ii) Issuer or any Issuer Subsidiary, without having received Grantee's prior written consent, shall have authorized, recommended, proposed or publicly announced its intention to authorize, recommend or propose, to engage in an Acquisition Transaction with any person other than Grantee or a Grantee Affiliate, or the Board of Directors of Issuer shall have withheld, withdrawn, qualified or modified (or publicly proposed or resolved to withhold, withdraw, qualify or modify), in any manner adverse to Grantee, its recommendation that the stockholders of Issuer approve the transactions contemplated by the Merger Agreement;

(iii) Any person other than Grantee, any Grantee Affiliate or any Issuer Subsidiary acting in a fiduciary capacity in the ordinary course of its business shall have acquired beneficial ownership or the right to acquire beneficial ownership of 10% or more of the outstanding shares of Common Stock (the term "*beneficial ownership*" for purposes of this Agreement having the meaning assigned thereto in Section 13(d) of the 1934 Act, and the rules and regulations thereunder);

(iv) Any person other than Grantee or any Grantee Affiliate shall have made a *bona fide* proposal to Issuer or its stockholders that is public or becomes the subject of public disclosure to engage in an Acquisition Transaction;

(v) Any person other than Grantee or any Grantee Affiliate shall have filed with the SEC a registration statement or tender offer materials with respect to a potential exchange or tender offer that would constitute an Acquisition Transaction or have filed a preliminary proxy statement with the SEC with respect to a potential vote by its stockholders to approve the issuance of shares to be offered in such an exchange or tender offer (which purpose is specifically stated in such proxy statement);

(vi) Issuer shall have breached in any material respect Section 5.06 of the Merger Agreement or, after the receipt by Issuer or its stockholders of any *bona fide* inquiry or proposal (or the *bona fide* indication of any intention to propose) from any person other than Grantee or any Grantee Affiliate to engage in an Acquisition Transaction, Issuer shall have breached any covenant or obligation contained in the Merger Agreement and such breach would entitle Grantee to terminate the Merger Agreement; or

(vii) Any person other than Grantee or any Grantee Affiliate, other than in connection with a transaction to which Grantee has given its prior written consent, shall have filed an application or notice with any federal or state regulatory authority, which application or notice has been accepted for processing, for approval to engage in an Acquisition Transaction.

(e) The term "*Subsequent Triggering Event*" shall mean either of the following events or transactions occurring on or after the date hereof:

(i) The acquisition by any person of beneficial ownership of 20% or more of the then outstanding shares of Common Stock; or

(ii) The occurrence of the Initial Triggering Event described in paragraph (i) of subsection (d) of this Section 2, except that the percentage referred to in clause (y) shall be 20%.

(f) Issuer shall notify Grantee promptly in writing of the occurrence of any Initial Triggering Event or Subsequent Triggering Event of which it has Knowledge, it being understood that the giving of such notice by Issuer shall not be a condition to the right of the Holder to exercise the Option.

(g) In the event the Holder is entitled to and wishes to exercise the Option, it shall send to Issuer a written notice (the date of which being herein referred to as the "*Notice Date*") specifying (i) the total number of shares it will purchase pursuant to such exercise and (ii) a place and date not earlier than three Business Days nor later than 60 Business Days from the Notice Date for the closing of such purchase (the "*Closing Date*"); *provided* that if prior notification to or approval of any regulatory authority is required in connection with such purchase, the Holder shall as soon as reasonably practicable file the required notice or application for approval and shall expeditiously process the same, and the period of time that otherwise would run pursuant to this sentence shall run instead from the date on which any required notification periods have expired or been terminated or such approvals have been obtained and any requisite waiting period or periods shall have passed. Any exercise of the Option shall be deemed to occur on the Notice Date relating thereto.

(h) At the closing referred to in subsection (g) of this Section 2, the Holder shall pay to Issuer the aggregate purchase price for the shares of Common Stock purchased pursuant to the exercise of the Option in immediately available funds by wire transfer to a bank account

designated by Issuer; *provided* that the failure or refusal of Issuer to designate such a bank account shall not preclude the Holder from exercising the Option.

(i) At such closing, simultaneously with the delivery of immediately available funds as provided in subsection (h) of this Section 2, Issuer shall deliver to the Holder a certificate or certificates representing the number of shares of Common Stock purchased by the Holder and, if the Option should be exercised in part only, a new Option evidencing the rights of the Holder thereof to purchase the balance of the shares purchasable hereunder, and the Holder shall deliver to Issuer this Agreement and a letter agreeing that the Holder will not offer to sell or otherwise dispose of such shares in violation of applicable law or the provisions of this Agreement.

(j) Certificates for Common Stock delivered at a closing hereunder may be endorsed with a restrictive legend that shall read substantially as follows:

"The transfer of the shares represented by this certificate is subject to certain provisions of an agreement between the registered holder hereof and Issuer and to resale restrictions arising under the Securities Act of 1933, as amended. A copy of such agreement is on file at the principal office of Issuer and will be provided to the holder hereof without charge upon receipt by Issuer of a written request therefor."

It is understood and agreed that: (i) the reference to the resale restrictions of the Securities Act of 1933, as amended (the "*1933 Act*"), in the above legend shall be removed by delivery of substitute certificate(s) without such reference if the Holder shall have delivered to Issuer a copy of a letter from the staff of the SEC, or an opinion of counsel, in form and substance reasonably satisfactory to Issuer, to the effect that such legend is not required for purposes of the 1933 Act; (ii) the reference to the provisions of this Agreement in the above legend shall be removed by delivery of substitute certificate(s) without such reference if the shares have been sold or transferred in compliance with the provisions of this Agreement and under circumstances that do not require the retention of such reference; and (iii) the legend shall be removed in its entirety if the conditions in the preceding clauses (i) and (ii) are both satisfied. In addition, such certificate(s) shall bear any other legend as may be required by law.

(k) Upon the giving by the Holder to Issuer of the written notice of exercise of the Option provided for under subsection (g) of this Section 2 and the tender of the applicable purchase price in immediately available funds, the Holder shall be deemed to be the holder of record of the shares of Common Stock issuable upon such exercise, notwithstanding that the stock transfer books of Issuer shall then be closed or that certificates representing such shares of Common Stock shall not then be actually delivered to the Holder. Issuer shall pay all expenses, and any and all United States federal, state and local taxes and other charges, that may be payable in connection with the preparation, issuance and delivery of stock certificates under this Section 2 in the name of the Holder or its assignee, transferee or designee.

3. *Covenants of Issuer.* Issuer agrees: (i) that it shall at all times maintain, free from preemptive rights, sufficient authorized but unissued shares of Common Stock so that the Option may be exercised without additional authorization of Common Stock after giving effect to all other options, warrants, convertible securities and other rights to purchase Common Stock; (ii) that it will not, by charter amendment or through reorganization, consolidation, merger, dissolution or sale of assets, or by any other voluntary act, avoid or seek to avoid the observance or performance of any of the covenants, stipulations or conditions to be observed or performed hereunder by Issuer; (iii) that it will promptly take all action as may from time to time be required (including (x) complying with all premerger notification, reporting and waiting period requirements specified in 15 U.S.C. § 18a and regulations promulgated thereunder and (y) in the event, under any federal or state law, prior approval of or notice to any federal or state or other regulatory authority is necessary before the Option may be exercised, cooperating fully with the Holder in preparing such applications or notices and providing

such information to the such regulatory authority as they may require) in order to permit the Holder to exercise the Option and Issuer duly and effectively to issue shares of Common Stock pursuant hereto; and (iv) that it will, in the event that it adopts a stockholder protection rights plan or similar agreement after the date hereof, cause such plan or agreement to provide that any exercise of Grantee's rights hereunder shall not result in any triggering event under any such plan or agreement.

4. *Exchange and Division of Option.* This Agreement (and the Option granted hereby) are exchangeable, without expense, at the option of the Holder, upon presentation and surrender of this Agreement at the principal office of Issuer, for other Agreements providing for Options of different denominations entitling the holder thereof to purchase, on the same terms and subject to the same conditions as are set forth herein, in the aggregate the same number of shares of Common Stock purchasable hereunder, in which event, the "Maximum Profit" in each agreement resulting from such exchange shall be allocated among the several agreements in proportion to the number of Option Shares issuable pursuant thereto so that the "Maximum Profit" for all such agreements shall equal \$72,000,000, and (ii) such other adjustments, if any, shall be made as are necessary to preserve the overall economic impact and intent of this Agreement (including Section 16 hereof). The terms "Agreement" and "Option" as used herein include any Stock Option Agreements and related Options for which this Agreement (and the Option granted hereby) may be exchanged, and the term "Grantee", with respect to any such Stock Option Agreement and related Option, shall include the Holder of such Option resulting from such exchange. Upon receipt by Issuer of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Agreement, and (in the case of loss, theft or destruction) of reasonably satisfactory indemnification, and upon surrender and cancellation of this Agreement, if mutilated, Issuer will execute and deliver a new Agreement of like tenor and date. Any such new Agreement executed and delivered shall constitute an additional contractual obligation on the part of Issuer, whether or not the Agreement so lost, stolen, destroyed or mutilated shall at any time be enforceable by anyone.

5. *Certain Adjustments.* In addition to the adjustment in the number of shares of Common Stock that are purchasable upon exercise of the Option pursuant to Section 1 of this Agreement, the number of shares of Common Stock purchasable upon the exercise of the Option and the Option Price shall be subject to adjustment from time to time as provided in this Section 5. In the event of any change in, or distributions in respect of, the Common Stock by reason of stock dividends, split-ups, mergers, recapitalizations, combinations, subdivisions, conversions, exchanges of shares, distributions on or in respect of the Common Stock that would cause an adjustment to the Merger Consideration pursuant to Section 3.03(i) of the Merger Agreement, or the like, the type and number of shares of Common Stock purchasable upon exercise hereof and the Option Price shall be appropriately adjusted in such manner as shall fully preserve the economic benefits provided hereunder and proper provision shall be made in any agreement governing any such transaction to provide for such proper adjustment and the full satisfaction of the Issuer's obligations hereunder.

6. *Registration Rights.* Upon the occurrence of a Subsequent Triggering Event that occurs prior to an Exercise Termination Event, Issuer shall, at the request of Grantee delivered within 180 days after such Subsequent Triggering Event (whether on its own behalf or on behalf of any subsequent holder of this Option (or part thereof) or any of the shares of Common Stock issued pursuant hereto), promptly prepare, file and keep current a shelf registration statement under the 1933 Act covering this Option and any shares issued and issuable pursuant to this Option and shall use its reasonable best efforts to cause such registration statement to become effective and remain current in order to permit the sale or other disposition of this Option and any shares of Common Stock issued upon total or partial exercise of this Option ("*Option Shares*") in accordance with any plan of disposition requested by Grantee. Issuer will use its reasonable best efforts to cause such registration statement first to become effective and then to remain effective for such period not in excess of 180 days from the day such registration statement first becomes effective or such shorter time as may be reasonably necessary

to effect such sales or other dispositions. Grantee shall have the right to demand two such registrations. Issuer shall bear the costs of such registrations (including, but not limited to, Issuer's attorneys' fees, printing costs and filing fees, except for the fees and disbursements of Grantee's counsel related thereto). The foregoing notwithstanding, if, at the time of any request by Grantee for registration of the Option or Option Shares as provided above, Issuer is in registration with respect to an underwritten public offering of shares of Common Stock, and if in the good faith judgment of the managing underwriter or managing underwriters, or, if none, the sole underwriter or underwriters, of such offering the inclusion of the Holder's Option or Option Shares would interfere with the successful marketing of the shares of Common Stock offered by Issuer, the number of Option Shares otherwise to be covered in the registration statement contemplated hereby may be reduced; *provided, however*, that after any such required reduction the number of Option Shares to be included in such offering for the account of the Holder shall constitute at least 25% of the total number of shares to be sold by the Holder and Issuer in the aggregate; and *provided further, however*, that if such reduction occurs, then the Issuer shall file a registration statement for the balance as promptly as practicable and no reduction shall thereafter occur. Each such Holder shall provide all information reasonably requested by Issuer for inclusion in any registration statement to be filed hereunder, which information shall be true, correct and complete in all material respects. If requested by any such Holder in connection with such registration, Issuer shall become a party to any underwriting agreement relating to the sale of such shares, but only to the extent of obligating itself in respect of representations, warranties, indemnities and other agreements customarily included in secondary offering underwriting agreements for Issuer. Upon receiving any request under this Section 6 from any Holder, Issuer agrees to send a copy thereof to any other person known to Issuer to be entitled to registration rights under this Section 6, in each case by promptly mailing the same, postage prepaid, to the address of record of the persons entitled to receive such copies. Notwithstanding anything to the contrary contained herein, in no event shall Issuer be obligated to effect more than two registrations pursuant to this Section 6 by reason of the fact that there shall be more than one Grantee as a result of any assignment or division of this Agreement.

7. *Repurchase.* (a) In the event of a Repurchase Event (as hereinafter defined), (i) following a written request of the Holder, delivered prior to an Exercise Termination Event, Issuer (or any successor thereto) shall repurchase the Option from the Holder immediately after the Repurchase Event at a price (the "*Option Repurchase Price*") equal to the product of the number of shares for which this Option may then be exercised multiplied by the amount by which (A) the Market/Offer Price (as hereinafter defined) exceeds (B) the Option Price, and (ii) at the written request of the owner of Option Shares from time to time (the "*Owner*"), delivered prior to an Exercise Termination Event and within 90 days after the occurrence of a Repurchase Event, Issuer (or any successor thereto) shall repurchase immediately after such request from the Owner such number of the Option Shares from the Owner as the Owner shall designate at a price (the "*Option Share Repurchase Price*") equal to the Market/Offer Price multiplied by the number of Option Shares so designated. The term "*Market/Offer Price*" shall mean the highest of (i) the price per share of Common Stock at which a tender offer or exchange offer therefor has been made and not withdrawn, (ii) the price per share of Common Stock to be paid by any third party pursuant to an agreement with Issuer, (iii) the highest closing price for shares of Common Stock within the six-month period immediately preceding the date the Holder gives notice of the required repurchase of this Option or the Owner gives notice of the required repurchase of Option Shares, as the case may be, and (iv) in the event of a sale of all or a substantial portion of Issuer's assets, the sum of the price paid in such sale for such assets and the current market value of the remaining assets of Issuer as determined by a nationally recognized investment banking firm selected by the Holder or the Owner, as the case may be, and reasonably acceptable to Issuer, divided by the number of shares of Common Stock of Issuer outstanding at the time of such sale. In determining the Market/Offer Price, the value of consideration other than cash shall be determined by a nationally recognized investment banking firm selected by the Holder or Owner, as the case may be, and reasonably acceptable to the Issuer.

(b) The Holder or the Owner, as the case may be, may exercise its right to require Issuer to repurchase the Option and any Option Shares pursuant to this Section 7 by surrendering for such purpose to Issuer, at its principal office, this Agreement or certificates for Option Shares, as applicable, accompanied by a written notice or notices stating that the Holder or the Owner, as the case may be, elects to require Issuer to repurchase this Option and/or the Option Shares in accordance with the provisions of this Section 7. Within five Business Days after the surrender of the Option and/or certificates representing Option Shares and the receipt of such notice or notices relating thereto, Issuer shall deliver or cause to be delivered to the Holder the Option Repurchase Price and/or to the Owner the Option Share Repurchase Price therefor or the portion thereof, if any, that Issuer is not then prohibited under applicable law and regulation from so delivering.

(c) To the extent that Issuer, under applicable law or regulation, or any material agreement or instrument in force as of the date hereof, is prohibited from repurchasing, or requires the consent of any Person to repurchase, the Option and/or the Option Shares to the full extent requested by the Holder or Owner, as the case may be, Issuer shall immediately so notify the Holder and/or the Owner and thereafter deliver or cause to be delivered, from time to time, to the Holder and/or the Owner, as appropriate, the portion of the Option Repurchase Price and the Option Share Repurchase Price, respectively, that it is no longer prohibited from delivering, within five Business Days after the date on which Issuer is no longer so prohibited; *provided, however*, that if Issuer at any time after delivery of a notice of repurchase pursuant to paragraph (b) of this Section 7, under applicable law or regulation, or any material agreement or instrument in force as of the date hereof, is prohibited from delivering, or requires the consent of any Person to deliver, to the Holder and/or the Owner, as appropriate, the Option Repurchase Price and the Option Share Repurchase Price, respectively, to said full extent (and Issuer hereby undertakes to use its reasonable best efforts to obtain all required regulatory and legal approvals or consents and to file any required notices, in each case as promptly as practicable in order to accomplish such repurchase), the Holder or Owner may revoke its notice of repurchase of the Option or the Option Shares either in whole or to the extent of the prohibition, whereupon, in the latter case, Issuer shall promptly (i) deliver to the Holder and/or the Owner, as appropriate, that portion of the Option Repurchase Price or the Option Share Repurchase Price that Issuer is not prohibited from delivering; and (ii) deliver, as appropriate, either (A) to the Holder, a new Stock Option Agreement evidencing the right of the Holder to purchase that number of shares of Common Stock obtained by multiplying the number of shares of Common Stock for which the surrendered Stock Option Agreement was exercisable at the time of delivery of the notice of repurchase by a fraction, the numerator of which is the Option Repurchase Price less the portion thereof theretofore delivered to the Holder and the denominator of which is the Option Repurchase Price, or (B) to the Owner, a certificate for the Option Shares it is then so prohibited from repurchasing.

(d) For purposes of this Section 7, a "*Repurchase Event*" shall be deemed to have occurred upon (i) the consummation of an Acquisition Transaction (except that the percentage referred to in clause (y) of the definition thereof shall be 50%) or (ii) the acquisition by any person of beneficial ownership of 50% or more of the then outstanding shares of Common Stock.

8. *Substitute Option.* (a) In the event that, prior to an Exercise Termination Event, Issuer shall enter into an agreement (i) to consolidate with or merge into any person, other than Grantee or a Grantee Affiliate, and shall not be the continuing or surviving corporation of such consolidation or merger, (ii) to permit any person, other than Grantee or a Grantee Affiliate, to merge into Issuer and Issuer shall be the continuing or surviving corporation, but, in connection with such merger, the then outstanding shares of Common Stock shall be changed into or exchanged for stock or other securities of any other person or cash or any other property or the then outstanding shares of Common Stock shall after such merger represent less than 50% of the outstanding voting shares and voting share equivalents of the merged company, or (iii) to sell or otherwise transfer all or substantially all of its

Table of Contents

assets to any person, other than Grantee or a Grantee Affiliate, then, and in each such case, the agreement governing such transaction shall make proper provision so that the Option shall, upon the consummation of any such transaction and upon the terms and conditions set forth herein, be converted into, or exchanged for, an option (the "*Substitute Option*"), at the election of the Holder, of either (x) the Acquiring Corporation (as hereinafter defined) or (y) any person that controls the Acquiring Corporation.

(b) The following terms have the meanings indicated:

(A) "*Acquiring Corporation*" shall mean (i) the continuing or surviving person of a consolidation or merger with Issuer (if other than Issuer), (ii) Issuer in a merger in which Issuer is the continuing or surviving person, and (iii) the transferee of all or substantially all of Issuer's assets.

(B) "*Assigned Value*" shall mean the Market/Offer Price, as defined in Section 7.

(C) "*Average Price*" shall mean the average closing price of a share of the Substitute Common Stock for the one year immediately preceding the consolidation, merger or sale in question, but in no event higher than the closing price of the shares of Substitute Common Stock on the day preceding such consolidation, merger or sale; *provided* that if Issuer is the issuer of the Substitute Option, the Average Price shall be computed with respect to a share of common stock issued by the person merging into Issuer or by any company which controls or is controlled by such person, as the Holder may elect.

(D) "*Substitute Common Stock*" shall mean the common stock issued by the issuer of the Substitute Option upon exercise of the Substitute Option.

(c) The Substitute Option shall have the same terms as the Option, *provided* that (1) the exercise price therefor and number of shares subject thereto shall be as set forth in this Section 8 and the repurchase rights relating thereto shall be as set forth in Section 9, (2) if a Subsequent Trigger Event shall have occurred prior to or in connection with the issuance of such Substitute Option, the Substitute Option shall be exercisable immediately upon issuance without the occurrence of a further Subsequent Triggering Event and (3) if the terms of the Substitute Option cannot, for legal reasons, be the same as the Option, such terms shall be as similar as possible and in no event less advantageous to the Holder. The issuer of the Substitute Option shall also enter into an agreement with the then Holder or Holders of the Substitute Option in substantially the same form as this Agreement, which shall be applicable to the Substitute Option.

(d) The Substitute Option shall be exercisable for such number of shares of Substitute Common Stock as is equal to the Assigned Value multiplied by the number of shares of Common Stock for which the Option is then exercisable, divided by the Average Price. The exercise price of the Substitute Option per share of Substitute Common Stock shall then be equal to the Option Price multiplied by a fraction, the numerator of which shall be the number of shares of Common Stock for which the Option is then exercisable and the denominator of which shall be the number of shares of Substitute Common Stock for which the Substitute Option is exercisable.

(e) In no event, pursuant to any of the foregoing paragraphs, shall the Substitute Option be exercisable for more than 19.9% of the shares of Substitute Common Stock outstanding prior to exercise of the Substitute Option. In the event that the Substitute Option would be exercisable for more than 19.9% of the shares of Substitute Common Stock outstanding prior to exercise but for this clause (e), the issuer of the Substitute Option (the "*Substitute Option Issuer*") shall make a cash payment to the Holder equal to the excess of (i) the value of the Substitute Option without giving effect to the limitation in this clause (e) over (ii) the value of the Substitute Option after giving effect to the limitation in this clause (e). This difference in value shall be determined by a nationally recognized investment banking firm selected by the Holder and reasonably acceptable to the Acquiring Corporation.

Table of Contents

(f) Issuer shall not enter into any transaction described in subsection (a) of this Section 8 unless the Acquiring Corporation and any person that controls the Acquiring Corporation assume in writing all the obligations of Issuer hereunder without limitation or qualification whatsoever.

9. *Repurchase of the Substitute Option and Substitute Shares.* (a) At the written request of the holder of the Substitute Option (the "Substitute Option Holder") delivered prior to any Exercise Termination Event with respect to the Substitute Option, the Substitute Option Issuer shall repurchase the Substitute Option from the Substitute Option Holder at a price (the "Substitute Option Repurchase Price") equal to the amount by which (i) the Highest Closing Price (as hereinafter defined) exceeds (ii) the exercise price of the Substitute Option, multiplied by the number of shares of Substitute Common Stock for which the Substitute Option may then be exercised, and at the written request of the owner (the "Substitute Share Owner") of shares of Substitute Common Stock (the "Substitute Shares"), the Substitute Option Issuer shall repurchase the Substitute Shares at a price (the "Substitute Share Repurchase Price") equal to the Highest Closing Price multiplied by the number of Substitute Shares so designated. The term "Highest Closing Price" shall mean the highest closing price for shares of Substitute Common Stock within the six-month period immediately preceding the date the Substitute Option Holder gives notice of the required repurchase of the Substitute Option or the Substitute Share Owner gives notice of the required repurchase of the Substitute Shares, as applicable.

(b) The Substitute Option Holder and the Substitute Share Owner, as the case may be, may exercise its respective right to require the Substitute Option Issuer to repurchase the Substitute Option and the Substitute Shares pursuant to this Section 9 by surrendering for such purpose to the Substitute Option Issuer, at its principal office, the agreement for such Substitute Option (or, in the absence of such an agreement, a copy of this Agreement) and certificates for Substitute Shares accompanied by a written notice or notices stating that the Substitute Option Holder or the Substitute Share Owner, as the case may be, elects to require the Substitute Option Issuer to repurchase the Substitute Option and/or the Substitute Shares in accordance with the provisions of this Section 9. As promptly as practicable, and in any event within five Business Days after the surrender of the Substitute Option and/or certificates representing Substitute Shares and the receipt of such notice or notices relating thereto, the Substitute Option Issuer shall deliver or cause to be delivered to the Substitute Option Holder the Substitute Option Repurchase Price and/or to the Substitute Share Owner the Substitute Share Repurchase Price therefor or, in either case, the portion thereof which the Substitute Option Issuer is not then prohibited under applicable law and regulation from so delivering.

(c) To the extent that the Substitute Option Issuer, under applicable law or regulation or a material contract or instrument in force as of the date hereof, is prohibited from repurchasing, or subject to a required consent in order to repurchase, the Substitute Option and/or the Substitute Shares in part or to the full extent requested by the Holder or Owner, as the case may be, the Substitute Option Issuer following a request for repurchase pursuant to this Section 9 shall immediately so notify the Substitute Option Holder and/or the Substitute Share Owner and thereafter deliver or cause to be delivered, from time to time, to the Substitute Option Holder and/or the Substitute Share Owner, as appropriate, the portion of the Substitute Share Repurchase Price, respectively, which it is no longer prohibited from delivering, within five Business Days after the date on which the Substitute Option Issuer is no longer so prohibited; *provided, however*, that if the Substitute Option Issuer is at any time after delivery of a notice of repurchase pursuant to subsection (b) of this Section 9, under applicable law or regulation or a material contract or instrument in force as of the date hereof, prohibited from delivering, or subject to a required consent in order to deliver, to the Substitute Option Holder and/or the Substitute Share Owner, as appropriate, the Substitute Option Repurchase Price and the Substitute Share Repurchase Price, respectively, to said full extent (and the Substitute Option Issuer shall use its reasonable best efforts to obtain all required regulatory and legal approvals, in each case as promptly as

Table of Contents

practicable, in order to accomplish such repurchase), the Substitute Option Holder or Substitute Share Owner may revoke its notice of repurchase of the Substitute Option or the Substitute Shares either in whole or to the extent of the prohibition, whereupon, in the latter case, the Substitute Option Issuer shall promptly (i) deliver to the Substitute Option Holder or Substitute Share Owner, as appropriate, that portion of the Substitute Option Repurchase Price or the Substitute Share Repurchase Price that the Substitute Option Issuer is not prohibited from delivering; and (ii) deliver, as appropriate, either (A) to the Substitute Option Holder, a new Substitute Option evidencing the right of the Substitute Option Holder to purchase that number of shares of the Substitute Common Stock obtained by multiplying the number of shares of the Substitute Common Stock for which the surrendered Substitute Option was exercisable at the time of delivery of the notice of repurchase by a fraction, the numerator of which is the Substitute Option Repurchase Price less the portion thereof theretofore delivered to the Substitute Option Holder and the denominator of which is the Substitute Option Repurchase Price, or (B) to the Substitute Share Owner, a certificate for the Substitute Common Stock it is then so prohibited from repurchasing.

10. *Extensions of Periods Under Certain Circumstances.* The 90-day or 180-day periods for exercise of certain rights under Sections 2, 6, 7, 8, 9 and 13 shall be extended: (i) to the extent necessary to obtain all regulatory approvals for the exercise of such rights and for the expiration of all statutory waiting periods; (ii) to the extent necessary to avoid liability under Section 16(b) of the 1934 Act by reason of such exercise; and (iii) during the pendency of any temporary restraining order, injunction or other legal bar to exercise of such rights.

11. *Representations and Warranties of the Issuer.* Issuer hereby represents and warrants to Grantee as follows:

(a) Issuer has all requisite corporate power and authority and has taken all corporate action necessary in order to execute and deliver this Agreement and to consummate the transactions contemplated hereby. Issuer has duly authorized, executed and delivered this Agreement, and (assuming due authorization, execution and delivery by Grantee) this Agreement is a valid and legally binding obligation of Issuer, enforceable against it in accordance with its terms, subject to bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and similar Laws of general applicability relating to or affecting creditors' rights or to general equity principles.

(b) Issuer has taken all necessary corporate action to authorize and reserve and to permit it to issue, and at all times from the date hereof through the termination of this Agreement in accordance with its terms will have reserved for issuance upon the exercise of the Option, that number of shares of Common Stock equal to the maximum number of shares of Common Stock at any time and from time to time issuable hereunder, and all such shares, upon issuance pursuant hereto, will be duly authorized, validly issued, fully paid, nonassessable, and will be delivered free and clear of all claims, liens, encumbrance and security interests and not subject to any preemptive rights.

(c) The Board of Directors of Issuer has duly approved this Agreement and the transactions contemplated hereby (including by reserving shares for issuance of shares of Common Stock on exercise of the Option) and taken any other action as required to render inapplicable to such agreement and transactions any Takeover Statutes.

12. *Representations and Warranties of the Grantee.* Grantee hereby represents and warrants to Issuer that:

(a) Grantee has all requisite corporate power and authority and has taken all corporate action necessary in order to execute and deliver this Agreement and to consummate the transactions contemplated hereby. Grantee has duly authorized, executed and delivered this Agreement, and (assuming due authorization, execution and delivery by Grantee) this Agreement

is a valid and legally binding obligation of Grantee, enforceable against it in accordance with its terms, subject to bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and similar Laws of general applicability relating to or affecting creditors' rights or to general equity principles.

(b) The Option is not being, and any shares of Common Stock or other securities acquired by Grantee upon exercise of the Option will not be, acquired with a view to the public distribution thereof and will not be transferred or otherwise disposed of except in a transaction registered or exempt from registration under the 1933 Act.

13. *Assignment.* Neither of the parties hereto may assign any of its rights or obligations under this Agreement or the Option created hereunder to any other person, without the express written consent of the other party, except that in the event an Initial Triggering Event and a Subsequent Triggering Event shall have occurred prior to an Exercise Termination Event, Grantee, subject to the express provisions hereof, may assign in whole or in part its rights and obligations hereunder within 180 days following such Subsequent Triggering Event; *provided, however,* that until the date 15 days following the date on which the Board of Governors of the Federal Reserve System (the "*Federal Reserve*") approves an application by Grantee or its transferee to acquire the shares of Common Stock subject to the Option, Grantee may not assign its rights under the Option except in (i) a widely dispersed public distribution, (ii) a private placement in which no one party acquires the right to purchase in excess of 2% of the voting shares of Issuer, (iii) an assignment to a single party (*e.g.*, a broker or investment banker) for the purpose of conducting a widely dispersed public distribution on Grantee's behalf, or (iv) any other manner approved by the Federal Reserve. Upon any such assignment, the transferee shall be deemed to be the "Grantee" for purposes of the Option so transferred and any partial transfer shall be effected by an exchange of the Option in accordance with Section 4 hereof.

14. *Filings, Etc.* Each of Grantee and Issuer will use its reasonable best efforts to make all filings with, and to obtain consents of, all third parties and governmental authorities necessary to the consummation of the transactions contemplated by this Agreement, including without limitation listing the shares of Common Stock issuable hereunder on the NASDAQ Global Select Market upon official notice of issuance.

15. *Surrender of Option and Option Shares.* (a) Grantee may, at any time during which Issuer would be required to repurchase the Option or any Option Shares pursuant to Section 7 upon proper request or notice, surrender the Option (together with any Option Shares issued to and then owned by Grantee) to Issuer in exchange for a cash fee equal to the Surrender Price (as hereinafter defined); *provided, however,* that Grantee may not exercise its rights pursuant to this Section 15 if Issuer has repurchased the Option (or any portion thereof) or any Option Shares pursuant to Section 7. The "*Surrender Price*" shall be equal to (i) \$59,000,000 plus (ii) if applicable, the aggregate purchase price previously paid pursuant hereto by Grantee with respect to any Option Shares, minus (iii) if applicable, the sum of (A) the excess of (1) the net cash amounts, if any, received by Grantee pursuant to the arms' length sale of Option Shares (or any other securities into which such Option Shares were converted or exchanged) to any party not affiliated with Grantee, over (2) the aggregate purchase price previously paid pursuant hereto by Grantee with respect to such Option Shares and (B) the net cash amounts, if any, received by Grantee pursuant to an arms' length sale of a portion of the Option to any party not affiliated with Grantee.

(b) Grantee may exercise its right to surrender the Option and any Option Shares pursuant to this Section 15 by surrendering to Issuer, at its principal office, this Agreement together with certificates for Option Shares, if any, accompanied by a written notice stating (i) that Grantee elects to surrender the Option and Option Shares, if any, in accordance with the provisions of this

Table of Contents

Section 15 and (ii) the Surrender Price. The Surrender Price shall be payable in immediately available funds on or before the second Business Day following receipt of such notice by Issuer.

(c) To the extent that Issuer, under applicable law or regulation or a material contract or instrument in force as of the date hereof, is prohibited from paying, or requires a consent in order to pay, the Surrender Price to Grantee in full, Issuer shall immediately so notify Grantee and thereafter deliver or cause to be delivered, from time to time, to Grantee, the portion of the Surrender Price that Issuer is no longer prohibited from paying, within five Business Days after the date on which Issuer is no longer so prohibited, *provided, however*, that if Issuer at any time after delivery of a notice of surrender pursuant to paragraph (b) of this Section 15, under applicable law or regulation or a material contract or instrument in effect as of the date hereof, is prohibited from paying, or requires a consent in order to pay, to Grantee the Surrender Price in full (i) Issuer shall (A) use its reasonable best efforts to obtain all required regulatory and legal approvals and consents and to file any required notices as promptly as practicable in order to make such payments, (B) within five days of the submission or receipt of any documents relating to any such regulatory and legal approvals or consents, provide Grantee with copies of the same, and (C) keep Grantee advised of both the status of any such request for regulatory and legal approvals and consents, as well as any discussions with any relevant regulatory or other third party reasonably related to the same and (ii) Grantee may revoke such notice of surrender by delivery of a notice of revocation to Issuer and, upon delivery of such notice of revocation, the Exercise Termination Date shall be extended to a date six months from the date on which the Exercise Termination Date would have occurred if not for the provisions of this Section 15(c) (during which period Grantee may exercise any of its rights hereunder, including any and all rights pursuant to this Section 15).

(d) Grantee shall have rights substantially identical to those set forth in paragraphs (a), (b) and (c) of this Section 15 with respect to the Substitute Option and the Substitute Option Issuer during any period in which the Substitute Option Issuer would be required to repurchase the Substitute Option pursuant to Section 9.

16. *Maximum Profit.* (a) Notwithstanding any provision of this Agreement, in no event shall Grantee's Total Profit (as defined in Section 16(c)) exceed \$72,000,000 (the "*Maximum Profit*"), and, if the Total Profit would otherwise exceed such amount, Grantee, in its sole discretion, shall either (1) reduce the number of shares subject to the Option (and any Substitute Option), (2) deliver to Issuer, or Substitute Issuer, as the case may be, for cancellation shares of Common Stock or Substitute Common Stock, as the case may be, previously purchased by Grantee valued at fair market value at the time of delivery, (3) pay cash to Issuer, or Substitute Issuer, as the case may be, (4) increase or otherwise adjust the Option Price or Substitute Option Price (or any portion thereof), (5) reduce the amount of the Option Repurchase Price or Substitute Option Repurchase Price, or (6) undertake any combination of the foregoing (which combination shall be at Grantee's sole election), so that Grantee's actually realized Total Profit shall not exceed the Maximum Profit after taking into account the foregoing actions.

(b) Notwithstanding any provision of this Agreement, the Option (and any Substitute Option) may not be exercised for a number of shares as would, as of the date of exercise, result in a Notional Total Profit (as defined in Section 16(d)) of more than the Maximum Profit and, if exercise of the Option (and any Substitute Option) would otherwise result in the Notional Total Profit exceeding the Maximum Profit, Grantee, in its discretion, may take any of the actions specified in Section 16(a) so that the Notional Total Profit shall not exceed the Maximum Profit; *provided*, that nothing in this sentence shall restrict any subsequent exercise of the Option (and any Substitute Option) which at such time complies with this sentence.

(c) As used herein, the term "*Total Profit*" shall mean the aggregate amount (before taxes) of the following: (1) the excess of (A) the net cash amounts or fair market value of any property received by Grantee pursuant to the sale of the Option or any Option Shares (or any other securities into which such Option Shares are converted or exchanged) to any unaffiliated party, after payment of applicable brokerage or sales commissions and discounts, if any, over (B) Grantee's aggregate purchase price for such Option Shares (or other securities), plus (2) all amounts received by Grantee, a Holder or an Owner (including a Substitute Option Holder or Substitute Share Owner) upon the repurchase of the Option and/or any Option Shares by Issuer pursuant to Section 7 or upon the surrender of the Option and/or any Option Shares pursuant to Section 15 (net in the case of Option Shares or Substitute Option Shares of the Owner's or Substitute Share Owner's aggregate purchase price therefor), plus (3) all equivalent amounts to the foregoing with respect to the Substitute Option, minus (4) the amount of any cash previously paid or the fair market value of any Common Stock or Substitute Common Stock previously surrendered for cancellation, in each case pursuant to Section 16(a).

(d) As used herein, the term "*Notional Total Profit*" with respect to any number of shares as to which Grantee may propose to exercise the Option (or Substitute Option, as applicable) shall be the Total Profit, determined as of the date of such proposed exercise assuming (1) that the Option (or Substitute Option, as applicable) were exercised on such date for such number of shares, (2) that such shares, together with all other Option Shares (or Substitute Option Shares, as applicable) held by Grantee and its Affiliates as of such date, were sold for cash at the closing market price for the Common Stock (or Substitute Common Stock, as applicable) as of the close of business on the preceding trading day (less customary brokerage commissions) and (3) the effect of any adjustments made by or to be made by Grantee pursuant to Section 16(a). For purposes of this Section 16, the term "Grantee" will include all Holders and transactions by any Affiliate transferee of Grantee in respect of the Option or Option Shares (or Substitute Option or Substitute Option Shares, as applicable) transferred to it shall be treated as if made by Grantee.

17. *Remedies.* The parties hereto acknowledge that damages would be an inadequate remedy for a breach of this Agreement by either party hereto and that the obligations of the parties hereto shall be enforceable by either party hereto through injunctive or other equitable relief.

18. *Severability.* If any term, provision, covenant or restriction contained in this Agreement is held by a court or a federal or state regulatory agency of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, provisions and covenants and restrictions contained in this Agreement shall remain in full force and effect, and shall in no way be affected, impaired or invalidated. If for any reason such court or regulatory agency determines that the Holder is not permitted to acquire, or Issuer is not permitted to repurchase pursuant to Section 7 (or the Substitute Issuer to repurchase pursuant to Section 9), the full number of shares of Common Stock (or Substitute Common Stock) provided in Section 1 hereof (as adjusted pursuant to Section 1(b) or 5 hereof), it is the express intention of Issuer to allow the Holder to acquire or to require Issuer to repurchase such lesser number of shares as may be permissible, without any amendment or modification hereof.

19. *Notices.* All notices, requests, claims, demands and other communications hereunder shall be deemed to have been duly given when delivered in person, by facsimile, or by registered or certified mail (postage prepaid, return receipt requested) at the respective addresses of the parties set forth in the Merger Agreement.

20. *Governing Law.* **This Agreement will be governed by and construed in accordance with the law of the State of Delaware applicable to contracts made and to be performed entirely within that State (except to the extent that mandatory provisions of federal or state law apply), without regard to any applicable conflicts of law principles. Appendix C PacWest Stock Option Agreement

EXECUTION VERSION

PACWEST STOCK OPTION AGREEMENT, dated as of July 22, 2013, (this "*Agreement*"), between CapitalSource Inc., a Delaware corporation ("*Issuer*"), and PacWest Bancorp, a Delaware corporation ("*Grantee*").

RECITALS

A. Grantee and Issuer have entered into an Agreement and Plan of Merger of even date herewith (the "*Merger Agreement*"), providing for the merger of the Issuer with and into the Grantee, which agreement has been executed and delivered by the parties hereto simultaneously with this Agreement.

B. As a condition and inducement to Grantee's willingness to enter into the Merger Agreement and in consideration therefor, Issuer has agreed to grant Grantee the Option (as hereinafter defined).

C. In connection with entering into the Merger Agreement, Grantee has issued to Issuer an option pursuant to a Stock Option Agreement (the "*Reciprocal Option Agreement*") in the form attached to the Merger Agreement.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements set forth herein and in the Merger Agreement, the parties hereto agree as follows:

1. *Grant of Option.* (a) Issuer hereby grants to Grantee an unconditional, irrevocable option (the "*Option*") to purchase, subject to the terms hereof, up to 39,191,656 fully paid and nonassessable shares of Issuer's Common Stock, par value \$0.01 per share ("*Common Stock*"), at a price per share equal to the lesser of (i) \$9.69 and (ii) the closing sale price of the Common Stock on the New York Stock Exchange Composite Transaction Tape on the trading day immediately preceding the exercise date as reported by The Wall Street Journal or, if not reported therein, in another authoritative source (the "*Option Price*"); *provided, however*, that in no event shall the number of shares of Common Stock for which this Option is exercisable exceed 19.9% of the Issuer's issued and outstanding shares of Common Stock without giving effect to any shares subject to or issued pursuant to the Option. The number of shares of Common Stock that may be received upon the exercise of the Option and the Option Price are subject to adjustment as herein set forth. If Issuer has or adopts a stockholder protection rights plan or similar agreement, Issuer shall make proper provision so that each share of Common Stock issued upon exercise of the Option shall be accompanied by the applicable number of rights under such agreement.

(b) In the event that any additional shares of Common Stock are either (i) issued or otherwise become outstanding after the date of this Agreement (other than pursuant to this Agreement) or (ii) redeemed, repurchased, retired or otherwise cease to be outstanding after the date of this Agreement, the number of shares of Common Stock subject to the Option shall be increased or decreased, as appropriate, so that, after such issuance, such number equals 19.9% of the number of shares of Common Stock then issued and outstanding without giving effect to any shares subject or issued pursuant to the Option. Nothing contained in this Section 1(b) or elsewhere in this Agreement shall be deemed to authorize Issuer or Grantee to breach any provision of the Merger Agreement.

2. *Exercise.* (a) The Holder (as hereinafter defined) may exercise the Option, in whole or part, and from time to time, if, but only if, both an Initial Triggering Event (as hereinafter defined) and a Subsequent Triggering Event (as hereinafter defined) shall have occurred prior to the occurrence of an Exercise Termination Event (as hereinafter defined), *provided* that the Holder shall have sent the

Table of Contents

written notice of such exercise (as provided in subsection (g) of this Section 2) within 180 days following such Subsequent Triggering Event.

(b) Each of the following shall be an "*Exercise Termination Event*": (i) the Effective Time of the Merger; (ii) termination of the Merger Agreement in accordance with the provisions thereof (other than a termination by Grantee pursuant to Section 7.01(e)(ii) or 7.01(d)(ii) (unless the breach by Issuer giving rise to such right of termination pursuant to Section 7.01(d)(ii) is non-intentional)) if such termination occurs prior to the occurrence of an Initial Triggering Event; and (iii) the passage of 12 months after termination of the Merger Agreement if such termination follows the occurrence of an Initial Triggering Event or is a termination by Grantee pursuant to Section 7.01(e)(ii) or 7.01(d)(ii) (unless the breach by Issuer giving rise to such right of termination pursuant to Section 7.01(d)(ii) is non-intentional) of the Merger Agreement.

(c) The term "*Holder*" shall mean the holder or holders of the Option.

(d) The term "*Initial Triggering Event*" shall mean any of the following events or transactions occurring on or after the date hereof:

(i) Issuer or any of its Subsidiaries (each an "*Issuer Subsidiary*"), without having received Grantee's prior written consent, shall have entered into an agreement to engage in an Acquisition Transaction (as hereinafter defined) with any person (the term "*person*" for purposes of this Agreement having the meaning assigned thereto in Sections 3(a)(9) and 13(d)(3) of the Securities Exchange Act of 1934, as amended (the "*1934 Act*"), and the rules and regulations thereunder) other than Grantee or any of its Affiliates (each a "*Grantee Affiliate*") or the Board of Directors of Issuer shall have recommended that the stockholders of Issuer approve or accept any Acquisition Transaction involving the Issuer or any of its Subsidiaries with any person other than Grantee or a Grantee Affiliate. For purposes of this Agreement, "*Acquisition Transaction*" shall mean (w) a merger, consolidation or share exchange, or any similar transaction, involving Issuer or any Significant Subsidiary (as defined in Rule 1-02 of Regulation S-X promulgated by the Securities and Exchange Commission (the "*SEC*")) of Issuer, (x) a purchase, lease or other acquisition or assumption of all or a substantial portion of the assets or deposits of Issuer or of any Significant Subsidiary of Issuer, (y) a purchase or other acquisition (including by way of merger, consolidation, share exchange or otherwise) of securities representing 10% or more of the voting power of Issuer, or (z) any substantially similar transaction; *provided, however*, that in no event shall any merger, consolidation, purchase or similar transaction that is not entered into in violation of the terms of the Merger Agreement and that involves only Issuer and one or more of its wholly-owned Subsidiaries or only any two or more of such wholly-owned Subsidiaries, be deemed to be an Acquisition Transaction;

(ii) Issuer or any Issuer Subsidiary, without having received Grantee's prior written consent, shall have authorized, recommended, proposed or publicly announced its intention to authorize, recommend or propose, to engage in an Acquisition Transaction with any person other than Grantee or a Grantee Affiliate, or the Board of Directors of Issuer shall have withheld, withdrawn, qualified or modified (or publicly proposed or resolved to withhold, withdraw, qualify or modify), in any manner adverse to Grantee, its recommendation that the stockholders of Issuer approve the transactions contemplated by the Merger Agreement;

(iii) Any person other than Grantee, any Grantee Affiliate or any Issuer Subsidiary acting in a fiduciary capacity in the ordinary course of its business shall have acquired beneficial ownership or the right to acquire beneficial ownership of 10% or more of the outstanding shares of Common Stock (the term "*beneficial ownership*" for purposes of this Agreement having the meaning assigned thereto in Section 13(d) of the 1934 Act, and the rules and regulations thereunder);

Table of Contents

(iv) Any person other than Grantee or any Grantee Affiliate shall have made a *bona fide* proposal to Issuer or its stockholders that is public or becomes the subject of public disclosure to engage in an Acquisition Transaction;

(v) Any person other than Grantee or any Grantee Affiliate shall have filed with the SEC a registration statement or tender offer materials with respect to a potential exchange or tender offer that would constitute an Acquisition Transaction or have filed a preliminary proxy statement with the SEC with respect to a potential vote by its stockholders to approve the issuance of shares to be offered in such an exchange or tender offer (which purpose is specifically stated in such proxy statement);

(vi) Issuer shall have breached in any material respect Section 5.06 of the Merger Agreement or, after the receipt by Issuer or its stockholders of any *bona fide* inquiry or proposal (or the *bona fide* indication of any intention to propose) from any person other than Grantee or any Grantee Affiliate to engage in an Acquisition Transaction, Issuer shall have breached any covenant or obligation contained in the Merger Agreement and such breach would entitle Grantee to terminate the Merger Agreement; or

(vii) Any person other than Grantee or any Grantee Affiliate, other than in connection with a transaction to which Grantee has given its prior written consent, shall have filed an application or notice with any federal or state regulatory authority, which application or notice has been accepted for processing, for approval to engage in an Acquisition Transaction.

(e) The term "*Subsequent Triggering Event*" shall mean either of the following events or transactions occurring on or after the date hereof:

(i) The acquisition by any person of beneficial ownership of 20% or more of the then outstanding shares of Common Stock; or

(ii) The occurrence of the Initial Triggering Event described in paragraph (i) of subsection (d) of this Section 2, except that the percentage referred to in clause (y) shall be 20%.

(f) Issuer shall notify Grantee promptly in writing of the occurrence of any Initial Triggering Event or Subsequent Triggering Event of which it has Knowledge, it being understood that the giving of such notice by Issuer shall not be a condition to the right of the Holder to exercise the Option.

(g) In the event the Holder is entitled to and wishes to exercise the Option, it shall send to Issuer a written notice (the date of which being herein referred to as the "*Notice Date*") specifying (i) the total number of shares it will purchase pursuant to such exercise and (ii) a place and date not earlier than three Business Days nor later than 60 Business Days from the Notice Date for the closing of such purchase (the "*Closing Date*"); *provided* that if prior notification to or approval of any regulatory authority is required in connection with such purchase, the Holder shall as soon as reasonably practicable file the required notice or application for approval and shall expeditiously process the same, and the period of time that otherwise would run pursuant to this sentence shall run instead from the date on which any required notification periods have expired or been terminated or such approvals have been obtained and any requisite waiting period or periods shall have passed. Any exercise of the Option shall be deemed to occur on the Notice Date relating thereto.

(h) At the closing referred to in subsection (g) of this Section 2, the Holder shall pay to Issuer the aggregate purchase price for the shares of Common Stock purchased pursuant to the exercise of the Option in immediately available funds by wire transfer to a bank account

Table of Contents

designated by Issuer; *provided* that the failure or refusal of Issuer to designate such a bank account shall not preclude the Holder from exercising the Option.

(i) At such closing, simultaneously with the delivery of immediately available funds as provided in subsection (h) of this Section 2, Issuer shall deliver to the Holder a certificate or certificates representing the number of shares of Common Stock purchased by the Holder and, if the Option should be exercised in part only, a new Option evidencing the rights of the Holder thereof to purchase the balance of the shares purchasable hereunder, and the Holder shall deliver to Issuer this Agreement and a letter agreeing that the Holder will not offer to sell or otherwise dispose of such shares in violation of applicable law or the provisions of this Agreement.

(j) Certificates for Common Stock delivered at a closing hereunder may be endorsed with a restrictive legend that shall read substantially as follows:

"The transfer of the shares represented by this certificate is subject to certain provisions of an agreement between the registered holder hereof and Issuer and to resale restrictions arising under the Securities Act of 1933, as amended. A copy of such agreement is on file at the principal office of Issuer and will be provided to the holder hereof without charge upon receipt by Issuer of a written request therefor."

It is understood and agreed that: (i) the reference to the resale restrictions of the Securities Act of 1933, as amended (the "*1933 Act*"), in the above legend shall be removed by delivery of substitute certificate(s) without such reference if the Holder shall have delivered to Issuer a copy of a letter from the staff of the SEC, or an opinion of counsel, in form and substance reasonably satisfactory to Issuer, to the effect that such legend is not required for purposes of the 1933 Act; (ii) the reference to the provisions of this Agreement in the above legend shall be removed by delivery of substitute certificate(s) without such reference if the shares have been sold or transferred in compliance with the provisions of this Agreement and under circumstances that do not require the retention of such reference; and (iii) the legend shall be removed in its entirety if the conditions in the preceding clauses (i) and (ii) are both satisfied. In addition, such certificate(s) shall bear any other legend as may be required by law.

(k) Upon the giving by the Holder to Issuer of the written notice of exercise of the Option provided for under subsection (g) of this Section 2 and the tender of the applicable purchase price in immediately available funds, the Holder shall be deemed to be the holder of record of the shares of Common Stock issuable upon such exercise, notwithstanding that the stock transfer books of Issuer shall then be closed or that certificates representing such shares of Common Stock shall not then be actually delivered to the Holder. Issuer shall pay all expenses, and any and all United States federal, state and local taxes and other charges, that may be payable in connection with the preparation, issuance and delivery of stock certificates under this Section 2 in the name of the Holder or its assignee, transferee or designee.

3. *Covenants of Issuer.* Issuer agrees: (i) that it shall at all times maintain, free from preemptive rights, sufficient authorized but unissued shares of Common Stock so that the Option may be exercised without additional authorization of Common Stock after giving effect to all other options, warrants, convertible securities and other rights to purchase Common Stock; (ii) that it will not, by charter amendment or through reorganization, consolidation, merger, dissolution or sale of assets, or by any other voluntary act, avoid or seek to avoid the observance or performance of any of the covenants, stipulations or conditions to be observed or performed hereunder by Issuer; (iii) that it will promptly take all action as may from time to time be required (including (x) complying with all premerger notification, reporting and waiting period requirements specified in 15 U.S.C. § 18a and regulations promulgated thereunder and (y) in the event, under any federal or state law, prior approval of or notice to any federal or state or other regulatory authority is necessary before the Option may be exercised, cooperating fully with the Holder in preparing such applications or notices and providing

Table of Contents

such information to the such regulatory authority as they may require) in order to permit the Holder to exercise the Option and Issuer duly and effectively to issue shares of Common Stock pursuant hereto; and (iv) that it will, in the event that it adopts a stockholder protection rights plan or similar agreement after the date hereof, cause such plan or agreement to provide that any exercise of Grantee's rights hereunder shall not result in any triggering event under any such plan or agreement.

4. *Exchange and Division of Option.* This Agreement (and the Option granted hereby) are exchangeable, without expense, at the option of the Holder, upon presentation and surrender of this Agreement at the principal office of Issuer, for other Agreements providing for Options of different denominations entitling the holder thereof to purchase, on the same terms and subject to the same conditions as are set forth herein, in the aggregate the same number of shares of Common Stock purchasable hereunder, in which event, the "Maximum Profit" in each agreement resulting from such exchange shall be allocated among the several agreements in proportion to the number of Option Shares issuable pursuant thereto so that the "Maximum Profit" for all such agreements shall equal \$112,000,000 and (ii) such other adjustments, if any, shall be made as are necessary to preserve the overall economic impact and intent of this Agreement (including Section 16 hereof). The terms "Agreement" and "Option" as used herein include any Stock Option Agreements and related Options for which this Agreement (and the Option granted hereby) may be exchanged, and the term "Grantee", with respect to any such Stock Option Agreement and related Option, shall include the Holder of such Option resulting from such exchange. Upon receipt by Issuer of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Agreement, and (in the case of loss, theft or destruction) of reasonably satisfactory indemnification, and upon surrender and cancellation of this Agreement, if mutilated, Issuer will execute and deliver a new Agreement of like tenor and date. Any such new Agreement executed and delivered shall constitute an additional contractual obligation on the part of Issuer, whether or not the Agreement so lost, stolen, destroyed or mutilated shall at any time be enforceable by anyone.

5. *Certain Adjustments.* In addition to the adjustment in the number of shares of Common Stock that are purchasable upon exercise of the Option pursuant to Section 1 of this Agreement, the number of shares of Common Stock purchasable upon the exercise of the Option and the Option Price shall be subject to adjustment from time to time as provided in this Section 5. In the event of any change in, or distributions in respect of, the Common Stock by reason of stock dividends, split-ups, mergers, recapitalizations, combinations, subdivisions, conversions, exchanges of shares, distributions on or in respect of the Common Stock that would cause an adjustment to the Merger Consideration pursuant to Section 3.03(i) of the Merger Agreement, or the like, the type and number of shares of Common Stock purchasable upon exercise hereof and the Option Price shall be appropriately adjusted in such manner as shall fully preserve the economic benefits provided hereunder and proper provision shall be made in any agreement governing any such transaction to provide for such proper adjustment and the full satisfaction of the Issuer's obligations hereunder.

6. *Registration Rights.* Upon the occurrence of a Subsequent Triggering Event that occurs prior to an Exercise Termination Event, Issuer shall, at the request of Grantee delivered within 180 days after such Subsequent Triggering Event (whether on its own behalf or on behalf of any subsequent holder of this Option (or part thereof) or any of the shares of Common Stock issued pursuant hereto), promptly prepare, file and keep current a shelf registration statement under the 1933 Act covering this Option and any shares issued and issuable pursuant to this Option and shall use its reasonable best efforts to cause such registration statement to become effective and remain current in order to permit the sale or other disposition of this Option and any shares of Common Stock issued upon total or partial exercise of this Option ("*Option Shares*") in accordance with any plan of disposition requested by Grantee. Issuer will use its reasonable best efforts to cause such registration statement first to become effective and then to remain effective for such period not in excess of 180 days from the day such registration statement first becomes effective or such shorter time as may be reasonably necessary

to effect such sales or other dispositions. Grantee shall have the right to demand two such registrations. Issuer shall bear the costs of such registrations (including, but not limited to, Issuer's attorneys' fees, printing costs and filing fees, except for the fees and disbursements of Grantee's counsel related thereto). The foregoing notwithstanding, if, at the time of any request by Grantee for registration of the Option or Option Shares as provided above, Issuer is in registration with respect to an underwritten public offering of shares of Common Stock, and if in the good faith judgment of the managing underwriter or managing underwriters, or, if none, the sole underwriter or underwriters, of such offering the inclusion of the Holder's Option or Option Shares would interfere with the successful marketing of the shares of Common Stock offered by Issuer, the number of Option Shares otherwise to be covered in the registration statement contemplated hereby may be reduced; *provided, however*, that after any such required reduction the number of Option Shares to be included in such offering for the account of the Holder shall constitute at least 25% of the total number of shares to be sold by the Holder and Issuer in the aggregate; and *provided further, however*, that if such reduction occurs, then the Issuer shall file a registration statement for the balance as promptly as practicable and no reduction shall thereafter occur. Each such Holder shall provide all information reasonably requested by Issuer for inclusion in any registration statement to be filed hereunder, which information shall be true, correct and complete in all material respects. If requested by any such Holder in connection with such registration, Issuer shall become a party to any underwriting agreement relating to the sale of such shares, but only to the extent of obligating itself in respect of representations, warranties, indemnities and other agreements customarily included in secondary offering underwriting agreements for Issuer. Upon receiving any request under this Section 6 from any Holder, Issuer agrees to send a copy thereof to any other person known to Issuer to be entitled to registration rights under this Section 6, in each case by promptly mailing the same, postage prepaid, to the address of record of the persons entitled to receive such copies. Notwithstanding anything to the contrary contained herein, in no event shall Issuer be obligated to effect more than two registrations pursuant to this Section 6 by reason of the fact that there shall be more than one Grantee as a result of any assignment or division of this Agreement.

7. *Repurchase.* (a) In the event of a Repurchase Event (as hereinafter defined), (i) following a written request of the Holder, delivered prior to an Exercise Termination Event, Issuer (or any successor thereto) shall repurchase the Option from the Holder immediately after the Repurchase Event at a price (the "*Option Repurchase Price*") equal to the product of the number of shares for which this Option may then be exercised multiplied by the amount by which (A) the Market/Offer Price (as hereinafter defined) exceeds (B) the Option Price, and (ii) at the written request of the owner of Option Shares from time to time (the "*Owner*"), delivered prior to an Exercise Termination Event and within 90 days after the occurrence of a Repurchase Event, Issuer (or any successor thereto) shall repurchase immediately after such request from the Owner such number of the Option Shares from the Owner as the Owner shall designate at a price (the "*Option Share Repurchase Price*") equal to the Market/Offer Price multiplied by the number of Option Shares so designated. The term "*Market/Offer Price*" shall mean the highest of (i) the price per share of Common Stock at which a tender offer or exchange offer therefor has been made and not withdrawn, (ii) the price per share of Common Stock to be paid by any third party pursuant to an agreement with Issuer, (iii) the highest closing price for shares of Common Stock within the six-month period immediately preceding the date the Holder gives notice of the required repurchase of this Option or the Owner gives notice of the required repurchase of Option Shares, as the case may be, and (iv) in the event of a sale of all or a substantial portion of Issuer's assets, the sum of the price paid in such sale for such assets and the current market value of the remaining assets of Issuer as determined by a nationally recognized investment banking firm selected by the Holder or the Owner, as the case may be, and reasonably acceptable to Issuer, divided by the number of shares of Common Stock of Issuer outstanding at the time of such sale. In determining the Market/Offer Price, the value of consideration other than cash shall be determined by a nationally recognized investment banking firm selected by the Holder or Owner, as the case may be, and reasonably acceptable to the Issuer.

(b) The Holder or the Owner, as the case may be, may exercise its right to require Issuer to repurchase the Option and any Option Shares pursuant to this Section 7 by surrendering for such purpose to Issuer, at its principal office, this Agreement or certificates for Option Shares, as applicable, accompanied by a written notice or notices stating that the Holder or the Owner, as the case may be, elects to require Issuer to repurchase this Option and/or the Option Shares in accordance with the provisions of this Section 7. Within five Business Days after the surrender of the Option and/or certificates representing Option Shares and the receipt of such notice or notices relating thereto, Issuer shall deliver or cause to be delivered to the Holder the Option Repurchase Price and/or to the Owner the Option Share Repurchase Price therefor or the portion thereof, if any, that Issuer is not then prohibited under applicable law and regulation from so delivering.

(c) To the extent that Issuer, under applicable law or regulation, or any material agreement or instrument in force as of the date hereof, is prohibited from repurchasing, or requires the consent of any Person to repurchase, the Option and/or the Option Shares to the full extent requested by the Holder or Owner, as the case may be, Issuer shall immediately so notify the Holder and/or the Owner and thereafter deliver or cause to be delivered, from time to time, to the Holder and/or the Owner, as appropriate, the portion of the Option Repurchase Price and the Option Share Repurchase Price, respectively, that it is no longer prohibited from delivering, within five Business Days after the date on which Issuer is no longer so prohibited; *provided, however*, that if Issuer at any time after delivery of a notice of repurchase pursuant to paragraph (b) of this Section 7, under applicable law or regulation, or any material agreement or instrument in force as of the date hereof, is prohibited from delivering, or requires the consent of any Person to deliver, to the Holder and/or the Owner, as appropriate, the Option Repurchase Price and the Option Share Repurchase Price, respectively, to said full extent (and Issuer hereby undertakes to use its reasonable best efforts to obtain all required regulatory and legal approvals or consents and to file any required notices, in each case as promptly as practicable in order to accomplish such repurchase), the Holder or Owner may revoke its notice of repurchase of the Option or the Option Shares either in whole or to the extent of the prohibition, whereupon, in the latter case, Issuer shall promptly (i) deliver to the Holder and/or the Owner, as appropriate, that portion of the Option Repurchase Price or the Option Share Repurchase Price that Issuer is not prohibited from delivering; and (ii) deliver, as appropriate, either (A) to the Holder, a new Stock Option Agreement evidencing the right of the Holder to purchase that number of shares of Common Stock obtained by multiplying the number of shares of Common Stock for which the surrendered Stock Option Agreement was exercisable at the time of delivery of the notice of repurchase by a fraction, the numerator of which is the Option Repurchase Price less the portion thereof theretofore delivered to the Holder and the denominator of which is the Option Repurchase Price, or (B) to the Owner, a certificate for the Option Shares it is then so prohibited from repurchasing.

(d) For purposes of this Section 7, a "*Repurchase Event*" shall be deemed to have occurred upon (i) the consummation of an Acquisition Transaction (except that the percentage referred to in clause (y) of the definition thereof shall be 50%) or (ii) the acquisition by any person of beneficial ownership of 50% or more of the then outstanding shares of Common Stock.

8. *Substitute Option.* (a) In the event that, prior to an Exercise Termination Event, Issuer shall enter into an agreement (i) to consolidate with or merge into any person, other than Grantee or a Grantee Affiliate, and shall not be the continuing or surviving corporation of such consolidation or merger, (ii) to permit any person, other than Grantee or a Grantee Affiliate, to merge into Issuer and Issuer shall be the continuing or surviving corporation, but, in connection with such merger, the then outstanding shares of Common Stock shall be changed into or exchanged for stock or other securities of any other person or cash or any other property or the then outstanding shares of Common Stock shall after such merger represent less than 50% of the outstanding voting shares and voting share equivalents of the merged company, or (iii) to sell or otherwise transfer all or substantially all of its

Table of Contents

assets to any person, other than Grantee or a Grantee Affiliate, then, and in each such case, the agreement governing such transaction shall make proper provision so that the Option shall, upon the consummation of any such transaction and upon the terms and conditions set forth herein, be converted into, or exchanged for, an option (the "*Substitute Option*"), at the election of the Holder, of either (x) the Acquiring Corporation (as hereinafter defined) or (y) any person that controls the Acquiring Corporation.

(b) The following terms have the meanings indicated:

(A) "*Acquiring Corporation*" shall mean (i) the continuing or surviving person of a consolidation or merger with Issuer (if other than Issuer), (ii) Issuer in a merger in which Issuer is the continuing or surviving person, and (iii) the transferee of all or substantially all of Issuer's assets.

(B) "*Assigned Value*" shall mean the Market/Offer Price, as defined in Section 7.

(C) "*Average Price*" shall mean the average closing price of a share of the Substitute Common Stock for the one year immediately preceding the consolidation, merger or sale in question, but in no event higher than the closing price of the shares of Substitute Common Stock on the day preceding such consolidation, merger or sale; *provided* that if Issuer is the issuer of the Substitute Option, the Average Price shall be computed with respect to a share of common stock issued by the person merging into Issuer or by any company which controls or is controlled by such person, as the Holder may elect.

(D) "*Substitute Common Stock*" shall mean the common stock issued by the issuer of the Substitute Option upon exercise of the Substitute Option.

(c) The Substitute Option shall have the same terms as the Option, *provided* that (1) the exercise price therefor and number of shares subject thereto shall be as set forth in this Section 8 and the repurchase rights relating thereto shall be as set forth in Section 9, (2) if a Subsequent Trigger Event shall have occurred prior to or in connection with the issuance of such Substitute Option, the Substitute Option shall be exercisable immediately upon issuance without the occurrence of a further Subsequent Triggering Event and (3) if the terms of the Substitute Option cannot, for legal reasons, be the same as the Option, such terms shall be as similar as possible and in no event less advantageous to the Holder. The issuer of the Substitute Option shall also enter into an agreement with the then Holder or Holders of the Substitute Option in substantially the same form as this Agreement, which shall be applicable to the Substitute Option.

(d) The Substitute Option shall be exercisable for such number of shares of Substitute Common Stock as is equal to the Assigned Value multiplied by the number of shares of Common Stock for which the Option is then exercisable, divided by the Average Price. The exercise price of the Substitute Option per share of Substitute Common Stock shall then be equal to the Option Price multiplied by a fraction, the numerator of which shall be the number of shares of Common Stock for which the Option is then exercisable and the denominator of which shall be the number of shares of Substitute Common Stock for which the Substitute Option is exercisable.

(e) In no event, pursuant to any of the foregoing paragraphs, shall the Substitute Option be exercisable for more than 19.9% of the shares of Substitute Common Stock outstanding prior to exercise of the Substitute Option. In the event that the Substitute Option would be exercisable for more than 19.9% of the shares of Substitute Common Stock outstanding prior to exercise but for this clause (e), the issuer of the Substitute Option (the "*Substitute Option Issuer*") shall make a cash payment to the Holder equal to the excess of (i) the value of the Substitute Option without giving effect to the limitation in this clause (e) over (ii) the value of the Substitute Option after giving effect to the limitation in this clause (e). This difference in value shall be determined by a

Table of Contents

nationally recognized investment banking firm selected by the Holder and reasonably acceptable to the Acquiring Corporation.

(f) Issuer shall not enter into any transaction described in subsection (a) of this Section 8 unless the Acquiring Corporation and any person that controls the Acquiring Corporation assume in writing all the obligations of Issuer hereunder without limitation or qualification whatsoever.

9. *Repurchase of the Substitute Option and Substitute Shares.* (a) At the written request of the holder of the Substitute Option (the "Substitute Option Holder") delivered prior to any Exercise Termination Event with respect to the Substitute Option, the Substitute Option Issuer shall repurchase the Substitute Option from the Substitute Option Holder at a price (the "Substitute Option Repurchase Price") equal to the amount by which (i) the Highest Closing Price (as hereinafter defined) exceeds (ii) the exercise price of the Substitute Option, multiplied by the number of shares of Substitute Common Stock for which the Substitute Option may then be exercised, and at the written request of the owner (the "Substitute Share Owner") of shares of Substitute Common Stock (the "Substitute Shares"), the Substitute Option Issuer shall repurchase the Substitute Shares at a price (the "Substitute Share Repurchase Price") equal to the Highest Closing Price multiplied by the number of Substitute Shares so designated. The term "Highest Closing Price" shall mean the highest closing price for shares of Substitute Common Stock within the six-month period immediately preceding the date the Substitute Option Holder gives notice of the required repurchase of the Substitute Option or the Substitute Share Owner gives notice of the required repurchase of the Substitute Shares, as applicable.

(b) The Substitute Option Holder and the Substitute Share Owner, as the case may be, may exercise its respective right to require the Substitute Option Issuer to repurchase the Substitute Option and the Substitute Shares pursuant to this Section 9 by surrendering for such purpose to the Substitute Option Issuer, at its principal office, the agreement for such Substitute Option (or, in the absence of such an agreement, a copy of this Agreement) and certificates for Substitute Shares accompanied by a written notice or notices stating that the Substitute Option Holder or the Substitute Share Owner, as the case may be, elects to require the Substitute Option Issuer to repurchase the Substitute Option and/or the Substitute Shares in accordance with the provisions of this Section 9. As promptly as practicable, and in any event within five Business Days after the surrender of the Substitute Option and/or certificates representing Substitute Shares and the receipt of such notice or notices relating thereto, the Substitute Option Issuer shall deliver or cause to be delivered to the Substitute Option Holder the Substitute Option Repurchase Price and/or to the Substitute Share Owner the Substitute Share Repurchase Price therefor or, in either case, the portion thereof which the Substitute Option Issuer is not then prohibited under applicable law and regulation from so delivering.

(c) To the extent that the Substitute Option Issuer, under applicable law or regulation or a material contract or instrument in force as of the date hereof, is prohibited from repurchasing, or subject to a required consent in order to repurchase, the Substitute Option and/or the Substitute Shares in part or to the full extent requested by the Holder or Owner, as the case may be, the Substitute Option Issuer following a request for repurchase pursuant to this Section 9 shall immediately so notify the Substitute Option Holder and/or the Substitute Share Owner and thereafter deliver or cause to be delivered, from time to time, to the Substitute Option Holder and/or the Substitute Share Owner, as appropriate, the portion of the Substitute Share Repurchase Price, respectively, which it is no longer prohibited from delivering, within five Business Days after the date on which the Substitute Option Issuer is no longer so prohibited; *provided, however*, that if the Substitute Option Issuer is at any time after delivery of a notice of repurchase pursuant to subsection (b) of this Section 9, under applicable law or regulation or a material contract or instrument in force as of the date hereof, prohibited from delivering, or subject to a required consent in order to deliver, to the Substitute Option Holder and/or the Substitute Share Owner, as appropriate, the Substitute Option Repurchase Price and the Substitute Share Repurchase Price,

respectively, to said full extent (and the Substitute Option Issuer shall use its reasonable best efforts to obtain all required regulatory and legal approvals, in each case as promptly as practicable, in order to accomplish such repurchase), the Substitute Option Holder or Substitute Share Owner may revoke its notice of repurchase of the Substitute Option or the Substitute Shares either in whole or to the extent of the prohibition, whereupon, in the latter case, the Substitute Option Issuer shall promptly (i) deliver to the Substitute Option Holder or Substitute Share Owner, as appropriate, that portion of the Substitute Option Repurchase Price or the Substitute Share Repurchase Price that the Substitute Option Issuer is not prohibited from delivering; and (ii) deliver, as appropriate, either (A) to the Substitute Option Holder, a new Substitute Option evidencing the right of the Substitute Option Holder to purchase that number of shares of the Substitute Common Stock obtained by multiplying the number of shares of the Substitute Common Stock for which the surrendered Substitute Option was exercisable at the time of delivery of the notice of repurchase by a fraction, the numerator of which is the Substitute Option Repurchase Price less the portion thereof theretofore delivered to the Substitute Option Holder and the denominator of which is the Substitute Option Repurchase Price, or (B) to the Substitute Share Owner, a certificate for the Substitute Common Stock it is then so prohibited from repurchasing.

10. *Extensions of Periods Under Certain Circumstances.* The 90-day or 180-day periods for exercise of certain rights under Sections 2, 6, 7, 8, 9 and 13 shall be extended: (i) to the extent necessary to obtain all regulatory approvals for the exercise of such rights and for the expiration of all statutory waiting periods; (ii) to the extent necessary to avoid liability under Section 16(b) of the 1934 Act by reason of such exercise; and (iii) during the pendency of any temporary restraining order, injunction or other legal bar to exercise of such rights.

11. *Representations and Warranties of the Issuer.* Issuer hereby represents and warrants to Grantee as follows:

(a) Issuer has all requisite corporate power and authority and has taken all corporate action necessary in order to execute and deliver this Agreement and to consummate the transactions contemplated hereby. Issuer has duly authorized, executed and delivered this Agreement, and (assuming due authorization, execution and delivery by Grantee) this Agreement is a valid and legally binding obligation of Issuer, enforceable against it in accordance with its terms, subject to bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and similar Laws of general applicability relating to or affecting creditors' rights or to general equity principles.

(b) Issuer has taken all necessary corporate action to authorize and reserve and to permit it to issue, and at all times from the date hereof through the termination of this Agreement in accordance with its terms will have reserved for issuance upon the exercise of the Option, that number of shares of Common Stock equal to the maximum number of shares of Common Stock at any time and from time to time issuable hereunder, and all such shares, upon issuance pursuant hereto, will be duly authorized, validly issued, fully paid, nonassessable, and will be delivered free and clear of all claims, liens, encumbrance and security interests and not subject to any preemptive rights.

(c) The Board of Directors of Issuer has duly approved this Agreement and the transactions contemplated hereby (including by reserving shares for issuance of shares of Common Stock on exercise of the Option) and taken any other action as required to render inapplicable to such agreement and transactions any Takeover Statutes.

12. *Representations and Warranties of the Grantee.* Grantee hereby represents and warrants to Issuer that:

(a) Grantee has all requisite corporate power and authority and has taken all corporate action necessary in order to execute and deliver this Agreement and to consummate the

transactions contemplated hereby. Grantee has duly authorized, executed and delivered this Agreement, and (assuming due authorization, execution and delivery by Grantee) this Agreement is a valid and legally binding obligation of Grantee, enforceable against it in accordance with its terms, subject to bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and similar Laws of general applicability relating to or affecting creditors' rights or to general equity principles.

(b) The Option is not being, and any shares of Common Stock or other securities acquired by Grantee upon exercise of the Option will not be, acquired with a view to the public distribution thereof and will not be transferred or otherwise disposed of except in a transaction registered or exempt from registration under the 1933 Act.

13. *Assignment.* Neither of the parties hereto may assign any of its rights or obligations under this Agreement or the Option created hereunder to any other person, without the express written consent of the other party, except that in the event an Initial Triggering Event and a Subsequent Triggering Event shall have occurred prior to an Exercise Termination Event, Grantee, subject to the express provisions hereof, may assign in whole or in part its rights and obligations hereunder within 180 days following such Subsequent Triggering Event; *provided, however,* that until the date 15 days following the date on which the Board of Governors of the Federal Reserve System (the "*Federal Reserve*") approves an application by Grantee or its transferee to acquire the shares of Common Stock subject to the Option, Grantee may not assign its rights under the Option except in (i) a widely dispersed public distribution, (ii) a private placement in which no one party acquires the right to purchase in excess of 2% of the voting shares of Issuer, (iii) an assignment to a single party (*e.g.*, a broker or investment banker) for the purpose of conducting a widely dispersed public distribution on Grantee's behalf, or (iv) any other manner approved by the Federal Reserve. Upon any such assignment, the transferee shall be deemed to be the "Grantee" for purposes of the Option so transferred and any partial transfer shall be effected by an exchange of the Option in accordance with Section 4 hereof.

14. *Filings, Etc.* Each of Grantee and Issuer will use its reasonable best efforts to make all filings with, and to obtain consents of, all third parties and governmental authorities necessary to the consummation of the transactions contemplated by this Agreement, including without limitation making the application to list the shares of Common Stock issuable hereunder on the New York Stock Exchange upon official notice of issuance.

15. *Surrender of Option and Option Shares.* (a) Grantee may, at any time during which Issuer would be required to repurchase the Option or any Option Shares pursuant to Section 7 upon proper request or notice, surrender the Option (together with any Option Shares issued to and then owned by Grantee) to Issuer in exchange for a cash fee equal to the Surrender Price (as hereinafter defined); *provided, however,* that Grantee may not exercise its rights pursuant to this Section 15 if Issuer has repurchased the Option (or any portion thereof) or any Option Shares pursuant to Section 7. The "*Surrender Price*" shall be equal to (i) \$91,000,000 plus (ii) if applicable, the aggregate purchase price previously paid pursuant hereto by Grantee with respect to any Option Shares, minus (iii) if applicable, the sum of (A) the excess of (1) the net cash amounts, if any, received by Grantee pursuant to the arms' length sale of Option Shares (or any other securities into which such Option Shares were converted or exchanged) to any party not affiliated with Grantee, over (2) the aggregate purchase price previously paid pursuant hereto by Grantee with respect to such Option Shares and (B) the net cash amounts, if any, received by Grantee pursuant to an arms' length sale of a portion of the Option to any party not affiliated with Grantee.

(b) Grantee may exercise its right to surrender the Option and any Option Shares pursuant to this Section 15 by surrendering to Issuer, at its principal office, this Agreement together with certificates for Option Shares, if any, accompanied by a written notice stating (i) that Grantee

Table of Contents

elects to surrender the Option and Option Shares, if any, in accordance with the provisions of this Section 15 and (ii) the Surrender Price. The Surrender Price shall be payable in immediately available funds on or before the second Business Day following receipt of such notice by Issuer.

(c) To the extent that Issuer, under applicable law or regulation or a material contract or instrument in force as of the date hereof, is prohibited from paying, or requires a consent in order to pay, the Surrender Price to Grantee in full, Issuer shall immediately so notify Grantee and thereafter deliver or cause to be delivered, from time to time, to Grantee, the portion of the Surrender Price that Issuer is no longer prohibited from paying, within five Business Days after the date on which Issuer is no longer so prohibited, *provided, however*, that if Issuer at any time after delivery of a notice of surrender pursuant to paragraph (b) of this Section 15, under applicable law or regulation or a material contract or instrument in effect as of the date hereof, is prohibited from paying, or requires a consent in order to pay, to Grantee the Surrender Price in full (i) Issuer shall (A) use its reasonable best efforts to obtain all required regulatory and legal approvals and consents and to file any required notices as promptly as practicable in order to make such payments, (B) within five days of the submission or receipt of any documents relating to any such regulatory and legal approvals or consents, provide Grantee with copies of the same, and (C) keep Grantee advised of both the status of any such request for regulatory and legal approvals and consents, as well as any discussions with any relevant regulatory or other third party reasonably related to the same and (ii) Grantee may revoke such notice of surrender by delivery of a notice of revocation to Issuer and, upon delivery of such notice of revocation, the Exercise Termination Date shall be extended to a date six months from the date on which the Exercise Termination Date would have occurred if not for the provisions of this Section 15(c) (during which period Grantee may exercise any of its rights hereunder, including any and all rights pursuant to this Section 15).

(d) Grantee shall have rights substantially identical to those set forth in paragraphs (a), (b) and (c) of this Section 15 with respect to the Substitute Option and the Substitute Option Issuer during any period in which the Substitute Option Issuer would be required to repurchase the Substitute Option pursuant to Section 9.

16. *Maximum Profit.* (a) Notwithstanding any provision of this Agreement, in no event shall Grantee's Total Profit (as defined in Section 16(c)) exceed \$112,000,000 (the "*Maximum Profit*"), and, if the Total Profit would otherwise exceed such amount, Grantee, in its sole discretion, shall either (1) reduce the number of shares subject to the Option (and any Substitute Option), (2) deliver to Issuer, or Substitute Issuer, as the case may be, for cancellation shares of Common Stock or Substitute Common Stock, as the case may be, previously purchased by Grantee valued at fair market value at the time of delivery, (3) pay cash to Issuer, or Substitute Issuer, as the case may be, (4) increase or otherwise adjust the Option Price or Substitute Option Price (or any portion thereof), (5) reduce the amount of the Option Repurchase Price or Substitute Option Repurchase Price, or (6) undertake any combination of the foregoing (which combination shall be at Grantee's sole election), so that Grantee's actually realized Total Profit shall not exceed the Maximum Profit after taking into account the foregoing actions.

(b) Notwithstanding any provision of this Agreement, the Option (and any Substitute Option) may not be exercised for a number of shares as would, as of the date of exercise, result in a Notional Total Profit (as defined in Section 16(d)) of more than the Maximum Profit and, if exercise of the Option (and any Substitute Option) would otherwise result in the Notional Total Profit exceeding the Maximum Profit, Grantee, in its discretion, may take any of the actions specified in Section 16(a) so that the Notional Total Profit shall not exceed the Maximum Profit; *provided*, that nothing in this sentence shall restrict any subsequent exercise of the Option (and any Substitute Option) which at such time complies with this sentence.

Table of Contents

(c) As used herein, the term "*Total Profit*" shall mean the aggregate amount (before taxes) of the following: (1) the excess of (A) the net cash amounts or fair market value of any property received by Grantee pursuant to the sale of the Option or any Option Shares (or any other securities into which such Option Shares are converted or exchanged) to any unaffiliated party, after payment of applicable brokerage or sales commissions and discounts, if any, over (B) Grantee's aggregate purchase price for such Option Shares (or other securities), plus (2) all amounts received by Grantee, a Holder or an Owner (including a Substitute Option Holder or Substitute Share Owner) upon the repurchase of the Option and/or any Option Shares by Issuer pursuant to Section 7 or upon the surrender of the Option and/or any Option Shares pursuant to Section 15 (net in the case of Option Shares or Substitute Option Shares of the Owner's or Substitute Share Owner's aggregate purchase price therefor), plus (3) all equivalent amounts to the foregoing with respect to the Substitute Option, minus (4) the amount of any cash previously paid or the fair market value of any Common Stock or Substitute Common Stock previously surrendered for cancellation, in each case pursuant to Section 16(a).

(d) As used herein, the term "*Notional Total Profit*" with respect to any number of shares as to which Grantee may propose to exercise the Option (or Substitute Option, as applicable) shall be the Total Profit, determined as of the date of such proposed exercise assuming (1) that the Option (or Substitute Option, as applicable) were exercised on such date for such number of shares, (2) that such shares, together with all other Option Shares (or Substitute Option Shares, as applicable) held by Grantee and its Affiliates as of such date, were sold for cash at the closing market price for the Common Stock (or Substitute Common Stock, as applicable) as of the close of business on the preceding trading day (less customary brokerage commissions) and (3) the effect of any adjustments made by or to be made by Grantee pursuant to Section 16(a). For purposes of this Section 16, the term "Grantee" will include all Holders, and transactions by any Affiliate transferee of Grantee in respect of the Option or Option Shares (or Substitute Option or Substitute Option Shares, as applicable) transferred to it shall be treated as if made by Grantee.

17. *Remedies.* The parties hereto acknowledge that damages would be an inadequate remedy for a breach of this Agreement by either party hereto and that the obligations of the parties hereto shall be enforceable by either party hereto through injunctive or other equitable relief.

18. *Severability.* If any term, provision, covenant or restriction contained in this Agreement is held by a court or a federal or state regulatory agency of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, provisions and covenants and restrictions contained in this Agreement shall remain in full force and effect, and shall in no way be affected, impaired or invalidated. If for any reason such court or regulatory agency determines that the Holder is not permitted to acquire, or Issuer is not permitted to repurchase pursuant to Section 7 (or the Substitute Issuer to repurchase pursuant to Section 9), the full number of shares of Common Stock (or Substitute Common Stock) provided in Section 1 hereof (as adjusted pursuant to Section 1(b) or 5 hereof), it is the express intention of Issuer to allow the Holder to acquire or to require Issuer to repurchase such lesser number of shares as may be permissible, without any amendment or modification hereof.

19. *Notices.* All notices, requests, claims, demands and other communications hereunder shall be deemed to have been duly given when delivered in person, by facsimile, or by registered or certified mail (postage prepaid, return receipt requested) at the respective addresses of the parties set forth in the Merger Agreement.

20. *Governing Law.* **This Agreement will be governed by and construed in accordance with the law of the State of Delaware applicable to contracts made and to be performed entirely within that State (except to the extent that mandatory provisions of federal or state law apply), without regard to any applicable conflicts of law principles. Issuer and Grantee hereby irrevocably submit to the jurisdiction of the courts of the State of Delaware and the federal courts of the United States of**

Issuer and Grantee hereby consent to and grant any such court jurisdiction over the person of Issuer and Grantee and over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in the Merger Agreement or in such other manner as may be permitted by Law, shall be valid and sufficient service thereof. **EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION, SUIT OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT.**

21. *Counterparts.* This Agreement may be executed in counterparts (including by facsimile and email), each of which will be deemed to constitute an original.

22. *Expenses.* Except as otherwise expressly provided herein, each of the parties hereto shall bear and pay all costs and expenses incurred by it or on its behalf in connection with the transactions contemplated hereunder, including fees and expenses of its own financial consultants, investment bankers, accountants and counsel.

23. *Entire Agreement; Third-Party Rights.* Except as otherwise expressly provided herein or in the Merger Agreement, this Agreement contains the entire agreement between the parties with respect to the transactions contemplated hereunder and supersedes all prior arrangements or understandings with respect thereof, written or oral. The terms and conditions of this Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns. 24. *Capitalized Terms.* Capitalized terms used in this Agreement and not defined herein shall have the meanings assigned thereto in the Merger Agreement.

Appendix D Form of Voting Agreement with PacWest Stockholders

EXECUTION VERSION

July 22, 2013

CapitalSource Inc.
633 West 5th Street, 33rd Floor
Los Angeles, California 90071

Ladies and Gentlemen:

As a holder of PacWest Common Stock (as defined below), the undersigned (the "*Stockholder*") understands that CapitalSource Inc., a Delaware corporation ("*CapitalSource*"), and PacWest Bancorp, a Delaware corporation ("*PacWest*"), propose to enter into an Agreement and Plan of Merger, dated as of July 22, 2013 (as it may be from time to time amended, the "*Merger Agreement*"), providing for, among other things, a merger of CapitalSource with and into PacWest (the "*Merger*"), in which each of the issued and outstanding shares of common stock, par value \$0.01 per share, of CapitalSource (the "*CapitalSource Common Stock*") (other than Excluded Shares) will be converted into the right to receive the Merger Consideration. Terms used without definition in this letter agreement shall have the meanings ascribed thereto in the Merger Agreement.

The Stockholder acknowledges that, as an inducement for CapitalSource to enter into the Merger Agreement, CapitalSource has required that the Stockholder enter into this letter agreement and the Stockholder is willing to enter into this letter agreement.

The Stockholder confirms his or her agreement with CapitalSource, and CapitalSource confirms its agreement with the Stockholder, as follows:

1. As used in this letter agreement, "*Shares*" means the shares of PacWest Common Stock which the Stockholder owns of record or beneficially (for the avoidance of doubt, excluding (i) any shares underlying options exercisable for shares of PacWest Common Stock and (ii) any shares held solely by any of the Stockholder's family members, whether or not such shares are included as beneficially owned by the Stockholder in PacWest's most recent annual proxy statement) as of the date of this letter agreement. The Shares are free and clear of all encumbrances, voting arrangements and commitments of every kind, except as would not restrict the performance of the Stockholder's obligations under this Agreement. The Stockholder represents and warrants that the Stockholder has the sole or shared power to vote or direct the vote of all Shares.
2. Subject to paragraph 17 of this letter agreement, at every meeting of the stockholders of PacWest called, and at every postponement, recess or adjournment thereof, and on every action or approval by written consent of the stockholders of PacWest, the Stockholder agrees to vote, or cause to be voted, the Shares (a) in favor of (i) adoption of the Merger Agreement, (ii) adoption of an amendment to the PacWest Certificate of Incorporation to increase the number of authorized shares, (iii) the approval of the issuance of shares of PacWest Common Stock in connection with the Merger, (iv) an amendment to PacWest's 2003 Stock Incentive Plan to increase the number of shares of common stock authorized for grant and (v) any other matter that is required to be approved by the stockholders of PacWest to facilitate the transactions contemplated by the Merger Agreement, (b) against (i) any proposal made in opposition to adoption of the Merger Agreement or in competition with the Merger, (ii) any Acquisition Proposal and (iii) to the extent that any of the following actions requires a stockholder vote pursuant to applicable Law or any applicable stock exchange rules, any proposal, transaction, agreement, amendment of PacWest's certificate of incorporation or by-laws or other action that is intended to or could reasonably be expected to prevent, impede, interfere with, delay, postpone or discourage consummation of the Merger and (c) as directed by CapitalSource with respect to any

postponement, recess, adjournment or other procedural matter at any meeting of the stockholders of PacWest relating to any of the matters set forth in the foregoing clauses (a) or (b). Any such vote shall be cast (or consent shall be given) by the Stockholder in accordance with such procedures relating thereto so as to ensure that it is duly counted, including for purposes of determining that a quorum is present and for purposes of recording the results of such vote (or consent). The Stockholder hereby irrevocably and unconditionally waives, and agrees not to exercise, any rights of appraisal, any dissenters' rights and any similar rights relating to the Merger that the Stockholder may directly or indirectly have by virtue of the ownership of any Shares if the Effective Time occurs.

3. The Stockholder hereby revokes any and all previous proxies granted with respect to the Shares. By entering into this letter agreement, subject to the last sentence of this paragraph 3, the Stockholder hereby grants, or agrees to cause the applicable record holder to grant, a revocable proxy appointing CapitalSource, William G. Byrnes and James Pieczynski, and each of them, but each with full power of substitution, as the Stockholder's attorney-in-fact and proxy, for and in the Stockholder's name, to be counted as present, vote, express consent or dissent with respect to the Shares in the manner contemplated by paragraph 2 as such proxies or their proxies or substitutes shall, in their sole discretion, deem proper with respect to the Shares. The proxy granted by the Stockholder pursuant to this paragraph 3 is granted in consideration of CapitalSource entering into this letter agreement and the Merger Agreement and incurring the obligations therein. If the Stockholder fails for any reason to be counted as present, consent or vote the Shares in accordance with the requirements of paragraph 2 (or anticipatorily breaches such paragraph), then CapitalSource shall have the right to cause to be present, consent or vote the Shares in accordance with the provisions of paragraph 2. The proxy granted by the Stockholder shall be automatically revoked upon termination of this letter agreement in accordance with its terms.

4. The Stockholder represents and warrants (a) that the Stockholder has duly executed and delivered this letter agreement and has all authority and full legal capacity to enter into this letter agreement; and (b) that, assuming the due authorization, execution and delivery of this letter agreement by CapitalSource, this letter agreement is the Stockholder's legal, valid and binding agreement and is enforceable against the Stockholder in accordance with its terms, except to the extent that enforceability may be limited by applicable bankruptcy, insolvency, moratorium or other similar laws affecting the enforcement of creditors' rights generally and subject to the general principles of equity.

5. The Stockholder further represents and warrants that the execution and delivery of this letter agreement by the Stockholder does not, and the performance of his or her obligations under this letter agreement and the consummation of the transactions to be consummated by him or her as contemplated hereby will not, (a) conflict with or violate any Law applicable to the Stockholder or by which the Shares are bound or affected, (b) result in any breach of or violation of, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of an encumbrance on any of the Shares pursuant to, any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which the Stockholder is a party or by which the Stockholder or the Shares are bound or affected, or (c) require any consent, approval, authorization or permit of, or filing with or notification to, any court or arbitrator or any governmental entity, agency or official except for (i) applicable requirements, if any, of the Securities Exchange Act of 1934, as amended, and (ii) where the failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not to his or her knowledge prevent, impair, delay or adversely affect the performance by the Stockholder of his or her obligations under this letter agreement.

6. The Stockholder agrees that all representations, terms and conditions of this letter agreement will apply to shares of PacWest Common Stock of which the Stockholder acquires record or beneficial ownership after the date hereof and prior to the termination of this letter agreement, whether upon the exercise of options, warrants or rights, the conversion or exchange of convertible or exchangeable securities, or by means of purchase, dividend, distribution, split-up, recapitalization, combination, exchange of shares or the like, gift, bequest, inheritance, or as a successor in interest in any capacity or otherwise.

7. This letter agreement and all obligations of the parties hereunder shall automatically terminate upon the earlier of (a) the Effective Time and (b) the termination of the Merger Agreement in accordance with its terms; *provided, however*, that (i) this paragraph 7 and paragraphs 11, 12, 13, 14, 15, 18, 20 and 21 hereof shall survive any such termination and (ii) such termination shall not relieve any party of any liability or damages resulting from any willful and intentional breach of this letter agreement occurring prior to such termination.

8. The Stockholder is entering into this letter agreement solely in his or her capacity as a record or beneficial owner of the Shares and nothing herein is intended to or shall limit or affect any actions taken by the Stockholder, solely in his or her capacity as a director or officer of PacWest (or a Subsidiary of PacWest).

9. The Stockholder hereby authorizes CapitalSource and PacWest to publish and disclose in any announcement or disclosure in connection with the Merger the Stockholder's identity and ownership of the Shares and the nature of the Stockholder's obligations under this letter agreement.

10. The Stockholder agrees that, prior to the termination of this letter agreement, the Stockholder shall not take any action that would make any representation or warranty of the Stockholder contained herein untrue or incorrect or have the effect of preventing, impairing, delaying or adversely affecting the performance by the Stockholder of his or her obligations under this letter agreement other than to a de minimis extent. The Stockholder agrees, without further consideration, to execute and deliver such additional documents and to take such further actions as necessary or reasonably requested by CapitalSource to confirm and assure the rights and obligations set forth in this letter agreement.

11. THIS LETTER AGREEMENT SHALL BE DEEMED TO BE MADE IN AND IN ALL RESPECTS SHALL BE INTERPRETED, CONSTRUED AND GOVERNED BY AND IN ACCORDANCE WITH THE LAW OF THE STATE OF DELAWARE WITHOUT REGARD TO THE CONFLICT OF LAW PRINCIPLES THEREOF. The parties hereby irrevocably submit to the jurisdiction of the courts of the State of Delaware and the federal courts of the United States of America located in the State of Delaware solely in respect of the interpretation and enforcement of the provisions of this letter agreement and of the documents referred to in this letter agreement, and in respect of the transactions contemplated hereby, and hereby waive, and agree not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or of any such documents, that it, he or she is not subject thereto or that such action, suit or proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this letter agreement or any such document may not be enforced in or by such courts, and the parties hereto irrevocably agree that all claims with respect to such action or proceeding shall be heard and determined in such a Delaware State or federal court. The parties hereby consent to and grant any such court jurisdiction over the person of such parties and over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in paragraph 13 or in such other manner as may be permitted by Law shall be valid and sufficient service thereof.

12. The parties to this letter agreement acknowledge and agree that any controversy which may arise under this letter agreement and the other documents referred to in this letter agreement and in respect of the transactions contemplated hereby and thereby, is likely to involve complicated and difficult issues and, therefore, each such party irrevocably and unconditionally waives any right it may have to a trial by jury in respect of any legal action arising out of or relating to this letter agreement and the other documents referred to in this letter agreement, and in respect of the transactions contemplated hereby and thereby. The parties to this letter agreement certify and acknowledge that (a) such party has not represented, expressly or otherwise, that such party would not seek to enforce the foregoing waiver in the event of a legal action, (b) such party has considered the implications of this waiver, (c) such party makes this waiver voluntarily and (d) such party has been induced to enter into this letter agreement by, among other things, the mutual waivers and certifications in this paragraph 12.

13. Any notice, request, instruction or other document to be given hereunder by either party to the other shall be in writing and delivered personally or sent by registered or certified mail, postage prepaid, by facsimile or by overnight courier addressed, if to the Stockholder, to the address or facsimile number, as applicable, set forth in Schedule I hereto, and, if to CapitalSource, in accordance with Section 8.06 of the Merger Agreement, or to such other persons or addresses as may be designated in writing by the party to receive such notice as provided above.

14. This letter agreement shall not be assignable by operation of law or otherwise. Any purported assignment in violation of this letter agreement is void.

15. The Stockholder recognizes and acknowledges that a breach of any covenants or agreements contained in this letter agreement will cause CapitalSource to sustain damages for which it would not have an adequate remedy at law for money damages, and therefore the Stockholder agrees that in the event of any such breach, CapitalSource shall be entitled to specific performance of such covenants and agreements and injunctive and other equitable relief in addition to any other remedy to which CapitalSource may be entitled, at law or in equity. It is accordingly agreed that CapitalSource shall be entitled to an injunction or injunctions to prevent breaches of this letter agreement and to enforce specifically the terms and provisions of this letter agreement in any court of the United States or any state having jurisdiction.

16. The effectiveness of this letter agreement shall be conditioned upon the execution and delivery of the Merger Agreement by the parties thereto.

17. The Stockholder agrees not to (i) offer for sale, sell, transfer, tender, pledge, encumber, assign or otherwise dispose of, or enter into any contract, option or other arrangement or understanding with respect to, or consent to the offer for sale, sale, transfer, tender, pledge, encumbrance, assignment or other disposition of any of the Shares or (ii) except as set forth herein, enter into any voting arrangement, whether by proxy, voting agreement, voting trust or otherwise, with respect to the Shares and shall not commit or agree to take any of the foregoing actions; provided, that the foregoing shall not prohibit the Stockholder from disposing of or surrendering Shares to PacWest in connection with the vesting, settlement or exercise of PacWest Stock Options or PacWest Awards or the payment of taxes thereon. In furtherance of the foregoing, the Stockholder hereby authorizes and instructs PacWest to instruct its transfer agent to enter a stop transfer order with respect to all of the Shares.

18. CapitalSource acknowledges and agrees that nothing in this letter agreement shall be deemed to vest in CapitalSource any direct or indirect ownership or incidence of ownership of or with respect to any Shares. All rights, ownership and economic benefits of and relating to the Shares shall remain vested in and belong to the Stockholder, and CapitalSource shall have no authority to manage, direct, superintend, restrict, regulate, govern or administer any of the policies

or operations of PacWest or exercise any power or authority to direct the Stockholder in the voting of any of the Shares, except as otherwise expressly provided herein.

19. Any provision of this letter agreement may be (i) waived in whole or in part in writing by the party benefited by the provision or by both parties or (ii) amended or modified at any time by an agreement in writing between the parties hereto executed in the same manner as this letter agreement.

20. The Merger Agreement and this letter agreement (including the documents and instruments referred to herein) constitute the entire agreement among the parties hereto with respect to the subject matter hereof, and supersede all other prior agreements and understandings, both written and oral, between the parties, with respect to the subject matter hereof.

21. In the event that any provision of this letter agreement, or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this letter agreement will continue in full force and effect and the application of such provision to other persons or circumstances will be interpreted so as reasonably to effect the intent of the parties hereto. The parties further agree to replace such void or unenforceable provision of this letter agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision.

Please confirm that the foregoing correctly states the understanding between the undersigned and you by signing and returning to a counterpart hereof.

Very truly yours,

EXECUTION VERSION

Ladies and Gentlemen:

As a holder of CapitalSource Common Stock (as defined below), the undersigned (the "*Stockholder*") understands that CapitalSource Inc., a Delaware corporation ("*CapitalSource*"), and PacWest Bancorp, a Delaware corporation ("*PacWest*"), propose to enter into an Agreement and Plan of Merger, dated as of July 22, 2013 (as it may be from time to time amended, the "*Merger Agreement*"), providing for, among other things, a merger of CapitalSource with and into PacWest (the "*Merger*"), in which each of the issued and outstanding shares of common stock, par value \$0.01 per share, of CapitalSource (the "*CapitalSource Common Stock*") (other than Excluded Shares) will be converted into the right to receive the Merger Consideration. Terms used without definition in this letter agreement shall have the meanings ascribed thereto in the Merger Agreement.

The Stockholder acknowledges that, as an inducement for PacWest to enter into the Merger Agreement, PacWest has required that the Stockholder enter into this letter agreement and the Stockholder is willing to enter into this letter agreement.

The Stockholder confirms his or her agreement with PacWest, and PacWest confirms its agreement with the Stockholder, as follows:

1. As used in this letter agreement, "*Shares*" means the shares of CapitalSource Common Stock which the Stockholder owns of record or beneficially (for the avoidance of doubt, excluding (i) any shares underlying options exercisable for shares of CapitalSource Common Stock and (ii) any shares held solely by any of the Stockholder's family members, whether or not such shares are included as beneficially owned by the Stockholder in CapitalSource's most recent annual proxy statement) as of the date of this letter agreement. The Shares are free and clear of all encumbrances, voting arrangements and commitments of every kind, except as would not restrict the performance of the Stockholder's obligations under this Agreement. The Stockholder represents and warrants that the Stockholder has the sole or shared power to vote or direct the vote of all Shares.
2. Subject to paragraph 17 of this letter agreement, at every meeting of the stockholders of CapitalSource called, and at every postponement, recess or adjournment thereof, and on every action or approval by written consent of the stockholders of CapitalSource, the Stockholder agrees to vote, or cause to be voted, the Shares (a) in favor of (i) adoption of the Merger Agreement and (ii) any other matter that is required to be approved by the stockholders of CapitalSource to facilitate the transactions contemplated by the Merger Agreement, (b) against (i) any proposal made in opposition to adoption of the Merger Agreement or in competition with the Merger, (ii) any Acquisition Proposal and (iii) to the extent that any of the following actions requires a stockholder vote pursuant to applicable Law or any applicable stock exchange rules, any proposal, transaction, agreement, amendment of CapitalSource's certificate of incorporation or by-laws or other action that is intended to or could reasonably be expected to prevent, impede, interfere with, delay, postpone or discourage consummation of the Merger and (c) as directed by PacWest with respect to any postponement, recess, adjournment or other procedural matter at any meeting of the stockholders of CapitalSource relating to any of the matters set forth in the foregoing clauses (a) or (b). Any such vote shall be cast (or consent shall be given) by the Stockholder in

accordance with such procedures relating thereto so as to ensure that it is duly counted, including for purposes of determining that a quorum is present and for purposes of recording the results of such vote (or consent). The Stockholder hereby irrevocably and unconditionally waives, and agrees not to exercise, any rights of appraisal, any dissenters' rights and any similar rights relating to the Merger that the Stockholder may directly or indirectly have by virtue of the ownership of any Shares if the Effective Time occurs.

3. The Stockholder hereby revokes any and all previous proxies granted with respect to the Shares. By entering into this letter agreement, subject to the last sentence of this paragraph 3, the Stockholder hereby grants, or agrees to cause the applicable record holder to grant, a revocable proxy appointing PacWest, Matthew P. Wagner, Victor Santoro and Jared M. Wolff, and each of them, but each with full power of substitution, as the Stockholder's attorney-in-fact and proxy, for and in the Stockholder's name, to be counted as present, vote, express consent or dissent with respect to the Shares in the manner contemplated by paragraph 2 as such proxies or their proxies or substitutes shall, in their sole discretion, deem proper with respect to the Shares. The proxy granted by the Stockholder pursuant to this paragraph 3 is granted in consideration of PacWest entering into this letter agreement and the Merger Agreement and incurring the obligations therein. If the Stockholder fails for any reason to be counted as present, consent or vote the Shares in accordance with the requirements of paragraph 2 (or anticipatorily breaches such paragraph), then PacWest shall have the right to cause to be present, consent or vote the Shares in accordance with the provisions of paragraph 2. The proxy granted by the Stockholder shall be automatically revoked upon termination of this letter agreement in accordance with its terms.

4. The Stockholder represents and warrants (a) that the Stockholder has duly executed and delivered this letter agreement and has all authority and full legal capacity to enter into this letter agreement; and (b) that, assuming the due authorization, execution and delivery of this letter agreement by PacWest, this letter agreement is the Stockholder's legal, valid and binding agreement and is enforceable against the Stockholder in accordance with its terms, except to the extent that enforceability may be limited by applicable bankruptcy, insolvency, moratorium or other similar laws affecting the enforcement of creditors' rights generally and subject to the general principles of equity.

5. The Stockholder further represents and warrants that the execution and delivery of this letter agreement by the Stockholder does not, and the performance of his or her obligations under this letter agreement and the consummation of the transactions to be consummated by him or her as contemplated hereby will not, (a) conflict with or violate any Law applicable to the Stockholder or by which the Shares are bound or affected, (b) result in any breach of or violation of, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of an encumbrance on any of the Shares pursuant to, any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which the Stockholder is a party or by which the Stockholder or the Shares are bound or affected, or (c) require any consent, approval, authorization or permit of, or filing with or notification to, any court or arbitrator or any governmental entity, agency or official except for (i) applicable requirements, if any, of the Securities Exchange Act of 1934, as amended, and (ii) where the failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not to his or her knowledge prevent, impair, delay or adversely affect the performance by the Stockholder of his or her obligations under this letter agreement.

6. The Stockholder agrees that all representations, terms and conditions of this letter agreement will apply to shares of CapitalSource Common Stock of which the Stockholder acquires record or beneficial ownership after the date hereof and prior to the termination of this letter agreement, whether upon the exercise of options, warrants or rights, the conversion or exchange of

convertible or exchangeable securities, or by means of purchase, dividend, distribution, split-up, recapitalization, combination, exchange of shares or the like, gift, bequest, inheritance, or as a successor in interest in any capacity or otherwise.

8. The Stockholder is entering into this letter agreement solely in his or her capacity as a record or beneficial owner of the Shares and nothing herein is intended to or shall limit or affect any actions taken by the Stockholder, solely in his or her capacity as a director or officer of CapitalSource (or a Subsidiary of CapitalSource).

9. The Stockholder hereby authorizes PacWest and CapitalSource to publish and disclose in any announcement or disclosure in connection with the Merger the Stockholder's identity and ownership of the Shares and the nature of the Stockholder's obligations under this letter agreement.

10. The Stockholder agrees that, prior to the termination of this letter agreement, the Stockholder shall not take any action that would make any representation or warranty of the Stockholder contained herein untrue or incorrect or have the effect of preventing, impairing, delaying or adversely affecting the performance by the Stockholder of his or her obligations under this letter agreement other than to a de minimis extent. The parties hereby consent to and grant any such court jurisdiction over the person of such parties and over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in paragraph 13 or in such other manner as may be permitted by Law shall be valid and sufficient service thereof.

Members of the Board:

We understand that PacWest Bancorp ("PacWest") and CapitalSource, Inc. ("CapitalSource") propose to enter into an Agreement and Plan of Merger (the "Merger Agreement"), pursuant to which CapitalSource will merge with and into PacWest (the "Merger") in a transaction in which each outstanding share of common stock, par value \$0.01 per share, of CapitalSource (the "CapitalSource Common Stock"), other than shares held by PacWest or any other direct or indirect wholly-owned subsidiary of PacWest or by CapitalSource or any other direct or indirect wholly-owned subsidiary of CapitalSource, all of which shares will be canceled, and other than shares as to which dissenters rights have been properly exercised, will be converted into the right to receive \$2.47 in cash (the "Cash Consideration") and 0.2837 of a share of common stock of PacWest (the "PacWest Common Stock")(the "PacWest Stock Consideration," and together with the Cash Consideration, the "Merger Consideration"). The terms and conditions of the Merger are more fully set forth in the Merger Agreement.

You have asked for our opinion as to whether the Merger Consideration to be paid by PacWest pursuant to the Merger Agreement is fair, from a financial point of view, to PacWest.

In arriving at our opinion, we have, among other things:

- i. reviewed a draft dated July 19, 2013 of the Merger Agreement;
- ii. reviewed certain publicly available financial and other information about PacWest and CapitalSource;

In our review and analysis and in rendering this opinion, we have assumed and relied upon, but have not assumed any responsibility to independently investigate or verify, the accuracy and completeness of all financial and other information that was supplied or otherwise made available by PacWest or CapitalSource or that was publicly available to us (including, without limitation, the information described above), or that was otherwise reviewed by us. We have relied on assurances of the managements of PacWest and CapitalSource, respectively, that they are not aware of any facts or circumstances that would make such information inaccurate or misleading. In our review, we did not obtain any independent evaluation or appraisal of any of the assets or liabilities of, nor did we conduct a physical inspection of any of the properties or facilities of, PacWest, nor have we been furnished with any such evaluations or appraisals of such physical inspections, nor do we assume any responsibility to obtain any such evaluations or appraisals.

With respect to the financial forecasts provided to and, at your direction, examined by us, we note that projecting future results of any company is inherently subject to uncertainty. We have assumed, that such financial forecasts were reasonably prepared on bases reflecting the best currently available estimates. We express no opinion as to these financial forecasts or the assumptions on which they are made.

Our opinion is based on economic, monetary, regulatory, market and other conditions existing and which can be evaluated as of the date hereof. We expressly disclaim any undertaking or obligation to advise any person of any change in any fact or matter affecting our opinion of which we become aware after the date hereof.

We have made no independent investigation of any legal or accounting matters affecting PacWest, and we have assumed the correctness in all respects material to our analysis of all legal and accounting advice given to PacWest and its Board of Directors, including, without limitation, advice as to the legal, accounting and tax consequences of the terms of, and transactions contemplated by, the Merger Agreement to PacWest and its stockholders. In addition, in preparing this opinion, we have not taken into account any tax consequences of the transaction to any holder of CapitalSource Common Stock. You have advised us that the Merger will qualify as a tax-free reorganization for federal income tax purposes. We have assumed that the final form of the Merger Agreement will be substantially similar to the last draft reviewed by us in all respects material to our opinion. We have also assumed that in the course of obtaining the necessary regulatory or third party approvals, consents and releases for the Merger, no delay, limitation, restriction or condition will be imposed that would have an adverse effect on PacWest, CapitalSource or the contemplated benefits of the Merger in any respect material to our opinion.

It is understood that our opinion is for the use and benefit of the Board of Directors of PacWest in its consideration of the Merger, and our opinion does not address the relative merits of the transactions contemplated by the Merger Agreement as compared to any alternative transaction or opportunity that might be available to PacWest, nor does it address the underlying business decision by PacWest to engage in the Merger. Our opinion does not constitute a recommendation as to how any holder of shares of PacWest Common Stock or CapitalSource Common Stock should vote on the Merger or any matter related thereto. In addition, you have not asked us to address, and this opinion does not address, the fairness to, or any other consideration of, the holders of any class of securities, creditors or other constituencies of PacWest. We express no opinion as to the price at which shares of CapitalSource Common Stock will trade at any time. Furthermore, we do not express any view or opinion as to the fairness, financial or otherwise, of the amount or nature of any compensation payable

or to be received by any of CapitalSource's officers, directors or employees, or any class of such persons, in connection with the Merger relative to the Merger Consideration to be received by holders of shares of CapitalSource Common Stock. Our opinion has been authorized by the Fairness Committee of Jefferies LLC.

We have been engaged by PacWest to act as financial advisor to PacWest in connection with the Merger and will receive a fee for our services, a portion of which is payable upon delivery of this opinion and a significant portion of which is payable contingent upon consummation of the Merger. We also will be reimbursed for certain expenses reasonably incurred. PacWest has agreed to indemnify us against certain liabilities arising out of or in connection with the services rendered and to be rendered by us under such engagement. We have not, in the past two years, provided financial advisory and financing services to PacWest or CapitalSource. We maintain a market in the securities of PacWest and CapitalSource, and in the ordinary course of our business, we and our affiliates may trade or hold securities of PacWest or CapitalSource and/or their respective affiliates for our own account and for the accounts of our customers and, accordingly, may at any time hold long or short positions in those securities. In addition, we may seek to, in the future, provide financial advisory and financing services to PacWest, CapitalSource or entities that are affiliated with PacWest or CapitalSource, for which we would expect to receive compensation. Except as otherwise expressly provided in our engagement letter with PacWest, our opinion may not be used or referred to by PacWest, or quoted or disclosed to any person in any matter, without our prior written consent.

Based upon and subject to the foregoing, we are of the opinion that, as of the date hereof, the Consideration to be paid by PacWest pursuant to the Merger Agreement is fair, from a financial point of view, to PacWest.

Appendix G Opinion of J.P. Morgan Securities LLC

July 22, 2013

The Board of Directors
CapitalSource, Inc.
633 West 5th Street, 33rd Floor
Los Angeles, CA 90071

Members of the Board of Directors:

You have requested our opinion as to the fairness, from a financial point of view, to the holders of common stock, par value \$0.01 per share (the "Company Common Stock"), of CapitalSource, Inc. (the "Company") of the consideration to be paid to such holders in the proposed merger (the "Transaction") of the Company with PacWest Bancorp (the "Acquiror"). Pursuant to the Agreement and Plan of Merger, dated as of July 22, 2013 (the "Agreement") between the Company and the Acquiror, the Company will merge with and into the Acquiror with the Acquiror continuing as the surviving corporation in the merger, and each outstanding share of Company Common Stock issued and outstanding immediately prior to the effective time of the merger, other than shares of Company Common Stock held in treasury or owned by the Acquiror, its wholly-owned subsidiaries or any wholly-owned subsidiary of the Company (in each case other than in a fiduciary capacity or as a result of debts previously contracted), and other than Dissenting Shares (as defined in the Agreement) and CapitalSource Restricted Shares (as defined in the Agreement), will be converted into the right to receive consideration per share equal to \$2.47 in cash (the "Cash Consideration") and 0.2837 of a share (the "Stock Consideration", and, together with the Cash Consideration, the "Consideration") of the Acquiror's common stock, par value \$0.01 per share (the "Acquiror Common Stock").

In connection with preparing our opinion, we have (i) reviewed the Agreement; (ii) reviewed certain publicly available business and financial information concerning the Company and the Acquiror and the industries in which they operate; (iii) compared the financial and operating performance of the Company and the Acquiror with publicly available information concerning certain other companies we deemed relevant and reviewed the current and historical market prices of the Company Common Stock and the Acquiror Common Stock and certain publicly traded securities of such other companies; (iv) reviewed Institutional Brokers' Estimate System consensus estimates relating to each of the Company and the Acquiror; (v) reviewed certain internal financial analyses and forecasts prepared by the management of the Company, in the case of analyses and forecasts relating to the business of the Company, and by the management of the Acquiror and at the direction of management of the Company, in the case of analyses and forecasts relating to the business of the Acquiror; (vi) reviewed the estimated amount and timing of the cost savings and related expenses and synergies expected to result from the Transaction (the "Synergies") as prepared by management of the Acquiror; and (vii) performed such other financial studies and analyses and considered such other information as we deemed appropriate for the purposes of this opinion.

In addition, we have held discussions with certain members of the management of the Company and the Acquiror with respect to certain aspects of the Transaction, and the past and current business operations of the Company and the Acquiror, the financial condition and future prospects and operations of the Company and the Acquiror, the effects of the Transaction on the financial condition and future prospects of the Company and the Acquiror, and certain other matters we believed necessary or appropriate to our inquiry.

In giving our opinion, we have relied upon and assumed the accuracy and completeness of all information that was publicly available or was furnished to or discussed with us by the Company and

the Acquiror or otherwise reviewed by or for us, and we have not independently verified (nor have we assumed responsibility or liability for independently verifying) any such information or its accuracy or completeness. We have not conducted or been provided with any valuation or appraisal of any assets or liabilities of the Company or the Acquiror, nor have we conducted any review of individual credit files of the Company or the Acquiror or evaluated the solvency of the Company or the Acquiror under any state or federal laws relating to bankruptcy, insolvency or similar matters. We are not experts in the evaluation of loan and lease portfolios or assessing the adequacy of the allowances for losses with respect thereto and, accordingly, we did not make an independent evaluation of the adequacy of the allowance for loan and lease losses of the Company or the Acquiror and we have assumed, with your consent, that the respective allowances for loan and lease losses for both the Company and the Acquiror, respectively, are adequate to cover such losses and will be adequate on a pro forma basis for the combined entity. In relying on financial analyses and forecasts provided to us or derived therefrom, including the Synergies, we have assumed that they have been reasonably prepared based on assumptions reflecting the best currently available estimates and judgments by management as to the expected future results of operations and financial condition of the Company and the Acquiror to which such analyses or forecasts relate. We express no view as to such analyses or forecasts (including the Synergies) or the assumptions on which they were based. We have also assumed that the Transaction and the other transactions contemplated by the Agreement will qualify as a tax-free reorganization for United States federal income tax purposes and will be consummated as described in the Agreement. We have also assumed that the representations and warranties made by the Company and the Acquiror in the Agreement and the related agreements are and will be true and correct in all respects material to our analysis. We are not legal, regulatory or tax experts and have relied on the assessments made by advisors to the Company with respect to such issues. We have further assumed that all material governmental, regulatory or other consents and approvals necessary for the consummation of the Transaction will be obtained without any adverse effect on the Company or the Acquiror or on the contemplated benefits of the Transaction, in each case in any respect material to our analysis.

Our opinion is necessarily based on economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. It should be understood that subsequent developments may affect this opinion and that we do not have any obligation to update, revise, or reaffirm this opinion. Our opinion is limited to the fairness, from a financial point of view, of the Consideration to be paid to the holders of the Company Common Stock in the proposed Transaction and we express no opinion as to the fairness of any consideration paid in connection with the Transaction to the holders of any other class of securities, creditors or other constituencies of the Company or as to the underlying decision by the Company to engage in the Transaction. Furthermore, we express no opinion with respect to the amount or nature of any compensation to any officers, directors, or employees of any party to the Transaction, or any class of such persons relative to the Consideration to be paid to the holders of the Company Common Stock in the Transaction or with respect to the fairness of any such compensation. We are expressing no opinion herein as to the price at which the Company Common Stock or the Acquiror Common Stock will trade at any future time.

We note that we were not authorized to and did not solicit any expressions of interest from any other parties with respect to the sale of all or any part of the Company or any other alternative transaction.

We have acted as financial advisor to the Company with respect to the proposed Transaction and will receive a fee from the Company for our services, a substantial portion of which will become payable only if the proposed Transaction is consummated. In addition, the Company has agreed to indemnify us for certain liabilities arising out of our engagement. Please be advised that during the two years preceding the date of this letter, neither we nor our affiliates have had any other material financial advisory or other material commercial or investment banking relationships with the Company

or the Acquiror. In the ordinary course of our businesses, we and our affiliates may actively trade the debt and equity securities of the Company or the Acquiror for our own account or for the accounts of customers and, accordingly, we may at any time hold long or short positions in such securities.

On the basis of and subject to the foregoing, it is our opinion as of the date hereof that the Consideration to be paid to the holders of the Company Common Stock in the proposed Transaction is fair, from a financial point of view, to such holders.

The issuance of this opinion has been approved by a fairness opinion committee of J.P. Morgan Securities LLC. This letter is provided to the Board of Directors of the Company (in its capacity as such) in connection with and for the purposes of its evaluation of the Transaction. This opinion does not constitute a recommendation to any shareholder of the Company as to how such shareholder should vote with respect to the Transaction or any other matter. This opinion may not be disclosed, referred to, or communicated (in whole or in part) to any third party for any purpose whatsoever except with our prior written approval. This opinion may be reproduced in full in any proxy or information statement mailed to shareholders of the Company but may not otherwise be disclosed publicly in any manner without our prior written approval.

Very truly yours,

SECTION 262 OF THE GENERAL CORPORATION LAW OF THE STATE OF DELAWARE

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in 1 or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title and, subject to paragraph (b)(3) of this subsection, § 251(h) of this title), § 252, § 254, § 255, § 256, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that, no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of the meeting of stockholders to act upon the agreement of merger or consolidation, were either: (i) listed on a national securities exchange or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in § 251(f) of this title.

(2) Notwithstanding paragraph (b)(1) of this section, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 255, 256, 257, 258, 263 and 264 of this title to accept for such stock anything except:

a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;

b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or held of record by more than 2,000 holders;

c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a. and b. of this section; or

d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a., b. and c. of this section.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 251(h), § 253 or § 267 of this title is not owned by the parent immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

Table of Contents

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for notice of such meeting (or such members who received notice in accordance with § 255(c) of this title) with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) of this section that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228, § 251(h), § 253, or § 267 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice or, in the case of a merger approved pursuant to § 251(h) of this title, within the later of the consummation of the tender or exchange offer contemplated by § 251(h) of this title and 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice or, in the case of a

Table of Contents

merger approved pursuant to § 251(h) of this title, later than the later of the consummation of the tender or exchange offer contemplated by § 251(h) of this title and 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) of this section hereof and who is otherwise entitled to appraisal rights, may commence an appraisal proceeding by filing a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) of this section hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) of this section hereof, whichever is later. Notwithstanding subsection (a) of this section, a person who is the beneficial owner of shares of such stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the corporation the statement described in this subsection.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by

Table of Contents

certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After the Court determines the stockholders entitled to an appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Court of Chancery, including any rules specifically governing appraisal proceedings. Through such proceeding the Court shall determine the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. Unless the Court in its discretion determines otherwise for good cause shown, interest from the effective date of the merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the merger and the date of payment of the judgment. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, proceed to trial upon the appraisal prior to the final determination of the stockholders entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just; provided, however that this provision shall not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the

Table of Contents

merger or consolidation within 60 days after the effective date of the merger or consolidation, as set forth in subsection (e) of this section.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.

3. *Administration of the Plan.*

(a) Except as otherwise provided for below, the Plan shall be administered by (i) the Board or (ii) a Committee, which Committee shall be constituted to satisfy applicable laws.

(i) *Section 162(m).* To the extent that the Administrator determines that it is desirable to qualify Awards as "performance-based compensation" within the meaning of Section 162(m) of the Code, the Plan shall be administered by a Committee comprised solely of two or more "outside directors" within the meaning of Section 162(m) of the Code.

(ix) to delegate to others responsibilities to assist in administering the Plan;

(x) to construe and interpret the terms of the Plan, Option Agreements, Stock Award Agreements, SAR Agreements and any other documents related to the Awards;

Table of Contents

In the event that Shares issued under the Plan are reacquired by the Company at their original purchase price, such Shares shall again be available for the purposes of the Plan, except that the aggregate number of Shares which may be issued upon the exercise of Incentive Stock Options shall in no event exceed 9 million Shares, subject to the adjustments provided for in Section 11 of the Plan.

5. *Eligibility.* The persons eligible to participate in the Plan shall be limited to Employees, Non-Employee Directors, and Consultants who have the potential to impact the long-term success of the Company and/or its Affiliates and who have been selected by the Administrator to participate in the Plan.

Each Option Agreement evidencing an Incentive Stock Option shall, in addition, be subject to Section 7 below.

(a) *Exercise Price.*

(i) The Exercise Price of an Option shall be determined by the Administrator but shall not be less than 100% of the Fair Market Value of a Share on the Date of Grant of such Option.

(ii) Notwithstanding the foregoing, where the outstanding shares of stock of another corporation are changed into or exchanged for shares of Common Stock without monetary consideration to that other corporation, then, subject to the approval of the Board, Options may be granted in exchange for unexercised, unexpired stock options of the other corporation and the exercise price of the Optioned Shares subject to each Option so granted may be fixed at a price less than 100% of the Fair Market Value of the Common Stock at the time such Option is granted if said exercise price has been computed to be not less than the exercise price set forth in the stock option of the other corporation, with appropriate adjustment to reflect the exchange ratio of the shares of stock of the other corporation into the shares of Common Stock of the Company.

(iii) The consideration to be paid for the Shares to be issued upon exercise of an Option, including the method of payment, shall be determined by the Administrator and may consist entirely of (A) cash, (B) check, (C) Mature Shares, (D) Qualified Note, or (e) any combination of the foregoing methods of payment. The Administrator may also permit Optionees, either on a selective or aggregate basis, to simultaneously exercise Options and sell the shares of Common Stock thereby acquired, pursuant to a brokerage or similar arrangement, approved in advance by the Administrator, and use the proceeds from such sale as payment of part or all of the exercise price of such shares. Notwithstanding the foregoing, a method of payment may not be used if it causes the Company to: (i) recognize compensation expense for financial reporting purposes; (ii) violate Section 402 of the Sarbanes-Oxley Act of 2002 or any regulations adopted pursuant thereto; or (iii) violate Regulation O, promulgated by the Board of Governors of the Federal Reserve System, as determined by the Administrator in its sole discretion.

Non-Employee Director, or a Consultant, an Option or Shares purchased thereunder shall vest at a rate of at least 20% per year. An Option may not be exercised for a fraction of a Share. Notwithstanding anything herein to the contrary, upon the occurrence of a Vesting Event, all Options that are outstanding on the date of the Vesting Event shall become exercisable on such date (whether or not previously vested).

(c) *Term of Options.* No Option shall have a term in excess of 10 years measured from the Date of Grant of such Option.

(d) *Procedure for Exercise.* An Option shall be deemed to be exercised when written notice of such exercise has been given to the Administrator in accordance with the terms of the Option Agreement by the person entitled to exercise the Option and full payment of the applicable Exercise Price for the Share being exercised has been received by the Administrator. Full payment may, as authorized by the Administrator, consist of any consideration and method of payment allowable under Subsection (a)(iii) above. In the event of a cashless exercise, the broker shall not be deemed to be an agent of the Administrator.

(e) *Effect of Termination of Service.*

(i) *Termination of Service.* Upon termination of an Optionee's Service, other than due to death, Disability, or Cause, the Optionee may exercise his/her Option, but only on or prior to the date that is three months following the Optionee's Termination Date, and only to the extent that the Optionee was entitled to exercise such Option on the Termination Date (but in no event later than the expiration of the term of such Option, as set forth in the Notice of Stock Option Grant to the Option Agreement). If, on the Termination Date, the Optionee is not entitled to exercise the Optionee's entire Option, the Shares covered by the unexercisable portion of the Option shall revert to the Plan. If, after termination of Service, the Optionee does not exercise his/her Option within the time specified herein, the Option shall terminate, and the Optioned Stock shall revert to the Plan.

(ii) *Disability of Optionee.* In the event of termination of an Optionee's Service due to his/her Disability, the Optionee may exercise his/her Option, but only on or prior to the date that is twelve months following the Termination Date, and only to the extent that the Optionee was entitled to exercise such Option on the Termination Date (but in no event later than the expiration date of the term of his/her Option, as set forth in the Notice of Stock Option Grant to the Option Agreement). To the extent the Optionee is not entitled to exercise the Option on the Termination Date, or if the Optionee does not exercise the Option to the extent so entitled within the time specified herein, the Option shall terminate, and the Optioned Stock shall revert to the Plan.

(iii) *Death of Optionee.* In the event that an Optionee should die while in Service, the Optionee's Option may be exercised by the Optionee's estate or by a person who has acquired the right to exercise the Option by bequest or inheritance, but only on or prior to the date that is twelve months following the date of death, and only to the extent that the Optionee was entitled to exercise the Option at the date of death (but in no event later than the expiration date of the term of his/her Option, as set forth in the Notice of Stock Option Grant to the Option Agreement). If, at the time of death, the Optionee was not entitled to exercise his/her entire Option, the Shares covered by the unexercisable portion of the Option shall immediately revert to the Plan. If after death, the Optionee's estate or a person who acquires the right to exercise the Option by bequest or inheritance does not exercise the Option within the time specified herein, the Option shall terminate, and the Optioned Stock shall revert to the Plan.

Table of Contents

(iv) *Cause*. In the event of termination of an Optionee's Service due to Cause, the Optionee's Options shall terminate on the Termination Date.

(v) To the extent that the Company does not violate Section 409A of the Code or any regulations adopted, Section 402 of the Sarbanes-Oxley Act of 2002 or any regulations adopted pursuant thereto or Regulation O, promulgated by the Board of Governors of the Federal Reserve System (as determined by the Administrator in its sole discretion), the Administrator shall have complete discretion, exercisable either at the time an Option or SAR is granted or at any time while the Option or SAR remains outstanding, to:

(A) extent the period of time for which the Option or SAR is to remain exercisable following the Optionee's cessation of Service from the limited exercise period otherwise in effect for that Option or SAR to such greater period of time as the Administrator shall deem appropriate, but in no event beyond the expiration of the Option or SAR term; and/or

(B) permit the Option or SAR to be exercised, during the applicable post-Service exercise period, not only with respect to the number of vested Shares for which such Option or SAR is exercisable at the time of the Optionee's cessation of Service but also with respect to one or more additional installments in which the Optionee would have vested had the Optionee continued in Service.

(f) *Stockholder Rights*. Until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the stock certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Optioned Stock, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such certificate promptly upon exercise of the Option. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued, except as provided in Section 11 below.

(g) *Non-transferability of Options*. Options may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent and distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee. Notwithstanding the immediately preceding sentence, the Administrator may permit an Optionee to transfer any Award which is not an Incentive Stock Option to one or more of the Optionee's immediate family members or to trusts established in whole or in part for the benefit of the Optionee and/or one or more of such immediate family members. For purposes of the Plan, (i) the term "*immediate family*" shall mean the Optionee's spouse and issue (including adopted and step children) and (ii) the phrase "*immediate family members or to trusts established in whole or in part for the benefit of the Optionee and/or one or more of such immediate family members*" shall be further limited, if necessary, so that neither the transfer of an Award other than an Incentive Stock Option to such immediate family member or trust, nor the ability of a Optionee to make such a transfer shall have adverse consequences to the Company or the Optionee by reason of Section 162(m) of the Code.

7. *Incentive Stock Options*. The terms specified below shall be applicable to all Incentive Stock Options, and these terms shall, as to such Incentive Stock Options, supercede any conflicting terms in Section 6 above. Options which are specifically designated as Non-Statutory Stock Options when issued under the Plan shall *not* be subject to the terms of this Section.

(a) *Eligibility*. Incentive Stock Options may only be granted to Employees.

(b) *Exercise Price*. The Exercise Price of an Incentive Stock Option shall not be less than 100% of the Fair Market Value of a Share on the Date of Grant of such Option, except as otherwise provided for in Subsection (d) below.

Table of Contents

(c) *Dollar Limitation.* In the case of an Incentive Stock Option, the aggregate Fair Market Value of the Optioned Stock (determined as of the Date of Grant of each Option) with respect to Options granted to any Employee under the Plan (or any other option plan of the Company or any Affiliate) that may for the first time become exercisable as Incentive Stock Options during any one calendar year shall not exceed the sum of \$100,000. To the extent the Employee holds two or more such Options which become exercisable for the first time in the same calendar year, the foregoing limitation on the exercisability of such Options as Incentive Stock Options shall be applied on the basis of the order in which such Options are granted. Any Options in excess of such limitation shall automatically be treated as Non-Statutory Stock Options.

(d) *10% Stockholder.* If any Employee to whom an Incentive Stock Option is granted is a 10% Stockholder, then the Exercise Price shall not be less than 110% of the Fair Market Value of a Share on the Date of Grant of such Option, and the Option term shall not exceed five years measured from the Date of Grant of such Option.

(e) *Change in Status.* In the event of an Optionee's change of status from Employee to Consultant or to Non-Employee Director, an Incentive Stock Option held by the Optionee shall cease to be treated as an Incentive Stock Option and shall be treated for tax purposes as a Non-Statutory Stock Option three months and one day following such change of status.

(f) *Approved Leave of Absence.* If an Optionee is on an approved leave of absence, and the Optionee's reemployment upon expiration of such leave is not guaranteed by statute or contract, including Company policies, then on the 91st day of such leave any Incentive Stock Option held by the Optionee shall cease to be treated as an Incentive Stock Option and shall be treated for tax purposes as a Non-Statutory Stock Option.

8. *Restricted Stock Award.* Each Restricted Stock Award shall be evidenced by a Stock Award Agreement, in the form approved by the Administrator and may contain such provisions as the Administrator deems appropriate; provided, however, such Stock Award Agreement shall comply with the terms specified below.

(a) *Risk of Forfeiture.*

(i) *General Rule.* Shares issued pursuant to a Restricted Stock Award shall initially be subject to a Risk of Forfeiture. The Risk of Forfeiture shall be set forth in the Stock Award Agreement, and shall comply with the terms specified below.

(ii) *Lapse of Risk of Forfeiture.* The Risk of Forfeiture shall lapse as the Grantee vests in the Granted Stock. The Grantee shall vest in the Granted Stock at such times and under such conditions as determined by the Administrator and set forth in the Stock Award Agreement. Notwithstanding the foregoing, upon the occurrence of a Vesting Event, the Grantee shall become 100% vested in those shares of Granted Stock that are outstanding on the date of the Vesting Event.

(iii) *Forfeiture of Granted Stock.* Except as otherwise determined by the Administrator in its discretion, the Granted Stock that is subject to a Risk of Forfeiture shall automatically be forfeited and immediately returned to the Company on the Grantee's Termination Date or the date on which the Administrator determines that any other conditions to the vesting of the Restricted Stock were not satisfied during the designated period of time.

(b) *Rights as a Stockholder.* Upon vesting of a Restricted Stock Award, the Grantee shall have the rights of a stockholder with respect to the voting of the vested shares of Granted Stock, subject to the conditions contained in the Stock Award Agreement.

(c) *Dividends.* The Stock Award Agreement may require or permit the immediate payment, waiver, deferral or investment of dividends paid on the Granted Stock.

Table of Contents

(d) *Non-transferability of Restricted Stock Award.* Except as otherwise provided for in Section 12 of the Plan, Restricted Stock Awards may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent and distribution and may be exercised, during the lifetime of the Grantee, only by the Grantee. Notwithstanding the immediately preceding sentence, the Administrator may permit a Grantee to transfer any Award which is not an Incentive Stock Option to one or more of the Grantee's immediate family members or to trusts established in whole or in part for the benefit of the Grantee and/or one or more of such immediate family members. For purposes of the Plan, (i) the term "*immediate family*" shall mean the Grantee's spouse and issue (including adopted and step children) and (ii) the phrase "immediate family members or to trusts established in whole or in part for the benefit of the Grantee and/or one or more of such immediate family members" shall be further limited, if necessary, so that neither the transfer of an Award other than an Incentive Stock Option to such immediate family member or trust, nor the ability of a Grantee to make such a transfer shall have adverse consequences to the Company or the Grantee by reason of Section 162(m) of the Code.

9. *Performance Stock Award.* Each Performance Stock Award shall be evidenced by a Stock Award Agreement, in the form approved by the Administrator, and may contain such provisions as the Administrator deems appropriate; provided, however, such Stock Award Agreement shall comply with the terms specified below.

(a) *Risk of Forfeiture.*

(i) *General Rule.* Shares issued pursuant to a Performance Stock Award shall initially be subject to a Risk of Forfeiture. The Risk of Forfeiture shall be set forth in the Stock Award Agreement, and shall comply with the terms specified below.

(ii) *Lapse of Risk of Forfeiture.* The Risk of Forfeiture shall lapse as the Grantee vests in the Granted Stock. The Grantee shall vest in or accelerate vesting in the Granted Stock, in whole or in part, if certain goals established by the Administrator are achieved over a designated period of time, but not in any event more than 10 years. At the discretion of the Administrator, the goals may be based upon the attainment of one or more of the following business criteria (determined either in absolute terms or relative to the performance of one or more similarly situated companies or a published index covering the performance of a number of companies): net income; return on average assets ("ROA"); cash ROA; cash ROA; return on average equity ("ROE"); cash ROE; earnings per share ("EPS"); cash EPS; stock price; and efficiency ratio. Performance goals may be established on a Company-wide basis or with respect to one or more business units or divisions. When establishing performance goals, the Administrator may exclude any or all "extraordinary items" as determined under U.S. generally accepted accounting principles including, without limitation, the charges or costs associated with restructurings of the Company, discontinued operations, other unusual or non-recurring items, and the cumulative effects of accounting changes. The Administrator may also adjust the performance goals for any performance cycle as it deems equitable in recognition of unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles, or such other factors as the Administrator deems appropriate. Notwithstanding the foregoing, upon the occurrence of a Vesting Event, the Grantee shall become 100% vested in those shares of Granted Stock that are outstanding on the date of the Vesting Event.

(iii) *Forfeiture of Granted Stock.* The Granted Stock that is subject to a Risk of Forfeiture shall automatically be forfeited and immediately returned to the Company on the Grantee's Termination Date or the date on which the Administrator determines that any other

conditions to the vesting of the Performance Stock Award, including performance goals, were not satisfied during the designated period of time.

(b) *Rights as a Stockholder.* Upon vesting of a Performance Stock Award, the Grantee shall have the rights of a stockholder with respect to the voting of the vested shares of Granted Stock, subject to the conditions contained in the Stock Award Agreement.

(c) *Dividends.* The Stock Award Agreement may require or permit the immediate payment, waiver, deferral or investment of dividends paid on Granted Stock.

(d) *Non-transferability of Performance Stock Award.* Except as otherwise provided for in Section 12 of the Plan, Performance Stock Awards may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent and distribution and may be exercised, during the lifetime of the Grantee, only by the Grantee. Notwithstanding the immediately preceding sentence, the Administrator may permit a Grantee to transfer any Award which is not an Incentive Stock Option to one or more of the Grantee's immediate family members or to trusts established in whole or in part for the benefit of the Grantee and/or one or more of such immediate family members. For purposes of the Plan, (i) the term "*immediate family*" shall mean the Grantee's spouse and issue (including adopted and step children) and (ii) the phrase "immediate family members or to trusts established in whole or in part for the benefit of the Grantee and/or one or more of such immediate family members" shall be further limited, if necessary, so that neither the transfer of an Award other than an Incentive Stock Option to such immediate family member or trust, nor the ability of a Grantee to make such a transfer shall have adverse consequences to the Company or the Grantee by reason of Section 162(m) of the Code.

10. *Stock Appreciation Rights.* Each SAR shall be evidenced by a SAR Agreement, in the form approved by the Administrator and may contain such provisions as the Administrator deems appropriate; provided, however, that each SAR Agreement shall comply with the terms specified below. No person may be granted (in any calendar year) SARs that pertain to more than 250,000 Shares, subject to the adjustments provided for in Section 11 of the Plan.

(a) *Exercise Price.* The Exercise Price of a SAR shall be determined by the Administrator but shall not be less than 100% of the Fair Market Value of a Share on the Date of Grant of such SAR.

(b) *Vesting.* Any SAR granted hereunder shall be exercisable and shall vest at such times and under such conditions as determined by the Administrator and set forth in the SAR Agreement. Notwithstanding anything herein to the contrary, upon the occurrence of a Vesting Event, all SARs that are outstanding on the date of the Vesting Event shall become exercisable on such date (whether or not previously vested).

(c) *Term of SARs.* No SAR shall have a term in excess of 10 years measured from the Date of Grant of such SAR.

(d) *Non-transferability of SARs.* SARs may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent and distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee. Notwithstanding the immediately preceding sentence, the Administrator may permit an Optionee to transfer any Award which is not an Incentive Stock Option to one or more of the Optionee's immediate family members or to trusts established in whole or in part for the benefit of the Optionee and/or one or more of such immediate family members. For purposes of the Plan, (i) the term "*immediate family*" shall mean the Optionee's spouse and issue (including adopted and step children) and (ii) the phrase "immediate family members or to trusts established in whole or in part for the benefit of the Optionee and/or one or more of such immediate family members" shall

be further limited, if necessary, so that neither the transfer of an Award other than an Incentive Stock Option to such immediate family member or trust, nor the ability of a Optionee to make such a transfer shall have adverse consequences to the Company or the Optionee by reason of Section 162(m) of the Code.

(e) *Procedure for Exercise.* A SAR shall be deemed to be exercised when written notice of such exercise has been given to the Administrator in accordance with the terms of the SAR Agreement by the person entitled to exercise the SAR. Upon exercise of a SAR, the Optionee (or any person having the right to exercise the SAR after his or her death) shall receive an amount equal to the amount by which the Fair Market Value (on the date of surrender) of a Share exceeds the Exercise Price of such SAR. The Company shall pay this amount in the form of: (i) Common Stock; (ii) cash; or (iii) a combination of Common Stock and cash, as determined by the Administrator.

(f) *Effect of Termination of Service.*

(i) *Termination of Service.* Upon termination of an Optionee's Service, other than due to death, Disability, or Cause, the Optionee may exercise his/her SARs, but only on or prior to the date that is three months following the Optionee's Termination Date, and only to the extent that the Optionee was entitled to exercise such SARs on the Termination Date (but in no event later than the expiration of the term of such SAR, as set forth in the Notice of Stock Appreciation Rights Grant to the SAR Agreement). If, on the Termination Date, the Optionee is not entitled to exercise all of the Optionee's SARs, then the Shares that pertain to the unexercisable SARs shall revert to the Plan. If, after termination of Service, the Optionee does not exercise his/her SARs within the time specified herein, the SARs shall terminate, and the Shares that pertain to the SARs shall revert to the Plan.

(ii) *Disability of Optionee.* In the event of termination of an Optionee's Service due to his/her Disability, the Optionee may exercise his/her SARs, but only on or prior to the date that is twelve months following the Termination Date, and only to the extent that the Optionee was entitled to exercise such SARs on the Termination Date (but in no event later than the expiration date of the term of his/her SAR, as set forth in the Notice of Stock Appreciation Rights Grant to the SAR Agreement). To the extent the Optionee is not entitled to exercise the SARs on the Termination Date, or if the Optionee does not exercise the SARs to the extent so entitled within the time specified herein, the SARs shall terminate, and the Shares that pertain to the SARs shall revert to the Plan.

(iii) *Death of Optionee.* In the event that an Optionee should die while in Service, the Optionee's SARs may be exercised by the Optionee's estate or by a person who has acquired the right to exercise the SARs by bequest or inheritance, but only on or prior to the date that is twelve months following the date of death, and only to the extent that the Optionee was entitled to exercise the SARs at the date of death (but in no event later than the expiration date of the term of his/her SAR, as set forth in the Notice of Stock Appreciation Rights Grant to the SAR Agreement). If, at the time of death, the Optionee was not entitled to exercise all of his/her SARs, the Shares that pertain to the unexercisable SARs shall immediately revert to the Plan. If after death, the Optionee's estate or a person who acquires the right to exercise the SARs by bequest or inheritance does not exercise the SARs to the extent so entitled within the time specified herein, the SARs shall terminate, and the Shares that pertain to the SARs shall revert to the Plan.

(iv) *Cause.* In the event of termination of an Optionee's Service due to Cause, the Optionee's SARs shall terminate on the Termination Date.

11. *Adjustments Upon Changes in Capitalization.*

(a) *Changes in Capitalization.* The limitations set forth in Sections 4, 6, and 10 of the Plan, the number of Shares that pertain to each outstanding Award, and the Exercise Price of each Option and SAR shall be proportionately adjusted for any increase or decrease in the number of issued and outstanding Shares resulting from a stock split, reverse stock split, stock dividend, recapitalization, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued and outstanding Shares, effected without the receipt of consideration by the Company. Such adjustment shall be made by the Administrator, to the extent possible, so that the adjustment shall not result in an accounting consequence under APB 25 and FASB Interpretation No. 44, as amended, and so that the adjustment shall not result in any taxes to the Company or the Participant. The Administrator's determination with respect to the adjustment shall be final, binding, and conclusive.

(b) *Dissolution or Liquidation.* In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Participant as soon as practicable prior to the effective date of such proposed transaction. In such event, the Administrator, in its discretion, may provide for a Participant to fully vest in his/her Option and SAR, and the Right of Forfeiture to lapse on his/her Granted Stock. To the extent it has not been previously exercised, an Award will terminate upon termination or liquidation of the Company.

12. *Deferral of Stock Awards and SARs.* The Administrator, in its sole discretion, may permit a Grantee to defer his/her Stock Awards, and an Optionee to defer his/her SARs pursuant to the terms and conditions provided for in the PacWest Bancorp Directors Deferred Compensation Plan. Notwithstanding the foregoing, to the extent an Award is determined to constitute a "deferral of compensation" within the meaning of Section 409A, any such subsequent deferral shall be made in accordance with the terms of Code Section 409A(a)(4) and the regulations promulgated thereunder.

13. *Cancellation and Regrant of Awards.* The Administrator shall have the authority to effect, at any time and from time to time, with the consent of the affected Optionee, the cancellation of any or all outstanding Options or SARs and to grant in substitution new Options or SARs covering the same or a different number of Shares but with an Exercise Price per Share based on the Fair Market Value per Share on the new Date of Grant of the Option or SAR. The Administrator shall also have the authority to effect, at any time and from time to time, with the consent of the affected Grantee, the cancellation of any or all outstanding Stock Awards and to grant in substitution new Stock Awards covering the same or a different number of Shares. Notwithstanding the foregoing or anything in this Plan to the contrary, the Administrator may not take any action which would constitute a "repricing" of Options or other Awards without recommending that such repricing be subject to the approval of the Company's stockholders prior to effectiveness. For purposes of Section 4 hereof, Shares underlying any Award cancelled by the Company in such exchange shall be available for issuance under the Plan; furthermore, except with respect to a Participant subject to Section 162(m) of the Code, a grant of any Award to a Participant pursuant to such exchange shall be disregarded for purposes of determining whether such Participant has exceeded any limitations hereunder limiting the amount of any type of Award or aggregate amount of Awards that may be granted to a Participant (except to the extent the number of Shares underlying such Awards exceeds the number of Shares underlying the Participant's cancelled Awards).

14. *Share Escrow/Legends.* Unvested Shares issued under the Plan may, in the Administrator's discretion, be held in escrow by the Company until the Participant's interest in such Shares vests or may be issued directly to the Participant with restrictive legends on the certificates evidencing those unvested Shares.

15. *Tax Withholding.*

(a) For corporate purposes, the Company's obligation to deliver Shares upon the exercise of Options, deliver Shares or cash upon the exercise of SARs, or deliver Shares or remove any restrictive legends upon vesting of such Shares under the Plan shall be subject to the satisfaction of all applicable federal, state and local income and employment tax withholding requirements.

(b) To the extent permitted under Section 402 of the Sarbanes-Oxley Act of 2002 and the regulations adopted pursuant thereto, the Administrator may, in its discretion, provide any or all holders of Non-Statutory Stock Options or SARs, or unvested Shares under the Plan with the right to use previously vested Shares in satisfaction of all or part of the Taxes incurred by such holders in connection with the exercise of their Non-Statutory Stock Options or SARs, or the vesting of their Shares; provided, however, that this form of payment shall be limited to the withholding amount calculated using the minimum statutory rates. Such right may be provided to any such holder in either or both of the following formats:

(i) *Stock Withholding:* The election to have the Company withhold, from the Shares otherwise issuable upon the exercise of such Non-Statutory Stock Option or SAR, or the vesting of such Shares, a portion of those Shares with an aggregate Fair Market Value equal to the Taxes calculated using the minimum statutory withholding rates interpreted in accordance with APB 25 and FASB Interpretation No. 44.

(ii) *Stock Delivery:* The election to deliver to the Company, at the time the Non-Statutory Stock Option or SAR is exercised or the Shares vest, one or more Shares previously acquired by such holder (other than in connection with the Option or SAR exercise, or Share vesting triggering the Taxes) with an aggregate Fair Market Value equal to the Taxes calculated using the minimum statutory rates interpreted in accordance with APB 25 and FASB Interpretation No. 44.

16. *Effective Date and Term of the Plan.* The Plan, as an amendment and restatement of the 2003 Plan, was last approved by the Board on March 28, 2012 and shall become effective upon stockholder approval. Unless sooner terminated by the Administrator, the Plan shall continue until May 31, 2019. When the Plan terminates, no Awards shall be granted under the Plan thereafter. The termination of the Plan shall not affect any Shares previously issued or any Award previously granted under the Plan.

17. *Time of Granting Awards.* The Date of Grant of an Award shall, for all purposes, be the date on which the Administrator makes the determination to grant such Award, or such other date as determined by the Administrator; provided, however, that any Award granted prior to the date on which the Plan is approved by the Company's stockholders shall be subject to stockholder approval of the Plan. Notice of the determination shall be given to each Service Provider to whom an Award is so granted within a reasonable period of time after the date of such grant.

18. *Amendment and Termination of the Plan.*

(a) *Amendment and Termination.* The Board may at any time amend, alter, suspend, or discontinue the Plan, but no amendment, alteration, suspension, or discontinuation shall be made which would impair the rights of any Participant under any grant theretofore made without his/her consent. In addition, to the extent necessary and desirable to comply with Section 422 of the Code (or any other applicable law or regulation, including the requirements of any stock exchange or national market system upon which the Common Stock is then listed), the Company shall obtain stockholder approval of any Plan amendment in such a manner and to such a degree as required.

(b) *Effect of Amendment and Termination.* Any such amendment or termination of the Plan shall not affect Awards already granted, and such Awards shall remain in full force and effect as if

this Plan had not been amended or terminated, unless mutually agreed otherwise between the Participant and the Board, which agreement must be in writing and signed by the Participant and the Company.

19. *Regulatory Approvals.*

(a) The implementation of the Plan, the granting of any Awards and the issuance of any Shares upon the exercise of any granted Awards shall be subject to the Company's procurement of all approvals and permits required by regulatory authorities having jurisdiction over the Plan, the Awards granted under it, and the Shares issued pursuant to it.

(b) No Shares or other assets shall be issued or delivered under the Plan unless and until there shall have been compliance with all applicable requirements of federal and state securities laws, including the filing and effectiveness of the Form S-8 registration statement (if required) for the Shares issuable under the Plan, and all applicable listing requirements of any stock exchange (or the Nasdaq Stock Market, if applicable) on which the Common Stock is then listed for trading (if any).

20. *No Employment/Service Rights.* Nothing in the Plan shall confer upon the Participant any right to continue in Service for any period of specific duration or interfere with or otherwise restrict in any way the rights of the Company (or any Affiliate employing or retaining such person) or of the Participant, which rights are hereby expressly reserved by each, to terminate such person's Service at any time for any reason, with or without cause.

21. *Governing Law.* This Plan shall be governed by California law, applied without regard to conflict of laws principles.

22. *Code Section 409A.* Awards under this Plan are intended to be exempt from Section 409A of the Code. Notwithstanding foregoing, to the extent (x) an Award constitutes a "deferral of compensation" within the meaning of Section 409A of the Code, (y) the Grantee or Optionee is a "specified employee" as determined pursuant to Section 409A of the Code as of the date of his or her "separation from service" (within the meaning of Treasury Regulation 1.409A-1(h)), and (z) any such Award cannot be settled or paid without subjecting the Grantee or Optionee to "additional tax", interest or penalties under Section 409A of the Code, then any such settlement or payment that is payable during the first six months following the Grantee's or Optionee's "separation from service" shall be paid or provided to the Grantee or Optionee on the first business day of the seventh calendar month following the month in which his or her "separation from service" occurs or, if earlier, at his or her death. In addition, any settlement or payment of an Award that is subject to Section 409A of the Code upon a termination of Service that represents a "deferral of compensation" within the meaning of Section 409A of the Code shall only be settled or paid upon a "separation from service".
