ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

TRANSITION ARRANGEMENT WITH DAVID A. VAN VLIET

In connection with the resignation of David A. Van Vliet as President and Chief Operating Officer of the Company (as further described in Item 5.02 of this Form 8-K), Angelica Corporation (the "Company") and Mr. Van Vliet agreed upon a transition plan pursuant to which Mr. Van Vliet will be available for consultation by Company personnel for a period of 30 days after the September 30, 2006 effective date of his resignation. The Company has agreed to pay Mr. Van Vliet \$27,083.33 for such services, which is an amount equal to Mr. Vliet's monthly base salary and will be paid in two installments consistent with the Company's normal payroll cycle.

SETTLEMENT AGREEMENT WITH STEEL PARTNERS, L.L.C. AND STEEL PARTNERS II, L.P.

On August 30, 2006, the Company and Steel Partners L.L.C. and Steel Partners II, L.P. (collectively, "Steel") entered into a Settlement Agreement pursuant to which (i) the Company granted Steel representation on the Board of Directors of the Company, (ii) Steel agreed to restrict its actions with respect to transactions involving the Company or the Company's assets or stock, and (iii) the Company agreed to certain corporate governance changes, including amendments to certain provisions of the Company's bylaws.

Pursuant to the Settlement Agreement, two persons designated by Steel were immediately appointed to fill the vacancies on the Company's Board of Directors resulting from the resignation of one of the Company's Class II directors and one of the Company's Class III directors, such vacancies being effective as of August 30, 2006. The details associated with the resignation and appointment of directors, including agreements and understandings with respect to the Steel director designees, are further described in Item 5.02 of this Form 8-K. Steel has agreed to vote all of its shares of Company common stock for the election of Stephen M. O'Hara and Ronald J. Kruszewski, the Board's nominees, as Class I directors at the 2006 Annual Meeting of Shareholders.

Also as part of the Settlement Agreement, Steel agreed to withdraw its slate of nominees for director and its shareholder proposals that it had proposed for the 2006 Annual Meeting of Shareholders. In addition, Steel agreed that it will not and will cause each of its affiliates and associates (as defined under the Securities Exchange Act of 1934) not to take any of the following actions:

- o Effect, propose, assist, encourage or otherwise participate in:
 - o An acquisition of beneficial ownership of the Company's voting securities in excess of 19.99% of the then current outstanding voting securities of the Company;

Edgar Filing: ANGELICA CORP /NEW/ - Form 8-K

- o A tender or exchange offer except in response to a hostile tender or exchange offer commenced by a non-affiliated or non-associated third party;
 - o A merger, consolidation, share exchange, business combination, sale of assets, recapitalization, restructuring, liquidation, dissolution or other extraordinary transaction involving the Company, a material portion of its business or a substantial portion of its assets, unless the Company determines to conduct a sale process;
 - o A solicitation of proxies or any other participation in an election contest, except with respect to the election of directors at the 2007 Annual Meeting of Shareholders.
-
- o Except for nominating up to three individuals for election as director at the 2007 Annual Meeting of Shareholders, propose any matter for submission to shareholders provided that this provision is not intended to limit the Steel director designees' ability to act in their respective capacities as directors;
 - o Form or join a "group" (as the term is defined under the Securities Exchange Act of 1934) in connection with its Company voting securities;
 - o Except with respect to the director nominees for the 2007 Annual Meeting of Shareholders, give a proxy with respect to its Company voting securities;
 - o Deposit its Company voting securities in a voting trust or similar arrangement with respect to the voting of its Company voting securities;
 - o Except for nominating of and voting for Steel's director nominees for the 2007 Annual Meeting of Shareholders, take action that seeks to affect the control of the management or the Board of Directors provided that this provision is not intended to limit the Steel director designees' ability to act in their respective capacities as directors; and
 - o Call or seek to call a meeting of shareholders of the Company other than through participation of the Steel director designees as directors of the Company and with the prior approval of the disinterested directors of the Company.

In addition, pursuant to the Settlement Agreement, the Company amended its bylaws to provide for the "phased-in" declassification of the Board of Directors and to define the authority and responsibilities of the "lead independent director." Each of these bylaw amendments are further described in Item 5.03 of this Form 8-K. As part of the declassification plan, certain of the Company's current directors were assigned to different classes for the transition period, all as more fully discussed in Item 5.02 of this Form 8-K.

The Settlement Agreement also requires the Board of Directors to hold a Board meeting before August 30, 2007 to consider the separation of the roles of the Chairman and the Chief Executive Officer. The Company also agreed to

Edgar Filing: ANGELICA CORP /NEW/ - Form 8-K

disband the Special Committee which had been formed to address shareholder matters because its purpose was fulfilled upon the execution of the Settlement Agreement. In addition, the Company agreed to reimburse Steel for up to \$75,000 of its reasonable attorneys fees associated with the Settlement Agreement and the nominations and proposals of Steel for presentation at the 2006 Annual Meeting of Shareholders.

Each of the Company and Steel agreed not to sue one another with respect to conduct preceding August 30, 2006. The Company also agreed to abstain from taking certain "anti-takeover" actions prior to the conclusion of the 2007 Annual Meeting of Shareholders. In addition, if Steel and its affiliates and associates do not run an election contest for the Board of Directors at the 2007 Annual Meeting, the Company agreed to not extend the Company's rights plan beyond its current scheduled expiration date of September 7, 2008 unless such an extension is either approved by a majority of the Board of Directors (including one Steel director designee) or approved by the holders of a majority of the Company's voting securities.

Steel also agreed to make any disposition of its shares of common stock in open market transactions in a manner designed to effect an orderly disposition of such shares or under any method approved by a majority of the Company's disinterested directors.

Except for selected provisions regarding the re-nomination of the Steel director designees in certain circumstances for the 2007 Annual Meeting of Shareholders, the constitution of the Board in certain circumstances, the covenant restricting litigation and confidentiality, the Settlement Agreement between the Company and Steel will terminate at the conclusion of the 2007 Annual Meeting of Shareholders.

This summary is qualified in its entirety by the Settlement Agreement between the Company and Steel which is attached as Exhibit 10.1 to this Form 8-K and incorporated by reference herein. A copy of the press release issued by the Company on August 31, 2006 with respect to the Settlement Agreement between the Company and Steel is attached as Exhibit 99.1 to this Form 8-K.

Pirate has also agreed to vote all of its shares of common stock of the Company for the election of Stephen M. O'Hara and Ronald J. Kruszewski, the Board's nominees, as Class I directors at the 2006 Annual Meeting of Shareholders.

In addition, Pirate agreed that it will not and will cause each of its affiliates and associates (as such terms are defined under the Securities Exchange Act of 1934) not to take any of the following actions:

- o Effect, propose, assist, encourage or otherwise participate in:
 - o A tender or exchange offer except in response to a hostile tender or exchange offer commenced by a non-affiliated or

- o A merger, consolidation, share exchange, business combination, sale of assets, recapitalization, restructuring, liquidation, dissolution or other extraordinary transaction involving the Company, a material portion of its business or a substantial portion of its assets, unless the Company determines to conduct a sale process;
- o A solicitation of proxies or any other participation in an election contest.

- o Propose any matter for submission to shareholders;
- o Form or join a "group" (as the term is defined under the Securities Exchange Act of 1934) in connection with its Company voting securities;
- o Give a proxy with respect to its Company voting securities to any person not designated by the Company;
- o Deposit its Company voting securities in a voting trust or similar arrangement with respect to the voting of its Company voting securities;
- o Take action that seeks to affect the control of the management or the Board of Directors; and

- o Call or seek to call a meeting of shareholders of the Company.

Each of the Company and Pirate agreed not to sue one another with respect to conduct preceding August 30, 2006.

Except for selected provisions regarding the covenant restricting litigation and confidentiality, the Settlement Agreement between the Company and Pirate will terminate at the conclusion of the 2006 Annual Meeting of Shareholders or earlier under certain specific situations.

This summary is qualified in its entirety by the Settlement Agreement between the Company and Pirate which is attached as Exhibit 10.2 to this Form 8-K and incorporated by reference herein. CLASSES OF DIRECTORS

As allowed for in the Settlement Agreement among the Company and Steel and the Settlement Agreement among the Company and Pirate, Dr. Ronald N. Riner and Kelvin R. APPOINTMENT OF JAMES HENDERSON AND JOHN QUICKE TO THE BOARD OF DIRECTORS

In order to effect the terms of the Settlement Agreement between the Company and Steel, James Henderson and John Quicke were appointed to the Board of Directors of the Company as of the execution of the Settlement Agreement by all parties on August 30, 2006. The Company and Steel have also agreed that one Steel director designee will be appointed to serve as a member of the Compensation and Organization Committee and, if established in the future, any executive committee or special committee when organized, but only if the subject matter within such committee's authority does not involve any matter which Steel or any Steel director designee would have, or be reasonably expected to have, an actual conflict of interest. No appointment to the Compensation and Organization Committee has been made to date under this provision. The Company and Steel have also agreed that if Steel is able to obtain Board of Director representation totaling at least four of eight total directors, that the Company and Steel will agree to maintain a 50% split between Steel director designees and Company director designees in the event of a vacancy until the 2008 Annual Meeting of Shareholders.
