Item 4.

Purpose of Transaction

On November 4, 2003, the Montgomery effected a transfer of 875,000 shares of Common Stock held by him (the **Trust Shares**) into an irrevocable trust (the **Trust**). Montgomery will not retain voting, investment, or dispositive power over the Trust Shares, and he disclaims beneficial ownership over the Trust Shares. As noted below, Montgomery has no current plans or proposals relating to the sale of the Issuer or a change of control and Montgomery currently holds his interest in the Issuer for investment purposes.

Montgomery from time to time intends to review his investment in the Issuer on the basis of various factors, including the Issuer's business, financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and those for the Issuer's stock in particular, as well as other developments and other investment opportunities. Based upon such review, Montgomery will take such actions in the future as Montgomery may deem appropriate in light of the circumstances existing from time to time. If Montgomery believes that further investment in the Issuer is attractive, whether because of the market price of the Issuer's stock or otherwise, he may acquire shares of Common Stock or other securities of the Issuer in the open market. Similarly, depending on market and other factors, Montgomery may determine to dispose of some or all of the shares of Common Stock currently owned by Montgomery or otherwise acquired by Montgomery in the open market. Except as set forth above, Montgomery has not formulated any plans or proposals which relate to or would result in: (a) the acquisition by any person of additional securities of the Issuer or the disposition of securities of the Issuer, (b) an extraordinary corporate transaction involving the Issuer or any of its subsidiaries, (c) a sale or transfer of a material amount of the assets of the Issuer or any of its subsidiaries, (d) any change in the present board of directors or management of the Issuer, (e) any material change in the Issuer's capitalization or dividend policy, (f) any other material change in the Issuer's business or corporate structure, (g) any change in the Issuer's charter or bylaws or other instrument corresponding thereto or other action which may impede the acquisition of control of the Issuer by any person, (h) causing a class of the Issuer's securities to be deregistered or delisted, (i) a class of equity securities of the Issuer becoming eligible for termination of registration or (j) any action similar to any of those enumerated above.
