**Entry into a Material Definitive Agreement.**

On March 11, 2005 the Board of Directors of SI International, Inc. ( "SI International" ) authorized the acceleration of vesting of stock awards under SI International's 2002 Stock Incentive Plan (the "Plan" ) upon the occurrence of certain change of control events. Vesting of stock awards will now be accelerated upon the occurrence of certain change of control events for all future stock awards. With respect to vesting of prior stock option awards issued under the Plan, acceleration of vesting was authorized upon the occurrence of certain change of control events only for those stock option awards where the closing market price of SI International common stock as of March 11, 2005 on the Nasdaq National Market was equal to or lower than the exercise price of each such stock option award as of the effective date of the change, March 11, 2005. This authorization resulted in an amendment to certain prior stock option awards issued to certain employees and to all SI International directors.

A copy of the forms of (i) the SI International, Inc. Stock Option Agreement Evidencing Grant of Stock Options Under the SI International, Inc. 2002 Stock Incentive Plan and (ii) the Notice of Stock Option Grant Under SI International, Inc.
