PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

This Proxy Statement is furnished by the Board of Directors of Raining Data Corporation, a Delaware corporation (the Board and the Company, respectively), in connection with the solicitation of proxies to be voted at the Annual Meeting of Stockholders (the Annual Meeting) of the Company to be held on Friday, February 16, 2007, at 10:00 a.m. local time, at the Cupertino Inn located at 10889 North De Anza Boulevard, Cupertino, California 95104, and at any adjournments or postponements thereof. Our principal executive office is located at 25A Technology Drive, Irvine, California 92618 and our telephone number is (949) 442-4400. The purposes of the Annual Meeting are set forth in the accompanying Notice of Annual Meeting of Stockholders.

This Proxy Statement and the Notice of Annual Meeting and proxy are being mailed on or about January 18, 2007, to all stockholders entitled to vote at the Annual Meeting. **ANY PROXY IN WHICH NO DIRECTION IS SPECIFIED WILL BE VOTED IN FAVOR OF EACH OF THE MATTERS FOR WHICH NO DIRECTION IS SPECIFIED.**

GENERAL INFORMATION ABOUT THE MEETING

The close of business on January 4, 2007 has been fixed as the record date for the determination of stockholders entitled to receive notice of and to vote at the Annual Meeting. On that date, the Company's outstanding voting securities consisted of 21,148,827 shares of Common Stock, which were held by approximately 143 stockholders of record.

Holders of a majority of the Company's outstanding securities entitled to vote must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business. If the shares present, in person or by proxy, at the Annual Meeting do not constitute the required quorum, the Annual Meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum. If a broker, bank or other nominee holds your shares, you will receive instructions from them that you must follow in order to have your shares voted.

Shares that are voted FOR, AGAINST, WITHHOLD AUTHORITY or ABSTAIN will be treated as being present at the Annual Meeting for purposes of establishing a quorum. Accordingly, if you have returned a valid proxy or attend the Annual Meeting in person, your shares will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters at the Annual Meeting. Broker non-votes (i.e., votes from shares held of record by brokers as to which the beneficial owners have given no voting instructions) will also be counted as present for purposes of determining the presence of a quorum.

Abstentions are included in determining the number of shares voted on the proposals submitted to stockholders (other than the election of directors) and will have the same effect as a vote against such proposals. Because directors are elected by a plurality of the votes of the shares represented at the Annual Meeting, abstentions will have no effect on the outcome of the election of directors. Although broker non-votes will be counted for the purpose of determining the presence of a quorum, broker non-votes will not be counted for the purpose of determining the number of shares voted on the proposals submitted to stockholders. Accordingly, broker non-votes will have no effect on the outcome of a vote on any of the proposals.

Whether or not you are able to attend the Annual Meeting, the Company urges you to submit your proxy, which is solicited by the Board. You are urged to give instructions as to how to vote your shares. All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting in accordance with the directions given. Any proxy for which no instructions are given will be voted in accordance with the following recommendations of our Board of Directors:

- FOR the election of Richard W. Koe as a Class II director to serve a term of three (3) years expiring at the Annual Meeting of Stockholders in 2009 or until their successors are duly elected and qualified;
- FOR ratification of KPMG LLP as our independent auditors for the fiscal year ending March 31, 2007;

We are not aware of any matters to be presented other than those described in this Proxy Statement. If any matters not described in the Proxy Statement are properly presented at the Annual Meeting, the persons designated in the enclosed proxy (the Proxy Agents) will use their own judgment to determine how to vote your shares. If the Annual Meeting is adjourned, the Proxy Agents can vote your shares on the new meeting date as well, unless you have revoked your proxy.

You may revoke your proxy at any time prior to its use by (i) delivering a written notice of revocation to the chief financial officer of the Company, (ii) filing a duly executed proxy bearing a later date with the Company or (iii) attending the Annual Meeting and voting in person.

The costs of this solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement and the proxy, will be borne by the Company. The Company will request brokerage houses and other nominees, custodians and fiduciaries to forward soliciting material to beneficial owners of the Company's voting securities. The Company may reimburse brokerage firms and other persons representing beneficial owners for their expenses in forwarding solicitation materials to beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, either personally or by telephone or facsimile. Except as described above, the Company does not intend to solicit proxies other than by mail.

PROPOSAL ONE ELECTION OF DIRECTORS

General

The Amended and Restated Bylaws of the Company provide that the Board is to be composed of no less than five (5) and no more than nine (9) directors divided into Classes I, II and III, each with as nearly equal a number of directors as possible. The exact number of directors is currently set at five (5) by resolution of the Board. The directors are elected to serve staggered three-year terms, with the term of one class of directors expiring each year at the Annual Meeting of Stockholders.

At the Annual Meeting, one (1) individual will be elected as Class II director, to serve for a three (3) year term or until his successor is duly elected and qualified. The Board has nominated Richard W. Koe for re-election as Class II director at the Annual Meeting.

The Board knows of no reason why the nominee would be unable or unwilling to serve, but if the nominee should, for any reason, be unable or unwilling to serve, the proxies will be voted for the election of such other person to the office of director as the Board may recommend in the place of such nominee.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE NOMINEE FOR ELECTION AS MEMBER OF THE BOARD OF DIRECTORS.

Voting Information

Proxies solicited by the Board will, unless otherwise directed, be voted to elect the nominee proposed by the Board. A stockholder submitting a proxy may vote for the nominee for election to the Board or may withhold his or her vote from such nominee. Each stockholder will be entitled to one (1) vote for each share of Common Stock held by the stockholder on the record date. Directors are elected by a plurality of votes, and, therefore, if a quorum is present and voting, the nominee receiving the highest number of affirmative votes will be elected to the Board. Abstentions and broker non-votes, while included for the purpose of determining the presence of a quorum at the Annual Meeting, will have no effect on the vote. The Proxy Agents will vote your shares **FOR** the nominee unless instructions to the contrary are indicated in the enclosed proxy.

Nominee has agreed to serve the Company as a director if elected. However, should a nominee become unwilling or unable to serve if elected, the Proxy Agents will exercise their voting power in favor of such other person as the Board may recommend. The Company's Restated Certificate of Incorporation does not provide for cumulative voting in the election of directors.

**PROPOSAL TWO
RATIFICATION
OF THE APPOINTMENT OF INDEPENDENT AUDITORS**

The Audit Committee has selected the accounting firm of KPMG LLP to serve as the Company's independent auditors for the fiscal year ending March 31, 2007. KPMG LLP was the independent auditors for the year ended March 31, 2006. A proposal to ratify the appointment of KPMG LLP for the current year will be presented at the Annual Meeting. Representatives of KPMG LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders.

The decision of the Audit Committee to appoint KPMG LLP was based on a careful consideration of the firm's qualifications as independent auditors. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established, the issues, if any, raised by the most recent quality control review, and the reputation for integrity and competence of the firm in the fields of accounting and auditing. The Audit Committee's review also included matters required to be considered under the SEC's Rules on Auditor Independence, including the nature and extent of non-audit services, to ensure that such services will not impair the independence of the auditors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS.

Broker non-votes, while included for the purpose of determining the presence of a quorum at the Annual Meeting, will have no effect on the vote. The Proxy Agents will vote your shares **FOR** approval of the ratification of the appointment of KPMG LLP as our independent auditors for the fiscal year ending March 31, 2007 unless instructions to the contrary are indicated in the enclosed proxy. Notwithstanding its selection, the Audit Committee, in its discretion, may appoint new independent auditors at any time during the year if the Audit Committee believes that such a change would be in the best interests of the Company and its stockholders. If the stockholders do not ratify the appointment of KPMG LLP, the Audit Committee may reconsider its selection.

Employment Contracts and Termination of Employment and Change-in-Control Arrangements

Effective April 5, 2002, we entered into an offer letter agreement with Mr. Bezdek. In addition, the offer letter provides for severance benefits, including payment of his base salary for six (6) months and acceleration of six (6) months of vesting of his stock options, upon termination of his employment without cause. Mr. Bezdek voluntarily terminated his employment effective May 5, 2006.

Effective June 21, 2002, we entered into an Amendment to Stock Option Agreement with Mr. Raissi, which amended two Stock Option Agreements, dated October 10, 2001 and April 26, 2002, between Mr. Raissi and us, to, in each case, provide for 100% acceleration of vesting of his stock options in the event he is terminated without cause within twelve (12) months following a change of control. Mr. Raissi voluntarily terminated his employment effective April 25, 2006.

Effective April 5, 2003, we entered into a Severance and Change of Control Agreement with Mr. Baab. The agreement provides for twelve (12) months severance at Mr. Baab's salary rate then in effect in the event of his involuntary termination of employment. Mrs. Gibbs voluntarily terminated her employment effective July 31, 2006.

Compensation of Directors

We reimburse directors for travel and other out-of-pocket expenses incurred in attending Board meetings. We do not pay cash compensation to our directors. We granted 50,000 options to Richard W. Smith during the year ended March 31, 2006.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our officers, directors and persons who own more than ten percent (10%) of a registered class of our equity securities to file certain reports of ownership with the SEC and with the National Association of Securities Dealers, Inc. To our knowledge, based solely on a review of the copies of such reports furnished to the Company and any written representations that no other reports were required, all reports required to be filed during the fiscal year ended March 31, 2006 pursuant to Section 16(a) of the Exchange Act by directors, executive officers and ten percent (10%) beneficial owners were filed on timely basis.

Certain Relationships and Related Party Transactions

In January 2003, we entered into a Note Exchange Agreement (the "Exchange Agreement") with Astoria to replace the existing Secured Promissory Note, as amended, with a Convertible Subordinated Note. Under the terms of the Exchange Agreement, the Secured Promissory Note was exchanged and replaced with a Convertible Subordinated Note having a principal amount of \$22.1 million, which principal amount was equal to the outstanding principal and accrued interest payable on the Secured Promissory Note as of the date of the Exchange Agreement. In October 2005, Astoria assigned a portion of its Common Stock holdings totaling 870,536 shares and a portion of the Convertible Subordinated Note, totaling \$1,751,832, to two of its limited partners. As such, the Company issued an Amended and Restated Note to Astoria for \$20,749,581 and corresponding notes directly to the limited partners for \$862,979 and \$888,853, respectively. The Convertible Subordinated Notes are convertible into Common Stock at any time, at the option of the holder, at a price of \$5.00 per share. The Convertible Subordinated Note matures on May 30, 2008, extending the May 30, 2003 maturity date of the Secured Promissory Note. Under terms of the Note, the Company was unable to redeem the Convertible Subordinated Note prior to January 30, 2005. The interest rate of the Convertible Subordinated Note is 5% per annum as compared to an interest rate of 10% per annum under the Secured Promissory Note. The interest is payable quarterly at our option in cash or through increases to the outstanding principal of the Convertible Subordinated Note. Mr. Koe, a director of the Company, is the President and sole stockholder of ACM, and Mr. Koe and ACM are the General Partners of Astoria. Mr. Baab, our President, Chief Executive Officer and a director of the Company, is an employee of ACM. As an employee of ACM, Mr. Baab is entitled to an annual bonus equal to a fixed percentage of any special profit allocation Astoria receives for the year in question. Mr. Baab is currently on a formal leave of absence from ACM.

On December 14, 2004, we entered into an Agreement Regarding Amended and Restated Common Stock Purchase Warrant and 5% Convertible Subordinated Note Due 2008 with Astoria whereby we could redeem, in part, the Convertible Subordinated Note in advance of January 30, 2005. On December 14, 2004, Astoria exercised its warrant in the amount of \$2,670,904. In lieu of a cash payment, we used the proceeds of the exercise to pay down a portion of the indebtedness to Astoria. The paydown consisted of \$247,129 for accrued and unpaid interest, and \$2,423,775 as a reduction of principal of the Convertible Subordinated Note. As of September 30, 2006 we increased the principal of the Convertible Subordinated Notes by \$1,057,100 in lieu of cash payments for the interest. For the foreseeable future, we expect to increase the principal of the Convertible Subordinated Notes in lieu of cash payments for the interest. If the Convertible Subordinated Notes are converted into Common Stock, our stockholders may experience substantial dilution. Unlike the Secured Promissory Note, the Convertible Subordinated Notes are not secured by our assets.

The Philip and Debra Barrett Charitable Remainder Trust, a significant stockholder of ours, loaned us \$250,000 in September 2000. The loan, as amended, had a maturity date of April 2, 2003 with interest accruing at 10% per annum, payable quarterly. The note was paid in full on April 2, 2003.

A description of the terms of the Severance and Change of Control Agreement between us and Mr. Baab and the offer letter agreement between us and Mr. Ramachandran, may be found under the caption Employment Contracts and Termination of Employment and Change-in-Control Arrangements above.

We have entered into our standard form of indemnification agreement with each of our directors and officers.

Any transactions between us and our officers, directors, five percent (5%) stockholders and their affiliates must be pre-approved by the Company's Audit Committee.

REPORT OF AUDIT COMMITTEE

Edgar Filing: RAINING DATA CORP - Form DEF 14A

To the Board of Directors:

We have reviewed and discussed with management the Company's audited financial statements as of and for the fiscal year ended March 31, 2006.

We have discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended.

We have received and reviewed the written disclosures and the letter from KPMG LLP required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and have discussed with the auditors their independence.

Based on the reviews and discussions referred to above, we recommended to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended March 31, 2006.

We have also considered whether the provision of services by KPMG LLP, other than services related to the audit of the financial statements referred to above and the review of the interim financial statements included in the Company's quarterly reports on Form 10-QSB for the most recent fiscal year, is compatible with maintaining the independence of KPMG LLP.

Respectfully submitted by:

Gerald F. Chew

Douglass G. Marshall

Richard W. Smith

Stockholders may submit proposals on matters appropriate for stockholder action at subsequent annual meetings of the Company consistent with Rule 14a-8 promulgated under the Exchange Act and the Bylaws of the Company, which may be amended from time to time. Proposals of stockholders intended to be presented at the Company's next annual meeting of stockholders must be received by the Company (Attention: Secretary, at the principal offices of the Company) no later than July 10, 2007, for inclusion in the Company's proxy statement and form of proxy for that meeting. If you intend to present a proposal at our 2007 annual meeting, but you do not intend to have it included in our 2007 proxy statement, you must provide written notice of the stockholder proposal to the Company (Attention: Secretary, at the principal offices of the Company) no later than July 24, 2007.

OTHER MATTERS

The Board does not intend to bring any matters before the Annual Meeting other than as stated in this Proxy Statement and is not aware that any other matters will be presented for action at the Annual Meeting. Should any other matters be properly presented, the Proxy Agents will vote the proxy with respect thereto in accordance with their best judgment, pursuant to the discretionary authority granted by the proxy.

Copies of the Company's recent reports on Form 10-KSB and Form 10-QSB as filed with the Securities and Exchange Commission will be provided to stockholders without charge upon written or oral request to Thomas G. Lim, Chief Financial Officer, Vice President of Finance and Corporate Secretary, Raining Data Corporation, 25A Technology Drive, Irvine, California 92618, telephone number (949) 442-4400. Copies may also be obtained from the Company's website at www.rainingdata.com.

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for annual reports and proxy statements with respect to two or more security holders sharing the same address by delivering a single annual report and proxy statement addressed to those security holders. This process, which is commonly referred to as "householding," potentially means extra convenience for security holders and cost savings for companies.

This year, brokers with account holders who are Raining Data Corporation stockholders may be "householding" our proxy materials. A single annual report and proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate annual report and proxy statement, please notify your broker and direct your request to Thomas G. Lim, Chief Financial Officer, Vice President of Finance and Corporate Secretary, Raining Data Corporation, 25A Technology Drive, Irvine, California 92618, telephone number (949) 442-4400.

By Order of the Board of Directors,

Richard W. Koe
Chairman of the Board
