**Item 8.01 Other Events**

On September 19, 2007, iMergent, Inc. (the Company ) announced settlement of a consolidated class action shareholder suit filed against the Company. As previously announced, on March 8, 2005, an action was filed against the Company in the U.S. District Court for the District of Utah (the Court ) Civil No. 2:05cv00204 DB. That suit was subsequently consolidated into the current shareholder class action (the Litigation ). The class, approved by the Court, includes persons who purchased the common stock of the Company between November 26, 2001 and October 7, 2005 excluding the Company and its affiliates (collectively Plaintiffs ).

On September 19, 2007, the Company and the Plaintiffs entered into a Memorandum of Understanding (MOU) regarding settlement of all claims in the Litigation. The Company and the Plaintiffs have notified the Court of the MOU and will be filing a stipulation of settlement seeking Court approval of the terms.

The MOU provides, in part that: (i) within fifteen (15) business days following the Court s preliminary approval of the settlement, Defendants and/or their insurers shall pay \$2,800,000 to the Plaintiffs (the settlement payment is within policy limits of the directors and officers insurance policy maintained by the Company); (ii) the Court order will include a provision dismissing the Company and individual Defendants from the Litigation with prejudice; (iii) the Court order include a provision that bars and enjoins Grant Thornton from prosecuting any claims against the Company and individual Defendants arising out of, based upon or related to the facts alleged in the Complaint or that could have been alleged in the Litigation; (iv) the Company and individual Defendants shall assign to the Plaintiffs any and all claims or causes of action that they now have against Grant Thornton, including, but not limited to, any claims or causes of action for accounting malpractice or breach of contract; (v) the Company and individual Defendants shall cooperate with the Plaintiffs in the continuing prosecution of the Litigation against Grant Thornton; and (vi) the Company is required to provide documentary evidence supporting the claims against Grant Thornton to the Plaintiffs. The failure of the Court to approve the terms, or the parties not abiding by the terms of the MOU, will render the settlement ineffective and without any effect.

The Company has also agreed, in principle, to settlement of all of the derivative claims pending in state and federal court in Utah against the Company s current and former officers and directors. The settlement of the derivative claims provides for the Company to receive a payment of \$3.3 million dollars in insurance proceeds, which will be used by the Company to fund the settlement of the Litigation described above. Both settlements are subject to court approval.
