The 10,374.1278 shares of Preferred Stock will automatically convert into 103,741,278 shares of Common Stock of the Issuer, subject to adjustment in specified circumstances, on the day immediately following the last to occur of: (a) approval by the Issuer's stockholders, and filing with the Secretary of State of the State of Delaware, of an amendment to the Issuer's Amended and Restated Certificate of Incorporation increasing the number of shares of Common Stock that Issuer is authorized to issue from approximately 336.7 million shares to an amount sufficient to permit conversion of the Preferred Stock; (b) approval by the Issuer's stockholders of the issuance of the Common Stock to be issued upon conversion of the Preferred Stock; and (c) approval of the New York Stock Exchange ("NYSE") of the listing of the Common Stock to be issued upon conversion of the Preferred Stock.

Petro-Hunt Holdings directly owns the 10,374.1278 shares of Preferred Stock. William Herbert Hunt Trust Estate ("WHHTE") does not directly own any Preferred Stock; however, as the sole member of Petro-Hunt Holdings, WHHTE may be deemed to indirectly beneficially own the Preferred Stock held of record by Petro-Hunt Holdings.

The description of the Purchase Agreement in this Schedule 13D is qualified in its entirety by reference to the full and complete text of the Purchase Agreement, which is filed herewith as Exhibit 99.2 and incorporated herein by reference.

Item 4. Purpose of Transaction.

Pursuant to the Purchase Agreement, the Issuer acquired a total of approximately 81,000 net acres prospective for the Bakken and Three Forks formations primarily located in Williams, Mountrail, McKenzie and Dunn Counties, North Dakota. Issuer paid approximately \$756 million in cash and issued 10,880.0993 shares of Preferred Stock to Petro-Hunt Holdings and Pillar Holdings, LLC, as consideration in the acquisition. Except as set forth in this Schedule 13D, Petro-Hunt Holdings and WHHTE do not have any current plans or proposals which would relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D. Petro-Hunt Holdings and WHHTE, however, reserve the right to adopt such plans or proposals, subject to applicable regulatory requirements.

On December 6, 2012, pursuant to the terms of the Purchase Agreement, the Issuer appointed David S. Hunt to its board of directors as a Class B director with a term expiring in 2015. Further, if the Preferred Stock has not converted into Common Stock on or before April 6, 2013 and there is no director appointed by the Petro-Hunt Parties serving on the Issuer's board of directors pursuant to the Purchase Agreement, the holders of the Preferred Stock, voting separately as a class, will be entitled to elect one member to the Issuer's board of directors.

Certificate of Designation for Preferred Stock

On December 5, 2012, the Issuer filed with the Delaware Secretary of State a Certificate of Designation, Preferences, Rights and Limitations of 8% Automatically Convertible Preferred Stock (the Certificate of Designation), which created the series of Preferred Stock that was issued by Issuer on December 6, 2012 to Petro-Hunt Holdings.

Ranking; Dividends and Distributions. The Preferred Stock ranks senior to the Common Stock with respect to payment of dividends and upon liquidation, dissolution or winding up of the Issuer. If the Preferred Stock is not converted into shares of Common Stock by April 6, 2013, the holders of the Preferred Stock will be entitled to receive quarterly dividends, when, as and if declared by the Issuer's board of directors, at the rate of 8% per annum on the aggregate liquidation preference per share from the original issue date, or approximately \$64.8 million per annum. No dividends shall be payable or accrue on the Preferred Stock if it converts into Common Stock before such date. In the event of any liquidation, dissolution or winding up of the Issuer, the holders of the Preferred Stock will be entitled to receive (before any distribution on Common Stock) an amount per share equal to the liquidation preference per share of Preferred Stock, which is initially \$74,453, and will be increased by the amount of any accrued and unpaid dividends on the Preferred Stock.

Anti-Dilution Adjustments. The Preferred Stock has anti-dilution adjustments for certain changes in the Issuer's capital stock.

Voting Rights. Holders of the Preferred Stock are entitled to vote on all matters submitted to a vote of the holders of the Common Stock, including with respect to the election of directors; provided, they are not entitled to vote on proposals to facilitate the conversion of shares of Preferred Stock. Until such time as stockholder approval of the conversion has been obtained, the aggregate number of votes entitled to be cast by the Preferred Stock is not permitted to exceed 19.99% of the voting power of the Common Stock outstanding immediately prior to the issuance of the Preferred Stock.

Mandatory Redemption. On August 15, 2021, if any shares of Preferred Stock are then outstanding, the Issuer will be required to redeem the Preferred Stock.

Automatic Conversion into Common Stock. Each share of Preferred Stock will automatically convert into 10,000 shares of Common Stock at an initial conversion price of approximately \$7.45 per share of Common Stock and each fractional share of Preferred Stock will be initially convertible into a proportionate number of shares of Common Stock. The Preferred Stock will automatically convert into Common Stock on the day immediately following the last to occur of: (1) approval by the Issuer's stockholders, and filing with the Secretary of State of the State of Delaware, of an amendment to the Issuer's Amended and Restated Certificate of Incorporation increasing the number of shares of Common Stock that the Issuer is authorized to issue from approximately 336.7 million shares to an amount sufficient to permit conversion of the Preferred Stock; (2) approval by the Issuer's stockholders of the issuance of the Common Stock to be issued upon conversion of the Preferred Stock; and (3) approval of the NYSE of the listing of the Common Stock to be issued upon conversion of the Preferred Stock.

Consent Rights. For as long as the Preferred Stock has not converted into Common Stock and remains outstanding, Issuer may not, without the approval of holders of two-thirds of the Preferred Stock, may not amend, alter, waive, repeal or modify (whether by merger, consolidation or otherwise) any provision of the Issuer's certificate of incorporation (including any filing or amending of a certificate of designation for any senior

Edgar Filing: HALCON RESOURCES CORP - Form SC 13D

security or parity security) or bylaws so as to adversely affect or otherwise impair any of the rights, preferences, privileges, qualifications, limitations or restrictions of, or applicable to, the Preferred Stock; authorize, issue or increase the authorized amount of any class of senior securities or parity securities; increase or decrease (other than by redemption or conversion) the authorized number of shares of the Preferred Stock; liquidate, dissolve or wind up in any form of transaction; or enter into any agreement regarding, or any transaction or series of transactions resulting in, a change of control unless provision is made in the agreement effecting such transaction for the redemption of the Preferred Stock in cash in accordance with the certificate of designation for the Preferred Stock.

Registration Rights Agreement

In connection with the Purchase Agreement, the Issuer entered into a Registration Rights Agreement dated December 6, 2012, with Petro-Hunt Holdings and Pillar Holdings, LLC (the "Registration Rights Agreement"). The Issuer has agreed to keep the registration statement effective, subject to certain exceptions, for up to five years after it is declared effective by the SEC. The Registration Rights Agreement also provides for certain limited "piggyback" registration rights pursuant to which the holders of Common Stock underlying the shares of Preferred Stock will be entitled to participate in underwritten public offerings by the Issuer of its Common Stock.

The foregoing description of the Registration Rights Agreement is qualified in its entirety by reference to the full and complete text of the Registration Rights Agreement, which is filed herewith as Exhibit 99.4 and incorporated herein by reference.

The foregoing description of the Lock-up Agreement is qualified in its entirety by reference to the full and complete text of the Lock-up Agreement, which is filed herewith as Exhibit 99.5 and incorporated herein by reference.
