Item 1.01 Entry into a Material Definitive Agreement.

On July 26, 2013, ACRC Lender One LLC (Lender One), a wholly owned subsidiary of the Registrant, entered into an amendment with Capital One, National Association (Capital One) to its secured funding facility (as amended, the Capital One Facility) to, among other things, increase the size of the Capital One Facility to \$100 million and increase the maximum individual loan amount from \$25 million to \$35 million.

In addition to increasing the size of the facility and the maximum individual loan amount, the Capital One Facility amendment reduced the pricing on the facility from a range of LIBOR plus a pricing margin of 2.50 percent to 4.00 percent to a range of LIBOR plus a margin of 2.00 percent to 3.50 percent, and the commitment period for new loans was extended by one year to May 18, 2015. The Capital One Facility amendment also modified certain financial tests and covenants to more effectively utilize the Capital One Facility.

The foregoing description is only a summary of certain material provisions of the amendment to the Capital One Facility, and is qualified in its entirety by reference to a copy of such agreement, which is filed herewith as Exhibit 10.1 and by this reference incorporated herein.
