Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

None.

Item 6. Indemnification of Directors and Officers

Pursuant to Sections 204 and 317 of the California Corporations Code, as amended, the Registrant has included in its Amended and Restated Articles of Incorporation and Bylaws provisions regarding the indemnification of officers and directors of the Registrant. Article Four of Registrant's Amended and Restated Articles of Incorporation provides as follows:

The liability of the directors of this corporation for monetary damages shall be eliminated to the fullest extent permissible under California law. This corporation is also authorized, to the fullest extent permissible under California law, to indemnify its agents (as defined in Section 317 of the California Corporations Code), whether by bylaw, agreement or otherwise, in excess of the indemnification expressly permitted by Section 317 and to advance defense expenses to its agents in connection with such matters as they are incurred, subject to the limits on such excess indemnification set forth in Section 204 of the California Corporations Code. If, after the effective date of this Article, California law is amended in a manner which permits a corporation to limit the monetary or other liability of its directors or to authorize indemnification of, or advancement of such defense expense to, its directors or other persons, in any such case to a greater extent than is permitted on such effective date, the references in this Article to California law shall to that extent be deemed to refer to California law as so amended.

Section 29 of the Registrant's Bylaws, as amended, provides as follows:

29. Indemnification of Directors and Officers.

(a) *Indemnification.* To the fullest extent permissible under California law, the corporation shall indemnify its directors and officers against all expenses, judgment, fines, settlement and other amounts actually and reasonably incurred by them in connection with any proceeding, including an action by or in the right of the corporation, by reason of the fact that such person is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director, officer, trustee, employee or agent of another corporation, or of a partnership, joint venture, trust or other enterprise (including service with respect to employee benefit plans). To the fullest extent permissible under California law, expenses incurred by a director or officer seeking indemnification under this bylaw in defending any proceeding shall be advanced by the corporation as they are incurred upon receipt by the corporation of an undertaking by or on behalf of the director or officer to repay such amount if it shall ultimately be determined that the director or officer is not entitled to be indemnified by the corporation for those expenses. If, after the effective date of this bylaw, California law is amended in a manner which permits the corporation to authorize indemnification of or advancement of expenses to its directors or officers, in any such case to a greater extent than is permitted on such effective date, the references in this bylaw to California law shall to that extent be deemed to refer to California law as so amended. The rights granted by this bylaw are contractual in nature and, as such, may not be altered with respect to any present or former director or officer without the written consent of that person.

(b) *Procedure.* Upon written request to the Board of Directors by a person seeking indemnification under this bylaw, the Board shall promptly determine in accordance with Section 317(e) of the California Corporations Code whether the applicable standard of conduct has been met and, if so, the Board shall authorize indemnification. If the Board cannot authorize indemnification because the number of directors who are parties to the proceeding with respect to which indemnification is sought prevents the formation of a quorum of directors who are not parties to the proceeding, then, upon written request by the person seeking indemnification, independent legal counsel (by means of a written opinion obtained at the corporation's expense) or the corporation's shareholders shall determine whether the applicable standard of conduct has been met and, if so, shall authorize indemnification.

Edgar Filing: DEPOMED INC - Form S-8

(c) *Definitions.* The term *proceeding* means any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative. The term *expenses* includes, without limitation, attorney's fees and any expenses of establishing a right to indemnification.

The Registrant has entered into indemnification agreements with each of its current directors and officers pursuant to the foregoing provisions.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement;

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; *provided, however*, that the undertakings set forth in paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the Registration Statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
