## Edgar Filing: Live Nation Entertainment, Inc. - Form SC 13D/A

### **Item 4. Purpose of Transaction**

The information contained in Item 4 of the Liberty Schedule 13D is hereby amended and supplemented by adding the following information:

As part of the Reporting Person's continuous review of its investment in the Issuer, the Reporting Person has entered into the Forward Contract described in Item 6 of this Amendment. The Reporting Person has entered into the Forward Contract based on its belief that current equity prices of the Issuer continue to be attractive, and the Reporting Person presently intends to physically settle the Forward Contract. The number of shares of Common Stock covered by the Forward Contract will be below the Applicable Percentage, as such term is defined in the Stockholder Agreement described in Item 6 of the Liberty Schedule 13D.

Subject to the foregoing and except as contained in the agreement filed as an Exhibits to the Liberty Schedule 13D, the Reporting Person does not have and, to the best of its knowledge, none of its directors or executive officers have, any current plans or proposals that relate to or would result in any of the actions set forth in clauses (a) through (j) of Item 4. Notwithstanding anything contained herein, the Reporting Person specifically reserves the right to change its intention with respect to any or all of such matters.

### **Item 5. Interest in Securities of the Issuer**

The information contained in Item 5 of the Liberty Schedule 13D is hereby amended by the following information:

(a) The Reporting Person beneficially owns 53,745,033 shares of Common Stock of the Issuer (excluding any shares that may be acquired by the Reporting Person pursuant to the Forward Contract, see Item 6). The 53,745,033 shares represent approximately 26.8% of the outstanding shares of Common Stock, based on 200,511,675 shares of Common Stock outstanding as of July 28, 2014 as reported by the Issuer in its Quarterly Report on Form 10-Q filed with the SEC on July 31, 2014.

(b) The Reporting Person has the sole power to vote or to direct the voting of 53,745,033 shares of Common Stock (excluding any shares that may be acquired by the Reporting Person pursuant to the Forward Contract, see Item 6), and has the sole power to dispose or to direct the disposition of such number of shares. Mr. Maffei beneficially owns 47,711 shares of Common Stock, which includes 6,446 shares of restricted stock that vest in full on June 5, 2015.

(c) Other than as stated herein, neither the Reporting Person nor, to the knowledge of the Reporting Person, any person listed on Schedule 1 hereto, has effected any transactions in the Common Stock during the 60 days preceding the date hereof.

#### **Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer**

The information contained in Item 6 of the Liberty Schedule 13D is hereby amended and supplemented by adding the following information:

On September 4, 2014, the Reporting Person entered into a forward purchase contract (the "Forward Contract") with an unaffiliated counterparty covering, subject to receipt of requisite governmental approvals, up to a maximum of 15,900,000 notional shares of the Common Stock of the Issuer, subject to receipt of applicable governmental approvals. The exact number of shares of Common Stock that may be covered by the Forward Contract will equal the number of such shares purchased by the counterparty to establish its initial hedge. The expiration of the Forward Contract is to occur on the 60th day following the earlier of the counterparty's establishment of its initial hedge or March 3, 2015. During the initial hedging period, the Reporting Person is obligated to make prepayments to the counterparty in an amount equal to 40% of the cumulative notional amount of the Forward Contract ("Prepayment Amounts").

The Forward Contract provides for physical settlement upon expiration, with the Reporting Person retaining the right to elect cash settlement instead. In the case of physical settlement, the "forward price" will equal the volume weighted average price of the shares of Common Stock of the Issuer during the initial hedging period plus a commission, plus an amount equal to the counterparty's internal funding costs plus a spread. All Prepayment Amounts paid by the Reporting Person are to be applied against the aggregate forward price payable to the counterparty at settlement. If cash settlement is elected, (i) if the cash settlement price (which would be based on the price at which the counterparty unwinds its hedge) exceeds the forward price, then the counterparty will be obligated to pay the difference to the Reporting Person, and (ii) if the cash settlement price is less than the forward price, then the Reporting Person will be obligated to pay the difference to the counterparty. The Prepayment Amounts paid by the Reporting Person are to be applied against any cash settlement obligation the Reporting Person may have to the counterparty at settlement, with any excess to be returned to the Reporting Person.

The Registrant will not have the right to vote, or any investment power as to, the shares of Common Stock covered by the Forward Contract unless and until it takes physical delivery of such shares on the settlement date in accordance with the terms of the Forward Contract.
