Press Release

Vale on the closing of the Fertilizer transaction

Rio de Janeiro, January 02, 2018 Vale S.A. (Vale) confirms that the sale of Vale Fertilizantes to The Mosaic Company (Mosaic) is expected to close on or about January 8, 2018.

Some final adjustments were made to the terms and conditions of the transaction. Vale will retain an equity interest in the TIPLAM port in the southeast of Brazil, formerly included in the transaction, and will receive about USD 1.150 billion plus 34.2 million shares of Mosaic, representing 8.9% of Mosaic's total capital after issuance of the shares, upon closing.

The closing of the transaction is one more step towards deleveraging and simplification of Vale's asset portfolio.

This press release may include statements that present Vale's expectations about future events or results. All statements, when based upon expectations about the future, involve various risks and uncertainties. Vale cannot guarantee that such statements will prove correct. These risks and uncertainties include factors related to the following: (a) the countries where we operate, especially Brazil and Canada; (b) the global economy; (c) the capital markets; (d) the mining and metals prices and their dependence on global industrial production, which is cyclical by nature; and (e) global competition in the markets in which Vale operates. To obtain further information on factors that may lead to results different from those forecast by Vale, please consult the reports Vale files with the U.S. Securities and Exchange Commission (SEC), the Brazilian Comissão de Valores Mobiliários (CVM), and the French Autorité des Marchés Financiers (AMF), and in particular the factors discussed under "Forward-Looking Statements" and "Risk Factors" in Vale's annual report on Form 20-F.
