UNVESTED LTI CASH AWARD POTENTIAL IMPACT FAQ

The following information is intended to aid you in understanding how the Long-Term Incentive grants you may have received in 2016, 2017, and/or 2018 are impacted by the closing of the proposed Bemis/Amcor merger.

1) What is happening and when is it effective?

As announced on Monday, August 6, 2018, Amcor and Bemis agreed to combine in an all-stock transaction. The closing of this transaction will constitute a Change of Control Event under the terms of the 2014 Stock Incentive Plan and all arrangements governing outstanding long-term incentive awards. The effective date of this event will be set to occur after all closing conditions have been satisfied, including receipt of regulatory and shareholder approval. The closing is currently anticipated to occur during the first quarter of 2019 but could potentially occur before or beyond such time period. If for any reason closing does not occur, there will be no Change of Control Event as a result of this transaction and normal plan provisions would continue to apply.

2) I received a grant in 2016. How are these cash units impacted by this change?

The performance period for share units granted in 2016 terminates on December 31, 2018. We expect the 2016 restricted stock units (RSUs) will vest prior to the Change of Control Event, and therefore we expect to settle the vested units in accordance with the normal plan provisions.

On the first business day of 2019 (January 2, 2019), time-based share units will settle in the form of cash through your local payroll (less any required tax withholding). On or about February 6, 2019, we expect the Compensation Committee will certify our relative Total Shareholder Return (TSR) performance results and any performance-based share units that are earned will settle in cash through your local payroll (less any required withholding). The value of your cash payment is determined by multiplying the closing price of Bemis stock by the number of units that vest (less any required withholding).

Dividend equivalents accrued throughout the applicable vesting periods will be paid to you as a cash payment in lump sum form through your local payroll, subject to required tax withholding.

If closing occurs prior to the vesting and settlement of any of the 2016 units, they will be handled as described below.

3) I received a grant in 2017 and/or 2018. How are these cash units impacted by this change?

Edgar Filing: BEMIS CO INC - Form DEFA14A

The performance period for share units granted in 2017 terminates on December 31, 2019 and the performance period for share units granted in 2018 terminates on December 31, 2020. Accordingly, these units are scheduled to vest, if at all, after the expected date of the Change of Control Event. When a Change of Control Event occurs, all unvested units will vest immediately based on the target level of achievement (i.e., 100% of the units granted to you initially) and the units will be settled in cash (less any required tax withholding).

The cash payment for any vested units will be equal to the number of vested units multiplied by 5.1 (which is the exchange ratio for the merger) multiplied by the weighted average price of New Amcor shares on the three trading days prior to settlement of the award.

4) Will I be responsible for any taxes?

Yes, you are responsible for the tax liability on your grant, based on your personal tax status and country of residency.

UNVESTED RESTRICTED STOCK AWARD POTENTIAL IMPACT FAQ

The following information is intended to aid you in understanding how the long-term incentive awards you may have received in 2016, 2017, and/or 2018 are impacted by the closing of the proposed Bemis/Amcors merger.

1) What is happening and when is it effective?

As announced on Monday, August 6, 2018, Amcor and Bemis have agreed to combine in an all-stock transaction. The closing of this transaction will constitute a Change of Control Event under the terms of the 2014 Stock Incentive Plan and all arrangements governing outstanding long-term incentive awards issued under that plan. The closing of the merger will occur after all closing conditions have been satisfied, including receipt of regulatory and shareholder approvals. The closing is currently anticipated to occur during the first quarter of 2019 but could potentially occur before or beyond such time period. If for any reason closing does not occur, there will be no Change of Control Event as a result of this transaction and normal plan provisions would continue to apply.

2) I received a grant in 2016. How are these share units impacted by this change?

The performance period for share units granted in 2016 terminates on December 31, 2018. We expect the 2016 restricted stock units (RSUs) will vest prior to the Change of Control Event, and therefore we expect to settle the vested units in accordance with the normal plan provisions.

On the first business day of 2019 (January 2, 2019), time-based share units will settle in the form of shares of Bemis stock (less shares forfeited to satisfy tax withholding requirements) that will be released in your name to EQ Shareowner Services (previously known as Wells Fargo Shareowner Services). On or about February 6, 2019, we expect the Compensation Committee will certify our relative Total Shareholder Return (TSR) performance results and any performance-based share units that are earned will settle in the form of Bemis stock (less shares forfeited to satisfy tax withholding requirements) that will be released in your name to EQ Shareowner Services.

Dividend equivalents accrued throughout the applicable vesting periods will be paid to you as a cash lump sum through your local payroll, subject to required tax withholding.

If closing occurs prior to the vesting and settlement of any of the 2016 units, they will be handled as described below.

3) I received a grant in 2017 and/or 2018. How are these share units impacted by this change?

Edgar Filing: BEMIS CO INC - Form DEFA14A

The performance period for share units granted in 2017 terminates on December 31, 2019 and the performance period for share units granted in 2018 terminates on December 31, 2020. Accordingly, these units are scheduled to vest, if at all, after the expected date of the Change of Control Event. When a Change of Control Event occurs, all unvested units will vest immediately based on the target level of achievement (i.e., 100% of the units granted to you initially) and the units will be settled in shares of New Amcor stock (less any shares forfeited to satisfy tax withholding requirements).

Upon the Change of Control Event, the settlement of share units granted in 2017 and 2018 will result in the issuance of 5.1 shares of New Amcor stock for every share of Bemis stock issuable to you. For

example, if you were originally granted share units for 100 shares of Bemis stock, those units will settle in 510 shares of New Amcor stock, less shares forfeited to satisfy tax withholding requirements, upon the closing of the proposed merger. Cash will be paid in lieu of fractional shares.

Dividend equivalents accrued up to the Change of Control Event and any cash payable in lieu of fractional shares will be paid as a cash lump sum through your local payroll, subject to required tax withholding.

These payments and distributions will be made to you no later than 10 business days after the closing of the merger.

4) Will I be responsible for any taxes?

US Participants: Yes, you will be responsible for the tax liability on the shares and cash you receive upon settlement of your units, based on your personal tax status. Shares and cash received in settlement of your units are subject to federal, state, local, FICA, and other employment taxes. We will withhold income taxes at the supplemental tax rate (22% federal rate, state rates vary) and withhold FICA and other employment taxes by withholding a number of shares that would otherwise be issued to you upon settlement of your units having a value equal to the required tax withholding for those shares. The net balance of shares will be transferred to your account. The actual amount of your tax liability may be different than the amount withheld, and you will be responsible for any difference.

Non-US Participants: Yes, you are responsible for the tax liability on the shares and cash you receive upon settlement of your units, based on your personal tax status and country of residency. If required, shares will be withheld upon the settlement of your units and applied to your tax liability, with the net balance of shares transferred to your account.
