99.1 Bemis Message to Employees, dated October 5, 2018

#### Exhibit 99.1

October 5, 2018

Colleagues,

Nine weeks ago, we announced a plan to combine Bemis and Amcor. When this is completed, we will be the global leader in consumer packaging with 50,000 employees and approximately 250 plants in more than 40 countries.

Over the past several weeks, we have kicked off the process to seek regulatory approval for the merger. This is a naturally-complex process that our team has been navigating well. We continue to expect the transaction to close sometime during the first quarter of 2019, dependent upon regulatory and shareholder approvals. Until the transaction has closed, Bemis and Amcor remain independent entities and will continue to operate independently.

Additionally, I am pleased to share that we have established an internal website for employees looking for information on the Bemis and Amcor merger. The site is designed to be a spot where you can locate all distributed communications and answers to questions you may have.

We anticipate that within the next month we will be formalizing the integration plan work streams and leaders. That said, for most within our organization, it is business as usual, and I appreciate your dedication to serving our customers and delivering our commitments.

Thank you for your continued energy and efforts in moving Bemis Company forward.

Best regards,

Bill Austen

President and Chief Executive Officer
