**PROXY STATEMENT FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MONDAY, APRIL 30, 2018**

Information About the Annual Meeting and Voting

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors (the "board of directors" or the "board") of ConforMIS, Inc. ("ConforMIS," "we" or "us") for use at the 2018 Annual Meeting of Stockholders (the "Annual Meeting") to be held on Monday, April 30, 2018, beginning at 4:30 p.m., Eastern time, at the offices of the Company, 600 Technology Park Drive, Billerica, Massachusetts 01821, United States, and at any adjournment or postponement thereof. On March 1, 2018, the record date for the determination of stockholders entitled to vote at the Annual Meeting, there were outstanding and entitled to vote an aggregate of 60,843,270 shares of our common stock, par value \$0.00001 per share ("common stock"). Each share of common stock entitles the record holder thereof to one vote on each of the matters to be voted on at the Annual Meeting.

Your vote is important no matter how many shares you own. Please take the time to vote. Take a moment to read the instructions below. Choose the way to vote that is easiest and most convenient for you, and cast your vote as soon as possible.

If you are the "record holder" of your shares, meaning that you own your shares in your own name and not through a bank, broker or other nominee, you may vote in one of four ways:

You may vote over the internet. You may vote your shares by following the "Vote by Internet" instructions on the (1) accompanying proxy card. If you vote over the internet, you do not need to vote by telephone or complete and mail your proxy card.

You may vote by telephone. You may vote your shares by following the "Vote by Phone" instructions on the (2) accompanying proxy card. If you vote by telephone, you do not need to vote over the internet or complete and mail your proxy card.

You may vote by mail. If you requested a proxy card by mail, you may vote by completing, dating and signing the (3) proxy card delivered and promptly mailing it in the postage-paid envelope provided. If you vote by mail, you do not need to vote over the internet or by telephone.

You may vote in person. If you attend the Annual Meeting, you may vote by delivering your completed proxy card (4) in person or you may vote by completing a ballot at the Annual Meeting. Ballots will be available at the Annual Meeting.

All proxies that are executed or are otherwise submitted over the internet or by telephone will be voted on the matters set forth in the accompanying Notice of Annual Meeting of Stockholders in accordance with the instructions set forth herein. However, if no choice is specified on a proxy as to one or more of the proposals, the proxy will be voted in accordance with the board of directors' recommendations on such proposals as set forth in this proxy statement.

After you have submitted a proxy, you may still change your vote and revoke your proxy prior to the Annual Meeting by doing any one of the following things:

• submitting a new proxy by following the "Vote by Internet" or "Vote by Phone" instructions on the accompanying proxy card by 11:59 p.m., Eastern time, the day before the Annual Meeting;

• if you requested a proxy card by mail, by signing such proxy card and either arranging for delivery of that proxy card by mail prior to the start of the Annual Meeting, or by delivering that signed proxy card in person at the Annual

Meeting;

• giving our General Counsel a written notice before or at the Annual Meeting that you want to revoke your proxy; or
• voting in person at the Annual Meeting.

TABLE OF CONTENTS

Your attendance at the Annual Meeting alone will not revoke your proxy.

If the shares you own are held in street name by a bank, broker or other nominee record holder, which we collectively refer to in this proxy statement as brokerage firms, your brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your brokerage firm provides you. Many brokerage firms also offer the option of voting over the internet or by telephone, instructions for which, if available, would be provided by your brokerage firm on the voting instruction form that it delivers to you. Because most brokerage firms are member organizations of the New York Stock Exchange, or NYSE, the rules of the NYSE will likely govern how your brokerage firm would be permitted to vote your shares in the absence of instruction from you. Under the current rules of the NYSE, if you do not give instructions to your brokerage firm, it will still be able to vote your shares with respect to certain discretionary items, but will not be allowed to vote your shares with respect to certain non-discretionary items. The ratification of Grant Thornton LLP as our independent registered public accounting firm (Proposal 2) is considered to be a discretionary item under the NYSE rules, and your brokerage firm will be able to vote your shares with respect to that proposal even if it does not receive instructions from you, so long as it holds your shares in its name. The election of class III directors (Proposal 1) is a non-discretionary item, meaning that if you do not instruct your brokerage firm on how to vote with respect to Proposal 1, your brokerage firm will not vote your shares with respect to that proposal and your shares will be counted as broker non-votes. Broker non-votes are shares that are held in street name by a brokerage firm that indicates on its proxy that it does not have or did not exercise discretionary authority to vote on a particular matter.

If your shares are held in street name and you plan to attend the Annual Meeting in person, you must bring an account statement from your brokerage firm showing that you are the beneficial owner of the shares as of the record date (March 1, 2018) in order to be admitted to the Annual Meeting. To be able to vote your shares held in street name at the Annual Meeting, you will need to obtain a proxy card from the holder of record.

Votes Required

The holders of a majority of the shares of our common stock issued and outstanding and entitled to vote at the Annual Meeting will constitute a quorum for the transaction of business at the Annual Meeting. Shares of common stock represented in person or by proxy (including shares which abstain or do not vote with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum is present at the Annual Meeting. If a quorum is not present, the meeting may be adjourned until a quorum is obtained. The following votes are required for approval of the proposals being presented at the Annual Meeting:

Proposal 1: To Elect Two Class III Directors. The two nominees for director receiving the highest number of votes FOR election will be elected as directors. This is called a plurality.

Proposal 2: To Ratify the Selection of Grant Thornton LLP as ConforMIS's Independent Registered Public Accounting Firm for the Fiscal Year Ending December 31, 2018. The affirmative vote of the holders of shares of common stock representing a majority of the votes cast on the matter is required for the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm for the current fiscal year.

Shares that abstain from voting as to a particular matter and shares held in street name by brokerage firms who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter will not be counted as votes in favor of such matter, and will also not be counted as shares voting on such matter. Accordingly, abstentions and broker non-votes will have no effect on the voting on the proposals referenced above.

This proxy statement, the accompanying proxy card and our 2017 annual report to stockholders were first made available to stockholders on or about March 21, 2018.

Board Composition

In accordance with the terms of our restated certificate of incorporation and amended and restated by-laws, our board of directors is divided into three classes, class I, class II and class III, with members of each class serving staggered three-year terms. At the Annual Meeting, the terms of Dr. Philipp Lang and Mr. Langdale will expire as class III directors.

The board of directors, upon the recommendation of our nominating and corporate governance committee, determined to reduce the size of the board of directors to six directors effective as of the Annual Meeting. The Company's amended and restated by-laws require each class to consist, as nearly as may be possible, of one-third of the total number of directors constituting the entire board of directors. To achieve this equal balance, our board of directors, upon the recommendation of our nominating and corporate governance committee, nominated Mr. Langdale for re-election as a class III director and nominated Kenneth Fallon III to stand for election as a class III director at the Annual Meeting as a successor to current class III director Dr. Lang.

In connection with the board of director's decision to nominate him as a class III director, Mr. Fallon notified the Board of his intention to resign as a class I director at the Annual Meeting, contingent upon his election as a class III director at such meeting. Mr. Fallon's decision to resign as a class I director was solely to facilitate his election as a class III director at the Annual Meeting and was not a result of any disagreement with the Company on any matter relating to the Company's operations, policies or practices. For all purposes, Mr. Fallon's service on our board of directors, including his service as the Chairman of our board of directors and as chair of the Company's nominating and corporate governance committee, will continue uninterrupted.

TABLE OF CONTENTS

The board of directors, upon the recommendation of the nominating and corporate governance committee, has nominated Kenneth Fallon III and Bradley Langdale for election to the board as class III directors, each to hold office until the 2021 Annual Meeting of Stockholders and until his successor has been duly elected and qualified or until his earlier death, resignation or removal.

Prior to the Annual Meeting, the members of the classes are follows:

the class I directors are Mark Augusti, Kenneth Fallon III and Richard Meelia, and their terms will expire at the 2019 Annual Meeting of Stockholders;

the class II directors are Philip W. Johnston and Michael Milligan, and their terms will expire at the 2020 Annual Meeting of Stockholders; and

the class III directors are Philipp Lang and Bradley Langdale, and their terms will expire at the 2018 Annual Meeting of Stockholders.

Mr. Fallon serves as the Chairman of the board of directors.

The board of directors knows of no reason why any of the nominees for director at the Annual Meeting would be unable or unwilling to serve, but if any nominee should for any reason be unable or unwilling to serve, the proxies will be voted for the election of such other person for the office of director as the board of directors may recommend in the place of such nominee.

Our directors hold office until their successors have been elected and qualified or until their earlier resignation or removal. Our restated certificate of incorporation and amended and restated by-laws provide that our directors may be removed only for cause by the affirmative vote of the holders of at least 75% of the votes that all our stockholders would be entitled to cast in an annual election of directors, and that any vacancy on our board of directors, including a vacancy resulting from an enlargement of our board of directors, may be filled only by vote of a majority of our directors then in office.

Board Leadership Structure

Our corporate governance guidelines provide that the nominating and corporate governance committee shall periodically assess the board of director's leadership structure, including whether the offices of chief executive officer and chairman of the board of directors should be separate. Our guidelines provide the board of directors with flexibility to determine whether the two roles should be combined or separated based upon our needs and the board of directors' assessment of its leadership from time to time. We currently separate the roles of chief executive officer and chairman of the board of directors. Our president and chief executive officer is responsible for setting the strategic direction for our company and the day-to-day leadership and performance of our company, while our chairman of the board of directors presides over meetings of the board of directors, including executive sessions of the board of directors, and performs oversight responsibilities. The board of directors has not appointed a lead independent director. Our board of directors has three standing committees that currently consist of, and are chaired by, independent directors. Our board of directors delegates certain responsibilities to the committees, which then report their activities and actions back to the full board of directors. We believe that the independent committees of our board of directors and their chairpersons promote effective independent governance. We believe this structure represents an appropriate allocation of roles and responsibilities for our company at this time because it strikes an effective balance between management and independent leadership participation in our board of directors' proceedings.

Board Determination of Independence

Rule 5605 of the NASDAQ Listing Rules requires a majority of a listed company's board of directors to be composed of independent directors within one year of listing. In addition, the NASDAQ Listing Rules require that, subject to

specified exceptions, each member of a listed company's audit, compensation and nominating and corporate governance committees be independent and that audit committee members also satisfy independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act.

Under Rule 5605(a)(2) of the NASDAQ Listing Rules, a director will only qualify as an independent director if, in the opinion of our board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In order to be considered independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may

TABLE OF CONTENTS

not, other than in his or her capacity as a member of the audit committee, the board of directors or any other board committee: (1) accept, directly or indirectly, any consulting, advisory or other compensatory fee from the listed company or any of its subsidiaries; or (2) be an affiliated person of the listed company or any of its subsidiaries. In addition, in affirmatively determining the independence of any director who will serve on a company's compensation committee, Rule 10C-1 under the Exchange Act requires that a company's board of directors consider all factors specifically relevant to determining whether a director has a relationship to such company which is material to that director's ability to be independent from management in connection with the duties of a compensation committee member, including, but not limited to: (1) the source of compensation of the director, including any consulting, advisory or other compensatory fee paid by such company to the director; and (2) whether the director is affiliated with the company or any of its subsidiaries or affiliates.

In 2018, our board of directors undertook a review of the composition of our board of directors and its committees and the independence of each director. Based upon information requested from and provided by each director concerning his background, employment and affiliations, including family relationships, our board of directors has determined that each of our current directors, with the exceptions of Mr. Augusti and Dr. Lang, is an independent director as defined under Rule 5605(a)(2) of the NASDAQ Listing Rules. Our board of directors also determined that Bradley Langdale, Richard Meelia and Michael Milligan, who currently constitute our audit committee, and Kenneth Fallon III, Bradley Langdale and Richard Meelia, who constitute our compensation committee, satisfy the independence standards for such committees established by the SEC and the NASDAQ Listing Rules, as applicable. In making such determinations, our board of directors considered the relationships that each such non-employee director has with our company and all other facts and circumstances our board of directors deemed relevant in determining independence, including the beneficial ownership of our capital stock by each non-employee director.

There are no family relationships among any of our directors or executive officers.

Board Committees

Our board of directors has established an audit committee, a compensation committee and a nominating and corporate governance committee, each of which operates under a charter that has been approved by our board. The audit committee met six times during 2017.

Mr. Fallon is the chair of the nominating and corporate governance committee. Contingent upon his election as a class III director at the Annual Meeting, Mr. Fallon will remain the chair and a member of the nominating and corporate governance committee. Due to his membership on the audit committee and the compensation committee, Mr. Meelia has decided to resign from the nominating and corporate governance committee as of the Annual Meeting, and, upon the recommendation of the nominating and corporate governance committee, the board of directors has appointed Mr. Johnston as a member of the nominating and corporate governance committee effective as of the Annual Meeting to replace Mr. Meelia.

Our nominating and corporate governance committee's responsibilities include:

• identifying individuals qualified to become members of our board;
• recommending to our board the persons to be nominated for election as directors and to each of our board's committees;

Compensation Committee Interlocks and Insider Participation

The current members of our compensation committee are Kenneth Fallon III, Bradley Langdale, and Richard Meelia. None of our directors who sat on our compensation committee in 2017 is an officer or employee of ConforMIS, Inc., nor have they ever been an officer or employee of ConforMIS, Inc. None of our executive officers serves, or in the past has served, as a member of the board of directors or compensation committee, or other committee serving an equivalent function, of any entity that has one or more executive officers who serve or served as members of our board of directors or our compensation committee in 2017.

Board Meetings and Attendance

Our board of directors met fourteen times during 2017. During 2017 each director attended at least 75% of the aggregate of the number of board meetings and the number of meetings held by all committees of the board on which he then served. Philip W. Johnston attended 100% of the aggregate number of board meetings since his election to the board of directors in May 2017.

Our directors are expected to attend our annual meetings of stockholders. In 2017, Messrs. Augusti, Fallon and Johnston attended the Annual Meeting of Stockholders.

Board Processes

Oversight of Risk

Our board oversees our risk management processes directly and through its committees. Our management is responsible for risk management on a day-to-day basis. The role of our board and its committees is to oversee the risk management activities of management. They fulfill this duty by discussing with management the policies and practices utilized by management in assessing and managing risks and providing input on those policies and practices. In general, our board oversees risk management activities relating to business strategy, acquisitions, capital raising and allocation, organizational structure and certain operational risks; our audit committee oversees risk management activities related to financial controls and legal and compliance risks; our nominating and corporate governance committee oversees risk management activities relating to board composition and management succession planning; and our compensation committee oversees risk management activities relating to our compensation policies and practices. Each committee reports to the full board on a regular basis, including reports with respect to the committee's risk oversight activities as appropriate. In addition, since risk issues often overlap, committees from time to time request that the full board discuss particular risks.

Director Nomination Process

The process followed by our nominating and corporate governance committee to identify and evaluate director candidates includes the use of a search firm to assist us in identifying qualified directors, and may also include requests to board members and others for recommendations, evaluation of the performance on our board and its committees of any existing directors being considered for nomination, consideration of biographical information and background material relating to potential candidates and, particularly in the case of potential candidates who are not then serving on our board, interviews of selected candidates by members of the committee and our board.

In considering whether to recommend any particular candidate for inclusion in our board's slate of recommended director nominees, our nominating and corporate governance committee applies the criteria set forth in our corporate

governance guidelines described below under -Corporate Governance Guidelines. Our priority in selection of board members is identification of members who will further the interests of our stockholders through his or her established record of professional accomplishment, the ability to contribute positively to the collaborative culture among board members, knowledge of our business and understanding of the competitive landscape.

Our nominating and corporate governance committee does not have a policy (formal or informal) with respect to diversity, but believes that our board, taken as a whole, should embody a diverse set of skills, experiences and backgrounds. In this regard, the nominating and corporate governance committee also takes into consideration the diversity (with respect to gender, race and national origin) of our board members. The nominating and corporate governance committee does not make any particular weighting of diversity or any other characteristic in evaluating nominees and directors.

TABLE OF CONTENTS

The nominee biographies under Board of Directors-Members of Our Board of Directors indicate the experience, qualifications, attributes and skills of each of our director nominees that led our nominating and corporate governance committee and our board to conclude each of the nominees should serve as a director of ConforMIS. Our nominating and corporate governance committee and our board believe that each of the nominees has the individual attributes and characteristics required of each of our directors, and that the nominees as a group possess the skill sets and specific experience desired of our board as a whole.

Stockholders may recommend individuals for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials, and information with respect to the stockholder or group of stockholders making the recommendation, including the number of shares of common stock owned by such stockholder or group of stockholders, to our General Counsel at ConforMIS, Inc., Attention: General Counsel, 600 Technology Park Drive, Billerica, MA 01821. The specific requirements for the information that is required to be provided for such recommendations to be considered are specified in our by-laws and must be received by us no later than the date referenced below in Other Matters-Deadline for Submission of Stockholder Proposals for 2019 Annual Meeting of Stockholders. Assuming that appropriate biographical and background material has been provided on a timely basis, the nominating and corporate governance committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

Communications with Stockholders

Our management will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Stockholders may communicate with our management by writing to our General Counsel at ConforMIS, Inc., Attention: General Counsel, 600 Technology Park Drive, Billerica, MA 01821 or by calling (781) 345-9001. Additional information about contacting ConforMIS is posted under the heading IR Contacts on the Investor Relations section of our website, which is located at www.ir.conformis.com.

In addition, stockholders who wish to communicate with our entire board may do so by writing to Kenneth Fallon III, Chairman of the Board, c/o ConforMIS, Inc., 600 Technology Park Drive, Billerica, MA 01821. Communications will be forwarded to other directors if they relate to substantive matters that the Chairman of the Board considers appropriate for attention by the other directors. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances or matters as to which we tend to receive repetitive or duplicative communications.

Corporate Governance Guidelines

Our board of directors has adopted corporate governance guidelines to assist in the exercise of its duties and responsibilities and to serve the best interests of our Company and our stockholders. The guidelines provide that:

- our board's principal responsibility is to oversee the management of our Company;
- except as may otherwise be permitted by the NASDAQ Marketplace Rules, a majority of the members of our board must be independent directors;
- the independent directors meet in executive session at least twice a year;
- directors have full and free access to management and, as necessary, independent advisors;
- new officers and directors may participate in an orientation program and all directors are expected to participate in continuing director education on an ongoing basis; and
- our nominating and corporate governance committee will oversee a periodic self-evaluation of the board to determine whether the board and its committees are functioning effectively.

A copy of the corporate governance guidelines is posted under the heading Corporate Governance on the Investor Relations section of our website, which is located at www.ir.conformis.com.

Board Policies

Related-Person Transactions

Our board of directors has adopted written policies and procedures for the review of any transaction, arrangement or relationship in which we are a participant, the amount involved exceeds \$120,000 and one of our executive officers, directors, director nominees or 5% stockholders (or their immediate family members), each of whom we refer to as a related person, has a direct or indirect material interest.

If a related person proposes to enter into such a transaction, arrangement or relationship, which we refer to as a related-person transaction, the related person must report the proposed related-person transaction to our Chief Financial Officer or General Counsel. The policy calls for the proposed related-person transaction to be reviewed and, if deemed appropriate, approved by the audit committee of our board of directors. Whenever practicable, the reporting, review and approval will occur prior to entry into the transaction. If advance review and approval is not practicable, the audit committee will review and, in its discretion, may ratify the related-person transaction. The policy also permits the chairman of the audit committee to review and, if deemed appropriate, approve proposed related-person transactions that arise between audit committee meetings, subject to ratification by the committee at its next meeting. Any related-person transactions that are ongoing in nature will be reviewed annually.

A related-person transaction reviewed under the policy will be considered approved or ratified if it is authorized by the audit committee after full disclosure of the related person's interest in the transaction. As appropriate for the circumstances, the audit committee will review and consider:

- the related person's interest in the related-person transaction;
- the approximate dollar value of the amount involved in the related-person transaction;
- the approximate dollar value of the amount of the related person's interest in the transaction without regard to the amount of any profit or loss;
- whether the transaction was undertaken in the ordinary course of our business;
- whether the terms of the transaction are no less favorable to us than terms that could have been reached with an unrelated third party;
- the purpose of, and the potential benefits to us of, the related-person transaction; and
- any other information regarding the related-person transaction or the related person in the context of the proposed transaction that would be material to investors in light of the circumstances of the particular transaction.

The audit committee may approve or ratify the transaction only if the audit committee determines that, under all of the circumstances, the transaction is not inconsistent with our best interests. The audit committee may impose any conditions on the related-person transaction that it deems appropriate.

In addition to the transactions that are excluded by the instructions to the SEC's related-person transaction disclosure rule, the board of directors has determined that the following transactions do not create a material direct or indirect interest on behalf of related persons and, therefore, are not related-person transactions for purposes of this policy:

- interests arising solely from the related person's position as an executive officer of another entity (whether or not the person is also a director of such entity) that is a participant in the transaction, where (a) the related person and all other related persons own in the aggregate less than a 10% equity interest in such entity; (b) the related person and his or her immediate family members are not involved in the negotiation of the terms of the transaction and do not receive any special benefits as a result of the transaction; (c) the amount involved in the transaction equals less than the greater of \$1 million dollars or 2% of the annual gross revenues of the other entity that is a party to the transaction; and (d) the amount involved in the transaction equals less than 2% of our annual gross revenues; and
- a transaction that is specifically contemplated by provisions of our charter or by-laws.

The policy provides that transactions involving compensation of executive officers shall be reviewed and approved by the compensation committee in the manner specified in its charter.

TABLE OF CONTENTS

Other than the compensation arrangements for our named executive officers and directors, which are described elsewhere in the Executive Compensation and Director Compensation sections of this proxy statement, set forth below is a description of transactions since January 1, 2017 to which we were or will be a party, and in which

the amounts involved exceeded or will exceed \$120,000; and any of our directors, executive officers, nominees for director or holders of more than 5% of our capital stock, or any member of the immediate family of, or person sharing the household with, the foregoing persons, had or will have a direct or indirect material interest.

We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that would be paid or received, as applicable, from unrelated third parties.

Registration Rights Agreement with Certain Stockholders

In June 2015, we entered into an amended and restated information and registration rights agreement, which we refer to as the Registration Rights Agreement, with holders of our preferred stock prior to the conversion of our preferred stock into common stock immediately following the closing of our initial public offering in July 2015, including some of our 5% stockholders and their affiliates and entities affiliated with our directors. The Registration Rights Agreement provides these holders the right, subject to certain limitations, to demand that we file a registration statement or request that their shares be covered by a registration statement that we are otherwise filing.

Subject to specified limitations set forth in the Registration Rights Agreement, the holders of at least 25% of the then outstanding registrable shares may at any time demand in writing that we register all or a portion of the registrable shares under the Securities Act on Form S-3 for an offering of at least 25% of the then outstanding registrable shares having an anticipated aggregate offering price to the public, net of selling expenses, of at least \$5 million, which we refer to as a Resale Registration Statement. We are not obligated to effect a registration pursuant to a Resale Registration Statement on more than one occasion.

If we propose to file a registration statement to register any of our common stock under the Securities Act in connection with a public offering of such common stock, other than pursuant to certain specified registrations, the holders of our registrable shares are entitled to notice of registration and, subject to specified exceptions, including market conditions, we will be required, upon the holder's request, to register their then held registrable shares. In the event that any registration in which the holders of registrable shares participate pursuant to our Registration Rights Agreement is an underwritten public offering, we agree to enter into an underwriting agreement for such offering.

Other than these registration rights described above, the rights granted to holders of our preferred stock under the Registration Rights Agreement terminated upon the closing of our initial public offering.

Revenue Sharing Agreement with Dr. Lang

In September 2011, we entered into an amended and restated revenue sharing agreement with Philipp Lang, M.D., our former Chief Executive Officer, which amended and restated a similar agreement entered into in 2008 when Dr. Lang stepped down as chair of our scientific advisory board and became our Chief Executive Officer. This agreement provides that we will pay Dr. Lang on an annual basis 1.33% of our net revenues up to and including \$125 million and 1.1667% of our net revenues in excess of \$125 million with respect to our iTotal CR, iTotal PS, as well as certain other knee, hip and shoulder replacement products and related instrumentation that we may develop in the future (Amended and Restated Revenue Sharing Agreement). This agreement also provides that we will pay Dr. Lang on an annual basis 1.0% of our net revenues up to and including \$125 million and 0.875% of our net revenues in excess of \$125 million with respect to our iUni and iDuo products, as well as certain other knee replacement or resurfacing

products, modifications to any of our knee, hip or shoulder products made by us with Dr. Lang's assistance in the future and patient-specific, non-revision-implant instrumentation we may develop in the future. Our obligation to pay Dr. Lang applies to those of our products that are covered by a valid claim of a patent assigned to us in the country in which we sell those products and on which Dr. Lang is a named inventor. Our payment obligations expire on a product-by-product basis on the last to expire of patents owned by us on which Dr. Lang is a named inventor

that claim the applicable product. These payment obligations survived termination of Dr. Lang's employment with us and will survive expiration of his term as a class III director. Under this agreement, we incurred obligations to pay Dr. Lang \$987,000 for the year ended December 31, 2017.

Code of Business Conduct and Ethics

Our board of directors has adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of the code of business conduct and ethics is posted under the heading "Corporate Governance" on the Investor Relations section of our website, which is located at <http://ir.conformis.com>. In addition, we intend to post on our website all disclosures that are required by law or the NASDAQ Marketplace Rules concerning any amendments to, or waivers from, any provision of our code of business conduct and ethics.

Narrative Disclosure to Summary Compensation Table

We review compensation annually for all employees, including our executives. In setting executive base salaries and bonuses and granting equity incentive awards, we consider compensation for comparable positions in the market, the historical compensation levels of our executives, individual performance as compared to our expectations and objectives, our desire to motivate our employees to achieve short- and long-term results that are in the best interests of our stockholders, and a long-term commitment to our company. We do not target a specific competitive position or a specific mix of compensation among base salary, bonus or long-term incentives.

Our board of directors has historically determined our executives' compensation. Our compensation committee typically reviews and discusses management's proposed compensation with our Chief Executive Officer for all executives other than our Chief Executive Officer. Based on those discussions and its discretion, the compensation committee then recommends to our board of directors the compensation for each executive officer and our Chief Executive Officer, including equity-based awards. The compensation committee has the authority to approve the cash compensation of our executive officers, but has historically made recommendations to our board of directors regarding such compensation. Our board of directors, without members of management present, discusses the compensation committee's recommendations and ultimately approves the compensation of

our executive officers, including our Chief Executive Officer. We engaged Frederic W. Cook & Co. (FW Cook) as our independent compensation consultant to review our executive compensation peer group and program design and assess our executives' compensation relative to comparable companies.

We use base salaries to recognize the experience, skills, knowledge and responsibilities required of all our employees, including our named executive officers. None of our named executive officers is currently party to an employment agreement or other agreement or arrangement that provides for automatic or scheduled increases in base salary.

In 2017, we paid base salaries of \$520,000 to Mr. Augusti, \$350,097 to Mr. Weiner and \$322,390 to Dr. Steines. In 2016, we paid base salaries of \$69,001 to Mr. Augusti, \$350,479 to Dr. Lang, \$336,600 to Mr. Weiner and \$299,971 to Dr. Steines. Mr. Augusti's employment began on November 14, 2016 and, as a result, the amount shown in the Salary column of the Summary Compensation Table for 2016 reflects payments made to him from the period between November 14, 2016 and December 31, 2016. For 2016, Mr. Augusti's annualized base salary was \$520,000.

Our board of directors has, in its discretion, awarded cash bonuses and granted equity awards in the form of restricted stock or stock options as bonuses to our executive officers from time to time in the past, and may award cash bonuses and grant equity awards as bonuses to our executive officers in the future. In February 2017, our compensation committee recommended, and our board of directors approved, a 2017 employee bonus and stock incentive plan. Pursuant to this plan, in May 2017, we awarded shares of restricted common stock to our named executive officers as follows: Mr. Augusti: 95,602 shares of common stock; Mr. Weiner: 47,801 shares of common stock; and Dr. Steines: 44,814 shares of common stock with such shares vesting over a four year period, with respect to 25% of the shares on each of the next four successive anniversaries of the Vesting Start Date. In addition, we granted stock options for common stock to our named executive officers as follows: Mr. Augusti: 190,114 stock options; Mr. Weiner: 95,057 stock options; and Dr. Steines: 89,116 stock option, with such stock options vesting in equal monthly installments commencing on June 15, 2017 through May 15, 2021, subject to the employee's continued service to the Company and further subject to any written employment agreement with the Company in effect as of the grant date.

Pursuant to the terms and provisions of the 2015 Plan and the Company's form of Restricted Stock Agreement under the 2015 Plan, in August 2017, we awarded additional incentive shares of restricted common stock to: Mr. Augusti: 100,000 shares; Mr. Weiner: 33,000 shares; and Dr. Steines: 20,000 shares, with such shares vesting over a four year period, with respect to 25% of the shares on each of the next four successive anniversaries of the Vesting Start Date, subject to the employee's continued service to the Company and further subject to any written employment agreement with the Company in effect as of the grant date.

In December 2017, we approved discretionary bonus awards pursuant to the Company's 2017 Employee Bonus and Stock Incentive Plan (the 2017 Bonus Plan) to certain employees of the Company, including the Company's executive officers. In lieu of cash, bonuses were granted as shares of stock, in a number based on the average closing price of the Company's stock on the Nasdaq Global Select Market for the 60 calendar days preceding the grant date (the Bonus Shares). The Bonus Shares were fully vested on the grant date. The target bonus under the 2017 Bonus Plan was a percentage of an individual employee's base salary, and is earned based on the achievement of individual and corporate performance objectives, including achieving revenue and gross margin performance targets determined by the Committee. Based on its evaluation of Company performance and the recommendation of the Committee, the Board awarded bonuses equivalent to 40% of the target bonuses, and approved the following grants of Bonus Shares to the Company's executive officers as follows: Mr. Augusti: 48,844 shares of common stock; Mr. Weiner: 21,923 shares of common stock; and Dr. Steines: 16,150 shares of common stock. No annual cash bonus payments were made under our 2017 cash bonus award program.

As part of our annual compensation-setting process, in February 2018, our compensation committee recommended, and our board of directors approved, an employee bonus and stock incentive plan for the 2018 calendar year, or the

2018 Bonus Plan. Under the 2018 Bonus Plan, certain employees, including our named executive officers, are eligible to earn a cash bonus and to receive awards of equity. Each of our named executive officers is eligible to receive an annual cash bonus that is based on a percentage of their annual base salary as follows: Mr. Augusti: 75%; Mr. Weiner: 50%; and Dr. Steines: 40%. The cash bonus is based a combination of financial and individual performance in 2018, including achieving revenue and gross margin performance targets based on recommendations from our compensation committee, and, subject to performance

under the 2018 plan, any cash bonus will be paid in 2019. The determination of whether a bonus will be granted to any employee, and the amount of any such bonus, will also be determined by the board of directors in its sole discretion. In addition, each of our named executive officers is eligible to receive an annual equity grant pursuant to the 2018 Bonus Plan where such equity grant will be determined by our compensation committee and approved by our board of directors (or a committee delegated by our board of directors).

Agreements with Named Executive Officers

We entered into an employment agreement, dated October 19, 2016, with Mark Augusti and, on December 2, 2016 the board of directors approved an amendment and restatement of that agreement (as amended and restated, the

Employment Agreement) which sets forth certain terms of Mr. Augusti's employment. Pursuant to the terms of the Employment Agreement, Mr. Augusti receives an annual base salary of \$520,000. In addition, Mr. Augusti received a one-time signing bonus of \$200,000 and he is eligible to receive an annual target performance bonus of 75% of his annual base salary. The actual performance bonus percentage is discretionary and will be subject to the board of director's assessment of Mr. Augusti's performance as well as general business conditions at the Company. In connection with his Employment Agreement, the board granted to Mr. Augusti an incentive stock option to purchase shares of our common stock having a Black Scholes value of \$800,000 (the Option Grant) under our stock incentive plan (the Plan). The Option Grant vested and became exercisable with respect to 25% of the total number of shares on December 2, 2017 and the remainder of the Option Grant vests in equal monthly installments over a three-year period. Mr. Augusti also received a restricted stock award for 44,750 shares of our common stock (the RSA Grant) under the Plan. The RSA Grant will vest in four equal installments on each anniversary of the grant. Mr. Augusti is also eligible to participate in all of our customary employee benefit plans or programs generally available to our full-time employees and/or executive officers. In the event Mr. Augusti's employment is terminated without cause, Mr. Augusti will be eligible to receive severance pay in the form of salary continuation on our standard payroll dates following the termination date. Mr. Augusti will also receive a continuation of group health insurance coverage through COBRA with the cost of such benefits to be shared in the same relative proportion by the Company and Mr. Augusti as in effect on the date of termination. In the event of a change in control of the Company, Mr. Augusti will be entitled to accelerated vesting of his then unvested equity grants.

In February 2017, Mr. Augusti became eligible to receive initial annual long-term incentive equity awards with an aggregate target value of up to \$800,000 under the Company's long-term incentive program. Pursuant to Company's long-term incentive program, in May 2017 we awarded 95,602 shares of restricted common stock to Mr. Augusti having an approximate value of \$500,000, calculated using the 60-day average closing price of the common stock on the date of grant, and an option to acquire 190,114 shares of the Company's common stock having an approximate value of as of the date of grant of \$500,000, based on a Black Scholes value calculated using the 60-day average closing price of the common stock on the date of grant. The Restricted Stock Award was granted under and subject to the terms of the Company's 2015 Stock Incentive Plan and will vest in equal annual installments over a four (4) year period beginning on the first anniversary of the date of grant subject to Mr. Augusti's continued employment on each applicable vesting date; and otherwise is subject to the terms of the Company's standard form of restricted stock award agreement and the annual long-term incentive program. The Stock Option was granted under and subject to the terms of the Company's 2015 Stock Incentive Plan; has an exercise price equal to the fair market value of the Company's common stock on the date of grant; will vest in equal monthly installments over a four (4) year period, subject to Mr. Augusti's continued employment with the Company on each applicable vesting date; and otherwise is subject to the terms as are set forth in the Company's standard form of stock option agreement and the annual long-term incentive program.

Pursuant to the terms and provisions of the 2015 Plan and the Company's form of Restricted Stock Agreement under the 2015 Plan, in August 2017, we granted an additional incentive award of 100,000 shares of restricted common stock to Mr. Augusti, with such shares vesting over a four year period, with respect to 25% of the shares on each of the next four successive anniversaries of the Vesting Start Date, subject Mr. Augusti's continued service to the Company and further subject to his Employment Agreement.

On September 14, 2017, ConforMIS, Inc. (the Company) entered into an amendment (the Amendment) to its Employment Agreement with Mark Augusti. The Amendment is effective as of August 1, 2017 and provides that the Company will reimburse Mr. Augusti up to an aggregate of \$125,000 of relocation expenses incurred through August

1, 2017 (Relocation Expenses), and, beginning August 2, 2017, up to \$25,000 per calendar quarter for moving and commuting expenses as well as other costs incurred by him or his immediate family in traveling to and from his residence in North Carolina to his temporary residence in Massachusetts, until either Mr. Augusti establishes a principal residence in Massachusetts or the Board of Directors determines in its sole discretion that the payment of such expenses is no longer required. Additionally, the Amendment conforms the original terms of Mr. Augusti's annual long-term incentive award (the Long-Term Incentive Award) entitlement to the terms of the grant that was granted to Mr. Augusti by the Company's Board of Directors in May 2017.

In December 2017, we approved discretionary bonus awards pursuant to the Company's 2017 Employee Bonus and Stock Incentive Plan (the "2017 Bonus Plan") to certain employees of the Company, including the Company's executive officers. In lieu of cash, bonuses were granted as shares of restricted stock, in a number based on the average closing price of the Company's stock on the Nasdaq Global Select Market for the 60 calendar days preceding the grant date (the "Bonus Shares"). The Bonus Shares were fully vested as of the grant date. The target bonus under the 2017 Bonus Plan is a percentage of an individual employee's base salary, and is earned based on the achievement of individual and corporate performance objectives, including achieving revenue and gross margin performance targets determined by the Committee. Based on its evaluation of Company performance and the recommendation of the Committee, the Board awarded bonuses equivalent to 40% of the target bonuses, and approved a grant of Bonus Shares of 48,844 shares of restricted common stock to Mr. Augusti. Mr. Augusti received no annual cash bonus payment under our 2017 cash bonus award program.

On March 14, 2018, the board of directors approved an annual salary for 2018 for Mr. Augusti of \$535,600.

In May 2015, we entered into amended and restated employment agreements with Mr. Weiner and Dr. Steines. Each of these agreements provides that the named executive officer's employment will continue until either we or the executive provides written notice of termination in accordance with the terms of the agreement. In addition, we have agreements with each of our named executive officers that prohibit the executive from disclosing confidential information and from competing with us during the term of his employment and for a specified time thereafter, where permitted under applicable law, and that provides for the assignment of intellectual property rights to us. In June 2016, we entered into retention agreements with Mr. Weiner and Dr. Steines that provide for certain retention benefits from the effective date of those agreements until the one-year anniversary of the hiring of our President and Chief Executive Officer, Mark Augusti. The retention agreements provide, among other things, a grant of stock having an aggregate value equal to one-year of the executive's base salary as of the date of grant on August 15, 2016, using the average of the closing trading price of the Company's common stock during the period from and including May 18, 2016 to August 15, 2016, which vests in full on November 14, 2017. The retention agreements also provide for payment of base salary and vesting of all outstanding unvested equity awards that would have vested during an extended severance period. The extended severance period is twelve months through the first anniversary of the hiring of Mr. Augusti, or November 14, 2017, and thereafter is reduced by one month at the end of each month following the first anniversary until the severance period reduces to six months. On March 9, 2018, we entered into second amendments of the amended and restated employment agreements with Mr. Weiner and Dr. Steines providing clarification that upon a termination by the executive for good reason or a termination by the Company other than for cause, the Company will pay the executive (i) any bonus accrued by the Company or approved by the board of directors for the year prior to such termination, unless already paid, and (ii) a bonus determined by the board of directors for the year in which such termination occurs, with all targets, goals, milestones and other contingencies deemed to have been met by the Company and the executive for such year.

Pursuant to the terms and provisions of the 2015 Plan and the Company's form of Restricted Stock Agreement under the 2015 Plan, in August 2017, we awarded additional incentive shares of restricted common stock to Mr. Weiner: 33,000 shares; and Dr. Steines: 20,000 shares, with such shares vesting over a four year period, with respect to 25% of the shares on each of the next four successive anniversaries of the vesting start date, subject to the employee's continued service to the Company and further subject to the amended and restated employment agreements as amended with Mr. Weiner and Dr. Steines.

In December 2017, we approved discretionary bonus awards pursuant to the Company's 2017 Employee Bonus and Stock Incentive Plan (the "2017 Bonus Plan") to certain employees of the Company, including the Company's executive officers. In lieu of cash, bonuses were granted as shares of restricted stock, in a number based on the average closing price of the Company's stock on the Nasdaq Global Select Market for the 60 calendar days preceding the grant date (the "Bonus Shares"). The Bonus Shares were fully vested as of the grant date. The target bonus under the 2017 Bonus

Plan is a percentage of an individual employee's base salary, and is earned based on the achievement of individual and corporate performance objectives, including achieving revenue and gross margin performance targets determined by the Committee. Based on its evaluation of Company performance and the recommendation of the Committee, the Board awarded bonuses equivalent to 40% of the target bonuses, and approved the following grants of Bonus Shares to: Mr. Weiner: 21,923 shares of common stock; and Dr. Steines: 16,150 shares of common stock. No annual cash bonus payments were made under our 2017 cash bonus award program.

TABLE OF CONTENTS

On March 14, 2018, the board of directors approved annual salaries for 2018 for Mr. Weiner: \$362,351 and for Dr. Steins: \$332,062. Each of these executives is also eligible, in the sole discretion of the compensation committee of our board of directors, to receive an annual bonus. Each of the executive's target cash bonus for 2017 was calculated as a percentage of his annual base salary as determined by the compensation committee, subject to approval by our board of directors.

Termination of the Employment of our Former President & Chief Executive Officer

On November 14, 2016, Dr. Lang's employment with the Company terminated. Effective upon his termination from the Company, Dr. Lang received severance benefits consistent with the provisions of his employment agreement with the Company, including continuation on our standard payroll dates of his base salary in effect at the time of termination and continuation of coverage under the Company's group health insurance plans at the same cost as active employees for a period of 12 months. Dr. Lang was entitled to receive an annual base salary of \$455,000 at the time of his termination. In 2017, we incurred \$354,429 in severance payments to Dr. Lang. Dr. Lang agreed to certain obligations under his existing amended and restated employee confidential information, inventions and non-competition agreement which remain in effect as well as to cooperate with the Company as specified therein. Dr. Lang also will continue to receive payments pursuant to his Amended and Restated Revenue Sharing Agreement with the Company dated September 2, 2011. See Revenue Sharing Agreement with Dr. Lang.

Potential Payments upon Termination or Change in Control Transaction

Each of our named executive officers will be entitled to severance payments if his employment is terminated under specified circumstances.

Termination During Change of Control Period. If we terminate the executive's employment other than for cause, or if the executive terminates his employment with us for good reason, during a change of control period, as described below, we are obligated to:

- continue to pay the executive's base salary, in the case of Mr. Augusti, for a period of eighteen months, and, in the cases of Mr. Weiner and Dr. Steines, for a period of twelve months;
- in the case of a termination of Mr. Augusti, pay an amount equal to 1.5 times his target bonus, and, in the cases of Mr. Weiner and Dr. Steines, pay to the executive (i) any bonus accrued by the Company or approved by the board of directors for the year prior to such termination, unless already paid, and (ii) a bonus determined by the board of directors for the year in which such termination occurs, with all targets, goals, milestones and other contingencies deemed to have been met by the Company and the executive for such year;
- to the extent allowed by applicable law and the terms of the applicable policies, continue to provide such executive and certain of his dependents with group health insurance in the case of Mr. Augusti, for a period of up to eighteen months and in the cases of Mr. Weiner and Dr. Steines, for a period of up to twelve months; and
- provide that any outstanding unvested equity awards held by the executive will become fully vested and exercisable or free from forfeiture or transfer restrictions.

A change of control period is, in the case of Mr. Augusti, the period of twenty-four months following a change in control, and, in the cases of Mr. Weiner and Dr. Steines, the period beginning three months immediately preceding and ending twelve months immediately following a change of control. The terms termination for cause, termination for good reason and change of control are defined in each executive's employment agreement.

TABLE OF CONTENTS

Termination Outside of Change of Control Period. If we terminate the named executive officer's employment other than for cause or if the executive terminates his employment with us for good reason other than during a change of control period, we are obligated to:

continue to pay the executive's base salary, in the case of Mr. Augusti, for a period of eighteen months if the termination is on or prior to November 14, 2018, and otherwise for a period of twelve months, and in the case of our other executives, for a period of twelve months until November 14, 2017, with the severance period being reduced by one month for each month thereafter for the period between November 14, 2017 and May 14, 2018, and then for a period of six months thereafter;

in the case of a termination of Mr. Augusti on or before November 14, 2018, an amount equal to 1.5 times his target bonus, and otherwise an amount equal to his target bonus; and, in the cases of Mr. Weiner and Dr. Steines, pay to the executive (i) any bonus accrued by the Company or approved by the board of directors for the year prior to such termination, unless already paid, and (ii) a bonus determined by the board of directors for the year in which such termination occurs, with all targets, goals, milestones and other contingencies deemed to have been met by the Company and the executive for such year.

Stock Option and Other Compensation Plans

2004 Stock Option Plan

Our 2004 Stock Option Plan, or 2004 Plan, was adopted by our board of directors and approved by our stockholders in June 2004. Our 2004 Plan was amended in October 2005, August 2007, May 2008 and September 2009. A maximum of 3,792,943 shares of common stock was authorized for issuance under the 2004 Plan.

The 2004 Plan is administered by our board of directors. The 2004 Plan provided for the grant of incentive stock options and nonqualified stock options. Our employees, directors and consultants, and employees, directors and consultants of our parent or subsidiary corporations, were eligible to receive awards under the 2004 Plan. However, incentive stock options could only be granted to employees. The terms of awards are set forth in the applicable award agreements.

Awards under the 2004 Plan are subject to appropriate adjustments in the event of a stock split, reverse stock split, stock dividend, or recapitalization, combination or reclassification with respect to our stock.

Upon a merger of our company with or into another corporation or sale of all or substantially all of our assets, in addition to any rights provided in an applicable award agreement:

• all outstanding awards shall be assumed, or substantially equivalent awards shall be substituted, by the successor corporation or a parent or subsidiary thereof; and
• if not assumed or substituted, all outstanding awards will become exercisable in full for a period of 15 days following our notice to a participant, and any unexercised options will terminate upon expiration of such 15-day period.
Upon a liquidation or dissolution, we must notify participants at least 30 days prior to such action, and all outstanding awards will terminate immediately prior to the consummation of such liquidation or dissolution, unless previously exercised by the participant.

With participant consent, our board of directors may modify or amend, or defer the exercise date of, any awards under the 2004 Plan. Subject to applicable stockholder approval requirements, our board of directors may amend or alter the 2004 Plan at any time, except that no amendment or alteration may adversely affect outstanding awards without participant consent except as expressly permitted under the 2004 Plan.

Effective upon the adoption of our 2011 stock option/stock issuance plan, or 2011 Plan, we ceased making awards under the 2004 Plan. Following the adoption of our 2011 Plan, any shares of common stock subject to awards originally granted under the 2004 Plan that expired, terminated, or were otherwise surrendered, canceled, forfeited or repurchased without having been fully exercised or resulting in any common stock being issued were available for issuance under the 2011 Plan.

As of December 31, 2017, there were options to purchase an aggregate of 711,348 shares of common stock outstanding under the 2004 Plan at a weighted-average exercise price of \$3.75 per share. Following the adoption of our 2015 Plan any shares of common stock subject to awards originally granted under the 2004 Plan that expire, terminate, or are otherwise surrendered, canceled, forfeited or repurchased without having been fully exercised or resulting in any common stock being issued will be available for issuance under the 2015 Plan, up to a specified number of shares.

2011 Stock Option Plan/Stock Issuance Plan

Our 2011 Plan was adopted by our board of directors in February 2011 and approved by our stockholders in March 2011. Our 2011 Plan was amended in March 2012 and July 2013. A maximum of 6,630,242 shares of our common stock are authorized for issuance under the 2011 Plan.

The 2011 Plan is administered by our board of directors and provides for the grant of incentive stock options within the meaning of Section 422 of the Code, non-statutory stock options and stock awards. Following the closing of initial public offering on July 7, 2015, we ceased granting options under the 2011 Plan. However, incentive stock options may only be granted to our employees. The terms of awards are set forth in the applicable award agreements.

TABLE OF CONTENTS

Awards under the 2011 Plan are subject to appropriate adjustments in the event of a stock split, stock dividend, recapitalization, combination of shares, exchange of shares or other change affecting our outstanding common stock as a class without our receipt of consideration.

Upon a change of control, as defined in the 2011 Plan:

all outstanding option awards will become exercisable in full immediately prior to the effective date of the change of control, except to the extent such options are (1) assumed, or equivalent options substituted, by the successor corporation, or parent thereof, or otherwise continued in full force and effect pursuant to the terms of the change of control transaction, (2) replaced by a cash incentive program that provides for a subsequent payout of the spread existing on the unvested option shares as of the date of such change of control, to be paid in accordance with the same vesting schedule applicable to those unvested option shares, or (3) our board of directors subjects such acceleration to other limitations; and

all outstanding repurchase rights in favor of us with respect to shares of our common stock issued upon exercise of options or as stock awards shall terminate automatically, and such shares shall become vested, except to the extent (1) those repurchase rights are assigned to a successor corporation, or parent thereof, or otherwise continued in effect pursuant to the terms of the change of control transaction, (2) the property, including cash payments, issued with respect to the unvested shares are placed in escrow and released in accordance with the vesting schedule in effect for such shares, or (3) such accelerated vesting is precluded by other limitations imposed by our board of directors.

Our board of directors has the discretion, exercisable either at the time an award is granted or at any time while an award remains outstanding, to provide that such award will become fully vested upon the occurrence of a change of control or other specified event or the participant's involuntary termination, as defined in the 2011 Plan, within a designated period following a specified event.

Subject to any applicable stockholder approval requirements pursuant to applicable laws and regulations, our board of directors may amend or terminate the 2011 Plan or any awards under the Plan in any or all respects, except that no amendment or termination may adversely affect the rights and obligations with respect to outstanding awards without participant consent. Our board of directors has the authority, with the consent of the affected participants, to cancel any or all outstanding options under the 2011 Plan and grant in substitution therefor new options covering the same or a different number of shares of our common stock.

As of December 31, 2017, there were options to purchase an aggregate of 1,870,441 shares of common stock outstanding under the 2011 Plan at a weighted-average exercise price of \$7.81 per share. Following the adoption of our 2015 Plan, any shares of common stock subject to awards originally granted under the 2011 Plan that expire, terminate, or are otherwise surrendered, canceled, forfeited or repurchased without having been fully exercised or resulting in any common stock being issued will be available for issuance under the 2015 Plan, up to a specified number of shares.

2015 Stock Incentive Plan

Our board of directors adopted, and our stockholders approved, our 2015 Plan, which became effective in June 2015. The 2015 Plan provides for the grant of incentive stock options, non-statutory stock options, stock appreciation rights, restricted stock awards, restricted stock units and other stock-based awards. The number of shares of our common stock that are reserved for issuance under the 2015 Plan are the sum of: (1) 2,000,000; plus (2) 259,403 shares of our common stock reserved for issuance under the 2011 Plan and the number of shares of our common stock subject to outstanding awards under the 2011 Plan or under the 2004 Plan that expire, terminate or are otherwise surrendered, canceled, forfeited or repurchased by us at their original issuance price pursuant to a contractual repurchase right; plus (3) an annual increase, to be added on the first day of each fiscal year, beginning with the fiscal year ending December 31, 2016 and continuing until, and including, the fiscal year ending December 31, 2025, equal to the least of (a)

3,000,000 shares of our common stock, (b) 3% of the number of shares of our common stock outstanding on the first day of such fiscal year and (c) an amount determined by the Board.

Our employees, officers, directors, consultants and advisors are eligible to receive awards under the 2015 Plan. Incentive stock options, however, may only be granted to our employees.

TABLE OF CONTENTS

Pursuant to the terms of the 2015 Plan, our board of directors (or a committee delegated by our board of directors) administers the plan and, subject to any limitations in the plan, selects the recipients of awards and determines:

- the number of shares of our common stock covered by options and stock appreciation rights and the dates upon which those awards become exercisable;
- the type of options to be granted;
- the duration of options and stock appreciation rights, which may not be in excess of ten years;
- the exercise price of options and measurement price of stock appreciation rights, both of which must be at least equal to the fair market value of our common stock on the date of grant; and
- the number of shares of our common stock subject to the terms of any restricted stock awards, restricted stock units or other stock-based awards and the terms and conditions of such awards, including conditions for repurchase, issue price and repurchase price and performance conditions, if any.

If our board of directors delegates authority to an executive officer to grant awards under the 2015 Plan, the executive officer will have the power to make awards to all of our employees, except executive officers, subject to any limitations under the 2015 Plan. Our board of directors will fix the terms of the awards to be granted by such executive officer, including the exercise price of such awards, which may include a formula by which the exercise price will be determined, and the maximum number of shares subject to awards that such executive officer may make.

Effect of Certain Changes in Capitalization

Upon the occurrence of any stock split, reverse stock split, stock dividend, recapitalization, combination of shares, reclassification of shares, spin-off or other similar change in capitalization or event, or any dividend or distribution to holders of our common stock other than an ordinary cash dividend, our board of directors shall equitably adjust:

- the number and class of securities available under the 2015 Plan;
- the share counting rules under the 2015 Plan;
- the number and class of securities and exercise price per share of each outstanding option;
- the share and per-share provisions and the measurement price of each outstanding stock appreciation right;
- the number of shares subject to, and the repurchase price per share subject to, each outstanding restricted stock award; and
- the share and per-share related provisions and the purchase price, if any, of each outstanding restricted stock unit award and each other stock-based award.

Effect of Certain Corporate Transactions

Upon a merger or other reorganization event, as defined in our 2015 Plan, our board of directors may, on such terms as our board determines, except to the extent specifically provided otherwise in an applicable award agreement or other agreement between the participant and us, take any one or more of the following actions pursuant to the 2015 Plan as to some or all outstanding awards, other than restricted stock:

- provide that all outstanding awards shall be assumed, or substantially equivalent awards shall be substituted, by the acquiring or successor corporation, or an affiliate thereof;

upon written notice to a participant, provide that all of the participant's unvested and/or unexercised awards will terminate immediately prior to the consummation of such reorganization event unless exercised by the participant, to the extent then exercisable;

- provide that outstanding awards shall become exercisable, realizable or deliverable, or restrictions applicable to an award shall lapse, in whole or in part, prior to or upon such reorganization event;
- in the event of a reorganization event pursuant to which holders of shares of our common stock will receive a cash payment for each share surrendered in the reorganization event, make or provide for a

TABLE OF CONTENTS

cash payment to the participants with respect to each award held by a participant equal to (1) the number of shares of our common stock subject to the vested portion of the award, after giving effect to any acceleration of vesting that occurs upon or immediately prior to such reorganization event, multiplied by (2) the excess, if any, of the cash payment for each share surrendered in the reorganization event over the exercise, measurement or purchase price of such award and any applicable tax withholdings, in exchange for the termination of such award; and/or

provide that, in connection with a liquidation or dissolution, awards shall convert into the right to receive liquidation proceeds, if applicable, net of the exercise, measurement or purchase price thereof and any applicable tax withholdings.

Our board of directors does not need to take the same action with respect to all awards, all awards held by a participant or all awards of the same type.

In the case of certain restricted stock units, no assumption or substitution is permitted, and the restricted stock units will instead be settled in accordance with the terms of the applicable restricted stock unit agreement.

Upon the occurrence of a reorganization event other than a liquidation or dissolution, the repurchase and other rights with respect to outstanding awards of restricted stock will continue for the benefit of the successor company and will, unless the board of directors may otherwise determine, apply to the cash, securities or other property into which shares of our common stock are converted or exchanged pursuant to the reorganization event. Upon the occurrence of a reorganization event involving a liquidation or dissolution, all restrictions and conditions on each outstanding award of restricted stock will automatically be deemed terminated or satisfied, unless otherwise provided in the agreement evidencing the restricted stock award or any other agreement between the participant and us.

At any time, our board of directors may, in its sole discretion, provide that any award under the 2015 Plan will become immediately exercisable in full or in part, free of some or all restrictions or conditions, or otherwise realizable in whole or in part as the case may be.

No award may be granted under the 2015 Plan on or after June 30, 2025. Our board of directors may amend, suspend or terminate the 2015 Plan at any time, except that stockholder approval may be required to comply with applicable law or stock market requirements.

As of December 31, 2017, there were options to purchase an aggregate of 1,046,206 shares of common stock outstanding under the 2015 Plan at a weighted-average exercise price of \$5.96 per share.

Johnston, Bradley Langdale and Richard Meelia (each a Compensated Director), which excluded our non-employee directors who are associated with an institutional investor that, singularly or collectively with any affiliates, holds 1% or more of the outstanding common stock of the Company. each Compensated Director who has served on our board of directors for at least six months receives an annual grant under our 2015 Plan equal to such number of shares of our restricted common stock as is equal to \$110,000 divided by the fair market value of our common stock on the date of the board meeting after each Annual Meeting of Stockholders;

TABLE OF CONTENTS

MATTERS TO BE VOTED ON

Proposal 1: Election of Class III Directors

In accordance with the terms of our restated certificate of incorporation and amended and restated by-laws, our board of directors is divided into three classes, class I, class II and class III, with members of each class serving staggered three-year terms. Upon the expiration of the term of a class of directors, directors in that class will be eligible to be elected for a new three-year term at the Annual Meeting of Stockholders in the year in which their term expires. At each Annual Meeting of Stockholders, directors are elected for a full term of three years to succeed those directors whose terms are expiring.

Philipp Lang and Bradley Langdale are current class III directors whose terms expire at the Annual Meeting. Dr. Lang was not nominated for re-election as a class III director of the Company at the Annual Meeting by our nominating and corporate governance committee. In March 2018, based in part on the recommendation of our nominating and corporate governance committee, our board of directors nominated Kenneth Fallon III for election as a class III director and Bradley Langdale for re-election as a class III director of the Company, each with a term ending in 2021. Contingent and effective upon Mr. Fallon's election as a class III director, Mr. Fallon's resignation as a class I director will be effective.

Unless otherwise instructed in the proxy, all proxies will be voted **FOR** the election of Kenneth Fallon III and Bradley Langdale to three-year terms ending in 2021, each such nominee to hold office until his successor has been duly elected and qualified. Stockholders who do not wish their shares to be voted for any or all of the nominees may so indicate by striking out the name of such nominee(s) on the proxy card. Each of the nominees has indicated his willingness to serve on our board, if elected. If any nominee should be unable to serve, the person acting under the proxy may vote the proxy for a substitute nominee designated by our board. We do not contemplate that either of the nominees will be unable to serve if elected.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE *FOR* THE ELECTION OF EACH OF THE NOMINEES AS DIRECTORS.

Proposal 2: To Ratify the Selection of Grant Thornton LLP as ConforMIS's Independent Registered Public Accounting Firm for the Fiscal Year Ending December 31, 2018

The audit committee of our board of directors has selected the firm of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018. Grant Thornton LLP has served as our independent registered public accounting firm since the fiscal year ended December 31, 2008. Although stockholder approval of the selection of Grant Thornton LLP is not required by law or NASDAQ rules, our audit committee believes that it is advisable and has decided to give our stockholders the opportunity to ratify this selection. If this proposal is not approved at the Annual Meeting, our audit committee may reconsider this selection.

Representatives of Grant Thornton LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so. It is also expected that they will be available to respond to appropriate questions from stockholders.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE *FOR* THE RATIFICATION OF THE SELECTION OF GRANT THORNTON LLP AS CONFORMIS'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2018.
