PROXY STATEMENT

This Proxy Statement contains information related to our Annual Meeting of Shareholders to be held on, Wednesday, December 14, 2005, beginning at 2:00 p.m., at the E Com Ventures, Inc. Corporate Office, 251 International Parkway, Sunrise, Florida 33325, and at any adjournments or postponements thereof. The approximate date that this Proxy Statement, the accompanying Notice of Annual Meeting and the enclosed Form of Proxy are first being sent to shareholders is November 22, 2005. You should review this information in conjunction with our 2004 Annual Report to Shareholders, which accompanies this Proxy Statement.

ABOUT THE ANNUAL MEETING

What is the purpose of the Annual Meeting?

At the Annual Meeting, shareholders will vote on the election of directors and ratification of the appointment of our independent public accountants. In addition, we will report on our performance and respond to questions from our shareholders.

Who is entitled to vote at the Annual Meeting?

Only shareholders of record at the close of business on the record date, November 7, 2005, are entitled to receive notice of the Annual Meeting and to vote shares of our common stock that they held on the record date, or any postponements or adjournments of the Annual Meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted upon.

Who can attend the Annual Meeting?

All shareholders as of the record date, or their duly appointed proxies, may attend. If your shares are held in the name of your broker or bank, you will need to bring evidence of your stock ownership, such as your most recent brokerage statement, and valid picture identification.

Edgar Filing: E COM VENTURES INC - Form DEF 14A

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of all of the shares of common stock outstanding on the record date will constitute a quorum, permitting us to conduct business at the Annual Meeting. As of the record date, approximately 2,953,000 shares of our common stock were outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the Annual Meeting for purposes of a quorum, but will not be counted as votes cast "for" or "against" any given matter.

If less than a majority of outstanding shares entitled to vote are represented at the Annual Meeting, a majority of the shares present at the Annual Meeting may adjourn the Annual Meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the Annual Meeting before an adjournment is taken.

1

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered shareholder and you attend the Annual Meeting, you may deliver your completed proxy card in person. "Street name" shareholders who wish to vote at the Annual Meeting will need to obtain a proxy from the institution that holds their shares.

Can I vote by telephone or electronically?

If your shares are held in "street name," please check your proxy card or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with our Secretary either a notice of revocation or a duly executed proxy bearing a later date. You may also change your vote by attending the Annual Meeting in person and voting. The powers of the proxy holders will be suspended if you attend the Annual Meeting in person and vote, although attendance at the Annual Meeting will not by itself revoke a previously granted proxy.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board of Directors. The recommendation of the Board of Directors is set forth with the description of each proposal in this Proxy Statement. In summary, the Board of Directors recommends a vote:

- o for the election of the nominated slate of directors; and
- o for the ratification of the appointment of Deloitte & Touche LLP, as our independent public accountants.

The Board of Directors does not know of any other matters that may be brought before the Annual Meeting, nor does it foresee or have reason to believe that the proxy holders will have to vote for substitute or alternate Board of Directors nominees. In the event that any other matter should properly come

Edgar Filing: E COM VENTURES INC - Form DEF 14A

before the Annual Meeting or any Board of Directors nominee is not available for election, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in accordance with their best judgment.

What vote is required to approve each proposal?

Election of Directors. The affirmative vote (either in person or by proxy) of a plurality of the votes cast at the Annual Meeting is required for the election of directors. This means that candidates who receive the highest number of votes are elected. Abstentions and broker non-votes are not votes cast and are not counted in determining whether a nominee is elected. A properly executed proxy marked to "Withhold Authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Shareholders do not have the right to cumulate their votes for directors.

2

Other Proposals. The affirmative vote (either in person or by proxy) of a majority of the votes cast at the Annual Meeting is required for approval of the ratification of the appointment of Deloitte & Touche LLP. Abstentions and broker non-votes are treated as shares present or represented and entitled to vote on such matters, and thus have the same effect as negative votes. A properly marked "ABSTAIN" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

Who pays for the preparation of the proxy?

We will pay the cost of preparing, assembling and mailing the Proxy Statement, Notice of Annual Meeting and enclosed proxy card. In addition to the use of mail, our employees may solicit proxies personally and by telephone. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy material to the beneficial owners of our common stock and to request authority for the execution of proxies, and we may reimburse such persons for their expenses incurred in connection with these activities.

Our principal executive offices are located at 251 International Parkway, Sunrise, Florida 33325, and our telephone number is (954) 335-9100. A list of shareholders entitled to vote at the Annual Meeting will be available at our offices for a period of ten days prior to the Annual Meeting and at the Annual Meeting itself for examination by any shareholder.

3

Nussdorfs made a \$5,000,000 subordinated secured demand loan to Perfumania. The demand loan bore interest at the prime rate plus 1%, required quarterly interest payments and was secured by a security interest in Perfumania's assets pursuant to a Security Agreement, by and among Perfumania and the Nussdorfs. There were no prepayment penalties and the loan was subordinate to all bank related indebtedness. On December 9, 2004 the Company issued a Subordinated Convertible Note (the "Convertible Note") in exchange for the \$5,000,000 subordinated secured demand loan. The Convertible Note bears interest at the prime rate plus 1%, requires quarterly interest payments and is secured by a security interest in the Company's assets pursuant to a Security Agreement, by and among the Company and the Nussdorfs. The Convertible Note is payable in January 2007 and allows the Nussdorfs to convert the Convertible Note into 444,445 shares of the Company's common stock at a conversion price of \$11.25, which equals the closing market price of the Company's common stock on December 9, 2004.

Change of Control

Effective January 30, 2004, Ilia Lekach, our former Chairman of the Board and Chief Executive Officer, IZJD Corp. and Pacific Investment Group, Inc., each of which are wholly-owned by Mr. Lekach, and Deborah Lekach, Mr. Lekach's wife (collectively, "Lekach"), entered into an option agreement (the "Nussdorf Option Agreement"), with Stephen Nussdorf and Glenn Nussdorf (the "Nussdorfs"), pursuant to which the Nussdorfs were granted options to acquire up to an aggregate 720,954 shares of the Company's common stock beneficially owned by Lekach, for a purchase price of \$12.70 per share exercisable in specified installments.

8

Of the 720,954 shares subject to the Nussdorf Option Agreement, an aggregate 443,750 shares were issuable upon exercise of certain stock options owned of record by Ilia Lekach. To date, Mr. Lekach had exercised his options to acquire all of those shares and the Nussdorfs have acquired all 720,954 shares pursuant to the Nussdorf Option Agreement.

On February 6, 2004, Miles Raper, Donovan Chin and Daniel Bengio resigned as members of the Company's Board of Directors, and Stephen Nussdorf, Paul Garfinkle and Michael W. Katz were elected to the Company's Board of Directors. Effective February 10, 2004, Mr. Lekach's employment with the Company was terminated and Mr. Lekach ceased serving as an employee and officer of the Company. In addition, on February 10, 2004, Stephen L. Nussdorf was appointed the Company's Chairman of the Board and Michael W. Katz was appointed the Company's President and Chief Executive Officer.

BOARD OF DIRECTORS COMMITTEES

The Board of Directors has determined that the following three individuals of the five members of the Board of Directors are independent as defined by Nasdaq Marketplace Rules: Carole Ann Taylor, Joseph Bouhadana and Paul Garfinkle (the "Independent Board Members"). Our Board of Directors has a standing Audit Committee, Compensation Committee and Stock Option Committee.

We do not have a nominating or similar committee. The Independent Board Members perform the functions of a nominating committee including reviewing and recommending candidates for directors. If a shareholder wishes to recommend a nominee for director, written notice should be sent to the Corporate Secretary in accordance with the instructions set forth later in this proxy statement under "Shareholder Proposals for the 2006 Annual Meeting." All recommendations

Edgar Filing: E COM VENTURES INC - Form DEF 14A

should be accompanied by a complete statement of such person's qualifications (including education, work experience, knowledge of the Company's industry, membership on the Board of Directors of another corporation, and civic activity) and an indication of the person's willingness to serve. The Independent Board Members will evaluate the suitability of potential candidates nominated by shareholders in the same manner as other candidates identified to the Independent Board Members. In making its nominations, the Independent Board Members identify candidates who meet the current challenges and needs of the Board of Directors. In making such decisions, the Independent Board Members consider, among other things, an individual's business experience, industry experience, financial background and experiences and whether the individual meets the independence requirements of the Nasdaq Stock Market. The Independent Board Members use multiple sources for identifying and evaluating nominees for directors including referrals from current directors, recommendations by stockholders and input from third party executive search firms.

For the fiscal year ended January 29, 2005, Carole Ann Taylor, Joseph Bouhadana and Paul Garfinkle were the members of our Audit Committee. The Audit Committee is governed by a written charter adopted by the Board of Directors. Each of the members of the Audit Committee is independent as defined in the Marketplace Rules of The Nasdaq Stock Market. The duties and responsibilities of the Audit Committee include: (a) assisting our Board in its oversight of the integrity of our financial statements, (b) the selection and retention of our auditors and any termination of engagement, (c) reviewing the scope and results of audits and other services provided by our auditors, (d) reviewing our significant accounting policies and internal controls and (e) having general responsibility for all related auditing matters. The Board of Directors designated Paul Garfinkle the "audit committee financial expert" as defined by SEC rules. The Audit Committee held 4 meetings during the fiscal year ended January 29, 2005.

9

For the fiscal year ended January 29, 2005, Carole Ann Taylor and Joseph Bouhadana were the members of our Compensation Committee. The Compensation Committee reviews and approves the compensation of our executive officers, including salaries, bonuses and benefit plans. The Compensation Committee met once during the fiscal year ended January 29, 2005.

For the fiscal year ended January 29, 2005, Carole Ann Taylor and Joseph Bouhadana were the members of the Stock Option Committee. The Stock Option Committee administers our 2000 Stock Option Plan and the 2000 Directors Stock Option Plan. The Stock Option Committee held no meetings during the fiscal year ended January 29, 2005.

During the fiscal year ended January 29, 2005, our Board of Directors took certain actions by unanimous written consent and held 8 meetings. During the last fiscal year, no director attended fewer than 75 percent of (i) the meetings of our Board of Directors held during the period they served on the Board, and (ii) the meetings of committees of our Board of Directors held during the period they served on such committees.

(1) Amounts included represent payments made to the persons indicated pursuant to the terms of their then employment agreements as a result of a change of control, described herein. These payments were made as a consequence of the determination on February 3, 2004 by the disinterested and independent members of the Board of Directors that a change of control had occurred under the terms of such employment agreements, and the subsequent authorization on such date of such payments by Ilia Lekach, the Company's then Chairman and the Chief Executive Officer. The column for "Other Annual Compensation" does not include any amounts for executive perquisites and any other personal benefits, such as the cost of automobiles, life insurance and disability insurance because the aggregate

Edgar Filing: E COM VENTURES INC - Form DEF 14A

dollar amount per executive does not exceed the lesser of \$50,000 or 10% of their annual salary and bonus.

- (2) Our Board of Directors authorized a one-for-four reverse stock-split of our outstanding shares of common stock for shareholders of record on March 2, 2002. Accordingly, all share and per share data shown in this information statement have been retroactively adjusted to reflect this reverse stock-split. Options issued in Fiscal 2003 represent those options issued as a consequence of the change of control pursuant to the Company's contractual obligations under existing employment agreements.
- (3) Michael W. Katz was not paid by the Company during Fiscal 2004. An aggregate amount of \$325,000 was accrued during Fiscal 2004 and subsequently contributed to the Company's additional Paid-in-Capital. The Company began paying Michael W. Katz's salary in the second quarter of Fiscal 2005.
- (4) The employment of Ilia Lekach, our former Chairman and Chief Executive Officer, was terminated on February 10, 2004.

Director Compensation

We pay each non-employee director a \$10,000 annual retainer, and reimburse their expenses in connection with their activities as directors. In addition, non-employee directors are eligible to receive stock options under the 2000 Directors Stock Option Plan.

The 2000 Directors Stock Option Plan currently provides for an automatic grant of an option to purchase 500 shares of our common stock upon a person's election as director, and an automatic grant of options to purchase 1,000 shares of our common stock upon re-election to the Board, in both instances at an exercise price equal to the fair market value of the common stock on the date of the option grant

Employment and Severance Agreements

Effective February 1, 2002, we entered into a 3-year employment agreement with Ilia Lekach. Mr. Lekach's employment agreement was terminated effective as of February 10, 2004. Pursuant to the terms of the employment agreement, Mr. Lekach was to receive an annual salary of \$460,000, subject to cost-of-living increases or 5% if higher. The employment agreement provided that Mr. Lekach would continue to receive his annual salary until the expiration of the term of the agreement if his employment was terminated by us for any reason other than death, disability or cause (as defined in the employment agreement). The employment agreement contained a performance bonus plan, which provided for additional compensation and grant of stock options, if we met certain specified net income levels. The employment agreement prohibited Mr. Lekach from directly or indirectly competing with us during the term of his employment and for one year after termination of employment except in the case of our termination of employment without cause. Pursuant to the terms of the employment agreement, Mr. Lekach received a signing bonus of \$250,000 and was granted 125,000 options to purchase our common stock at an exercise price of \$4.00 per share (the closing market price of our common stock on January 31, 2002).

On February 10, 2004, our Board of Directors terminated without cause Ilia Lekach's employment with the Company as Chairman of the Board and Chief Executive Officer. In addition, as a consequence of the Nussdorf Option Agreement described herein, the Board of Directors determined that a change of control occurred under the Company's employment agreement with Mr. Lekach, and that the terms of the employment agreement required the Company to issue Mr. Lekach 125,000 options. Upon termination of the employment agreement, and as a consequence of the change of control, Mr. Lekach was paid approximately \$1,012,000 (two times the remaining compensation under the Agreement).

As a consequence of the change of control described above, Mr. Young, Mr. Jeffrey Geller, Mr. Leon Geller, Mr. Lancaster and Mr. Alan Grobman received approximately \$469,000, \$472,000, \$184,000, \$125,000 and \$145,000, respectively, under the terms of their employment agreements with the Company. These payments were made as a consequence of the determination on February 3, 2004 by the disinterested and independent members of the Board of Directors that a change of control had occurred under the terms of such employment agreements, and the subsequent authorization on such date of such payments by Ilia Lekach, the Company's then Chairman and Chief Executive Officer.

Compensation Committee Interlocks and Insider Participation

The following directors served as members of the compensation committee during the 2004 fiscal year: Carole Ann Taylor and Joseph Bouhadana. None of the members of the compensation committee was, at any time either during or before such a fiscal year, an officer or employee of ours or any of our subsidiaries, or has any relationship requiring disclosure under Certain Relationships and Related Party Transactions.

REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee reviews and approves the compensation of our executive officers, including salaries, bonuses and benefit plans.

The policy of the Board of Directors is to maintain executive compensation at levels that will permit us to attract, motivate and retain individuals with superior managerial abilities. The levels of compensation are intended to reward individual initiative and achievement, while motivating our executives to increase shareholder value by improving our performance and profitability.

In reviewing the base salaries of our Chief Executive Officer and all Named Executive Officers, the Compensation Committee considers factors such as the responsibilities of the position, corporate progress toward achieving objectives and individual performance, experience and expertise. As of their respective anniversary dates of hire, some Named Executive Officers received nominal salary increases during 2004 based in part on cost of living adjustments. The Compensation Committee also determined the compensation of our Chief Executive Officer, appointed in February 2004, based in part on comparisons with compensation levels paid by other companies. In determining our Named Executive Officers' overall compensation, the Compensation Committee also reviews certain compensation levels at other companies because the Compensation Committee believes that we compete for executive talent with companies in addition to those in our peer group. Additional criteria reviewed by the Compensation Committee in determining appropriate compensation levels include

Edgar Filing: E COM VENTURES INC - Form DEF 14A

subjective factors related to corporate and individual performance.

Our Stock Option Committee reviews and approves the grant of options pursuant to our 2000 Stock Option Plan. In furtherance of our executive compensation policies, stock options are considered an integral part of our executives' overall compensation. The Compensation Committee believes that as an executive's level of responsibility increases, a greater portion of the total compensation opportunity should be based upon share ownership and other incentives and less upon base salary. Our executives' compensation pursuant to a stock option grant generally increases only to the extent the value of common stock underlying the stock options increases, therefore aligning the interest of our executive officers with our shareholders by tying long-term compensation with our growth and appreciation of shares. The amount of the grants takes into consideration such factors as the executives' level of responsibility, their level of performance, their contribution to Company results and their potential for growth and ongoing contribution within the Company.

We did not grant any stock options to any Named Executive Officer during the fiscal year ended January 29, 2005.

REPORT OF THE AUDIT COMMITTEE

The following report concerns the Audit Committee's activities regarding oversight of our accounting, auditing and financial reporting process.

The Audit Committee is comprised of three independent directors, as defined in the Marketplace Rules of The Nasdaq Stock Market. It operates under a written charter adopted by the Board of Directors. The composition of the Audit Committee, the qualifications of its members and the responsibilities of the Committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Committee reviews and assesses the adequacy of its charter on an annual basis.

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board of Directors in its general oversight of our internal control, accounting, auditing and financial reporting functions. Management is responsible for the preparation, presentation and integrity of our financial statements, accounting and financial reporting principles and internal controls and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. Deloitte & Touche LLP, our independent auditing firm, is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditor, nor can the Audit Committee certify that the independent auditor is "independent" under applicable rules. The Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors and the experience of the Committee's members in business, financial and accounting matters.

Among other matters, and in accordance with the Sarbanes-Oxley Act of

Edgar Filing: E COM VENTURES INC - Form DEF 14A

2002, the Audit Committee monitors the activities and performance of our external auditors, including the audit scope, external audit fees, auditor independence matters and the extent to which the independent auditor may be retained to perform non-audit services. The Audit Committee has ultimate authority and responsibility to select, evaluate and, when appropriate, replace our independent auditor. The Audit Committee also reviews the results of the external audit work with regard to the adequacy and appropriateness of our financial, accounting and internal controls. Management and independent auditor presentations to and discussions with the Audit Committee also cover various topics and events that may have significant financial impact or are the subject of discussions between management and the independent auditor. In addition, the Audit Committee generally oversees our internal compliance programs.

In fulfilling its oversight responsibilities, the Committee has reviewed and discussed the audited consolidated financial statements with management and the independent auditor. Management represented to the Committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the independent auditor represented that its presentations included the matters required to be discussed with the independent auditor by Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees." Our independent auditor also provided the Committee with the written disclosures required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the Audit Committee discussed with the independent auditor that firm's independence.

17

Following the Audit Committee's discussions with management and the independent auditor, the Committee recommended that the Board of Directors include the audited consolidated financial statements in our annual report on Form 10-K for the fiscal year ended January 29, 2005.
