Beacon Roofing Supply, Inc. (the “Company”) filed a Current Report on Form 8-K with the Securities and Exchange Commission on March 6, 2013 (the “Prior 8-K”), announcing that Joseph M. Nowicki had accepted the position of Executive Vice President, Chief Financial Officer and Treasurer effective March 25, 2013. The purpose of this Current Report on Form 8-K/A is to amend the Prior 8-K to report that on March 25, 2013, coincident with his start date, Mr. Nowicki was awarded 8,000 restricted stock units (RSUs) and 5,000 options under the Company’s 2004 Stock Plan, which was adopted on September 21, 2004 and most recently amended and restated on February 8, 2011.

Each RSU represents a contingent right to receive one share of the Company’s common stock. The RSUs will vest if the Company attains a targeted rate of return on invested capital of 9.75% for the three-year fiscal period ending September 30, 2015. The actual number of shares or units that will vest can range from 0% to 125% depending upon actual Company performance below or above the target level. The options have an exercise price of \$38.43 per share, the closing price of the Company’s common stock on March 25, 2013. The options vest in three equal installments over a three-year period beginning with the first anniversary from the award date. All RSU and option awards are subject to continued employment, except under certain conditions, and vesting shall automatically accelerate upon a Change of Control (as defined in the award agreements).

The remainder of the information contained in the Prior 8-K is not hereby amended.
